About the cover: This year's cover has been designed to emphasize the STA's winning ways, through the efforts of Team Southern. Pictured is the Dewitt Redgrave III trophy, awarded to the top ranked Southern Juniors. Readers will undoubtedly notice the large number of balls on this year's cover, which were kindly donated by Wilson Sporting Goods. Readers are invited to send in a guess as to how many balls were used for the cover shot. A valuable prize will be awarded by Wilson to the reader who sends in the closest guess by July 4, 1991. Entries should be sent to Team Publishing, and we will contact the winner.

While composing an article for our district yearbook I recently had occasion to do some research on the STA which was quite revealing. Although the first Southern Championship was played in 1886, the STA as we now know it was officially chartered in 1973 replacing the old Southern Lawn Tennis Association. In 1973 the STA membership included 8851 individuals and 344 clubs. Seventeen years later (1990) our membership is comprised of 83,441 individuals and 990 clubs, rather startling statistics to say the least.

But these are only numbers – albeit most impressive. The real story of the STA, the chronicle of how these numbers came to be, lies in the countless number of dedicated volunteers who are involved in tournaments, leagues, foundations, grassroot programs, and all aspects of recreational tennis. It is these individuals supported by an extremely competent and motivated central office force and network of nine superbly managed district offices and a budget in excess of 1.7 million dollars that make the STA the pre-eminent organization that it is.

It is indeed an honor to serve as President of such an organization. Although the responsibilities of leading the STA are considerable, I am indeed fortunate to have a Management Committee which is experienced, capable, and unified. I feel quite confident that we have the expertise to deal with the problems that will confront us in the year ahead. The STA is currently the largest section in the USTA. Your Management Committee is pledged to do whatever is necessary to ensure that we maintain this prestigious position. With the support of our membership I am confident we will not only maintain, but will achieve in the 90's an unequalled record of growth and excellence.

Second Serve

Welcome to the 1991 edition of the STA Yearbook. The STA is striving to continually improve on this valuable information guide for its members. The district and

sectional staff have done an outstanding job gathering information included in this yearbook. Each household in the STA has been mailed a copy and additional copies can be purchased for \$5 by sending a check to the STA office.

1990 was a banner year of growth for the STA as 11,996 new members were added to our rolls. Junior membership increased over 4,000, the first significant escalation in many years. The nine district organizations that constitute the STA added new staff in 1990 and this addition will certainly benefit each member.

Looking ahead to 1991, the promotion and implementation of mixed doubles leagues will carry a primary focus. Junior league tennis will also be on the front burner as new areas are introduced to these programs. All of our other programs will continue to be serviced in an ever improving manner.

On behalf of the staff, I wish to express our gratitude for being able to service tennis in our section, as our volunteers are the finest anywhere.

Tommy Bartlett

Roscoe Tanner

Thomas George Bartlett has risen to the top of two sports, basketball and tennis, both as a participant and as a coach. He was born in Homerville, Georgia in 1928. During his high school career he won several academic honors and participated in football, basketball, track and tennis.

At the University of Tennessee, Tommy continued his outstanding academic record, and began to concentrate his athletic abilities on basketball and tennis. His success can be summed up by simply revealing two facts: he was captain of both the basketball and tennis teams at UT, and he never lost a college singles match.

After graduating, Tommy served in the Marine Corps between 1946 and 1948, and was later in the U.S. Army Reserve. In 1952 he began his basketball coaching career at Dandridge High School, where his boys' and girls' teams had a 41-9 record. Over the next 15 years he coached basketball and tennis teams at the University of Tennessee and the University of Tennessee-Chattanooga and basketball at the University of Florida where his teams compiled a basketball record of 477-159 for a 76% winning rate. Tommy continued his tennis coaching a career at the University of Tennessee-Chattanooga, where his men's and women's teams compiled an overall record of 579-92 for a winning percentage of 86%.

While coaching, Tommy also held positions at several prestigious tennis facilities, including the Chattanooga Tennis Club, Cherokee Country Club (Knoxville) and Manker Patten Tennis Club (Chattanooga). Throughout his career, Tommy has been recognized by fellow coaches and fellow players as an outstanding competitor, winning these honors among many others: National U.S.P.T.A. Coach of the Year (1982, 1983, 1987); U.S.P.T.A. Pro of the Year (1980, 1985, 1988); U.S.P.T.A. Player of the Year (1979, 1983, 1984, 1985, 1986, 1988). Additionally, he has held several important offices in the tennis world, including President of Florida U.S.P.T.A., Regional Vice President U.S.P.T.A. and member of the NCAA Selection Committee.

In addition to coaching other people how to do it, Tommy can do it himself, as evidenced by the 27 national championships, 35 Southern Tennis championships and 60 state tennis championships that he's won over the years. Among his national achievements are the Men's "45" Doubles Championship (1975, 1977, 1982, 1987) and Men's "55" Singles Championships (1983, 1984, 1985, 1988, 1989). In March, 1989 Tommy's teams (in tennis and basketball) went over the 1,000 win mark.

Tommy says he is "enjoying the accomplishments of the young players that surround me more than ever, and give all my thanks to those who have helped me through my life and athletic career." Tommy lives in Chattanooga with his wife, Essie, and has three grown sons, Thomas III, William and Michael.

Roscoe Tanner was born in Chattanooga, Tennessee in 1951. While attending The Baylor School there, he began to make his mark on the game of tennis. By 1969 he was ranked number one in the 18 and under class for the entire U.S.

After an outstanding record as a junior player, Roscoe enrolled at Stanford University. While at Stanford, he earned these honors: All American Tennis Player in 1970, '71, and '72; Runner Up in NCAA Singles in 1970, and '71; NCAA Doubles Champion in 1972; U.S. Amateur Indoor Champion in 1970; and U.S. Amateur Champion in 1971. In 1972 Roscoe turned pro, where over the course of his 10 year career he won 15 major championships and was runner up in 25 major tournaments. His record in Grand Slam events stands at 90-33. Among his Grand Slam highlights are winning the Australian Open in 1977 and finishing second at Wimbledon in 1979. Roscoe was a semi or quarterfinalist in five U.S. Opens and four Wimbledon meetings. Among the championships that Roscoe Tanner has won are these: WCT/Denver in 1974, The Alan King Classic in 1975, Fireman Fund's Open in 1976, the Japan Open in 1976, the Volvo Tennis Classic in 1979 and the U.S. Pro Indoor in 1981.

