PRINCE INTRODUCES CTS SYNERGY™

The next generation of widebodies.

Now there is a line of four widebodies that lets you choose the perfect balance of power and control for your game.

We've done it by combining our design technology with a revolutionary new material called Liquid Crystal Polymer, which reduces vibration at least 45% more than graphite, Kevlar* or fiberglass for far greater comfort and unparalleled accuracy.

Each one of our four Synergy racquets was rated, then named after the power it delivers, so it's easy to find the balance of power and control that's ideal for your style of play. Demo the new generation of CTS Synergy widebodies. Visit your dealer or call 1-800-2-TENNIS. And see for yourself the amazing synergy of power and accuracy.

Another year has come and gone. To say that 1991 was a year of challenges would indeed be euphemistic. But the challenges have been met, and the Association continues to prosper and flourish.

I would be remiss if I did not say that the question of sectional status for Georgia has been the preeminent problem confronting our organization. This issue has consumed a tremendous amount of the time and energies of our staff and volunteers. What is the correct solution to this problem? It is my strong personal feeling, and similarly that of the Management Committee and our Board of Directors, that sectional status for Georgia would not be in the best interest of the STA and indeed would be detrimental to the Association and the eight other Districts. However, I can certainly understand the logic and desire of the GTA's petition for sectional status. The GTA is a large, well-organized and efficiently managed district. To help us resolve this question, I have appointed a committee whose charge is to engage in dialogue on all the issues so that we may have a better mutual understanding of the problem confronting us. Hopefully this will enable us to come to a realistic decision in the months to come.

There are those who say the STA is too big. I am not sure I know what they mean. I do know that sometime this year the STA will enroll member number 100,000. This has been a tremendous achievement and with it goes the challenge to increase our dedication and efficiencies in serving such a large constituency. I am sure we are up to the task.

It has been a privilege to serve as your President this past year. I have been fortunate to have the support of a concerned and knowledgeable Management Committee, a most capable Executive Director and a dedicated office staff. My sincere thanks to all of you. I promise to continue to work as diligently as possible in the year ahead to promote the interests of our Association.

The many volunteers and professional staff that dedicate themselves to enhancing the game of tennis in the South are to be congratulated. 1991 ended with the most yearly growth in STA history with over 13,000 additional members. In the past twenty years the STA has twenty times itself. All of the new and existing programs have required an increase in the number of volunteers, and today there are thousands of outstanding people in the South who give their time to improving the services to STA members and promoting the game to potential players.

But there are many challenges ahead. With help from additional volunteers, tennis can be the largest and best organized recreational sport in the South. For 1992, three new committees have been formed to focus on specific needs. The success of tennis in the STA has been accomplished mainly through the success and dedication of the districts. Today, the nine districts of STA are better managed, better staffed, and better funded than ever before to provide services to the membership.

The staff is grateful to the Board and membership of the STA for the opportunity to work in such a quality environment and for a sport we all genuinely cherish.

Southern Tennis Patrons Foundation

Newton Cox

Newton Cox, who is a native of Mobile, Alabama, began playing tennis when he was 16 years old. He has been involved in the sport as a player, coach, and administrator ever since.

A graduate of the McGill Institute, Cox attended the University of Alabama on a tennis scholarship. After a term in the Army, he returned to the Institute where he coached for 13 years and was instrumental in helping many junior players attain college tennis scholarships.

In 1965 Cox began work at the Mobile Tennis Center where he has taught tennis and managed the facility for the past 26 years. During that time he has had the opportunity to continue working with and influencing the future of hundreds of junior players, many having attained high state and national rankings under his coaching.

While managing and teaching at the tennis center has been his livelihood, Cox has spent a great deal of time involved in the broader scope of tennis. Over the years he has worked in an administrative capacity with every major tennis association in the South. Newton Cox has served as President of the Mobile Tennis Club, the Alabama Tennis Association, the Southern Tennis Association, the Alabama Professional Tennis Association, the Southern Professional Tennis Association and Vice President of the United States Professional Tennis Association. Cox has also found time to work as a tournament director for some of the most prestigious tournaments in the state such as the Alabama Open Championships, the Senior Bowl Championships, the Southern Junior Closed, the USTA men's and women's professional circuit tournaments and dozens of local tournaments.

Although Cox has worked to promote tennis throughout the South, he has given strong backing to the sport in the Mobile area. For the past 21 years he has written a weekly column titled "Mobile Tennis Notes" in the Sunday Edition of the Mobile Register covering topics of interest to local players. He helps local high school physical education teachers to conduct better tennis classes and clinics and works with civic organizations in sponsoring local athletic events.

For all of his efforts on the part of the sport of tennis, Newton Cox has been recognized by the tennis organizations he has served. Since 1985 Cox has received over 20 major awards and has been inducted into the Alabama Tennis Association Hall of Fame. He is now recognized by the Southern Tennis Association with induction into the Southern Tennis Patrons Foundation Hall of Fame.

Mildred Southern

Mildred Southern began a lifelong interest in the sport of tennis when she received a tennis racket as a high school graduation gift. She brought her new racket to college at Appalachian State University and took up the game as a recreational player.

After graduation Mildred moved to Winston-Salem, N.C. to work for the City Recreation Dept. as a recreation supervisor. During the next 14 years she supervised numerous tennis tournaments but was not allowed to compete since she was a city employee. It was not until Southern resigned from the Recreation Dept. that she began to play tournament tennis at the age of 40.

