Hard Drive™

At Wilson®, we set out to build the best-performing court shoes ever. So we dug deep. We learned that what's on top of a court shoe is just as important as what's on the bottom.

The Hard Drive™ for hard-courts.

Beneath the hot and rigid hard-court surface lies a second layer of cement-bound stone and a third layer of rock. Ouch.

Mesh tongue for coolness.

Shock-absorbing Elastocell® foam cushion in fore-foot. Graphite shank to prevent heel torque.

That's why the Hard Drive has more than just Goodyear Indy 500 Plus Max rubber outsoles. It's built so tough, it's guaranteed for six months.

The Dirt Master™ for soft-courts.

Clay and synthetic courts are loose and unpredictable. Underneath they're hard, gritty and unforgiving.

The Dirt Master is customized for consistent slides and has a soft synthetic upper

SOUTHERN TENNIS

ABOUT THE COVER...

1996 marks a significant year for tennis in the South. Not only will Atlanta welcome the world's greatest athletes to compete in both the Olympic Games and the Paralympic Games, but the Southern Tennis Association celebrates its 110th-year anniversary. The cover of the 1996 Southern Tennis Yearbook features a watercolor rendition of the Olympic Tennis Center at Stone Mountain Park, site of the 1996 Olympic tennis competition. With pride, the USTA Southern Section welcomes spectators from around the world to Atlanta to experience the thrill of the 1996 Olympic Tennis Event, scheduled for July 23 - August 3, 1996. Also on the cover is the STA's 110th anniversary seal, representing the association's accomplishments of the past and dreams for the future.

The Stone Mountain Tennis Center will feature a stadium court, two grandstand courts and 17 outside courts with a potential for nearly 27,000 spectators. After the 1996 Olympic Games, this state-of-the-art facility will host major international, national, sectional, and local events.

Special thanks to the architectural firm R.L. Brown & Associates, Inc. for making the watercolor available to the Southern Tennis Association, and to Tod Ingram for creating the anniversary logo.

Please see page 105 for more Olympic tennis information.

FIRST SERVE

The past year has been my most rewarding and enlightening time as a tennis volunteer. Thank you for giving me the opportunity to serve.

At last year's STA Annual Meeting, I emphasized the importance of TEAMWORK in moving the STA forward toward its mission to grow and develop tennis. Further, I asked you to stand with me to make 1995 the best year ever for the STA. You stood tall, and we have had a year of which to be proud.

Working together, we have enhanced existing programs, and are proceeding to forge ahead with new programs to build an even stronger STA for the years ahead.

As we move toward the future, I want to focus on MEMBERSHIP GROWTH as our number one goal in 1996.

Thank you again for giving me the opportunity to serve you as STA president, and for helping our section remain the biggest and best section in the USTA.

Herman Enoch, Jr.
President

SECOND SERVE

1995 provided a fantastic year for tennis:

- * Led by the battle for No. 1 by Pete Sampras and Andre Agassi, TV ratings were up sharply.
- * The US Davis Cup Team prevailed in Russia with an incredible performance by Pete Sampras.
- * The new US Open facility is well under way in New York.
- * The Olympic facility is almost complete at Stone Mountain.
- * STA's Membership has continued to grow.
- * Through a wonderful donation by Lamar Hunt, and Peachtree World of Tennis, LTD., the former Peachtree World of Tennis became the Racquet Club of the South under the direction of Jon Niemeyer and Company.

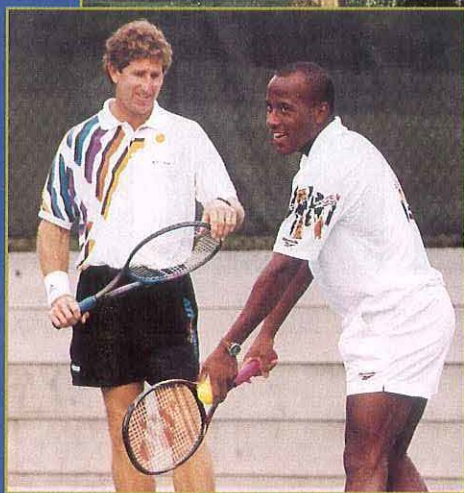

On behalf of all the staff in the Sectional office, we offer a giant "pat on the back" for the wonderful contributions that Herman and all the STA volunteers have done to make playing tennis such a pleasure. To continue growing all of the programs that now exist, we will all have to constantly improve member (a better word for customer) service to retain all existing players and encourage them to reach out to others that potentially will enjoy our wonderful sport. 1996 has all the indications of an exciting year for tennis.

SOUTHERN TENNIS PATRONS FOUNDATION

WHAT AN EXCITING YEAR FOR THE PATRONS!

The Southern Tennis Patrons Foundation received the charitable gift of Peachtree World of Tennis, a world championship tennis facility from Peachtree World of Tennis, LTD. The commitment by Southern Tennis Patrons Foundation to continue the facility as a private tennis club was instrumental in WCT's decision to donate the 20 year old, 22 acre private club. This world-class facility reopened in June, 1995 under the name of Racquet Club of the South. The Southern Tennis Patrons Foundation is excited to have a role in continuing this facility as a membership club, and is grateful to Mr. Hunt and Peachtree World of Tennis, LTD., for their generosity.