There are nine others to his credit. Included in the 25 major tournaments in which Roscoe was the runner up are these: the Pacific Coast Open in 1972, the American Airlines Open in 1976, the Benson & Hedges Indoor Open in 1976, the WCT Challenge Cup in 1977, the U.S. Pro Indoor in 1978 and the Bristol Grass Court Open in 1981.

At the same time Roscoe was performing so well on the Pro Tour, he was also representing the United States in Davis Cup play. In 1981 Roscoe was a key player on our country's championship team. He also played on the U.S. team in 1976, '77, '79 and '80. During 1981 he was also the WCT Tour Champion.

Helping him accomplish the feats mentioned here was Roscoe's intimidating serve. It was a weapon he used throughout his career, while "coasting" through a match and at key turning points. While today's pros are credited with having fast serves if they achieve a speed of 125 miles per hour, Roscoe's fastest serve was clocked at 153 MPH, a record that still stands.

Roscoe's involvement with tennis facilities includes serving as the Touring Pro for Big Canoe in Atlanta (1972-74), Kiawah Island (1974-82) and Tops'l Beach and Racquet Club (1983-88). Additionally, he's helped in the design and development of several clubs, including La Quinta Hotel Tennis Club, Kiawah Island Racquet Club, and Tops'l Beach and Racquet Club.

In recent years Roscoe has added color and insight as a Tennis Analyst on ESPN. Much of his time these days is spent as Director of Tennis at the Sherwood Country Club in Thousand Oaks, California. One of his goals there, says Roscoe, is to make tennis members more important than the golf members, a formidable task for some, but not for a man who has accomplished so much in tennis at such a young age.

And while the kids are just down the hall in our childcare center, you can enjoy an invigorating massage and a steam, meet your personal trainer in the restaurant or pick up something in the latest workout colors at the Pro-Shop.

STA Annual Awards

JACOBS BOWL AWARD

The Jacobs Bowl is awarded annually for overall contribution to Southern tennis. The 1990 award was presented at the STA Annual Meeting to William Lufler who aided in the establishment of the Tennis Clinic concept in America under Dr. William P. Jacobs, for whom the award is given.

The highlights in Lufler's long career in tennis began in 1937 when he was the tennis coach at Presbyterian College in Clinton, S.C. It was there that he became acquainted with Dr. William Jacobs and worked to establish the Tennis Clinic idea, which was a first in this country. That work with Dr. Jacobs led to Lufler becoming the Director of the National Model Tennis Clinic of the United States Lawn Tennis Association from 1937 to 1943.

During his years at Presbyterian, Bill Lufler not only coached tennis during the school year, but spent the off-season working at a number of well known clubs including the Charlotte Country Club in North Carolina, the St. Petersburg Tennis Club in Florida and the Piedmont Driving Club in Atlanta.

From 1948-'57, Lufler's coaching career carried him to the University of Miami where his teams amassed an outstanding record of 148 wins and 2 losses. The Miami teams were ranked

number one in the U.S. on four occasions.

During his tenure at Miami, Bill Lufler became involved with tennis in Sweden and was named National Coach and Trainer for the Swedish Lawn Tennis Association in Stockholm. It was there that he was advisor to the Swedish Davis Cup and King's Cup teams and headed a country-wide system of tennis development with emphasis on training instructors and junior players. For his work in Sweden he received the Pennant of the Swedish Lawn Tennis Association from King Gustav VI for his success in raising the standard of tennis in Sweden.

Lufler continued to work with the Swedish program until 1961 at which time he turned his attention to a career as tennis professional. Since then, Bill Lufler has taught or directed tennis at the West

Side Tennis Club in Forest Hills, N.Y., and the Henry Hooker estate in Nashville, Tennessee. He is presently employed as a tennis professional at the Safety Harbor Spa and Physical Fitness Center in Safety Harbor, Florida.

For his many years of service to the sport of tennis Bill Lufler has won numerous awards. He was named to the National Intercollegiate Tennis Hall of Fame and the University of Miami Hall of Fame. He was recognized with the USTA National Education Award in 1968, the Marlboro Trophy as "Goodwill Ambassador of Tennis" in 1960, the Distinguished Professional Award of the USPTA and TENNIS MAGAZINE, and the Doc Webb Trophy in Florida for the "Greatest contribution to tennis."

Chattanooga Tennis Association

MEMBER ORGANIZATION OF THE YEAR

This award is given annually to a member organization of the STA, chosen from the nominations of the nine Districts, to recognize outstanding service to the local tennis community, to the organization members, and, in general to the game of tennis.

The 1990 winner of the Member Organization of the Year Award is the Chattanooga Tennis Association. Formed in 1978, the CTA brought tennis players in the greater Chatta-

nooga area together for the purpose of developing junior tennis players, educating players and the public in the conduct of the sport, and in promoting friendly competition.

From the original 50 members, the association has grown to its current membership of over 2,000 and now touches almost every aspect of tennis in Chattanooga and surrounding areas.

During 1990, the Chattanooga Tennis Association supported junior tennis by backing the Tennessee Junior Qualifying for 16 & 18 year olds, the USTA Junior Spring Tournament, the City Closed and the Roscoe Tanner Junior Tennis Camps and League Program.

Scholarships were given to needy youngsters to attend the camp, and rackets and balls were furnished as needed. Equipment and support was also given to the USTA Schools Program in both the Chattanooga City and Hamilton County Schools.

CTA was also very active with adult tennis programs with its support of both local and USTA League play. Over 800 players participated in the local leagues while 11 of the 20 teams representing Tennessee at the Sectional Tournament in New Orleans were from Chattanooga.

For 1991, the Tennessee Tennis Association, in conjunction with the CTA, has been awarded the bid to hold the USTA National Tennis League Southern Sectional Championships. The tournament, which will be the largest tennis event in Tennessee's history, will be held July 17-24. Local CTA members will serve as hosts and volunteers.

Stanley H. Cocke Family

FAMILY OF THE YEAR

The Family of the Year Award is presented annually to a family that has been outstanding in its promotion of tennis in the STA. The 1990 award goes to the Stanley Cocke Family of Asheville, North Carolina.