After the birth of her first child Mildred became involved in tennis as a volunteer and... "worked harder than when I was paid for it", as she says upon looking back. She first became involved with her old employer, the City of Winston-Salem Recreation Dept. It was there that she organized the Young Folks Tennis Program for the city involving kids from 6 to 18 years of age in classes. She then moved on to organize the Twin City Kiwanis Junior Tournament to give the youngsters a chance to compete.

Mildred Southern describes herself as an idea person. "I like to spot an area where something can be improved and start a new program," she says. When she joined the North Carolina Tennis Association, only 25 people showed up for the two hour annual meeting. Southern introduced the group to the "Tennis Weekend" which lasted from Friday through Sunday and included tournament workshops and teaching clinics. The result was an increase in attendance to over 300. She introduced the same idea to the STA when she was president with the same results, along with increased emphasis on tournaments for senior players including events with competition based on the league levels. She later organized the first Southern Senior Cup with teams competing from the nine districts in the STA.

During the years of Mildred's involvement in tennis, she has served as president of the North Carolina Tennis Association, the North Carolina Tennis Foundation, the Southern Tennis Association, and has handled numerous committee assignments for the USTA. She was the winner of the USTA Senior Service Award in 1991. Mildred has also managed to attain a formidable ranking in women's senior competition for someone who played her first tournament when she was 40. She was ranked #1 in Women's 65 Singles and Doubles in the STA and #2 in the 60's in 1990.

For her work in the sport of tennis, Mildred Southern has received the Touchstone Award in 1982 and the Jacobs Bowl in 1983. She is now inducted into the Southern Tennis Patrons Foundation Hall of Fame.

STA Annual Awards

Stanley Ford (left) and Reese Patterson accept the 1991 Jacobs Bowl Award

JACOBS BOWL AWARD

The Jacobs Bowl is awarded annually for overall contribution to Southern tennis. The 1991 award was presented at the STA Annual Meeting to two recipients: Stanley Ford of Gatlinburg, Tennessee and Reese Patterson of Knoxville, Tennessee.

Patterson and Ford were late bloomers in the tennis world, having achieved their greatest success after their mid-forties. However, with the encouragement of Del Sylvia, a local professional in Knoxville, the two joined forces to form a successful doubles team which has lasted for over twenty years. During that time the two men have reached great heights in their tennis but have had to overcome tremendous physical adversity in the process.

Patterson, who is a doctor from Knoxville, Tennessee and Ford, the former Secretary/Treasurer of Super-Seniors Tennis from Gatlinburg, Tennessee, had just won the Men's 60 Clay Court Championships in 1986 when Reese

Patterson was diagnosed with stomach cancer. In '87 Patterson had his stomach removed and went into a steady physical decline. However, his long time tennis partner, Stan Ford, was determined to get him out of the house and back on the court. "It's better to die out on the tennis court with me than to die in that bedroom with the shades drawn," said Ford.

With Ford's help on the tennis courts and a strict diet and exercise routine, Patterson slowly began to recover. But the physical problems of the tennis duo were not over as Stan Ford contracted Wegener's Syndrome (a rare auto-immune disorder) in 1989. It was then Patterson's time to return the favor and help Stan Ford with his return to the tennis courts.

Working to strengthen themselves during 1990, Patterson and Ford decided to return to the tournament circuit in January 1991 after an absence of five years. The year proved to be more like a movie script than reality. During 1991, the "return from the grave" doubles partners won the Southern Seniors 65 Indoor Open in Sewanee, The Columbus Country Club Invitational Championship, the Asheville,

North Carolina Championship, the National Grass-Court Senior Championship (they had never played on grass) and the National Clay Court Championship.

To cap off the year, Reese Patterson and Stanley Ford received an offer for the TV rights to their story and an offer to market a food supplement for cancer patients invented by Patterson when he was ill. Both men are giving talks to patients who suffer from cancer and Wegener's Syndrome and their story has been carried in the New York Times, Parade Magazine and Tennis USTA.

At the end of 1991, the doubles team of Patterson and Ford was ranked #1 in the nation, #1 in the STA and #1 in Tennessee in Men's 65 Doubles. Both men also carry very respectable singles rankings in the same categories. They received an award from the Tennessee Sports Hall of Fame as "Outstanding Amateur Athletes of the Year" and have now received the Jacobs Bowl Award from the Southern Tennis Association.

The Abendroth Family

FAMILY OF THE YEAR

The Family of the Year Award is presented annually to a family that has been outstanding in its promotion of tennis in the STA. The 1991 award goes to the Abendroth Family of Lafayette, Louisiana.

Every member of the Abendroth family is devoted to the game of tennis. Parents Missy and Joe not only play tennis themselves, but have passed along their love of the sport to all three children: Charlotte, Michael and Robert.

Charlotte was the first of the children to play and competed on her high school team, becoming a state ranked player. She is now married but continues to play recreational tennis.

Michael was highly ranked as a junior both in the STA and nationally. He now plays on his college team at the University of Southwest Louisiana.

Robert is also an avid player as a first year 14. Last year he participated in the zonal competition in Lansing, Michigan. He was state and sectionally ranked as a 12 year old.

