# The CTS Lightning doesn't have a sweet spot. It has four.

Constant Taper System tapers from tip to grip.

Enlarged "power zone" for fewer miss-hits.

Double-Bridge construction dampens the vibration.

Cushion Grip System absorbs the shock of every shot.

How sweet it is—the new Constant Taper System™ racquet from Prince called CTS Lightning™. You'll discover, in a flash, that it delivers the pace you're looking for in a widebody performance racquet. With a patented vibration dampening construction for comfort and control.

It's so revolutionary, it has four "sweet spots." The first one being the unique Constant Taper System technology. This strengthens the racquet by making it widest at the tip—normally its weakest point. It then tapers down (at a constant rate) to the grip.

This unique CTS design also gives us our second sweet spot—an enlarged "power zone" with a larger area to hit more solid shots.

The third and fourth sweet spots deal with total comfort. Unlike any other racquet, the CTS Lightning has the patented Double Bridge™ construction which dampens both the string and frame vibrations on every hit. Plus, the exclusive Cushion Grip System™ absorbs the shock of every shot 80% better than conventional grips.

So why settle for a power racquet with just one sweet spot, when you can face your opponent with a racquet that has four?

The CTS Lightning from Prince. Available in Series 90 Midsize and Series 110 Fullsize. For more information on where you can demo a model, simply call 1-800-2-TENNIS.

# OUR MAX IMPACT RACQUETS ALSO GIVE YOU THE POWER TO BURY YOUR OPPONENTS.

Dunlop has escalated the arms race. With five graphite wide-bodies: the Max Impact Plus 105 & 95, Max Impact Pro, Max Impact Mid and Mid 95. The first racquets designed to give you power without sacrificing control.

Unlike other wide-bodies, the Plus, Pro and Mid 95 are widest and stiffest at the point of impact for more power and stability. The frame tapers into the grip for more forgiving flex and greater control. The Impact Series racquets also feature an improved "Impact Modulator" system made of a

metal rod cradled in Sorbothane. When the ball hits the racquet, this rod vibrates in direct opposition to the impact vibrations—thereby dampening them. The result is a solid, more comfortable feel. Less arm fatigue. And considerably greater shot accuracy.

Get one of the Dunlop Impact Series racquets today. And beat your opponents into the ground. For the dealer nearest you, call 1-800-476-5400.

## First Serve

It is indeed a pleasure to be elected President of the STA — the most dynamic Section of USTA. I want to thank my fellow members for the opportunity to serve our Association for the next two years.

The following are some of my objectives for 1990:

To lead . . . . . the STA and represent us throughout our nine states.

To work . . . . . with our elected Officers, Delegates-at-Large, and Board who through the years have helped make the STA what it is today.

To coordinate . . . the policies of the STA Management Committee with our Executive Director, John Callen, and the most dynamic staff anyone could ask for.

To convey . . . . . the wishes of the STA Management Committee through our USTA Delegate, Jack Mills, to the national association.

To implement . . . the programs of the USTA.

To start . . . . . a formal review of STA programs, including a cost/benefit appraisal.

To spend the next few months . . . . . working with our Tournament Director to produce the finest Federation Cup ever conducted.

To appreciate . . . the large volunteer base that exists throughout the Southern Section, whose efforts have so strengthened this association.

All in all, 1990 should prove to be a most positive year for tennis and the STA. I look forward to the challenge ahead as President of this great organization.

Bernard N. Neal  
President

## Second Serve

### *The 80's and the STA*

The 1980's began with the STA and the nine Districts providing tournament scheduling, ranking, umpiring and just starting league play. But through the USTA's increased allocations, the STA and District staff grew from less than 5 to over 30 during the decade. The USTA Schools Program introduced over 500,000 students to tennis, and thousands and thousands of rackets and balls were donated to the schools. League growth and structure has generated 34,000 participants in their great programs. A Player Development Program was instituted and is now spreading across the country. At this time, we have 15 Area Training Centers approved in the STA, and the Atlanta Health & Racquet Club was named the 3rd Regional Training Center by the USTA. During a decade that showed a decrease in the total number of tennis players, USTA membership in the South climbed from 28,246 to 71,445. This growth represents a 43,199 member increase, which is a growth of 153%. Our membership in 1980 represented 16.8% of the USTA, and in 1990 accounted for 20.5%. As STA began the 1980's, less than 3,000 members separated STA from the next largest section. At the end of the decade, the STA was the largest section by 34,000 members.

A special thanks and congratulations to all the volunteers and staff that have made the 1980's a great decade for STA.

At this time we can all dream of the 1990's and hope that the progress of STA will continue.

John Callen  
Executive Director, STA

## INTRODUCING THE ORBITECH™ FROM SPALDING.

# THE BIG EASY.™

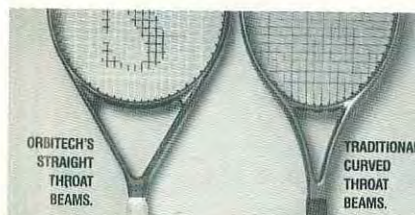

THE ORBITECH XL

The Spalding Orbitech.™ We made it round, solid, sweet, big and incredibly easy to play with!

What makes the Orbitech so easy? A unique combination of qualities. Qualities that—until now—have never been successfully combined in any single tennis racket.

- The Orbitech's unique round head provides uniform string lengths that allows more even ball contact. The results are greater accuracy, control and spin production.
- Innovative straight throat beams provide tremendous stability on all strokes—without the bulkiness of exaggerated higher beam rackets.

- The Orbitech has the widest Aspect Ratio (A/R) in tennis. The result? More stability plus an even dispersion of power across the entire racket face.
- Our Sensathane® handle, bumper and grommets work together to eliminate vibration. And leave you with the feeling of a solid shot.™

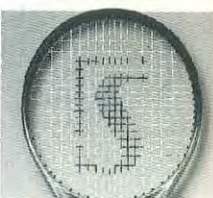

Join Bud Collins and Julius Erving, club tennis players, who have already discovered the easy-to-play features of the Orbitech (look for their life-size demo display at your nearby Spalding Pro Tennis dealer).

