Sweet.

Sweeter.

Sweetest.

## **The New Prince Extender.™ The sweetest sweet spot in tennis.**

The sweeter the sweet spot, the better your tennis. Which is precisely why we developed the Prince Extender, the racquet with the sweetest sweet spot of any racquet available.

We took a conventional racquet and made a simple change that makes an extraordinary difference in performance: We made the strings longer, extending them into the throat of the racquet. This gives you a larger hitting

area and increases the size of the sweet spot for more power and control. Then we made the racquet 20% lighter for superior maneuverability and quickness. The best part? It's all happening within a frame that's no bigger than that of a normal oversize racquet.

The Prince Extender. If it were any sweeter, it would give you a cavity.

## About our cover:

The USA Team was victorious in winning the Davis Cup in 1992. The turning point occurred when John McEnroe and Pete Sampras made a dramatic doubles comeback and won a five set match after being down two sets to love. The cover shot features (from left to right) Rick Leach, Andre Agassi, Jim Courier, John McEnroe, Pete Sampras and Coach Tom Gorman. As the national governing body of tennis, the USTA annually selects and supports the US Davis Cup Team.

## First Serve

### TRADITION, CHANGE - PAST, FUTURE

These words best describe the state of tennis today in the STA. The STA is steeped in tradition with tournaments, leadership, and programs. Our past leadership has built a solid foundation for us to expand on in the future. The nineties dictate change - positive change. The advent of the computer, a strong national player development philosophy, and more exposure for the recreational tennis player represents only a few areas of change that are taking place within the tennis community. The past has seen the STA as the Biggest and Best Section of the USTA. I pledge, along with the STA Management Committee, to not only make STA BIGGER - but BETTER. Better communications. Better opportunities for our junior and adult players. Better run tournaments. Better officiating. We will strive, with your help, to increase the quality and quantity of our volunteer base.

We pledge to continue to build the STA tradition and make positive changes. We will reflect on our past and plan for the future.

Regards,

A handwritten signature in black ink that reads "Jim".

Jim Russell  
President

## Second Serve

The 106th anniversary of the STA was celebrated this past summer along with a terrific milestone - servicing our 100,000th member. Hopefully we can celebrate the second 100,000th before the end of the decade. The "bread and butter" of the STA, tournaments and leagues, will receive renewed focus as we tackle the challenges of the future. Communication and services will be at the forefront of most organizations in the coming decade and STA plans to be successful on both counts.

The STA Board of Directors and Management Committee as well as the STA staff stand ready to serve you, our most important commodity.

Best wishes for a great 1993,

A handwritten signature in black ink that reads "John".

John Callen  
Executive Director

## Southern Tennis Patrons Foundation

"Buck" Archer, a native of Shelby, NC, began playing tennis on his neighborhood clay courts at the age of 8. Archer continued his tennis through high school, prep school, and Davidson College in North Carolina. He later returned to coach his high school tennis team on a volunteer basis and served as coach for the Cleveland Country Club tennis team.

Archer twice represented the United States and the USTA in the Austria Cup, an international team competition for men 55-and-over. The U. S. team won the cup both years he played.

Archer also captained the U. S. Osuna Cup team from 1987 to 1991, leading the Americans to victory in four of the five years. The Osuna Cup, named in memory of Rafael Osuna, the only Mexican player to win the national championships of Mexico and the United States, is a senior men's team competition matching the top 45-and-over players from the U. S. against their counterparts from Mexico.

During his long playing career, Archer has won two national clay court championships and 11 doubles titles.

A.W. "Buck" Archer

Russell Bobbitt

Russell Bobbitt is a native of Atlanta and a graduate of Georgia Tech. As a junior, he was ranked among the top 10 in the United States. He was Southeastern Conference singles and doubles champion for Georgia Tech in 1938, and continued to play competitively after graduating from college.

Bobbitt's tennis credentials include competition against such tennis greats as Bobby Riggs, Bitsy Grant, Don McNeill, Gardnar Mulloy and an exhibition match against Alice Marble (which he won). His doubles partners over the years included Frank Guernsey and Bitsy Grant. He played on the U. S. Junior Davis Cup team with Jack Kramer and Bill Talbert and played on the U. S. team against the British Empire team at Wimbledon.

Bobbitt has also served the tennis community as an administrator. He was vice-president of the Georgia Tennis Association and president of the Atlanta Lawn Tennis Association and the Senior Tennis Players of Georgia.

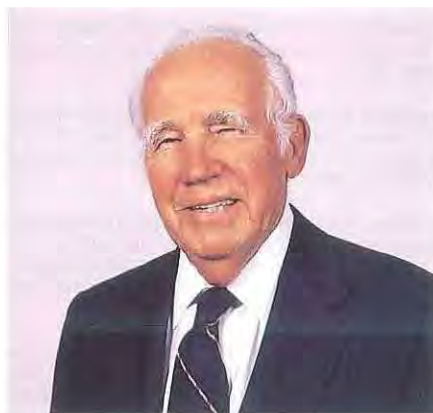

Bobbitt was the first tennis player inducted into the Georgia Tech Athletic Hall of Fame and was among the first inducted in the Georgia Tennis Association Hall of Fame.

Henry G. "Hank" Crawford, a native Georgian, is a Georgia Tech graduate with letters in basketball and tennis. Crawford was a Southeastern Conference champion while at Tech, but made his greatest impact in tennis years later.

After a successful career in law and real estate, Crawford concentrated his efforts on tennis and amassed an impressive record of 12 national doubles titles in the 50, 55, 60 and 70 age divisions (three with Bitsy Grant).

He was the European doubles champion with Gardnar Mulloy, a member of the USTA Britannia Cup team in 1979 and a member of the USTA Crawford Cup team (named for Australian great Jack Crawford) in 1983. Hank Crawford (no relation) was also captain of the Crawford Cup team from 1985 through 1990 and captain of the Bitsy Grant Cup team in 1992. He is presently the coordinator for the Redgrave Bowl competition.

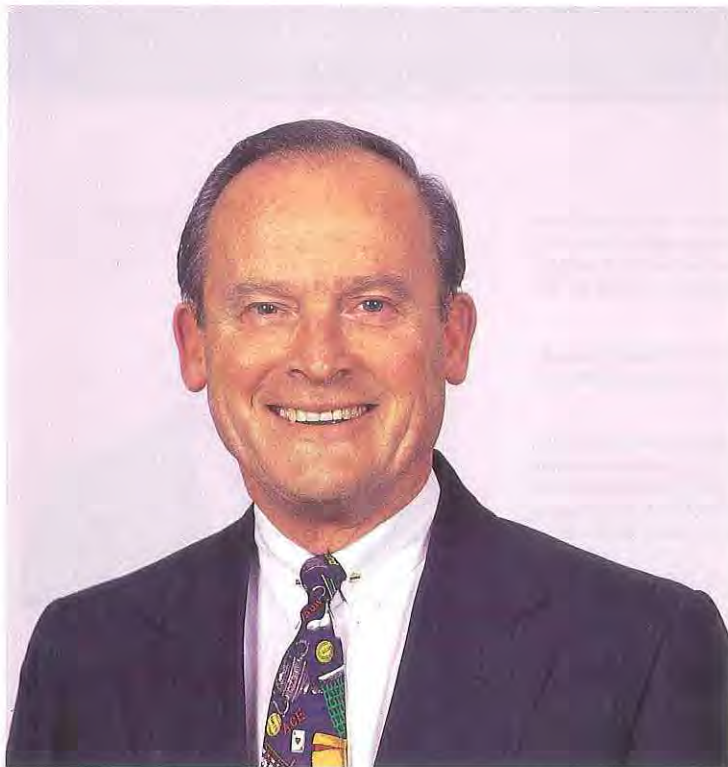

Crawford was inducted into the Georgia Tech Athletic Hall of Fame in 1977, the Georgia Tennis Association Hall of Fame in 1983 and received the USTA Senior Service Award in 1978.