Joe Abendroth is active in promoting tennis in the community and has served as treasurer on the Louisiana Tennis Association Board of Directors.

Missy is on the LTA Ranking Committee and the Junior Tennis Council/Player Development Committee. She played a major role in moving the Louisiana Junior Qualifying Tournament to one site and directed one of the most successful qualifying events in the state.

Jamie Bell

EDUCATIONAL MERIT AWARD

This award is given annually from nominations of the nine Districts to any individual who has developed an outstanding tennis program which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds benefiting the growth of the STA.

The 1991 Educational Merit Award was presented to Jamie Bell of Greenville, Mississippi. Bell, who came to Greenville from a position at the John Newcombe Tennis Ranch, is currently head pro and manager at the Cypress Hills Tennis Club. He not only supervises the tennis activities for the 250 member club but provides free coaching for the Washington High School Tennis Team which won the 1991 State Championships for Private Schools. Bell also writes tennis tip articles for the local newspaper and is forming a program to teach high school coaches proper tennis instruction techniques.

UMPIRE OF THE YEAR

The Umpire of the Year Award is given annually to an umpire, chosen from the nominations of the nine Districts, who has made outstanding contributions to the cause of tennis officiating in the STA. This year's award was presented to Margaret Colchin of Knoxville, Tennessee.

Margaret Colchin is the Head Referee for the University of Tennessee men's and women's tennis teams. She recruits and supervises chair umpires for home matches and conducts classes throughout the year to certify umpires and referees for the Knoxville area.

Colchin has also served as the Tennessee District Chairman of Umpires and is the Co-Referee and Chief Umpire for the USTA Men's 55/65 National Clay Court Championships, Knoxville Racquet Club Mid-Winter Junior Championships, Knoxville Metro Indoor Championships, the Knoxville Clay Court Championships and was previously the referee for the Southern Boys 12/14 Open Championships. In past years she has served as tournament director for such prestigious events as the SEC Championships and the USTA Women's Circuit of Knoxville.

The USF&G Sugar Bowl Tennis Classic

JUNIOR TOURNAMENT OF THE YEAR

The USF&G Sugar Bowl Tennis Classic, held in New Orleans, LA, in December, is this year's recipient of the STA Junior Tournament of the Year Award.

The tournament, which has been held in New Orleans for over 30 years, is an invitational for top ranked boys and girls in the 16 and 18 year old age divisions. The 1991 event drew 139 highly ranked juniors from across the U.S. including one international player.

The City Park Wisner Tennis Center serves as the site for the event. One of the largest public tennis centers in the state, the Wisner facility has 21 hard courts and 15 clay courts plus two large grandstand seating areas.

Amenities for the participants at the tournament included a free breakfast and lunch for the four day period, reduced rates at a centrally located hotel, and entertainment in the form of a tennis carnival sponsored by Wilson and USF&G. Each player also received a Wilson tennis bag and racket case, and the winners of the Sportsmanship Award received a USF&G Sugar Bowl watch.

The St. Vincent's Auxillary/Coca Cola Men's Professional Circuit Masters

ADULT TOURNAMENT OF THE YEAR

The St. Vincent's Auxillary/Coca Cola Men's Professional Circuit Masters held in Little Rock, Arkansas received the STA Adult Tournament of the Year Award.

Held in late June at the Rebsamen Tennis Center, the tournament has benefited the St. Vincent Infirmary Medical Center for the past six years. During that time proceeds from fund raising efforts associated with the event have purchased a helicopter landing pad for the hospital, a heart/lung bypass machine, equipment for the radiology department and clinical laboratory, and in 1991 \$47,000 for a patient medication program.

The tournament, which is part of the USTA Satellite Professional Circuit, draws aspiring professional players from across the U.S. who have accumulated enough points in other satellite events to compete at the Masters Level. The 1991 tournament and its fund raising drive included a Monday night social with the pros, a pro-am, a Saturday night court party and a live radio broadcast at the finals by a state-wide sports network.

THE GERRIE ROTHWELL AWARD

The Gerrie Rothwell Award is given in memory of the former USTA District League Coordinator from Little Rock, Arkansas. The award is presented annually for excellence shown as a volunteer in the league program within the Southern Section. This year's award was presented to co-recipients, Sharon Gault of Greenville, Mississippi and Cindy Miller of Louisville, Kentucky.

Sharon Gault became interested in the USTA League program during her term as President of the Mississippi Tennis Association in 1983-84. At the conclusion of her presidency, Sharon volunteered for the job of District League Coordinator for Mississippi and continued with the program as STA League

Council Chairman in 1986-87. She organized the Mixed Doubles League pilot program for her state in 1990 and was the tournament director for the Mixed Doubles League District Championships in 1991. Sharon has served as the STA Officer-in-Charge of Leagues, Adult/Senior Tennis and Public Relations.

