# "For real comfort, don't go to extremes."

"Durability at the expense of comfort is no bargain." Fair warning from John Newcombe, a man who should know. Newk's choice: our Natural Foot Shape™ tennis shoes. "The comfort is amazing, and the fit is perfect." The reason? We've added 30% more forefoot cushioning to our Infinity® Micro™ contoured midsole. This revolutionary shoe design actually contours to the foot for a fit just one step removed from barefoot. But what about durability? "Young players at my Tennis Academy play a lot of intense tennis, and I've seen them wear out lesser shoes in nothing flat. But these NFS shoes are really durable." With a 6 month outsole warranty, extended toe bumper and rugged new Duraskin toe drag abrasion resistance, that's patented durable, Newk. **Experience the all-new Prince NFS Precision 1.5™ for yourself.**

About our cover...

Never again will Southern tennis enthusiasts experience the thrill of four American tennis players winning the Olympic Gold Medal - in the South! Lindsay Davenport, Andre Agassi, Gigi Fernandez and Mary Joe Fernandez are inspirations to tennis players of all ages and ability levels and they represent the United States Tennis Association's (USTA) involvement in the sport of tennis at its highest level - the professional level. However, not only is the USTA responsible for selecting members of the Olympic team, and sponsoring the U.S. Davis Cup and Fed Cup teams and the U.S. Open, but it also administers recreational and competitive tennis programs nationwide for players of all ages and skill levels including the USTA Schools Program, National Junior Tennis League (NJTL), Junior Team Tennis (JTT), Play Tennis America, USTA Adult Leagues, and USTA sanctioned tournaments at the local, state, sectional and national levels. In fact, participation in USTA Junior Team Tennis was part of Olympic Gold Medalist Lindsay Davenport's early tennis training!

The programs and services offered by USTA Southern Section are featured in the opening pages of this publication - there really is something for everyone! Additionally, readers will find information on the STA's Web Site Game-matching feature (see page 33) as well as tips on ordering tickets to the 1997 U.S. Open (page 48)! For more information on starting or joining a USTA program in your community, contact the Southern Tennis Association at 770-368-8200.

Not only is it an honor and privilege to serve as the President of the Southern Tennis Association, but it is also a tremendous challenge! However, I begin my first term with confidence since we have in place all the ingredients for success - an experienced Management Committee and the finest group of volunteers in this country. Combine these individuals with STA and District staff and I assure you we will accomplish our goals. We are a TEAM and we will continue to grow the game by introducing new juniors and adults to tennis and by providing the best programs available - from grassroots to the highest competitive level to which they aspire!

Volunteers continue to be the strength of the STA. As you use this yearbook, consider becoming involved in one of the many areas of interest to you. Contact the STA or your District office to do so!

We look forward to working with you and will strive for excellence in 1997!

Best Regards,

Lucy Garvin  
STA President

# SECOND SERVE

On behalf of the entire staff of the STA, it has been a pleasure to serve each member of the association this past year. 1997 promises to add several additional benefits of membership. We now can be reached on the internet and a free *Game Matching* service is in place to add benefit to USTA membership. The new *Combined League* format is catching on rapidly and should be greatly expanded for increased opportunity of fun competitive team play in 1997. Processing of information should occur quicker in 1997 as a new USTA Computer network is in place and upgraded software is being added. And most importantly, tell your friends how much you enjoy the great game of tennis and let them know that they too can *get involved* by joining a *Play Tennis America* program in the area.

# RACQUET CLUB OF THE SOUTH

Jeff Gray (L) and Erik Hansen enjoyed the Southern Shootout and were the top finishers in the Pro-Am

Last year the Southern Tennis Patrons Foundation received the charitable gift of Peachtree World of Tennis, a world championship tennis facility from Peachtree World of Tennis, LTD. This facility reopened in June, 1995 under the name of Racquet Club of the South. The management team of Racquet Club of the South has made great strides in improving every aspect of the club from increased membership to resurfacing courts as well as establishing a quality staff. The managers of Racquet Club of the South would like to thank the Southern Tennis Patrons Foundation and Southern Tennis Association for their continued support as they have been a tremendous asset in helping to establish the finest tennis facility in the South.

The Southern Tennis Patrons Foundation held the second SOUTHERN SHOOTOUT fundraiser at Racquet Club of the South in conjunction with the USPTA Southern Convention. Events included Short Court Tennis and Around the World Competition as well as a Pro-Am event. Special thanks go to the USPTA pros that participated. Our three top finishers were Jeff Gray/Eric Hansen, Bill Hester/Peter Howell, and Peter Lloyd/Blanche Wibbels. Also, special thanks to John and Beth Rogers who not only participated in the Pro-Am, but also donated food for the event, and to Steve Duffel for outfitting the Pro-Am teams. Southern Tennis Patrons Foundation Chairman Jim Russell reported that the event, including the silent auction of District baskets, raised over \$13,000.

