THE SPECTRUM OF VICTORY.

The moment you held it you suspected a decided advantage.

It had a feel unlike any other. Light yet remarkably tenacious.

Of course, you were told this was the new Prince Spectrum Comp and it was composed of a precise blend of materials. A breakthrough, they said—graphite, Kevlar®, fiberglass and silicon carbide ceramic fibers.

Especially designed, for unrelenting power, uncanny control, awesome strength.

Then you went out and practiced. And suddenly you knew—there was no way you could lose.

Victory is within your grasp.

NATURALLY HAR-TRU® - SHRIVER

Har-Tru and Pam Shriver have a natural association. Pam began her career playing regularly on Har-Tru indoor and outdoor courts. Throughout her career she has not experienced any serious leg or back injuries and attributes this to growing up on Har-Tru tennis courts. Today Pam's Baltimore tennis club features Har-Tru courts since both she and her members appreciate the soft surface and playability of Har-Tru.

AN IMPORTANT MESSAGE FROM THE EDITOR

This edition of SOUTHERN TENNIS is the first of only two issues that will be distributed in 1986. The second issue will be mailed in early November. As you remember we printed four issues last year but it was the overwhelming opinion of our members that we return to a major issue containing the bulk of information in the early spring and a supplement in the fall. So this issue contains all the rankings, a full year tournament schedule as well as the usual features of past Yearbooks.

The cost of producing SOUTHERN TENNIS has increased tremendously over the past few years particularly the mailing fees. As a result we have had to exercise strong measures to keep the size and weight to a minimum and condense as much of the material as possible. You will note some new formats that achieve the above purpose but at the same time make the use of the Yearbook more convenient for all our readers. The tournament schedule has been split into two parts - one containing all the junior schedule chronologically and the second part the entire adult/senior schedule month by month. Those tournaments that have both junior and adult/senior events are printed in both schedules. The listing of all District Officers and principal committee chairmen for all nine states is compiled in a multiple page foldout for easy reference. Addresses and phone numbers are placed in both the foldout where possible and repeated in the Directory at the back of the Yearbook. Most of the remaining sections are formatted the same as in previous years' editions.

I call your attention to the following significant items for your careful reading and review:

a) Some major revisions have been made to the "Junior Endorsement" and "Waiver" provisions of the STA Rules & Regulations. They are marked in the margin by a BOLD STROKE. All juniors and parents involved in this procedure should read very carefully the entire section noting the changes in particular.

b) The Adult STA ranking year for 1986 has been changed with the start on November 1, 1985 but to end December 31st, 1986 — an extension of two months for this one ranking year with the calendar year being the ranking year for 1987 and subsequent years. The junior ranking year for 1986 remains unchanged but there is a motion on the call at the USTA to change the junior ranking year to a calendar basis starting in January, 1988 for all juniors except those born before January 1, 1975 for whom the ranking year shall remain October 1 through September 30 except that the ranking year of October 1,

1986 through September 30, 1987 shall be extended three months through December 31, 1987. You will hear more on this as the year goes by but there will be plenty of time to make adjustments prior to implementation dates for those juniors affected. Be alert for articles in TENNIS USA and other publications for announcements on any approved changes.

c) In the interest of saving expensive space, not all the District rankings have been printed herein. Some age divisions (Boys' & Girls' 10's) and categories not ranked by the STA have been deleted. Also, we have reluctantly had to delete the listing of all member clubs by Districts. This information is printed in the USTA Yearbook and in the District publications and is available on request at either the Sectional Office or any District office. The nine plus pages needed to print this listing was considered far too expensive in weighing its importance against other matters. We hope to be able to resume this listing in the future.

It is hoped that this new condensed format will make SOUTHERN TENNIS a more useful publication for all of our members. As always we solicit your comments and inquiries addressed to me at the STA office.

"The Largest Section of the USTA"

PRESIDENT'S MESSAGE

Dear Tennis Friend:

1985 proved to be another banner year for the Southern Tennis Association as the largest Section in the USTA added another 4,000 members to grow at a rate of over 9% for a total of 47,876 members.

Key programs in the Southern Section also experienced excellent growth with USTA/VOLVO League reaching over 17,000 participants, up from only 8,700 in 1980, while the USTA Schools Program jumped from 15,000 children in 1984 to an astounding 250,000 projection for 1986. This represents one third of the total USTA Schools Program national participation.

