First Serve

As I enter my second year as President of the STA, there are many goals and objectives we still want to accomplish. All areas of accomplishment point to spreading the "good news" and to increasing the level of participation in our "Sport for a Lifetime". The STA consists of active volunteerism encouraging all Americans to play the healthy life-long and life extending sport of tennis.

This yearbook provides information about past, present, and future and shows what STA is all about; its 100,000+ members of all ages, backgrounds and abilities. Our staff and volunteers have worked hard to provide you with the best sectional yearbook ever. I think they succeeded.

Regards,

Jim Russell

Second Serve

The 107th anniversary of the STA was celebrated in 1993. The volunteers and staff that operate the largest section in the USTA have done an outstanding job in bringing tennis to the South. The STA is proud of the progress that our district associations continue to exhibit. The STA Management Committee is looking forward to a progressive 1994 and hopes that we can achieve a growth of more than 15%.

For this goal to be realized, we need your help. Please volunteer to assist a USTA league or event in your area. Together we can all be a part of making tennis not only the best sport in America, but the most popular as well.

Best wishes for a great 1994,

John Callen

1994 HALL OF FAME

Southern Tennis Patrons Foundation

Zan Guerry from Lookout Mountain, Tennessee was a top ranked junior player from the time of his championship in the Boys' 11 year old division, through high school at Baylor in Chattanooga and into his college years at Rice University in Houston, Texas.

After achieving All-American status at Baylor for four years, Guerry tried his hand on the professional tennis circuit where he reached the top 20 in U.S. Men's rankings five times and is a five time winner of the Southern Men's Championships. Now retired from the tour, he continues to play tennis in both the USTA Open division leagues and in tournaments, and was the winner of the USTA Men's 40 National Championships in 1993.

Aside from his success on the tennis court, Guerry is very active in his community by serving on the Board of Trustees for the Baylor School, the Executive Committee of the United Way, the American National Bank Board of Directors, and the University of Tennessee-Chattanooga Arena Advisory Committee. In business life Guerry is CEO of Chattem, Inc., which manufactures Flex-all 454, the sponsoring product for the USTA/STA League Tennis Program. Zan Guerry joins his father, Alex, in the STA Hall of Fame which makes them the first father and son to be inducted.

Zan Guerry

Harvey Terrell

Harvey Terrell is the retired chairman of the Board of First National Bank in Birmingham, Alabama, a renowned tennis player and past president of the Southern Lawn Tennis Association - now the STA, as well as a past member of the USTA Executive Committee. He began playing tennis as a freshman in college and mastered the game so rapidly that he played the number two position on the University of Alabama tennis team and was later ranked as high as number eight in the National Parks Tennis Program. For his dedication to the sport of tennis, Terrell was inducted into the Alabama Tennis Hall of Fame in 1986, and in 1989 the Harvey "Red" Terrell Tennis Center was built and named in his honor.

Terrell has also been very active in his community. He was president of the Birmingham Rotary Club and served on the Board of Directors of the Alabama State Chamber of Commerce, Blue Cross-Blue Shield of Alabama, Jefferson County Red Cross and the Birmingham Festival of Arts. He is also presently on the board of the Southern Tennis Patrons Foundation and, at 87 years of age, is proof that tennis is the sport for a lifetime.

Alexander Wellford, Sr., was raised in Memphis, Tennessee where as a young man he competed successfully in six sports. Tennis, however, was his favorite and proved to be the sport for which he is most famous.

Wellford captained the University of the South tennis team during his college days and continued to play the game throughout his entire adult life. He won the Memphis City Singles Championship at the age of 27 and again when he was 42. He won numerous national senior titles from 1954 through 1984 including the 1958 National Clay Court Senior Doubles Championships with partner "Slew" Hester. During his playing career, Wellford competed at Wimbledon and the French Championships and played against some of the top players in tennis including Vic Seixas, Jean Borotra, Bobby Riggs and Betsy Grant.

Off the court Wellford contributed greatly to tennis in the state of Tennessee by founding the Memphis Tennis Association and by serving as its first president. He was a past president of the STA and served on the Board of Directors of the USTA. He was inducted into the Tennessee Amateur Sports Hall of Fame in 1970 and the Memphis Tennis Foundation Patrons Hall of Fame in 1984. Alex Wellford died in Memphis on September 29, 1993.

STA Annual Awards

Tom Fink

JACOBS BOWL AWARD

The Jacobs Bowl is awarded annually for overall contribution to Southern tennis. The 1993 award was presented during the Hall of Fame ceremony at the STA Annual Meeting to Tom Fink of Baton Rouge, Louisiana.

Tom Fink first became involved with tennis in high school but did not pursue sports in college where he earned a degree in chemistry at Cornell and a Ph.D. in chemical engineering at Carnegie-Mellon. It was not until his daughter Molly began to play tennis that Fink took up the sport again. However, when he returned to tennis he did so with a vengeance. In the past twelve years Tom has become involved with officiating, served as a sectional endorser and ranker for the Boys' 18 division, chairman of the STA Junior Tennis Council, president of the Louisiana Tennis Association, and a member of the Board of Directors of the Southern Tennis Association. He is a member of the USTA Junior Competition Committee, coordinator of the USTA Junior Ranking Committee and the STAR Computer Program Committee. And with all of those duties in tennis administration, he holds a full time job as a Senior Staff Engineer with Exxon.

Tom Fink also plays tennis socially, and competitively in the USTA/STA League sponsored by Flex-all 454 adult division at the 4.0 level. He plays in an occasional tournament and says that when he gets to the "right age," he will play more tournament tennis. However, his greatest claim to fame is that he and Don Varga presently hold the coveted title of International World Champions over the doubles team of Herman Enochs and Jim Russell. As Tom Fink explains the title, he and Varga have challenged Enochs and Russell to a doubles match at the annual meeting every year and, at least for now, he and Don Varga are the reigning champions.

JUNIOR TOURNAMENT OF THE YEAR

The Louisiana State Closed Junior Qualifying Tournament was named Junior Tournament of the Year for 1993.

This event was held in Lafayette, Louisiana June 4-11 and drew 486 junior players who competed in boys' and girls' singles and doubles in age divisions 12 through 18. The University of Southwestern Louisiana tennis facility was the primary site for the tournament but due to the size of the draw, courts were used throughout the city. A force of 161 volunteers was needed to provide services for the players, and there was one umpire for every four courts and a monitor for every two courts. The primary sponsor was the Pepsi Cola Acadiana Bottling Company, donating \$4,000 in funds and product while 16 other sponsors gave items such as food, mobile phones, tents, copying services and prizes for the parties and player goodie bags. The Bottling Company also set up concession booths at the tournament sites and donated all funds received to the Louisiana Tennis Association for junior development programs.