Jim Russell announces the winners of the silent basket auction.

Racquet Club of the South remains one of the South's top tennis facilities.

## EDUCATIONAL MERIT AWARD - MARK CRISSWELL

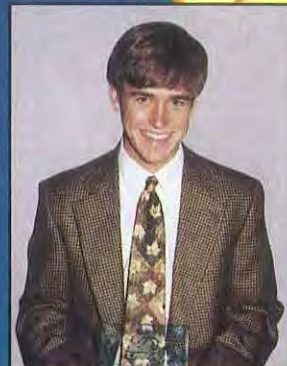

"Keep Hope Alive" is the slogan used by the Tennis & College Club, an organization for underprivileged and abused juniors in Birmingham, Alabama. Founded six years ago by independent teaching professional Mark Crisswell, the organization takes a unique approach to teaching adolescents how responsibility and commitment to self-improvement are necessary elements to succeeding in life. In addition to tennis fundamentals, Crisswell's students are also taught the importance of emulating Christian values and concentrating on academics. The students in the Tennis & College Club are offered free weekly tennis lessons and are eligible to receive free racquets and clothing if they stay committed to working with the program. In fact, when the juniors are ready for tournament competition, the organization often pays their entry fees. Crisswell's influence on the youngsters extends beyond the court and he has established "cell groups" for his students - these groups, composed of teachers, principals, and parents, offer social and academic support to the students, who must maintain an overall "C" average to remain in the program. Over 100 juniors, ages 7-21, actively participate in the weekly sessions, most with the goal of obtaining a college education. Thanks to the fundraising efforts of a dedicated Board of Directors, which includes Stan Smith, the program participants are guaranteed a college education. Since its inception, the Tennis & College Club has funded 12 students to college and eight have earned tennis scholarships.

Martha also plays recreationally and has served as a volunteer in many capacities over the last 11 years, including organizing and administering adult and junior programs, running tournaments, and serving on the Georgia Tennis Association Board and numerous GTA committees. She was the recipient of the 1996 Ruth Ryner Lay Award, which honors notable contributions as a GTA volunteer. Martha was also the co-founder of USTA League Atlanta and served as its president from 1984-86, and she has been instrumental in the formation and development of leagues throughout Georgia. Karen was ranked as a junior, played varsity high school tennis and is currently a recreational league player. Kathleen was ranked at the district and sectional levels as a junior player. After playing on her varsity high school team, she received a scholarship to Spring Hill College in Mobile. ## JUNIOR TOURNAMENT OF THE YEAR

Held for the first time ever in Little Rock, the 1996 Southern Boys'/Girls' 18 Closed was truly a cooperative effort between the cities of Little Rock and North Little Rock, their tennis facilities, local merchants, the Little Rock Convention and Visitors Bureau and the tennis enthusiasts in the area who volunteered their time and talents to orchestrate this top-notch tournament. Among the event's key volunteers was Mr. Skip Rutherford, the event's honorary chairman, who was instrumental in securing the funds that were necessary to run the week-long tournament. According to tournament director Barbara Brewer, much of the tournament's success is attributed to the high levels of energy and enthusiasm exhibited by all the volunteers. Brewer was assisted with the overall tournament organization by the Arkansas Tennis Association staff and a tournament committee that included Debbie Doan, SanDee Clifton, Judy Jones, Marilyn Tilley, Trudy Baxter, Julie Jones, Bonnie Turner, and Connie Gibson. Other tournament highlights included over 300 of the South's top junior players; a full, boxed lunch on site each day for the players; exceptional local media coverage; and the involvement of Jim Dailey, Mayor of Little Rock, and Pat Hayes, Mayor of North Little Rock, in the awards presentation ceremony.

## TENNIS OFFICIAL OF THE YEAR - MISSY MALOOL

USTA umpire since 1992, Missy Malool of Hilton Head, SC, is a former tour player who was first introduced to officiating by Bunny Williams, a world renowned umpire. Now she and Williams are two of only three U.S. umpires who have earned the "silver badge" chair umpire distinction, an International Tennis Federation rating. For Malool, much of 1996 was spent traveling, as she chaired a total of 145 professional matches. Perhaps the biggest highlight of the year was her being the only woman chair umpire at the Centennial Olympic Games in Atlanta! She also had the thrill of officiating the Women's singles finals at the 1996 U.S. Open. Employed by USTA as tour Director/Referee on women's professional circuits, Malool was one of three chairs to work the WTA Championships in New York; she served as the chair umpire of the Fed Cup tie in Toronto, and she chaired WTA events in Budapest, Hungary and Strasbourg, France - in their native language! In addition to spending time on the court, Malool is dedicated to training umpires and is currently the president of the Hilton Head professional tennis umpires association.