However, of all the successes in 1985, the most outstanding for the Southern Section was the Grand Slam win by the Southern Intersectional Junior Tennis Teams which for the first time in history won the Boys' 18 Championship, the Girls' 18 Championship and for the second year in a row the 14/16 Championships. Congratulations to our fine juniors and we look forward to a repeat in the coming year.

For the year 1986 we should anticipate an evolutionary period in the development of the Southern Tennis Association. Although changes have been announced in the USTA to streamline the operation, the STA will embark on a course which will capitalize on our past successes through concentration on improving the quality of the services provided to the membership.

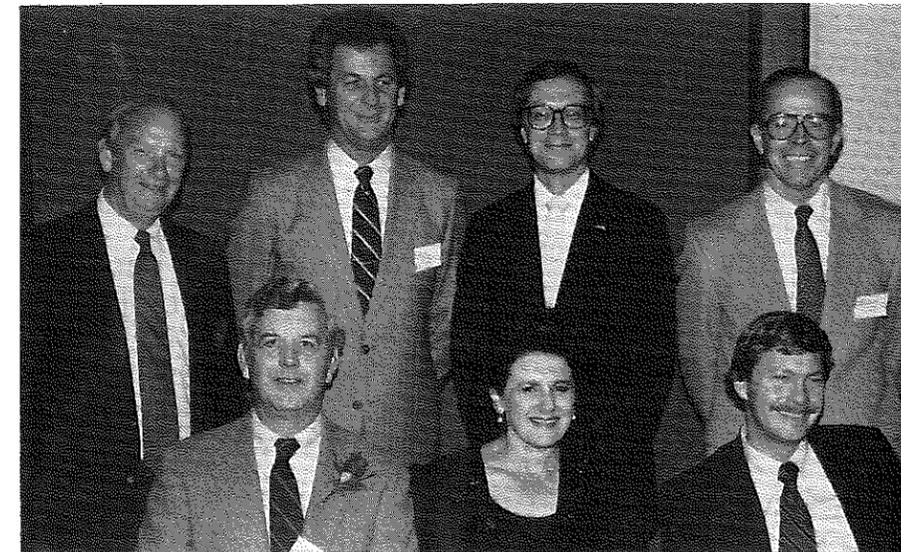

One example of this quality improvement is the USTA Schools Program. This project has shown phenomenal growth in the past three years but our greatest concern now is that it will attain a strong long term success that will assure the children will have a solid involvement five or more years from now. Therefore 1986 will concentrate on the building blocks for the future. After all, the concept of this program is to develop "The sport of a life-time" for the new generation, and this will not be accomplished overnight.

We will also attempt to make our computer system more versatile. It is now primarily used for rankings but in the coming months it should perform more functions for our organization such as mailing lists and accounting.

In summary, the primary thrust of all of our programs must be to increase membership and serve that membership through a more responsive and insightful organization. Please remember that your communication with the District offices and the STA office is the key to attaining a more useful association for us all.

Sincerely,

Steve Duffel

USTA Volvo League Program

News from the Southern Section with over 18,000 league players in all nine Districts (states) organized in 245 local leagues playing at all levels of competition (2.5 thru 5.5).

Sectional League Coordinator — Harriett Thrower

STA INAUGURATES SENIOR LEAGUES

The present USTA/VOLVO League Program had its beginnings in the Southern Tennis Association when, in 1978, the STA started a league program for its members with a pilot grant from

the USTA.

That first year there were just under 1,000 participants from four states and the season ended with the inaugural Sectional League Championships played at the WCT Peachtree World of Tennis in Norcross, Georgia.

From this initial pilot project the pro-

gram has expanded to its present size of over 18,000 players in all of our nine states and is the largest in the entire country representing over 20% of the total USTA participation.

In 1986 the USTA Volvo League will further expand with the new pilot program for men and women 55 years of age

and over. For some time senior players have expressed a desire for this concept since it is difficult for a 55 year old to compete successfully with a 21 year old at the same level.

The teams will consist of 1 singles and 2 doubles, with a minimum of five players. However six or more players should appear on the control sheet to allow for substitutions and players may be a member of both the Senior League team and a regular USTA team if they wish.

See the foldout listing of District Officers and Committee Chairmen for names and telephone numbers of District League Coordinators for your use in starting a Senior League in your area.