ADULT TOURNAMENT OF THE YEAR

The recipient of the Adult Tournament of the Year Award for 1993 was the Tennessee State Closed Tennis Championship (Odd Divisions.)

Held in Chattanooga, Tennessee at the Manker Patten Tennis Club on October 7-10, the tournament drew 225 entrants in men's and women's singles and doubles age divisions 35 through 75, and mixed doubles ages 35, 45 and 55. Directed by Dr. DeWayne McCamish, the event celebrated its third year in Chattanooga with a 25% increase in participation. McCamish attributes the success of the tournament to the large force of volunteers who provide unequalled hospitality and an efficient operation which makes it a "player's tournament." The generosity of local sponsors also adds to the enjoyment of the event and local news coverage is excellent which creates interest among tennis fans in the area. After the bills are paid for tournament expenses, all proceeds are given to the Chattanooga Tennis Association to be used for junior tennis programs.

The Hambrick Family

FAMILY OF THE YEAR

The Family of the Year Award is presented annually to a family that has been outstanding in its promotion of tennis in the STA. The 1993 award was presented to the Hambrick family of Louisville, Kentucky.

The Hambrick family members are Mary Lou, Phil and their four children, Beth, Brad, Erin and Jennifer. All family members are strongly involved with tennis in the community. The children have played high school and college tennis and have won sportsmanship awards in school competition. Jennifer played for two years at

Northern Kentucky and Erin is presently captain of the Birmingham Southern College tennis team. Brad has represented Kentucky on the Junior Davis Cup Team and will have a state, sectional and national ranking this year while Beth did her graduate internship for Dan Santorum at the USPTR.

Mary Lou Hambrick is a past president of the Kentucky Tennis Association (KTA) and an active board member serving as E&R Chairperson and Secretary. She has also been the tournament director for the Catholic Schools Athletic Association Tournament for the past eight years which has grown to over 200 participants.

All family members have taught tennis to hundreds of juniors and helped organize coaching for their parish school team. The family is also very involved in the Creason Qualifier Tournament while the girls have worked at such top tournaments as the U.S. Open and the USTA Boys' 18 National Clay Court Championships.

Phil Hambrick works in an engineering firm, plays USTA league tennis and is involved in all of the family's tennis activities from tournaments to coaching. However, Mary Lou feels his greatest contribution was the support he gave when she was president of the KTA.

Jeanie Peabody

VOLUNTEER SERVICE AWARD

The Volunteer Service Award is given annually to a person with a minimum of five years service who has devoted exceptional time and energy in volunteer work which supported the sport of tennis in the STA. The winner of the Volunteer Service Award for 1993 was Jeanie Peabody of Natchez, Mississippi.

Jeanie Peabody is a certified tennis teaching professional who has volunteered thousands of hours to the development of tennis programs on the local, state, sectional and national level for juniors and wheelchair players. She has organized junior programs in Natchez and helped to spread the popularity of wheelchair tennis by advising and assisting with programs in Natchez and Jackson, Mississippi; Baton Rouge and Shreveport, Louisiana; Atlanta, Georgia and Chicago, Illinois. As chairman of the STA Subcommittee on Wheelchair Tennis, Peabody has assisted in forming wheelchair tennis committees in several STA Districts and has written a comprehensive guide to wheelchair tennis programming for volunteers and recreational organizations. She served on the USTA National Wheelchair Tennis Subcommittee and has worked with Brad and Wendy Parks on the National Foundation for Wheelchair Tennis. Jeanie has also helped to arrange scholarship funding to send several wheelchair tennis players to summer camp and organized a highly successful wheelchair tournament in Baton Rouge, Louisiana which attracts the top players in the U.S.

SPECIAL TENNIS EVENT

The Special Tennis Event Award is given annually to a tennis event which has demonstrated excellence in administration or promotion of tennis within the STA. The 1993 award recipient was the 18th Annual Delta Invitational Tennis Tournament held in Indianola, Mississippi, Saturday, May 1 at the Indianola Country Club.

The event began in 1976 to raise funds for the American Cancer Society in honor of Henry Paris, a prominent figure in local tennis who died of cancer. During that time, the tournament has raised over \$260,000 for the Cancer Society and is recognized as "the largest continuous, one-day fund raising event on behalf of cancer in the state of Mississippi." The Delta Invitational annually draws approximately 200 players and some of the best known personalities such as Ken Rosewall, John Newcombe, Stan Smith, Roscoe Tanner and Virginia Wade. The tournament is run by 50 volunteers and receives support from numerous companies who give financial and product support. This event is held to raise funds for the American Cancer Society.

GERRIE ROTHWELL AWARD

The Gerrie Rothwell Award is given in memory of the former USTA District League Coordinator from Little Rock, Arkansas. The award is presented annually for excellence shown as a volunteer in a league program within the Southern Section. The recipient of the 1993 award was Karl Keesecker of Erwin, Tennessee.

As local league coordinator for the Mountain Empire Tennis Association (META), Karl Keesecker helped to bring the USTA Adult League to the Bristol, Johnson City, Kingsport area of Tennessee. A league player for many years, Keesecker drove 200 miles to Knoxville to compete in the USTA leagues and was anxious to start a local league as META began to grow. Working with META President Jim Rosenmeier and Women's Coordinator Lori Holley, Keesecker organized an adult league of 222 players the first year and was able to accommodate almost every player who was verified. After the league season was over, he began work on organizing the STA/TTA Mixed Doubles League for his area and is working on ways to expand and improve on his success with the newly formed adult leagues.

TENNIS OFFICIAL OF THE YEAR

The Tennis Official of the Year Award is given annually to a tennis official, chosen from the nomination of the nine Districts, who has made outstanding contributions to the cause of tennis officiating in the STA. This year's award was presented to Ruth Osborne of Anchorage, Kentucky.

Ruth Osborne is Vice President of Tennis Officials for Kentucky. She organizes the Newcomers Day to help recruit new tennis officials and serves on the panel which holds the Kentucky Tennis Association Tournament Directors' Workshop.

Osborne's officiating duties cover tournaments on the community, district and national levels. She has served as umpire at the Foster Brooks Pro Celebrity Tournament, the State High School Championships and numerous collegiate matches at the University of Kentucky and the University of Louisville. On the district level, Osborne has umpired and refereed the Creason Qualifier for many years as well as the Fern Valley Christmas Classic which has a draw of over 700 players. She has officiated at the Sectional Southern Indoor Junior Championships and has umpired on the national level at the International Men's Indoor in Memphis, the RCA Men's Hardcourts and Women's Challenger in Indiana as well as the USTA Boys' 18 Clay Court Championships in Louisville.

EDUCATIONAL MERIT AWARD

This award is given annually from the nominations of the nine Districts to an individual who has developed an outstanding tennis program which provides leadership and inspiration in junior tennis. The program may be used in schools, colleges, parks and playgrounds and benefits the growth of the STA. The 1993 Educational Merit Award was presented to Eric Voges of Chattanooga, Tennessee.

