## If this is your favorite court position, you need Independent Suspension.

Kaepa's patented Independent Suspension system helps you win close matches by giving you quicker, easier, more precise footwork.

Kaepa's patented Action Hinge™ creates Independent Suspension by dividing the shoe into two parts. Lace Locks™ apply separate tension to each part, allowing each to move independently.

The result: This is the only shoe that flexes the way your foot flexes.

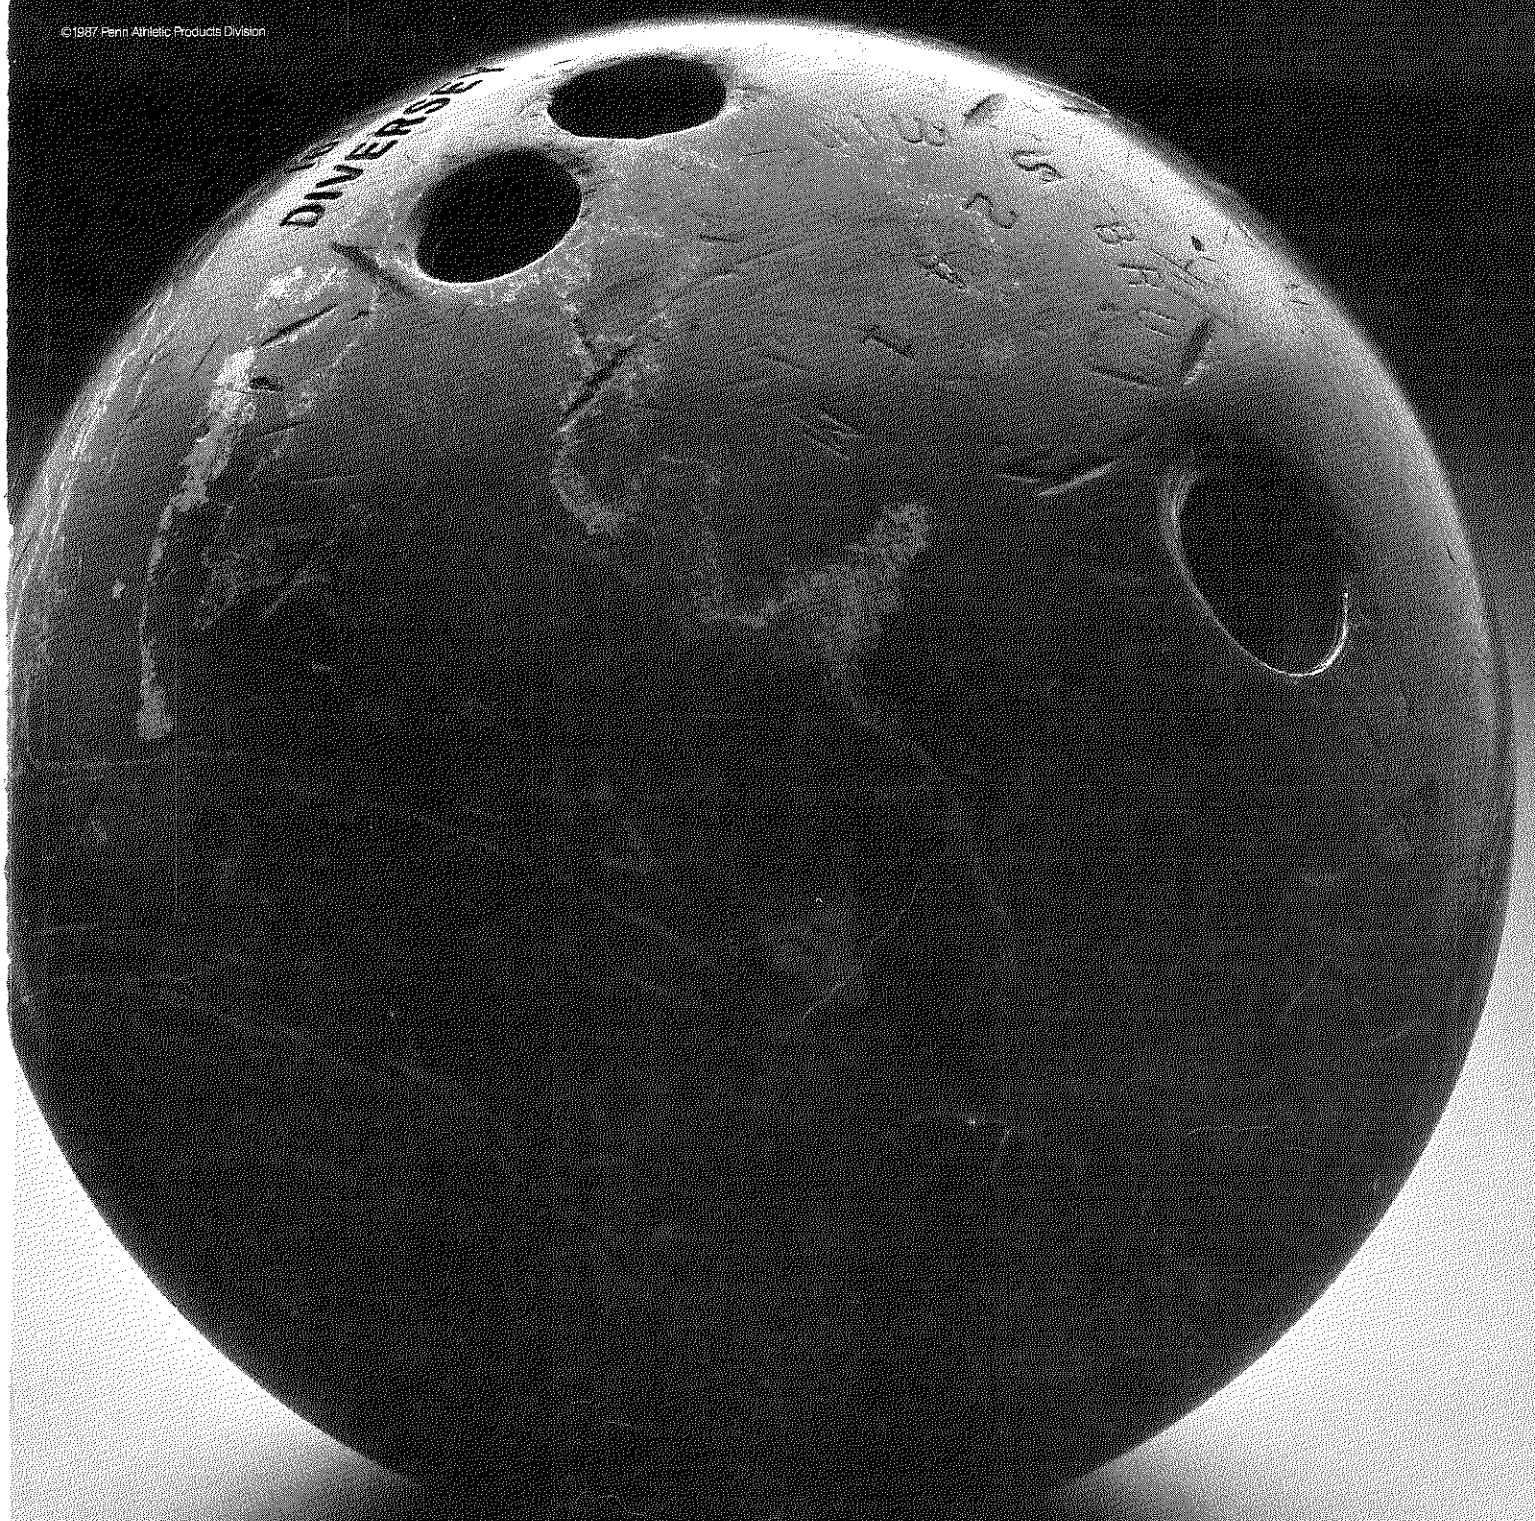

So you get a shoe that responds to your movement as precisely as a BMW responds to your touch. And feels just as good.

So take the smooth road to victory. Ride in comfort and style on Independent Suspension.

Point after point,  
Pro Staff® takes  
the pressure.

Whatever punishment you dish out on the court, the Pro Staff tennis shoe from Wilson just keeps on winning. The Goodyear Indy 500® Plus rubber outsole means the Pro Staff wears and wears. Durable, yet so comfortable you'll want to wear them longer too.

They're specially constructed with your comfort in mind. Absorbing all the pounding you give them with ultra-cushioned Sorbothane™ insoles. The best shock absorber money can buy. Available in soft, supple full grain leather or nylon mesh, the Pro Staff adds up to one tough tennis shoe.