The Stanley Cocke Family epitomizes what is good about the game of tennis. They are not just players, but supporters and promoters of the sport. While they have no national championships, they are always there locally and state-wide to help make

tennis the great game that is enjoyed by millions.

Mrs. Francisca Cocke, age 82, was at one time an active tournament player and served as Assistant Referee for the popular North Carolina Open Tennis Championships which ran from 1950 to 1968. She was also an active "Tennis Mom" and "Tennis Grandmom", as she took her son (now 49 years old) and her grandchildren (now 20 and 18 years old) to tournaments across North Carolina.

Son, Stan Cocke, is following in his mother's footsteps as an active supporter of tennis. Well known in the state for his tournament play as a junior, he played college tennis at the University of North Carolina and is today ranked #6 in Men's 45 Singles in N.C. Both Stan and his wife, Annette, have joined in the family tradition of service to the game as well as tournament competition.

Stan, Jr., 20 years old and formerly ranked #8 in N.C., played on the Asheville High School varsity team for four years. During his senior year, the team won the State High School Championships. He is now playing on the UNC-Charlotte tennis team and worked as tennis court supervisor for the Buncombe County Parks and Recreation Department at Aston Park while on summer break.

Susan Cocke, 18 years old, is also a tournament player. She played the #1 position on her high school team in her senior year and supervised the Pee-Wee Boy's and Girl's Tennis Clinics at the Asheville Racquet Club. She also took over her brother's job as Tennis Supervisor at Aston Park.

STA Player Development Program

by Bill Ozaki, Director of Player Development

1. What is an area training center (ATC)? An ATC is a 50-hour training program designed to supplement local public and private development programs using the latest coaching and sports science applications. The target ages for the ATC players is 12-15.
2. How do I get selected? A team of scouts selects the 20 ATC players based on an overall assessment of their results, sportsmanship, potential, and work ethics.
3. What should I do? As a parent, give your son/daughter continued support, emphasizing sportsmanship, and be in contact with your District PD Chairperson (names and addresses in the book). Players should continue to work on proficiency in all areas of the court and should maintain contact with the Head Scout by sending them their player record prior to the September selection process.
4. Does my son/daughter need to play certain events? The Scouts and Coaches will be observing potential ATC participants at most major District events year-round, but primarily throughout the spring and summer seasons.

Currently, there are 18 ATC's operating in the STA. Listed below and on the next three (3) pages are the sites and personnel for the ATC's.

Schools Program

STA is Big on E&R

By John Sheffield & Darryl Lewis

USTA Schools Program

Approximately 3000 rackets and 600 curriculum guides and posters donated by the USTA and an additional 700 rackets donated by the districts were given out at approximately 60 teacher workshops across the Southern Section in 1990. These workshops and an additional 50 motivational school assemblies and countless organizational meetings were conducted throughout the year by local volunteers, district and sectional staff, and USTA clinicians. It is estimated that these and past efforts now bring tennis instruction to 1.5 million children in Physical Education classes in the 4-8th grades across the STA.

After-School and Summer Programs

USTA/NJTL is a low-key, low-skill level instructional, fun and competitive program for children of a wide age and economic range. There are over 13,000 kids participating at 240 sites in 41 cities and towns across the STA.

USTA Junior Team Tennis is an alternative program of competition for juniors of a somewhat higher ability level that incorporates both volunteer and professional coaching and USTA membership for its players. Both USTA/NJTL and USTA Jr. Team Tennis are offered free T-shirts and free training for volunteer and staff helpers from the National and Sectional Staff.

Adaptive Tennis Education

The STA field staff and clinicians are becoming increasingly involved in programs for the mentally and physically impaired athletes, training educators in tennis leader recreational workshops and assisting with existing programs such as Special Olympics.

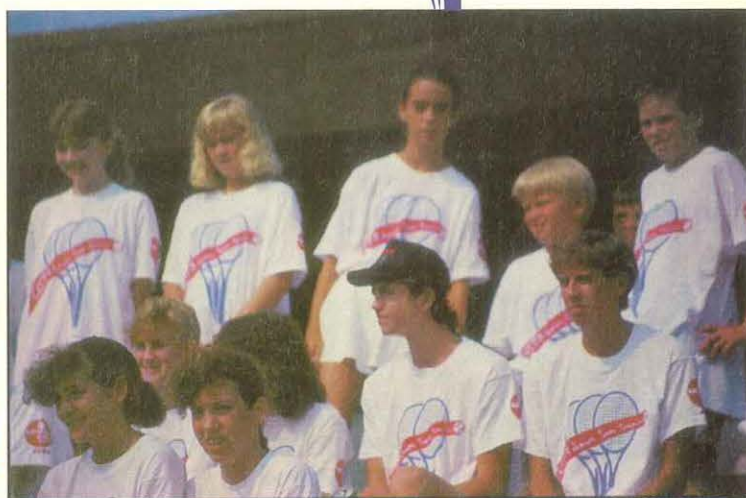

Organizing the Volunteer Network Locally

The STA believes strongly in the power of local volunteers (parents, players, pros, and lovers of tennis) to initiate, organize, and maintain great tennis programs. Groups of volunteers working together are known generically as community tennis associations. These associations can become official non-profit members of the USTA and thus gain national status and fund-raising power. Organizations of this type already exist in dozens of cities throughout the STA. They often specialize in running a certain program like the USTA Schools Program, a USTA adult league, or a USTA sanctioned tournament, but some of larger groups handle programs for all levels and ages of tennis players.

Grants to Get Some of these Programs Started

Seed grants are available each year to individuals and organizations who want to start a CTA, USTA/NJTL chapter, Schools Program, USTA Jr. Team Tennis League, instruction program for the handicapped, etc. Scholarships to tennis camps (who themselves paid half the tuition) are also available to deserving youngsters who are nominated by local volunteer leaders from USTA/NJTL, local parks, and school programs. In 1990, approximately \$5000 was given to worthy groups and individuals across the 9 southern states. For more information on funds available for 1991-92, contact either of the USTA Schools Directors in the STA office (404-257-1297) or request grant forms from the USTA E&R Center in Princeton, NJ (800-223-0456).