JACK MILLS, STA LEAGUE COUNCIL CHAIRMAN

Jack Mills, STA executive vice president and League Council chairman has been involved in adult tennis through the USTA League Program for many years.

As president of the South Carolina Tennis Association at the time the league was first mentioned, Jack helped to kick off the idea in his home town of Columbia, S.C. by printing up forty league T-shirts and recruiting forty ladies to field four teams. From that small beginning Columbia has now become the largest league in the state.

While serving as president of the South Carolina association Jack also published the first state tennis newsletter and magazine and worked diligently with the Tri-State Davis Cup Competition and rankings. He served as tournament chairman of the USTA Boys' Intersectionals and was instrumental in bringing the event to Columbia.

Some of Jack's other involvements in southern tennis include the organizing and set up of the South Carolina tennis office and the recruiting of the people who currently organize the new S.C. Senior Closed tournament at Litchfield. He was also instrumental in organizing the

Jack Mills

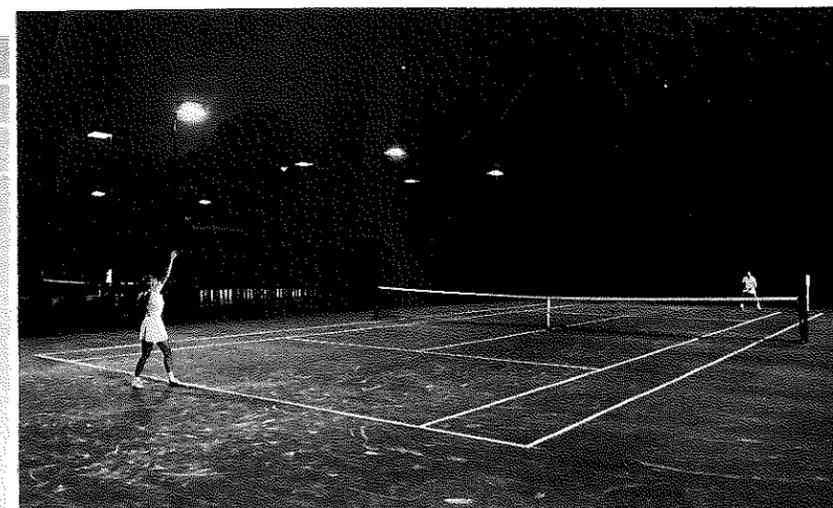

Junior Tennis League in Columbia, S.C. which has been one of the most successful junior programs in the country.

Jack will continue his work in 1986 by serving as executive vice president of the Southern Tennis Association and chairman of the STA League Council. He will also be a member of the USTA National League Committee.

USTA/STA Schools Program

The USTA Schools Program has experienced phenomenal growth in the Southern Section over the past two years as it has escalated from two cities and 15,000 students in 1984 to a 1986 projection of fifty cities and 250,000 students. The '86 figure represents one third of the total USTA Schools Program national participation.

Much of the program's success must certainly be attributed to the hard work of the STA Director, Michael Wallace, who spends a great deal of time traveling from city to city making the initial introduction to the school systems and establishing the necessary organization. However, the success would not be what it is without the many community patrons' organizations that come to the aid of the program's financial needs. Racket drives and fund raisers are a tremendous help in supplying the large number of rackets and other equipment that is required.

It has also been gratifying to see the effects of the program move out from the schools to the community itself as Park and Recreation tennis programs are doubling and tripling enrollment after tennis has started in the schools which demonstrates that the grass roots approach to developing interested players is really taking hold.

Beginning in 1986, the expansion goal for the program will be 50 cities per year and it is hoped that this can be accelerated as more professionals throughout the STA become trained as Schools Program Clinicians. When this back-up is in place the trained assistants can not only open new schools but conduct training sessions for teachers and generally monitor the on-going efforts required to assure the program's long term growth and success.

1986 Rules and Regulations

Southern Tennis Association, Inc.

Vertical bar indicates changes from last year.

APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

I. Quota System for Entry to Southern Junior Closed Championships

A. General.

The draw in every age division of the Southern Junior Closed shall be a minimum of 96 and a maximum of 128. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles event. Each junior player entering a Southern Junior Closed event is required to play the Feed-in event, unless the failure to play is attributable to a bonafide reason, such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts (State) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of

the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the Director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

V. 1986 STA Endorsement Procedure to the Four USTA National Junior Championships:

USTA National Junior Indoors (Thanksgiving)
USTA National Junior Hard Courts (early July)
USTA National Junior Clay Courts (late July)
USTA National Junior Championships (August)

A. Sectional quota System.

Each of the seventeen (17) Sections of the USTA has an exact, guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1986 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw.

B. STA Criteria - Eligibility for Endorsement to USTA National Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the STA to a USTA National Junior

Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament in the age division for which applying for endorsement. Participation in the Southern Closed in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District or unless the player participates in the Southern Closed and two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
- b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and xerox copy of current USTA membership card.
- c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will strictly adhere to the following guidelines in considering waiver requests:

- a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in an age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient continued competitiveness to justify a waiver.
- b. Invitation to Junior Davis Cup or Junior Wightman Cup tryout camp: If a player is invited to participate in a Junior Davis Cup or Junior Wightman Cup tryout camp, participation in the camp will be considered as a substitute for participation in the Southern Closed. The players will be considered "eligible" for endorsement if otherwise qualified, and will be endorsed like other eligible players, on the basis of the strength of the over-all records.
- c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
- d. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process. The Committee will follow the guidelines outlined in the waiver provisions of Article V, B3. Waivers will be granted or denied by majority vote of the committee unless otherwise provided for in the waiver provisions.
- e. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation otherwise in other USTA sponsored events of a national and prestigious nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see

Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since September 1 indicate they will receive entry blanks promptly. Others, where there is doubt, may have to wait until later, even as late as the Southern Junior Closed, to receive an entry blank from the Endorser or a representative.

D. Entry Procedure

1. When you receive an entry blank to any USTA Championship, it may also include:

- a. Player Record Forms - complete it with every sanctioned singles match in the Division (age group) played since September 1, 1985. Same with Doubles with same partner you intend to enter with in this USTA Championship.
- b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Chps. or to the STA Office.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection).

3. If you are in quota and must withdraw, advise the USTA Chps. immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action and certainly embarrassment to both you and the STA.

4. The USTA National Junior Indoors in this calendar year is in the next ranking year. If you age up September 1, you must contact a different Endorser. Since that Endorser will not know your record, it is important that you send your entire Player Record Form(s) for the year (which ended August 31) when you request Entry Blanks for the Indoors.

E. General.

The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

VI. Ranking Regulations

A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form (a form for this purpose is included in this issue) to the appropriate Ranking Committee Chairman immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary Membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District office.

4. Ranking Year. The Ranking Year and age eligibility for all age divisions shall be that adopted from time to time and published by STA. See charts in this Yearbook for the current Ranking Year for the USTA and STA.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may only be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. An "Alphabetical" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players thus ranked will be ranked alphabetically.

8. Ranking Appeals. Tentative rankings will be published in the STA Fall Edition of *Southern Tennis* during November of each year, and will always be

published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in December. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Review Board within ten (10) days after receipt of the official publication or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Review Board in person, provided that the written notice of appeal includes a notice that the player intends to so appear. The determination of rankings by the Ranking Review Board shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

B. Adult.

1. Minimum Requirement. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

- a. Men's Singles: One Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District.
- b. Women's Singles. One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own district.
- c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District.
- d. Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District; or play in **both** the Southern Open* **and** the Southern Closed*.
- e. All other Divisions - Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three is held outside of his/her own District. If a player plays in **both** the Southern Closed **and** the Southern Open, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District; or play in **both** the Southern Open* **and** the Southern Closed*.
- f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 30#, 35, 40, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 35 Mixed doubles.

Note: * 1986 Men's Southern Open in Jackson, MS and 1986 Women's Southern Open in Memphis, TN. The 1986 Men's and Women's Southern Closed in either Pawleys Island, SC for even divisions or Isle of Palms, SC for odd divisions.

The Men's and Women's 30 and over division was added to the Southern ranking categories effective November 1, 1984.

C. Junior.

1. Minimum Requirements. The minimum number of tournaments required prior to consideration for STA ranking for Boys' and Girls' 18-12.

- a. Single: One (1) Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in any USTA National Championship held in the Southern Section or playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirements.
- b. Doubles: One (1) Southern Championship (Open or Closed) and two other tournaments held in the Southern Section.