# USTA SCHOOLS PROGRAM

**Wilson**

The USTA Schools Program introduces tennis to K-12 students during their physical education classes. Each year, nearly five million students across the country take their first swing at the lifetime sport. The USTA Schools Program provides staff training for physical education teachers, motivational assemblies for the students, and assistance with acquiring racquets. The program also supplies teachers with information on after-school programs, field trips and visits from local tennis pros. In 1997, 30 Wilson short-court sets will be awarded by the STA to deserving PE teachers who participate in the USTA Schools Program and have made special efforts to grow the game of tennis. Find out how to start a program in your school! Contact Merritt Lawn, STA Schools Director at 770-368-8200.

# STA COMBO DOUBLES LEAGUE

A new twist in adult league competition, the STA Combo Doubles League is now offered in communities throughout the Southern Section. Joining the USTA League and BMW/STA Mixed Doubles League as the third adult recreational program offered by the STA, the Combo Doubles League is a self-rating program that is perfect for former or new tennis players who are interested in being part of the camaraderie of league tennis and the excitement of local competition. One of the best features of the STA Combo Doubles League is that players of varied ability levels can play on the same men's or women's team. For example, a veteran player who has an NTRP rating of 4.5 can pair up with his/her 3.0 friend at the 7.5 level. Levels of play range from 5.5 - 10.5. Players who are new to the league program can determine their playing level based on the NTRP guidelines. Please contact your District office for more information on how to get involved.

*Players of varied skill levels can team up!*

# 1996 PARALYMPIC GAMES

Atlanta was once again the “tennis capital” of the US this summer when the world’s outstanding tennis players arrived from all over the world to participate in the Olympics and then the Paralympics which followed two weeks later. Paralympic tennis was full of excitement and upsets. 3,300 athletes from over 100 countries entered the Paralympic Village as strangers but became a “community” almost instantly. These Games were not for money or endorsements, they were strictly for sport, camaraderie and to show the world what one CAN accomplish. Compassion was as abundant as congratulations and, most appropriately, applause for the last place finisher was even louder than for the winner.

The USA men’s team, lead by Wayne Levitt, had four members finishing with Gold and Silver, and the women’s team played their way to Silver. Steve Welsh, the #3 seed, moved into the finals by defeating three opponents and wound up with a Silver medal. He teamed up to win the Gold in doubles with Chip Parmelly, defeating Australians David Hall and Mick Connell. The match was a close three-setter, postponed at 6-6 in the third set until the next day. When the match resumed at 2-2 in the third set tiebreak, the US team played cautiously, with Chip keeping the ball in play until Steve could sneak in and put the ball away with a slam or a sharp angled drop shot.

In the ladies draw, Nancy Olson and Hope Lewellen brought home a Silver in the doubles, with the Netherlands taking the Gold.

Marc Nadel, worked for the Atlanta Paralympic Organizing Committee for 2 1/2 years in preparation for this event, and Jon Niemeyer was instrumental in organizing volunteers during the event. Jeanie Peabody, STA Sub-Committee Chairman for Wheelchair Tennis, lent her organizing skills, knowledge and enthusiasm working at the Sports Information Center in the Paralympic Village. Says Jeanie, “It was a privilege to have been there. I have never witnessed so many heroic and courageous people in one place at one time than at the Paralympics in Atlanta.”

# JUNIOR ENDORSEMENT INFORMATION

## IMPORTANT INFORMATION

*All juniors seeking endorsement in 1997 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.*

### STA RULES & REGULATIONS

Now is a good time for you to become familiar with the STA rules, regulations and requirements. You will find them on page 117 of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1996 STA rankings are printed in this issue also.

### SUMMER TOURNAMENT SCHEDULE

The summer season will arrive sooner than you expect and it is time to begin making your plans. On the next page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. If you feel that your record will put you in contention for endorsement to any Zone Team or National Championships, please take a few minutes NOW to plan ahead by checking those tournaments which you think that you would like to play in IF you are eligible and endorsed. Return your completed check-off list to your endorser IMMEDIATELY (see address near the check-off list). Be sure to send with your check-off list a copy of your USTA Player Record Form completed from 1/1/97 through the present. Zone Team and National entries will be distributed at the Southern Closed.

