## PRESIDENT'S MESSAGE

The USTA/Southern Section enjoyed another exciting year of tennis in 1997! As you look through this yearbook, you will not only become aware of specific success stories enjoyed by teams and individuals, but you will also see examples of the fun, competition, and camaraderie our sport provides, regardless of your age or level of play!

As we look to 1998, tennis will continue to flourish as the Southern Section has significant plans for growth and improvements in place! For the first time in the history of our sport, the USTA has joined forces with other industry leaders and unveiled its Plan for Growth, which will strengthen your existing Community Tennis Associations and make it easier for your non-playing friends to get involved in tennis. The Southern Section has provided its nine District offices with considerable resources to ensure the success of this plan. Additionally, the South will host the Davis Cup by NEC and the KB Fed Cup in 1998, and May 9 will be the inaugural USA Tennis Day, with activities planned nationwide!! Technology has made it possible to renew your membership electronically by calling 800-990-USTA, and you can easily access the latest in tennis news, rankings, and tournament schedules by visiting the USTA/Southern Section web site at [www.usta-sta.com](http://www.usta-sta.com).

Volunteer support continues to be the driving force behind the USTA/Southern Section at all levels! I would like to thank the volunteers who are dedicated to helping grow tennis, and, if you haven't already, I encourage each of you to consider becoming involved in an area of tennis that interests you!

Lucy Garvin, President  
USTA/Southern Section

## EXECUTIVE DIRECTOR'S MESSAGE

*1998 promises to be an exciting year in tennis in the South!*

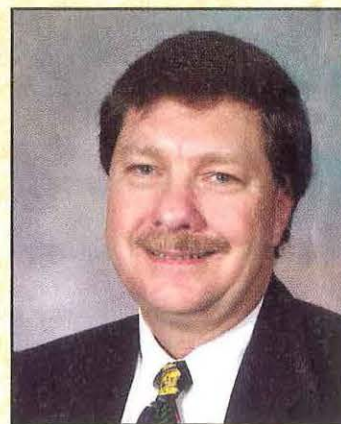

At our recent annual meeting, the USTA/Southern Section embraced the USTA Plan for Growth with over \$500,000 in Plan for Growth spending. The first round of both Davis Cup and Fed Cup will be in the Southern Section, in Atlanta and Kiawah, respectively. The USTA will host the 1998 annual meeting in Hilton Head and the USPTR International Symposium will be moved to February, also in Hilton Head. The SuperShow is in Atlanta with a USTA/Southern Section workshop scheduled the day before the Show. The Kroger/St. Jude, an ATP Tour Championship Series event, is in Memphis and the Family Circle Cup returns to Hilton Head.

And all these events are in just the first four months of 1998!

District and sectional staff and volunteers are working alongside one another to provide you with the best and the most opportunities to enjoy tennis. I encourage you to volunteer your help in your community to make tennis everything it can be!

John Callen  
Executive Director

A former vice president of the Georgia Tennis Association, Skogstad has also served as the president and vice president of the Atlanta Lawn Tennis Association (ALTA), and he was inducted into the Georgia Tennis Hall of Fame in 1985.

## DENNIS VAN DER MEER

# Southern Tennis Patrons Foundation

The Southern Tennis Patrons Foundation enjoyed two significant contributions in 1997, thanks to the efforts of Mr. Hamilton Richardson and Ms. Chanda Rubin. The foundation expresses its gratitude to these two individuals for their generosity.

## MS. CHANDA RUBIN

For Lafayette, Louisiana's Chanda Rubin, success does not end on the court. She is highly involved in local and state communities, and she has continued to be a role model among youth by participating in clinics and giving donations to children's museums, the American Heart Association and Special Olympics. Chanda has been active in soliciting funds for the Adopt-A-Bed program and a guest speaker to children of prison inmates at the Love Reading Program. She was Wheelchair Tennis spokeswoman for the Southern Section of the United States from 1993-1995. Most recently, Chanda was named by USA Weekend as one of the "1997 Most Caring Athletes". In 1997 USTA President Harry Marmion instituted a new program through which the USTA will make a contribution to a charitable organization on behalf of the tennis players who participate in a Fed Cup event. Chanda asked the USTA to donate \$25,000 to the Foundation on her behalf. The Southern Tennis Patrons are extremely grateful and will honor her wishes to establish a trust fund which will be used to further the mission of the Patrons to advance and support the game of tennis.