The Orbitech XL, and its midsize counterpart, the Orbitech 95—

Spalding's dynamic duo. Demo them both, today. And find out how easy it is to raise your level of play—right from the very first swing with the Big Easy.

1989 STPF Hall of Fame Inductees

The standard used for selection of the inductees was to honor those persons who by the excellence of their activities, in or connected with Southern Tennis, have brought substantial recognition and esteem to themselves and to the Southern Tennis Association.

ROBERTA ALISON BAUMGARDNER is a native of Alexander City, Alabama, and began playing tennis when she was seven years old. Until she was 17 her only coach and regular practice partner was her father, Cal Alison who had played #1 singles for the University of Alabama in his college days.

When she was eleven years old Roberta began to play junior tournaments accompanied by her mother, Elisabeth. She played throughout the southeast during the spring and summer of the next seven years and accumulated numerous titles which included: Southern Girls' Open and Closed, Orange Bowl, Sugar Bowl, Kentucky State, Florida Yacht Club, Tampa Bay, and the consolation singles at the National Girls' 15 & Under.

Roberta held #1 rankings as a junior in both Alabama and the south, and was nationally ranked in the top 20 four times. She was twice elected to the National Junior Wightman Cup Team and played on the Southern Girls' Intersectional Team for five years.

After graduation from high school in 1961, Roberta enrolled at the University of Alabama where her father had attended college — although the school did not have a women's tennis team. But due to the efforts of the tennis coach, Jason Morton, the SEC ruled the next year that women would be allowed to compete in varsity athletics at schools without women's teams. As a result Roberta Baumgardner became the first girl to receive a varsity letter and an athletic scholarship from the University of Alabama.

For the next three years Roberta compiled a fine record at the #4 singles position, and played #2 doubles for two years with the son of her father's doubles partner, Eddie Terrell. During this period she also won women's college championships including the USLTA National College Girls' Tennis Championships in both singles and doubles.

After college, Roberta married and had two children, Earl and Russell, but gave up competitive tennis shortly afterward due to illness. She tried "fun tennis" but was never able to make the transition and has now given up playing the sport entirely at this point in life. At various times since then she has been involved in raising and showing Arabian horses, and coached both high school tennis, and Little League Baseball. Her only present connection with the game is as a tennis parent due to her son's interest in the sport.

However, Roberta Baumgardner's past contributions to the game of tennis have not gone unrecognized. The University of Alabama has honored her by hosting the Roberta Alison Collegiate Tennis Championships every year since 1985. In 1987 she was inducted into the Alabama Tennis Association Hall of Fame, and in that same year she was inducted into the National College Women's Tennis Hall of Fame. In 1988 she was inducted into the University of Alabama Tennis Hall of Fame.

DR. H.A. TED BAILEY, JR. has distinguished himself in not only his chosen profession of medicine, but in the business world and in the sport of tennis.

A native of Little Rock, Arkansas, Ted Bailey received his B.S. and M.D. degrees from the University of Arkansas and his post graduate training at Tulane University.

During a distinguished medical career, Dr. Bailey acted as head of the division of Ear, Nose and Throat (ENT) of the University of Arkansas Medical School for ten years and served as Chief of Staff of the Baptist Hospital at Little Rock for two years. He currently holds an appointment of Clinical Professor of ENT at the University of Arkansas Medical School and is the president of the ENT Clinic in Little Rock. He is also currently serving as president of the American Otological Society, the oldest Ear society (founded 1868) in the world.

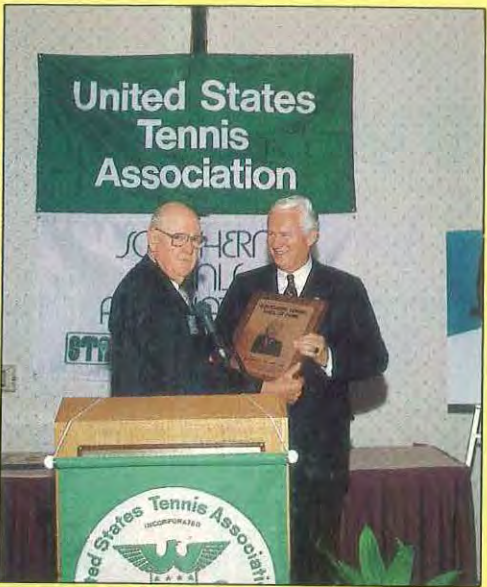

In the business world, Dr. Ted Bailey is president of the Bailey Corporation, one of Little Rock's largest real estate development firms. He is vice president of the Eldo Corporation, a family owned business which has extensive tree farming operations in Louisiana and was one of the developers and co-owners of the Westside Tennis Club, which is now the Little Rock Indoor Athletic Club. Dr. Bailey has also served on the Board of Directors of the Union National Bank of Little Rock since 1970, and for the last ten years has served as chairman of the Director's Loan Review Committee.

Dr. Bailey's community activities almost rival those of his career and business. He has served on the Board of Directors of the United Way, YMCA, Little Rock Boys Club and is past president of the Baptist Medical System Foundation Board of Trustees. He is immediate past chairman of the Development Foundation of the University of Arkansas at Little Rock, and is Charter Trustee Member of the Arkansas Tennis Patrons Foundation of which he has served as chairman since its inception in 1970. He was past president (1987-88) of the Rotary Club of Little Rock.