So go ahead. Keep right on racking up points. The Pro Staff tennis shoe from Wilson can take it. Look for them in tennis pro and specialty shops.

# First Serve

In observing the beginning of a new year in tennis, we in the Southern Tennis Association have seen a lot of good things, but never before have there been the exciting challenges or the opportunities for achievement that are before us as we begin 1988.

Looking first at some of the interesting recent statistics—membership in the STA has grown past 61,000. Of these members, 25,000 are competing in the USTA/Volvo League program. Our seniors have become involved in senior leagues and Intersectional team play. The womens' 35/45 Intersectional team won their event in Virginia Beach, Virginia and the Womens' 55/65/75 Intersectional team placed well in the Los Angeles competition.

Our number of certified umpires is now over 475, up significantly from last year.

The STA junior tennis program is continuing to shine. The Boys' and Girls' 14/16 Intersectional team won their title for the fourth year in a row. The Girls' 18 team took the Championship for the second time in three years and the Boys' 18 team was runner-up to Texas after winning their event the two previous years.

The Schools Program, now with two full-time Directors traveling our nine Districts, has been presented to over 400,000 youngsters and over 10,000 rackets have been distributed to encourage play in the schools and help produce tennis players and members in the USTA.

Besides continuing to successfully administer these programs in 1988, the Southern plans to be a leader in assisting the USTA in the implementation of the new Player Development Program. This exciting concept for inspiring and assisting in the development of outstanding junior players will have a dramatic effect on the future of tennis in the United States. The Player Development Program coupled with the Schools Assembly clinics will cover from the "introduce 'em to tennis early and get them interested" stage through high level coaching and competition on the college and professional levels.

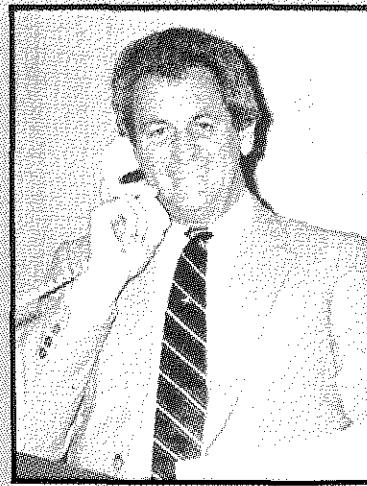

Some of our other goals in the coming year must be continued success in our existing programs as well as the inauguration of the new ones. This will require more time from our present volunteer forces and I hope in the coming year we can increase our numbers of volunteers from each District to cover these needs.

We are the USTA's largest Section and in my opinion, the best. We really have something going in the Southern. Together, let's move forward into 1988.

Respectfully Yours,

Jack M. Mills  
President

## IN MEMORIAM

This 1988 Southern Tennis Yearbook is dedicated to Gilbert T. Stacy who passed away in Atlanta, Georgia on March 4, 1988.

Gil had a very long record of service to the STA and tennis. He was the founder of the Southern Tennis Patrons Foundation which, since 1977, sponsors the Southern Tennis Hall of Fame. The first ever Sectional Office was established when Gil was President of the STA, 1966-67. He was a frequent visitor to the Office over the years and always helpful as the staff expanded and we called on him for his advice and counsel. His first question as he stepped through the entrance was "What's new in the tennis world?" The conversation that followed was always replete with past history and how tennis had evolved over the years. Gil spent months putting together the first chronicle of the history of the STA published in book form in 1976 which provided invaluable background to all those who sought out the years of tennis back to the beginning of the STA. A new updated version is now being edited by Wilton McKinney of Greenville, South Carolina and will serve further as a monument to Gil's memory.

There are so many wonderful things that Gil did for all of us but he would insist that in writing a list of his accomplishments it should be very short because tennis owed him nothing compared to the riches that the game provided him. He maintained his interest to the very end and worked actively as the Executive Director of the Southern Tennis Patrons Foundation and a member of the Selection Committee for the inductees. One of his proudest moments was his own enshirement in the Southern Tennis Hall of Fame in 1983.

All of us who knew Gil will never forget his quiet dignity and sound advice coupled always with the most sincere form of humility.

To his memory, we dedicate this Yearbook as a small token of our appreciation for being among us for the seventy four years of his life and for gracing the sport of tennis with his own style that touched so many of us.

# Second Serve

This is written immediately before we roll the presses on this year's edition of SOUTHERN TENNIS. We will produce 55,000 copies of 160 pages plus the cover and mail one to each household and club member in good standing as of the end of February. This complimentary service to our members is an expensive budget item (particularly the mailing costs which will rise again this spring) and we hope one that is well received. If our experience in the past few years holds true, we will have about 2% that will end up in the dead letter pile at the Post Office due to an incorrect or unforwardable address. For months after initial distribution we hear at the Sectional Office from members claiming non-receipt. In tracking these claims down we find too often a failure on the part of our members to keep their address current with the USTA which provides our mailing labels from the master membership computer in Jericho, NY. PLEASE BE prompt in filing your address changes as this also affects delivery of many of your other membership benefits such as WORLD TENNIS magazine and TENNIS USA.

Your officers and staff have just returned from the USTA Annual Meeting in Fort Lauderdale, FL where the dominant theme was the exciting new Player Development Program. The commitment of the USTA to the grass roots and recreational player is solid and although we will continue to conduct

the competitive programs that have been our main purpose for so many years, we will now expand our membership base and appeal to respond to the message the success of the Leagues and Schools Program has signalled. This wave of the future will manifest in new and innovative programs for the Adult and Junior recreational player. Additional committees are being structured now and responsibilities of standing committees realigned both at the Sectional and District level to manage this new direction.

Other items of interest from the Florida USTA Meeting include the change in adult individual membership age to start at 19 effective January 1, 1989 at which time the eligibility age for league play will drop from 21 to 19 and over. The 12/14 competitive issue was resolved by keeping the 14s as is and phasing out the national ranking and tournaments for the 12s over the next two years with the new competitive programs for the 12s taking full effect on January 1, 1990. For ranking year 1988 there are no changes but in ranking year 1989 the draw size of the National 12s might be reduced to 64 as a phase-in to the new competitive programs for this young age group. New ranking categories for the Men's 85, Women's 75 and the Men's and Women's 30 were authorized with national rankings/tournaments for the M85 and W75 this year and the 30s starting in RY 1989.

These are exciting times for all our members and what all this means is that we face a challenge of ever increasing scope to maintain our leadership in the USTA and continue to provide the services of the association with its many dedicated volunteers and staff pledged to carry out all the necessary functions to keep the machinery running smoothly. We have and continue to be on the leading edge of all the new programs as they evolve and strive to ensure that our membership is serviced at the highest standards of efficiency and caring. Please let us know if there is any area where you feel we are not living up to that promise.

Sincerely,

A handwritten signature in cursive ink, appearing to read "DeWitt Redgrave".

If you don't  
go for the Max,  
you might as well  
go cut the lawn.

Go for the Max 200G\*

Perfect for the advanced touch and feel player,  
it has a stiff shaft and a flexible head for  
unheard of power and control. Your  
power shots go where they'll do the  
most damage. Just like  
Steffi Graf does  
with her  
200G.

GRAFIL XAS INJECTION

#### Go for the Max 300i™

When you play serve and volley, there's nothing like the 300i. Noryl GTX,<sup>®</sup> an exclusive thermoplastic substance from General Electric, makes the frame stiffer and more powerful than the 200G, giving it a huge power zone.

#### Go for the Max 400i™

Advanced players can use this racquet to crush their opponents. It has a denser string pattern for more power, less vibration. The sleeker, more maneuverable 400i is one of the most powerful, lightweight racquets around. Just demo one today and see for yourself.

His tennis whites make you see red. Because the last time out, he won. You're about to set the record straight. Today, you're going for it. All out on every shot. Forcing errors. By the third game, your opponent's going to start thinking you've been taking lessons and lifting weights. Because with any one of the IMF (Injection Molded Frame) racquets from Dunlop, you're going to have a devastating combination of power and control you've never displayed before. The edge that lets you go for the Max.