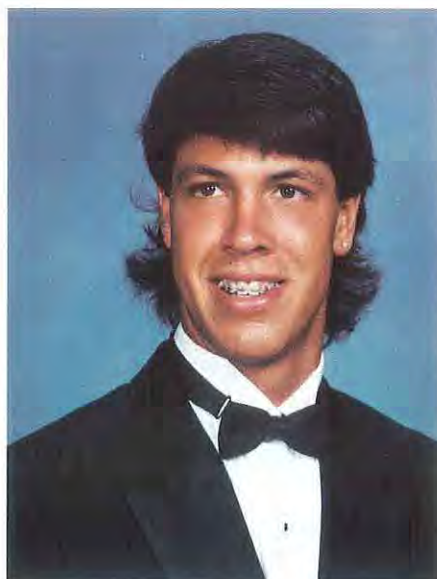

Cindy Miller first joined the USTA League in 1983 as a player and team captain. After taking her team to the Sectional Championships in Atlanta, she became a District League Coordinator and later the STA League Program Vice Chairman. In 1986 Cindy was the Chairman of the Sectional Championship Committee that hosted the first championship to be held outside Atlanta (in this case, Lexington, KY.) She is a past president of the Kentucky Tennis Association and is currently serving as Chairman of the STA Adult League Council.

Larry Osborn and George Wallis accept the Member Organization of the Year for the Coosa Valley Tennis Association.

MEMBER ORGANIZATION OF THE YEAR

This award is given annually to a member organization of the STA, chosen from the nominations of the nine Districts, to recognize outstanding service to the local tennis community, to the organization members, and in general, to the game of tennis.

The 1991 winner of the STA Member Organization of the Year is the Coosa Valley Tennis Association which was established in 1964 by George Wallis and Scott Henson in Rome, GA. An immediate success, the organization is responsible for a number of "firsts" over the years. The first high school weekend tournament was held in Rome in 1968 and proved to be the forerunner for the GTA spring and fall junior circuit. A local league was started in the 1970's which led to Rome's selection as

one of the first four USTA experimental leagues before the concept was introduced nationally. The CVTA has had its own schools program for the past 20 years and is now part of the USTA program which is in every elementary and middle school in the area involving over 4,000 students. The organization produced a community tennis training video which was so well received that the USTA adopted it as a national training film distributed to 46 states around the U.S.

The Coosa Valley Tennis Association also supports USTA League play by providing travel expenses to the USTA Georgia Junior League Championships for their local teams. The organization supports college tennis by donating to two local college tennis programs at the Shorter and Berry colleges.

She has successfully captained the STA Senior Women's 35's & 45's Intersectional Teams for the past five years, served on past STA Senior Women's Tennis Councils and the Women's Collegiate and Amateur Council, and currently lends her considerable talents to the STA Adult/Senior Tennis Council. At the Concourse Athletic Club, tennis on one of our 7 Har-Tru courts is just the beginning of the good times. There are also 5 squash courts and 5 racquetball courts. Not to mention a gymnasium where you can play basketball, work out in a conditioning class or take advantage of extensive weight equipment.

There's an indoor track for running or walking, plus two 25-meter pools if you prefer the crawl. And while the kids are just down the hall in our childcare center, you can enjoy an invigorating massage and a steam, meet your personal trainer in the restaurant or pick up something in the latest workout colors at the Pro-Shop.

Helping communities give their kids the chance to pursue the lifelong benefits of tennis is the goal of the United States Tennis Association's Youth Tennis Initiative. The initiative unites USTA programs, staff and services to create clear pathways for kids in tennis both as individuals and on teams. This bridge of programs will allow our boys and girls to pursue the great sport of tennis in whichever direction their skills, desires and dreams will take them.

Tennis professionals and interested volunteers are asked to attend a clinician training conducted by the STA Schools Directors. John Sheffield is shown above with a group of clinicians from Alabama.

John Collins (AL) conducts a motivational assembly for students in a Birmingham school.

STA Gifted Athlete Program (GAP) was begun in 1991 as pilot projects in Atlanta, GA and Macon, GA. Both programs were coordinated by local organizations in conjunction with the STA office. Students in several schools were given the opportunity to undergo modified Sports Science testing. Participants were chosen based on their overall athletic ability and the recommendation of class teachers. Clothing, rackets and transportation were provided at no cost to the GAP participants, along with coaching from local professionals.

Physical Education teachers learn basic tennis fundamentals at free inservice workshops conducted by STA staff and clinicians. Workshops emphasize "education while having fun" as demonstrated by this teacher in Lancaster, SC.

School assembly programs are normally conducted for 100 to 1000 students in their gymnasium and are excellent motivational tools for the lifetime sport of tennis.

Tennis Carnivals are often used as kick-off events for USTA/NJTL and USTA Junior Team Tennis. Events such as the prize court shown above are very popular.

USTA AREA TRAINING CENTERS

1. What is an Area Training Center (ATC)? An ATC is a 50 hour training program designed to supplement local public and private development programs with an emphasis on sport science education, drilling and match play with other top juniors in the geographic area. The target ages of the ATC players is 12-15.

2. How do I get selected? A team of scouts selects the 20 ATC players based on an overall assessment of their results, sportsmanship, potential and work ethics.

3. What should I do? As a parent, give your son/daughter continued support, emphasizing sportsmanship, and be in contact with your District Player Development Chairperson (names and addresses in this book). Players should continue to work on proficiency in all areas of the court and should maintain contact with the head scout by sending them their player record prior to the September selection process.

4. Does my son/daughter need to play certain events? The Scouts and Coaches will be observing potential ATC participants at most major District events year-round, but primarily throughout the spring and summer seasons.

Listed below and on the next two pages are the cities, sites and personnel for the ATC's in the Southern Section.