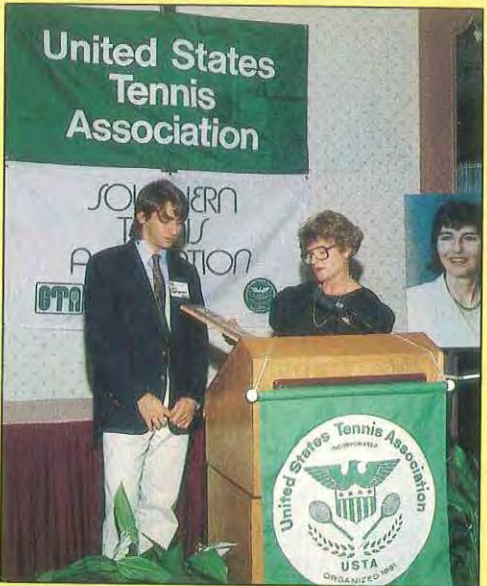

Ted's early interest in sports focused on golf, but when his sons began to play tennis, he quickly became involved in the game himself. He also became involved in tournament play and has won a number of doubles titles on both the city and the state level. He and his son, Ted III, won the Arkansas State Father/Son Championships in 1970 and again in 1980. He was also ranked #1 in Arkansas with Charles Steel in both the 50 and 55 age divisions.

On the administrative side of tennis, Dr. Bailey began his involvement in 1968 when he underwrote the expenses for the Davis Cup Team to put on an exhibition at the dedication of the Little Rock Racquet Club. The team was composed of Arthur Ashe, Charles Pasarel, Cliff Ritchey and Clark Graebner. He served as president of the Arkansas Tennis Association in 1970 and 1971 and established the first office and staff for the association. During the same time Dr. Bailey began to work with the Southern Tennis Association and became president of the STA in 1974 and 1975.

Dr. Bailey served the USTA at the national level as a member of the executive committee for eight years — first, as a delegate of the Southern Section for two years and second,

# STA Annual Awards

## Jacobs Bowl Award

The Jacobs Bowl is awarded annually for overall contribution to southern tennis. The 1989 award was presented at the STA Annual Meeting in memory of DeWitt Redgrave III who served as Executive Director of the Southern Tennis Association from 1977 until his death in 1988.

DeWitt's involvement in tennis began when he was a child, primarily from the encouragement of his father who was a career Navy officer and an avid tennis player.

He also followed his father's lead in a choice of career and joined the Navy at the age of 18. He attended Johns Hopkins and Rice University, the Naval Post Graduate School, and the Navy War College where he was a member of the faculty. Redgrave attained the rank of Captain in 1965 and held both Fleet and Executive commands during his Navy career.

After his retirement from the Navy in 1972, DeWitt and his family moved to Atlanta where his father was Vice President of the Georgia Tech Research Institute. Because of his interest in tennis throughout his Navy career and his continued involvement through officiating in tournaments after his move to Atlanta, DeWitt was hired as the first full-time Executive Director of the STA in 1977.

At that time he had a small staff which served a membership of approximately 24,000 spread over nine states. During the next 11 years DeWitt saw the membership grow to over 63,000 and he personally counted a number of

accomplishments in southern tennis: He founded and was past president of the Atlanta Professional Umpires Association; he was tour director of the USTA/STA Spring/Summer Prize Money Circuit in 1977; he served on numerous USTA committees and supervised the pilot program for the USTA adult leagues in the Southern Section prior to its introduction nationally. Before his death DeWitt was involved in the introduction of a second league, this time for senior players, which was being tested under his supervision in the Southern Section.

But of all his accomplishments in the sport of tennis, DeWitt's greatest source of satisfaction was junior tennis. He was completely involved in the junior program in all of its aspects including: ranking, endorse-

ments, funding and coaching selection. He was especially proud of the STA Intersectional Teams which won, as DeWitt termed it, a "Mini-Grand Slam" five years in a row in the 14/16 age division, and won the "Grand Slam" (Boys' and Girls' 14/16 and 18 Team Championships) in 1985 and 1988.

Because of his devotion to junior tennis, the DeWitt Redgrave III Junior Achievement Award is now given in his memory.

will be presented annually for excellence shown in the role of Local or District League Coordinator in the Southern Section.

The 1989 award was presented to Garnet Aitchison of Greenville, SC at the STA Annual Meeting in Atlanta. Aitchison has been involved with the USTA/Volvo Leagues for the past nine years and was the District League Coordinator for South Carolina.

She was the Tournament Director for the Sectional Championships when they were held in Columbia, SC in July 1989 and has served on the STA League Council and on a sub-committee to develop rules for league play. In 1990 Garnet will chair an STA sub-committee for the Mixed Doubles League and will serve as the South Carolina Tennis Association Vice President/Leagues.

### Educational Merit Award

This award is given annually from the nominations of the nine Districts to a teaching professional or instructor who has developed an outstanding tennis program which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds benefiting the growth of the STA.

The 1989 Education Merit Award goes to Rodney Young of Atlanta, GA for his work with inner-city junior tennis programs and especially for his involvement with the Georgia Tennis Association's Anti-Drug Tennis Program.

Young, who has personal experience with the problems of growing up in the inner-city, is originally from Baltimore, MD and credits local recreation centers and tennis with his ticket to success. He stumbled on a free tennis program in Baltimore and worked his way up to becoming the first black to win the Maryland Scholastic High School Championships. From there he earned a three-time All-American status at Hampton Institute where he won the NCAA Division II Championships and grad-

uated with a degree in Business Management.

After college Rod played the professional circuit, worked as a pro in Greenville, S.C., was a sales rep for Yonnex, and finally came to Atlanta in 1984 to administer the tennis facilities for the City of Atlanta. Through his work with the city, Young became Executive Director and Head Coach for the Atlanta Tennis Patrons Foundation, a non-profit organization which develops tennis programs for inner-city youth. These programs are subsidized by corporate sponsorships to allow the ATPF to recruit good coaching for advanced as well as novice players.

Because of his extensive background, the Georgia Tennis Association approached Rod Young to help with their Anti-Drug Tennis Program which was primarily aimed at inner-city youngsters. Rod immediately moved the kids from the church parking lot to public courts a few blocks away, and with the help of two assistants, started over fifty kids on a recreational tennis program.

