FIRST SERVE

The STA is made up of thousands of volunteers whose contributions, from grassroots to the professional level, are unmatched by any other sports governing body. We appreciate these people who have played a vital role in promoting tennis and who give their time freely.

Further, the STA has been blessed with capable, experienced and effective leadership from its Management and its Staff personnel.

It is both an honor and a challenge to serve as president of such an organization. Despite our many past accomplishments, there will be new challenges in 1995. There will also be opportunities. I look forward to working with all of you to keep the STA moving forward.

You will find this yearbook quite useful as a working tool for understanding the many diverse activities of the association.

Stand with me to make 1995 the best year ever for the STA.

Herman Enochs
President

SECOND SERVE

The 108th anniversary of the STA was celebrated in 1994. The volunteers and staff that operate the largest section in the USTA are doing an outstanding job in bringing tennis to the South. The STA is proud of the progress that our district associations continue to exhibit.

The STA Management Committee is looking forward to a progressive 1995 and hopes that we can achieve significant growth.

For this goal to be realized, we need your help. Please volunteer to assist in USTA leagues or events in your area. Together we can all be a part of making tennis not only the best sport in America, but the most popular as well.

Best wishes for a great 1995.

M-M-M-MOCHA

Remember when you first mastered your backhand? After hours of frustration hitting against the ball machine, your grip, swing and footwork finally **CLICKED** -- sending shots down the baseline like missiles seeking their target.

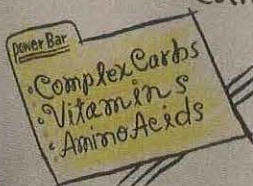

And that, you realized, was the really hard part. After which you were rarin' to throw your racquet in the air and bring on an opponent.

That's kinda how we've been feeling here at PowerBar.

After inventing the world's first energy bar (and making a gazillion of 'em) we realized that was the really hard part.

Now it's time to take the tried-and-true recipe and cut loose with **FLAVOR**.

Boy did we have fun with this one. So will you.

1995 SOUTHERN TENNIS HALL OF FAME

SOUTHERN TENNIS PATRONS FOUNDATION

The Southern Tennis Hall of Fame was founded in 1977 by the Southern Tennis Patrons Foundation. Each year the STA Hall of Fame Selection Committee elects individuals who, by excellence of their activities in and connected with Southern Tennis, have brought substantial recognition and esteem to themselves and to the STA. Presently there are thirty-six members of the Southern Tennis Hall of Fame.

RICHARD O. "DICK" COVINGTON

A native of Asheville, NC, Covington was a junior standout at Tate Prep School and Carolina Military Naval Academy in the early 20's. After reaching the singles semi-finals and the doubles quarter-finals in the National Indoor Junior Championships, Covington went to the University of North Carolina and played on the varsity team. Following college, Covington was chosen to represent the United States in major tournaments in Europe. In 1929 he won two matches at the French Open and two matches at Wimbledon and he won the North of England Men's Doubles Championship. Upon his return to the U.S., Covington continued to win Southern tournaments and earned a #6 ranking in the Southern Men's Singles. Between 1929 and 1945 Covington won the Asheville City Open nine times. In addition to being a player, Covington has contributed to tennis by serving as a referee, an umpire, and a consultant to tennis court maintenance. Covington was inducted into the North Carolina Tennis Hall of Fame at Greensboro and the Western North Carolina Sports Hall of Fame at Asheville. He has received honorary life memberships into the United States Lawn Tennis Association (now the USTA), the National Super Senior Tennis Association, the North Carolina Tennis Association, and the Western Carolina Tennis Association. The Asheville Racquet Club Tennis Stadium is named in Covington's honor, and in 1983 he was recognized by the Asheville Parks and Recreation Department as Volunteer of the Year.

A North Carolina native, Happer has been involved with tennis at all levels. As a player he enjoyed success as a junior when he won the North Carolina Junior Championships and later played on the Varsity Tennis Team at the University of North Carolina. He has served as president of the Raleigh Community Tennis Association, the North Carolina Tennis Association and the Southern Tennis Association. One of Happer's most notable contributions to the Raleigh community was the founding of the Raleigh Racquet Club, a 25-court non-profit tennis facility. Happer has also been involved in directing adult and junior tournaments, and he organized the Southern Satellite Circuits as well as the USTA National Circuit. Happer has been a Member of the USTA Executive Committee, and he was nominated for USTA Treasurer in 1981. From 1981-89 Happer was the Chief Operating Officer of the Men's Tennis Council, the international governing body for men's tennis. Since January 1990, Happer has served as the Executive Director of the United States Tennis Association (USTA).

M. MARSHALL HAPPER, III

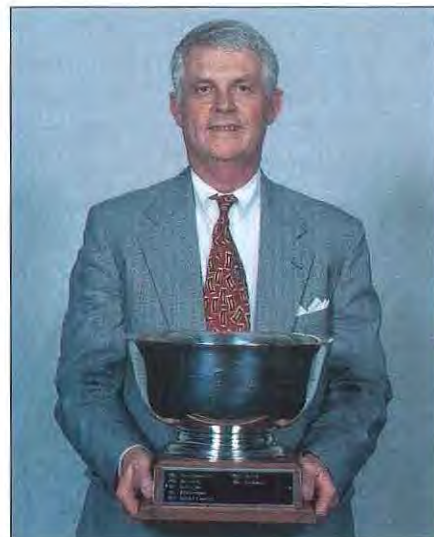

LINDA TUERO PAUL

Originally from New Orleans, LA, Paul began making her mark in tennis as a junior. She won six national junior titles, including the USTA Girls 14 and 16 singles championships, the Girls 16 doubles championship, and the Girls 18 Clay Courts. At Tulane University, Paul was the first woman to receive an athletic scholarship, the first woman to play on a varsity team, and the first woman to receive a varsity letter. Paul turned professional in the early 1970's and reached a number 10 world ranking in 1972, the same year she won the Italian Open. During 1972 and 1973 she was a member of the U.S. Wightman Cup and U.S. Federation Cup teams, and served as the captain of the latter in 1973. Paul competed regularly in all of the Grand Slam Tournaments, reaching as high as the quarter-finals in the 1971 French Open. Paul has remained involved in tennis through her daughter Jennifer Blatty who plays competitive junior tennis and was ranked #3 in Louisiana in 1993.

MEMBER ORGANIZATION OF THE YEAR

Directed by Barney Chadwick, Bridges Tennis Center in Jackson, MS, offers a wide variety of programs for players of all ages and ability levels. The 15-court facility is home for multiple junior, adult, and senior USTA leagues, as well as the Jackson Ladies Tennis Association, programs for the physically challenged, and a USTA Play Tennis America program. Bridges Tennis Center, which has conducted more USTA sanctioned tournaments than any other facility in Mississippi, hosts the three largest tournaments in the state: the Pepsi Junior Qualifying, the Trustmark \$10,000 MS Open, and the state NTRP championships. The municipal complex is also headquarters for one of the first USTA Area Training Centers in the country, and it is one of five sites in the South chosen to host the STA/Reebok Junior Super Circuit. Bridges is involved with a community effort to improve Jackson-area parks and hosted a "Day at Court" starring Chris Evert and Chanda Rubin to help raise funds for the project.