Voges is head varsity coach for the McCallie School but has been highly involved with all aspects of junior tennis in his community. He is the USTA Area Training Center coach, boys coach for the Tennessee Junior Davis Cup Team and the National Zonals coach for the STA. He also works with the Chattanooga Boys Club tennis clinics during the summer and with the City of Chattanooga free tennis program in the spring. These clinics are offered to youngsters of all ages and are available at six locations throughout the city. The children involved in the clinics range in age from as young as four years to eighteen years of age, and in most cases would not be able to afford tennis lessons.

MEMBER ORGANIZATION OF THE YEAR

This award is given annually to a member organization of the STA, chosen from the nominations of the nine Districts, to recognize outstanding service to the local tennis community, to the organization members, and in general, to the game of tennis. The recipient of the 1993 award is the Wilson Tennis Foundation of Wilson, North Carolina.

The Wilson Tennis Foundation (WTF) was formed 19 years ago as a local, non-profit organization to support junior tennis. The organization does not own or control any courts and relies on the cooperation of the City of Wilson Parks and Recreation Department, local schools and Barton College to provide facilities for its activities. Although interest in the WTF and tennis declined in the Wilson area over the past 19 years, a recent reorganization has produced outstanding results. The organization held six tournaments, two of which produced over \$5,000 for two charities. It started the first National Junior Tennis League in the area and established a new tennis instructional program for inner-city children. Through WTF involvement, the number of juniors participating in USTA tournaments increased from five in 1992 to thirteen in 1993. The WTF became a member of the North Carolina Tennis Association for the first time in 1993 and joined the Adopt-A-School Program by sponsoring USTA membership for six area high schools. Financial support was provided to several local adult teams in the USTA Downeast League and to the Wilson Parks and Recreation Commission for a summer tennis program director. The success of the revitalized WTF is attributed to an infusion of new members on the Board who, although they did not consider themselves to be "tennis families", realized the importance of tennis to the young people of their community.

Jane Reid

Mitch Sprengelmeyer

DEWITT REDGRAVE III JUNIOR ACHIEVEMENT AWARD

The Junior Achievement Awards are given in memory of DeWitt Redgrave III to the #1 Southern ranked junior in the Boys' and Girls' 18 & under age divisions for their support and participation in ranked tournaments in the Southern Section. The 1993 winners are Jane Reid of Marietta, Georgia and Mitch Sprengelmeyer of Florence, South Carolina.

Jane Reid is a member of the USTA Player Development Program and has represented the STA in numerous team competitions during her junior tennis career. She played on the Georgia Tennis Association's Junior Wightman Cup Team, the STA Girls' 18 Intersectional Team and was a member of the Atlanta City Team for four years. Reid won the Southern Closed Championships in 1993, had a strong finish in the Easter Bowl in Miami and participated in the Junior Olympic Festival in San Antonio, Texas. She has signed a letter of intent to become a member of the University of Georgia Lady Bulldog's tennis team in the fall of 1994 on a full tennis scholarship.

Mitch Sprengelmeyer was a member of the STA Boys' 18 Intersectional Team and the South Carolina Junior Davis Cup Team. He won the STA/Penn Designated tournament in Tuscaloosa, Alabama, and the South Carolina Qualifier in Belton, SC as well as the Nations Bank Top 16 of the South in Florence. Mitch was a finalist in the Pepsi Jr. Open in Florence and the STA/Penn Designated in Asheville, North Carolina. He was undefeated in the South in doubles competition with his partner, Charly Rasheed of Greenville, SC which earned him a national ranking of #5 in doubles. Sprengelmeyer was nationally ranked #26 in singles. He is attending Clemson University on a tennis scholarship.

USTA/STA NJTL CHAPTER OF THE YEAR

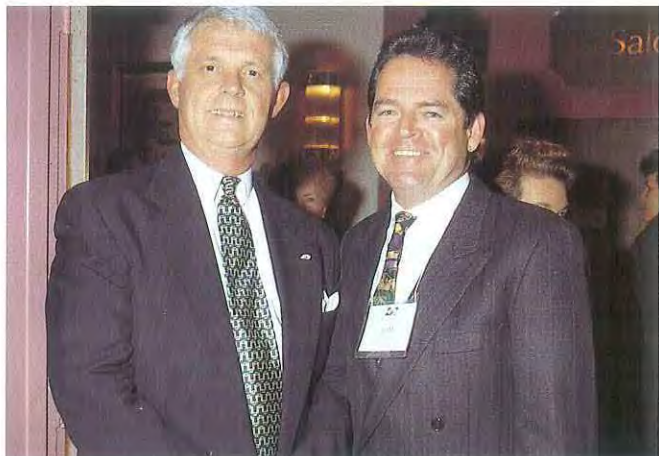

The USTA/STA NJTL Chapter of the Year Award is given to a chapter within the STA that has demonstrated over a long period of time a high degree of organization and success in serving the junior players in its area. The 1993 recipient of the award is the USTA/STA NJTL Chapter of Atlanta, Georgia.

The Atlanta Chapter has consistently served over 2,500 young people in its summer camp program and provides year round programming through USTA Junior Team Tennis and tournament competition. The chapter also hosts a number of special events during the year such as the two day Regional Rally for players from 14 chapters and the annual Inner City Games.

Under the direction of James Simmons, the Atlanta Chapter has shown continuous growth in the number and quality of junior players in area schools and in the participants obtaining college tennis scholarships. The chapter has also been very successful in working with inner city children, especially in the summer program which is in part instructed by former participants.

The chapter has established a good relationship with the business community and has successfully sought funding for many of its programs. The Regional Rally, for example, was run by volunteers and donations from local businesses funded the event. The ATA tournament trip was financed through a well organized fund raising drive which included direct mail solicitations, car washes, round-robins and candy sales.

United States Tennis Association Player Development Program

USTA/STA AREA TRAINING CENTERS

In their fifth year of operation, the USTA/STA Area Training Centers (ATC's) bring together the 20 best players, between the ages of 11 and 15, within an established geographic area. These 20 players train together and are exposed to the very latest sport science and training techniques. The ATC's operate one or two weekends a month from September to May during which 40 hours is spent working on court and a minimum of 10 hours off court on the proper application of sport science techniques. The cost to the players is \$200 which is used to finance the operation of the ATC. Financial aid applications, based on need, are available from the ATC administrator. The ATC's are provided as a supplement to the players' personal training and are not intended to replace any aspect of their regular training. Each ATC has a staff of coaches, scouts and administrators who are dedicated to junior tennis. There are currently 120 ATC's in the United States of which 19 are in the Southern Section. For more information, contact the STA and your District Office.