Southern Tennis Patrons Foundation is engaged in a project titled *Southern Tennis*. From Slew Hester to Allen Morris, from City Park in New Orleans to Kiawah Island, its 160 pages contain familiar names and places that have made Southern Tennis special over the last several decades. Its timeless photos capture the sport and its participants in their prime, and would make a perfect addition to any enthusiast's book collection or coffee table. Support the Patrons Foundation and order your \$39.95 copy of *Southern Tennis* from the STA office.

The first Southern Tennis Patrons Foundation Fundraiser, the SOUTHERN SHOOTOUT, was held at Racquet Club of the South in conjunction with the USPTA Southern Convention. Participation by top professionals in the South paired with "amateurs" was the highlight of the evening. Jim Russell, Chairman of the STPE, reported the event raised over \$10,000 and most importantly, offered attractions for everyone..... tennis, buffet, booth sponsors and a carnival! Our top three finishers were Wilson Tennille/Kathy Ramsey, Hugh Thomson/Hubert Kessler, and Armistead Neely/Herman Enochs.

KIA President Kathy Ramsey and her partner Wilson Tennille were crowned pro-am champions at the end of the evening. Support from the USPTA, TENCAP and the STA Districts helped make the night a huge success!

Atlanta's only tennis country club, Racquet Club of the South is located on 22 beautifully-wooded acres just northeast of downtown. Out of town memberships are available - call (770)449-6060.

Although odds-makers had them as an early favorite, Randy Gregson and his partner, Rob Castori, had an impressive 11th-place finish.

The first annual Southern Shootout had something for everyone! Racquet Club of the South's eight indoor courts provided adequate space for the pro-am tournament, booth displays, carnival games and dinner!

JANE CROFFORD

Jane Crofford has been involved with tennis at the local, sectional and national levels. She helped start junior programs in Nashville, Tennessee, and eventually became president of the Nashville Tennis Association and later the Tennessee Tennis Association. A former member of the STA's Sanction and Scheduling Committee, Jane chaired the Junior Tennis Council and served as tournament director of the Boys/Girls 18 & 16 Southern Closed Junior Championships for several years. Jane has also made contributions to the USTA at the national level. She has served on the Senior Tennis Council and the Sanction and Schedule Committee, and she was very instrumental in establishing national USTA women's competition in the existing age divisions. Although she didn't begin playing competitive tennis until her mid-thirties, Jane has earned over 40 national championship titles; she has represented the United States at multiple International Tennis Federation (ITF) team events and she was voted World Tennis Magazine's Outstanding Player of the Year for 1988. Jane is an inductee of the Tennessee Sports Hall of Fame (1986) and the Tennessee Tennis Association Hall of Fame (1993).

EUGENE RAY

Affectionately known in Georgia's Clayton county area as "Mr. Tennis", Eugene Ray has been actively involved in tennis as a competitor, teacher and organizer for many years. Prior to the tennis boom of the late 1960's, Ray devoted much of his free time to introducing tennis to the residents of Forest Park, Jonesboro, and Clayton County: he maintained the only two available courts; he gave free lessons to both adults and juniors and he ran tournaments. A senior player for the past 20 years, Ray did not become a #1 player until the past decade. Although he restricts himself to a maximum of ten events per year, Ray has still earned 21 #1 Georgia rankings and nine #1 Southern rankings. In fact, in 1984, at age 80, Ray won all six Southern tournaments he entered! Over the years, Ray has played in few national tournaments, but he has earned wins over several nationally ranked players, including Bitsy Grant. Thus far, Ray's highest national singles ranking is #5, which he earned in 1990. An Army Civil Service retiree, Ray was inducted into the Georgia Tennis Hall of Fame in November 1995.

ERNEST M. SUTTER

Ernest M. Sutter had an impressive tennis career at Tulane University. In addition to being named to Tulane's All-American team, Sutter followed in his older brother Cliff's footsteps and won a pair of National Intercollegiate Tennis Singles Championship titles. Unlike his brother, however, Sutter won the titles in consecutive years - 1936 and 1937. Also in 1936, Sutter captured the Southern Singles and Doubles Championships and repeated the doubles championship in 1937. From 1934 - 1939, Sutter maintained impressive Southern rankings: top six in singles and top six in doubles, holding the top doubles slot in 1935, 1936, 1937 and 1939. Sutter earned a national rankings of #21 in 1936 and #22 in 1937. In 1961, Sutter teamed with his brother Cliff to win the National Senior Doubles Championship. Sutter's past tennis accomplishments have been recognized through his induction into the National Collegiate Tennis Hall of Fame (1988); Tulane Athletic Hall of Fame (1978); and the Louisiana Tennis Hall of Fame. Sutter died in 1988 and is survived by his wife Katharine Sutter and two children, Ernest M. Sutter, Jr., and Clifford B. Sutter.

Founded in 1977 by the Southern Tennis Patrons Foundation, the Southern Tennis Hall of Fame honors individuals who, by excellence of their activities in and connected with Southern Tennis, have brought substantial recognition and esteem to themselves and the STA. Presently there are 39 members of the Southern Tennis Hall of Fame.