D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match to

Continued on next page

qualify for a ranking.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

VII. Tournament Rules and Regulations

A. Rules

1. The Rules of Lawn Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 729 Alexander Rd., Princeton, NJ 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of these publications, particularly "The Code". An abbreviated version of certain key parts of "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA, and all Districts thereof, and the Disciplinary Rules and Procedures therein contained.

B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.
- Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first four players representing the same District Association. If possible, the Draw should also avoid two players from the same district meeting in a first round match.
- See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for

applying for membership will be available at the tournament. The Committee is responsible for making necessary arrangements for handling membership enrollments during the tournament.

The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

- Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.
- All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.
- It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.
- Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble-spots and, by their presence, can sometimes solve problems immediately.

C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

- No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.
- In regard to stalling, the rules of continuous play are quite clear: "No allowance may be made for natural loss of physical condition... Not even momentary 'rest' other than the normal toweeling-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for toweeling-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. Players must take care at all times not to interrupt play or to distract opponent in any way.
- No player or players will make a comedy of a match, whether they be winning or losing.
- Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
- Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.
- Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the

"Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Association for any further disciplinary action deemed suitable.

- In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.
- Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.
- Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator. Any flagrant violations of these regulations or rules of conduct

brought to the attention of the STA Disciplinary Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances is printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

VIII. USTA/STA League Tennis Program

The USTA/STA League Tennis Program rules and regulations in effect for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Committee of Management of the USTA and published in pamphlet form. Any additional STA League Regulations as approved by the STA Board of Directors will be published by separate pamphlet for the current year.

IX Amendments

These Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority of the members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

Amendments may be made to the USTA/STA League Tennis program rules and regulations in the same manner as outlined above, after recommendation of the STA League Tennis Council, but the members, the Board of Directors, and the Management Committee shall not be bound by the recommendation of the STA League Tennis Council.

The Disciplinary Committee shall operate under the following rules and regulations:

- (a) Whenever a written complaint is filed with the Chairman of the Disciplinary Committee, charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules, and regulations of the STA or of the USTA, or the standards of conduct, fair play, and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules, and regulations of the STA and USTA, then the Chairman shall have the power to fine such person in such amount, not in excess of \$1,000.00, and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Disciplinary Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.
- (b) Within thirty (30) days after receipt of a written notice of the decision by the chairman or Vice-Chairman of the Disciplinary Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Disciplinary Committee. Upon receipt of such a request, the Chairman of the Disciplinary Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary Committee shall promptly notify the person penalized of its decision.
- (c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary Committee and have the Disciplinary Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.
- (d) Any appeal from a decision of the Disciplinary Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary Committee. The Management Committee shall not

be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

- (e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary Committee.
- (f) All action of the STA Disciplinary Committee shall be reported to the USTA Disciplinary Committee and any other bodies or individuals deemed necessary by the Board of Directors.

A quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.

46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees by mail.

47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days' written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

48. Any action required or permitted to be taken at any meeting of any committee, other than the Disciplinary Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

Article XI — Reimbursement

49. The President may authorize the reasonable reimbursement of any

individual necessarily incurring travel, housing, meals, office, mailing, telephone, or other expenses in connection with the business of the STA. All reimbursements shall be subject to review by the Board of Directors at the next ensuing meeting.

5. Never bored with drills. Over 200 illustrated pages of drills from around the world in an on-court edition which supplies never-ending sessions.

3. Your USPTR pro can give you emotional control of your game. Dr. Jim Loehr, famed sports psychologist helps with the mental side of tennis in this USPTR Manual.

cracked court?

Surface cracking, peeling and allgatoring simply can't happen on an Omnicourt. This long-lasting maintenance-free surface will put an end to costly upkeep and resurfacing costs.

This amazingly durable, resilient and good-looking playing surface will never crack, peel or de-laminate. Guaranteed.

An Omnicourt is ideal when installed over existing problem courts or a new sub-base. It is virtually maintenance-free and unaffected by climate or weather, thereby assuring increased playing time and long-term savings in upkeep and routine resurfacing costs.

Bringing tennis to everyone... everywhere in America

Recreational tennis programs at the United States Tennis Association are booming! Across the nation, schools, community sports centers, recreation departments, YM/YWCA's and public parks are turning to the USTA for assistance in instructional and competitive tennis programming for beginner through advanced players.