Ted Thomas

EDUCATIONAL MERIT AWARD

An avid recreational player, Ted Thomas of Kingsport, TN, played a key role in establishing USTA adult leagues in the Tri-City area of northeastern Tennessee. Over the past year, he has worked closely with the Tennessee Tennis Association to set up various (USTA) junior programs in the Kingsport area, including USTA/JTT, USTA/NJTL, and the USTA Schools Program. In cooperation with the TTA and the Kingsport Parks and Recreation Department, Thomas helped start a USTA/NJTL program at a local Kingsport public park. As a result of Thomas' efforts and enthusiasm, USTA junior membership in the northeastern part of the state experienced over 15% growth. Thomas serves as the Chairman of Membership and Promotions for the TTA, as well as the Junior Recreational Coordinator for Mountain Empire Tennis Association, which includes the Tri-cities communities and surrounding areas.

JUNIOR TOURNAMENT OF THE YEAR

(co winners)

USF&G Sugar Bowl

The USF&G Sugar Bowl was held at Wisner Park Tennis Center in New Orleans, LA. 1994 marked the first year the tournament appeared on the International Tennis Federation (ITF) junior schedule, making it a highly-competitive event. This year's draw featured one of the strongest fields of 18-year-old players in the tournament's 50-year existence. Complimentary airfare from anywhere in the United States, hotel accommodations at the four-star Hilton River Center Hotel in New Orleans, on-site lunches, and a full-time trainer/injury consultant were some of the amenities offered to the 64 main-draw participants and their coaches. Tournament director Jerry Simmons and a force of 200+ volunteers joined efforts to run the event, and approximately \$70,000 in sponsorship was made available by USF&G, Wilson Sporting Goods, Delta Air Lines, Radiofone, Oldsmobile Sports Care, Inc., and the New Orleans Hilton.

The Tobacco Festival Jr. Tournament

The Tobacco Festival Jr. Tournament was held in Lake City, SC. Over 118 junior players enjoy this yearly tournament held in conjunction with Lake City, SC's Tobacco Festival. The uniqueness of this event lies in the fact that the tournament committee is dedicated to making sure little details made a big difference: low entry fees, courteous volunteers, adequate beverage supply, results published daily, draw sheets for everyone, and medical emergency help on stand-by. Tournament participants and their families are genuinely welcomed by the small community of 7,000 people. From the local volunteers to the event sponsors, the Tobacco Festival Jr. Tournament is truly a community effort. Sponsorship for the tournament was provided by IGA, Citizen's Bank, Bowen, and Embers. Additionally, eleven local businesses made non-monetary contributions. The Tobacco Festival Jr. Tournament is proof that the best tournaments aren't always the biggest tournaments.

SPECIAL TENNIS EVENT

St. Michael's Special School Benefit

This tournament is a yearly charitable event that supports St. Michael's Special School in New Orleans, LA. This year over \$30,162 was raised during the ladies doubles event held at City Park Tennis Center. Thanks to strong volunteer and community support, the tournament has grown considerably since its inception, giving the special children in New Orleans additional learning resources. St. Michael's students are on site at the tournament to meet the players and display crafts. St. Michael's Special School Benefit Tournament is a heart-warming example of the tennis community working together to improve the common good.

The George Floyd Family

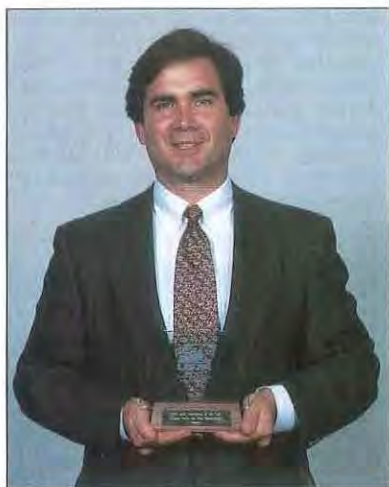

FAMILY OF THE YEAR

Members of the STA's outstanding family for 1994 include George and Carole Floyd and their children Elizabeth and Jimbo. As volunteer Tennis Director for Bainbridge Leisure Services, Carole successfully spearheaded a proposal for a new 8-court facility to be used jointly by the City of Bainbridge and the Decatur County schools system. She formed the Bainbridge Tennis Association, founded USTA League Tennis in southwest Georgia, and coordinates the local tennis newsletter. The annual Bainbridge/Engelhard Tennis Tournament is a family affair for the Floyds, as each person plays an active role in running the USTA-sanctioned junior event: Carole is the Tournament Director, George serves as the Head Referee, and the children assist with transportation, filling in drawsheets, and making award decisions. George, an avid league player and USTA certified referee, assists with appeals at the USTA Georgia District Championships. Both children are former JTT participants and play competitive tennis: Elizabeth holds a 1993 #10 state singles ranking in the girls' 14 age division and plays #1 on the tennis team at West Bainbridge Middle School. Jimbo, also a state-ranked player, is on the tennis team at Bainbridge High School and holds a class 1AAAA singles championship title.

1995 STA ANNUAL AWARDS

GERRIE ROTHWELL AWARD

Judi Miller of Middletown, KY, first became involved with the USTA League Tennis Program in 1986 as the state's District League Coordinator, and she remained in that position until 1991. During her 4 years as DLC, USTA league play in KY experienced substantial growth. In 1987, Judi volunteered at her first Southern Sectional League Championship, the STA's largest league tournament, and has remained a volunteer for the event ever since. A member of the STA Board of Directors, Judi has been instrumental in promoting the STA Mixed Doubles League throughout the nine states that make up the Southern Section, and she has served as chairman of the STA Mixed Doubles sub-committee since 1992. She was appointed to the STA Adult League Council in 1992 and served as its vice-chairman for 1994. Judi was recently honored by the KTA as the recipient of the 1994 Outstanding Service Award.

Chuck Cumiskey

ADULT TOURNAMENT OF THE YEAR

Cooper Creek Tennis Center in Columbus, GA, was the site of the 1994 Poland Springs Southern Senior Cup. Organized by the Columbus Tennis Patrons and the Georgia Tennis Association, this event is a men's and women's invitational team competition that features singles and doubles in the 35, 45, 55, 65, and 75 age divisions and includes teams from all nine states in the Southern section. The hard-working spirit exhibited by tournament chair Ellen Griffin, tournament director Chuck Cumiskey, Cooper Creek tennis pro Roger Pearce and his staff, and local sports reporters helped make the event enjoyable for both players and spectators. Special tournament amenities such as the player parties, food service, transportation, and player gifts were made possible through strong volunteer and community support. Title sponsorship from Poland Springs Water and supporting sponsorship from Ken Thomas BMW, the Bradley Turner Foundation, Synovus Financial and Columbus Radiology Association enabled the Columbus Tennis Patrons to host a first-class event and give back to the community by donating proceeds to Columbus Parks and Recreation.

S.B. Buck

USTA/NJTL CHAPTER OF THE YEAR

Under the direction of S.B. Buck, the Greenville, MS, USTA/NJTL Chapter has continued to grow since its inception in 1984. Tennis enthusiasts aged 7-18 participate in the year-round instructional program, which is a stepping-stone for actual match-play. 1994 marked several "firsts" for this spirited group of juniors from the Greenville chapter: they competed in Junior Team Tennis organized competition, they attended the Regional Rally in Natchez, they attended an ATA Workshop in Atlanta, and they experienced their first tournament victories. The success of the Greenville NJTL chapter is due to the support and enthusiasm of local volunteers who truly take the kids' best interests to heart, as well as the field support from the Mississippi Tennis Association and the STA. To date, at least 12 participants from the program have been awarded scholarships to play college tennis, and the chapter has plans to continue working with the USTA to reach more players throughout Mississippi.