JACOBS BOWL - OUTSTANDING SERVICE TO STA - GORDON SMITH

A former top-ranked junior player and two-time All SEC Doubles performer at the University of Georgia, Gordon Smith has been involved in tennis at varying levels for numerous years. Gordon first became an STA volunteer in 1992, when he agreed to serve on the Olympic Facilities Committee, and he has remained highly involved in the organization ever since. In addition to his contributions to the Olympic Committee, Gordon has been an active member of the STA Constitution and Rules Committee and the USTA Adult/Senior Recreation Committee. Gordon's most notable contributions to the STA, however, have been his legal negotiating skills, which he has provided to the STA since 1993 when he agreed to serve as the association's legal counsel. Two prominent issues on which he worked tirelessly include the campaign to bring the U.S. Open to Atlanta, and the Southern Tennis Patrons Foundation's acquisition of Racquet Club of the South as a charitable donation, which was completed in June 1995.

CHARLES B. MORRIS, JR. SERVICE AWARD - JOHN PEDDYCORD

John Peddycord was the recipient of this inaugural award, given in memory of Charles B. Morris, Jr., a long-time outstanding tennis volunteer. John has been an active tennis volunteer at the local, state, sectional and national levels. In his home state of North Carolina, John has assisted the tennis community for over twenty years. He held the office of President of the North Carolina Tennis Association from 1979 - 80; he chaired the USTA Boys 12 Clay Court Championships; and he helped establish the NC Tennis Hall of Fame and District Office in Greensboro, NC. At the Sectional level, John has held the office of Vice President; he has been a USTA Delegate, served on the Board, the Nominating Committee, the Financing and Investment Committee, and chaired the Junior Tennis Council. In 1988, his family was honored as the NCTA and the STA Family of the Year. A USTA national volunteer for over ten years, John has been active on the Junior Tennis Council, the Player Development Committee, and he has chaired the Optimum National Junior Schedule and the Junior Competition Committees. Currently, John serves on the USTA's Olympic and Nominating Committees.

The STA fondly remembers Charles B. Morris, Jr. and his service to our organization. A native of Raleigh, NC, Charlie served in numerous positions for the NCTA, the STA and the USTA during the past 25 years. A past president of the STA, Charlie was instrumental in the organization of the Raleigh Racquet Club. Most recently, Charlie served as chairman of the USTA's Budget & Finance Committee, Nominating Committee, and Governance Committee. Charlie died of cancer in April 1995.

ADULT TOURNAMENT OF THE YEAR - ATLANTA SENIOR INVITATIONAL

In its fifth year, the Atlanta Senior Invitational was considered by most participants to be the "fifth" national tournament. The tournament's impressive playing field can be attributed to a group of tournament volunteers who personally called the top players in each of the age divisions and invited them to play in the tournament. In addition to extending personal invitations to tournament players, the volunteer tournament committee handled all aspects of the event, including player housing and transportation to and from matches and social events, including a celebrity benefit party at Lionheart Mansion. A charitable event for Camp Twin Lakes, special camps for disabled and abused children, this year's tournament raised over \$30,000 for the organization. Hosted by Northside Athletic Club, the tournament attracted 206 men in the 30, 35, 40, 45, 50, and 55 age divisions to compete in both singles and doubles. Key members of the tournament committee included Don Cross, Rob Castorri, Jerry Kirk, Mimi Gould, and Marthelle Cherry. Thanks to the support from primary sponsor Richard Bowers and Co., as well as several secondary sponsors, a total purse of \$18,000 was awarded in prize money. Tournament committee members unable to attend the awards ceremony include Ed Turvin, Ellen Harper, Barry Conway and Rob Draughon.

In addition to Southern events, Tripp competed in the U.S. Olympic Festival in Colorado Springs, Colorado, the USTA Boys' 18 Intersective Team Championships in Columbia, SC, and the USTA Boys' 18 National Championships in Kalamazoo, Michigan. Tripp, who was honored with the 1995 North Carolina Junior Tennis Council Award, is playing varsity tennis at the University of North Carolina in Chapel Hill.

DISTINGUISHED ACHIEVEMENT - HERMAN RATCLIFF AND ROBERT VINCENT CONNERAT

Awarded to Herman Ratcliffe and Robert Vincent Connerat in recognition of their capturing the USTA Men's 85 National Doubles titles on all four court surfaces - hard, clay, indoor, and grass - during the 1995 tournament season. Ratcliffe began playing tennis in 1981, and by 1988 he had won his first national championship - the USTA Men's 75 Grass Court Championships in Providence, Rhode Island. In 1990, he became the first Georgia resident to win a USTA senior grand slam (four national doubles titles), which he achieved with partner Gene Short of Miami. During the 1995 tournament season, Ratcliffe not only won national doubles titles, but he also earned two national singles titles, giving him a career total of 11 national championship titles. Connerat ended the 1994 tournament season with a Southern ranking of number 6 in the Men's 80 division; a national ranking of number 32 in the Men's 80 division; and a national doubles ranking of number 14 in the Men's 80 division. According to the STA's tentative rankings for 1995, Connerat is the number 5 singles position in the Men's 80 division, and he and Ratcliffe are expected to capture number 1 national doubles ranking in the Men's 85 due to their impressive gold ball achievement.