USTA/STA Cross-Sectional Training Camp

Twelve of the STA's top 15-16 year olds trained with their counterparts from the Texas Tennis Association, Florida Tennis Association and the Caribbean Tennis Association at the ATP Tour International Headquarters in Ponte Vedra Beach, Florida. Ricardo Acuna served as the head coach for the camp and his staff included Teri Hennessey and Peter Lebedevs from the STA, Jack Newman and Michelle Stallard from the TTA and Juan Carlos Escudero from the CTA. Brian Gottfried, Director of Tennis for the ATP Tour Headquarters, also provided many hours of advice. During the afternoon match-play sessions, the players trained on red clay, grass and hard courts. Page Love-Johnson provided nutritional evaluations and Dr. Mark Mills gave new insights into positive thinking. USTA certified umpire Roger White answered questions on rules and provided umpiring of the afternoon matches.

USTA/STA JUNIOR TEAM TENNIS

Over 12,000 youngsters enjoyed the fun and team aspect of USTA/STA Junior Team Tennis in 1993. Fun, sportsmanship and skill development are the main aspects of Junior Team Tennis. Many of the outstanding teaching professionals in the STA assist the local coordinator/commissioners in the promotion of Junior Team Tennis. Volunteer parent/coaches are provided free on-court training by the STA following the USTA's Rookie Coaches Guide. T-shirts are provided for each participant in this well-received program which is fast becoming the counterpart to the other youth team sports.

To get a USTA/STA Junior Team Tennis league started in your area, contact the STA office and/or your District Office.

Free T-Shirts for all players equals extra fun for USTA/STA Junior Team Tennis participants.

USTA/NJTL is incredible fun. In Hattiesburg under Charles Hunter's guidance, love and discipline are present too. Some of these players will play USTA Junior Team Tennis in 1994.

Active spearhead of YTI in Hattiesburg, MS in 1993 was Vicky Landry who expanded the Schools Program, administered the Local Excellence Program, and helped start USTA/NJTL and USTA Junior Team Tennis.

YTI

YTI - Youth Tennis Initiative - a pilot project in Huntsville, AL and Hattiesburg, MS, where STA staff attempted to start carefully-linked junior tennis programs at all skill levels in the same year to give children a clear pathway to advance from one level to the next. Multi-Culturalism in the Community

The ACE program which is conducted by the USPTR and supported by the USTA, the Tennis Industry Association, and the Athletic Footwear Association, provides training for tennis instructors which in turn offers greater opportunity for young players.

Bryan Shelton, far right, helped make one of the USPTA's Across America Tennis clinics a success.

Aiken, SC was the recipient of a tennis clinic that included a "hit for prizes" thanks to the generosity of Prince Manufacturing who donated many T-shirts as give-aways. The clinic was conducted by John Dingle who is pictured in the top row-center.

Junior Team Tennis was a hit at the Girls' Club in Bowling Green, KY

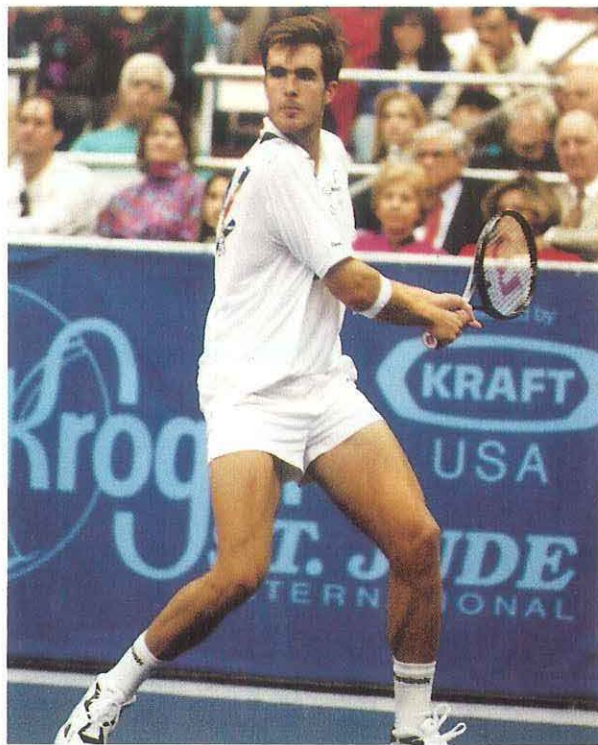

MaliVia Washington was another professional player that spent time with players from the GAP program, the Atlanta Project, and the Boys' and Girls' Clubs.

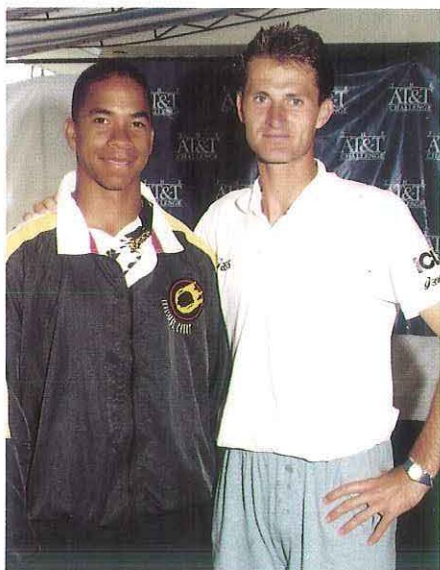

Members of the Atlanta GAP program which is coordinated by Pat Devoto, were hosted by volunteers from League Atlanta.

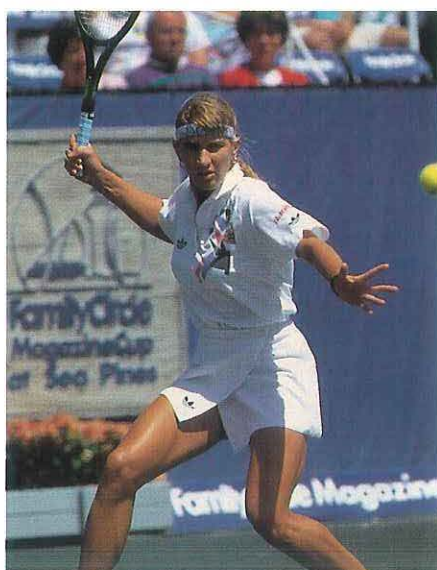

Professional Tennis in the South

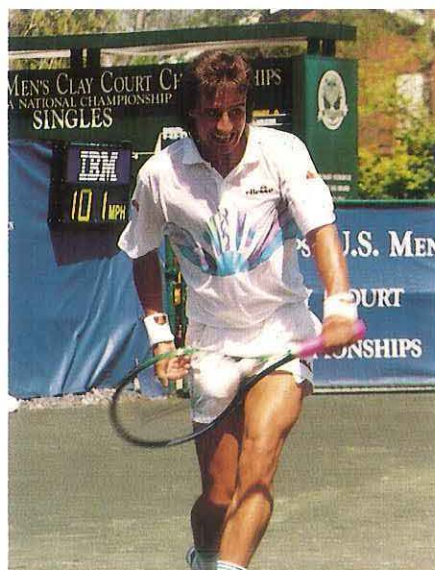

Two Americans, Jim Courier, left, and Todd Martin, right, battled backhands at the 1993 Kroger/St Jude International, February 5-14 in Memphis, TN. Martin defeated Agassi and Chang before falling to Courier in the finals.