### USTA PLAYER RECORD FORM

Printed on Page 127 you will find a USTA Player Record Form. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

### NATIONAL ENTRY FORMS

The USTA uses a standard entry form for each of the USTA National Championships. These forms may be requested from your endorser at the Southern Closed. Information sheets for each tournament will, of course, vary. Read them carefully as they contain important information.

1. Fill out all entry forms and player record forms in BLACK ink.
2. Make check payable as indicated on the fact sheet.
3. Never send your entry directly to the tournament. It MUST be first signed by your endorser.
4. Be sure that all waivers and parents' signatures are completed before you mail your entry form and player record form to your endorser.
5. Send a copy of your USTA card.
6. Be sure to let your endorser know how to reach you during the endorsement process.
7. If possible, indicate your travel and housing plans on your entry form.
8. Return with each entry form a self-addressed, stamped envelope for your endorser's use.
9. Please return your entry form to your endorser as soon as possible. If later you need to include additional tournament results, mail an update to your endorser.

### NATIONAL TOURNAMENT DEADLINES

The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

### QUOTAS AND ALTERNATES

The STA quota is thirty (30) for the National Clays and the Nationals; sixteen (16) for the National Indoors; four (4) for the International Grass and Hardcourts; thirty (30) for 14 Zone Team Championships; forty (40) for 12 Zone Team Championships; and fifty (50) for 16 Zone Team Championships. When you accept entry to one of the National or Zone Team

tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

### ENTRY FEES TO THE USTA NATIONAL CHAMPIONSHIPS

(August 1-10) The STA will pay the entry fee for all players accepted into the draw at the USTA National Championships. However, all players are expected to include with their entry forms a check for the proper amount, payable to the tournament. After your endorser has determined which players are in quota, the checks for those players will be returned or destroyed. Those players listed on the endorsement list as alternates will have their checks sent to the tournament with their entry form. If accepted into the draw, the player will be reimbursed by the STA. If a player is not accepted into the draw, the tournament director will return or destroy the check.

### YOUR STA ENDORSER/RANKER

On the next page is a list with addresses and telephone numbers of the junior endorsers/rankers for 1997. Please establish early communications with your endorser/ranker and start by filling out the form and mailing it as soon as your plans are complete, but not later than June 1. If you change your plans you should notify your endorser promptly. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this Southern Tennis Yearbook (page 118). Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the STA Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

### SPECIAL EVENTS

There are a number of special events for juniors that involve selection of players by the STA. See the endorsement list on the next page for a complete listing of these events.

### DESIGNATED TOURNAMENTS

See STA Rules and Regulations, Article IV (page 118). Be sure to review the STA Rules and Regulations on Articles IV and V, dealing with endorsement procedures and ranking regulations. Participation in one of the five STA/Duck Head Junior Super Circuit Designated Tournaments is required for endorsement. Draws will be limited to the top 32 players entering, based on current ranking and records. Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. A Challenger Event will be held in conjunction with each STA/Duck Head Junior Circuit tournament. The winners of the first four (4) Challenger Events will receive a wild card into the next STA/Duck Head Junior Circuit tournament. PLAN YOUR SCHEDULE EARLY!

### USTA YEARBOOK

In addition to reading the Southern Tennis Yearbook carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914)696-7161.

### CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the courts.

Below is a list of tournaments that require endorsement. Please check the tournaments that you would like to play (pending your eligibility and endorsement) and return the list to your endorser (address above) as soon as possible. As your endorser will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request one unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your endorser/ranker by doing the following: sending player record forms and updating them when additional results become available, and supplying them with self-addressed, stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

# JUNIOR DAILY PLAYING LIMITATIONS

The STA has reviewed the below chart of Daily Playing Limitations and approved its dissemination in the Yearbook as GUIDELINES for tournaments on an experimental basis. KEEP IN MIND THAT THESE ARE NOT, AT THIS TIME, ANYMORE THAN GUIDANCE IN PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The STA welcomes comments and recommendations for revision prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

	SUMMER MONTHS MAY-SEPTEMBER	WINTER MONTHS OCTOBER-APRIL	
AGE DIVISION	MAXIMUM NUMBER OF MATCHES	MAXIMUM NUMBER OF MATCHES	REST PERIOD BETWEEN MATCHES

## (A) SINGLES

Players in the 18 & 16 Divisions cannot be required to play more than two singles matches in one day. Under extreme circumstances, and provided the Referee and both players agree, a third match may be played. Players in the 14 & 12 Divisions will not be allowed to play a third match in one day under any circumstances.