EDUCATIONAL MERIT - JO ANN LEE

Jo Ann began teaching at St. Andrews Parks and Playground, a seldom-used public eight-court tennis facility, on a part-time basis in 1991. After only one participant showed up for her first free clinic, Jo Ann, a former collegiate player and resort tennis professional, quickly realized her challenges and set her goal at St. Andrews to provide a service to the Charleston community. Over time, participation in Jo Ann's programs steadily increased, but the facility's most successful program was wheelchair tennis. Jo Ann's wheelchair program began with one participant, but with the help of the Medical University of South Carolina and Roper Hospital, the ten-team member "Charleston Executioners" evolved. Jo Ann became a full-time employee of St. Andrews Parks and Playground in 1994, and she runs a program that meets the needs of the community. In addition to wheelchair tennis, St. Andrews has introduced 174 adults to Play Tennis America, the number of USTA league teams has increased from 2 to 8, a beginner recreational league program is in place and junior programs including Little Tennis, Junior Smasher, Junior Excellence clinics and USTA/NJTL enjoy success. A member of the SCTA Play Tennis America Committee, Jo Ann organized and directed South Carolina's first Wheelchair Tennis Jamboree last summer, and she was selected to attend the USTA Recreational Leaders Workshop in November.

An ATC administrator, Anna organized an arrangement with the Memphis ATC and accompanied the juniors on the trip. Mark, Jr, 12, has maintained a top state ranking in the 12-and-under division for the past three years and has been invited to participate in the STA Zone Team competition for the past two years. GERRIE ROTHWELL AWARD - JUDY UTLEY

Judy first became involved with USTA league tennis as a player in 1984, and by 1985 was a 4.5 North Carolina District Champion. Her interest in USTA league tennis extended to the administrative level, and from 1988 - 90 she served as North Carolina's District League Coordinator. Judy was the recipient of the North Carolina Tennis Association (NCTA) Adult Tennis Council Award in 1989, and in 1990 she received STA's District Volunteer Service Award. Additionally, Judy was a Regional Representative for the NCTA Board of Directors during 1995. On the sectional level, Judy's involvement in USTA League tennis included serving as chairman of the USTA League Committee from 1991 - 1993, and serving as chairman of the STA Adult League Council from 1993 to the present. Named NCTA Secretary for 1996, Judy has held key positions with several local tennis programs including Secretary of Greensboro Tennis Association, Co-President of Greensboro Tennis Association, Co-Commissioner of Gate City Tennis League and Co-Director of the Carlton Harris Jr. League.

JUNIOR TOURNAMENT OF THE YEAR - LOUISIANA JUNIOR QUALIFYING

Held for the first time ever at Highland Road Park in Baton Rouge, the 1995 Louisiana State Junior Qualifying relied on a volunteer force of over 125 parents to make it such a highly successful event. Over \$6000 in corporate sponsorship money was raised with additional businesses giving in-kind services, making an impeccable tournament organization and communication possible. The highly-popular tournament attracted over 400 singles entries, and all players enjoyed the following amenities: tournament t-shirt, a copy of "Friend at Court", free lunch from McDonalds, a welcome booklet, a dance social and a Wilson shoot-out. Strong emphasis was placed on good player sportsmanship and from the nominations of tournament officials and participants, a "Sportsman of the Day" was chosen. Crucial to the success of this tournament was the thorough planning implemented by a steering committee including Karen Toney (Recreation and Park Commission for the Parish of East Baton Rouge), Candy Spinosa, Anna Shoptaugh, Jan Moore, and Tom Jeter. All aspects of the tournament such as player goodie bags, lunch, and parties, sponsorship, public court monitors, and an impressive welcome booklet that included area maps, detailed qualifying information, tournament rules, point penalty information, etc. were professionally executed by the steering committee.

MEDIA AWARD - NORTHSIDE SUN, JACKSON, MS

A weekly newspaper that serves Madison and Hinds counties, the Northside Sun has been keeping its readers informed and educated about tennis for over a year through a weekly tennis column. Written by Bridges Tennis Center professional Barney Chadwick, the weekly column consists of a format that leads with an event or tournament story and includes a calendar of events, as well as tennis tips from different tennis pros in the Jackson area. Through the help of editor Jimmie Sweat, Chadwick's column explains events in a way that is understandable to tennis players and non-players alike. Jackson ranks in the top ten of STA cities with the highest percentage of USTA members based on population density. Chadwick believes that the Northside Sun's consistent and thorough coverage of tennis events, tournaments and players has contributed to Jackson's impressive distinction. Wyatt Emerich is the publisher of the Northside Sun.

MEMBER ORGANIZATION OF THE YEAR - MAGNOLIA TENNIS CLUB, COLUMBUS, MS

Under the direction of club manager Pat Wheeler and tennis professional Terri Gooch, Magnolia Tennis Club, a private, 12-court facility offers a variety of programs to its members and the surrounding tennis community. As the lone tennis-only club in Northeast Mississippi, Magnolia's management believes it can act as an ambassador for tennis to interested players in the area, so it offers multiple services to both club members and the community. In addition to multiple local, state and sectional tournaments, members enjoy a variety of instructional programs for both juniors and adults such as USTA adult, senior and mixed doubles leagues, verification clinics, USTA Junior Team Tennis, and complete club amenities. Magnolia Tennis Club's interest in delivering tennis to the entire Northeast part of the state is evidenced by the fact that it had the second highest number of players to be verified for USTA leagues in 1995 and the second highest number of participants in the Junior Novice Tournaments in Mississippi. Additionally, the club's membership has experienced a 40 percent growth since 1989.