A long-time supporter of the Wachovia Palmetto Jr. Championships, Bocook and tournament public relations chairman Rex Maynard design billboards and posters advertising the yearly junior tournament. Bocook's generosity and business contacts make it possible for over twenty billboards to be displayed throughout the state from May until the tournament's start date in mid-June. Additionally, Bocook donates three "Welcome to Belton" billboards, which he displays in the host city during the week-long tournament. The billboards not only enhance the Wachovia Palmetto Junior Championships, but also promote tennis to thousands of people.

STA PLAYER DEVELOPMENT

USTA/STA AREA TRAINING CENTERS

The 1994-1995 USTA/STA Area Training Centers sessions began with 2 major changes. The ages of the players was lowered to 11-13 for girls and 12-14 for boys with a 2 year limit on being in the ATC. Players will then graduate to the next level of ATC for the 14-16 age group. Pilots are being conducted for the 14-16's with full implementation scheduled for the fall of 1995. Upon graduation from the 14-16's ATC's, players would then be eligible for the 16-18's ATC.

The ATC's bring the most recent and innovative sport science information to the players. Many of the top junior coaches continue to enhance the USTA/STA ATC's while many new professionals are also getting involved in providing this supplement to the players' personal training. The STA salutes the dedicated members of the USPTA and the USPTR serving as certified coaches at the USTA/STA Area Training Centers. The STA also salutes the outstanding administrators and scouts who are volunteering their expertise at the ATC's.

USTA/STA CROSS-SECTIONAL TRAINING CAMP

The Racquet Club of Memphis hosted the 1994 USTA/STA Cross-Sectional Training Camp in Memphis, Tennessee. Ten of the STA's top 15-16 year olds were selected to join 14 of the top players from the Florida Tennis Association and the Caribbean Tennis Association to participate in an intensive 2 1/2 days of drills, match play with coaching, and sport science evaluations. Phil Chamberlain directed the camp, and his staff included Neal Stapp, Peter Lebedevs, Tracy Chappell and Eddie Gonzalez from the STA. Dr. Andrew Meyers led the discussion on sports psychology and Penny Head of the Campbell Clinic answered questions on injury prevention. Page Love-Johnson of the USTA and STA Sport Science Committees, provided complete nutritional evaluations for the players.

USTA ZONE TEAM CHAMPIONSHIPS

1994 marked the inauguration of the USTA 16 Zone Team Championships. 100 of the STA's top 15-16 year olds competed on the beautiful campuses of Wake Forest University and the University of Texas. The 16 Zonals followed a format similar to the 12 and 14 Zonals which includes non-eliminational team play with coaching permitted at the changeovers. The 16 Zonals were very well received while the 12 Zonals and 14 Zonals continued to get rave reviews. The STA was very fortunate to have the following USPTA and USPTR professionals serving as STA summer coaches at the Zonals: Bob Allsbrook, Turhan Berne, Phillip Campbell, Cory Clarke, Kelly Coleman, Curly Davis, Rick Davison, John Eagleton, Mark Elliott, Brian Fleischman, Pat Harrison, Nicki Ivy, Peter Lebedevs, Jim Moortgat, Don Patrick, Ted Reese, Chuck Rueff, Brennen Sewell, Colin Smith, Eric Voges, Bob Wagstaff, John Wahlborg, Dan Weant and Jimmy Weinacker.

STA JUNIOR COMPETITION

STA JUNIOR DAVIS/JUNIOR FEDERATION CUP CHAMPIONSHIPS

For the first time since 1985, the STA Junior Davis/Junior Federation (formerly the Junior Wightman) Cup Championships brought the nine Districts of the STA together for the premier junior event of the year. 162 of the Districts' top players competed for 2 1/2 days in singles, doubles and mixed doubles on teams representing their District. The outstanding facilities of the McCallie School, the Baylor School and the GPS School were host to this tremendous event. Eric Voges served as the host coordinator and Phil Chamberlain was the referee. In an exciting finish, Team Georgia edged Team South Carolina to earn the right to keep the STA JDC/JFC Cup until next year's event. The coaches for the 1994 STA Junior Davis/Junior Federation Cup Championships were: Mike Whittington, Bob Wagstaff, Pat Breen, Jeff Baker, Allen Miller, Lisa Enochs, Curly Davis, Greg Stephenson, Gus Rivera, John Wahlborg, Robert Russell, Herman Pappas, Karen Rembert, Dave Cordrey, John Eagleton, Bob Allsbrook, Eric Voges and Peter Lebedevs.

STA/FTA CHALLENGE

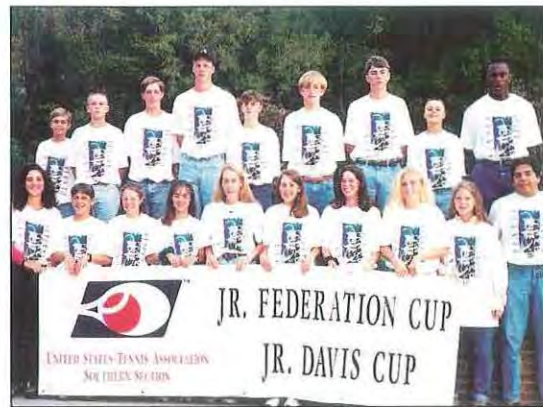

The inaugural Southern Tennis Association/Florida Tennis Association Challenge was held at the beautiful ATP Tour International Headquarters in Ponte Vedra Beach, Florida. 72 of the top nationally ranked players from the STA and FTA competed on hard, clay and grass courts in team singles, doubles and mixed doubles representing their section. Coaches for the STA were Rick Davison, Eric Voges and John Wahlborg. Team Southern triumphed over Team Florida to win the perpetual trophy, to be known as the STA/FTA Cup, for the Southern Section.

USTA/STA JUNIOR TEAM TENNIS

Providing youngsters everywhere the opportunity to compete on a team at an appropriate skill and age level is the goal of USTA/STA Junior Team Tennis. In order to accomplish this and become tennis' equivalent of youth soccer and youth baseball, the STA and its nine Districts are dedicated to providing sound programming through the District and STA staff and the outstanding clinicians who assist with the kick-off events, carnivals and Rookie Coaches Workshops. In 1994 over 13,000 young players experienced the fun and friendships associated with USTA/STA Junior Team Tennis.

If your town doesn't have USTA/STA Junior Team Tennis and you would like to get it started, IMMEDIATELY contact the STA or your District Office to get the ball bouncing! We guarantee fun for everyone!

Rookie Coaches start hundreds of youngsters playing the sport for a lifetime!

COMMUNITY DEVELOPMENT

John Sheffield, STA Schools Director, helps a young lady show off her new tennis skills at a motivational school assembly in AL. Vicky Marty, AL coordinator of the USTA Schools Program, has recruited and trained local volunteer leaders for all 37 school systems that use the program.

P.E. Majors at the University of Kentucky are intent in beating their classmates in this tennis racket sandwich relay. A dozen workshops were conducted for physical education majors at colleges in the South in 1994. Workshops for Adaptive Physical Educators and volunteers interested in bringing tennis to wheelchair athletes and the mentally challenged were also well attended and enthusiastically received.

"I may be little, but I've got a mean two-handed forehand." This boy from Winder, GA, participates in one of the thirty-seven carnivals that were conducted across the South to kick off a USTA/NJTL or USTA Junior Team Tennis season. Of the thousands of USTA/NJTL players in the STA, almost 300 came from 22 cities to one of the two Regional Tallies in Atlanta, GA, and Natchez, MS, in July. The Greenville, MS, chapter under S.B. Buck was awarded STA/NJTL Chapter of the Year.