A minimum rest period of one hour will be required between a singles match and a doubles match or two doubles matches. Should a player be involved in a lengthy match which runs into late evening....it is STRONGLY SUGGESTED that this player be given a minimum of 12 hours before their first match is scheduled the next day.

## (D) SPLIT SETS REST PERIOD

Boys' and girls' 18 Divisions are allowed no rest period, except under certain conditions when the Referee, in his independent judgement, may permit a 10 minute rest period. The Boys 16 Division is allowed an OPTIONAL rest period of 10 minutes, and it may be allowed at the request of either player or doubles team. Girls' 16, 14 & 12 and Boys' 14 & 12 Divisions MUST take a 10 minute rest period before the third set.

## (E) LIGHTS

## MINIMUM RANKING REQUIREMENTS

Boys' and Girls' 18-12

One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District but inside the Southern Section. If a player plays in both the Southern Closed and The Southern Open, the requirements to play one (1) tournament out of his/her own District is waived. # STA AREA TRAINING CENTERS

The 19 USTA/STA Area Training Centers provide 50 hours of supplemental training for 380 select players section wide. Players are selected on a combination of criteria which includes competitive results, work ethic, sportsmanship and potential for future success. Through the ATC's the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests.

# ADULT DAILY PLAYING LIMITATIONS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

**A.** The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."

**B.** No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

**C.** For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

**D.** No match shall be less than the best-of-three sets (no proset matches). The 12 point tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

# 1997 STA RULES & REGULATIONS

## APPLICABILITY:

The STA Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the STA committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA in the Southern Section of the USTA.

## I. Quota System for Entry to Southern Junior Closed Championships

### A. General.

The draw size in every age division of the Southern Junior Closed shall be determined by the STA Junior Tennis Council. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in event, unless the failure to play is attributable to a bona fide reason such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of the STA as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

### B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

### C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the Southern Junior Closed Championships for the current year are listed below:

### D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

## STA Boys' and Girls' Intersectional Teams

### A. General.

The STA annually selects Boys' and Girls' Intersectional Teams to represent the STA. The STA appoints a coach/chaperon to travel with each team and the STA funds most of the teams' expenses. The team consists of up to eight players chosen from the top juniors in the 18 and 16 age divisions.

### B. STA Committee.

Selection of the teams shall be made by the STA Team Selection Committee listed in the Yearbook under the heading of "STA Committees".

### C. Eligibility.

Any junior player in the STA meeting the following requirements shall be eligible to apply for Team selection:

1. Any player having a singles ranking of 1-10 in the 1996 STA 18's division ranking, or
2. Any player having a singles ranking of 1-5 in the 1996 STA 16's division rankings, or
3. Any member of the 1996 team who is still eligible for 18 or 16 and under competition in 1997, or
4. Any player having recorded one (1) win since January 1, of the current year over any of the players eligible under the preceding three categories.

### D. Standard for Selection.

The STA Team Selection Committee has the authority to invite the players that will best represent the STA. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

### E. Application.

Any STA junior player interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

### III. STA Junior Davis Cup Team

#### A. General.

The STA annually selects up to three (3) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the STA.

#### B. Application.

Applications should be obtained from the STA office. Selection will be based on previous year's rankings and current season's records.

### IV. STA Endorsement Procedure to USTA National Junior Championships and Zone Team Championships:

USTA 12, 14 & 16 Zone Team Championships  
USTA National Junior Clay Courts Championships  
USTA National Junior Championships  
USTA International Grass Court Championships  
USTA International Championships  
USTA National Junior Indoor Championships

#### A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has a guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1997 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. The USTA 12 Zone Team Championships will include 40 STA boys and 40 STA girls. The USTA 14 Zone Team Championships will include 30 STA boys and 30 STA girls. The USTA 16 Zone Team Championships will include 50 STA boys and 50 STA girls.

#### B. STA Criteria-Eligibility for Endorsement to USTA National Junior Championships.

1. Qualification for endorsement by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.
2. To qualify for endorsement by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament and one of the five STA/Duckhead Junior Super Circuit Designated tournaments in the age division for which applying for endorsement. Participation in the Southern Closed and in one Designated tournament in the age division for which endorsement is sought is mandatory unless waived in advance by the STA Junior Waiver Committee. Participation in the State Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the State Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.
  - b. On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and copy of current USTA membership card.
  - c. Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate. The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.
3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will adhere to the following guidelines in considering waiver requests:
    - a. Previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division: In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver.
    - b. An individual wishing to play in the Indoor Nationals in an age group in which he did not play in the Southern Closed Tournament the previous summer must apply for a waiver by October 15. If the waiver is approved he/she will be endorsed at a position to be determined by the appropriate endorser.
    - c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
    - d. Waiver for the Designated Events: Waivers for the Designated Events required for endorsement to the Nationals shall be considered for but not limited to the following:
      1. Injury or illness.
      2. Players acquiring residence in the STA after the last designated tournament.
      3. Participation in International Events conflicting with the designated tournaments.