SPECIAL TENNIS EVENT - KNOXVILLE TENNIS CARNIVAL

350 participants aged 2 - 86 enjoyed the day-long festivities that were part of the inaugural Knoxville Tennis Carnival. Presented by the Greater Knoxville Tennis Association (GKTA) and the City of Knoxville Department of Parks and Recreation, the Knoxville Tennis Carnival featured games, contests, free lessons, food and a family atmosphere to promote the summer tennis season to players and potential players of all ages and ability levels. A volunteer tournament committee chaired by Patsy Stair coordinated all aspects of the Tennis Carnival and secured pre and post-event coverage, prizes, tennis instructors, free food and rides, a radar gun, and volunteers to oversee all activities and clean up. Held at Tyson Family Tennis Center in Knoxville's Tyson Park, the Tennis Carnival achieved its goals, which were established by the GKTA: to introduce tennis to those who might not have an opportunity to learn; to renew interest in tennis for players, to provide a fun, family-oriented activity, and to show the GKTA members that the association is interested in promoting tennis for everyone. The GKTA expects to stage a bigger and better Tennis Carnival in 1996.

OLYMPICS

1996, the world's greatest athletes come to Atlanta, twice! Paralympians- elite athletes with physical disabilities- 4000 strong from 160 nations will compete in the same 15 events as their Olympian predecessors two weeks before.

Since 1960 the Paralympic Movement has grown in scope, stature and significance. The Games crystallize the hopes and dreams of millions of people around the world—dreams of athletic excellence, equality and dignity for disabled athletes, wheelchair athletes and others. The images of struggle and triumph that the Paralympics generate are a source of wonder and awe.

PARAFIRE represents the athlete as a warrior, the fire as the passion that burns in the heart and the dynamic movement of the rings reveals the 5th point of the Paralympic symbol—the fulfillment of the athlete's dream in spite of the disability.

USTA SCHOOLS PROGRAM

USTA SCHOOLS PROGRAM

The USTA Schools Program introduces tennis to K-12 students during their physical education classes. Each year, nearly five million students across the country take their first swing at the lifetime sport. The USTA Schools Program provides staff training for P.E. teachers, motivational assemblies for the students, and assistance with acquiring rackets. The program also supplies teachers with information on intermural and after-school programs, field trips and visits from local tennis pros.

USTA NJTL

USTA NJTL

The USTA National Junior Tennis League (NJTL) makes every child's first on-court experience entertaining and inspiring. This program is open to the public; provides programming for both girls and boys; is non-discriminatory; emphasizes the novice - intermediate player; involves minimal cost; and teaches stroke basics, scoring, and match-play etiquette in preparation for USTA Junior Team Tennis. NJTL Chapters, which are USTA organizational members, are required to submit a season-ending activity report.

USTA JUNIOR TEAM TENNIS

USTA JUNIOR TEAM TENNIS... letting the children play

Each year, hundreds of dedicated parents and volunteers look back at the positive images of tennis in their lives....and they take the time to give these images to their children and thousands of others.

USTA Junior Team Tennis provides opportunities for individual success in a team atmosphere. The focus is on fun, fitness, and fair play as youngsters develop a love for the sport they can play for many years to come. Without the help of these dedicated volunteers, over 14,000 children wouldn't have these opportunities. The Southern Tennis Association salutes each and every one of you for "letting the children play".

STA PLAYER DEVELOPMENT

LOCAL EXCELLENCE TRAINING PROGRAMS

The registration of USTA Local Excellence Training Programs is an integral part of the support that the USTA receives from the United States Olympic Committee. Being registered as a USTA/STA LET program places you and your program in a database that is provided, when requested, to players and parents moving into the STA and to those new players who are just beginning their competitive training. All USPTA and USPTR professionals whose facilities are member organizations are invited to register. For more information, contact the STA or your District Office. See page 70 for a complete list of STA Local Excellence Training Programs.

STA PLAYER DEVELOPMENT CAMP

The Baylor School hosted the 1995 STA Player Development Camp in Chattanooga, Tennessee. On-court drills designed to help the players maximize their skills were conducted as well as nutritional evaluations and individual video analysis. Phil Chamberlain directed the camp, while Orlando Lourenco, Eric Voges, Shannon McKenzie and Pat Breen served as coaches. Page Love-Johnson, nutritionist on the USTA Sports Science Committee, provided the nutritional evaluations.

USTA AREA TRAINING CENTERS

The 19 USTA/STA Area Training Centers provide 50 hours of supplemental training for 380 select players sectionwide. Players are selected based on a combination of criteria which includes competitive results, work ethic, sportsmanship and potential for future success. Through the ATCs, the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests. See page 71 for a complete listing of STA Area Training Centers.

JUNIOR ENDORSEMENT INFORMATION

IMPORTANT INFORMATION

ALL JUNIORS WHO HOPE TO BE ENDORSED OR RANKED IN 1996 SHOULD READ THIS INFORMATION VERY CAREFULLY. DISCUSS THE CONTENTS WITH YOUR PARENTS AND/OR YOUR COACH TO BE SURE YOU UNDERSTAND ALL THESE IMPORTANT PROCEDURES.