Bryan Shelton, left, one of the STA's finest players who hails from Alabama, had an excellent 1993 AT&T Challenge, finishing second to Jacco Eltingh, right. The event took place in Atlanta, April 26-May 2.

A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates. Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament within its sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

The STA has reviewed the below chart of Daily Playing Limitations and approved its dissemination in this Yearbook as GUIDELINES for tournaments on an experimental basis. **KEEP IN MIND THAT THESE ARE NOT, AT THIS TIME, ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS.** They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

Following is the list of tournaments that require endorsement. Please check the tournaments that you would like to play, (pending your eligibility and endorsement) and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request an entry unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

RETURN THIS FORM TO YOUR ENDORSER IF YOU FEEL YOU WILL BE IN CONTENTION FOR ENDORSEMENT TO THE EVENTS LISTED BELOW

Junior Endorsement Information & Check-Off List

Important Information--All juniors who hope to be endorsed or ranked in 1994 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

STA Rules & Regulations--Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1993 STA rankings are printed in this issue also.

Summer Tournament Schedule--The summer season will arrive sooner than you expect and it is time to begin making your plans. On the previous page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. If you feel that your record will put you in contention for endorsement to any Zone Team or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). **Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/94 through the present.** All Zone Team and/or National entries, except for 14 Zone Team Championships, will be distributed at the Southern Closed.

USTA Player Record Form - Printed on Page 128 you will find a USTA Player Record Form. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

National Entry Forms--The USTA uses a standard entry form for each of the USTA National Championships. These forms may be requested from your endorser at the Southern Closed. Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

- 1.Fill out all entry forms and player record forms in BLACK ink.
- 2.Make check payable as indicated on the fact sheet.
- 3.Never send your entry directly to the tournament. It MUST be first signed by your endorser.
- 4.Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
- 5.Send a copy of your USTA card.
- 6.Be sure to let your endorser know how to reach you during the endorsement process.
- 7.If possible, indicate your travel and housing plans on your entry form.
- 8.Return with each entry form a self-addressed, stamped envelope for your endorser's use.
- 9.Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

National Tournament Deadlines--The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

Quotas and Alternates: The STA quota is sixteen (16) for all National Championships, thirty (30) for 14 Zone Team Championships, forty (40) for 12 Zone Team Championships, and fifty (50) for 16 Zone Team Championships. When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some

alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

Entry Fees to the USTA National Championships:

(August 6-14) The STA will pay the entry fee for all players accepted into the draw at the USTA National Championships. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in quota, the checks for those players will be returned or destroyed. Those players listed on the endorsement list as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

Your STA Endorser/Ranker: On the previous page is a list with addresses of the junior endorser/rankers for 1994. Please establish early communications with your endorser/ranker and start by filling out the form and mailing it as soon as your plans are complete, but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this SOUTHERN TENNIS Yearbook. Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

Special Events: There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays most expenses. Among these are the three intersectional team championships as follows:

- 1.Boys and Girls 16 in Shreveport, LA, July 10-16 for which the STA selects a team of six to eight (3-4 each BG16). The STA team has won this event six times.
 - 2.Boys' 18 Intersectionals in Columbia, SC, July 31-August 3, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship four of the last eight years.
 - 3.Girls' 18 Intersectionals in Rancho Solano, CA, August 1-5, for which the STA selects a team of up to eight players in the G18/16 group. The STA has won this team championship four of the last seven years.
- Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached.

Designated Tournaments: See STA Rules and Regulations, Article IV. Be sure to review the STA Rules and Regulations on Articles IV and V, dealing with endorsement procedures and ranking regulations. Participation in one of the five STA/Penn Junior Super Circuit Designated Tournaments is required for endorsement. Draws will be limited to the top 32 players entering, based on current ranking and records. Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. **PLAN YOUR SCHEDULE EARLY!**

Boys and Girls 18 Doubles: In 1994 doubles rankings for the Boys and Girls 18 age group will be done on an individual basis. Minimum requirements will remain the same.

USTA Yearbook: In addition to reading the Southern Tennis Yearbook carefully, we urge you to consider purchasing an official USTA Yearbook. You may order one by sending a check for \$18.40 (includes postage and handling) to USTA Publication Dept., 70 West Oak Lane, White Plains, NY 10604.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. **Exhibit the best in sportsmanship on and off the court.**

SOUTHERN TENNIS 1994

Minimum Requirements for Junior Ranking

Boys' and Girls 18-12

One (a) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the players' own District but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirements to play one (1) tournament out of own District is waived. Playing in sanctioned team matches or interscholastic matches between schools does not fulfill the out of district requirements. **Note: Because the Boys' and Girls' 12 Division has no Summer Open tournament, the STA Indoor Open in November may be substituted for this tournament.**

UNITED STATES TENNIS ASSOCIATION
SOUTHERN SECTION

STA Rules and Regulations

Southern Tennis Association, Inc.

VERTICAL BAR INDICATES CHANGE

APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

I. Quota System for Entry to Southern Junior Closed Championships

A. General.

The draw size in every age division of the Southern Junior Closed shall be determined by the STA Junior Tennis Council. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure

to play is attributable to a bona fide reason such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