# STA Annual Awards

Don Varga

## JACOBS BOWL AWARD

The Jacobs Bowl is awarded annually for overall contribution to Southern tennis. The 1992 award was presented at the STA Annual Meeting to STA President, Dr. Don Varga.

Most people get their first taste of tennis on the court and later become involved in administration. Dr. Don Varga of Louisville, Kentucky did it the other way around. First he invested in the sport, then he learned to play.

Varga, a practicing physician, was introduced to tennis when a friend convinced him to invest in a new venture, the Louisville Tennis Club. The year was 1970. For over 20 years the investment has paid off handsomely, not just for Varga, but for his entire family. And not just in monetary terms. Don Varga and his wife, Shirley, have been avid social and league players, while four of their six children became top junior players earning state, sectional, and national rankings.

While the children excelled on the court, Varga and his wife concentrated on the administrative side of tennis. Together they directed numerous tournaments including the Louisville Tennis Club Junior Invitational, the Kentucky State Closed and the Creason State Qualifying.

Dr. Varga was an officer in the Kentucky Tennis Association for several years and served as president of the KTA in 1985-86. Shirley, meanwhile, was executive director of the association for over eight years, leaving that post in December 1992.

On the sectional level, Varga has been an STA Delegate-At-Large and chaired the Membership Committee for three years, the Waiver Committee for two, and served on the USTA Membership Committee. In 1987 he was elected to the post of Vice-President of the STA, then Executive Vice President, and assumed the duties of President in September 1990.

Throughout the years, Varga has stuck by his original investment in the Louisville Tennis Club. He became the Club's managing partner in 1983 and has seen the facility grow to be recognized as one of the top clubs in the U.S.. With its 12 indoor and 14 outdoor courts, the club has hosted some of the most prestigious tournaments in the country, including the USTA-ITCA Indoor Championships which draws the best college teams from around the nation.

For all their devotion to the sport, the Vargases have received some well-deserved recognition both in Kentucky and from the Southern Section. The Vargases were voted KTA Family of the Year three times and were honored with the same award by the STA in 1979. Dr. Don Varga is now the recipient of the prestigious STA Jacobs Bowl Award.

Needless to say, tennis has given the Vargases a fine return on their investment.

## ADULT TOURNAMENT OF THE YEAR

The recipient of the Adult Tournament of the Year Award for 1992 was the sportsCare Southern Senior Hardcourt Open Championships held in Gulfport, Mississippi, October 8-11.

Hosted for the second year by the Bayou Bluff Tennis Club, the tournament featured singles/doubles/mixed doubles competition for men and women in the 25 through 75 age divisions and attracted a draw of 135 players.

With a \$5,000 title sponsorship from sportsCare Athletic Health at Memorial Hospital, each player was given a welcome gift package consisting of a tote bag containing a mug, tournament T-shirt and discount coupons redeemable at local shops. A continental breakfast was served daily with a courtside fruit table plus beer and soft drinks available at all times.

Publicity included pre-tournament television coverage as well as daily updates and match results in the local newspaper.

Bob Allsbrook

## JUNIOR TOURNAMENT OF THE YEAR

The South Carolina State Closed Junior Championship was the recipient of the 1992 Junior Tournament of the Year Award.

Held July 29 through August 5 in Spartanburg, South Carolina, the tournament featured boys and girls singles and doubles in the 10, 12, 14, 16 and 18 age divisions. For the first time in its history a qualifying tournament was held to fill 16 slots in the 64 draw. The top 48 players in each age division were determined by computer selection and automatically placed in the draw with the balance filling in from the qualifying.

Over 50 courts were used throughout the city of Spartanburg to accommodate the draw of over 600 players. Each age division had its own site which included both the courts and social activities. A tennis carnival was held on Saturday followed by a banquet with over 700 in attendance for all players, parents and coaches.

Publicity for the tournament consisted of newspaper articles before, during and after the event as well as television interviews with the top players.

The Brewer Family

### FAMILY OF THE YEAR

The Family of the Year Award is presented annually to a family that has been outstanding in its promotion of tennis in the STA. The 1992 award was presented to the Brewer family of Little Rock, Arkansas.

Tom Brewer played tennis in high school and college and is an active participant in the USTA League, the Phillips 66 League and the STA Mixed Doubles League. He has been an umpire for the past four years, officiating in state, sectional and national junior

tournaments. Tom was named Arkansas Umpire of the Year in 1991.

Barbara Brewer participates in USTA League, Phillips 66 League, STA Mixed Doubles League and USTA sanctioned tournaments. She has worked as tournament director of the St. Vincent's Pro Satellite Tournament that won the Southern Adult Tournament of the Year Award in 1991. Barbara has been the chairman of fundraising for the Arkansas Tennis Association, vice-president for three years and is now president of the ATA. She is a founder of the Arkansas

Tennis Patrons Foundation and is currently serving on the STA Public Relations Committee, the Foundation Committee and is chairman of the College Program Committee.

The Brewer's son, Patrick, began playing tennis at age 14 and has been state ranked for four years and a member of his high school tennis team. Patrick has served as an instructor for the ATA grassroots Walker Program for the past two summers and is currently attending Charleston Southern University on a tennis scholarship.

Sharon Gault

### VOLUNTEER SERVICE AWARD

The Volunteer Service Award is given annually to a person with a minimum of five years service who has devoted exceptional time and energy in volunteer work which supported the sport of tennis in the STA. The winner of the Volunteer Service Award for 1992 was Sharon Gault of Greenville, Mississippi.

Sharon served as the 1983-84 president of the Mississippi Tennis Association. After her presidency Sharon volunteered for the job of District League Coordinator for Mississippi and continued with the program as STA League Council Chairman in 1986-87. She organized Mixed Doubles League pilot program for the state in 1990 and served as volunteer tournament director for the Mixed Doubles League District Championships in 1991 and 1992. Sharon currently serves the STA as chairman of the Long Range League Planning Subcommittee and is a member of the Adult League Council.

### SPECIAL TENNIS EVENT AWARD

The Special Tennis Event Award is given annually to a tennis event which has demonstrated excellence in administration or promotion of tennis within the STA. The 1992 award recipient was the Arkansas Tennis Patrons Foundation Mixed, Mixed Doubles Invitational Benefit Tournament which was held October 16-17 at the Country Club of Little Rock.

1992 marked the 23rd year the fund raising tournament had been held. The event provides over 50% of the revenue for tennis programs in the state. The programs include funding for grass roots youth tennis, establishment of school tennis programs and support for the USTA leagues. The 1992 benefit attracted 200 players and raised over \$40,000.

The annual tournament began on Friday evening with cocktails, dinner and a silent auction at the Country Club of Little Rock. Saturday featured the doubles tournament, a luncheon, the finals and an awards ceremony. The funds raised came from the \$150 per couple entry fee and the silent auction bids.

### GERRIE ROTHWELL AWARD

The Gerrie Rothwell Award is given in memory of the former USTA District League Coordinator from Little Rock, Arkansas. The award is presented annually for excellence shown as a volunteer in the league program within the Southern Section. The recipient of the 1992 award was Donna Beneux of Mulberry, Arkansas.

Donna is a high school teacher by profession but finds the time to devote a great deal of energy to numerous outside interests - one of which is tennis. As a physical education teacher, Donna taught tennis in her classes but never played the game until she took a temporary retirement from teaching when she was 30 years old. She soon became interested in the administrative side of the sport and became a league coordinator in 1987 in an area that had only 25 teams. As a result of her hard work the area now has almost 60 teams with over 700 players.

Along with her teaching job, volunteer work with the local leagues and other community projects, Donna also finds time to assist at the District League Championships in Little Rock and an occasional STA Sectional Championship. She worked at both the 1988 Sectional Championships in Little Rock and the 1991 Championships in Chattanooga.