### 1988 SECTIONAL CHAMPIONSHPS— LITTLE ROCK, ARKANSAS

Springtime is a time of great excitement for adult tennis players throughout the South. This year, over 25,000 tennis

John Fogarty (left), CEO of the United States Tennis Association, welcomes Doug Fonte (right), president of Penn Athletic Products, to the USTA/Volvo Tennis League. The Pro Penn tennis ball has been named the official ball of the USTA/Volvo Tennis League. Pro Penn will be used exclusively at USTA/Volvo sectional and national championships. Penn Athletic Products, based in Phoenix, Ariz., is the world's largest manufacturer of tennis balls.

players in the nine Districts of the Southern Tennis Association are competing locally to advance to their respective District championships. After District competition is held, winning teams will begin to anxiously anticipate their team's advancement to the USTA/Volvo Sectional Championships in Little Rock, Arkansas. If your team is one of the lucky ones this year, your trip to Little Rock will be something to look forward to.

What's it like in Little Rock? If you are making your first trip to this Sunbelt city for the 1988 Championships, you are in for a treat. The tournament, scheduled for July 20-27 for regular play and July 29-30 for seniors, will draw 1,400 state champions from the nine state area. The players will compete at six levels, from 2.5 to 5.0. Little Rock, North Little Rock, Maumelle and a number of private clubs have donated courts for this prestigious tournament. In addition to the competition, receptions will be held Thursday, July 21, Monday, July 25 and Saturday, July 30. The Excelsior Hotel is headquarters for the regular play, and the Little Rock Hilton is headquarters for the seniors.

Little Rock is one of those cities which combines a sense of history with a feel for the future. Take time to relax and enjoy the city and all that it has to offer. Whether you are bringing your family or coming with friends, Little Rock has something for everyone, including many outstanding museums, major shopping centers, a zoo, Wild River Country (a water theme park), and live theater at Arkansas Repertory

Theatre. Don't forget to take time in your busy schedule to eat at one of the many restaurants that offer something to suit every taste.

Scenic beauty and friendly people are two of the lasting memories that players will take with them after the 1988 competition. Whether you remain in Little Rock or have the time to travel around the state, we're sure that your visit to Little Rock for the 1988 Sectional Championships will provide you and your team members special memories that will last a lifetime.

### LOCAL COORDINATORS GUIDELINES DEVELOPED

A special thanks to Scotty Marcus, Louisiana, and Garnet Aitchison, South Carolina, for the development of a handbook for local league coordinators. The handbook was completed after hours of work by two people who have had many years of experience with the USTA/Volvo Tennis League Program. This tool, which will soon be distributed, should be a tremendous help to local league coordinators who administer local league programs.

## Tennis To Over 500,000 Kids

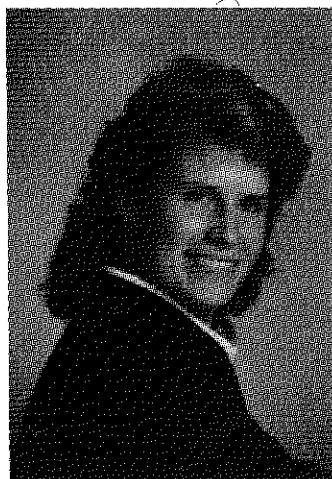

By MICHAEL WALLACE

### THANKS TO YOU

Again, we would like to thank all of you, the "STA E&R Family of Volunteers" who make all our programs and services a reality. Our STA E&R network now has programs in over 100 cities with hundreds of volunteer tennis enthusiasts working to bring the lifetime benefits of the sport we love, tennis, to 500,000 children throughout our Southern Section.

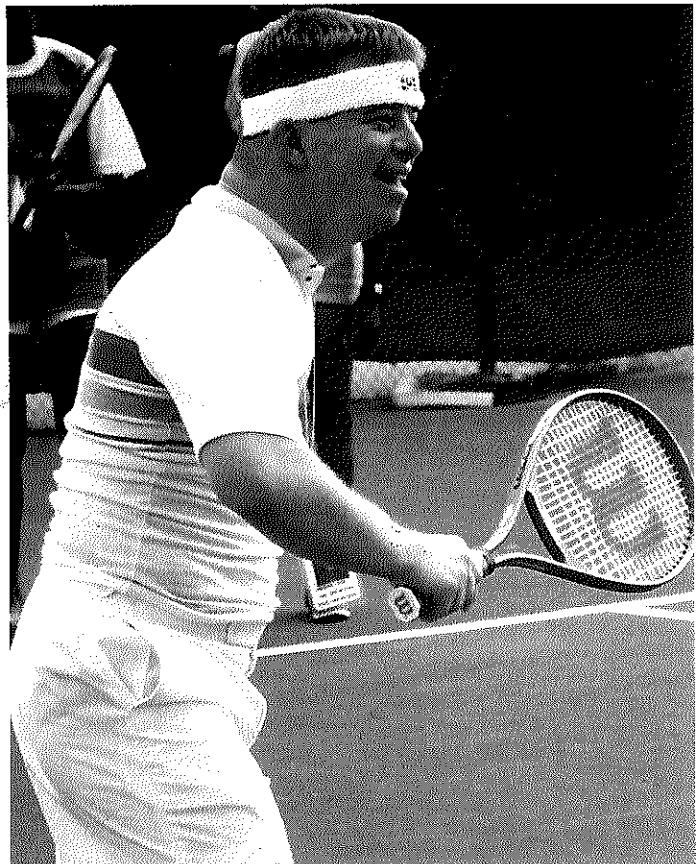

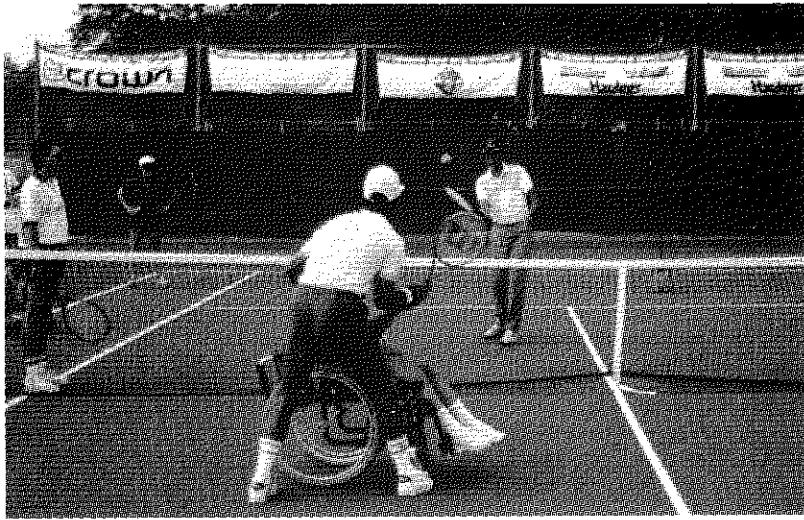

### WELCOME TO MARSHALL GRAHAM STA Director - USTA Schools Program

The Southern Tennis Association is pleased to announce the addition of Marshall Graham to our E&R staff. Keeping pace with the growth of the USTA Schools Program, the STA has been granted its request for additional staff. Marshall was selected in December and trained at both the STA office in Atlanta and the USTA E&R Center in Princeton during January. She will be receiving further training as she joins Michael on the road for field experience throughout the spring. A recent graduate of the University of North Carolina at Chapel Hill with a degree in Journalism/Broadcasting, Graham was the junior program director at Hollow Rock Racket & Swim Club in Durham, NC. She has tremendous experience as an instructor, and, as a player held the #1 ranking in North Carolina in the 12s, 14s, 16s and 18s. Marshall's position will be co-funded by the STA and an additional Schools Program grant received from the USTA. Thank you, to the USTA and Welcome to Marshall!