## MR. HAMILTON RICHARDSON

One of the two original inductees into the Southern Tennis Hall of Fame, Mr. Hamilton "Ham" Richardson, who currently makes his home in New York City, was instrumental in the USTA/Southern Section's U.S. Open Luxury Suite fundraising project.

Hosted by Pierremont Oaks Club in Shreveport, LA, for the third consecutive year, the 1997 USTA Boys'/Girls' 16's Intersectional Team Championships was an outstanding event. Over 128 players and 16 coaches representing 16 USTA sections participated in the event. Among the player and coach amenities offered were goody bags that included a hat, t-shirt and towel; daily meals; a players' banquet; two full-time on-site trainers; housing; transportation to and from the airport and hotels; and team pictures which were given to each player and coach. ## MEDIA AWARD

Todd takes a personal interest in keeping Atlanta informed about the tennis scene, particularly events that involve local players. He provided on-site coverage at the USTA Women's Challenger in Peachtree City and at Atlanta's two 1997 professional events - the AT&T Challenge held in Duluth and the U.S. Women's Hardcourt Championships held in Stone Mountain. In addition to the weekly columns in the AJC, Todd writes extensive tennis information in the AJC zoned editions and conducted player profile interviews on Matchpoint Atlanta, Atlanta's only tennis television program. A recreational tennis player, Todd makes it a priority to meet Atlanta players and attend local tournaments and events.

## MEMBER ORGANIZATION OF THE YEAR

*presented to an STA member organization to recognize outstanding service to the local community, to the organization members, and to the game of tennis*

In its third year of operation, the **Tyson Family Tennis Center** in Knoxville, TN, is exemplary in its approach to introducing new players to the sport of tennis. According to **Patsy Stair**, the Tennis Director for the City of Knoxville, Tyson's success is due to the unheralded support the center receives from the city of Knoxville. Through its participation in the City Playground Program, the center literally loads up tennis equipment and takes it to the inner city to teach disadvantaged youth. In addition to local programs, the center offers extensive USTA programming and special events for players of all ages and ability levels, and they host the annual Greater Knoxville Tennis Carnival. Teams and individuals not only play for free at Tyson, but the center also offers a game-matching service to anyone who is interested. Over the past several years, Tyson has become the "official tennis news source" for Knoxville residents.

## TEAM TENNIS EVENT OF THE YEAR

*presented to an event that demonstrates outstanding execution of a team event*

The efforts of a local organizing committee headed by **John Guerry** were a key factor in making the **1997 USTA League Tennis Southern Sectional Championships** in Chattanooga, TN, such a success. Using the knowledge gained from hosting this event in 1991 and 1992, the planning committee set out to make "the third year a charm" and met monthly for one year prior to the event to fine-tune all details. A volunteer force of 200+ was responsible for organizing the event and providing player amenities for the 2,000 USTA League Tennis District Champions that descended upon the city for 10 days. A professional souvenir booklet listing all tournament participants; two player parties; on-site trainers; outstanding facilities; extensive media coverage and an "ask me" committee were among items enjoyed by the tournament participants.

## TENNIS OFFICIAL OF THE YEAR

*presented to a tennis official who has made outstanding contributions to the cause of tennis officiating in the Southern Section*

**Jim Baughman** of Stanford, KY, as been a USTA official since 1966. During that time, he has made officiating contributions at the local, District, Sectional, and National levels, and he has been involved with all levels of play. One of Jim's favorite tournaments is the USTA Boys' 18 National Clay Court Championships, where he has umpired for 31 consecutive years. Jim works tournaments nationwide and has traveled abroad on multiple occasions to officiate. He has been fortunate to umpire at several U.S. Open Tennis Championships and Davis Cup matches. To date, his most thrilling umpiring experience was being chosen to work the 1996 Olympic Games.

## USTA/NJTL CHAPTER OF THE YEAR

*presented annually to an NJTL Chapter within the Southern Section that has demonstrated excellence in administration of the NJTL program*

Established in 1974, the **NJTL Chapter of Bristol, VA**, is one of the oldest, continuous chapters in the country. Since its inception, the program has impacted over 8,000 youngsters, many of whom have graduated to compete on the collegiate level. NJTL/Bristol is a coordinated effort among the chapter, corporate sponsors and individuals volunteers in the community, as well as the parks and recreation departments of both Bristol, VA, and Bristol, TN. The chapter offers a successful summer program and a winter clinic; it sponsors two handicapped children's programs; and it works collaboratively with other junior associations in the tri-city area. NJTL/Bristol strives to promote sportsmanship, recreation and health by encouraging tennis play for all children, and it puts a particular emphasis on disadvantaged and disabled youth. Chapter president **Dan Biegers** and **Rogers McCall**, one of the original founders of the chapter, are instrumental in overseeing the chapter's daily activities.