### UMPIRE OF THE YEAR

The Umpire of the Year Award is given annually to an umpire, chosen from the nominations of the nine Districts, who has made outstanding contributions to the cause of tennis officiating in the STA. This year's award was presented to Peppy Williams of Thomasville, Georgia.

Peppy Williams, who has been a certified USTA official for the past nine years, has been very active in running tournaments, officiating at the grass roots level and recruiting new officials.

Peppy has given much of her volunteer time to organizing a major tournament in Thomasville, GA and in assisting with the administration of tournaments in Albany, Valdosta, FSU and ABAC. Until three years ago she was the only certified USTA official in the Albany subdistrict #7, but due to her efforts in recruiting there are now 48 officials in the area. As a follow-up to the recruiting program, Peppy initiated the GTA Board's endorsement of the use of certified umpires at most GTA sponsored tournaments. In her own work as an official, Peppy Williams not only works at the major tournaments but gives much of her time to small grass roots events throughout her home state of Georgia.

### EDUCATIONAL MERIT AWARD

This award is given annually from nominations of the nine Districts to an individual who has developed an outstanding tennis program which provides leadership and inspiration in junior tennis. The program may be used in schools, colleges, parks and playgrounds and benefits the growth of the STA.

The 1992 Educational Merit Award was presented to Betty Jones of Chattanooga, Tennessee. Betty is a teacher and coach at the Chattanooga State Technical and Community College. However, she is the recipient of this year's award because of her tennis programs for disadvantaged youth, the physically handicapped, the hearing impaired and senior tennis players.

Betty introduced the USTA "Never Ever" pilot program in Chattanooga for seniors 50 and over who had never played tennis. She used graduates from "Never Ever" and other volunteers to establish "Project Love", a program to bring tennis to disadvantaged youngsters in the Chattanooga area. Betty also promotes wheelchair tennis and tennis for the hearing impaired. Along with her special programs work, Betty Jones serves as director of the Chattanooga Tennis Association, coordinator for the Chattanooga Professional Tennis Association, chairman of the State Ranking Committee and a committee member for the Girls' National 14's and the Harriet Tugman Express - a tennis program for housing project youth.

### DISTINGUISHED ACHIEVEMENT AWARD

The Distinguished Achievement Award is a special award presented by the STA Awards Committee to an event or person demonstrating excellence in the support and/or administration of a tennis event or promotion of the sport of tennis. This year's award was presented to the 1992 USTA League Southern Sectional Championships.

Held in Chattanooga, Tennessee, July 25 through August 2, the city hosted the Sectional League Championships for the second consecutive year. Using 92 courts located throughout the city and over 500 volunteers, the championships drew approximately 2,000 players and their family members, adding over \$3 million dollars to the Chattanooga economy. The championships were the largest tennis event ever held in the state of Tennessee.

More than 15 sponsors provided funds and products which were used for parties, prizes and souvenir items for the players. The volunteer force assembled the souvenirs, door prizes and "goody bags" as well as hosting the parties, operating refreshment stands and coordinating transportation.

Publicity consisted of full page color features in the Sunday newspaper as well as daily features and extensive radio and television coverage.

Greta Gibson

### THE DEWITT REDGRAVE III JUNIOR ACHIEVEMENT AWARD

The Junior Achievement Award is given in memory of DeWitt Redgrave III to the #1 Southern ranked junior in the Boys' and Girls' 18 & Under age divisions for their support and participation in ranked tournaments in the Southern Section. The 1992 winners are Greta Gibson of Little Rock, Arkansas and Eddie Jacques of Huntsville, Alabama.

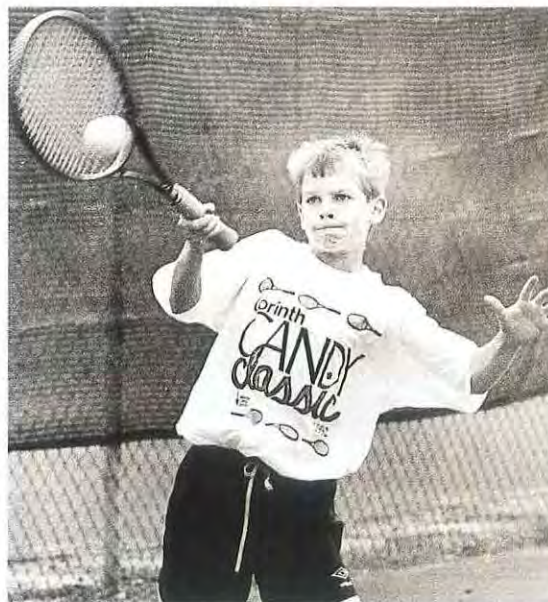

Greta Gibson began playing tennis when she was seven years old and has held a top level ranking since she was ten. She has been a member of the Junior Wightman Cup Team since she was 14 years old and played on the Southern Intersectional Team. In 1992 Greta won the Southern Winter Indoor, the Little Rock Easter Bowl, the Arkansas Qualifying and the Southern Closed. Her end of year tentative rankings were #1 in the STA and #31 in the nation. She was Senior Class President at Pulaski Academy and a member of the school All-Conference volleyball team. Greta is now attending Baylor University in Texas on a tennis scholarship and will major in Business Administration.

Eddie Jacques' father gave him his first tennis racquet and ball at the age of three. He played his first tournament at age six and has been nationally ranked since he was a 10 year old. During 1992 Eddie reached the semifinals of the U.S. Open Junior Singles Championship, placed third in the Interscholastics in Durham, NC, won the USTA Boys' 18 National Clay Court Championships and won both the singles and doubles championships at the Southern Boys' Closed. Eddie ended 1992 ranked #1 in the STA and #3 in the nation. He was considered the #1 collegiate tennis prospect in the U.S. and will play on the University of Georgia tennis team beginning in 1993.

### USTA/STA NJTL CHAPTER OF THE YEAR

The USTA/STA NJTL Chapter of the Year Award is given to a USTA/STA chapter within the STA that has demonstrated over a long period of time a high degree of organization and success in serving the junior players in its area. The 1992 recipient of the award is the USTA/NJTL Chapter of Natchez, Mississippi.

The Natchez NJTL Chapter which began 12 years ago is not a large chapter in number of youngsters served but has had great success over the years. With a strong emphasis on school work as well as tennis, the chapter has had a high number of members enter college in its 12 year history and 20 have attended college on tennis scholarships. The chapter's success with its youngsters academically is significant since they come from a wide range of social and economic backgrounds. The devotion to the program on the part of its members has been shown by the fact that some return from college in

### STA ENROLLS 100,000TH MEMBER

## USTA NTRP COMPUTER PROGRAM QUESTIONS AND ANSWERS

1. I lost all my matches. How could I be moved to a higher level of play?

2. How could I be moved up when I played the # 3 position doubles, and our team's # 1 doubles team was left on level?

3. My team lost all our matches last season. Why were none of our members moved down?

ANSWERS: A player's rating is **not affected by the position played, the actual number of wins versus losses or the team's standing.** Your computer rating is affected by what opponents you played, who your partner was, and **the closeness of the match (regardless of whether it was a win or a loss.)** Your computer rating is assigned by direct and indirect comparison to players rated by teams of national verifiers at USTA League Tennis National Championships, and teams of verifiers at Sectional and District Championships. These players are referred to as benchmarks.

4. What is a benchmark?

ANSWER: A benchmark is a player whose rating has been determined or corroborated by NTRP verifiers and to whose record other records are compared, directly or indirectly, to derive ratings for a large number of players. A benchmark player is not necessarily at the top of a level but may fall anywhere within that level. A player at the top of a level is simply called a top-of-level player. The first level of Benchmark players come from the National Championships. These National benchmarks help determine the ratings for the players participating at the Sectional Championships (sectional benchmarks.) The National and Sectional benchmarks then help to determine the ratings for the players at the District Championships (District benchmarks.) All levels of benchmarks help determine the ratings of the players at the local level.