### INTERNATIONAL SPECIAL OLYMPICS

Michael Wallace was a part of the USTA clinician staff that conducted the 1987 International Special Olympics held at the University of Notre Dame in South Bend Indiana. Arthur Ashe was on hand to conduct a clinic for over 300 special athletes from around the world. In an effort to increase participation at

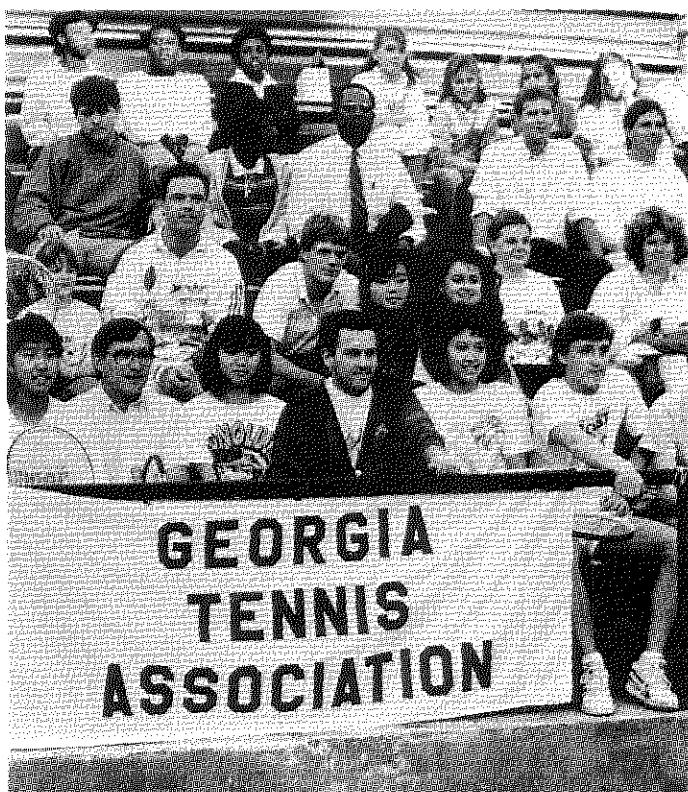

Special Olympics state games, the national Special Olympics has formed a working relationship with the USTA. As a result, all nine of our STA Districts now have a District Director of Special Olympics who have attended a national training seminar held each year in Tampa, Florida. These D.D.S.O. are: AL-Allen Henry, AR-Paul Kostin, GA-Randy Stephens, KY-Sandy Henslee, LA-Eugene St. Martin, MS-Camille Soulier, NC-John Stone, SC-Jeff Hall, TN-Reedy Toney. Welcome and good luck with new and improved programing!

Recently the Arkansas Tennis Association hosted the first District Special Olympics staff training. Congratulations to Janan Batchelor, ATA Director of E&R, and Paul Kostin, District Director of S.O., for their organizational efforts in sponsoring the first STA/ATA statewide workshop. Staff members from programs throughout Arkansas were invited to attend a training session conducted by Michael, Janan and Paul where techniques for working with the physically and mentally challenged were presented. Materials and equipment will be supplied to all human resource centers that agree to teach tennis, and athletes will be encouraged to participate in the state Special Olympics.

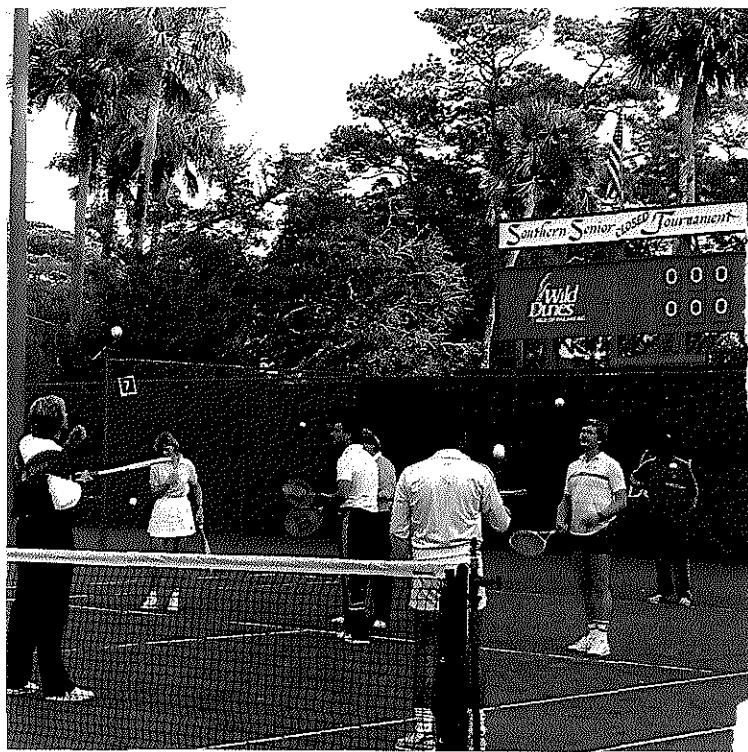

#### **MIKAEL PERNFORS HELPS CONDUCT CLINIC TO PROMOTE GTA JR. TENNIS**

Special thanks to Weldon German, GTA V.P. of Leagues, and Elaine Hamilton for organizing a tennis clinic hosted at Peachtree World of Tennis by Woody Hoblitzell, Head Pro. The clinic's master of ceremonies, Michael Wallace, was joined by feature guest star Mikael Pernfors to conduct on-court games and activities which allowed all participants an opportunity to hit with the two-time NCAA champ. Special thanks to the USTA, adidas USA, and Wilson Sporting Goods for rackets, balls and prizes awarded to participants. The clinic was preceded by an autograph session and concluded with a photo session which allowed all participants and attendees an opportunity to hobnob with their favorite "Bulldog/Swede".

#### **STA CLINICIAN TRAINING**

The Southern Tennis Association received a "Schools Program Special Projects Grant" which allowed for the training of a select group of professionals who have distinguished themselves as outstanding clinicians as well as dedicated volunteers. Based on prior contributions to the USTA Schools Program, these pros were invited by Randy Chamberlain, STA Chairman of E&R, to attend a two-and-a-half day training

session held at Wild Dunes Resort in Isle of the Palms, SC. Attendees viewed and co-conducted School Assemblies and In-Service Teacher Trainings, which along with previous events where they had assisted Michael, will now allow them to conduct future events. Thanks also to Maggie Lawless - Coordinator, USTA Schools Program, who took her personal vacation in South Carolina so she could assist with the training seminars.

#### **STA E&R NEWSLETTER**

The intent of our STA E&R Newsletter is to serve as a means of communication between the STA E&R staff and our volunteer network, as well as to provide an exchange of ideas and information on programs and services from across the Section. Your input is crucial to the effectiveness of this communication device. Please submit to your District E&R chairperson ideas, information, articles or samples of anything related to a USTA E&R program or service. We request that District chairpersons submit their recommendations for input to the STA E&R Newsletter along with copy of additional letters or communications they would like to have accompany this mailing. Deadline for next issue newsletter copy is the second Monday in July, 1988.

## GTA SCHOOLS PROGRAM LUNCHEON

The Georgia Tennis Association became the first STA District to conduct a USTA Schools Program Luncheon. Elaine Hamilton, GTA Director of E&R, hosted a statewide meeting of all the local chairpersons and local educational coordinators

involved with the Schools Program. The luncheon also served as an opportunity for the GTA to honor Mary Womack, Atlanta Public Schools, and Lea Barrett, Fulton Co. Schools, as "Educators of the Year". CONGRATULATIONS!

## COMMUNITY TENNIS ASSOCIATIONS

The most important ingredient for successful USTA programming is the existence or development of an active community tennis association. C.T.A.s are the most crucial organizational element for local fund raising and tennis programming. In February, Michael Wallace was invited by Pam Little, local Chairman USTA Schools Program of Fayetteville, to speak at the Fayetteville Area Tennis Association's dinner banquet. F.A.T.A. held its banquet to honor all members of the community who over the past year have

contributed to the game of tennis as players, coaches, professionals, administrators and officers. Michael was asked to address several tennis topics, the most pertinent of which was F.A.T.A.'s assistance and support with the expansion of the USTA Schools Program in Cumberland County.

## STA/DISTRICT E&R NETWORK UPDATE

### "Growing Pains"

In 1985 we began with experimental pilot programs in Atlanta, Ga. and Little Rock, Ark. We now have programs in over 100 cities and communities across the STA. The most enduring result of all our programming efforts has been the development of our volunteer E&R network. I wish to briefly explain the philosophy and present structure behind the origination and implementation of this network. From day one it was quite apparent that due to the nature of the USTA E&R programs and services we wish to provide, as well as sheer geography of our Section, any lasting programming must be implemented and monitored by local volunteers. These volunteers must be recruited, motivated and educated as to the nature, value, and philosophy of our programs. Once established, these volunteer District and Local networks must be serviced on a continuing basis by the Sectional staff. The STA staff wishes to encourage expansion both within the programs and services your local committee offers, as well as the volunteer network which implements and monitors these efforts with your town. We are well on our way to establishing this network. The STA has an Educational & Recreational Tennis Committee with: a chairperson, committee members and a budget. The Districts have all established similar committees and at present all Districts have a chairperson who has attended Sectional training sessions. All local programs have a local chairperson and local educational coordinator.

Most local committees have additional members representing the tennis community (i.e. Park & Recreation Boards, Community Tennis Associations, Patron Groups, tennis professionals, league organizations and others), and are always working to develop and expand. Most districts have created, or are in the process of creating an E&R budget. Some of our local committees have established operating budgets of their own, and a few Districts have established newsletters. We are off and running with a wonderful beginning, but new volunteers must be brought on board at the local level to better serve our programs and ensure a resource for the continued growth and improvement of our STA E&R network. Please, let's all recruit, motivate and educate additional volunteers locally to increase our work force while nurturing the growth of our "STA E&R Family".