STA JUNIOR LEAGUES

In 1991, more than 5,000 young players participated in USTA Junior Team Tennis and TEAMTENNIS junior leagues in the STA. Through the support of local Community Tennis Associations and local tennis pros' organizations, the kick-off clinics, structured league play and end-of-the-season carnivals were all met with tremendous enthusiasm and enjoyment by the players and their parents. As a benefit of their USTA membership, every participant receives a USTA Junior Team Tennis T-shirt and/or TEAMTENNIS T-shirt.

To get a junior league going in your area, contact the junior league staffperson listed for your district or Bill Ozaki at the STA office.

CROSS-SECTIONAL TRAINING CAMPS

STA players cross-trained with players from Florida, Texas and the Caribbean at camps in Atlanta and San Antonio. The camps were a success due to the outstanding efforts put forth by the players and coaches. Phil Chamberlain served as the head coach in Atlanta. Mike Leach assisted Phil in Atlanta, while Jason Noonan and Penny Brawley coached in San Antonio. Players 15-16 years old were eligible for the camps.

USTA Junior Team Tennis is an exciting learning opportunity for young tennis players.

Daily Playing Limitations For Adult Tournaments

The following Daily Playing Limitations have been approved as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT AT THIS TIME ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision, if required, prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates. Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament within its sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

Daily Playing Limitation Guidelines For STA Junior Tournaments

The STA has reviewed the below chart of Daily Playing Limitations and approved its dissemination in this Yearbook as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT, AT THIS TIME, ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

Junior Endorsement Information & Check-Off List

Important Information--It would be advisable for all juniors who hope to be endorsed or ranked in 1992 to read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

STA Rules & Regulations & Ranking Requirements--Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1991 STA and District rankings are printed in this issue also.

Summer Tournament Schedule--The summer season will arrive sooner than you expect and it is time to begin making your plans. On the next page you will find a list of all USTA National Championships and Zonal Championships, which require endorsement in the format of a check-off list for you to clip out and mail to your age division endorser. If you feel that your record will put you in contention for endorsement to any Zonal or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/92 through the present. All Zonal and/or National entries, except for 14 Zonals, will be distributed at the Southern Closed.

USTA Player Record Form - Printed on Page 139, you will find a USTA Player Record Form. Please use this form. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK ink and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY ARE HOPING TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONAL OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

National Entry Forms--(The USTA uses a standard entry form for each of the USTA National Championships.) Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

- 1.Fill out all entry forms and player record forms in BLACK ink.
- 2.Make check payable as indicated on the fact sheet.
- 3.Never send your entry directly to the tournament. It MUST be first signed by your endorser.
- 4.Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
- 5.Send a copy of your USTA card.
- 6.Be sure to let your endorser know how to reach you during the endorsement process.
- 7.If possible, indicate your travel and housing plans on your entry form. If you do not know that information at the time you return your entry form, it is your responsibility to handle this.
- 8.Return with each entry form a self-addressed, stamped envelope for your endorser's use.
- 9.Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

National Tournament Deadlines--The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser AT LEAST 10 DAYS PRIOR TO THE TOURNAMENT DEADLINE to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

Quotas and Alternates: The STA guaranteed quota is sixteen (16) for all National Championships, thirty (30) for 14 Zone Team Championships, and forty (40) for 12 Zone Team Championships. When you accept entry to one of the National or Zonal tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

Entry Fees to the Nationals (August 8-16): The STA will pay the entry fee for all players accepted into the draw at THE Nationals.

However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in-quota, the checks for those players will be returned. Those players listed on the endorsement sheet as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

Your STA Endorser/Ranker: On the next page is a list with addresses of the eight junior endorser/rankers for 1992. Please establish early communications with your endorser/ranker and start by filling in the following form and mailing it as soon as your plans are complete but not later than June 1. If you change your plans, notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age divisions endorsers/rankers.

Review carefully the waiver provisions printed in Article V, B, 3 of the STA Rules and Regulations in this SOUTHERN TENNIS Yearbook. Keep in mind that with the exception of the 14 Zonals you MUST meet the requirements of Article V, paragraph B-2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

Special Events: There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays all expenses. Among these are the three intersectional team championships as follows:

- 1.Boys and Girls 16 in Midlothian, VA, July 12-18 for which the STA selects a team of six to eight (3-4 each BG16). The STA team has won this event six times.
- 2.Boys' 18 Intersectionals in Columbia, SC August 2-5, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship four of the last six years.
- 3.Girls' 18 Intersectionals in Rancho Solano, CA, August 4-7, for which the STA selects a team of up to eight players in the G18/16 group. The STA won in 1987, 1988, 1990, and 1991.

Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached.

USTA Yearbook: In addition to reading the Southern Tennis Yearbook carefully, we would like to urge each of you to purchase an official USTA Yearbook. You may order one by sending a check for \$18.40 (includes postage and handling) to USTA Publication Dept., 707 Alexander Rd., Princeton, NJ 08540. In addition to reading the rules and regulations, you will find it beneficial to read: Article II - Conditions Governing players; Article VI - Ranking Regulations; Article VII - Standards of Conduct; Special USTA Championships Tournament Regulations.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. To that end, the STA has established a Sportsmanship Award for each of the age divisions. **Exhibit the best in sportsmanship on and off the court.**

Please check the tournaments that you would like to play, and only those, if you are both eligible and endorsed and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request an entry unless you are sure you will be free to play that week if in quota. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

Alabama Tennis Association's Jr. Davis and Jr. Wightman Cup Teams with Coach Pat Brean

Arkansas Tennis Association

Fundraiser

The 1991 Arkansas Tennis Patrons' Mixed-Mixed Benefit was a resounding success, as more than 200 attendees raised \$45,000 for the Arkansas Tennis Patrons Foundation.