5. I play singles and doubles for my team. Will I receive two computer ratings?

ANSWER: No. Players only receive one computer rating. A player who plays both singles and doubles will receive the higher of the two ratings generated in accordance with national procedures. At the local level, players will not receive a rating based on one match.

6. If I play on an adult division team and a senior division team, will I receive separate computer ratings?

ANSWER: No. A player will receive only one computer rating - the higher of the two ratings generated between the divisions.

7. How long must I sit out before I can play at a lower level?

ANSWER: Under current regulations, a player will retain his/her most recent computer rating for an indefinite period of time. There is some discussion of placing a time limitation on this for the future.

8. Without getting too technical, how can I understand how my local rating was achieved?

ANSWER: Each match that you play during the league season affects the final rating generated for you. Your matches against benchmarks (players who advanced to championship competition) and against players who played benchmarks (indirect comparison to benchmarks) will affect your final rating. The closeness of these matches is key to analyzing how your rating was achieved.

9. I played one match and received one forfeit. This counts as two matches played. Will I receive a computer rating?

ANSWER: No. Forfeits are not entered into the computer. Under national regulations, players will not receive a local rating based on only one match.

10. Our state does not win at the Sectional Championships. We must be rated too high.

ANSWER: The purpose of the USTA League Program is to provide organized recreational play emphasizing **local** competition. The fact that your state is not winning every level at the Sectionals does not indicate that the ratings are not correct within your state. The true yardstick by which to measure the success of the league program in your state is how competitive local play is.

# United States Tennis Association Player Development Program

## USTA/STA AREA TRAINING CENTERS

Each USTA Area Training Center serves as a training site for the 20 best players, between the ages of 12 and 15, within an established geographic region. Typically, these Centers operate one or two weekends a month between September and June to complete the required 50 hours of training. The cost to the athletes is a modest \$200 per player, which is used to finance the operation of each Center. The program is a supplement to the training schedule of players and is not intended to replace any aspect of their regular training. ATC players' development can be tracked, so specific training advice can be given to each player, their parents and personal coach. Each Area Training Center has a staff of coaches, scouts and administrator, who are all trained by the USTA. There are currently 118 Area Training Centers in operation in the United States of which 19 are in the Southern Section. For information on participating, contact the STA office.

Listed below and on the next two pages are the cities, sites and personnel for the ATC's in the Southern Section.

## USTA CROSS-SECTIONAL TRAINING CAMPS

Through the USTA and STA Player Development Programs, the STA's top 15-16 year olds trained with players from Florida, Texas and the Caribbean at camps in Greensboro, North Carolina and Ponte Vedra, Florida. This program is in place for players as they age out of the Area Training Centers and is also provided as a supplement to their personal training. The curriculum for the camps was determined by the USTA National Coaches. Top junior coaches from the respective Sections staff the camps. Phil Chamberlain was the head coach in Greensboro and was joined by Larry Rizzo. Colin Smith and Teri Hennessey served as coaches in Ponte Vedra.

## Junior League Tennis Programs

### STA JUNIOR LEAGUES

More than 10,000 youngsters participated in USTA Junior Team Tennis and STA/TEAMTENNIS junior leagues in 1992 in the STA. Sportsmanship, team camaraderie and fun are the cornerstones of the STA's junior leagues. Volunteer parent-coaches are provided free on-court training by the USTA and STA following the USTA's Rookie Coaches Guide. An additional benefit of the USTA junior membership is a t-shirt for every player for every season in which they participate.

Junior leagues can take place at any time during the year in your area. Contact Bill Ozaki at the STA office to get a league started in your local area.

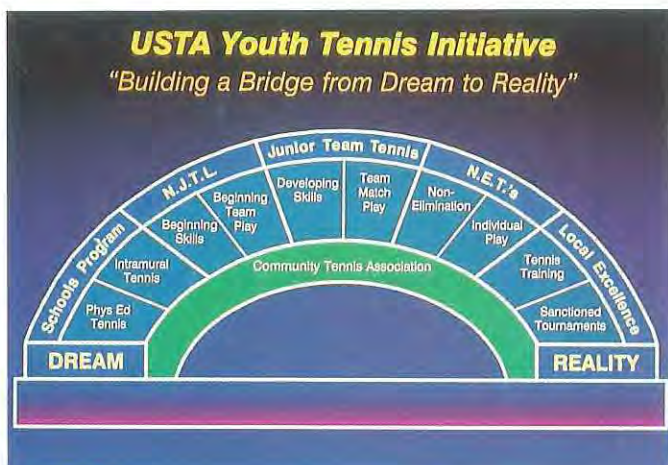

Free T-Shirts to all players help make USTA Junior Team Tennis and STA/TEAMTENNIS Leagues a fun thing to do

Sportsmanship, Teamwork and Fun are the basic elements of USTA Junior Team Tennis

## USTA/STA SCHOOLS PROGRAM

### New Sponsorship

It was announced in January, '93, that Pizza Hut had agreed to give both cash and product in support of the USTA/STA Schools Program for 1993. This extensive sponsorship will include the hiring of a third Schools Director to work with Darryl Lewis and John Sheffield in promoting and supporting the teaching of tennis in physical education classes in the 4-8th grades of schools, both public and private, throughout the section.

STA Schools Directors and USTA Clinicians, in more than 50 workshops conducted throughout the South, taught over 1000 physical education teachers how to teach tennis in school gymnasiums and on school playgrounds. These teachers in turn will bring an introduction to tennis to an estimated 60,000 students in the 4-8th grades. Tennis professionals, volunteering their time to be USTA Clinicians, conducted these workshops and over 50 motivational assemblies (a 45-minute demonstration usually conducted in school gymnasiums just before a physical education unit is taught) for more than 14,000 students throughout the nine states of our section.

## USTA/NJTL CHAPTER OF THE YEAR

Natchez, MS, and its chapter leader, Henry Harris, received the STA sectional award as USTA/NJTL Chapter of the Year at the STA Annual Meeting in Atlanta, GA, in January. In existence for 5 years, this strong and active chapter has brought not only fun and improvement in tennis to hundreds of children from the Natchez community, but it has also produced over 20 winners of college tennis scholarships. In addition, this chapter hosted one of three very successful USTA/NJTL Regional Rallies which provided a low-key competitive tennis experience with a field trip, free lodging and food, and a tennis carnival with lots of prizes. Congratulations to all the volunteer leaders of Natchez!

Over 50 chapters of USTA/NJTL are active in communities across the South providing a low-cost introduction to tennis on real tennis courts for young beginners. These programs, which range in size from 10 to 2500 participants, represent an appropriate follow-up to the USTA Schools Program.

For information on any of the programs related to Community Development, please contact your District representative listed below.

## WOULD YOU LIKE TO VOLUNTEER TO HELP ONE OF THESE PROGRAMS?

There are a variety of volunteer tasks such as phone calling, working with kids on-court, assisting physical educators and professionals, computer data input, statistics research and collection, that range from 1 hour per month to 5 hours per week. If you are interested in finding out more or signing up for a specific task, or assisting in starting a new program, call or write to either your district office (see the section of this yearbook devoted to your district) or Sue Gray at the STA, Suite 200, 200 Sandy Springs Place, Atlanta, GA 30328 (Phone 404-257-1297).