As with all families, our STA network is experiencing some "growing pains". We feel it is crucial to develop District and Local autonomy with regards to our Sectional E&R network. Understandably, some of our District networks are not as developed as we know they will be in the future; thus, local chairpersons should feel free to contact the Sectional staff once District resources have been exhausted, or whenever urgency is a concern. Any questions or concerns relative to the nature or status of our E&R network should be directed to Michael Wallace. Thanks again!

teaching professional or instructor who has developed an outstanding tennis program which provides leadership and inspiration in junior programs for schools, colleges, parks, and playgrounds benefiting the growth of the STA.

The 1987 award goes to Kathy Kim of Hickory, North Carolina for her work in developing tennis instructional programs for juniors in the city recreational system.

Kathy's interest in tennis did not begin until after she was married and had three children. However, she showed a great aptitude for the sport and attained a state ranking in the 35s of #2 in doubles and #5 in singles. Her work with juniors came as an outgrowth of teaching tennis to her own children. She discovered that the local recreational program did not provide consistent coaching from the beginner level to advanced play. As a result of her work to improve the level of instruction, the town of Hickory, with a population of only 25,000, now has a comprehensive tennis program that has over 150 juniors as USTA members and has produced 37 ranked North Carolina players.

The tennis development program that Kathy has spearheaded provides instruction for all interested children at affordable fees in a format that includes ladder play and team competition.

Instruction is given by qualified teachers and high school team members. Tournaments are sponsored by local businesses with entry fees used to fund lessons for deserving players, pay the cost of winter indoor training, and subsidize entry fees for tournament players that require financial aid.

Other programs that Kathy initiated include: tennis lessons to teens at a private mental hospital, a tennis "moms" program for 4th graders, and assistance to the coach of the local high school in drills for the tennis team.

Kathy also serves the North Carolina Tennis Association as Chairman of the Junior Tennis Council, District Selector for Southern Closed Tournaments, and Junior Davis Cup Selector and Coach.

#### T.N. TOUCHSTONE JR. MEMORIAL TROPHY

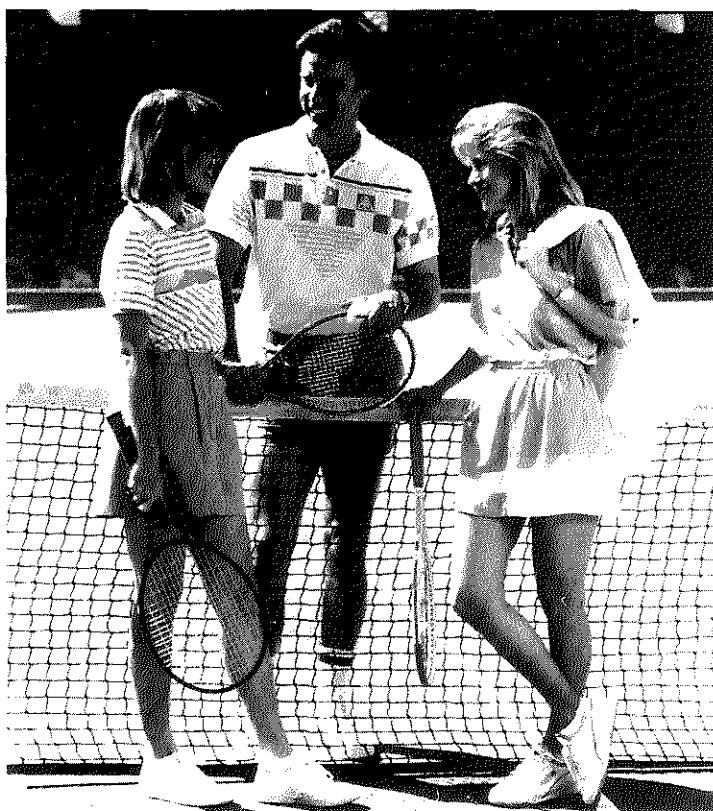

This award is given annually to a senior player in the STA who has displayed outstanding sportsmanship and support of Southern tennis.

The 1987 recipient of the Touchstone Trophy is Col. Nick Powel of Arlington, Va. Although Col. Powel is best known for his authorship of THE CODE, which is the rules gospel for the use in all matches played in sanctioned tournaments conducted without officials, he has contributed greatly to the game of tennis both as an official administrator and as a player. He has served the Mid-Atlantic

Colonel Nick Powell, winner of the T.N. Touchstone Jr. Memorial Award.

As an official, he is rated as an Umpire Emeritus, and as a Professional Referee. Col. Powel has been a successful player for many years, having won many Sectional senior titles as well as 4 USTA national singles titles and 17 doubles titles.

#### JACOBS BOWL AWARD

The Jacobs Bowl is awarded annually for overall contribution to Southern tennis, and was presented at the STA Annual Meeting to outgoing president, Steve Duffel of Little Rock, Arkansas.

Duffel began his tennis career in 1965 as a member of the University of Arkansas tennis team, and has continued since then to contribute much of his time and energy to furthering the sport of tennis on local, state, sectional, and national levels. Since helping to establish the first adult tennis team league in Arkansas in 1977, Steve has held over 14 positions with the Arkansas District including the presidency in 1981-82. Concurrently with his work for ATA, Duffel held numerous jobs with the Southern Tennis Association and the USTA. Most recently he served as President of the STA for 1986-87, and was a member of the USTA Education & Research Committee, the Federation Cup Committee, and the Sectional President's Committee for the USTA. Having completed his term as STA president, Steve Duffel assumes the position of USTA Delegate for the Southern Tennis Association.

1987 STA President Steve Duffel of Little Rock, AR receives Jacobs Bowl from Charles Morris of Raleigh, NC.

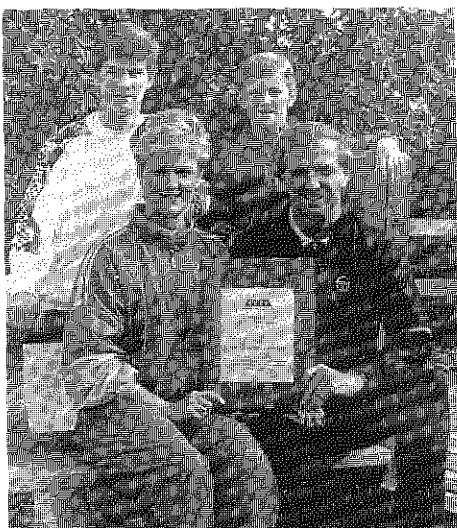

#### FAMILY OF THE YEAR

The Family Of The Year Award is presented annually to a family that has been outstanding in its promotion of tennis in the STA. The 1987 award goes to the Jim Campbell family of Fort Smith, Arkansas.

Every member of the Campbell family has a long history of involvement in tennis. Jim, the father, played competitive tennis beginning in high school, lettered in tennis at college, and continues to compete today in 45 and older tournaments. Dianne started playing tennis seriously after she met Jim and has won numerous mixed doubles tournaments with him since then. She has also played women's doubles for the past twelve years and has held several state rankings.

The younger Campbells have followed directly in their parents' footsteps. John began playing when he was 6 years old,

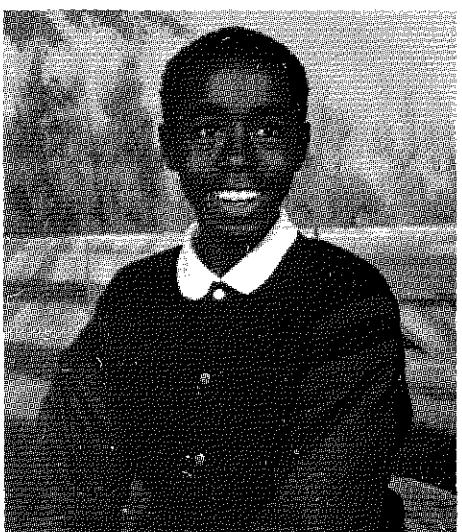

Jim Campbell Family of Arkansas, is 1987 STA Family of the Year winner.

played his first tournament when he was 8, and is now playing #2 singles and #1 doubles for Southside High School. Chris started playing tennis at 5 years of age and entered his first tournament at 8. He has had remarkable success since then. As a 9 year old he won every tournament he entered without losing a set, and ended the year ranked #1 in the state open division. Chris is now playing in the 12 year old division as a beginning 10 year old.