Young's approach to the program is to not only teach the enjoyment of tennis to the youngsters, but to show them how to integrate the idea of hard work and accomplishment in the sport into their everyday lives. The result has been an improvement, not only in the tennis skills of the kids, but an improvement in their personal skills as well.

The GTA, which nominated Rodney Young for this award feels that he is an outstanding example of a teaching professional working in the community and making a difference.

### Umpire of the Year

The Umpire of the Year Award is given annually to an umpire, chosen from the nominations of the nine Districts, who has made outstanding contribu-

tions to the cause of tennis officiating in the STA. This year's award is presented to Bunny Williams of Hilton Head Island, S.C.

Williams is currently certified as a National Chair, National Line, USTA Referee, Level I Umpire. Out of a total of 1,970 umpires, there are only 40 Level I umpires certified in the U.S.

During recent years Bunny Williams has worked the Lipton

Players Championships (1989); the Family Circle Magazine Cup (1989); the 1989 U.S. Open where she was selected to chair the quarterfinal women's singles match in the stadium; USTA National Women's 30 Clay Court Championships (1989); the U.S. Men's Clay Courts (1988); and the Davis Cup Challenge in Atlanta in 1987.

Bunny is currently ranked #14

In 1989 she was recognized as Female Player of the Decade by the USPTR, and was named Player of the Year in 1986 by the South Carolina Tennis Association. She was captain of the Southern Team competing in the National Senior Women's Intersectional Team Championships in 1988 and 1989.

### Member Organization Of The Year

**T**his award is given annually to a member organization of the STA, chosen from the nominations of the nine Districts, to recognize outstanding service to the local tennis community, to the organization members, and in general, to the game of tennis.

The 1989 winner of the Member Organization Award is the Bridges Tennis Center in Jackson, MS. Bridges is a municipal tennis center featuring 15 lighted Plexipave courts, a multi-use clubhouse, plus a fitness and jogging trail.

The center is heavily used for both league and tournament play and was host to over 50 activities during 1989 including league championships, city tournaments, company sponsored tournaments, high school tournaments, clinics and camps.

The Bridges Tennis Center is directed by USPTA Pro, Barney Chadwick, who assumed the post after the retirement of Mrs. Dorothy Vest. Barney was recently named 1989 Mississippi Tennis Association Pro of the Year, USPTA Mississippi Pro of the Year, and is president of the newly formed Mississippi Professional Tennis Association.

His teaching staff includes former All-American, Trey Hulsoy who is currently Jimmy Arias' sparring partner; former top ranked Brazilian junior, Lucia Howell; and Carolyn Henry who was recently named Most Outstanding Senior Player in the

South by the SPTA.

The tennis center has also won recognition over the years. Bridges was named by the Mississippi Tennis Association as Organization of the Year in 1982, 1983, and 1984, and was selected by TENNIS MAGAZINE as one of the Top Fifty Municipal Tennis Centers in the U.S.

### Family of the Year

**T**he Family of the Year Award is presented annually to a family that has been outstanding in its promotion of tennis in the STA. The 1989 award goes to the Baskin family of Marietta, GA.

The Baskins could best be described as "the ultimate tennis family." Father, Jerry Baskin, is a teaching pro; mother, Kathy, is the consummate tennis mother and volunteer; and the two children, Craig and Kelly, are avid players.

Jerry and Kathy met while they were in college at Tennessee Tech where they both earned their teaching degrees and Jerry played tennis on the college team. After graduation they were married and moved to Atlanta. Jerry taught high school Math and English for four years and moonlighted as a tennis pro to make extra money. He eventually was hired as Head Pro at the Marietta Country Club where he stayed for 12 years before becoming an independent specializing in junior tennis development. Jerry now has over 120 junior players in his program, 60 of which hold Southern rankings, and 24 have National rankings.

Aside from the business side of tennis, Jerry Baskin has been involved in tennis as a volunteer. He is a Junior Davis Cup Coach, a USTA Junior Development Coach, an STA coach at major national junior tennis tournaments, and a member of the Georgia Junior

Tennis Council.

Kathy Baskin has concentrated her efforts on raising her family, acting as assistant to Jerry's junior tennis program and as a tireless volunteer in the tennis community. She is a ladder mother for the Atlanta Lawn Tennis Association (an almost full-time job); she assisted with the National Zonal 12s, and worked on the committee that brought the National Boys' City Team Championships to Atlanta.

The children, Craig (age 16), and Kelly (age 11), are following in their parents footsteps as avid tennis players. Craig is tentatively ranked #1 in Georgia and holds a national ranking of #21. He reached the quarterfinals of both the Easter Bowl and the Orange Bowl in 1989, is a key member of the Boys' National City Team, and is #1 on the ALTA Junior Challenge Ladder.

Kelly participated in the National Zonals in July of 1989, was a quarterfinalist in the doubles at the Southern Closed, and a member of the ALTA Junior Challenge Ladder. Kelly is tentatively ranked #13 in the Girls' 12 Singles in Georgia and #1 in doubles with Amanda Ballinger.

### DeWitt Redgrave III Junior Achievement Award

**T**he Junior Achievement Award is given in memory of DeWitt Redgrave III to the #1 Southern ranked junior in the Boys' and Girls' 18 and under age divisions for their support and participation in ranked tournaments in the Southern Section. The recipients of this year's awards are: Woody Webb of Chapel Hill, NC, and Elizabeth Huber of Goshen, KY.

Woody Webb is presently a freshman at LSU but will be transferring to the University of North Carolina in the fall of 1990 where he will continue his major in English and join the UNC Ten-

nis Team. Woody won the National Interscholastic Tournament at Duke University in 1989 and placed 5th at the National Clay Courts. He was ranked #1 in the South in the 18s and #11 in the nation.

Elizabeth Huber celebrated her 18th birthday in February of 1990 and is finishing her senior year at Kentucky Country Day, a private high school near Louisville, KY. She plans to attend the University of Virginia in the fall on a tennis scholarship. Elizabeth was ranked #1 in the South in 1989 and #28 in the nation.