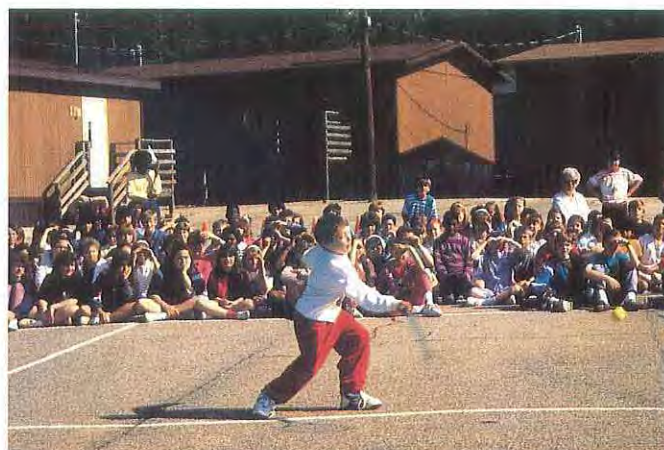

# STA Community Development Programs

Tennis is certainly the "Sport of a Lifetime" thanks to tennis professionals across the South like Henry Harris of Natchez, MS, shown tossing a ball to one of his younger students.

Recreational programs such as USTA/National Junior Tennis League allow young players to learn valuable lifetime skills.

School assemblies provide an exciting motivational tool for physical education teachers about to teach tennis in their classes.

## WHEELCHAIR TENNIS

Three wheelchair tennis championships to be held in the South in 1993:

Level 2	USTA National Outdoors Championships
	May 20-23 Atlanta, GA
Level 3	Southern Regional Championships
	June 11-13 Nashville, TN
Level 4	Southern Sectional Championships
	May 14-16 Baton Rouge, LA

Two sanctioned wheelchair tennis tournaments to be held in the South in 1993:

Aug. 6-8 or 13-15	Greenville, NC
Sept. 11-12	Greensboro, NC

Free instructional clinics will be held at many locations throughout the Southern section. Atlanta, GA, Baton Rouge, LA, and Jackson, MS, are some sample cities planning such events. Wheelchair players and would-be players should contact their district offices to get more details.

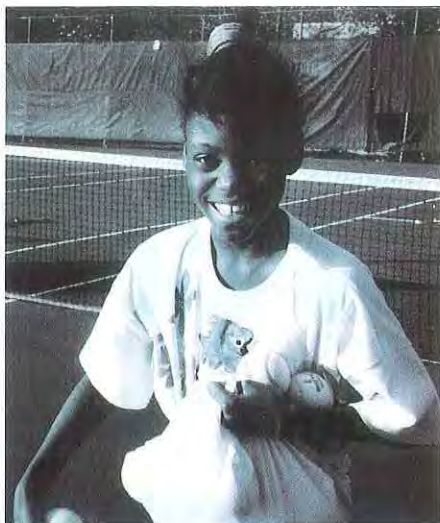

Wheelchair tournaments draw plenty of spectators from both the wheelchair and able-bodied populations.

## SPECIAL ONE-OF-A-KIND PROGRAM SUCCESS STORIES

### Gifted Athlete Program

Pat Devoto of Atlanta, GA, improved upon her success in '91-'92 with a revised format for the G.A.P. Program at the Techwood Homes Project in Atlanta. With the cooperation of the Georgia Institute of Technology and the City of Atlanta's Bureau of Cultural Affairs, and the on-site assistance of a handful of loyal volunteers, she organized short court tennis lessons on the school playground on fall afternoons in preparation for the final selection of the best and most motivated athletes to get special instruction in the winter and spring at Ga. Tech's Bill Moore Tennis Center under an independent teaching professional. Having been funded in its first year only by a special STA grant, a new sponsor was needed to ensure its continuation. Georgia Power Company came through with a significant grant to the Southern and Georgia Tennis Patrons Foundations for this purpose.

### Wheelchair Schools Program

Mary Smith of Atlanta, GA, and Bev Vaughn of the Dekalb County School System in metro Atlanta organized a 6-week tennis instructional unit in two schools complete with physical therapists and volunteers trained in a modified USTA Schools Program teacher workshop and the loan of short court tennis equipment from the STA. In addition, Mary Smith and Bunny Wardlaw of Stone Mountain, with great support from the Atlanta Lawn Tennis Association Foundation, Asahi Shoes, a dozen parent volunteers, Jon Niemeyer and Blackburn Park in the Dekalb County Parks System, and Sally Yeiser and John Sheffield from the STA staff, ran a 10-week follow-up recreational tennis clinic for over 20 wheelchair players every Saturday afternoon and declared it a great success.

### Camp T.E.L. Summer Program

Terry Holloway of the Louisiana Tennis Association started an inner city summer tennis camp experience for dozens of children in Baton Rouge, LA, at the courts of Capital High School, with the help of one teaching professional and a number of dedicated volunteers. With the aid of a USTA Seed Grant, the program got off to a great start in the summer of '92. New funding sources in Baton Rouge have already been identified for '93.

## WHERE HAVING A BALL DOESN'T STOP WITH SERVING ONE.

At the Concourse Athletic Club, tennis on one of our 7 Har-Tru courts is just the beginning of the good times. There are also 5 squash courts and 5 racquetball courts. Not to mention a gymnasium where you can play basketball, work out in a conditioning class or take advantage of extensive weight equipment.

There's an indoor track for running or walking, plus two 25-meter pools if you prefer the crawl. And while the kids are just down the hall in our childcare center, you can enjoy an invigorating massage and a steam, meet your personal trainer in the restaurant or pick up something in the latest workout colors at the Pro-Shop.

But first you've got to get the ball rolling, with a call to 698-2000 for your free visit.

# DAILY PLAYING LIMITATIONS FOR ADULT TOURNAMENTS

The following Daily Playing Limitations have been approved as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT AT THIS TIME ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates. Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament within its sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

Following is the list of tournaments that require endorsement. Please check the tournaments that you would like to play, (pending your eligibility and endorsement) and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request an entry unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

# Junior Endorsement Information & Check-Off List

**Important Information**--All juniors who hope to be endorsed or ranked in 1993 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

**STA Rules & Regulations**--Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1992 STA rankings are printed in this issue also.

**Summer Tournament Schedule**--The summer season will arrive sooner than you expect and it is time to begin making your plans. On the previous page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. If you feel that your record will put you in contention for endorsement to any Zone Team or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). **Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/93 through the present.** All Zone Team and/or National entries, except for 14 Zone Team Championships, will be distributed at the Southern Closed.

**USTA Player Record Form** - Printed on Page 116 you will find a USTA Player Record Form. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS HOPING FOR ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY ARE HOPING TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

**National Entry Forms**--The USTA uses a standard entry form for each of the USTA National Championships. These forms may be requested from your endorser at the Southern Closed. Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

- 1.Fill out all entry forms and player record forms in BLACK ink.
- 2.Make check payable as indicated on the fact sheet.
- 3.Never send your entry directly to the tournament. It MUST be first signed by your endorser.
- 4.Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
- 5.Send a copy of your USTA card.
- 6.Be sure to let your endorser know how to reach you during the endorsement process.
- 7.If possible, indicate your travel and housing plans on your entry form.
- 8.Return with each entry form a self-addressed, stamped envelope for your endorser's use.
- 9.Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

**National Tournament Deadlines**--The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

**Quotas and Alternates:** The STA quota is sixteen (16) for all National Championships, thirty (30) for 14 Zone Team Championships, and forty (40) for 12 Zone Team Championships. When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some

alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

## Entry Fees to the USTA National Championships:

(August 7-15) The STA will pay the entry fee for all players accepted into the draw at the USTA National Championships. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in quota, the checks for those players will be returned or destroyed. Those players listed on the endorsement list as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

**Your STA Endorser/Ranker:** On the previous page is a list with addresses of the junior endorser/rankers for 1993. Please establish early communications with your endorser/ranker and start by filling out the form and mailing it as soon as your plans are complete, but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this SOUTHERN TENNIS Yearbook. Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

**Special Events:** There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays all expenses. Among these are the three Intersectional team championships as follows:

- 1.Boys and Girls 16 in Charlotte, NC July 11-17 for which the STA selects a team of six to eight (3-4 each BG16). The STA team has won this event six times.
  - 2.Boys' 18 Intersectionals in Columbia, SC August 1-4, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship four of the last seven years.
  - 3.Girls' 18 Intersectionals in Rancho Solano, CA, August 4-7, for which the STA selects a team of up to eight players in the G18/16 group. The STA has won this team championship four of the last six years.
- Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached.