Jim and Dianne are also involved in tennis on the administrative side as well. They are on the Junior Council of the Arkansas Tennis Association, they have supported the Arkansas Patrons Foundation, and Dianne is on the Board of

Directors of the ATA. Their latest project is to work with other local tennis enthusiasts to start a grass roots tennis program for juniors in the Fort Smith area.

J.J. Jackson, Special Achievement Award winner.

#### SPECIAL ACHIEVEMENT AWARD

From time to time, the Southern Tennis Association chooses to recognize the outstanding achievements of one of its members for a particular year. Over the past ten years, this award has been given only twice. For 1987 the Special Achievement Award was presented to 12 year old J.J. Jackson of Chapel Hill, North Carolina.

J.J. is particularly deserving of this award because his performance on the tennis court combines the two elements that the STA stands for as an organization: a winning attitude and good sportsmanship.

J.J.'s record of wins in 1987 is outstanding with victories at such prestigious tournaments as The Southern Closed Championships, The National Hardcourts, The Arthur Ashe-Althea Gibson Tennis Classic, and the Junior Orange Bowl, to name just a few. However, of equal importance is the fact that in the last 12 months of competition, J.J. has received three Sportsmanship Awards at major tournaments. He has also been honored by being selected to play Jr. Davis Cup in the 14 year old division, and is one of only four juniors from the United States to participate in international competition in France this summer.

# Important Information For Juniors and Their Parents

(Known in the past as the "Yellow" letter)

This letter contains some important information and it would be advisable for all juniors who hope to be endorsed or ranked in 1988 to read it carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

**STA Rules & Regulations** — Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY, especially the pages on STA Rules and Regulations. The 1987 STA and District rankings are printed in this issue also.

**STA Ranking Requirements:** —Article VI, C, 1 of the STA Rules and Regulations reads as follows: "The minimum number of tournaments required prior to STA ranking consideration for boys and girls 18 to 12 (a) Singles: One (1) Southern Championship (open or closed) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open—shall be out of the player's own District. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of own District is waived. Playing in any USTA National Championship held in the Southern Section or playing in sanctioned team matches or interscholastic matches between schools does not fulfill the out of District requirement. (b) Doubles: One (1) Southern Championship (open or closed) and two other tournaments held in the Southern Section.

**Summer Tournament Schedule** — The summer tournament season will be here before you know it and it is time to begin making your plans now. At the end of this letter you will find a list of all USTA National Championships which require endorsement in the format of a check-off list for you to clip out and mail to your age division endorser. If you feel that *your record will put you in contention* for endorsement to any National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). If you do not return this form by April 25th, we will assume you will not be competing for a quota. Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/88 through the present. Your endorser will receive entry forms and information sheets for all USTA National championships at least 6 weeks prior to the first USTA summer National Championship. Those players whose 1987 rankings and 1988 tournament results indicate that they will probably be under consideration for endorsement will be mailed entry forms and fact sheets as soon as possible. Others may have to wait (even until the Southern Closed) to receive theirs. Your endorser or a representative will be at the Closed to help those who did not receive an entry prior to the Southern Closed.

**USTA Player Record Form** — Printed on page 58, you will find a USTA Player Record Form. Please use ONLY this form. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record Form,

PRINT OR TYPE USING BLACK ink and remember to get your parent's signature. ALL PLAYERS HOPING FOR ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY ARE HOPING TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. THOSE WHO DID NOT RECEIVE ENTRY FORMS PRIOR TO THE CLOSED SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

**National Entry Forms** — The USTA uses a standard entry form for each of the USTA National Championships. Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

1. Fill out all entry forms and player record forms in BLACK ink.
2. Make check payable as indicated on the fact sheet.
3. Never send your entry directly to the tournament. It MUST be first signed by your endorser.
4. Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
5. Send a copy of your USTA card.
6. Be sure to let your endorser know how to reach you during the endorsement process.
7. If possible, indicate your travel and housing plans on your entry form. If you do not know that information at the time you return your entry form, it is your responsibility to handle this.
8. Return with each entry form a self-addressed, stamped envelope for your endorser's use.
9. Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

**National Tournament Deadlines** — The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser AT LEAST 10 DAYS PRIOR TO THE TOURNAMENT DEADLINE to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

**Alternates:** The STA guaranteed quota for all National Championships is sixteen (16) players. When you accept entry to one of the National tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made within 5 days after the entry deadline. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

**Partial Reimbursement for Expenses to the Nationals (August 6-14):** The STA will pay the entry fee for all players accepted into the draw at THE Nationals. However, all players are expected to

include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in-quota, the checks for those players will be returned. Those players listed on the endorsement sheet as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return the check.

In addition to paying the entry fee for THE Nationals, the STA has budgeted \$100 toward the expenses of those attending THE Nationals (August 6-14, 1988). Each player entered in the draw will receive an "AMATEUR REIMBURSEMENT FORM" at THE National tournament site. Fill out this form, attach all receipts (hotel, airline ticket, meals, etc.) and forward to the STA Sectional Office for processing. You will receive a check(s) for your actual expenses up to a maximum of \$100. Expenses of a parent accompanying a player to THE Nationals may be included provided receipts are attached.

**Your STA Endorser/Ranker:** At the end of this letter is a list with addresses of the eight junior endorsers/rankers for 1988. Please establish early communications with your endorser/ranker and start by filling in the attached form and mailing it as soon as your plans are complete but not later than April 25th. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age divisions endorsers/rankers.

Review carefully the waiver provisions printed in Article V, B, 3 of the STA Rules and Regulations in this SOUTHERN TENNIS Yearbook. Keep in mind that with the exception of the National Hard Courts (the entry deadline precedes the Southern Closed) you MUST meet the requirements of Article V, paragraph B-2 of the STA Rules and Regulations which is quoted in its entirety as follows: "To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament in the age division for which applying for endorsement. Participation in the Southern Closed in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought, and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed."

**Special Events:** There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays all expenses. Among these are the three intersectional team championships as follows:

1. Boys and Girls 14/16 in Oklahoma City, OK, July 18-21 (opposite the Southern Open) for which the STA selects a team of eight (two in each of the BG-14/16 division). The STA team is four

Continued on next page

time defending champion.

2. Boys' 18 Intersections in Columbia, SC July 31-August 4, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship two of the last three years.
3. Girls' 18 Intersections in Indianapolis, IN, August 1-6, for which the STA selects a team of up to eight players in the G18/16 group. The STA won in 1985 and 1987.

Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached with this letter.

**USTA Yearbook:** In addition to reading the Southern Tennis Yearbook carefully, we would like to urge each of you to purchase an official USTA Yearbook. You may order one by sending a check for \$10.50 to USTA Publication Dept. Center for E&RT, 729 Alexander Rd., Princeton, NJ. 08540. In addition to reading the rules and regulations, you will find it beneficial to read: Article II - Conditions Governing players; Article VI - Ranking Regulations; Article VII - Standards of Conduct; Special USTA Championships Tournament Regulations.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many

rewards but requires many sacrifices on your part and your parents'. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. To that end, the STA has established a Sportsmanship Award of a lifetime USTA membership for each of the age divisions in the Southern Closed Championships. **Exhibit the best in sportsmanship on and off the court.**

Following is the list of tournaments that require endorsement. Please check the tournaments that you would like to play, **and only those**, if you are both eligible and endorsed and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request an entry unless you are sure you will be free to play that week if in quota. You may or may not receive an entry form in response to this letter. Those whose 1987 ranking and play since 1/1/88 indicate that they will likely be in quota will receive entry forms as soon as they are available. Others may have to wait, even as late as the Southern Closed, to receive an entry form. Please be certain to return this form to your endorser.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

## Daily Playing Limitations For Junior Tournaments

The STA at its Annual Meeting in January 1988, reviewed the below chart of Daily Playing Limitations and approved its dissemination in this Yearbook as GUIDELINES for tournaments on an experimental basis. It is the intent to fine tune these guidelines and eventually approve them for inclusion in the STA Rules and Regulations. KEEP IN MIND THAT THESE ARE NOT, AT THIS TIME, ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA

**SANCTIONED TOURNAMENTS.** They are intended to assist the tournaments in scheduling and promulgate a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates.

Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament within its

sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

These funds are to be used to promote tennis at every level and are to be used by no individual or club for profit. Without this Foundation, we would not have been able to support our Jr. Davis Cup and Jr. Wightman Cup teams in 1987. We will promote tennis statewide and recognize our loyal workers through the years.

## **RANKING REQUIREMENTS AND REGULATIONS FOR 1987**

Please note the changes in the Alabama Tennis Association Ranking Requirements and Regulations for 1987.