STA Junior Leagues

Made in the USA

To help further bridge the gap between recreational and competitive events, the STA promoted Junior Leagues across the Section. In the initial year, nearly 4,000 players participated in new and existing Jr. League Programs. Both USTA Jr. Team Tennis and the STA/Domino's Pizza TEAMTENNIS were well received, and in 1991 the STA will continue to provide Jr. Leagues in each and every city in the STA that wants to participate. T-shirts are given to all participants in these programs, as well as in other fun, participation-oriented events.

Matching the beauty of this special property is the high caliber of its offerings. The racquet club, one of the finest in the country, includes four outdoor clay courts with large viewing decks on each court, a clubhouse with pro shop, and a lounge with a special mountain flavor. Winter and inclement weather send players indoors to three courts with a large climate controlled viewing area.

Yonahlossee also boasts an equestrian area. An enclosed swimming pool, fitness center, and a small lake for swimming, fishing, and canoeing further enhance the experience. The resort's amenities, together with local skiing, golf, and hiking, make Yonahlossee a year-round destination.

Daily Playing Limitations For Adult Tournaments

The STA at its Annual Meeting in January 1990 reviewed the below chart of Daily Playing Limitations and approved its dissemination in this Yearbook as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT AT THIS TIME ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are in-

tended to assist the tournaments in scheduling and promulgate a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates.

Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament

within its sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

STA April 15, 1991 - March, 1992 Tournament Schedule

The following schedule for the nine Districts of the Southern Tennis Association covers the period from April 15, 1991 through March 1992.

Separate tournament schedules are available and will be sent to those requesting same on receipt of a check for \$2.00 made payable to "STA" and sent to the STA Sectional Office, 200 Sandy Springs Place, Atlanta, GA 30328.

If there are errors in any of the information contained in the tournament listings below, please notify the Sectional Office. Tournament personnel and Sanction/Schedule Chairmen should check dates, events and the correct mailing address for entry forms and tournament information.

The STA does not maintain entry blanks for any of these tournaments. They may be obtained by writing the Tournament Director of each tournament.

If your tournament does not appear in the listing below, it means your sanction form was not received in the Sectional Office by the deadline. Of course, when it is received it will be processed and included in the next publication.

In summary, try to finalize your tournament planning to complete processing your 1992 schedule as soon as possible.

Junior Endorsement Information & Check-Off List

This letter contains some important information and it would be advisable for all juniors who hope to be endorsed or ranked in 1991 to read it carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

STA Rules & Regulations & Ranking Requirements — Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them *CAREFULLY*. The 1990 STA and District rankings are printed in this issue also.

Summer Tournament Schedule—The summer tournament season will be here before you know it and it is time to begin making your plans. At the end of this letter you will find a list of all USTA National Championships and Zonal Championships, which require endorsement in the format of a check-off list for you to clip out and mail to your age division endorser. If you feel that your record will put you in contention for endorsement to any Zonal or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/91 through the present. All Zonal and/or National entries, except for 14 Zonals, will be distributed at the Southern Closed.

USTA Player Record Form - Printed on Page 45, you will find a USTA Player Record Form. Please use this form. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING **BLACK** ink and remember to get your parents' signatures. ALL PLAYERS HOPING FOR ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY ARE HOPING TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONAL OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

National Entry Forms—(The USTA uses a standard entry form for each of the USTA National Championships.) Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

1. Fill out all entry forms and player record forms in **BLACK** ink.
2. Make check payable as indicated on the fact sheet.
3. Never send your entry directly to the tournament. It **MUST** be first signed by your endorser.
4. Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
5. Send a copy of your USTA card.
6. Be sure to let your endorser know how to reach you during the endorsement process.
7. If possible, indicate your travel and housing plans on your entry form. If you do not know that information at the time you return your entry form, it is your responsibility to handle this.
8. Return with each entry form a **self-addressed**, stamped envelope for your endorser's use.
9. Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

National Tournament Deadlines—The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your *Endorser's* deadline. Please return your completed entry form and player record form to your endorser **AT LEAST 10 DAYS PRIOR TO THE TOURNAMENT DEADLINE** to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

Quotas and Alternates: The STA guaranteed quota is sixteen (16) for all National Championships, thirty (30) for 14 Zone Team Championships, and forty (40) for 12 Zone Team Championships. When you accept entry to one of the National or Zonal tournaments, it is your responsibility to

appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

Entry Fees to the Nationals (August 4-10): The STA will pay the entry fee for all players accepted into the draw at THE Nationals. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in-quota, the checks for those players will be returned. Those players listed on the endorsement sheet as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

Your STA Endorser/Ranker: At the end of this letter is a list with addresses of the eight junior endorser/rankers for 1991. Please establish early communications with your endorser/ranker and start by filling in the following form and mailing it as soon as your plans are complete but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age divisions endorsers/rankers.

Review carefully the waiver provisions printed in Article V, B, 3 of the STA Rules and Regulations in this **SOUTHERN TENNIS** Yearbook. Keep in mind that with the exception of the 14 Zonals you **MUST** meet the requirements of Article V, paragraph B-2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

Special Events: There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays all expenses. Among these are the three intersectional team championships as follows:

1. Boys and Girls 16 in Midlothian, VA, July 7-13 for which the STA selects a team of six to eight (3-4 each BG16). The STA team has won this event six times.
2. Boys' 18 Intersectionals in Columbia, SC July 28-31, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship four of the last five years.
3. Girls' 18 Intersectionals in Rancho Solano, CA, July 29-August 2, for which the STA selects a team of up to eight players in the G18/16 group. The STA won in 1985, 1987, 1988, and 1990.

Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached with this letter.

USTA Yearbook: In addition to reading the Southern Tennis Yearbook carefully, we would like to urge each of you to purchase an official USTA Yearbook. You may order one by sending a check for \$10.50 to USTA Publication Dept. Center for E&RT, 707 Alexander Rd., Princeton, NJ 08540. In addition to reading the rules and regulations, you will find it beneficial to read: Article II - Conditions Governing players; Article VI - Ranking Regulations; Article VII - Standards of Conduct; Special USTA Championships Tournament Regulations.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents'. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. To that end, the STA has established a Sportsmanship Award for each of the age divisions. **Exhibit the best in sportsmanship on and off the court.**

Following is the list of tournaments that require endorsement. Please check the tournaments that you would like to play, and only those, if you are both eligible and endorsed and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request an entry unless you are sure you will be free to play that week if in quota. You may or may not receive an entry form in response to this letter. Entry forms for all Nationals, 12 Zonals, and 14 Zonals will be given out at the Southern Closed. Please be certain to return this form to your endorser.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

DO NOT RETURN THIS FORM TO YOUR ENDORSER UNLESS YOU FEEL CERTAIN YOU WILL BE IN CONTENTION FOR ONE OF THE SIXTEEN QUOTA GUARANTEED FOR STA JUNIORS

BUILDING BLOCKS.