When a waiver request is approved, the player's endorsement position will be based on their current overall record.

e. Junior Waiver Committee: The Junior Waiver Committee (see listing under STA Committees) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article IV.B.3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

f. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

4. Designated Tournaments. Players entering a designated tournament must play in the age division in which he/she is seeking endorsement, with the following exceptions:

- a. 12's seeking to play designated tournaments in an older division who still intend to play the 12's age division in the Southern Closed, shall be limited to playing in a higher age division in a maximum of two designated tournaments. If a player who is eligible for the 12 & under age division plays in any higher age division in more than two designated tournaments, that player would not be eligible to play in the Southern 12 Closed.
- b. Players who have been waived from their own age division to the next age division in the Southern Closed.
- c. Only after a player wins two designated tournaments in their age division would they be allowed to play up in the next age division.

#### C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see Listing under STA Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota may receive entry blanks promptly. In most cases, however, entry blanks will be distributed at the Southern Junior Closed.

#### D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

- a. Player Record Forms, which should be completed with every sanctioned singles match in the Division (age group) played since January 1, 1997. Doubles player records should be with the same partner you intend to enter with in this USTA Championship.

b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Championships or to the STA Office.)

2. The endorser will rank all players who have applied by the deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or on the alternate list. If you are on the alternate list, it is your obligation to contact the tournament on the date indicated on the tournament application to find out if you have been accepted into the tournament.
3. If you are in quota and must withdraw, advise the USTA Championships immediately so it can accept the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action.

### V. Ranking Regulations

#### A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman by November 15 or immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The STA Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.
2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.
3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Office.
4. Ranking Year and Age Eligibility. The STA Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the STA publications each year.
5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived only by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.
6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.
7. Alphabetical. A numerical grouping may be used by a Ranking Committee for giving recognition to players who meet the ranking qualifications, but whose record does not clearly establish a specific numerical position. Players thus ranked will be listed alphabetically.
8. Ranking Appeals. Tentative rankings will be published in early January and will always be available at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in January. Provided that a completed Player Record Form has been sent to the appropriate ranker/endorser, all players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

#### B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum STA ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards STA ranking requirements. The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:

- a. Men's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the Southern Section.
  - b. Women's Singles: One (1) Southern Chp. and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the Southern Section.
  - c. Men's and Women's Doubles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the Southern Section.
  - d. Men's 70, 75, 80 Singles and Women's 55, 60, 65, 70, 75 and 80 Singles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open\* and the Southern Closed\*.
  - e. All other Divisions-Singles: One (1) Southern Chp. and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed\* and the Southern Open\*, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Chp. and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open\* and the Southern Closed\*.
  - f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85 (men only) singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 25, 30, 35, 40, 45, 50, 55, 60, 65 and 70 Mixed doubles.
- Note: \*1997 Men's and Women's Southern Open in Jackson, MS. The 1997 Men's and Women's Southern Closed in either Kiawah, SC for even divisions or Birmingham, AL for odd divisions.

#### C. Junior.

1. Minimum Requirements. Playing in any USTA National Championship does not count towards minimum STA ranking requirements. The minimum number of tournaments required for consideration for STA ranking in Boys' and Girls' 12-18 divisions follows:

- a. Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of his/her own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirement. Note: Because the Boy's and Girl's 12 division has no Summer Open Tournament, the STA Indoor Open in November may be substituted for this tournament.
  - b. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.
2. Boys' and Girls' rankings shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee.

#### D. Adult Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over a player or team that is eligible.
2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.
3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.
4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

#### E. Junior Ranking Requirements

1. The STA junior rankings will be computer generated.

#### F. Residency Requirements for Southern Closed Tournaments

1. Only players who have established a legal residency in one of the nine districts of the Southern Section of the United States-Tennis Association (State of Alabama, State of Arkansas (including Bowie County, Texas), State of Georgia, State of Kentucky (except for the counties of Boone, Campbell, and Kenton), State of Louisiana, State of Mississippi, State of North

Carolina, State of South Carolina, State of Tennessee (including Bristol, Virginia), hold a current USTA membership card assigned to one of the districts in the Southern Section, and are citizens of the United States or meet the resident alien requirements for a USTA National ranking are eligible to participate in Southern Closed tournaments. Resident alien requirements include resident aliens who have resided in the United States continuously for more than one year and are members of families of persons in the diplomatic or consular corps. In the case of a junior player, legal residency is that of the parents. Extenuating circumstances may be considered by the STA Management Committee. A policy statement on resident status is on file at the Southern Tennis Association office.