### **I. REGULATIONS**

In order to be considered for an Alabama ranking in his or her respective age division, a player must be a legal resident of Alabama and must compete in the required number of tournaments.

All players must have a current USTA membership to be ranked.

**Ranking Year:** The ranking year for juniors ends on December 31, 1988. The ranking year for all adults ends on December 31, 1988.

**Tentative Rankings:** Tentative rankings will be published in the fall newsletter.

**Ranking Appeals:** Players may appeal tentative rankings, in writing to the Ranking Chairman with a copy to the Ranking Coordinator. The decision on appeal will be made by the ATA Ranking Committee, in closed session, and will be final.

### **II. RANKING REQUIREMENTS**

#### **Adult Ranking Requirements:**

**Men's Singles and Doubles, Women's Singles and Doubles:** Competed in the ATA State Closed and two other ATA State open or invitational sanctioned tournaments; or competed in four (4) ATA State open or invitational sanctioned tournaments.

**Men's and Women's 25, 35, 40, 45 Singles and Doubles:** To be considered for ranking a player must play in the State Closed plus three (3) tournaments or six (6) tournaments. (Without play in the State Closed, the record must be clearly superior to be ranked ahead of a player involved in the Closed.) For a doubles ranking must compete in the ATA State Closed and two (2) other ATA sanctioned tournaments, or four (4) ATA sanctioned tournaments.

**Men's and Women's 50, 55, 60 and 65 Singles and Doubles:** Competed in the ATA State Closed and one (1) other ATA sanctioned tournament, or three (3) ATA sanctioned tournaments.

**Men's and Women's 70 Singles and Doubles, Mother and Daughter Doubles, Father and Son Doubles:** Competed in one (1) ATA sanctioned tournament.

**Mixed Doubles:** Competed in two (2) ATA sanctioned tournaments.

#### **NOTICE: CHANGE IN RANKING REQUIREMENTS:**

A PLAYER WHO ENTERS A STATE CLOSED EVENT IN A PARTICULAR AGE DIVISION, EVEN THOUGH THERE MAY BE ONLY A TOTAL OF ONE ENTRANT IN THAT EVENT, SHALL SATISFY THE MINIMUM RANKING REQUIREMENT NECESSARY TO QUALIFY FOR A STATE RANKING. IN THE EVENT THAT THE CURRENT MINIMUM CRITERIA QUALIFIES NO INDIVIDUAL FOR A RANKING, THE MINIMUM CRITERIA SHALL BE TOURNAMENTS PLAYED. \*PLEASE NOTE RANKING STANDARDS, SECTION E.

### **Junior Ranking Requirements:**

**Junior Singles:** The minimum number of tournaments required for consideration for boys and girls 18-10 singles, is the ATA State Closed and four (4) other ATA sanctioned tournaments; or seven (7) ATA sanctioned tournaments.

**Junior Doubles:** The minimum number of tournaments required for consideration for boys and girls 18-10 doubles, is the ATA State Closed and one (1) other ATA sanctioned tournament; or three (3) other ATA sanctioned tournaments.

### **III. SANCTIONED EVENTS**

Only the results of ATA sanctioned events in the applicable age division will be considered for ranking.

### **IV. RANKING STANDARDS**

(A) Rankings will be based solely on records of players for the year under consideration, and not upon previous years' records or personal opinions of Ranking Chairmen.

(B) For ranking purpose, match results of all ATA sanctioned tournaments shall be considered equal.

(C) If a player meets the ranking requirements, and wins one (1) match, he/she must be ranked.

(D) Direct wins of any one player over another will receive greater credit than all other data. A win counts as a win, no matter when it occurs in the ranking year.

(E) A long strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played.

(F) When a player retires from a match, or defaults out of tournament after the draw is made, it is a loss. This applies to the main draw as well as the Feed-in-Consolation draw.

# WHALEN TENNIS CO.

In the Whalen Company's 31 years we have followed one guideline, construct the absolute highest quality tennis court at a reasonable price.

In our business we are dealing with a product which at best is only 5" thick over a minimum of 7200 square feet. Because of this a deviation of 1/2" would be unacceptable.

When the job is finished we don't just pack up and leave. We offer a complete maintenance program from manuals to personal instruction.

# STA Rules and Regulations

## Southern Tennis Association, Inc.

Vertical bar indicates changes from last year.

### APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

### I. Quota System for Entry to Southern Junior Closed Championships

#### A. General.

The draw in every age division of the Southern Junior Closed shall be a minimum of 96 and a maximum of 128. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure to play is attributable to a bona fide reason, such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts (State) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of

the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

#### B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

#### C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1988 Southern Junior Closed Championships are as follows:

#### II. STA Girls' Intersectional Team

##### A. General.

The STA annually selects a Girls' Intersectional Team to represent the STA on a portion of the USTA National Junior Circuit. The STA appoints a

coach/chaperone to travel with the team and the STA funds the team expenses. The team consists of up to eight players chosen from the top juniors in the Girls' 18 and 16 age divisions.

##### B. STA Committee.

Selection of the team shall be made by the STA Girls' Team Committee listed in the Yearbook under the heading of "STA Committees".

##### C. Eligibility.

Any junior girl in the STA, meeting the following requirements, shall be eligible to apply for the Team:

Oxford, Miss. 38655 (601) 234-9110	The primary basis for selection will be the player's performance in the Mississippi Junior Qualifying Tournament. 4. Any girl having recorded one (1) win since January 1, 1988 over any of the players eligible under the preceding three categories.

#### D. Standard for Selection.

The standard for the selection of the team shall be over-all season's play in the Girls' 18 and 16 and under divisions. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections.

All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. Team members who have qualified for consideration will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

#### E. Application.

Any STA junior girl interested in applying for the team and qualified to do so must notify the STA Girls' Team Captain prior to the conclusion of the Southern Closed Championships.

### **III. STA Boys' Intersectional Team**

#### **A. General.**

The STA annually selects a Boys' Intersectional Team to represent the STA on a portion of USTA National Junior Circuit. The STA appoints a coach to travel with the team and funds the team expenses. The team consists of up to eight players chosen from the top juniors in the Boys' 18 and 16 age divisions.

#### **B. STA Committee.**

Selection of the team shall be made by the STA Boys' Team Committee listed in the Yearbook under the heading of "STA Committee".

#### **C. Eligibility.**

Any junior boy in the STA, meeting the following requirements, shall be eligible to apply for the Team:

1. Any boy having a singles ranking of 1-10 in the 1987 Boys' 18 STA rankings; or
2. Any boy having a singles ranking of 1-5 in the 1987 Boys' 16 STA rankings; or
3. Any member of the 1987 team who is still eligible for 18 or 16 and under competition in 1988; or
4. Any boy having recorded one (1) win since January 1, 1988, over any of the players eligible under the preceding three categories.

#### **D. Standard for Selection.**

The standard for the selection of the team shall be over-all season's play in the Boys' 18 and 16 and under divisions. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Closed) Championship for consideration. Team members will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

#### **E. Application.**

Any STA junior boy interested in applying for the team and qualified to do so must notify the STA Boys' Team Captain prior to the conclusion of the Southern Closed Championships.

### **IV. STA Junior Davis Cup Team**

#### **A. General.**

The STA annually selects up to three (3) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the STA.

#### **B. Application.**

Applications should be obtained from and returned to the Chairman of the Southern Junior Davis Cup Team, listed under "STA Committees" in the Yearbook. Selection will be based on 1987 rankings and current season's records.

### **V. STA Endorsement Procedure to the Four USTA National Junior Championships:**

- USTA National Junior Hard Courts (early July)
- USTA National Junior Clay Courts (late July)
- USTA National Junior Championships (early August)
- USTA National Junior Indoors (Thanksgiving)

#### **A. Sectional Quota System.**

Each of the seventeen (17) Sections of the USTA has an exact, guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1988 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw.

#### **B. STA Criteria-Eligibility for Endorsement to USTA National Junior Championships.**

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.
2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament in the age division for which applying for endorsement. Participation in the Southern

Closed in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
- b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.
- c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will strictly adhere to the following guidelines in considering waiver requests:

- a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient continued competitiveness to justify a waiver.
- b. Invitation to Junior Davis Cup or Junior Wightman Cup tryout camp: If a player is invited to participate in a Junior Davis Cup or Junior Wightman Cup tryout camp, participation in the camp will be considered as a substitute for participation in the Southern Closed. The players will be considered "eligible" for endorsement if otherwise qualified, and will be endorsed like other eligible players, on the basis of the strength of the over-all records.
- c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
- d. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process. The Committee will follow the guidelines outlined in the waiver provisions of Article V,B3. Waivers will be granted or denied by majority vote of the committee unless otherwise provided for in the waiver provisions.
- e. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation otherwise in other USTA sponsored events of a national and prestigious nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

#### **C. Application Procedure:**

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see

Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since September 1 indicate they will receive entry blanks promptly. Others, where there is doubt, may have to wait until later, even as late as the Southern Junior Closed, to receive an entry blank from the Endorser or a representative.