Henry Talbert (center), USTA Director of Recreational Tennis, and Mark Beede (far right), Vice Chairman of the USTA Community Development Committee received keys to the city of Rome, GA. GTA staffers Janet Louer and Sheila Cronkright, and STA staffer Kelly Coleman attended the Coosa Valley Tennis Association Banquet. Community tennis associations like the CVTA can now get additional support from two new volunteer leaders assigned to the Southern Section: Vicky Marty (Birmingham, AL) and Mary Hatfield (Macon, GA) are available in 1995 to give workshops for community tennis leaders in all nine states of the STA.

COMMUNITY DEVELOPMENT

Perkerson Elementary students "ham" it up for the camera after their flawless presentation. Thanks go to the thousands of local P.E. teachers and volunteers and to the dozens of officers and staff members in the nine district offices who have given so much of their time and energy to tennis programs for kids.

Over 2700 physical education teachers, volunteers and summer recreational staff participated in one of 141 USTA workshops to learn "contact at the front foot" and other teaching cues. Thanks go to the USTA national office for providing over 6500 USTA rackets to southern school systems and recreational tennis programs.

Tony Womeodu, USPTA professional and Director of Tennis at Whitehaven, one of many fine public tennis centers in Memphis, TN, coaches a young player at a kick off carnival for a USTA/NJTL chapter. Next door, the Arkansas Tennis Association actively promoted USTA/NJTL by hiring Jeff Smith as a new junior recreational staff member and by starting five new chapters.

Mini-Tennis is demonstrated in a schools assembly in Raleigh, NC. STA Schools Director Darryl Lewis and a local tennis professional show students that rallying close to the net is easier than starting on the baseline. Smaller nets and rackets are therefore an integral part of schools programs.

Bill Ouzts, USPTR and USPTA Professional, demonstrates a serve to a student volunteer in a USTA Schools Program assembly.

COMMUNITY DEVELOPMENT

This Columbus, GA, physical education teacher is having a "ball" participating in a game of volley trolley during a USTA Schools Program in-service. STA would like to welcome **Wilson Sporting Goods** as an official sponsor of the USTA Schools Program nationwide. They will be providing teachers like this one with thousands of rackets for teaching tennis in P.E.

The "exploding" tennis ball surprises an elementary student as she shows off an overhead smash in an outdoor school assembly. Over 38,500 children attended 193 assemblies in the Southern section in 1994.

(L-R) James Bivens(Mobile, AL), Dave Abrams, Recreational Tennis Coordinator for USTA/NJTL, James Simmons (Atlanta, GA), and Louis Hill (Fairfield, AL), leader of a USTA/NJTL chapter and an excellent STA Gifted Athlete Program, congratulate one of Mr. Hill's students for winning the sportsmanship award at the Atlanta Regional Rally.

Future tennis stars at Beaumont Middle School in Lexington, KY, take a moment to pose with STA Schools Director Kelly Coleman.

USTA programs now provide a positive experience for children of all sizes, ages and backgrounds wherever they're offered. Linda Paulding, and many key minority tennis leaders helped put the fun of USTA tennis programs into dozens of new neighborhoods.

DAILY PLAYING LIMITATIONS FOR ADULT TOURNAMENTS

The following Daily Playing Limitations have been approved as GUIDELINES for tournaments on an experimental basis. A. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

B. No player who has entered one singles and/or one doubles division in a tournament may be required to violate the limitations specified in the table.

C. Exceptions to (B) will be allowed only by the Tournament Director/Referee where conditions prohibit the tournament to be completed within its sanctioned dates.

Players may be required to play two singles in one day during May, June, July, August and September unless there are more rounds than sanctioned days in the tournament. In particular, the semifinals and finals should not be played on the same day unless this is required in order to finish the tournament within its sanctioned dates.

D. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

E. No match shall be less than the best-of-three sets (no proset matches). The 7-of-12 tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

The STA has reviewed the below chart of Daily Playing Limitations and approved its dissemination in this yearbook as GUIDELINES for tournaments on an experimental basis. *KEEP IN MIND THAT THESE ARE NOT, AT THIS TIME, ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS.* They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

Following is the list of tournaments that require endorsement. Please check the tournaments that you would like to play, (pending your eligibility and endorsement) and return the list to your endorser (address listed above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request an entry unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your endorser/ranker; to send player record forms and to update them when additional results become available; and to supply your endorser with self-addressed stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

JUNIOR ENDORSEMENT INFORMATION & CHECK-OFF LIST

Important Information--All juniors who hope to be endorsed or ranked in 1995 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

STA Rules & Regulations--Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them near the back of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1994 STA rankings are printed in this issue also.

Summer Tournament Schedule--The summer season will arrive sooner than you expect and it is time to begin making your plans. On the previous page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. If you think that your record will put you in contention for endorsement to any Zone Team or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). **Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/95 through the present.** All Zone Team and/or National entries, except for 14 Zone Team Championships, will be distributed at the Southern Closed.

USTA Player Record Form - Printed on Page 128 you will find a USTA Player Record Form. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

National Entry Forms--The USTA uses a standard entry form for each of the USTA National Championships. These forms may be requested from your endorser at the Southern Closed. Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

- 1.Fill out all entry forms and player record forms in BLACK ink.
- 2.Make check payable as indicated on the fact sheet.
- 3.Never send your entry directly to the tournament. IT MUST be first signed by your endorser.
- 4.Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
- 5.Send a copy of your USTA card.
- 6.Be sure to let your endorser know how to reach you during the endorsement process.
- 7.If possible, indicate your travel and housing plans on your entry form.
- 8.Return with each entry form a self-addressed, stamped envelope for your endorser's use.
- 9.Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

National Tournament Deadlines--The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

Quotas and Alternates: The STA quota is sixteen (16) for all National Championships, thirty (30) for 14 Zone Team Championships, forty (40) for 12 Zone Team Championships, and fifty (50) for 16 Zone Team Championships. When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

Entry Fees to the USTA National Championships:(August 5-13) The STA will pay the entry fee for all players accepted into the draw at the USTA National Championships. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in quota, the checks for those players will be returned or destroyed. Those players listed on the endorsement list as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

Your STA Endorser/Ranker: On the previous page is a list with addresses of the junior endorser/rankers for 1995. Please establish early communications with your endorser/ranker and start by filling out the form and mailing it as soon as your plans are complete, but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this Southern Tennis Yearbook. Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

Special Events: There are a number of special events for juniors that involve selection of players by the STA and for which the STA pays most expenses. Among these are the three intersectional team championships as follows:

- 1.Boys and Girls 16 in Shreveport, LA, July 9-15 for which the STA selects a team of six to eight (3-4 each BG16). The STA team has won this event six times.
 - 2.Boys' 18 Intersectionals in Columbia, SC, July 30-August 2, for which the STA selects a team of up to eight players in the B18/16 group. The STA has won this team championship four of the last eight years.
 - 3.Girls' 18 Intersectionals in Rancho Solano, CA, August 1-4, for which the STA selects a team of up to eight players in the G18/16 group. The STA has won this team championship four of the last seven years.
- Selection for these teams will be made shortly after the Southern Closed from the top players in those age divisions. Indicate your desire to be considered and willingness to play if selected on the check-off list attached.