DISTRICT/QUOTA/SELECTOR	BASIS FOR SELECTION
ALABAMA Quota: For 128 Draw-10 Newton Cox	Must play in the Alabama Qualifying Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place. The losing semi-finalists of the feed-in event will play for the 7th and 8th places, and there will also be a playoff for positions 9, 10, 11, and 12.
ARKANSAS Quota: For 128 Draw-7 Boys: David Kossover Girls: Janet Porter	Selection of players shall be based on a player's last year's USTA, STA, and District Rankings, plus the current year's play, and must have played in the current year Arkansas Qualifying Closed Junior Tournament.
GEORGIA Quota: For 128 Draw-44 Boys: Michelle Browne, Gwen Witherell Girls: Joanne Dorsey, Lisa Enochs	Selection is determined as follows: Round of 16 from the Georgia State Junior Qualifying; Round of 16 in main draw, 16 from the FIC, based on overall tournament record for the current ranking year (this includes waivers); Georgia State Junior Closed Challenger - the top 12 finishers.
KENTUCKY Quota: For 128 Draw-9 Karen Allen	The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.)
LOUISIANA Quota: For 128 Draw-9 Sally Fink	Selection is based on the strength of a player's overall tournament record for the current ranking year and play in the Louisiana State qualifying tournament. A player may be waived from the Qualifying only by a verified illness or injury and if the waiver is granted, the District Selector may use last year's ranking and current play for consideration for selection.
MISSISSIPPI Quota: For 128 Draw-9 TBA	The primary basis for selection will be the players' performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crises, or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed.
NORTH CAROLINA Quota: For 128 Draw-16 Mary Lloyd Seate	In order to be eligible for selection to the Southern Closed Championships, juniors must play in the singles event of the Tarheel Qualifier in the age group one wants to be considered for selection unless waived in advance by the waiver committee. A player must apply to the N.C. Selector for consideration and all who apply, having met the eligibility requirements, will be ranked for acceptance by the following guidelines (in order of importance): (1) current season's play in the Tarheel Qualifier and sanctioned events against other North Carolina players in the age group; (2) play in designated tournaments, and (3) National, Southern, and State rankings. Play in age groups other than that which the player applies for selection to the Southern Closed Championships will not be considered in the selection for that age group. If players meeting the requirements have not filled the quota, the quota will be filled in the order of players demonstrated abilities.
SOUTH CAROLINA Quota: For 128 Draw-11 Boys: Bill Lindsay Girls: Patti Bearden	To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and Committee. A player's National, Southern, and State rankings plus current season's play will be guidelines for acceptance.
TENNESSEE Quota: For 128 Draw-13 Boys 18: Eric Voges Boys 16: Peter Lebedevs Boys 14: Jim Shackelford Boys 12: Charles Burson Girls 18: Larry Jackson Girls 16: Neal Stapp Girls 14: Dale Short Girls 12: Steve Annacone	<p>The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee.</p> <p>The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on players record from January 1 up to and including the State Qualifying (e.g. common opponent, calibre of wins, head to head). All players wanting to be endorsed MUST fill in an application at the Qualifying and return it to their endorser before the date specified by the endorser.</p>

B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1994 Southern Junior Closed Championships are listed on the previous page:

D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

II. STA Boys' and Girls' Intersectional Teams

A. General.

The STA annually selects Boys' and Girls' Intersectional Teams to represent the STA. The STA appoints a coach/chaperon to travel with each team and the STA funds most of the teams' expenses. The team consists of up to eight players chosen from the top juniors in the 18 and 16 age divisions.

B. STA Committee.

Selection of the teams shall be made by the STA Team Selection Committee listed in the Yearbook under the heading of "STA Committees".

C. Eligibility.

Any junior player in the STA meeting the following requirements shall be eligible to apply for Team selection:

1. Any player having a singles ranking of 1-10 in the 1993 STA 18's division ranking, or
2. Any player having a singles ranking of 1-5 in the 1993 STA 16's division rankings, or
3. Any member of the 1993 team who is still eligible for 18 or 16 and under competition in 1994, or
4. Any player having recorded one (1) win since January 1, 1994, over any of the players eligible under the preceding three categories.

D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

Any STA junior player interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

III. STA Junior Davis Cup Team

A. General.

The STA annually selects up to three (3) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the STA.

B. Application.

Applications should be obtained from the STA office. Selection will be based on 1993 rankings and current season's records.

IV. STA Endorsement Procedure to USTA National Junior Championships and Zone Team Championships:

USTA 12, 14 & 16 Zone Team Championships

USTA National Junior Clay Courts Championships

USTA National Junior Championships

USTA International Grass Court Championships

USTA International Championships

USTA National Junior Indoors Championships

A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has a guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1994 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. The USTA 12 Zone Team Championships will include 40 STA boys and 40 STA girls. The USTA 14 Zone Team Championships will include 30 STA boys and 30 STA girls. The USTA 16 Zone Team Championships will include 50 STA boys and 50 STA girls.

B. STA Criteria-Eligibility for Endorsement to USTA National Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament and one of the five STA/Penn Junior Super Circuit Designated tournaments in the age division for which applying for endorsement. Participation in the Southern Closed and in one Designated tournament in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.

b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.

c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will adhere to the following guidelines in considering waiver requests:

a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver.

b. An individual wishing to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer must apply for a waiver by October 15. If the waiver is approved he/she will be endorsed at a position to be determined by the appropriate endorser.

c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.

d. Waiver for the Designated Events: Waivers for the Designated Events required for endorsement to the Nationals shall be considered for but not limited to the following:

1. Injury or illness.
2. Players acquiring residence in the STA after the last designated tournament.
3. Participation in International Events conflicting with the designated tournaments.

When a waiver request is approved, the player's endorsement position will be based on their current overall record.

e. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article IV.B.3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

f. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

4. Designated Tournaments. Players entering a designated tournament must play in the age division in which he/she is seeking endorsement, with the following exceptions:

- a. 12's seeking to play designated tournaments in an older division who still intend to play the 12's age division in the Southern Closed, shall be limited to playing in a higher age division in a maximum of two designated tournaments. If a player who is eligible for the 12 & under age division plays in any higher age division in more than two designated tournaments, that player would not be eligible to play in the Southern 12 Closed.
- b. Players who have been waived from their own age division to the next age division in the Southern Closed.
- c. Only after a player wins two designated tournaments in their age division would they be allowed to play up in the next age division.

C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota may receive entry blanks promptly. In most cases, however, entry blanks will be distributed at the Southern Junior Closed.

D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

a. Player Record Forms, which should be completed with every sanctioned singles match in the Division (age group) played since January 1, 1994. Doubles player records should be with the same partner you intend to enter with in this USTA Championship.

b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser.

(Never send these items to the USTA Championships, or to the STA Office.)

2. The endorser will rank all players who have applied by the deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or on the alternate list. If you are on the alternate list, it is your obligation to contact the tournament on the date indicated on the tournament application to find out if you have been accepted into the tournament.

3. If you are in quota and must withdraw, advise the USTA Championships immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action.

V. Ranking Regulations

A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman by November 15 or immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and

sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived only by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. A numerical grouping may be used by a Ranking Committee for giving recognition to players who meet the ranking qualifications, but whose record does not clearly establish a specific numerical position. Players thus ranked will be listed alphabetically.

8. Ranking Appeals. Tentative rankings will be published in early January and will always be available at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. Provided that a completed Player Record Form has been sent to the appropriate ranker/endorser, all players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

a. Men's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.

b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the Southern Section.

c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.

d. Men's 70, 75, 80 Singles and Women's 55, 60, 65, 70, 75 and 80 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open* and the Southern Closed*.

e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed* and the Southern Open*, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open* and the Southern Closed*.

f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 25, 35, 45, 55 and 65 Mixed doubles.

Note: *1994 Men's Southern Open in Jackson, MS and 1994 Women's Southern Open in Memphis, TN. The 1994 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Isle of Palms, SC for odd divisions.