The event, held for the 22nd straight year, began on a Friday evening with cocktails and dinner, followed by a silent and live auction. Little Rock disc jockey Craig O'Neill emceed the auction, which included such items as a New Orleans condo, a weekend of duck hunting and a cochon de lait (pig roast).

Saturday morning featured tennis matches at three locations in Little Rock, followed by a luncheon for all attendees. The semifinals and finals were played in the early afternoon and was capped by an awards ceremony.

This year's event is being held October 16 & 17.

Getting Ready for the Mixed-Mixed

Volunteers

The Arkansas Tennis Association knows how to thank their volunteers! This December the ATA office staff hosted a luncheon for 30 active volunteers. These volunteers assisted the office staff with mailouts, envelope stuffing, NTRP updates, and whatever job needed to be done. In 1991, these volunteers gave the ATA 450 hours. If the ATA were to pay for this assistance, it would have cost \$2,250 (at \$5).

Hats off to Arkansas Volunteers!

USTA Carnivals, run by USTA field staff or professionals authorized as USTA Clinicians, increase the enthusiasm for new and existing recreational programs like USTA Junior Team Tennis.

J.J. Jackson, a member of the current USTA National Team, paid a visit to the USTA 12 Zone Team Championships to meet the young players and give them some pointers.

The USTA is working increasingly closer with Special Olympics by offering training workshops for S.O. staff and volunteers and by assisting in tennis clinics and competition at S.O. State Games. In the photo above, USTA Clinician Dan Santorum and STA Schools Co-Director John Sheffield lead warm-up exercises for nearly 50 Special Olympians.

Marietta's Craig Baskin received the most prestigious honor of his career, a spot on the three player team for the Sunshine Cup. Baskin, currently number two in USTA Boy's 18 is a freshman at Clemson University.

1991 Hall of Fame Inductee - Ned Neely III.
A native Georgian, Ned Neely's tennis credentials include national, sectional, state and collegiate titles. He was ranked number one in National Boy's 15 and under in 1955 in both singles and doubles, and was the first Georgian to hold a U.S. title. He was an All-American in college tennis in 1960 while at Georgia Tech.

"The Love Affair" - first annual fundraising event co-sponsored by the GTA foundation and the ALTA foundation was a smashing success. The black-tie event held on February 15, 1992 raised \$35,000 to benefit the programs of both foundations. Shown is the Steering Committee: (L-R) Co-chairperson Mabel Poole, Martha Buttorff, Co-chairperson Sharon Perry, Jon Niemeyer, Gail Harrington, Sheila Cronkright, Allan Smith, Kirby Vanderyt, & Melissa Simmons. Not pictured: Andi Schwartz, Andi McCarthy, Marianne Broadbear, and Carolyn Cotton.

The STA/GAP (Gifted Athlete Program) is a unique STA pilot project whose purpose is to identify the best young athletes in communities where at least 50% of the children are minorities and to give them the opportunity to take up tennis seriously. The GTA had the STA's first two pilot projects in Atlanta and Macon. Pictured are young players from the STA/GAP/Atlanta program which is sponsored and led by volunteers from USTA/League Atlanta (project coordinator - Pat DeVoto). The STA provided funding and field staff support for both pilots in 1991. The Macon Tennis Association is providing all volunteers and 1992 financial support for the Macon project, under the leadership of Mary Hatfield. In 1992, funding for the Atlanta project will be provided by USTA/League Atlanta and the GTA Patrons Foundation.

Jewel Renee Peterson of Atlanta finished second in the Girls' 12-and-under division at the American Tennis Association's 75th Anniversary National Championships in Washington, D.C. In addition, Jewel won nine 12-and-under events and two 10-and-under events.

Eric Voges represented Tennessee and the STA as a coach at the USTA Zone Team Championships, and provided valuable assistance to many players.

Some people will try anything to keep cool while working the tournament desk in the middle of a Nashville summer.

The following is a segment from Article X, Committees, regarding the Disciplinary/Grievance Committee:

41. The Disciplinary/Grievance Committee shall be composed of three (3) persons named by the President with the approval of the Management Committee and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional member of the USTA, and the standards of conduct, fair play, and good sportsmanship. The Disciplinary/Grievance Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Disciplinary/Grievance Committee, charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules and regulations of the STA or of the USTA, or the standards of conduct, fair play, and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By Laws, rules and regulations of the STA and USTA, then the Chairman shall have the power to fine such person in such amount, not in excess of \$1,000.00, and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Disciplinary/Grievance Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.

(b) Within thirty (30) days after receipt of a written notice of the decision by the Chairman or Vice-Chairman of the Disciplinary/Grievance Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Disciplinary/Grievance Committee. Upon receipt of such a request, the Chairman of the Disciplinary/Grievance Committee shall promptly fix a time and place for a hearing and shall give the

person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary/Grievance Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary/Grievance Committee shall promptly notify the person penalized of its decision.