### USTA Facility Awards

**T**en outstanding tennis facilities have been selected by the United States Tennis Association as winners of the 1989 Facil-

ity Awards for superior architectural design in a public tennis facility. Two of the awards went to southern tennis centers.

The awards, presented by the USTA since 1981, have honored 70 tennis facilities in the nation, and are designed to promote the construction of public tennis facilities by parks, schools and industry. In many instances, the recognition the centers have received as award winners has stimulated the allocation of additional municipal funds for the promotion of recreational tennis programs. The 1989 award winners from the Southern Section are the Jekyll Island Tennis Center in Jekyll Island, Ga., and the John Drew Smith Tennis Center in Macon, Ga.

Tennis on Jekyll Island dates back to 1886 when the sport was popular with some of the wealthiest families in the nation who

used the island as a seaside retreat. Records show that outdoor courts were constructed in the late 1880s and again in 1909. Indoor courts date back to 1913. The award-winning facility for 1989 is the Jekyll Island Tennis Center, operated by the Jekyll Island Authority. The facility includes Rubico courts and a well-stocked pro shop. This modern tennis facility is host to six USTA sanctioned tournaments a year, plus USTA Volvo League play and summer camps for junior players.

The John Drew Smith Tennis Center in Macon, Ga., was constructed in 1980 and is a major tennis facility in the city of Macon. Named after John Drew Smith, a well known teaching pro both locally and nationally, the public facility has 24 lighted hard courts and is host to many state and USTA junior tournaments including the Georgia State High School Championships and the Southern 16 Closed Championships.

The award winners were presented with a wooden plaque, a sign to be placed outside the facility, and a complimentary one-year USTA membership. The names of all winning facilities are also displayed in the lobby of the USTA National Tennis Center in Flushing Meadows, N.Y.

### Tournament of the Year Award

The 1989 Tournament of the Year Award was given to the USTA/Volvo League Sectional Championships which were held July 12-19, 1989 in Columbia, S.C.

The South Carolina Tennis Association hosted the tournament, which drew over 1400 players from the nine participating STA Districts. Because of the size of the event, five sites with over 50 courts had to be used in the Columbia area. South Carolina Governor, Carroll Campbell, declared the week of July 10 as

Corporate sponsors for the event included Southern Bell, Michelin Tire Corporation, Timberlake Plantation, and Coca-Cola of Columbia. Grants from the City of Columbia and Richland County completed the funds necessary for the budgeted items.

### Education and Recreational Leadership Award

The year 1989 was the first for the Education and Recreational Leadership Award which was given to honor the outstanding performance of a District Chairperson in the E&R Program. Vicky Marty of Birmingham, Alabama was named as the first recipient of the award.

Originally from Pennsylvania, Vicky has lived most of her life in Alabama and is a graduate of Birmingham Southern College. She and her husband, John, have three children who, like herself, are recreational tennis players. Vicky is a 4.0 USTA/Volvo League player and describes herself as a professional volunteer.

In Birmingham Marty is well known for her involvement in local tennis programs. She is the administrator of the Ladies Interclub League and was the co-director of the 1989 Men's Satellite Pro-Circuit Tournament that raised over \$2,500 for the USTA Schools Program. She was also co-director of a series of six junior novice tournaments in the fall of '89 and is the assistant coach for the Catholic Girl's High School Tennis Team.

This award is presented to an individual nominated from each District of the Southern Tennis Association in recognition of outstanding volunteer service to the United States Tennis Association and its tennis programs and services throughout the community. ## Sheffield & Lewis Head USTA Schools Program

### USTA Schools Program

Helping schools give all of their students an exposure to the life long benefits of tennis is the basis of the USTA Schools Program. The component parts of the program include school assemblies, in-service teacher training, a step-by-step curriculum, facilities in the school yards, equipment, Short Tennis intramurals, and follow-through summer programs. One of the reasons the program is so exciting, is that it can bring many segments of the community together. Local tennis leaders, the superintendent of schools, the director of the parks and recreation department, and USTA district and sectional leaders.

Since taking over the reigns of the program in July, John Sheffield and Darryl Lewis, the STA Directors of the USTA Schools Program and Junior Recreational Tennis, have committed to providing more follow through programs in order that the player base touched by the efforts in the

schools, will continue to play. Teaching professionals throughout the Southern Tennis Association are volunteering to assist with the program in the form of old racket collection at their clubs, assisting teachers in their Physical Education classes, and through their involvement in the USTA National Junior Tennis League, the USTA Junior Team Tennis, and the STA Domino's Pizza Teamtennis.

### 1989 USTA Community Service Awards

Henry Harris of Natchez, Mississippi, and Lloyd Dillon of New Orleans, Louisiana, were two of six recipients of the 1989 USTA Community Service Awards presented during the USTA Recreational Leadership Workshop which took place October 26-29, 1989 in Washington D.C.

Henry Harris is the assistant recreation director for the city of Natchez. He has implemented

the USTA Schools Program and the USTA National Junior Tennis League. Since 1977, 20 youngsters involved with the Natchez USTA/NJTL chapter have gone on to college on tennis scholarships. Harris serves as the Mississippi State Coordinator for Special Olympics Tennis. He was also named U.S. Professional Tennis Association "Pro of the Year" for the state of Mississippi.

Lloyd Dillon is a physical education teacher at John Q. Adams Middle School in New Orleans, Louisiana. He has worked extensively to implement tennis programs for disadvantaged youth, unwed mothers, battered wives, the homeless and elderly individuals. USTA Area Training Centers are designed to supplement local public and private development programs by offering expanded competitive opportunities, innovative training assistance and reliable sport science-based information and assessment. The secret to producing champion

athletes has proved to be effective one-on-one coaching and endless hours of volunteer work by dedicated personal coaches. Recommendations for adjustments in stroke technique, match strategy or training regimen will be made in consultation with the personal coach.