The USTA Guide To Forming A Community Tennis Association provides all the information necessary for joining the network of USTA Community Tennis Associations. By forming or expanding an umbrella organization in your town, you can help implement all of the USTA recreational programs.

USTA Fund-Raising Manual For Community Tennis Associations assists Community Tennis Associations in developing the basic steps and strategies necessary to implement and maintain an effective fund-raising program.

USTA Starter Tennis is an elementary level instructional kit designed to help kids learn tennis *without a court!*

USTA COURTSTAR is a comprehensive *on-court* instructional program for beginners which is especially applicable for group teaching.

The USTA Schools Program is designed to help give elementary and junior high school students the opportunity to experience the lifelong benefits of tennis as part of their regular school curriculum. Students are then encouraged to participate in free or low-cost public tennis programs after school and in the summers.

USTA/National Junior Tennis League is an entry level, public recreational team tennis program for boys and girls. USTA/NJTL supplements and complements instructional programs such as USTA COURTSTAR, and feeds into higher level activities such as USTA Junior Team Tennis.

USTA Junior Team Tennis is an easy-to-run, flexible format for higher level team play which meets the needs of intermediate and advanced juniors who are unranked players.

SPORTSTAR is the first comprehensive sportsmanship program designed for beginning tennis players to develop positive attitudes and impart knowledge toward tennis rules, conduct and competition while they are developing physical skills.

STA Annual Awards

STA SPECIAL ACHIEVEMENT AWARD

The Special Achievement Award is presented in 1985 for only the second time and is voted by the Board of Directors to be awarded to an individual in the Southern Section who has shown unusual excellence in the sport of tennis. The award is a lifetime membership in the USTA.

This year's recipient is Kim Kessararis of Hendersonville, N.C. who is only 12 years old but has compiled an outstanding season of tournament play. During the 1985 ranking year she captured the singles titles at the U.S. Girls' 12 Nationals, the Girls' 12 Clay Courts, the Sports Goofy Nationals and the Tropicana Spring Invitational. She was also the runner-up at the Junior Orange Bowl and the Girls' 12 Hardcourts and selected by TENNIS MAGAZINE as the girl winner of the Junior Player of the Year award. Kessararis has also shown her ability to master the doubles game by taking home doubles trophies from the U.S. Girls' 12 Nationals with Spencer Shelfer and the Girls' 12 Indoor with Laxmi Poruri.

Not only has Kim proven to be a fine tennis player but she has shown her excellence both as a student and as a sports-person. Although her regimen includes four to five hour practice sessions seven days a week coupled with aerobic and Nautilus workouts, she maintains an A average in an accelerated program at the Heritage Hall School in Hendersonville. However of possibly greater importance is her attitude toward the game of tennis

as she has won two national sportsmanship awards along with her many competitive titles, showing she is a truly complete sports-person.

UMPIRE OF THE YEAR

This award is given annually to an umpire chosen from the nominations of the nine Districts who has made outstanding contributions to the cause of tennis officiating in the STA.

This year's award is presented post-humously to William B. Cashion of the North Carolina District. Cashion was from Winston-Salem, N.C. and had played tennis both as a college player and in USTA sanctioned tournaments. He had been involved in umpiring for many years and his activities included starting the local umpires organization, recruiting umpires, designing computer programs for score cards and serving as chairman of the Umpires Committee.

During his years as an umpire he had chaired at the U.S. Open and officiated in matches involving McEnroe, Vilas, Borg, Navratilova, Nastase and other world ranked player.

MEMBER ORGANIZATION OF THE YEAR

This award is given annually to that member organization of the STA, chosen from the nominations of the nine Districts, to recognize outstanding service to the local tennis community, to the organization members and in general to the game of tennis.

The 1985 winner of the STA Member Organization of the Year Award is the Palmetto Tennis Foundation, Inc. from the South Carolina District.

A primary function of the Palmetto Tennis Foundation is the Junior Tennis League which attempts to attract young people at all levels of tennis play - from beginners to tournament caliber players. Most participants just have fun and learn the fundamentals of the game while others

develop their skills to the maximum level. Former players of JTL include state, southern and nationally ranked players.