**Designated Tournaments:** See STA Rules and Regulations, Article IV. Be sure to review the STA Rules and Regulations on Articles IV and V, dealing with endorsement procedures and ranking regulations. Beginning in 1993, participation in one of the five STA/Penn Junior Super Circuit Designated Tournaments is required for endorsement. Draws will be limited to the top 32 players entering, based on current ranking and records. Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. **PLAN YOUR SCHEDULE EARLY!**

**Boys and Girls 18 Doubles:** In 1993 doubles rankings for the Boys and Girls 18 age group will be done on an individual basis. Minimum requirements will remain the same.

**USTA Yearbook:** In addition to reading the Southern Tennis Yearbook carefully, we urge you to consider purchasing an official USTA Yearbook. You may order one by sending a check for \$18.40 (includes postage and handling) to USTA Publication Dept., 70 West Oak Lane, White Plains, NY 10604.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. **Exhibit the best in sportsmanship on and off the court.**

# Minimum Requirements for Junior Ranking

## Boys' and Girls' 18-12

One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the players' own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirements. **Note: Because the Boy's and Girl's 12 Division has no Summer Open tournament, the STA Indoor Open in November may be substituted for this tournament.**

# WHAT'S RIGHT (AND WRONG!) WITH COLLEGE TENNIS

by Eddie Gonzalez, STA Director of Promotions

As a four-year letterman in college tennis (some people accuse me of being in college a lot longer than four years), I feel somewhat of an expert on the subject. That is why I have selected college tennis as the topic of my editorial.

I can remember back in my glory years at North Carolina State University (way-way back five years ago) when we played our most despised rivals in "Baby Blue" from the University of North Carolina. Both teams would introduce their respective players in front of a packed stadium totaling **5 people!** (two girlfriends, one set of parents, and a spectator who happened to be walking by the tennis courts) Five hours later, as the match began to wind down, the crowd had dwindled to two; the girlfriends stuck around because they would get to go out to dinner after the match. This leads me to my first point; **college tennis matches are too long!** The Intercollegiate Tennis Association (ITA) finally recognized this last year and voted to change the format of college tennis matches. (The three doubles matches now precede the singles with the doubles reduced to an 8-game pro-set. One team will either win or lose 3-0 or 2-1 in the doubles. The doubles now is worth **1 point** towards the team score, so a team will be up or down 1-0 entering the singles)

This format change **de-emphasizes** doubles. (In my opinion) At a time when our junior players do not play enough doubles in the first place, college tennis is now sending a message to specialize in singles. The time of the match will not be reduced that much because players will still have to wait until their opponents have finished their doubles match before playing singles.

Eddie "G" has a solution; change the format to **3 doubles matches and two singles matches played all at the same time.** (still 2 of 3 sets, by the way!) This accomplishes three things:

1. reduces the length of a dual match from 5+ hours to 2 1/2-3 hours at the longest (how many college singles matches last three hours?)
2. allows 8 team members to participate where now, in all likelihood, only six people play in each match.
3. Makes the singles and doubles matches worth the same (doubles is actually worth a little more, but that's okay)

Another added benefit with my solution is that teams can now play two dual matches in one day. This is a tremendous bonus because teams can only have 25 match **days**, according to NCAA rules. Imagine the cost savings to a college with the ability to play a school like UNC in the morning, with an afternoon match against an NC State?!

When you think of the length of major college spectator events, (basketball, football, soccer) they last no longer than 3 hours. It sure would have been nice to beat UNC in front of a few hundred people rather than just my girlfriend, who only stuck around for a free dinner that night!

A quorum for the transaction of business by the Board of Directors shall not be less than one-half (1/2) of its members, exclusive of Past Presidents. 2. The affairs of the STA between meetings of the Board of Directors shall be managed by THE MANAGEMENT COMMITTEE, whose members shall consist of the President, Executive Vice-President, all other Vice-Presidents, Secretary, Treasurer and the Sectional Delegate to the USTA.

3. THE NOMINATING COMMITTEE shall be composed of five (5) members, one of whom shall be the immediate Past President who shall serve as Chairman.

(a) The four (4) members of the Committee, other than the immediate Past President, shall be elected for a one (1) year term at the annual meeting of the members of the STA to serve until the next annual meeting or until their successors are duly elected and qualified. In addition to the immediate Past President, two (2) members of the Nominating Committee shall be members of the Board of Directors. No officer may be a member of the Nominating Committee and no two (2) members may be from the same District Association. No member may serve on the Nominating Committee more than four (4) consecutive years. Two (2) members of the Nominating Committee shall be nominated to serve for a second consecutive term. A vacancy for any cause on the Nominating Committee, including that of the Chairman, prior to the filing of its report shall be filled by the Management Committee by appointment of a person representing the same District Association as represented by the person unable to serve. In the event of a vacancy in the Chairmanship, a new Chairman shall be appointed by the Management Committee.

(b) The Nominating Committee shall make nominations for officers, Sectional Delegate, Delegates-at-Large, and members of the Nominating Committee to be voted on at the next annual meeting of the members of the STA. It shall file such nominations at least sixty (60) days prior to the next scheduled annual meeting with the Secretary. Notice of the nominees thereof shall be mailed to each District Association within ten (10) days of receipt and with the notice of the annual membership meeting. If, prior to the annual membership meeting, any person so nominated dies, becomes incapacitated, or declines, or becomes ineligible to accept nomination, the vacancy in the nominations shall be filled by the Nominating Committee and the name of such persons as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly selected for such purpose by the Nominating Committee.

(c) In addition to nominations made by the Nominating Committee, nominations for Officers, Sectional Delegate, Delegates-at-Large, and for members of the Nominating Committee, may be made by petition executed by District Associations having an aggregate voting strength of not less than one-third (1/3) of the total voting strength, which petition shall be filed with the Secretary of the STA within thirty (30) days from the date notice is sent to the District Associations of the nominees submitted by the Nominating Committee. A notice of the names of such petition nominees and their proposers shall be mailed to each District Association within ten (10) days of receipt by the Secretary and shall be mailed with the notice of the annual meeting or any supplemental notice of the annual meeting, if a notice has been previously mailed. Any petition shall nominate persons for all positions enumerated under Section 3.(c) above.

(d) In the event nominations proposed by District Associations are different than that proposed by the Nominating Committee, a vote will be taken at the annual meeting on a slate versus slate basis.

(e) No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

4. THE GRIEVANCE COMMITTEE shall be composed of three (3) persons named by the President, with the approval of the Management Committee, and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional member of the USTA, all rules and regulations of STA, and the standards of good conduct, fair play, and good sportsmanship. The Grievance Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Grievance Committee charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules and regulations of the STA or of the USTA, or the standards of good conduct, fair play, and good sportsmanship, the chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation which shall be furnished within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules and regulations of the STA and USTA or the standards of good conduct, fair play and sportsmanship, the Chairman shall have the power to fine such person in an amount, not in excess of \$1,000.00, or to suspend such person for such period of time as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Grievance Committee shall have the same power to fine or suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision. "Findings of Fact" shall be prepared by the Chairman or Vice-Chairman and furnished to the person penalized and the Executive Director of the STA.