A team of scouts will select 20 of the most promising players to train at the ATC for 50 hours with some of the top teaching pros from the ATC's geographical boundaries. Scouts will use a mixture of results from bona fide competition and an assessment of talent to select the players.

# Junior Endorsement Information & Check-Off List

This letter contains some important information and it would be advisable for all juniors who hope to be endorsed or ranked in 1990 to read it carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

**STA Rules & Regulations & Ranking Requirements** — Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them *CAREFULLY*. The 1989 STA and District rankings are printed in this issue also.

**Summer Tournament Schedule** — The summer tournament season will be here before you know it and it is time to begin making your plans. At the end of this letter you will find a list of all USTA National Championships and Zonal Championships, which require endorsement in the format of a check-off list for you to clip out and mail to your age division endorser. If you feel that your record will put you in contention for endorsement to any Zonal or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/90 through the present. All Zonal and/or National entries, except for 14 Zonals, will be distributed at the Southern Closed.

**USTA Player Record Form** - Printed on Page 86, you will find a USTA Player Record Form. Please use this form. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE-USING **BLACK** ink and remember to get your parent's signature. ALL PLAYERS HOPING FOR ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY ARE HOPING TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONAL OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

**National Entry Forms** — (The USTA uses a standard entry form for each of the USTA National Championships.) Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

- 1 Fill out all entry forms and player record forms in **BLACK** ink.
- 2 Make check payable as indicated on the fact sheet.
- 3 Never send your entry directly to the tournament. It **MUST** be first signed by your endorser.
- 4 Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
- 5 Send a copy of your USTA card.
- 6 Be sure to let your endorser know how to reach you during the endorsement process.
- 7 If possible, indicate your travel and housing plans on your entry form. If you do not know that information at the time you return your entry form, it is your responsibility to handle this.
- 8 Return with each entry form a **self-addressed**, stamped envelope for your endorser's use.
- 9 Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

**National Tournament Deadlines** — The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your *Endorser's* deadline. Please return your completed entry form and player record form to your endorser **AT LEAST 10 DAYS PRIOR TO THE TOURNAMENT DEADLINE** to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

**Alternates:** The STA guaranteed quota for all National Championships is sixteen (16) players. When you accept entry to one of the National tournaments, it is your

responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

**Entry Fees to the Nationals (August 5-11):** The STA will pay the entry fee for all players accepted into the draw at THE Nationals. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in-quota, the checks for those players will be returned. Those players listed on the endorsement sheet as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

**Your STA Endorser/Ranker:** At the end of this letter is a list with addresses of the eight junior endorser/rankers for 1990. Please establish early communications with your endorser/ranker and start by filling in the following form and mailing it as soon as your plans are complete but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age divisions endorser/rankers.

Review carefully the waiver provisions printed in Article V, B, 3 of the STA Rules and Regulations in this **SOUTHERN TENNIS** Yearbook. Keep in mind that with the exception of the 14 Zonals you **MUST** meet the requirements of Article V, paragraph B-2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

**Special Events:** There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays all expenses. Among these are the three intersectional team championships as follows:

- 1 Boys and Girls 16 in Midlothian, VA, July 8-14 for which the STA selects a team of six to eight (3-4 each BG16). The STA team is six-time defending champion.
- 2 Boys' 18 Intersectionals in Columbia, SC July 29 - August 1, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship three of the last five years.
- 3 Girls' 18 Intersectionals in Rancho Solano, CA, July 31 - August 4, for which the STA selects a team of up to eight players in the G18/16 group. The STA won in 1985, 1987, and 1988.

Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached with this letter.

**USTA Yearbook:** In addition to reading the Southern Tennis Yearbook carefully, we would like to urge each of you to purchase an official USTA Yearbook. You may order one by sending a check for \$10.50 to USTA Publication Dept. Center for E&RT, 707 Alexander Rd., Princeton, NJ 08540. In addition to reading the rules and regulations, you will find it beneficial to read: Article II - Conditions Governing players; Article VI - Ranking Regulations; Article VII - Standards of Conduct; Special USTA Championships Tournament Regulations.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents'. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. To that end, the STA has established a Sportsmanship Award of a lifetime USTA membership for each of the age divisions in the Southern Closed Championships. **Exhibit the best in sportsmanship on and off the court.**

Following is the list of tournaments that require endorsement. Please check the tournaments that you would like to play, and only those, if you are both eligible and endorsed and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each entry form in response to this letter. Entry forms for all Nationals and 12 Zonals (except 14 Zonals) will be given out at the Southern Closed. 14 Zonal applications will be sent out prior to the Southern Closed as selection will probably be made before the Southern Closed. Please be certain to return this form to your endorser.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

**DO NOT RETURN THIS FORM TO YOUR ENDORSER UNLESS YOU FEEL CERTAIN YOU WILL BE IN CONTENTION FOR ONE OF THE SIXTEEN QUOTA GUARANTEED FOR STA JUNIORS 32 FOR 12 ZONALS**

## Daily Playing Limitations For Adult Tournaments

The STA at its Annual Meeting in January 1990 reviewed the below chart of Daily Playing Limitations and approved its dissemination in this Yearbook as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT AT THIS TIME ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are intended to

assist the tournaments in scheduling and promulgate a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates.

Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament within its

sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

## Daily Playing Limitations For Junior Tournaments

The STA at its Annual Meeting in January 1990, reviewed the below chart of Daily Playing Limitations and approved its dissemination in this Year-book as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT, AT THIS TIME, ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are

intended to assist the tournaments in scheduling and promulgate a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A minimum rest period of at least 1 hour is required between two singles matches. A minimum rest period of one hour will be required between a singles match and a doubles match or two doubles matches. Should a player be involved in a lengthy match which runs into late evening . . . it is STRONGLY SUGGESTED that this player be given a minimum of 12 hours before their first match is scheduled the next day.