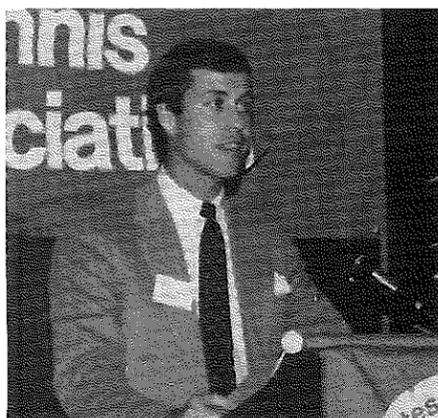

Through the years, JTL has given hundreds of racquets to needy youngsters. In 1978 it received a grant from Federal Funds to work with inner city young people that might help reduce problems that might occur thru summer idleness.

One year a team was formed at the Department of Youth Services (Youth Offenders) which concluded with awards and recognition. Another year a team was organized with the Boys Club which reaches the inner city youth.

Numerous clinics have been held for both coaches and players with instructions from prominent tennis professionals.

At the Awards Banquet a well known tennis player or sports figure delivers an address. Some famous speakers include Stan Smith, Coach Chuck Kriese (Clemson University Tennis Coach), Coach Frank McGuire (nationally recognized basketball coach) and officers from the USTA.

Each team is given a T-shirt that is paid for by sponsors from the business community and most of the original sponsors are still heavily involved as these sponsorships are highly coveted.

EDUCATIONAL MERIT AWARD

Educational Merit is awarded annually

from the nominations of the nine Districts to a teaching professional or instructor for an outstanding educational program in developing the game of tennis through leadership and inspiration in junior programs in schools, colleges, clubs, parks and playgrounds benefiting the STA's growth.

This year's award is presented to John Embree, Director of Tennis at the River-center Tennis Club, New Orleans Hilton Hotel.

John is a graduate of Washington and Lee University where he was distinguished as captain of the tennis team by receiving the "Most Valuable Athlete" and "Most Valuable Player" awards.

A teaching professional for 12 years, Embree has worked extensively with junior tennis players in the New Orleans area. In 1984 he conducted three high school coaches' workshops for over 27 coaches to aid them in their efforts to improve their high school teams through concentration on match preparation, maximizing practice time and special drill techniques.

John also implemented the USTA Schools Program in 1985 with court conversions at seven middle schools; assembly programs at nine schools and service training workshops for twenty schools.

In an effort to bridge the gap between tournament level juniors and those beginners who learn the game at local parks and YMCA programs, a Junior League Program was created by Embree modeled after USTA Junior Team Tennis. This was funded by the Greater New Orleans Patrons Foundation and attracted over 200 players in the first three seasons.

Through his many creative efforts, John Embree has certainly been a driving force in moving junior and league tennis forward in the STA.

FAMILY OF THE YEAR

The Family of the Year Award is presented annually to a family that has

been outstanding in its promotion of tennis in the STA. This year's award goes to the Mississippi Tennis Association's Spivey and Sharon Gault and their two sons, Will and Win.

Spivey is a 39 year old attorney from Greenville, Mississippi and is primarily responsible for his family's involvement in the sport of tennis since he began playing at an early age. He played junior tournaments as a teenager and high school varsity tennis at McCallie School in Chattanooga.

Spivey now plays 4.0 Volvo League

Tennis at Cypress Hills Tennis Club in Greenville where he served as president in 1976 and was responsible for bringing the first sanctioned tournament to the club.

Sharon Gault has been deeply involved with tennis in the administration area for years. She served as president of the Mississippi Tennis Association in 1983 and '84; is currently the state District League Coordinator; serves on the STA Junior Tennis Council and the MTA Junior Tennis Council. She is also the

STA April 1986 - December 1986 Tournament Schedule

The following schedule for the nine District areas of the Southern Tennis Association covers the period from April, 1986 through December, 1986, listed separately for adults and juniors.

Separate tournament schedules are available and will be sent to those requesting same on receipt of a check for \$2.00 made payable to "STA" and sent to the STA Sectional Office, 3121 Maple Dr., NE, Room 29, Atlanta, GA 30305.

If there are errors in any of the information contained in the tournament listings below, please notify the Sectional Office. Tournament personnel and Sanction/Schedule Chairmen should check dates, events and the correct mailing address for entry forms and tournament information.

The STA does not maintain entry blanks for any of these tournaments. They may be obtained by writing the Tournament Director of each tournament.