STA RULES & REGULATIONS

Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them on page 116 of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1995 STA rankings are printed in this issue also.

SUMMER TOURNAMENT SCHEDULE

The summer season will arrive sooner than you expect and it is time to begin making your plans. On the next page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. If you feel that your record will put you in contention for endorsement to any Zone Team or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/96 through the present. All Zone Team and/or National entries, except for 14 Zone Team Championships, will be distributed at the Southern Closed.

USTA PLAYER RECORD FORM

Printed on Page 127 you will find a USTA Player Record Form. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

NATIONAL ENTRY FORMS

The USTA uses a standard entry form for each of the USTA National Championships. These forms may be requested from your endorser at the Southern Closed. Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

1. Fill out all entry forms and player record forms in BLACK ink.
2. Make check payable as indicated on the fact sheet.
3. Never send your entry directly to the tournament. It MUST be first signed by your endorser.
4. Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
5. Send a copy of your USTA card.
6. Be sure to let your endorser know how to reach you during the endorsement process.
7. If possible, indicate your travel and housing plans on your entry form.
8. Return with each entry form a self-addressed, stamped envelope for your endorser's use.
9. Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

NATIONAL TOURNAMENT DEADLINES

The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

QUOTAS AND ALTERNATES

The STA quota is sixteen (16) for all National Championships, thirty (30) for 14 Zone Team Championships, forty (40) for 12 Zone Team Championships, and fifty (50) for 16 Zone Team Championships. When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser

immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

ENTRY FEES TO THE USTA NATIONAL CHAMPIONSHIPS

(August 3-14) The STA will pay the entry fee for all players accepted into the draw at the USTA National Championships. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in quota, the checks for those players will be returned or destroyed. Those players listed on the endorsement list as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

YOUR STA ENDORSER/RANKER

On the next page is a list with addresses and telephone numbers of the junior endorsers/rankers for 1996. Please establish early communications with your endorser/ranker and start by filling out the form and mailing it as soon as your plans are complete, but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this Southern Tennis Yearbook (page 116). Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

SPECIAL EVENTS

There are a number of special events for juniors that involve selection of players by the STA. See the endorsement list on the next page for a complete listing of these events.

DESIGNATED TOURNAMENTS

See STA Rules and Regulations, Article IV (page 116). Be sure to review the STA Rules and Regulations on Articles IV and V, dealing with endorsement procedures and ranking regulations. Participation in one of the five STA/Reebok Junior Super Circuit Designated Tournaments is required for endorsement. Draws will be limited to the top 32 players entering, based on current ranking and records. Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. In 1996, a 16-draw Challenger Event will be held in conjunction with each STA/Reebok Junior Circuit tournament. The winners of the first four (4) Challenger Events will receive a wild card into the next STA/Reebok Junior Circuit tournament. **PLAN YOUR SCHEDULE EARLY!**

USTA YEARBOOK

In addition to reading the Southern Tennis Yearbook carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914)696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Below is a list of tournaments that require endorsement. Please check the tournaments that you would like to play (pending your eligibility and endorsement) and return the list to your endorser (address above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request one unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your endorser/ranker by doing the following: sending player record forms and updating them when additional results become available, and supplying them with self-addressed, stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

RETURN THIS FORM TO YOUR ENDORSER IF YOU THINK YOU WILL BE IN CONTENTION FOR ENDORSEMENT TO THE EVENTS LISTED BELOW.

STA AREA TRAINING CENTERS

STA AREA TRAINING CENTERS

The 19 USTA/STA Area Training Centers provide 50 hours of supplemental training for 380 select players sectionwide. Players are selected based on a combination of criteria which includes competitive results, work ethic, sportsmanship and potential for future success. Through the ATC's, the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests.

ADULT DAILY PLAYING LIMITATIONS

The following Daily Playing Limitations have been approved as GUIDELINES FOR PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."

B. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

C. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

D. No match shall be less than the best-of-three sets (no proset matches). The 12 point tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

SOUTHERN CHAMPIONSHIP SCENES

At the St. Women's Clay Court Open in Memphis, tournament volunteer Donna Griesbaum welcomes "Sally Senior", who each year is the "first" to enter the tournament!

The month of February found many top junior players in Little Rock, AR, at the Southern B/G 18 & 16 Indoor Closed. This year, Brad Hambrick (R) and Marshall Clay (L) took top honors in the Boys' 18 doubles at Burns Park.

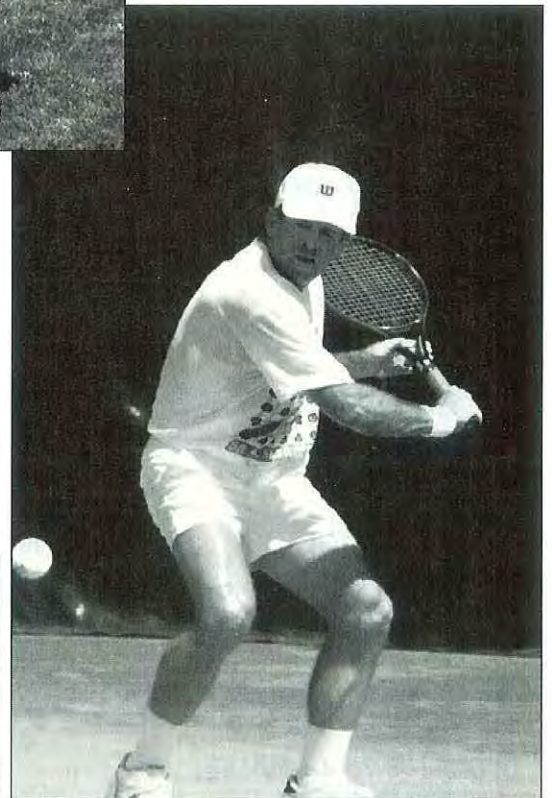

Women's 50 doubles winners Carolyn Morris and Billie Kerr (R), were the proud recipients of the new 1995 Southern Champion glass plates at the St. Women's Clay Court Open. At left are finalists Sharon Tillman & Pat Stengal.