(d) **SPLIT SETS REST PERIOD** - Boys 18 Division is allowed no rest period, except under certain

conditions when the Referee, in his independent judgement, may permit a 10 minute rest period. Girls 18 & Boys 16 Divisions are allowed an OPTIONAL rest period of 10 minutes, and it may be allowed at the request of either player or doubles team. Girls 16, 14 & 12 and Boys 14 & 12 Divisions MUST take a 10 minute rest period before the third set.

(e) **LIGHTS** - Play under lights will be allowed in accordance with the following provisions: No match will begin after 7:30PM for all age categories. . . EXCEPT the 18 & 16 Divisions may be allowed to begin as late as 8:30PM during the months of May thru September.

NOTE: For your information, the USTA recently adopted the following "Special Scheduling Limitations" for 14 and 12 tournaments on the National Junior Tournament Schedule:

- No match shall start or be resumed after 8PM, and
- No player shall play more than two singles matches, OR one singles and two doubles matches, OR three doubles matches in any one day.
- All competitors shall be given a minimum of twelve hours rest between the completion of play of their last match of any day and the commencement of play of their first match of the following day.

## Thank You, Randy Chamberlain

*Randy Chamberlain's efforts to conceive and implement the idea of providing free tennis clinics to the Charleston youngsters after the destruction of hurricane Hugo was brilliant. Also, many thanks to tennis organizations and companies that contributed to this relief effort. In what was a most depressing situation, Randy Chamberlain was able to create a positive experience when it was most needed as all the schools were closed for several weeks after*

**Alabama Tennis Foundation** is now accepting contributions. Your contribution is tax deductible. These funds are used to promote tennis at every level and will be used by no individual or club for profit. Only because of the Foundation are we able to support our Tennis Hall of Fame, our Jr. Davis/Wightman Cup teams, the USTA/Volvo teams, the Selma Play-offs and our Schools programs. Now, for just the price of a typical motor inn, enjoy the consistent quality and special treatment you'd expect to find at a hotel costing twice as much.

At Courtyard by Marriott, you'll relax in a spacious room or suite with a big, comfortable bed (most are king-size) and separate seating area. Feel your spirits revive in our friendly lounge... enjoy the plentiful breakfast buffet in our full-service restaurant. Swim to your heart's content in our crystal-clear swimming pool — and don't forget the indoor whirlpool and exercise room.

Stroll in our beautiful courtyard... or maybe you'd rather watch Cable TV, complete with free HBO movies and free ESPN sports.

Whatever your pleasure, come see for yourself why people love... "A special little hotel at a very comfortable price."

## SOUTH CAROLINA GIRLS WIN WIGHTMAN CUP COMPETITION

1989 SC Junior Wightman Cup Team: Left to Right...Larry Rizzo, Susan Culik, Christi Faustmann, Janice Durden, J.C. Biber, Mary Nelson, Melissa Odom, Chris Leonard and Vanessa Brill.

The South Carolina girls team, coached by Larry Rizzo, won their competition. After finishing second in 1988 with a 2-1 record, the lady Sandlappers won the team title with an identical 2-1 record in '89. The girls lost their first match to Tennessee by a 4-5 score, but rebounded to defeat Georgia 6-3 and North Carolina 8-1. After defeating South Carolina, Tennessee lost badly to Georgia. South Carolina was declared the team champion based on the number of matches won.

1989 SC Junior Davis Cup Team: Left to Right...Mike Sprengelmeyer, Brian Marchant, Mitch Sprengelmeyer, Mark Necaie, Ben Book, Mark Janasik, Ron Davis, Ryan Hudson, Chuck Waldron.

The Junior Davis/Wightman Cup competition between South Carolina, North Carolina, Georgia and Tennessee was held at the Rod Laver Tennis Center on Hilton Head Island September 29 thru October 1. South Carolina has hosted this 4-state intra-sectional play for the past seven years. Lucy Garvin again served as tournament chairman and referee. Glidden was the major tournament sponsor.

Players may lose individual matches won during team matches in which they competed and were deemed ineligible. Any additional penalties that may be imposed because of a player's ineligibility, including, but not limited to loss of matches due to incorrect order of strength, shall be determined by an appropriate Grievance Committee.

Vertical bar indicates changes from last year.

### APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

### I. Quota System for Entry to Southern Junior Closed Championships

#### A. General.

The draw in every age division of the Southern Junior Closed shall be 128. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure to play is attributable to a bonafide reason, such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution

of entrants, each of the nine Districts (State) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

#### B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

| <b>KENTUCKY</b><br>Quota: For 128 Draw-8<br>Ann Lawrence  | The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. 12 Zonals will include 32 STA boys and 32 STA girls. 14 Zonals will include 16 STA boys and 16 STA girls.

To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament in the age division for which applying for endorsement. Participation in the Southern Closed in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
- b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.
- c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will strictly adhere to the following guidelines in considering waiver requests:

- a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient continued competitiveness to justify a waiver.
- b. If an individual wishes to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer, he will be waived and endorsed at the discretion of the endorsers.
- c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
- d. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article V.B3. Waivers will be granted or denied by majority vote of the committee unless otherwise provided for in the waiver provisions.

- e. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

#### C. Application Procedure:

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota will receive entry blanks promptly. Others, where there is doubt, may have to wait until later, even as late as the Southern Junior Closed, to receive an entry blank from the Endorser or a representative.

#### D. Entry Procedure

1. When you receive an entry blank to any USTA Championship, it may also include:

- a. Player Record Forms-complete it with every sanctioned singles match in the Division (age group) played since January 1, 1990. Same with Doubles with same partner you intend to enter with in this USTA Championship.
- b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Chps. or to the STA Office.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection.)

3. If you are in quota and must withdraw, advise the USTA Chps. immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action and certainly embarrassment to both you and the STA.

#### E. General.

The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

### VI. Ranking Regulations

#### A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may only be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. An "Alphabetical" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players thus ranked will be ranked alphabetically.