Sport science has become as critical an element in tennis success as sound strokes. Yet very little has been written on incorporating tennis specific sport science principles into practice sessions and match play... until now. The United States Tennis Association is pleased to present **SUCCESSFUL COACHING**, a publication tailor-made for tennis coaches and teachers.

SUCCESSFUL COACHING is a comprehensive introduction to sport science competency for tennis. It includes valuable information on developing a positive coaching philosophy; applying the principles of coaching assimilated from the fields of sport psychology, pedagogy and physiology; and using sport management skills effectively.

Written by Rainer Martens, founder of the American Coaching Effectiveness Program, and edited by USTA sport science experts, **SUCCESSFUL COACHING** will serve as the primary text for the USTA's Level I Sport Science Competency open book, take-home test in sport science knowledge for tennis coaches. The test consists of 100 questions; 80 must be answered correctly to pass. Since the purpose of the test is to improve sport science knowledge, coaches may retake the test until they receive a passing score.

To order **SUCCESSFUL COACHING** or the Level I Sport Science Competency Test, please complete the order blank below and send to the USTA Publications, 707 Alexander Road, Princeton, NJ 08540-6399, or call 1-800-223-0456.

TIME OUT FOR PIEDMONT HOSPITAL.

When the pro teams in Atlanta call time out for an injured player, chances are they're also calling Piedmont Hospital. Because the Hawks, Braves, and Falcons all send their seriously injured players to Piedmont Hospital first. In fact, it's Piedmont Hospital where the vast majority of Atlanta-area pro players go for any kind of sports-related medical procedures.

**EVEN YOUR
MINOR INJURIES GET
MAJOR LEAGUE TREATMENT AT
PIEDMONT HOSPITAL.**

But what about when it's *time out* for your sports injury? Where can you go to get the kind of treatment the pro players get? Fortunately you don't have to be a sports

superstar to receive Piedmont's quality care. Every year since the 1920's thousands of weekend athletes, serious amateurs and even couch potatoes have come to Piedmont Hospital for treatment of their injuries. So it's no wonder all Atlanta pro teams have also selected Piedmont Hospital orthopedic surgeons as their team doctors.

If you get a sports injury, make sure you get on the same team as the pros—the Piedmont Hospital team. To schedule an appointment in a non-emergency situation, dial our Physician Finder at 350-3556. Otherwise, come to our 24-hour Emergency Department

at Peachtree and Collier Roads or visit our Medical Care Centers in Brookhaven and Downtown during regular hours. Regardless of which you pick, you know you'll get "only the best" from the pros at Piedmont Hospital.

Piedmont Hospital Physician Finder 350-3556

When you're playing hardball, you need to know about Piedmont Hospital.

AMPLIFICATION OF USTA LEAGUE REGULATIONS FOR USE IN THE SOUTHERN SECTION

(Note: Paragraphs outlined herein are numbered from the USTA League Regulations, January, 1991 for reference.)

I. GENERAL.

F. OFFICIAL LEAGUE RATING PROGRAM. In USTA League Tennis play in the Southern Section, a player will only be given one approved NTRP rating. (See V., E., 5. of the Southern Tennis Association's USTA League Tennis Verification Procedures.)

O. ELIGIBILITY FOR PLAYERS.

INELIGIBLE PLAYERS. (The Local, District or Sectional League Coordinator in conjunction with the corresponding Local, District or Sectional Grievance Committee shall determine player eligibility as defined in USTA LEAGUE REGULATIONS pg. 3, I., O., 1. and 2.) Players may lose individual matches won during team matches in which they competed and were deemed ineligible. Any additional penalties that may be imposed because of a player's ineligibility, including, but not limited to loss of matches due to incorrect order of strength, shall be determined by an appropriate Grievance Committee.

III. LOCAL LEAGUES

H. COMPETITION FORMAT.

4. Team Lineups. All teams will field players in order of strength within the Southern Section. Strength sheets will be required at District and Sectional Championships. If it is determined from the strength sheet or by an appropriate Grievance Committee that a team has not fielded its players in order of strength, that team will lose individual matches for all positions that were affected.

An individual match is started when the first ball is put in play. Prior to the start of an individual match, if injury to, illness of, or disqualification of a player occurs and a substitute is available on site, the affected team has the right to substitute a player and both teams have the right to adjust their lineups in accordance with order of strength. After the start of an individual match, if injury to, illness of, or disqualification of a player occurs, the opponents will be awarded a forfeit for that individual match only. Note: In the event that a team match must be rescheduled because of rain, and the team match had begun prior to cancellation (i.e. - any individual match had begun), no adjustments to the team lineups will be allowed.

5. Player Participation. A player may play on only one team per local league season. Exception: If, during a league season, a player voluntarily moves to a higher level of play, he/she is not in violation of this USTA League Regulation but must meet the two match eligibility requirement at the higher level. Any individual match(es) won at the lower level cannot be considered a loss(es). A player may play on a Senior division team and an adult division team. (See Senior Division League Regulations.)

I. LOCAL LEAGUE CHAMPIONS.

3. In a local league where two league seasons are played, with a winner declared for each season, a player must have played two matches during the same league season in which his/her team qualified for further competition.

IV. AREA/DISTRICT, SECTIONAL, AND NATIONAL LEAGUE CHAMPIONSHIPS

D. COMPETITION FORMAT.

1. c. Games.

(1) **Default or Retirement.** A match which has begun and a player cannot complete is considered a default.

(2) **Forfeit.** A scheduled match which is never begun is a forfeit.

(3) **Double forfeit.** A double forfeit is a match at a given position which both opponents forfeit and therefore neither team is awarded an individual match point. In the event that this results in a 2-2 individual match score and a team point must be awarded, the tie-break procedures are outlined in USTA LEAGUE REGULATIONS pg. 8, IV., D., 4., b. and c.