(b) Within thirty (30) days after receipt of a written notice of the decision by the Grievance Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Grievance Committee. Upon receipt of such a request, the chairman of the Grievance

Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative, attorney, parent or third person to present testimony and other evidence and cross-examine witnesses. The Grievance Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Grievance Committee shall promptly notify the person penalized of its decision. "Findings of Fact" shall be prepared by the Committee and furnished to the person penalized and the Executive Director of the STA.

(c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Grievance Committee and have the Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above, and the Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

(d) Any appeal from a decision of the Grievance Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Grievance Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the Findings of Fact and the decision of the Grievance Committee. The Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

(e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Grievance Committee.

(f) All action of the Grievance Committee shall be reported to the USTA Grievance Committee and any other bodies or individuals deemed necessary by the Board of Directors.

5. THE SANCTION & SCHEDULE COMMITTEE shall be composed of a chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to the Board of Directors. Tournaments shall actually be awarded by the Board of Directors. In between meetings of the Committee, the Chairman shall be responsible for carrying out the functions of the Committee.

6. THE RANKINGS COMMITTEE shall be composed of a Chairman and such persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.

7. THE CONSTITUTION AND RULES COMMITTEE shall be composed of a Chairman and two other persons appointed by the President. This Committee shall review all regulations, By-Laws or Charter changes proposed for consistency and quality of language and shall recommend changes in the By-Laws as required.

8. THE PRESIDENT, in addition to being a member of the Board of Directors and the Management Committee, shall be an *ex officio* member of all other committees, except the Nominating Committee. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to re-election or re-appointment as the case may be, for a one-year term or until their successors are named.

9. The following shall constitute a quorum for the transaction of business for the following named committees: Management Committee, not less than two-thirds (2/3) of its members; Nominating Committee, not less than three-fifths (3/5) of its members; Grievance Committee, not less than two-thirds (2/3) of its members. Quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.

10. Members of any committee may participate in the meeting of the committee by a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in the meeting pursuant to this Section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees, by mail.

11. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and

such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

12. Any action required or permitted to be taken at any meeting of any committee, other than the Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

### I VERTICAL BAR INDICATES CHANGE

#### APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

#### I. Quota System for Entry to Southern Junior Closed Championships

##### A. General.

The draw in every age division of the Southern Junior Closed shall be 128. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event,

unless the failure to play is attributable to a bonafide reason such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts (States) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

DISTRICT/QUOTA/SELECTOR	BASIS FOR SELECTION
<b>ALABAMA</b> Quota: For 128 Draw-11 Newton Cox	Must play in the Alabama Qualifying Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place. The losing semi-finalists of the feed-in event will play for the 7th and 8th places, and there will also be a playoff for positions 9, 10, 11, and 12 in case any one of the first 8 players cannot participate.
<b>ARKANSAS</b> Quota: For 128 Draw-8 Boys: David Kossover Girls: Janet Porter	Selection of players shall be based on a player's last year's USTA, STA, and District Rankings, plus the current year's play, and must have played in the current year Arkansas Qualifying Closed Junior Tournament.

<b>KENTUCKY</b> Quota: For 128 Draw-9 Karen Allen	The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.)

A player may be waived from the Qualifying only by a verified illness or injury and if the waiver is granted, the District Selector may use last year's ranking and current play for consideration for selection.
<b>MISSISSIPPI</b> Quota: For 128 Draw-9 Gail Olt	The primary basis for selection will be the players' performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crises, or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed.
<b>NORTH CAROLINA</b> Quota: For 128 Draw-15 Boys: Dr. Mike Lawless Girls: Mary Lloyd Seate	Juniors must play in the singles event of the Tarheel Qualifier in the age group one wants to be considered for selection unless waived in advance by the waiver committee. If players meeting the requirement have not filled the quota, the quota will be filled in order of players' demonstrated abilities.
<b>SOUTH CAROLINA</b> Quota: For 128 Draw-13 Boys: Bill Lindsay Girls: Patti Bearden	To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and Committee. The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on players record from January 1 up to and including the State Qualifying (e.g. common opponent, calibre of wins, head to head). All players wanting to be endorsed MUST fill in an application at the Qualifying and return it to their endorser before the date specified by the endorser.

##### B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to

the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

### C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1993 Southern Junior Closed Championships are listed on the previous page:

### D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

## II. STA Boy's and Girls' Intersectional Teams

### A. General.

The STA annually selects Boys' and Girls' Intersectional Teams to represent the STA. The STA appoints a coach/chaperon to travel with each team and the STA funds the team expenses. The team consists of up to eight players chosen from the top juniors in the 18 and 16 age divisions.

### B. STA Committee.

Selection of the teams shall be made by the STA Team Selection Committee listed in the Yearbook under the heading of "STA Committees".

### C. Eligibility.

Any junior player in the STA meeting the following requirements shall be eligible to apply for Team selection:

1. Any player having a singles ranking of 1-10 in the 1992 STA 18's division ranking, or
2. Any player having a singles ranking of 1-5 in the 1992 STA 16's division rankings, or
3. Any member of the 1992 team who is still eligible for 18 or 16 and under competition in 1993, or
4. Any player having recorded one (1) win since January 1, 1993, over any of the players eligible under the preceding three categories.

### D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

### E. Application.

Any STA junior player interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

## III. STA Junior Davis Cup Team

### A. General.

The STA annually selects up to three (3) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the STA.

### B. Application.

Applications should be obtained from the STA office. Selection will be based on 1992 rankings and current season's records.

## IV. STA Endorsement Procedure to USTA National Junior Championships and Zone Team Championships:

USTA 12 & 14 Zone Team Championships

USTA National Junior Clay Courts Championships

USTA National Junior Championships

USTA International Grass Court Championships

USTA International Championships

USTA National Junior Indoors Championships

### A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has a guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1993 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. The USTA 12 Zone Team Championships will include 40 STA boys and 40 STA girls. The USTA 14 Zone Team Championships will include 30 STA boys and 30 STA girls.

### B. STA Criteria-Eligibility for Endorsement to USTA National Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament and one of the five STA/Penn Junior Super Circuit Designated tournaments in the age division for which applying for endorsement. Participation in the Southern Closed and in one Designated tournament in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
- b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.
- c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will adhere to the following guidelines in considering waiver requests:

- a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver.
- b. An individual wishing to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer must apply for a waiver by October 15. If the waiver is approved he/she will be endorsed at a position to be determined by the appropriate endorser.
- c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
- d. Waiver for the Designated Events: Waivers for the Designated Events required for endorsement to the Nationals shall be considered for but not limited to the following:

1. Injury or illness.
2. Players acquiring residence in the STA after the last designated tournament.
3. Participation in International Events conflicting with the designated tournaments.

When a waiver request is approved, the player's endorsement position will be based on their current overall record.

e. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article IV.B.3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

e. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

### C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota may receive entry blanks promptly. In most cases, however, entry blanks will be distributed at the Southern Junior Closed.

### D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

a. Player Record Forms, which should be completed with every sanctioned singles match in the Division (age group) played since January 1, 1993. Doubles player records should be with the same partner you intend to enter with in this USTA Championship.

b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser.

(Never send these items to the USTA Championships, or to the STA Office.)

2. The endorser will rank all players who have applied by the deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or on the alternate list. If you are on the alternate list, it is your obligation to contact the tournament on the date indicated on the tournament application to find out if you have been accepted into the tournament.

3. If you are in quota and must withdraw, advise the USTA Championships immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action.

## V. Ranking Regulations

### A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman by November 15 or immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived only by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. A numerical grouping may be used by a Ranking Committee for giving recognition to players who meet the ranking qualifications, but whose record does not clearly establish a specific numerical position. Players thus ranked will be listed alphabetically.

8. Ranking Appeals. Tentative rankings will be published in early January and will always be available at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. Provided that a completed Player Record Form has been sent to the appropriate ranker/endorser, all players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

### B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

a. Men's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.

b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the Southern Section.

c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.

d. Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open\* and the Southern Closed\*.

e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed\* and the Southern Open\*, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open\* and the Southern Closed\*.

f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 35 Mixed doubles.