Designated Tournaments: See STA Rules and Regulations, Article IV. Be sure to review the STA Rules and Regulations on Articles IV and V, dealing with endorsement procedures and ranking regulations. Participation in one of the five STA/Reebok Junior Super Circuit Designated Tournaments is required for endorsement. Draws will be limited to the top 32 players entering, based on current ranking and records. Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. **PLAN YOUR SCHEDULE EARLY!**

USTA Yearbook: In addition to reading the Southern Tennis Yearbook carefully, we urge you to consider purchasing an official USTA Yearbook. You may order one by sending a check for \$16 if you are a USTA member, or \$20 for non-members (includes postage and handling) to USTA Publication Dept., 70 West Red Oak Lane, White Plains, NY 10604.

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. **Exhibit the best in sportsmanship on and off the court.**

STA RULES AND REGULATIONS

Southern Tennis Association, Inc.

APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

I. Quota System for Entry to Southern Junior Closed Championships

A. General.

The draw size in every age division of the Southern Junior Closed shall be determined by the STA Junior Tennis Council. Each age division tournament will include a championship

singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure to play is attributable to a bona fide reason such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

DISTRICT/QUOTA/SELECTOR	BASIS FOR SELECTION
ALABAMA Quota: For 128 Draw-10, 160 Draw-12 Elaine Francis	Must play in the Alabama Qualifying Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place. The losing semi-finalists of the feed-in event will play for the 7th and 8th places, and there will also be a playoff for positions 9, 10, 11, and 12.
ARKANSAS Quota: For 128 Draw-7, 160 Draw-9 Boys: Brent Parker Girls: Bob Huckelbury	Selection for three slots per division will be based on the final three positions in the Arkansas Junior Qualifying. All other slots open to Arkansas juniors will be based on the strength of a player's overall tournament record for the current ranking year--National, Southern and State records will be considered.
GEORGIA Quota: For 128 Draw-46, 160 Draw-48 Boys: Michelle Browne, Nancy Thompson Girls: Joanne Dorsey, Lisa Enochs	Selection is determined as follows: Round of 16 in the main draw from the Georgia State Junior Qualifying; Top 5 finishers (main draw semi-finalists and winner of the FIC) from the Georgia State Junior Closed Challenger. Additional quota spots (including waivers) are selected from the Georgia State Junior Qualifying based on overall tournament record for the current ranking year.
KENTUCKY Quota: For 128 Draw-8, 160 Draw-10 Boys: Karen Holder Girls: Sally Eggers	The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because of illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.)
LOUISIANA Quota: For 128 Draw-9, 160 Draw-11 Sally Fink	Selection is based on the strength of a player's overall tournament record for the current ranking year and play in the Louisiana State qualifying tournament. A player may be waived from the Qualifying only by a verified illness or injury.
MISSISSIPPI Quota: For 128 Draw-10, 160 Draw-12 Pam Smith	The primary basis for selection will be the player's performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crises, or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed.
NORTH CAROLINA Quota: For 128 Draw-16, 160 Draw-18 Mary Lloyd Hodges	Selection is based on strength of overall tournament record for the current year including the Tar Heel Qualifier. Rankings will only be used if absolutely necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. Play in any age group other than that which the player applies for selection to the Southern Junior Closed will not be considered.
SOUTH CAROLINA Quota: For 128 Draw-11, 160 Draw-13 Boys: Bill Lindsay Girls: Kim Porter	To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and Committee. A player's National, Southern, and State rankings plus current season's play will be guidelines for acceptance.
TENNESSEE Quota: For 128 Draw-11, 160 Draw-13 Boys 18: Eric Voges Boys 16: Peter Lebedevs Boys 14: Jim Shackelford Boys 12: Matt Rose Girls 18: Peter Lebedevs Girls 16: Neal Stapp Girls 14: Jeff Cobb Girls 12: Steve Annacone	<p>The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee.</p> <p>The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on players record from January 1 up to and including the State Qualifying (e.g. common opponent, calibre of wins, head to head). All players wanting to be endorsed MUST fill in an application at the Qualifying and return it to their endorser before the date specified by the endorser.</p>

B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1995 Southern Junior Closed Championships are listed on the previous page:

D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

II. STA Boys' and Girls' Intersectional Teams

A. General.

The STA annually selects Boys' and Girls' Intersectional Teams to represent the STA. The STA appoints a coach/chaperon to travel with each team and the STA funds most of the teams' expenses. The team consists of up to eight players chosen from the top juniors in the 18 and 16 age divisions.

B. STA Committee.

Selection of the teams shall be made by the STA Team Selection Committee listed in the Yearbook under the heading of "STA Committees".

C. Eligibility.

Any junior player in the STA meeting the following requirements shall be eligible to apply for Team selection:

1. Any player having a singles ranking of 1-10 in the 1994 STA 18's division ranking, or
2. Any player having a singles ranking of 1-5 in the 1994 STA 16's division rankings, or
3. Any member of the 1994 team who is still eligible for 18 or 16 and under competition in 1995, or
4. Any player having recorded one (1) win since January 1, 1995, over any of the players eligible under the preceding three categories.

D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

Any STA junior player interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

III. STA Junior Davis Cup Team

A. General.

The STA annually selects up to three (3) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the STA.

B. Application.

Applications should be obtained from the STA office. Selection will be based on 1994 rankings and current season's records.

IV. STA Endorsement Procedure to USTA National Junior Championships and Zone Team Championships:

USTA 12, 14 & 16 Zone Team Championships

USTA National Junior Clay Courts Championships

USTA National Junior Championships

USTA International Grass Court Championships

USTA International Championships

USTA National Junior Indoors Championships

A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has a guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1995 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. The USTA 12 Zone Team Championships will include 40 STA boys and 40 STA girls. The USTA 14 Zone Team Championships will include 30 STA boys and 30 STA girls. The USTA 16 Zone Team Championships will include 50 STA boys and 50 STA girls.

B. STA Criteria-Eligibility for Endorsement to USTA National Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament and one of the five STA/Reebok Junior Super Circuit Designated tournaments in the age division for which applying for endorsement. Participation in the Southern Closed and in one Designated tournament in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
- b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.
- c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will adhere to the following guidelines in considering waiver requests:

- a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver.
- b. An individual wishing to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer must apply for a waiver by October 15. If the waiver is approved he/she will be endorsed at a position to be determined by the appropriate endorser.

c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.

d. Waiver for the Designated Events: Waivers for the Designated Events required for endorsement to the Nationals shall be considered for but not limited to the following:

1. Injury or illness.
2. Players acquiring residence in the STA after the last designated tournament.
3. Participation in International Events conflicting with the designated tournaments.

When a waiver request is approved, the player's endorsement position will be based on their current overall record.

e. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article IV.B.3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

f. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

4. Designated Tournaments. Players entering a designated tournament must play in the age division in which he/she is seeking endorsement, with the following exceptions:

a. 12's seeking to play designated tournaments in an older division who still intend to play the 12's age division in the Southern Closed, shall be limited to playing in a higher age division in a maximum of two designated tournaments. If a player who is eligible for the 12 & under age division plays in any higher age division in more than two designated tournaments, that player would not be eligible to play in the Southern 12 Closed.

b. Players who have been waived from their own age division to the next age division in the Southern Closed.

c. Only after a player wins two designated tournaments in their age division would they be allowed to play up in the next age division.

C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota may receive entry blanks promptly. In most cases, however, entry blanks will be distributed at the Southern Junior Closed.