C. Junior.

1. Minimum Requirements. Playing in any USTA National Championship does not count towards minimum STA ranking requirements. The minimum number of tournaments required for consideration for STA ranking in Boys' and Girls' 12-18 divisions follows:

a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of his/her own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirement. **Note: Because the Boy's and Girl's 12 division has no Summer Open Tournament, the STA Indoor Open in November may be substituted for this tournament.**

b. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.

2. Boys' and Girls' 14-18 rankings shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. Boys' and Girls' 12 rankings shall be based solely upon the win records of the players for the year under consideration.

D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over a player or team that is eligible.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

E. Residency Requirements for Southern Closed Tournaments

1. Only players who have established a legal residency in one of the nine districts of the Southern Section of the United States Tennis Association (State of Alabama, State of Arkansas (including Bowie County, Texas), State of Georgia, State of Kentucky (except for the counties of Boone, Campbell, and Kenton), State of Louisiana, State of Mississippi, State of North Carolina, State of South Carolina, State of Tennessee (including Bristol, Virginia), hold a current USTA membership card assigned to one of the districts in the Southern Section, and are citizens of the United States or meet the resident alien requirements for a USTA National ranking are eligible to participate in Southern Closed tournaments. Resident alien requirements include resident aliens who have resided in the United States continuously for more than one year and are members of families of persons in the diplomatic or consular corps. In the case of a junior player, his/her legal residency is that of his/her parents or legal guardians. A policy statement on resident status is on file at the Southern Tennis Association office.

2. Juniors who desire to qualify for the Southern Closed Championships will be required to play in the District Qualifying or receive a waiver from the district where they are legal residents on the May 15 immediately preceding the District Qualifying Tournaments.

3. Players who meet any one of the following criteria can register their intent to participate in closed tournaments and /or receive a ranking in the district in which their parents are legal residents:

- a. Juniors going to school/college outside the district where their parents reside;
- b. Juniors who spend time with joint custody parents;
- c. Players who live in more than one location during the year; and
- d. Family members of the military.

The intent must be registered in writing to the district office where they desire to participate and the Southern Tennis Association office before the first closed tournament is held in the involved district or section. In the event no request is made, it is assumed that the player will compete and/or be eligible for a ranking in the district that best describes their legal residence.

NOTE: The intent of the above paragraph is that no one should be allowed to participate in closed tournaments or be ranked in two or more districts or sections during any single ranking year.

F. Residency Requirements for a Southern Ranking

In order to be considered for a Southern ranking in his/her respective age division, a player must meet the Residency Requirements of the Southern Section as stated above, and must compete in the required tournaments.

VI. STA Junior Suspension Point System

A. Code of Conduct Report

1. A Southern Tennis Association Code of Conduct Report shall be included in the tournament packet of all Southern Junior Championships and Designated Tournaments.

2. The STA Code of Conduct Report shall be filled out by a USTA certified official of the tournament, signed by the player and sent to the STA Junior Coordinator within 48 hours after the completion of the tournament.

B. The Point Penalty System

1. The point penalty system as sanctioned by the USTA shall be used as the base to impose suspension points. Code violations shall only be given by a USTA certified official.

C. Suspension Points

1. Suspension points shall be accumulated from the following events:

- a. Southern Closed, Open and Indoors.
- b. STA Designated Tournaments.
- c. All Events in the National Jr. Tournament Schedule.

2. Suspension points accumulate over a twelve month period. Points that have been on a player's record for twelve months will be erased.

3. When six points have been accumulated, the STA Junior Coordinator shall send a letter to the player informing him/her of being in jeopardy of being suspended.

4. When a player accumulates TEN suspension points during a twelve month period, he/she shall be sent a letter from the STA notifying him/her of their suspension from USTA sanctioned events within the STA for eight weeks and also from the next Southern Championship. The suspended player shall not be eligible for endorsement to any Nationals during the eight week suspension.

5. Furthermore, a suspended player will be ineligible for selection to STA team events (including Zonals and Intersectionals), Area Training Centers and Cross-Sectional Camps for the twelve months following the suspension.

6. Following a suspension, the first ten points will be erased from the player's record.

D. Appeal Process

1. Following notice of such suspension, the player shall have the right to a hearing by the STA Grievance Committee if requested within five days following the receipt of the suspension notice. There shall be a one hundred dollar (\$100.) filing fee to appeal in addition to the costs of the hearing. If the suspension is overturned in its entirety, the cost of the hearing shall be refunded. If the suspension is affirmed by the STA Grievance Committee, the eight week suspension shall commence as of the date following the date of the order of the STA Grievance affirming such suspension. If the suspension is affirmed, the player shall have the right to appeal the decision of the STA Grievance Committee to the STA Management Committee. The STA Management Committee shall not be required to hold a hearing.

VII. Tournament Rules and Regulations

A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), & USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 70 West Red Oak Ln., White Plains, NY 10604, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who shall be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute shall be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.

b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.

c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same District meeting in a first round match.

d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.

f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.

g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

i. Rules regarding rest periods after the second set of three-set matches shall be observed in accordance with regulations as listed in the USTA Yearbook.

j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble spots and, by their presence, can sometimes solve problems immediately.

k. All Southern singles Adult/Senior Championships shall hold a minimum of a first match loser's consolation (FMLC).

l. In the event that the draw size in a Southern Adult/Senior Championship is four or less, a round robin shall be played.

C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.

b. In regard to stalling, the rules of conduct play are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for towel off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.

c. No player or players will make a comedy of a match, whether they be winning or losing.

d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.

e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the Tournament Director or Referee; this can be done either before or during the match.

f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.

g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.

h. Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.

i. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA League Tennis play.

IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

The Board of Directors shall be authorized to approve the purchase of a nominal number of memberships for persons, families, schools or other organizations by a District Association upon a finding that such purchases are small in number, are for promotional purposes only and are not intended to affect the voting strength at the District Association or STA levels.

Such voting strength shall continue in effect until the next STA annual meeting.

4. A District Delegate for each District shall be named by the District Association and certified by the District Secretary annually to STA. The District Delegate of each District Association shall be empowered to name one or more proxies to vote on his behalf for his District Association. The vote of a District Association may be split.

5. District Associations and Member Clubs and Organizations are entitled to notice of all meetings of members of the Association and are entitled to be present at any meeting of members. Not more than one (1) Delegate-at-Large shall be elected from the same District Association and each Delegate-at-Large must reside within the geographical limits of the STA. A vacancy in the office of Delegate-at-Large shall be filled by the Management Committee from the District Association represented by the vacated Delegate, and such successor shall serve out the unexpired term of his predecessor. In addition to the other duties as a member of the Board of Directors, it shall be the duty of each Delegate-at-Large to carefully observe conditions relating to tennis activities in the STA and to report thereon to the officers and Board of Directors of the STA.