It was an all Tennessee final at the St. Women's Indoor Open (odd) in Hixson, TN. In the women's 25's the team of Betty Scholl & Heather Elsea (L), upset the #1 seeded team to advance to the doubles final against eventual winners Kim Ellis & Sue Webb (R)

Eddy Dameron (center) congratulates Caroline Haynes (R) on receiving the Sportsmanship Award at the St. Women's Clay Court Open at Racquet Club of Memphis. Susan Shindler (L), her hostess during the event, shares her joy. Eddy has co-chaired this tournament with Jane Taylor for 20 years!

Men's 40 singles winner Russell Blair prepares to hit a backhand at the St. Men's Clay Court Open at the River Hills Club, Jackson, MS. In a close 3-set final, the #1 seeded Blair defeated #3 seed Elie Boukheir, then teamed up with Ken Hall Barnett to capture the Men's 40 doubles title.

SOUTHERN CHAMPIONSHIP SCENES

Competition was keen at the Trustmark Adult & Sr. Hardcourt Open in Jackson, MS. Looking over the awards in the tournament registration tent are Men's 45 doubles winner Bill Hester and Wendy Bruce, tournament assistant. Hester teamed with Steve Vaughn to take the title in straight sets.

Community support, sponsorship and organization were the keys to success at the Trustmark Adult & Sr. Hardcourt Open (odd), Bridges Tennis Center, Jackson, MS. Shown here with an enthusiastic group of "ball boys & ball girls" are tournament director Barney Chadwick and Women's Open winner Poloma Collantes Barone.

A fine dining experience was part of the "draw" for all players at the Sr. Men's Clay Court Open at River Hills. Enjoying the evening after a day on the courts are Gene and Rita Yates (L) and Jim and Sybil Child (R).

Even less than ideal weather conditions couldn't dampen the spirit of these players at the Southern Sr. Clay Court Closed (odd) tournament at Mountain Brook Swim & Tennis Club in Birmingham. Under clear skies (at last), the "hometown" team of Marvin Buchanan and Arnold Lefkovits (R) pulled out a close win over the team of Joe Dodd and Livingston Taylor (L) to take the Men's 65 doubles title in two tiebreak sets.

OLYMPIC TENNIS AT A GLANCE

Tennis in the Olympics dates back to the first Modern Olympics in 1896 in Athens, Greece, and was a constant event until the 1924 Games in Paris, when it was removed from the Olympic Games as an official medal sport. An unofficial demonstration sport in the 1968 Games and the 1984 Games, tennis was reinstated as a medal sport for the 1988 Games in Seoul, Korea. American medalists in the 1988 Games include Tim Mayotte - men's singles silver medalist; Brad Gilbert - men's singles bronze medalist; Atlanta resident Ken Flach and Robert Seguso - men's doubles Gold medalists; Zina Garrison - women's singles Bronze medalist and women's doubles Gold medalist; and Pam Shriver - women's doubles gold medalist. In 1992, Americans Jennifer Capriati, Mary Joe Fernandez, and Gigi Fernandez captured Gold medals in singles and doubles, respectively. Also that year, Mary Joe Fernandez won the Bronze medal in women's singles competition.

The outlook for American success at the Games in Atlanta is promising. Under the coaching direction of Billie Jean King and Tom Gullikson, prime candidates for the US Olympic team include Pete Sampras, Andre Agassi, Michael Chang, Todd Martin, Jim Courier, Lindsay Davenport, Mary Joe Fernandez, Gigi Fernandez, Chanda Rubin, Monica Seles, Amy Frazier and Lisa Raymond. Congratulations to Southerner Chanda Rubin of Louisiana, who, in June, was named the U.S. Olympic Committee's first Athlete of Month! As it prepares to host the world, the Atlanta Committee for the Olympic Games is looking for volunteers to assist in all aspects of the Opening and Closing Ceremonies. For more information call Wendy Marantz at 404-548-2313.

Hosting the 1996 Olympic Tennis Event will undoubtedly be remembered as one of the main highlights enjoyed by Southern tennis enthusiasts over the past 110 years. Since its inception in 1806, the Southern Tennis Association has experienced considerable growth, boasting 115,000+ members and it offers a variety of programs for tennis players of all ages and ability levels. In 1990, the STA co-hosted the Federation Cup, the premier event of women's tennis, at Peachtree World of Tennis in Atlanta, GA, and in 1991, Lamar Stanley of Corinth, MS, was enrolled as the association's 100,000 member. Also of note, the Southern Tennis Patrons Foundation received Peachtree World of Tennis as a charitable donation in 1996.