D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

a. Player Record Forms, which should be completed with every sanctioned singles match in the Division (age group) played since January 1, 1995. Doubles player records should be with the same partner you intend to enter with in this USTA Championship.

b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser.

(Never send these items to the USTA Championships, or to the STA Office.)

2. The endorser will rank all players who have applied by the deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or on the alternate list. If you are on the alternate list, it is your obligation to contact the tournament on the date indicated on the tournament application to find out if you have been accepted into the tournament.

3. If you are in quota and must withdraw, advise the USTA Championships immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action.

V. Ranking Regulations

A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman by November 15 or immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.

4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived only by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.

7. Alphabetical. A numerical grouping may be used by a Ranking Committee for giving recognition to players who meet the ranking qualifications, but whose record does not clearly establish a specific numerical position. Players thus ranked will be listed alphabetically.

8. Ranking Appeals. Tentative rankings will be published in early January and will always be available at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. Provided that a completed Player Record Form has been sent to the appropriate ranker/endorser, all players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

a. Men's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.

b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the Southern Section.

c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.

d. Men's 70, 75, 80 Singles and Women's 55, 60, 65, 70, 75 and 80 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open* and the Southern Closed*.

e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed* and the Southern Open*, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open* and the Southern Closed*.

f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 25, 30, 35, 40, 45, 50, 55, 60, 65 and 70 Mixed doubles.

Note: *1995 Men's Southern Open in Jackson, MS and 1995 Women's Southern Open in Memphis, TN. The 1995 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Birmingham, AL for odd divisions.

C. Junior.

1. Minimum Requirements. Playing in any USTA National Championship does not count towards minimum STA ranking requirements. The minimum number of tournaments required for consideration for STA ranking in Boys' and Girls' 12-18 divisions follows:

a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of his/her own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirement. Note: Because the Boy's and Girl's 12 division has no Summer Open Tournament, the STA Indoor Open in November may be substituted for this tournament.

b. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.

2. Boys' and Girls' 14-18 rankings shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. Boys' and Girls' 12 rankings shall be based solely upon the win records of the players for the year under consideration.

D. Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking

Committee. A player or team must win at least one (1) match over a player or team that is eligible.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.

3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.

4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

E. Residency Requirements for Southern Closed Tournaments

1. Only players who have established a legal residency in one of the nine districts of the Southern Section of the United States Tennis Association (State of Alabama, State of Arkansas (including Bowie County, Texas), State of Georgia, State of Kentucky (except for the counties of Boone, Campbell, and Kenton), State of Louisiana, State of Mississippi, State of North Carolina, State of South Carolina, State of Tennessee (including Bristol, Virginia), hold a current USTA membership card assigned to one of the districts in the Southern Section, and are citizens of the United States or meet the resident alien requirements for a USTA National ranking are eligible to participate in Southern Closed tournaments. Resident alien requirements include resident aliens who have resided in the United States continuously for more than one year and are members of families of persons in the diplomatic or consular corps. In the case of a junior player, legal residency is that of the parents. Extenuating circumstances may be considered by the STA Management Committee. A policy statement on resident status is on file at the Southern Tennis Association office.

2. Juniors who desire to qualify for the Southern Closed Championships will be required to play in the District Qualifying or receive a waiver from the district where they are legal residents on the May 15 immediately preceding the District Qualifying Tournaments.

3. Players who meet any one of the following criteria can register their intent to participate in closed tournaments and/or receive a ranking in the district in which their parents are legal residents:

- Juniors going to school/college outside the district where their parents reside;
- Juniors who spend time with joint custody parents;
- Players who live in more than one location during the year; and
- Family members of the military.

The intent must be registered in writing to the district office where they desire to participate and the Southern Tennis Association office before the first closed tournament is held in the involved district or section. In the event no request is made, it is assumed that the player will compete and/or be eligible for a ranking in the district that best describes their legal residence.

NOTE: The intent of the above paragraph is that no one should be allowed to participate in closed tournaments or be ranked in two or more districts or sections during any single ranking year.

F. Residency Requirements for a Southern Ranking

In order to be considered for a Southern ranking in his/her respective age division, a player must meet the Residency Requirements of the Southern Section as stated above, and must compete in the required tournaments.

VI. STA Junior Suspension Point System

A. Code of Conduct Report

1. A Southern Tennis Association Code of Conduct Report shall be included in the tournament packet of all Southern Junior Championships and Designated Tournaments.

2. The STA Code of Conduct Report shall be filled out by a USTA certified official of the tournament, signed by the player and sent to the STA Junior Coordinator within 48 hours after the completion of the tournament.

B. The Point Penalty System

1. The point penalty system as sanctioned by the USTA shall be used as the base to impose suspension points. Code violations shall only be given by a USTA certified official.

C. Suspension Points

1. Suspension points shall be accumulated from the following events:

- Southern Closed, Open and Indoors.
- STA Designated Tournaments.
- All Events in the National Jr. Tournament Schedule.

2. Suspension points accumulate over a twelve month period. Points that have been on a player's record for twelve months will be erased.

3. When six points have been accumulated, the STA Junior Coordinator shall send a letter to the player informing him/her of being in jeopardy of being suspended.

4. When a player accumulates TEN suspension points during a twelve month period, he/she shall be sent a letter from the STA notifying him/her of their suspension from USTA

sanctioned events within the STA for eight weeks and also from the next Southern Championship. The suspended player shall not be eligible for endorsement to any Nationals during the eight week suspension.

5. Furthermore, a suspended player will be ineligible for selection to STA team events (including Zonals and Intersections), Area Training Centers and Cross-Sectional Camps for the twelve months following the suspension.

6. Following a suspension, the first ten points will be erased from the player's record.

D. Appeal Process

1. Following notice of such suspension, the player shall have the right to a hearing by the STA Grievance Committee if requested within five days following the receipt of the suspension notice. There shall be a one hundred dollar (\$100.) filing fee to appeal in addition to the costs of the hearing. If the suspension is overturned in its entirety, the cost of the hearing shall be refunded. If the suspension is affirmed by the STA Grievance Committee, the eight week suspension shall commence as of the date following the date of the order of the STA Grievance affirming such suspension. If the suspension is affirmed, the player shall have the right to appeal the decision of the STA Grievance Committee to the STA Management Committee. The STA Management Committee shall not be required to hold a hearing.

VII. Tournament Rules and Regulations

A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), & USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 70 West Red Oak Ln., White Plains, NY 10604, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who shall be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute shall be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.

b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.

c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.) In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same District meeting in a first round match.

d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the

word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.

f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.

g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Tournament Director must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

i. Rules regarding rest periods after the second set of three-set matches shall be observed in accordance with regulations as listed in the USTA Yearbook.

j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble spots and, by their presence, can sometimes solve problems immediately.

k. All Southern singles Adult/Senior Championships shall hold a minimum of a first match loser's consolation (FMLC).

l. In the event that the draw size in a Southern Adult/Senior Championship is four or less, a round robin shall be played.

C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.

b. In regard to stalling, the rules of conduct play are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow 90 seconds for towel-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.

c. No player or players will make a comedy of a match, whether they be winning or losing.

d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.

e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so unless asked by an official of the tournament to serve as a line umpire. If any player desires assistance in officiating his match, he should make the request to the

Tournament Director or Referee; this can be done either before or during the match.

f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be reported to a member of the Tournament Committee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.

g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.

h. Positively no gambling, drinking or other misconduct (either on or off the court) will be tolerated.

i. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.