(c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary/Grievance Committee and have the Disciplinary/Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary/Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

(d) Any appeal from a decision of the Disciplinary/Grievance Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary/Grievance Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary/Grievance Committee. The Management Committee shall not be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary/Grievance Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary/Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

(e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary/Grievance Committee.

(f) All action of the STA Disciplinary/Grievance Committee shall be reported to the USTA Grievance Committee and any other bodies of individuals deemed necessary by the Board of Directors.

STA Rules and Regulations

Southern Tennis Association, Inc.

APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

I. Quota System for Entry to Southern Junior Closed Championships

A. General.

The draw in every age division of the Southern Junior Closed shall be 128. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure to play is attributable to a bonafide reason, such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw

but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts (State) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

DISTRICT/QUOTA/SELECTOR	BASIS FOR SELECTION
ALABAMA Quota: For 128 Draw-10 Newton Cox	Must play in the Alabama Qualifying Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place, and the losing semi-finalists of the feed-in event will play for the 7th and 8th places, in case any one of the first 6 players cannot participate.
ARKANSAS Quota: For 128 Draw-7 Boys: Craig Ward Girls: Kay Wilson	Selection of players shall be based on a player's last year's USTA, STA, and District Rankings, plus the current year's play, and must have played in the current year Arkansas Qualifying Closed Junior Tournament.
GEORGIA Quota: For 128 Draw-40 Boys: Diane Ledbetter, Gwen Witherell Girls: Carolyn Cotton, Lisa Enochs	The four semi-finalists of the Georgia State Junior Qualifying Tournament, and the four semi-finalists of the feed-in consolation. Other positions available will be at the discretion of the Selector(s) using as a guide, last year's rankings and this year's tournament.
KENTUCKY Quota: For 128 Draw-10 Karen Allen	The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.)
LOUISIANA Quota: For 128 Draw-10 12 & 14 years: Gordon Traylor 16 & 18 years: Sally Fink	Selection is based on the strength of a player's overall tournament record for the current ranking year and play in the Louisiana State qualifying tournament. A player may be waived from the Qualifying only by a verified illness or injury and if the waiver is granted, the District Selector may use last year's ranking and current play for consideration for selection.
MISSISSIPPI Quota: For 128 Draw-9 Martha Whitwell	The primary basis for selection will be the players' performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crises, or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed.
NORTH CAROLINA Quota: For 128 Draw-17 Boys: Herb Bolick Girls: Mary Lloyd Seate	Must play in the singles event of the Tarheel Qualifier in the age group one wants to be considered for selection unless waived in advance by the waiver committee. Must apply to the N.C. Selector for consideration and all who apply, having met the eligibility requirements, will be ranked for acceptance by the following guidelines: National, Southern and State rankings, plus current season's play and most importantly, play in the Tarheel Qualifier. If players meeting the requirements have not filled the quota, the quota will be filled in the order of players's demonstrated abilities.
SOUTH CAROLINA Quota: For 128 Draw-13 Boys: Sandra MacNaughton Girls: Patti Bearden	To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and Committee. A player's National, Southern, and State rankings plus current season's play will be guidelines for acceptance.
TENNESSEE Quota: For 128 Draw-12 Boys 18: John Shackelford Boys 16: Eric Voges Boys 14: Dennis Covington Boys 12: Charles Burson Girls 18: Larry Jackson Girls 16: Peter Levedevs Girls 14: Dale Short Girls 12: Virginia Bell	The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory , unless waived in advance by the Waiver Committee. Endorsement by the District Selector to the Southern Closed will be based on National, Southern, and District rankings plus current season's play and not necessarily on the player's final position in the State Qualifying Tournament. Players submitting application for the Southern Closed Championships must include current year's record along with the application to be considered. Length and depth of record is very important for consideration.

C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1992 Southern Junior Closed Championships are as follows:

D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. Team members who have qualified for consideration will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

Any STA junior girl interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

III. STA Boys' Intersectional Team

A. General.

4. Any boy having recorded one (1) win since January 1, 1992, over any of the players eligible under the preceding three categories.

D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Closed) Championship for consideration. Team members will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

V. STA Endorsement Procedure to the Three USTA National Junior Championships and 12 & 14 Zonal Team Championships:

USTA 12 & 14 Zonals (July)

USTA National Junior Clay Courts (mid July)

USTA National Junior Championships (early August)

USTA National Junior Indoors (Thanksgiving)

A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has an exact, guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and is different for different size draws. In 1992 the STA quota will be sixteen (16) in a draw of 128, thirteen (13) in a draw of 96 and nine (9) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. 12 Zonals will include 40 STA boys and 40 STA girls. 14 Zonals will include 30 STA boys and 30 STA girls.

B. STA Criteria-Eligibility for Endorsement to USTA Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament in the age division for which applying for endorsement. Participation in the Southern Closed in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.

b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.

c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will strictly adhere to the following guidelines in considering waiver requests:

a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division; In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient continued competitiveness to justify a waiver.

b. If an individual wishes to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer, he will be waived and endorsed at the discretion of the endorsers.

c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that

in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.

d. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article V.B3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

e. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota will receive entry blanks promptly. Others, where there is doubt, may have to wait until later, even as late as the Southern Junior Closed, to receive an entry blank from the Endorser or a representative.