4. A DISTRICT DELEGATE shall be named by each District Association. Each District Delegate shall reside within the geographical limits of the District which he represents. 7. In case one or more vacancies shall occur among the officers, the Sectional Delegate, the Delegate-at-Large, or in the Nominating Committee by reason of death, resignation, or otherwise, the remaining members of the Management Committee, may, by a majority vote, elect a successor or successors for the unexpired term vacated, except as may otherwise be provided in these By-Laws.

8. At any meeting of the Board of Directors, any officer, Sectional Delegate, Delegate-at-Large or member of the Nominating Committee may, by a vote of not less than two-thirds (2/3) of the whole Board of Directors, be removed from office for cause, and his successor or their successors may be elected pursuant to the provisions contained in these By-Laws.

If a Past President is elected to some other office that could make him a member of the Board of Directors, then his vote on the Board of Directors will not be included in the voting strength of the Past Presidents. A quorum for the transaction of business by the Board of Directors shall not be less than one-half (1/2) of its members, exclusive of Past Presidents. (b) The Nominating Committee shall make nominations for officers, Sectional Delegate, Delegates-at-Large, and members of the Nominating Committee to be voted on at the next annual meeting of the members of the STA. It shall file such nominations at least sixty (60) days prior to the next scheduled annual meeting with the Secretary. Notice of the nominees thereof shall be mailed to each District Association within ten (10) days of receipt and with the notice of the annual membership meeting. If, prior to the annual membership meeting, any person so nominated dies, becomes incapacitated, or declines, or becomes ineligible to accept nomination, the vacancy in the nominations shall be filled by the Nominating Committee and the name of such persons as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly selected for such purpose by the Nominating Committee.

A notice of the names of such petition nominees and their proposers shall be mailed to each District Association within ten (10) days of receipt by the Secretary and shall be mailed with the notice of the annual meeting or any supplemental notice of the annual meeting, if a notice has been previously mailed. Any petition shall nominate persons for all positions enumerated under Section 3.(c) above.

(d) In the event nominations proposed by District Associations are different than that proposed by the Nominating Committee, a vote will be taken at the annual meeting on a slate versus slate basis.

(e) No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

4. THE GRIEVANCE COMMITTEE shall be composed of three (3) persons named by the President, with the approval of the Management Committee, and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional member of the USTA, all rules and regulations of STA, and the standards of good conduct, fair play, and good sportsmanship. The Grievance Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Grievance Committee charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules and regulations of the STA or of the USTA, or the standards of good conduct, fair play, and good sportsmanship, the chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation which shall be furnished within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules and regulations of the STA and USTA or the standards of good conduct, fair play and sportsmanship, the Chairman shall have the power to fine such person in an amount, not in excess of \$1,000.00, or to suspend such person for such period of time as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Grievance Committee shall have the same power to fine or suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision. "Findings of Fact" shall be prepared by the Chairman or Vice-Chairman and furnished to the person penalized and the Executive Director of the STA.

(b) Within thirty (30) days after receipt of a written notice of the decision by the Grievance Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Grievance Committee. Upon receipt of such a request, the chairman of the Grievance Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative, attorney, parent or third person to present testimony and other evidence and cross-examine witnesses. The Grievance Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Grievance Committee shall promptly notify the person penalized of its decision. "Findings of Fact" shall be prepared by the Committee and furnished to the person penalized and the Executive Director of the STA.

(c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Grievance Committee and have the Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above, and the Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

(d) Any appeal from a decision of the Grievance Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Grievance Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the Findings of Fact and the decision of the Grievance Committee. The Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

(e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Grievance Committee.

(f) All action of the Grievance Committee shall be reported to the USTA Grievance Committee and any other bodies or individuals deemed necessary by the Board of Directors.

5. THE SANCTION & SCHEDULE COMMITTEE shall be composed of a chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and

10. Members of any committee may participate in the meeting of the committee by a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in the meeting pursuant to this Section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees, by mail.

11. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

12. Any action required or permitted to be taken at any meeting of any committee, other than the Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. The Healthy State of Tennis

by Eddie Gonzalez, STA Director of Marketing

For years, most Americans spent their leisure time doing one of two things; golf or tennis. Tennis was in a healthy situation because millions of people were playing, tennis professionals were making money teaching, and the tennis manufacturers were making money selling all sorts of tennis products! However, like all industries, competition became fierce. All of a sudden, Americans' leisure time was spent doing new sports; biking, running, skiing, rockclimbing, and for some strange reason, roller blading even appealed to some! As a result, people are playing less tennis and the organizations involved with the sport are suffering. This year's Yearbook unfortunately is without a few tennis advertisers who have been with us for years, and the reason is that ad budgets are down because product sales are down. No one organization is to blame for the downfall, but all organizations must strive to get tennis healthy again!

Well, the big question is how is this to occur? Eddie G has a solutions in which all organizations, the ATP, ITA (Intercollegiate Tennis Association), TIA (Tennis Industry Association), USPTA, USPTR, USTA, WTA, (and every other organization with initials that I left out) must participate. For starters, recent studies show that tennis is an extremely healthy sport to play both physically and mentally. The January issue of TENNIS magazine reports that playing tennis is being recognized by doctors, researchers, and other health and fitness insiders as a means to a longer, healthier life. The 1993 New England Journal of Medicine published that people who participated weekly in three hours of a moderately vigorous sports activity such as tennis cut their risk of death

from any cause in half! A University of Illinois study convinced researchers that activities such as tennis, which require visual alertness and tactical thinking, may generate new connections between neurons in the brain and thus keep our brains as young as our bodies. It is the responsibility of every organization connected with tennis to let the non-tennis playing public be aware of the healthy effects associated with the sport of a lifetime! All of the organizations listed above have newsletters in which topics pertaining to the healthy effects of tennis should be discussed.

Another avenue to explore is the ITA tapping into the P.E. Departments of Colleges and Universities so that students are made aware of the healthy state of tennis. This will result in more students taking tennis classes, more people becoming interested in their school's tennis team, and more people playing tennis the rest of their lives! Also, tennis needs an enhanced and more visible public relations campaign. This can be accomplished by the top ATP/WTA professionals being more publicly visible and accessible at events. For example, each pro event should have a ATP/WTA booth that has different players taking turns making public appearances. Also, players should make public appearances at locations where the non-tennis public frequent: shopping centers, malls, sporting goods stores. The USTA needs to spearhead a Public Service Announcement (PSA) campaign that publicizes what a healthy sport tennis is. One idea is a theme of "the family that plays together, stays together!". By doing this and the other suggestions discussed, players and tennis organizations can demonstrate their willingness to give back to the sport and let people know that tennis really is the healthy sport of a lifetime!

Those wild and crazy Kentucky women are at it again!