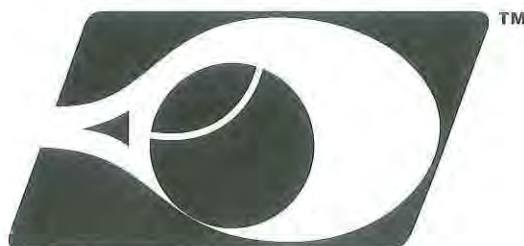

2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA League Tennis play.

IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

The Board of Directors shall be authorized to approve the purchase of a nominal number of memberships for persons, families, schools or other organizations by a District Association upon a finding that such purchases are small in number, are for promotional purposes only and are not intended to affect the voting strength at the District Association or STA levels.

Indirect purchases, as referenced above, shall include (i) the purchase of a membership for any person, family, school or other organization by an organization or individual affiliated or in any way connected, or formerly affiliated or connected, with a District Association or any

5. District Associations and Member Clubs and Organizations are entitled to notice of all meetings of members of the Association and are entitled to be present at any meeting of members. Delegate-at-Large or member of the Nominating Committee may, by a vote of not less than two-thirds (2/3) of the whole Board of Directors, be removed from office for cause, and his successor or their successors may be elected pursuant to the provisions contained in these By-Laws.

ARTICLE VIII BOARD OF DIRECTORS

1. The management of the STA shall be vested in the Board of Directors consisting of not less than ten (10) persons. Members of the Board of Directors shall serve without pay.

2. THE BOARD OF DIRECTORS shall be composed of the President, the Executive Vice-President, all other Vice-Presidents, Secretary, Treasurer, Sectional Delegate to the USTA, a District Delegate from each District Association, four Delegates-at-Large, and each active Past President residing within the jurisdiction of the STA. The Board of Directors shall meet not less than twice a year at which current matters involving the STA are to be reported on and discussed and the policies of the STA established. During all meetings of the Board of Directors each member of the Board shall have one (1) vote; however, the voting strength of the Past Presidents shall not exceed the lower number of Past Presidents present or three (3). If, at any meeting, more than three (3) Past Presidents are present, the three (3) votes shall be prorated among those present. If a Past President is elected to some other office that could make him a member of the Board of Directors, then his vote on the Board of Directors will not be included in the voting strength of the Past Presidents. A quorum for the transaction of business by the Board of Directors shall not be less than one-half (1/2) of its members, exclusive of Past Presidents. Any person who shall hold more than one position enumerated in Article VII shall be entitled to only one vote on matters before the Board of Directors.

ARTICLE IX COMMITTEES

1. The STA shall have the following standing committees: Management Committee, Nominating Committee, Grievance Committee, Sanction & Schedule Committee, Ranking Committee and Constitution and Rules Committee. It may have such other committees as may be appointed from time to time by the Management Committee or the President. All members of committees shall serve without compensation.

2. The affairs of the STA between meetings of the Board of Directors shall be managed by THE MANAGEMENT COMMITTEE, whose members shall consist of the President, Executive Vice-President, all other Vice-Presidents, Secretary, Treasurer and the Sectional Delegate to the USTA.

3. THE NOMINATING COMMITTEE shall be composed of five (5) members, one of whom shall be the immediate Past President who shall serve as Chairman.

(a) The four (4) members of the Committee, other than the immediate Past President, shall be elected for a one (1) year term at the annual meeting of the members of the STA to serve until the next annual meeting or until their successors are duly elected and qualified. In addition to the immediate Past President, two (2) members of the Nominating Committee shall be members of the Board of Directors. No officer may be a member of the Nominating Committee and no two (2) members may be from the same District Association. No member may serve on the Nominating Committee more than four (4) consecutive years. Two (2) members of the Nominating Committee shall be nominated to serve for a second consecutive term. A vacancy for any cause on the Nominating Committee, including that of the Chairman, prior to the filing of its report shall be filled by the Management Committee by appointment of a person representing the same District Association as represented by the person unable to serve. In the event of a vacancy in the Chairmanship, a new Chairman shall be appointed by the Management Committee.

(b) The Nominating Committee shall make nominations for officers, Sectional Delegate, Delegates-at-Large, and members of the Nominating Committee to be voted on at the next annual meeting of the members of the STA. It shall file such nominations at least sixty (60) days prior to the next scheduled annual meeting with the Secretary. Notice of the nominees thereof shall be mailed to each District Association within ten (10) days of receipt and with the notice of the annual membership meeting. If, prior to the annual membership meeting, any person so nominated dies, becomes incapacitated, or declines, or becomes ineligible to accept nomination, the vacancy in the nominations shall be filled by the Nominating Committee and the name of such persons as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly selected for such purpose by the Nominating Committee.

(c) In addition to nominations made by the Nominating Committee, nominations for Officers, Sectional Delegate, Delegates-at-Large, and for members of the Nominating Committee, may be made by petition executed by District Associations having an aggregate voting strength of not less than one-third (1/3) of the total voting strength, which petition shall be filed with the Secretary of the STA within thirty (30) days from the date notice is sent to the District Associations of the nominees submitted by the Nominating Committee. A notice of the names of such petition nominees and their proposers shall be mailed to each District Association within ten (10) days of receipt by the Secretary and shall be mailed with the notice of the annual meeting or any supplemental notice of the annual meeting, if a notice has been previously mailed. Any petition shall nominate persons for all positions enumerated under Section 3.(c) above.

(d) In the event nominations proposed by District Associations are different than that proposed by the Nominating Committee, a vote will be taken at the annual meeting on a slate versus slate basis.

(e) No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

4. THE GRIEVANCE COMMITTEE shall be composed of a Chairman, Vice-Chairman and one other person, all appointed by the President, with the approval of the Management Committee, and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional member of the USTA, all rules and regulations of the STA, and the standards of good conduct, fair play and good sportsmanship. The Grievance Committee shall operate under the following rules and regulations:

(a) Whenever a written grievance is filed with the Chairman of the Grievance Committee, charging that any player, any person who is associated with the player (including but not limited to parents and coaches), or any official or organizer of any tournament has violated any of the following:

- (1) The Articles of Incorporation of the STA or Constitution of the USTA;
- (2) The By-Laws, Rules and Regulations of the STA or USTA;
- (3) The standards of good conduct, fair play and good sportsmanship of the STA or the USTA;
- (4) The Rules of Tennis;

The Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation to be furnished to the Chairman within ten (10) calendar days after service of the grievance. Thereafter, upon a finding by the Chairman that such person violated any of (1), (2), (3) or (4) above, the Chairman shall have the power to impose any of the following penalties, to wit:

- (1) Reprimand in writing;
- (2) Place such person upon probation for a period of time not to exceed two years;
- (3) Suspend such person from participating in any tournaments or other events sanctioned by the USTA within the Southern section, not to exceed two years;
- (4) Fine such person in an amount not to exceed \$1,000.00;
- (5) Any combination of the above;
- (6) In the event of an egregious act involving bodily injury or the threat thereof by the person against whom the grievance is filed, said person may be immediately suspended from participating in any tournaments or other events sanctioned by the USTA within the Southern Section, pending the outcome of the grievance.

Any of these penalties may be imposed against any junior member, when the grievance is filed against a person who is associated with him, such as a parent, guardian or coach.

(b) Prior to imposing any penalty, the Chairman shall not be required to hold any hearings, and action may be taken by the Chairman without further investigation. In the absence of the Chairman, at the Chairman's request, the Vice-Chairman of the Grievance Committee shall have the same powers as the Chairman. The Chairman or Vice-Chairman, as the case may be, shall promptly notify, in writing, the person so charged of his decision.