E. FORFEITS. In the event that proper procedures for forfeits are not followed, the forfeiting team will subsequently lose any individual matches won at lower singles or doubles positions.

V. GRIEVANCE PROCEDURES

A. LOCAL LEAGUE GRIEVANCE COMMITTEE. With the approval of the Sectional Association, each local league may appoint a Local League Grievance Committee consisting of no less than three persons, including a chairman, responsible for adjudicating grievances, the members of the Committee to be first approved by the Sectional League Coordinator and the District League Coordinator.

B. LOCAL LEAGUE APPEAL COMMITTEE. With the approval of the Sectional Association, each local league may appoint a Local League Appeal Committee consisting of no less than three persons, including a chairman, to consider appeals from the Local League Grievance Committee, the members of the Committee to be first approved by the Sectional League Coordinator and the District League Coordinator.

VI. LEAGUE NTRP APPEAL COMMITTEES AND NTRP COMPLAINTS

A. LOCAL LEAGUE PROCEDURES.

1. LOCAL LEAGUE NTRP APPEAL COMMITTEES. With the approval of the Sectional Association each local league may appoint a Local League NTRP Appeal Committee consisting of no less than three persons, including a chairman, the members of the committee to be first approved by the Sectional League Coordinator and the District League Coordinator.

VII. PLAYER DISQUALIFICATIONS BY NTRP VERIFIERS

A. LOCAL, AREA/DISTRICT, AND SECTIONAL PROCEDURES.

1. A minimum of 3 NTRP verifiers, as assigned at Local or Area/District competition, are required for disqualification of a player from his/her level of play in such competition.

IX. SENIOR DIVISION REGULATIONS

F. AWARDS. Awards will be given based on up to eight players per team.

H. GENERAL.

1. League players may play in both an adult division and a senior division at the local and District Championship level under the following conditions:

- Must meet all regulations to qualify in both divisions; and
- Must understand that no scheduling provisions will be made to accommodate players playing in both divisions.

2. League players may participate in only one division at the Sectional Championships.

I. DISTRICT CHAMPIONS. The following criteria will be followed to assure consistency throughout the Section:

- All District winning teams must move up to the next higher level of play; or
- They may stay in the same level of play with none of the top TWO players on that team or on any one team at that same level; or

- They may stay at the same level as a team and play locally but not be eligible to participate in District or Sectional Championships during the succeeding league year.
- In the event that any of the top 2 players remain on the same level, EACH of them may be joined by TWO of the players from the original team.

APPENDIX I

USTA INTERPRETATIONS OF USTA LEAGUE REGULATIONS

I. GENERAL.

I. TEAM. No limit may be set on the number of players on a team playing above their approved NTRP rating.

III. LOCAL LEAGUES

H. COMPETITION FORMAT.

5. Player Participation. A player may play on only one team per local league season. If, during a league season, a player moves to a higher level of play, he/she is not in violation of this USTA League Regulation but must meet the two match eligibility requirement at the higher level.

IV. AREA/DISTRICT, SECTIONAL, AND NATIONAL LEAGUE CHAMPIONSHIPS

E. Forfeits. In the event that a team match must be rescheduled and starting times are staggered, forfeits will be awarded to individual match positions where opponents are not available and ready to play.

I. General.

In accordance with the USTA League Regulation I., F., the Southern Tennis Association has established the following procedures for governing the verification of the players' NTRP self-ratings.

A. All Districts of the STA shall adhere to the Verification Procedures as promulgated by the STA Adult League Council.

IV. PLAYER VERIFICATION PROCEDURES

The following verification procedures are to be used in the Southern Tennis Association:

A. Players must have their self-rating verified on-court as follows:

- Any player:
 - Who has never played in the USTA League Tennis program.
 - Who has not played in the USTA League Tennis program within the Southern Section.
 - Who did not play in the USTA League Tennis program during the prior league year.
- Those players required by the Level Promotional List Appeals and/or Verification Committee.
- Any player, regardless of verified level, that wishes to play at a lower level than they played in their last league season/year. The player must appeal in writing to the Local League Coordinator and **must receive approval from the Local League Coordinator and the District League Coordinator before re-verification.**

Note: Before consideration is given to move to a lower level, the player should have lost a majority of his/her matches in a non-competitive manner (i.e. 6-1, 6-0.)

B. Any player with wins at their current playing level during the District, Sectional or National Championships cannot move to a lower level of play without following the procedures listed in # 3. above.

C. All players requiring on-court verification should arrange for it to take place at an approved verification clinic within their area of play or secure the permission of their Local League Coordinator to have their self-ratings verified in another area. The Local League Coordinator shall correspond with the District Chief Verifier advising him/her of the player's record, etc.

D. Use of Profile Sheets. All players having their self-rating verified shall complete a standard profile sheet for use during the verification session. Failure to accurately complete the profile sheet may be grounds for disqualification.

STA MIXED DOUBLES LEAGUE PROGRAM

The Southern Tennis Association Mixed Doubles League Program is a team competition for men and women at NTRP levels 2.5 through Open with advancement for winning teams from local competition to District competition in participating Districts. Play is governed by the RULES of TENNIS as well as "THE CODE" as contained in the current USTA Yearbook.

General regulations for the program are as follows:

1. All participants must be current members of the USTA.

STA Rules and Regulations

Southern Tennis Association, Inc.

Vertical bar indicates changes from last year.

APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

I. Quota System for Entry to Southern Junior Closed Championships

A. General.

The draw in every age division of the Southern Junior Closed shall be 128. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure to play is attributable to a bonafide reason, such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts (State) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of

the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1991 Southern Junior Closed Championships are as follows:

| DISTRICT/QUOTA/SELECTOR | BASIS FOR SELECTION |
|--|--|
| ALABAMA Quota: For 128 Draw-9 Newton Cox | Must play in the Alabama Qualifying Closed Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place, and the losing semi-finalists of the feed-in event will play for the 7th and 8th places, in case any one of the first 6 players cannot participate. |
| ARKANSAS Quota: For 128 Draw-7 Craig Ward | Selection of players shall be based on a player's last year's USTA, STA, and District Rankings, plus the current year's play, and must have played in the current year Arkansas Qualifying Closed Junior Tournament. |
| GEORGIA Quota: For 128 Draw-40 Boys: Diana Ledbetter, Gwen Witherell Girls: Carolyn Cotton, Paula Lesley | The four semi-finalists of the Georgia State Junior Qualifying Tournament, and the four semi-finalists of the feed-in consolation. Other positions available will be at the discretion of the Selector(s) using as a guide, last year's rankings and this year's tournament. |
| KENTUCKY Quota: For 128 Draw-10 Ann Lawrence | The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.) |
| LOUISIANA Quota: For 128 Draw-10 12 & 14 years: Gordon Traylor 16 & 18 years: Sally Fink | Selection is based on the strength of a player's overall tournament record for the current ranking year and play in the Louisiana State qualifying tournament (Lafayette or Shreveport). A player may be waived from the Qualifying only by a verified illness or injury and if the waiver is granted, the District Selector may use last year's ranking and current play for consideration for selection. |
| MISSISSIPPI Quota: For 128 Draw-9 Martha Whitwell | The primary basis for selection will be the players' performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crisis or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed. |
| NORTH CAROLINA Quota: For 128 Draw-19 Herb Bolick | Must play in the singles event of the Tarheel Qualifier in the age group one wants to be considered for selection unless waived in advance by the waiver committee. Must apply to the N.C. Selector for consideration and all who apply, having met the eligibility requirements, will be ranked for acceptance by the following guidelines: National, Southern and State rankings, plus current season's play and most importantly, play in the Tarheel Qualifier. If players meeting the requirements have not filled the quota, the quota will be filled in the order of player's demonstrated abilities. |
| SOUTH CAROLINA Quota: For 128 Draw-13 Boys: Sandra MacNaughton Girls: Patti Bearden | To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and Committee. A player's National, Southern, and State rankings plus current season's play will be guidelines for acceptance. |
| TENNESSEE Quota: For 128 Draw-11 Boys 18: John Shackelford Boys 16: Eric Voges Boys 14: Virginia Bell Boys 12: Charles Burson Girls 18: Adrienne Parker Girls 16: Mufti Phillips Girls 14: Dennis Covington Girls 12: Dale Short | The player must play in the Tennessee State qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championship. Participation in the State Qualifying is mandatory , unless waived in advance by the Waiver Committee. Endorsement by the District Selector to the Southern Closed will be based on National, Southern, and District rankings plus current season's play and not necessarily on the player's final position in the State qualifying Tournament. Players submitting application for the Southern Closed Championship must include current year's record along with the application to be considered. Length and depth of record is very important for consideration. |

D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

II. STA Girls' Intersectional Team

A. General.

The STA annually selects a Girls' Intersectional Team to represent the STA. The STA appoints a coach/chaperone to travel with the team and the STA funds the team expenses. The team consists of up to eight players chosen from the top juniors in the Girls' 18 and 16 age divisions.

B. STA Committee.

Selection of the team shall be made by the STA Team Selection Committee listed in the Yearbook under the heading of "STA Committees".

C. Eligibility.

4. Any girl having recorded one (1) win since January 1, 1991, over any of the players eligible under the preceding three categories.

D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. Team members who have qualified for consideration will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

Any STA junior girl interested in applying for the team and qualified to do so must notify the STA Girls' Team Coach prior to the conclusion of the Southern Closed Championships.

III. STA Boys' Intersectional Team

A. General.

The STA annually selects a Boys' Intersectional Team to represent the STA. The STA appoints a coach to travel with the team and funds the team expenses. The team consists of up to eight players chosen from the top juniors in the Boys' 18 and 16 age divisions.

4. Any boy having recorded one (1) win since January 1, 1991, over any of the players eligible under the preceding three categories.

D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Closed) Championship for consideration. Team members will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

Any STA junior boy interested in applying for the team and qualified to do so must notify the STA Boys' Team Coach prior to the conclusion of the Southern Closed Championships.

IV. STA Junior Davis Cup Team

A. General.

The STA annually selects up to three (3) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the STA.

B. Application.

Applications should be obtained from and returned to the Chairman of the Southern Junior Davis Cup Team, listed under "STA Committees" in the Yearbook. Selection will be based on 1990 rankings and current season's records.

V. STA Endorsement Procedure to the Three USTA National Junior Championships and 12 & 14 Zonal Team Championships:

USTA 12 & 14 Zonals (July)

USTA National Junior Clay Courts (mid July)

USTA National Junior Championships (early August)

USTA National Junior Indoors (Thanksgiving)

A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has an exact, guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1991 the STA quota will be sixteen (16) in a draw of 128, thirteen (13) in a draw of 96 and nine (9) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. 12 Zonals will include 40 STA boys and 40 STA girls. 14 Zonals will include 30 STA boys and 30 STA girls.

B. STA Criteria-Eligibility for Endorsement to USTA Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament in the age division for which applying for endorsement. Participation in the Southern Closed in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
- b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.
- c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will strictly adhere to the following guidelines in considering waiver requests:

- a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient continued competitiveness to justify a waiver.
- b. If an individual wishes to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer, he will be waived and endorsed at the discretion of the endorsers.
- c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.

d. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article V.B3. Waivers will be granted or denied by majority vote of the committee unless otherwise provided for in the waiver provisions.

e. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed.

Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota will receive entry blanks promptly. Others, where there is doubt, may have to wait until later, even as late as the Southern Junior Closed, to receive an entry blank from the Endorser or a representative.

D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

a. Player Record Forms-complete it with every sanctioned singles match in the Division (age group) played since January 1, 1991. Same with Doubles with same partner you intend to enter within this USTA Championship.

b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser.

(Never send these items to the USTA Chps. or to the STA Office.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection.)

3. If you are in quota and must withdraw, advise the USTA Chps. immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action and certainly embarrassment to both you and the STA.

E. General.

The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

VI. Ranking Regulations

A. General - Applicable to All Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may only be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. An "Alphabetical" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players thus ranked will be ranked alphabetically.