2. Juniors who desire to qualify for the Southern Closed Championships will be required to play in the District Qualifying or receive a waiver from the district where they are legal residents on the May 15 immediately preceding the District Qualifying Tournaments.

3. Players who meet any one of the following criteria can register their intent to participate in closed tournaments and for receive a ranking in the district in which their parents are legal residents:

- Juniors going to school/college outside the district where their parents reside;
- Juniors who spend time with joint custody parents;
- Players who live in more than one location during the year; and
- Familial members of the military.

The intent must be registered in writing to the district office where they desire to participate and the Southern Tennis Association office before the first closed tournament is held in the involved district or section. In the event no request is made, it is assumed that the player will compete and/or be eligible for a ranking in the district that best describes their legal residence.

NOTE: The intent of the above paragraph is that no one should be allowed to participate in closed tournaments or be ranked in two or more districts or sections during any single ranking year.

## G. Residency Requirements for a Southern Ranking

In order to be considered for a Southern ranking in his/her respective age division, a player must meet the Residency Requirements of the Southern Section as stated above, and must compete in the required tournaments.

## VI. STA Junior Suspension Point System

### A. Code of Conduct Report

1. A Southern Tennis Association Code of Conduct Report shall be included in the tournament packet of all Southern Junior Championships and Designated Tournaments.

2. The STA Code of Conduct Report shall be filled out by a USTA certified official of the tournament, signed by the player and sent to the STA Junior Coordinator within 48 hours after the completion of the tournament.

### B. The Point Penalty System

1. The point penalty system as sanctioned by the USTA shall be used as the base to impose suspension points. Code violations shall only be given by a USTA certified official.

### C. Suspension Points

1. Suspension points shall be accumulated from the following events:

- Southern Closed, Open and Indoors.
- STA Designated Tournaments.
- All Events in the National Jr. Tournament Schedule.

2. Suspension points accumulate over a twelve month period. Points that have been on a player's record for twelve months will be erased.

3. When six points have been accumulated, the STA Junior Coordinator shall send a letter to the player informing him/her of being in jeopardy of being suspended.

4. When a player accumulates TEN suspension points during a twelve month period, he/she shall be sent a letter from the STA notifying him/her of their suspension from USTA sanctioned events within the STA for eight weeks and also from the next Southern Championship. The suspended player shall not be eligible for endorsement to any Nationals during the eight week suspension.

5. Furthermore, a suspended player will be ineligible for selection to STA team events (including Zonals and Intersectionals), Area Training Centers and Cross-Sectional Camps for the twelve months following the suspension.

6. Following a suspension, the first ten points will be erased from the player's record.

### D. Appeal Process

1. Following notice of such suspension, the player shall have the right to a hearing by the STA Grievance Committee if requested within five days following the receipt of the suspension notice. There shall be a one hundred dollar (\$100) filing fee to appeal in addition to the costs of the hearing. If the suspension is overturned in its entirety, the cost of the hearing shall be refunded. If the suspension is affirmed by the STA Grievance Committee, the eight week suspension shall commence as of the date following the date of the order of the STA Grievance Committee affirming such suspension. If the suspension is affirmed, the player shall have the right to appeal the decision of the STA Grievance Committee to the STA Management Committee. The STA Management Committee shall not be required to hold a hearing.

## VII. Tournament Rules and Regulations

### A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), & USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 70 West Red Oak Ln., White Plains, NY 10604, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the STA and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

### B. STA Tournament Regulations.

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who shall be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute shall be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.
- Follow proper seeding regulations as set forth in current "USTA Yearbook", or "Friend at Court". In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current "USTA Yearbook", or "Friend at Court"). In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw of more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same District meeting in a first round match.
- See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or

has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.

f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division. g. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Referee must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

i. Rules regarding rest periods after the second set of three-set matches shall be observed in accordance with regulations as listed in the "USTA Yearbook", or "Friend at Court".

j. Consider the use of qualified persons to act as roving umpires or court monitors during matches, particularly in Junior events. These persons can watch for trouble spots and, by their presence, can sometimes solve problems immediately.

k. All Southern singles Adult/Senior Championships shall hold a minimum of a first match loser's consolation (FMLC).

l. In the event that the draw size in a Southern Adult/Senior Championship is four or fewer, a round robin shall be played.