Note: \*1993 Men's Southern Open in Jackson, MS and 1993 Women's Southern Open in Memphis, TN. The 1993 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Isle of Palms, SC for odd divisions.

### C. Junior.

1. Minimum Requirements. Playing in any USTA National Championship does not count towards minimum STA ranking requirements. The minimum number of tournaments required for consideration for STA ranking in Boys' and Girls' 12-18 divisions follows:

a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of his/her own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirement. **Note: Because the Boy's and Girl's 12 division has no Summer Open Tournament, the STA Indoor Open in November may be substituted for this tournament.**

b. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.

#### D. Ranking Requirements.

1. Boys' and Girls' 14-18 ranking shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. Boys' and Girls' 12 ranking shall be based solely upon the win records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over a player or team that is eligible.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

#### E. Residency Requirements for Southern Closed Tournaments

1. Only players who have established a legal residency in one of the nine districts of the Southern Section of the United States Tennis Association (State of Alabama, State of Arkansas (including Bowie County, Texas), State of Georgia, State of Kentucky (except for the counties of Boone, Campbell, and Kenton), State of Louisiana, State of Mississippi, State of North Carolina, State of South Carolina, State of Tennessee (including Bristol, Virginia), hold a current USTA membership card assigned to one of the districts in the Southern Section, and are citizens of the United States or meet the resident alien requirements for a USTA National ranking are eligible to participate in Southern Closed tournaments. Resident alien requirements include resident aliens who have resided in the United States continuously for more than one year and are members of families of persons in the diplomatic or consular corps. In the case of a junior player, his/her legal residency is that of his/her parents or legal guardians. A policy statement on resident status is on file at the Southern Tennis Association office.

2. Juniors who desire to qualify for the Southern Closed Championships will be required to play in the District Qualifying or receive a waiver from the district where they are legal residents on the May 15 immediately preceding the District Qualifying Tournaments.

3. Players who meet any one of the following criteria can register their intent to participate in closed tournaments and /or receive a ranking in the district of their choice:

1. Juniors going to school/college outside the district where their parents reside;
2. Juniors who spend time with joint custody parents;
3. Players who live in more than one location during the year; and
4. Family members of the military.

The intent must be registered in writing to the district office where they desire to participate and the Southern Tennis Association office before the first closed tournament is held in the involved district or section. In the event no request is made, it is assumed that the player will compete and/or be eligible for a ranking in the district that best describes their legal residence.

NOTE: The intent of the above paragraph is that no one should be allowed to participate in closed tournaments or be ranked in two or more districts or sections during any single ranking year.

#### F. Residency Requirements for a Southern Ranking

In order to be considered for a Southern ranking in his/her respective age division, a player must meet the Residency Requirements of the Southern Section as stated above, and must compete in the required tournaments.

#### VI. STA Junior Suspension Point System

##### A. Code of Conduct Report

1. A Southern Tennis Association Code of Conduct Report shall be included in the tournament packet of all Southern Junior Championships and Designated Tournaments.

2. The STA Code of Conduct Report shall be filled out by a USTA certified official of the tournament, signed by the player and sent to the STA Junior Coordinator within 48 hours after the completion of the tournament.

##### B. The Point Penalty System

1. The point penalty system as sanctioned by the USTA shall be used as the base to impose suspension points. Code violations shall only be given by a USTA certified official.

##### C. Suspension Points

1. Suspension points shall be accumulated from the following events:

1. Southern Closed, Open and Indoors.
2. STA Designated Tournaments.
3. All Events in the National Jr. Tournament Schedule.

2. Suspension points accumulate over a twelve month period. Points that have been on a player's record for twelve months will be erased.

3. When six points have been accumulated, the STA Junior Coordinator shall send a letter to the player informing him/her of being in jeopardy of being suspended.

4. When a player accumulates TEN suspension points during a twelve month period, he/she shall be sent a letter from the STA notifying him/her of their suspension from USTA sanctioned events within the STA for four weeks and also from the next Southern Championship. The suspended player shall not be eligible for endorsement to any Nationals during the four week suspension.

5. Furthermore, a suspended player will be ineligible for selection to STA team events (including Zonals and Intersectionals), Area Training Centers and Cross-Sectional Camps for the twelve months following the suspension.

6. Following a suspension, the first ten points will be erased from the player's record.

##### D. Appeal Process

1. Following notice of such suspension, the player shall have the right to a hearing by the STA Disciplinary and Grievance Committee if requested within five days following the receipt of the suspension notice. There shall be a one hundred dollar (\$100.) filing fee to appeal in addition to the costs of the hearing. If the suspension is overturned in its entirety, the cost of the hearing shall be refunded. If the suspension is affirmed by the STA Disciplinary and Grievance Committee, the four week suspension shall commence as of the date following the date of the order of the STA Disciplinary and Grievance affirming such suspension. If the suspension is affirmed, the player shall have the right to appeal the decision of the STA Disciplinary and Grievance Committee to the STA Management Committee. The STA Management Committee shall not be required to hold a hearing.

#### VII. Tournament Rules and Regulations

##### A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), & USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 707 Alexander Rd., Princeton, NJ 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

##### B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who

should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.

b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.

c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same District meeting in a first round match.

d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.

f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.

g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

i. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.

j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble spots and, by their presence, can sometimes solve problems immediately.

### C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.

b. In regard to stalling, the rules of conduct play are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for towel-off, drinking water, etc., during

change of courts on odd games. This does not permit promiscuous and continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.

c. No player or players will make a comedy of a match, whether they be winning or losing.

d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.

e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.

f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.

g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.

h. Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.

i. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Disciplinary/Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

### VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA League Tennis play.

### IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

## 1992 SECTIONAL TEAM CHAMPIONSHIPS

The Poughkeepsie Tennis Club, Poughkeepsie, NY was the site of the 32nd Annual Sectional Team Championship. Formerly known as the USTA Junior Davis Cup, this tournament is open to college eligible men with Sectional endorsement. Southern has won the team event four times since 1980. This year the STA was represented by two of our finest collegiate players: Bobby Mariencheck, University of Georgia and Matt Turner, University of Alabama. The team championship is determined by total point accumulation in the singles, doubles and consolation draws. Matches are played on natural clay. The 1992 team championship was won by the Caribbean Section.

Past participants of this historic event include former world ranked players Stan Smith, Bob Lutz, Jimmy Connors and Roscoe Tanner and current University of Georgia Men's Tennis Coach, Manuel Diaz.

**The STA extends congratulations to all of its former junior stars who are now competing at the collegiate level.**

greater friend than K-Swiss. Given the chance to pour millions of dollars into the pockets of high-profile stars, we've chosen instead to nurture tennis at its roots.

We sponsor several USTA junior Nationals and Grand Prix Series tournaments, and support 200 college teams, 400 junior players and 1,400 teaching pros. And that's just in the U.S. We're also a sponsor and friend of such training grounds as the Ralston/Gorman Tennis Academy, donating thousands of dollars worth of shoes and apparel to budding players and their instructors. And a new K-Swiss program — one we're especially proud of — challenges student players to work on their studies as well as their game by offering them free shoes twice a year if they keep their grades up. There are, of course, many reasons for us to fund these kinds of efforts. The smallest ones are also some of the biggest.

and a softer, more forgiving

Last year, ProKennex bucked the trend by designing a limited edition racquet for true, top-level players – experts who'd been ignored by widebody technology. Using our own patented asymmetric technology, we developed a hitting platform with unparalleled precision. It turned the game completely upside down. Now, with the debut of two additional Asymmetrics, we've customized racquet performance for a wider range of advanced playstyles. If you want to overthrow your competition, you'd better beat them to the ammunition. **ProKennex.**