# USTA Schools Program

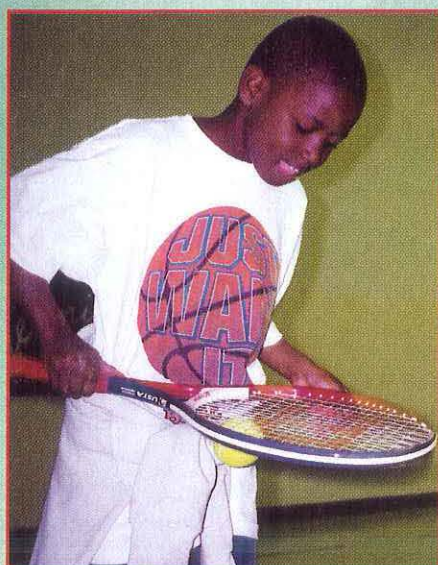

The USTA Schools Program, now called USA School Tennis, introduces tennis to K-12 students during their physical education classes. Each year, over 500,000 students across the USTA/Southern Section take their first swing at the lifetime sport. The USTA Schools Program provides staff training for physical education teachers; motivational assemblies for the students; and free WILSON rackets for program participants. The program also supplies teachers and students information on after-school programs and visits from local tennis pros. In 1997 the USTA/Southern Section was given a grant which enabled each of its nine Districts to hire a coordinator who would be responsible for Kids' Team Tennis, Community Tennis Associations, and USA School Tennis. Find out how you and/or your Community Tennis Association (CTA) can start USA School Tennis in your area by calling one of the coordinators below.

Promotion of junior programs like KTT, NJTL, USA Team Tennis, and USA Tennis 1-2-3 at USTA Schools Program assemblies is key to their success. Jeff Smith, Director of Community Development & USA Team Tennis, demonstrates his tennis skills using "God's racquet" at an assembly in Jonesboro, AR.

*The James twins, Melyssa and Vanessa, along with Wendy Fox, USTA/Southern Section Intern, and Norvell Brown, USTA/NJTL of Durham chapter leader, pose before the awards ceremony for the USTA/NJTL Regional Rally held in Raleigh, NC.*

**T**he USTA National Junior Tennis League (NJTL) program has been a key instrument in exposing and promoting tennis to minority youth in the South and across the country. Founded by Arthur Ashe in 1969, the primary goal of NJTL is to introduce as many youngsters as possible to the lifetime sport of tennis. In 1997, NJTL increased the number of Regional Rallies held in the Southern Section. Raleigh, NC, Natchez, MS, and Aiken, SC were the host sites for this year. Over 250 minority youth participated in our section's regional rallies. Once again, a chapter from the Southern Section has been selected as the National Chapter of the Year. The USTA/NJTL Chapter of Bristol, TN, directed by Rogers McCall and Daniel Bieger, exemplifies great service to the tennis community and its youth. The Southern Section also awarded \$4,500 in NJTL camp scholarships this year. USTA/NJTL continues to promote excellence, education, fun, and team work along many other life learning experiences. For more information on getting involved with an USTA/NJTL in your area, please contact your District Office and/or Nomi Husband at the USTA/Southern Section Office at 770-368-8200.

# USA Team Tennis

**U**SA Team Tennis, formerly known as USTA Junior Team Tennis, is a program designed to give junior tennis players of all ages and backgrounds the opportunity to learn and develop the skills needed to compete in a fun, team-spirited atmosphere.

USA Team Tennis consists of 4-8 weeks of team practice and match play. Boys and girls ages 6 - 18 play on teams that correspond with their age and ability level - this format promotes the philosophy of fun, fitness and friendship. Participants of USA Team Tennis have the opportunity to compete in a season-ending District event and the AAU National Championships.

Although USA Team Tennis is a program for children, much of its success relies heavily on parents and volunteer support. Thanks to the efforts of over 1500 parents/volunteers, 18,000+ juniors participated in USA Team Tennis (Junior Team Tennis) across the South in 1997. Why not help children learn the sport for a lifetime by becoming a USA Team Tennis volunteer? Call your District Coordinator (listed below) for information on starting a league or volunteering in your community.