#### D. Entry Procedure

1. When you receive an entry blank to any USTA Championship, it may also include:

- a. Player Record Forms-complete it with every sanctioned singles match in the Division (age group) played since January 1, 1988. Same with Doubles with same partner you intend to enter with in this USTA Championship.
- b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Chps. or to the STA Office.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection.)

3. If you are in quota and must withdraw, advise the USTA Chps. immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action and certainly embarrassment to both you and the STA.

#### E. General.

The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

## VI. Ranking Regulations

#### A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may only be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. An "Alphabetical" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players thus ranked will be ranked alphabetically.

8. Ranking Appeals. Tentative rankings will be published near the end of the ranking year and will always be published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Review Board within ten (10) days after receipt of the tentatives or immediately prior to the

meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Review Board in person, provided that the written notice of appeal includes a notice that the player intends to so appear. The determination of rankings by the Ranking Review Board shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

#### B. Adult

1. Minimum Requirement. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

- a. Men's Singles: One Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District.
- b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own district.
- c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District.
- d. Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District; or play in both the Southern Open\* and the Southern Closed\*.
- e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District; or play in both the Southern Open\* and the Southern Closed\*.
- f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25#, 30, 35, 40, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, mixed doubles and 35 Mixed doubles.

Note: \* 1988 Men's Southern Open in Jackson, MS and 1988 Women's Southern Open in Memphis, TN. The 1988 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Isle of Palms, SC for odd divisions.

# The Men's and Women's 25 and over division was added to the Southern ranking categories effective January 1, 1987.

#### C. Junior.

1. Minimum Requirements. The minimum number of tournaments required prior to consideration for STA ranking for Boys' and Girls' 18-12.

- a. Single: One(1) Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in any USTA National Championship held in the Southern Section or playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirements.
- b. Doubles: One(1) Southern Championship (Open or Closed) and two other tournaments held in the Southern Section.

#### D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match to qualify for a ranking.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

## VII. Tournament Rules and Regulations

### A. Rules

1. The Rules of Lawn Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 729 Alexander Rd., Princeton, NJ 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

### B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

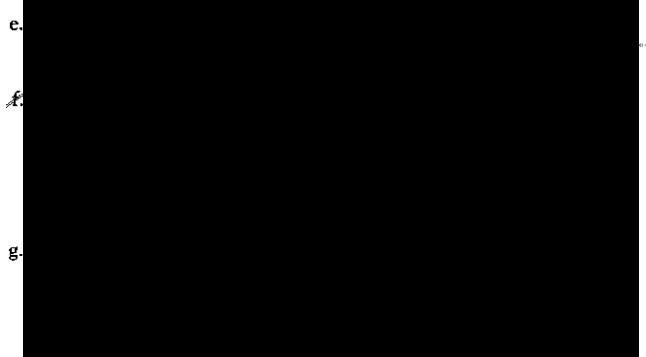

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.
- b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first four players representing the same District Association. If possible, the Draw should also avoid two players from the same district meeting in a first round match.
- d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament.

The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team

matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the

players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

- h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- i. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.
- j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble-spots and, by their presence, can sometimes solve problems immediately.

### C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

- a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.
- b. In regard to stalling, the rules of continuous play are quite clear: "No allowance may be made for natural loss of physical condition . . . Not even momentary 'rest' other than the normal toweling-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from, Rules in USTA Yearbook.) The rules allow 90 seconds for toweling-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. Players must take care at all times not to interrupt play or to distract opponent in any way.
- c. No player or players will make a comedy of a match, whether they be winning or losing.
- d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
- e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.
- f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the

player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Association for any further disciplinary action deemed suitable.

g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.

h. Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.

i. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

Any flagrant violations of these regulations or rules of conduct

brought to the attention of the STA Disciplinary/Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances is printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

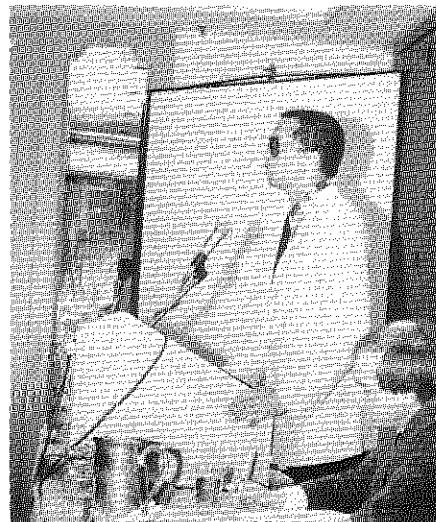

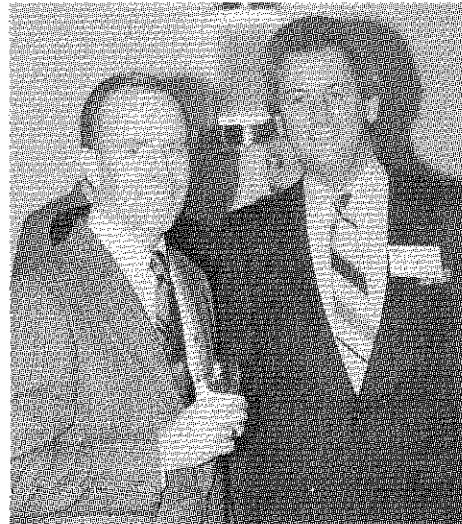

### VIII. USTA/Volvo League Tennis Program

The USTA/Volvo League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA/Volvo League play.

In the event of a counter-slate to that proposed by the Nominating Committee, a vote will be taken at the annual meeting by the membership on a slate versus slate basis. No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

- Whenever a written complaint is filed with the Chairman of the Disciplinary/Grievance Committee, charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules, and regulations of the STA or of the USTA, or the standards of conduct, fair play, and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. - of \$1,000.00, and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Disciplinary/Grievance Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.
- (b) Within thirty (30) days after receipt of a written notice of the decision by the Chairman or Vice-Chairman of the Disciplinary/Grievance Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Disciplinary/Grievance Committee. Upon receipt of such a request, the Chairman of the Disciplinary/Grievance Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary/Grievance Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary/Grievance Committee shall promptly notify the person penalized of its decision.
- (c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary/Grievance Committee and have the Disciplinary/Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary/Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.
- (d) Any appeal from a decision of the Disciplinary/Grievance Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary/Grievance Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary/Grievance Committee. The Management Committee shall not be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary/Grievance Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary/Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.
- (e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary/Grievance Committee.
- (f) All action of the STA Disciplinary/Grievance Committee shall be reported to the USTA Grievance Committee and any other bodies or individuals deemed necessary by the Board of Directors.
42. The Sanction & Schedule Committee shall be composed of a Chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to members bidding therefore at the annual meeting. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to reelection or reappointment as the case may be, for a one-year term or until their successors are named.
45. The following shall constitute a quorum for the transaction of business for the following named committees: *Management Committee* — not less than two-thirds (2/3) of its members; *Nominating Committee* — not less than three-fifths (3/5) of its members; *Disciplinary/Grievance Committee* — not less than two-thirds (2/3) of its members. A quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.
46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees by mail.
47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days' written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (½) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.
48. Any action required or permitted to be taken at any meeting of any committee, other than the Disciplinary/Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

# *What could be more important to America's leading tennis company than tennis equipment?*

## Tennis.

At Prince, tennis is more than just a business. In fact, it's our most important product.

So when you see more than half of America's nationally-ranked junior and collegiate players use Prince, you're seeing commitment.

And when you read how Prince racquets have enhanced the game—from the original Prince Classic racquet which enabled more people to play better tennis, to our newest racquet, the Prince Response™ which offers the confident feeling of controlled power—you're reading about commitment.

And when you hear about the Prince teaching programs, free nationwide clinics, and the United States Professional Tennis Association exclusively endorsing the Prince racquet, tennis shoe, apparel, ball machine and string machine, you're hearing about commitment.

Does this mean you should expect Prince to continually provide you with the most innovative equipment and programs in tennis?

Yes.