8. Ranking Appeals. Tentative rankings will be published in early January and will always be published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking

Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

a. Men's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.

b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own district, but inside the Southern Section.

c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.

d. Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open* and the Southern Closed*.

e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern section. If a player plays in both the Southern Closed* and the Southern Open*, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open* and the Southern Closed*.

f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 35 Mixed doubles

Note: *1991 Men's Southern Open in Jackson, MS and 1991 Women's Southern Open in Memphis, TN. The 1991 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Isle of Palms, SC for odd divisions.

C. Junior.

1. Minimum Requirements. Playing in any surface or the Nationals does not count towards minimum STA ranking requirements. The minimum number of tournaments required prior to consideration for STA ranking for Boys' and Girls' 18-12.

a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirements.

b. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.

D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over a player or team that is eligible.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

VII. Tournament Rules and Regulations

A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 707 Alexander Rd., Princeton, NJ 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.
- b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same district meeting in a first round match.
- d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.
- e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.
- f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.
- g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- i. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.
- j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble-spots and, by their presence, can sometimes solve problems immediately.

C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA And STA regulations specifically prohibit the following and they will not be tolerated.

- a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.
- b. In regard to stalling, the rules of conduct play are quite clear: "No allowance may be made for natural loss of physical condition... Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for towel-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.
- c. No player or players will make a comedy of a match, whether they be winning or losing.
- d. Spectators are expected to observed good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
- e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.
- f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament sectional. A full report will be submitted to the player's sectional and District Association for any further disciplinary action deemed suitable.
- g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.
- h. Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.
- i. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Disciplinary/Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances is printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA League Tennis play.

IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

Upon receipt of such a request, the Chairman of the Disciplinary/Grievance Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary/Grievance Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary/Grievance Committee shall promptly notify the person penalized of its decision.
- (c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary/Grievance Committee and have the

Disciplinary/Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary/Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

- (d) Any appeal from a decision of the Disciplinary/Grievance Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary/Grievance Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary/Grievance Committee. The Management Committee shall not be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary/Grievance Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary/Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.
- (e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary/Grievance Committee.
- (f) All action of the STA Disciplinary/Grievance Committee shall be reported to the USTA Grievance Committee and any other bodies or individuals deemed necessary by the Board of Directors.

42. The Sanction & Schedule Committee shall be composed of a chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to members bidding therefore at the annual meeting. Tournaments shall actually be awarded by the membership. In between meetings of the Committee the Chairman shall be responsible for carrying out the functions of the Committee.

43. The Rankings Committee shall be composed of a Chairman and such their persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.

44. The President, in addition to being a member of the Board of Directors and the Management Committee, shall be an ex officio member of all other committees, except the Nominating Committee. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to reelection or reappointment as the case may be, for a one-year term or until their successors are named.

45. The following shall constitute a quorum for the transaction of business for the following named committees: *Management Committee* —not less than two-thirds (2/3) of its members; *Nominating Committee* — not less than three-fifths (3/5) of its members; *Disciplinary/Grievance Committee* —not less than two-thirds (2/3) of its members. A quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.

46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees by mail.

47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days' written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

48. Any action required or permitted to be taken at any meeting of any

committee, other than the Disciplinary/Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

Article XI—Reimbursement

49. The President may authorize the reasonable reimbursement of any individual necessarily incurring travel, housing, meals, office, mailing, telephone, or other expenses in connection with the business of the STA. All reimbursements shall be subject to review by the Board of Directors at the next ensuing meeting.

Article XII Offices

Article XIII —Amendments

51. These By-Laws shall be subject to alteration, amendment, or repeal, and new By-Laws not inconsistent with any provision of the Articles of Incorporation may be made either by (1) the affirmative vote of the majority of the members provided notice of the proposed alteration, amendment, or repeal be included in the notice of such meetings of members, or (2) by the affirmative vote of a majority of the members of the Board of Directors present and voting at any meeting of the Board of Directors, provided notice of the proposed alteration, amendment, or repeal be included in the notice of such meeting of the Board of Directors, and provided further that no proposed alteration, amendment, or repeal of these By-Laws shall be adopted by the Board of Directors unless the voting members of the STA shall have received no less than thirty (30) days' prior notice of the proposed alteration, amendment, or repeal, provided that any amendment to the By-Laws of the USTA concerning membership, dues, and voting power shall automatically effect an amendment to the corresponding section of these By-Laws. Any such change shall be subject to review at the next annual meeting of the membership.

52. Any proposed alteration, amendment or repeal or any proposed new By-Law permitted to be made hereunder shall be submitted by, or sponsored by, a District Association or a member of the Board of Directors only. Any such proposal shall be submitted to the Executive Director 45 days prior to any scheduled meeting at which the amendment shall be voted upon; and the Executive Director shall include the same in any notice as required by these By-Laws.

53. The Chairman of the STA Constitution and Rules Committee may make language and stylistic changes considered advisable to implement the intent of the By-Laws, Rules and Regulations and other applicable regulations, and to make conforming changes required to avoid inconsistencies or conflicting provisions. The chairman of the Constitution and Rules Committee shall inform the STA Board of Directors of language, stylistic and conforming changes.

The Name of The Game.SM

W

hat about the athlete who has the talent and passion to win, but persists in buying equipment that offers more status than substance? What does it take to shake off unproductive loyalties, and get on with the business of victory?

Well, for one, it's knowing who *The Name of The GameSM* really is — and why. Take graphite technology. ProKennex was the first to fully translate the virtues of high-tech composites from rockets to racquets. The same with golf, baseball bats, and even racing bikes. Truth is, many familiar names in sports equipment are ProKennex at heart or in part — using composite elements we manufacture and supply.

That's made us the largest producer of racquet sports equipment in the world — by far. Not surprisingly, our own branded ProKennex equipment benefits first (and most) through what we've gained in 100

years of collective experience.

It was ProKennex that pioneered with the first full line of all widebody and superwidebody tennis racquets. And now, we're introducing *FlexLogicSM* in all our composite products: The total tuning and integration of performance characteristics by supercomputer to arrive at designs that are precisely matched to individual playstyle, ability, and improvement potential.

Our commitment to the whole sport reflects what you might call an obsession for thoroughness. We support the player before, during, and after play. On the court, on the fairway, on the road, and on the circuit. With balls, gloves, protective eyewear, luggage and sport bags, plus clothing and accessories.

ProKennex. The Name of The Game.SM The total game. Because the object of the game is winning, and nothing less.