## AAU Junior Olympic Games

**U**SA Team Tennis is a significant part of one of America's most successful grassroots sporting events. Each year, the AAU Junior Olympic games hosts over 32 different sporting events for youth in the United States. In 1995 the USTA formed a relationship with the AAU organization to include the sport of tennis and become the National Championships for the USA Team Tennis (Junior Team Tennis) program. In 1996 the USTA/Southern Section sent three teams to New Orleans, LA, to participate in the National Championships and increased that number to eight teams for the 1997 championships in Charlotte, NC.

A limited number of teams will be invited to participate in the 1998 AAU Junior Olympic Games. The competition will be held in Norfolk, VA, the week of August 4 - 9, 1998. Contact your District USA Team Tennis Coordinator (listed below) for further details.

The finalists from the Georgia District Championships were invited to attend the AT&T Challenge Event, where they were recognized as the winners in their divisions.

**K**ids' Team Tennis is the USTA/Southern Section's newest program for children ages 4-8 that uniquely combines the fun team atmosphere of USA Team Tennis with the instructional atmosphere of USA Tennis 1-2-3! Designed to introduce the basic fundamentals of tennis, Kids' Team Tennis is a low-cost program that encourages parental involvement. The program provides each participant with a new tennis racquet, t-shirt, tennis ball, and a trophy. Parents who are interested in coaching or supervising a Kids' Team Tennis team receive free training from a USTA clinician or staff member and all support materials to guarantee success of the program!

The USTA/Southern Section has begun to promote Kids' Team Tennis among elementary schools and Community Tennis Associations. Sites are running throughout the Section and the goal is to expand interest to other areas including Girl Scouts, Boy Scouts, Girls and Boys Clubs, YMCA's, day care centers, churches, and parks and recreation departments.

Please contact your District Kids' Team Tennis Coordinator to find out how to get Kids' Team Tennis started in your area!

# Play Tennis America

**P**lay Tennis America, now USA Tennis 1•2•3, is designed to get juniors and adults started playing tennis and turn them into lifelong players. Supported by every major tennis organization, the program consists of a series of active, fun, and low-cost group sessions that lead quickly into actual play. What attracts new players to USA Tennis 1•2•3 is its clearly defined pathway of skill development. Players enter the program at the level that is just right for them and quickly advance along the pathway to the next level of play.

The USA Tennis 1•2•3 program has two branches - one for kids, and one for adults. Each branch has three USA Tennis levels plus a follow-up program.

USA Tennis 1•2•3 for Adults is designed for any adult who is looking to return to the sport as well as for beginning players. As adults progress from Level I (basic playing skills) to Level II (review, practice, and supervised play) to Level III (USA Tennis 1•2•3 Leagues), they can join USTA League Tennis and community programs, or they can remain in USA Tennis 1•2•3 Leagues.

Play Tennis America for Kids offers children the opportunity to learn tennis quickly, inexpensively, and as part of a group. As their play improves and they progress from Level I (basic playing skills) to Level II (review, practice, and supervised play) to Level III (USA Team Tennis), they can participate in other USTA and/or local junior programs.

To get adults and kids playing in your area, please contact one of the coordinators listed below. USA Tennis 1•2•3 is a proven way to get both kids and adults hooked on tennis!

Juniors, as well as adults, enjoy the camaraderie of USA Tennis 1•2•3. In fact, it's a perfect program for the entire family.

In 1997, thousands of adults and juniors throughout the South enjoyed tennis fun thanks to the Cartoon Network Smash Tennis exhibit. The interactive exhibit made its Southern stops in Greenville, SC, Hilton Head, SC, Charleston, SC, and Atlanta, GA, as it traveled around the country.

**I**n USTA League Tennis, the journey to a National Championship offers a recreational tennis experience beyond compare. First, a team has to win its local league. To win a District Championship is a feat in itself and an opportunity to advance to the USTA League Tennis Southern Sectional Championships, this year held in Chattanooga, TN. Third set tie breaks are not uncommon at the Southern Sectional Championships as the champions from nine Districts compete in adult levels 2.5, 3.0, 3.5, 4.0, 4.5, 5.0 and Open and senior levels 3.0, 3.5, 4.0 and 4.5.

USTA League Tennis is for adult tennis players of all ages and abilities. In 1998, Districts will offer Super Seniors for the 60+ player (some districts may use 62+ or 65+), in addition to adult(19+) and senior (50+) divisions. The first step to joining USTA League Tennis as a new player is to sign up for a verification clinic to receive a NTRP verified rating.