8. Ranking Appeals. Tentative rankings will be published in early January and will always be published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season

tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

#### B. Adult

1. Minimum Requirement. **Playing in any USTA National Championship does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements.** The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

- a. Men's Singles: One Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.
- b. Women's Singles. One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own district, but inside the Southern Section.
- c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.
- d. Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open\* and the Southern Closed\*.
- e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open\* and the Southern Closed\*.
- f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 35 Mixed doubles

Note: \*1990 Men's Southern Open in Jackson, MS and 1990 Women's Southern Open in Memphis, TN. The 1990 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Isle of Palms, SC for odd divisions.

#### C. Junior.

1. Minimum Requirements. **Playing in any surface or the Nationals does not count towards minimum STA ranking requirements.** The minimum number of tournaments required prior to consideration for STA ranking for Boys' and Girls' 18-12.

- a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirements.
- b. Doubles: One (1) Southern Championship (Open or Closed) and two other tournaments held in the Southern Section.

#### D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over a player or team that is eligible.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

### VII. Tournament Rules and Regulations

#### A. Rules

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules

and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 707 Alexander Rd., Princeton, NJ 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

#### B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.
- Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first four players representing the same District Association. If possible, the Draw should also avoid two players from the same district meeting in a first round match.
- See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.
- Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.
- All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.
- It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.
- Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble-spots and, by their presence, can sometimes solve problems immediately.

#### C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is

accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

- No loud, abusive, or profane language, and no racket-throwing or slamming balls shall be allowed.
- In regard to stalling, the rules of continuous play are quite clear: "No allowance may be made for natural loss of physical condition . . . Not even momentary 'rest' other than the normal toweling-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for toweling-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. Players must take care at all times not to interrupt play or to distract opponent in any way.
- No player or players will make a comedy of a match, whether they be winning or losing.
- Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
- Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.
- Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Association for any further disciplinary action deemed suitable.
- In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.
- Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.
- Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.  
Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Disciplinary/Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances is printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

#### VIII. USTA/Volvo League Tennis Program

The USTA/Volvo League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA/Volvo League play.

#### IX Amendments

These Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority of the members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

A vacancy for any cause on the Nominating Committee prior to the filing of its report shall be filled by the Management Committee by appointment of a person representing the same District Association as represented by the person unable to serve. The Nominating Committee shall make nominations for Officers, Sectional Delegates, Delegates-at-Large, and members of the Nominating Committee to be voted on at the next following annual meeting of the members of the STA. It shall file such nominations on or before November 15 of each year with the Secretary and notice thereof shall be mailed to each District Association within 10 days of receipt by the Secretary and with the notice of the annual membership meeting. If, prior to the annual membership meeting, any person so nominated dies, becomes incapacitated, or declines to accept nomination, the vacancy in the nominations may be filled by the Nominating Committee and the name of such persons as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly selected for such purpose by the Nominating Committee. In addition to nominations made by the Nominating Committee, nominations for Officers, Sectional Delegates, Delegates-at-Large, and for members of the Nominating Committee, may be made by petition executed by District Associations having an aggregate vote of not less than one-third (1/3) of the total voting membership, which petition shall be filed with the Secretary of the STA by November 15 of each year or within thirty (30) days from the date notice is sent to the Membership of the slate submitted by the Nominating Committee. A notice of the names of such nominees and their proposers shall be mailed to each District Association within ten (10) days of receipt by the Secretary and shall be mailed with the notice of the annual meeting or any supplemental notice of the annual meeting if a notice has been previously mailed. If the Nominating Committee fails to submit its slate by the November 15 deadline then the filing requirements pertaining to proposed slates of Officers, Sectional Delegates, Delegates-at-Large, and for members of the Nominating Committee shall be waived except that the slate of the Nominating Committee shall be submitted to the Secretary of the STA at least forty-five (45) days prior to the Annual Meeting and any counter-slate shall be submitted within fifteen (15) days thereafter. In the event of a counter-slate to that proposed by the Nominating Committee, a vote will be taken at the annual meeting by the membership on a slate versus slate basis. No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

The Disciplinary/Grievance Committee shall be composed of three (3) persons named by the President with the approval of the Management Committee and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional member of the USTA, and the standards of conduct, fair play, and good sportsmanship. The Disciplinary/Grievance Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Disciplinary/Grievance Committee, charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules and regulations of the STA or of the USTA, or the standards of conduct, fair play, and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules and regulations of the STA and USTA, then the Chairman shall have the power to fine such person in such amount, not in excess

of \$1,000.00, and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Disciplinary/Grievance Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.

- (b) Within thirty (30) days after receipt of a written notice of the decision by the Chairman or Vice-Chairman of the Disciplinary/Grievance Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Disciplinary/Grievance Committee. Upon receipt of such a request, the Chairman of the Disciplinary/Grievance Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary/Grievance Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary/Grievance Committee shall promptly notify the person penalized of its decision.
- (c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary/Grievance Committee and have the Disciplinary/Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary/Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.
- (d) Any appeal from a decision of the Disciplinary/Grievance Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary/Grievance Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary/Grievance Committee. The Management Committee shall not be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary/Grievance Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary/Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.
- (e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary/Grievance Committee.
- (f) All action of the STA Disciplinary/Grievance Committee shall be reported to the USTA Grievance Committee and any other bodies or individuals deemed necessary by the Board of Directors.

42. The Sanction & Schedule Committee shall be composed of a Chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to reelection or reappointment as the case may be, for a one-year term or until their successors are named.

45. The following shall constitute a quorum for the transaction of business for the following named committees: *Management Committee* — not less than two-thirds (2/3) of its members; *Nominating Committee* — not less than three-fifths (3/5) of its members; *Disciplinary/Grievance Committee* — not less than two-thirds (2/3) of its members. A quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.

46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees by mail.

47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days' written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

48. Any action required or permitted to be taken at any meeting of any committee, other than the Disciplinary/Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.