(c) Within fifteen (15) days after receipt of a written notice of the decision by the Grievance Committee, the person penalized may appeal the decision by sending to the Chairman a written request for a hearing before the Grievance Committee. Upon receipt of such a request, the Chairman shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than two representatives, including the parent or guardian, to present testimony and other evidence and cross-examine witnesses. The Grievance Committee shall have power to affirm, modify, or reject the prior decision and to impose any additional penalties set forth above. The Grievance Committee shall promptly notify the person penalized of its decision.

(d) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Grievance Committee to render a decision. In such event a hearing shall be held in accordance with the provisions of subsection (c) above, and the Grievance Committee shall have the power to impose any or all of the above-described penalties as it may deem appropriate.

(e) Any appeal from a decision of the Grievance Committee shall be made to the Management Committee within fifteen (15) days after receipt of a written notice of a decision of the Grievance Committee. Such written notice shall be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the decision of the Grievance Committee and may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Following its review, the Management Committee shall promptly notify the person penalized of its decision. The Management Committee shall have power to affirm, modify, or reject the decision of the Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding. There may be a suspension of the penalty from the date of any decision of the Chairman, Vice Chairman or Grievance Committee up to the decision of the Management Committee.

(f) Any person who has been suspended pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Grievance Committee.

(g) All action of the Grievance Committee shall be reported to the USTA Grievance Committee and any other entities, bodies or individuals deemed necessary by the USTA Board of Directors.

5. THE SANCTION & SCHEDULE COMMITTEE shall be composed of a chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to the Board of Directors. Tournaments shall actually be awarded by the Board of Directors. In between meetings of the Committee, the Chairman shall be responsible for carrying out the functions of the Committee.

6. THE RANKINGS COMMITTEE shall be composed of a Chairman and such persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.

7. THE CONSTITUTION AND RULES COMMITTEE shall be composed of a Chairman and such other persons appointed by the President. This Committee shall review all regulations, By-Laws or Charter changes proposed for consistency and quality of language and shall recommend changes in the By-Laws as required.

8. THE PRESIDENT, in addition to being a member of the Board of Directors and the Management Committee, shall be an ex officio member of all other committees, except the Nominating Committee. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to re-election or re-appointment as the case may be, for a one-year term or until their successors are named.

9. The following shall constitute a quorum for the transaction of business for the following named committees: Management Committee, not less than two-thirds (2/3) of its members; Nominating Committee, not less than three-fifths (3/5) of its members; Grievance Committee, not less than two-thirds (2/3) of its members. Quorum for the transaction of business for any

other committee shall be not less than one-third (1/3) of the members of such committee.

10. Members of any committee may participate in the meeting of the committee by a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in the meeting pursuant to this Section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees, by mail.

11. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

12. Any action required or permitted to be taken at any meeting of any committee, other than the Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

ARTICLE X REIMBURSEMENT

The President may authorize the reasonable reimbursement of any individual necessarily incurring travel, housing, meals, office, mailing, telephone, or other expenses in connection with the business of the STA. All reimbursements shall be subject to review by the Board of Directors at its next meeting.

ARTICLE XI OFFICES

The principal office of the STA shall be located in Atlanta, Georgia, or such other location as the Board of Directors may select. The STA may have additional offices at such other locations as the Board of Directors may from time to time determine.

ARTICLE XII AMENDMENTS

1. These By-Laws shall be subject to alteration, amendment, or repeal, and new By-Laws not inconsistent with any provision of The Articles of Incorporation may be made, either:

(a) By the affirmative vote of a majority of the members, provided notice of the proposed alteration, amendment, or repeal be included in the notice of such meetings of members, or;

(b) By the affirmative vote of a majority of the Board of Directors present and voting at any meeting of the Board of Directors, provided notice of the proposed alteration, amendment, or repeal can be included in the notice of such meeting of the Board of Directors, and, provided further, that no proposed alteration, amendment, or repeal of these By-Laws shall be adopted by the Board of Directors unless the voting members of the STA shall have received not less than thirty (30) days prior notice of the proposed alteration, amendment, or repeal, and;

2. Any amendment to the By-Laws of the USTA concerning membership, dues, and voting power shall automatically effect an amendment to the corresponding section of these By-Laws, and shall be subject to review at the next annual meeting of the membership.

3. Any proposed alteration, amendment or repeal or any proposed new By-Law provision permitted to be made hereunder shall be submitted by, or sponsored by, a District Association or a member of the Board of Directors only. Any such proposal shall be submitted to the Secretary at least forty-five (45) days prior to any scheduled meeting at which the amendment shall be voted upon. The Secretary shall include the same in any notice as required by these By-Laws.

4. The Chairman of the STA Constitution and Rules Committee may make language and stylistic changes considered advisable to implement the intent of the By-Laws, Rules and Regulations and other applicable regulations, and to make conforming changes required to avoid inconsistencies or conflicting provisions. UNITED STATES TENNIS ASSOCIATION

INSTRUCTIONS FOR COMPLETION OF PLAYER RECORD

1. Player Records are to be mailed to USTA, National Junior Rankings Coordinator, 70 West Red Oak Lane, White Plains, NY, 10604-3602, by June 30. Then again updated after USTA Nationals, then by September 30 and no later than January 5 of the following year.
2. Use a separate player record for each age division in which you want to be considered for a ranking. Also use a separate sheet for each doubles team.
3. Print or type all information clearly and completely. The correctness of the rankings is dependent on the accurate entry of data.
4. Print the name and location of each tournament played exactly as it is printed on the Sectional or National Tournament schedule.
5. The tournament start date is the day the tournament begins, as listed on the tournament schedule, not the first day you play.
6. Print the first AND last name of each opponent as well as the state in which they live.
7. Enter the round the match occurred in as one of the following:

Round of 128	128	Final Round	F
Round of 64	64	Playoff	PO
Round of 32	32	Round Robin	RR
Round of 16	16	Feed in Championship	FIC
Quarterfinal Round	Q	Consolation	CONS
Semifinal Round	S		
8. Print the winner's match score first. For example, even if the match is a loss for you, enter the score 6-4, 6-4. Be sure to indicate defaults with "DEFAULT". If a match is in progress and a player retires, indicate the score at the time and "RETIRED."
9. In the event of an address change during the Ranking year please contact the National Junior Rankings Coordinator, Michael Landsman, at the USTA office, in addition to the Membership Department.

WE ADDED LUXURY AFTER LUXURY AND WE STILL COULDN'T MAKE IT BORING.

There is an excitement to driving a BMW nothing can take away.

Not even, it would appear, such luxuries as polished, hand-matched walnut trim, plush gathered Montana leather and highly sophisticated electronic systems to enhance your comfort and motoring pleasure.

Take our newest 7-Series sedan, for example. Its driving environment redefines luxury, offering more leg

and headroom than its predecessor, and an interior designed so everything falls easily to hand.

There's even an optional stereo that lets you choose from jazz club to concert hall acoustics.

Propelling it all is an inspiring V8 engine with 282 horsepower that is designed to reaffirm your passion for driving. An agile suspension system and a smooth 5-speed automatic

transmission that adjusts itself to your driving style further make the new 7-Series just about as far from boring as you can possibly get.

But then, that's no wonder. This is the BMW of Luxury Cars.

THE NEW 7-SERIES