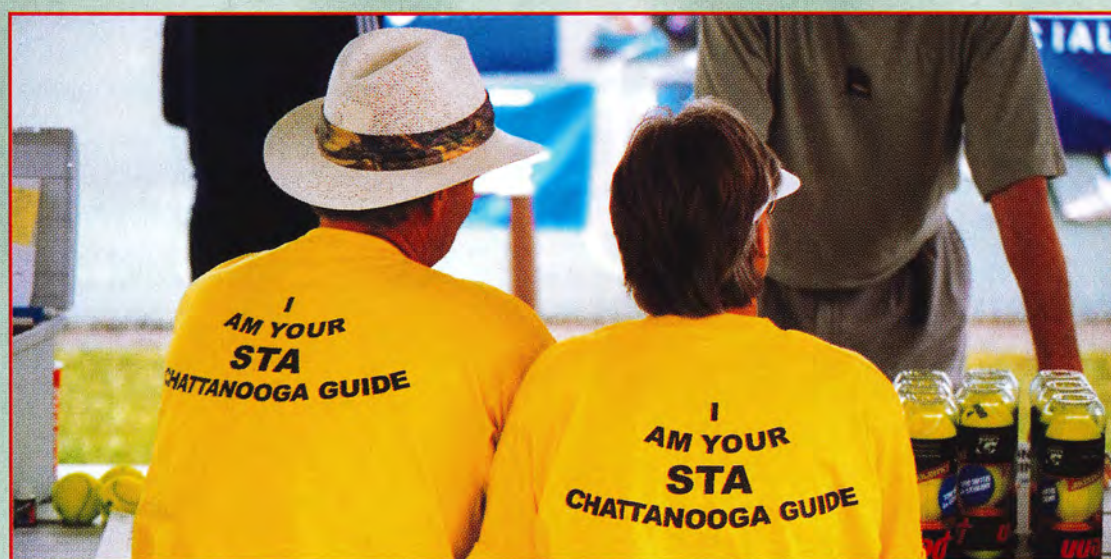

Over 77,000 players in 80 local leagues enjoy USTA League Tennis in the South! To sign up, contact your Local League Coordinator or your District League Coordinator below:

# Special Populations

**T**he goal of some of the most experienced pros and volunteers who work with Special Olympians in tennis is to foster Unified Competition in which a trained volunteer pairs up with a Special Olympian to form a doubles team that competes in round robin tournaments or weekly matches. Pilot programs using this low-key competitive format have proven popular with both the athletes and the volunteers.

Thanks to the tournament sponsors and local coordinator Vicky Marty, the scene on this page shows the activities at the 4th annual Special Olympics Tennis Carnival and picnic held mid-week at the Edleman Classic USTA Challenger Series pro tournament in Birmingham, AL, in May, 1997. Four teaching professionals, two touring pros, a professor of Special Education and his class of Special Education majors from Jacksonville University, and over a dozen local volunteers gave 125 special athletes an exciting and enjoyable taste of tennis, a great lunch and a super field trip to the beautiful Brook Highland Racquet Club.

This year it was an all Georgia finals, with Tanner Cochran (r) taking home the winner's trophy with a 6-3, 6-2 win over Ashley Harkleroad (l). Pictured center is Donna Bailey, tournament director.

# Player Development

The Area Training Center at Racquet Club of the South serves junior players in the Atlanta and surrounding areas.

## LOCAL EXCELLENCE TRAINING PROGRAMS

Most of the top players in the United States are being developed in local programs involving their personal coach. Registering any and all local and regional junior training programs so that players and parents may easily locate them and in order to effectively distribute the latest sport science and player development information is the goal of the Player Development Committee. All programs led by certified USPTA or USPTR professionals at facilities which are USTA organizational members are invited to register. Contact your District Office or the USTA/Southern Section office for registration forms. A complete listing of the South's registered Local Excellence Training Programs is on page 84.

## USTA AREA TRAINING CENTERS

Excellent coaching continued to be the primary factor mentioned in the evaluations of the 19 USTA/Southern Section Area Training Centers. Players who attended ATC's early in their careers and competed in the 1997 U.S. Open Junior Championships included Ansley Cargill (GA), Chad Carlson (GA), Jackie Trail (KY) and Brian Vahaly (GA). A complete listing of the USTA/Southern Section Area Training Centers is on page 85.