ARKANSAS

COMBO LEAGUE

How many players have been lost from league tennis when their NTRP rating is raised and they can no longer play with their friends and neighbors? The ATA Combo League, sponsored by Subway, has the solution!

This league format featured combined NTRP levels to form teams of varying skill levels. Play consisted of three doubles matches. The levels ranged from 5.5 to 8.5. The league season ended with a District Play-off.

Since this was the first year of the ATA Combo League, sponsored by Subway, the 56 teams with 497 players participating indicated this league has a great future and the ATA looks forward to the 1996 season.

SUPER SENIORS

Tennis is the sport of a lifetime, but many older players tend to shy away because of having to compete with opponents too much younger. Their loss to tennis is a real loss: to them, to their peers, and to the heart and spirit of the game.

In Arkansas, competitive tennis is ageless with our Super Senior Tennis League. With a minimum age requirement of 62, this league season began in September and ended with a District Play-off held the first weekend in December.

Play format consisted of two doubles matches. If the teams split individual matches, a tie-breaker was played to determine the team match winner by using one player from the #1 doubles team and one from the #2 doubles team.

This league format was originally formed to fulfill a need of the older players to find a league in which they could compete. After witnessing the high-quality, competitive tennis played at the Super Senior District Playoff, along with the style, grace and honor with which it was played, a greater need has been fulfilled. The spirit of league tennis needs the example of our Super Seniors. The Arkansas Tennis Association is looking forward to the 1996 Super Senior League.

Men's A State Champions - Allen Dagoo, Jim Veasey, Fred Paul, Don Ousterhout (captain).

Spectators Lee Sappington and Mary Knopf.

Men's A Finalists - Jack Pinckney, Happy Mahfouz, Dick Mills (captain) Herb Knopf, Jim Faulkner.

PLEASE READ INSTRUCTIONS ON REVERSE SIDE

INSTRUCTIONS FOR COMPLETION OF PLAYER RECORD

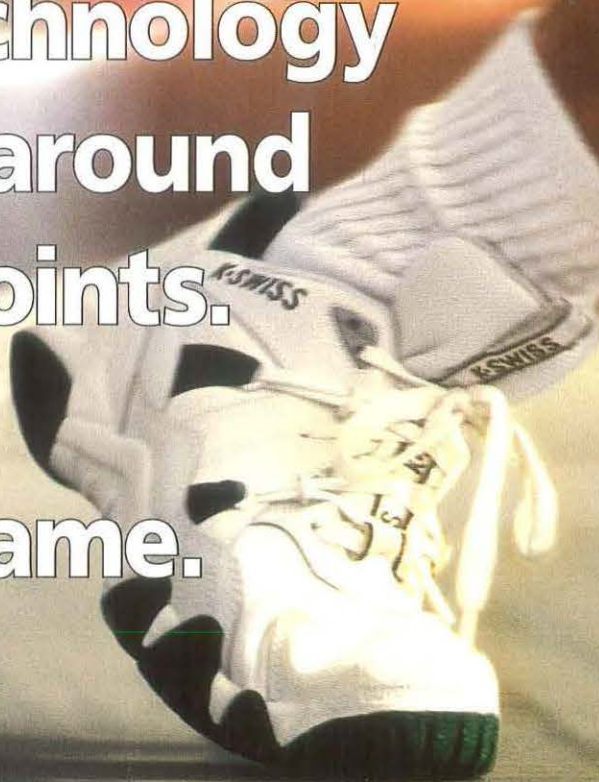

1. Player Records are to be mailed to USTA, National Junior Rankings Coordinator, 70 West Red Oak Lane, White Plains, NY, 10604-3602. Mail updated player records at the end of June; at the end of September; and at the end of the year (December 1996).
2. Use a separate player record for each age division in which you want to be considered for a ranking. Also use a separate sheet for each doubles team.
3. Print or type all information clearly and completely. The correctness of the rankings is dependent on the accurate entry of data.
4. Print the name and location of each tournament played exactly as it is printed on the Sectional or National Tournament schedule.
5. The tournament start date is the day the tournament begins, as listed on the tournament schedule, not the first day you play.
6. Print the first and last name of each opponent as well as the state in which they live.
7. Enter the round the match occurred in as one of the following:

Round of 128	128	Final Round	F
Round of 64	64	Playoff	PO
Round of 32	32	Round Robin	RR
Round of 16	16	Feed in Championship	FIC
Quarterfinal Round	Q	Consolation	C
Semifinal Round	S		

8. Print the winner's match score first. For example, even if the match is a loss for you, enter the score 6-4, 6-4. Be sure to indicate defaults with "DEFAULT." If a match is in progress and a player retires, indicate the score at the time and "RETIRED."
9. In the event of an address change during the Ranking year please contact the National Junior Rankings Coordinator, Michael Landsman, at the USTA office, in addition to the Membership Department.

The Contestor with Si-18

The new K-Swiss® Contestor™ was designed with only one thought in mind... winning. That's why the midsole of each shoe contains a contoured silicone formula footbed called Si-18®. It cradles your foot, providing superior shock absorption without compromising stability. While other tennis shoes focus on isolated areas of the foot, only Si-18 provides a multi-layered cushioning system from heel to toe. The Contestor with Si-18. Specifically designed to give you a comfortable lead.