D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

a. Player Record Forms-complete it with every sanctioned singles match in the Division (age group) played since January 1, 1992. Same with Doubles with same partner you intend to enter within this USTA Championship.

b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser.

(Never send these items to the USTA Chps. or to the STA Office.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection).

3. If you are in quota and must withdraw, advise the USTA Chps. immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action and certainly embarrassment to both you and the STA.

E. General.

The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

VI. Ranking Regulations

A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may only be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. An "Alphabetical" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players thus ranked will be ranked alphabetically.

8. Ranking Appeals. Tentative rankings will be published in early January and will always be published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

a. Men's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.

b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the Southern Section.

c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.

d. Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open* and the Southern Closed*.

e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed* and the Southern Open*, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open* and the Southern Closed*.

f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 35 Mixed doubles.

Note: *1992 Men's Southern Open in Jackson, MS and 1992 Women's Southern Open in Memphis, TN. The 1992 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Isle of Palms, SC for odd divisions.

C. Junior.

1. Minimum Requirements. Playing in any USTA National Championship does not count towards minimum STA ranking requirements. The minimum number of tournaments required prior to consideration for STA ranking for Boys' and Girls' 18-12, is as follows:

a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirements.

b. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.

D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over a player or team that is eligible.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

VII. Tournament Rules and Regulations

A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), & USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 707 Alexander Rd., Princeton, NJ 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.

b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.

c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same District meeting in a first round match.

d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.

f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.

g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

i. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.

j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble spots and, by their presence, can sometimes solve problems immediately.

C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.

b. In regard to stalling, the rules of conduct play are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for towel-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.

c. No player or players will make a comedy of a match, whether they be winning or losing.

d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.

e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.

f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.

g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.

h. Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.

i. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Disciplinary/Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA League Tennis play.

IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

Peter Lebedevs - One of the many tennis professionals that assist recreational and tournament players throughout the STA

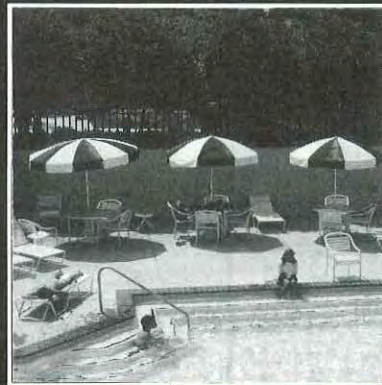

She has only been playing for a month, but with her talent, and some help from the staff at the John Drew Smith Tennis Center in Macon, GA, this young participant in the STA/GAP program shows great promise.

Former USTA Schools Directors don't just disappear ... they become USTA Clinicians. Lisa Goldberg (LA), former Texas Tennis Association Schools Director, volunteered at many Schools Program and Player Development functions in Louisiana while working for Wilson Sporting Goods.

ASYMMETRIC

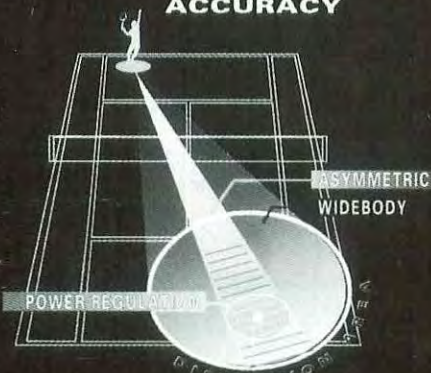

For players who think of shot placement in terms of square inches, not square yards.

And that's only attainable with a fully stabilized hitting platform. Why? Because the less racquet resonance and vibration, the narrower the dispersion pattern.

Upon ball contact, the frame quadrants of the ProKennex Asymmetric respond with opposing frequencies that mutually and instantly cancel each other out.

Result: A virtually vibration-free, distortion-free racquet of unparalleled stability.

SHOT ACCURACY

To put it another way, the Asymmetric is a rifle, instead of a shotgun. And it's been designed expressly for accomplished players who want to parlay their talent into a bigger repertory of skill shots.

ProKennex is a Grand Patron of the U.S. Olympic Training Center, San Diego. When you buy a ProKennex product, you have helped us make a contribution to the U.S. Olympic Training Center.

"For The Arthritis In My Knees Give Me The Pain Relieving Gel— The Pro Trainers Recommend. Flex-all 454."

"Professional athletic trainers know more about treating sore muscles and joints than just about anyone. So when one pain relieving gel—Flex-all 454®—gets the endorsement of the Trainer Associations of professional football, basketball, baseball and hockey, and becomes the locker room product of the NFL, then you know it's the best.

"I use Flex-all on the arthritis in my knees, and I swear I forget that they're hurting. I like the way Flex-all penetrates, without the lingering odor of those smelly old fashioned liniments.

"If you're living with pain, get Flex-all 454..."

We believe passion is what separates the good from the great. And we admit to being passionate about athletic shoes. It's a passion that means we go to Argentina for our leather, to Germany for the double nickel-plated D-Rings

Without passion, it would be just a game.

in our lacing system, to Switzerland for the formula for the Aösta® rubber that puts durability in the sole of our Tura™ tennis shoe. But mostly, passion means craftsmanship. That elusive and indefinable quality that comes from the hands of an individual who simply cares more. We have it in great measure at K-Swiss. You'll feel it the moment you put on our shoes.

Crafted with passion.