If your tournament does not appear in the listing below, it means your sanction form was not received in the Sectional Office by the deadline. Of course, when it is received it will be processed and included in the next publication.

“The tennis at Hilton Head is fine. It's the crowds and the traffic that are such a pain.”

Our sentiments exactly. Which is why we'd like to suggest an alternative that we think you'll find appealing, Fripp Island. We're only ten miles away as the gull flies, but a world away when it comes to a totally relaxing tennis getaway.

Our Har-Tru courts are kept in superb condition. Best of all, they're generally uncrowded so you'll be able to get in a lot of court time.

And when you walk off the courts you can enjoy our three miles of private beach, biking, fine dining or whatever. All in a quiet, peaceful setting. Find out about our tennis packages that start at \$60 by sending in the coupon or calling toll free 1-800-845-4100.

REPORT FROM SEMI-ANNUAL STA LEAGUE COUNCIL MEETING

Lexington, Kentucky, the site for the 1986 STA League Championships, was the meeting place for Southern's ten District League Coordinators the weekend of February 15-16. All nine states were represented. The day-long meeting on Saturday was packed with information and exchange of ideas. Lunch and dinner were served in the conference room while work continued.

Cindy Miller, our hostess for the meeting, arranged a tour of the three sites that will be used for the Sectional Championships in late July and arranged for all attendees to see the Kentucky vs Mississippi State basketball game at Rupp Arena. This was the only break in two full working days. Sunday meetings were held with the local Committee Chairmen who will be in charge of all events during the Championships.

Plans are underway for a Southern NTRP Clinic to be held in April patterned along the lines of the National workshop held in New York in January. A system of pre-testing the pros, instruction, and post-testing will be used. The goal is to have one or two qualified trained verifiers in each District who have graduated from this clinic.

The 1987 STA League Championships was awarded to Mobile, Alabama, to be played July 24-27, 1987 at the Mobile Tennis Center under the direction of Newton Cox.

Q. WAIVER OF CLAIMS. All players participating in the USTA/VOLVO Tennis League program, as a condition of their participation, agree for themselves, their executors, administrators, heirs and personal representatives, that all claims of every kind, nature and description are **WAIVED**, including past, present and future claims, if any, for injuries sustained in traveling to or from or participating in the USTA/VOLVO Tennis League Program, as against the USTA, its officers, committees and employees, the USTA sectional and

U. USTA LEAGUE YEAR. The League Year shall be October 1 through September 30 of the following year except that the National Championships may be played during the month of October immediately following the conclusion of the League Year.

VIII. RULES FOR THE USE OF THE NATIONAL TENNIS RATING PROGRAM IN THE USTA/VOLVO TENNIS LEAGUE PROGRAM

The National Tennis Rating Program (NTRP) is the official system for determining the levels of competition for the USTA/VOLVO Tennis League Program.

1. Players in the USTA/VOLVO Tennis League Program must rate themselves in accordance with the NTRP and then have their rating verified by an approved verifier. The verifier must be approved by the sectional league coordinator and must have attended at least one NTRP Clinic.

2. The Championship levels of league play for 1986 are the NTRP 5.0, 4.5, 4.0, 3.5 and 3.0. Levels of play for the USTA/VOLVO Tennis League Program are described in terms of "maximum" ratings. Players cannot have a rating higher than the league level in which they are competing. For example, a player who is rated and verified above 3.5 may not play in the 3.5 level league. He/she must play in a 4.0 league or above.

3. A player may be rated at one ability level for singles and at another for doubles. If those two ratings fall into two different league levels—for example, a 3.5 doubles rating and a 4.0 singles rating—the player must play at the higher league level if he/she wishes to play both singles and doubles. The player may, however, play at the lower league level if he/she only plays in that category in which he/she received the lower rating. In the example above, the player would play in a 4.0 league if he/she intended to play both singles and doubles but could play in a 3.5 league if he/she agreed to only play doubles.

4. The NTRP is based on a player's on-court performance, tennis background, and any additional information.

5. Area/district verification rating sessions for players, conducted by approved verifiers, may be organized throughout each section.

6. It is not necessary for all of the players on a team to be of the same rating. However, if there is a mixture of abilities, (for example, 3.5's, 4.0's and 4.5's all on the same team), the team may only compete at the level of the best player.