## C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and they will not be tolerated.

a. No loud, abusive, or profane language, and no racket-throwing or slamming balls shall be allowed.

b. In regard to stalling, the rules of conduct are quite clear: "No allowance may be made for natural loss of physical condition. Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)" - quoted from Rules in "USTA Yearbook." The rules allow 90 seconds for towel-off, drinking water, etc., during change of courts on odd games. This does not permit continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.

c. No player or players will make a comedy of a match, whether they be winning or losing.

d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.

e. Line calls shall not be made by unauthorized persons. If any player desires assistance in officiating his match, he should make the request to the Referee; this can be done either before or during the match.

f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be to the Referee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.

g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), a "let" call must be made immediately, before either opponent has a chance to hit the return or before a return has gone out of play.

h. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator. Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor. 2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

## VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the STA for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the Southern Tennis Association for all USTA League Tennis play.

## IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

# INSTRUCTIONS FOR COMPLETION OF PLAYER RECORD

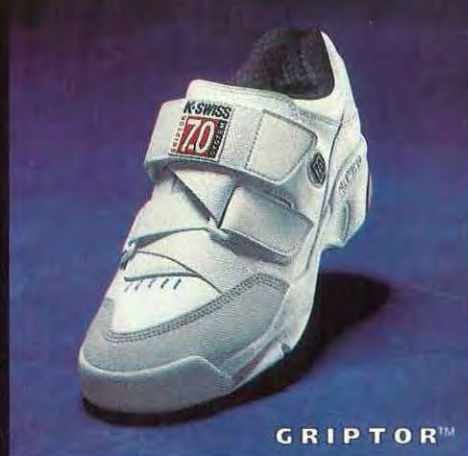

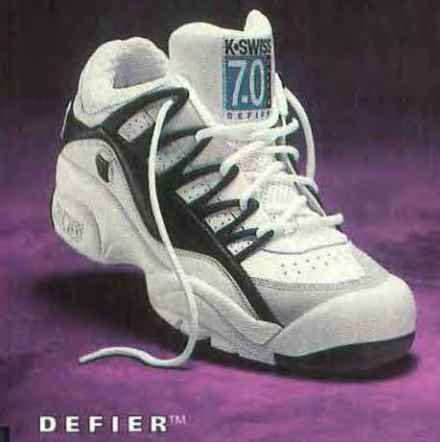

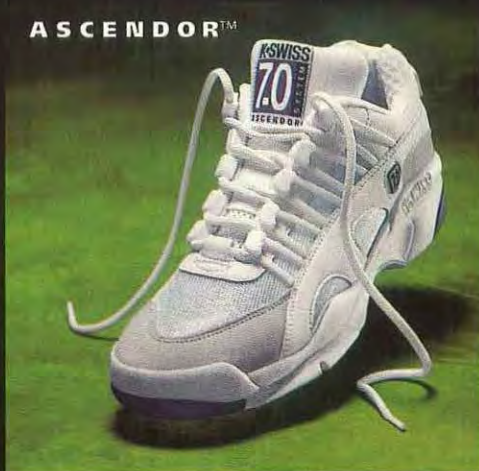

1. Player Records are to be mailed to USTA, Junior Rankings Competition Department, 7310 Crandon Blvd., Key Biscayne, FL 33140, by June 30. Mail updated player records at the end of June; at the end of September; and at the end of December 1997.
2. Use a separate player record for each age division in which you want to be considered for a ranking. Also use a separate sheet for each doubles team.
3. Print or type all information clearly and completely. The correctness of the rankings is dependent on the accurate entry of data.
4. Print the name and location of each tournament played exactly as it is printed on the Sectional or National Tournament schedule.
5. The tournament start date is the day the tournament begins, as listed on the tournament schedule, not the first day you play.
6. Print the first and last name of each opponent as well as the state in which they live.
7. Enter the round the match occurred in as one of the following:

Round of 256	256	Semifinal Round	S
Round of 128	128	Final Round	F
Round of 64	64	Playoff	PO
Round of 32	32	Round Robin	RR
Round of 16	16	Feed in Championship	FIC
Quarterfinal Round	Q	Consolation	C

8. Print the winner's match score first. For example, even if the match is a loss for you, enter the score 6-4, 6-4. Be sure to indicate defaults with "DEFAULT." If a match is in progress and a player retires, indicate the score at the time and "RETIRED."
9. In the event of an address change during the Ranking year please contact the USTA Junior Competition Department at 305-365-8782, in addition to the USTA Membership Department.

Nothing is so invigorating as driving a manual transmission. That's why BMW offers 11 models, including the only V-8 sedan with a six-speed. Yet most competitors don't even offer a manual with their "sports models." You see, "The Ultimate Driving Machine" is more than a slogan.