## STA/DUCK HEAD JUNIOR SUPER CIRCUIT

Created in 1992 to promote head-to-head competition among the best junior players in each age group, the STA/Duck Head Junior Super Circuit events ("Designateds") have become the most popular and competitive tournaments in the South! In fact, the events have become so popular that accompanying challenger tournaments have been established to accommodate the main draw overflow. Participation in one of five events is required for endorsement to play in the United States Tennis Association (USTA) National Junior Championships.

They are intended to assist the tournaments in scheduling and promulgating a standard set of Daily Playing Limitations. The Southern Section welcomes comments and recommendations for revision prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

Players in the 14 & 12 Divisions will not be allowed to play a third match in one day under any circumstances.

## **(B) DOUBLES**

## **(D) SPLIT SETS REST PERIOD**

Boys' and girls' 18 Divisions are allowed no rest period except under certain conditions when the Referee, in his independent judgement, may permit a 10 minute rest period. # Junior Endorsement Information

## IMPORTANT INFORMATION

*All juniors seeking endorsement to the USTA National Championships in 1998 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.*

## USTA/SOUTHERN SECTION RULES & REGULATIONS

Now is a good time for you to become familiar with the USTA/Southern Section rules, regulations and requirements. You will find them on page 126 of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1997 rankings are printed in this issue also.

## SUMMER TOURNAMENT SCHEDULE

The summer season will arrive sooner than you expect and it is time to begin making your plans. On the next page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. All Zone Team and/or National entries will be distributed at the Southern Closed.

## USTA PLAYER RECORD FORM

Printed on Page 108 you will find a USTA Player Record Form. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

## NATIONAL CHAMPIONSHIP ENTRY FORMS

Information sheets for each tournament will, of course, vary. READ them carefully as they contain important information. These forms will be distributed during the Southern Closed based on computer rankings. See your endorser at the Southern Closed. Also review rule IV.B.2.a on page 127 for further information.

1. Fill out all entry forms and player record forms in BLACK ink.
2. Make check payable as indicated on the fact sheet.
3. Return these forms to your endorser by the deadline given. NEVER send your entry directly to the tournament.
4. Be sure that all waivers and parent/guardian signatures are completed before returning your entry form and player record form to your endorser.
5. Include a copy of your USTA card with each entry.
6. Be sure to let your endorser know how to reach you during the endorsement process.
7. Return with each entry form a self-addressed, stamped envelope for your endorser's use.

## NATIONAL TOURNAMENT DEADLINES

The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director.

## QUOTAS AND ALTERNATES

The USTA/Southern Section quota is thirty one (31) for the USTA National Clay Courts and Nationals, sixteen (16) for the USTA National Indoors, four (4) for the USTA International Grass and Hard Courts, thirty (30) for 14 Zone Team Championships, forty (40) for 12 Zone Team Championships, and fifty (50) for 16 Zone Team Championships. When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates will be informed shortly thereafter. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

## YOUR USTA/SOUTHERN SECTION RANKING/ENDORISING COORDINATOR

On the next page is a list with addresses and telephone numbers of the USTA/Southern Section Junior Ranking/Endorsing Coordinators for 1998. Please establish early communications with your Coordinator. Questions regarding endorsement to the USTA National Championships and rankings should be directed to the Coordinator for your age group. If your address changes, you should immediately provide that change to your Coordinator and your District Office. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this Southern Tennis Yearbook (page 127). Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the USTA/Southern Section Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

## SPECIAL EVENTS

There are a number of special events for juniors that involve selection of players by the USTA/Southern Section. See the endorsement list on the next page for a complete listing of these events.

## DESIGNATED TOURNAMENTS

See USTA/Southern Section Rules and Regulations, Article IV (page 128). Be sure to review the USTA/Southern Section Rules and Regulations in Articles IV and V, dealing with endorsement procedures and ranking regulations. Participation in one of the five USTA/Southern Section/Duck Head Junior Super Circuit Designated Tournaments is required for endorsement. Draws will be limited to the top 32 players entering, based on current ranking and records. Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. A Challenger Event will be held in conjunction with each USTA/Southern Section/Duck Head Junior Circuit tournament. The winners of the first four (4) Challenger Events will receive a wild card into the next USTA/Southern Section/Duck Head Junior Circuit tournament. PLAN YOUR SCHEDULE EARLY!

## USTA YEARBOOK

In addition to reading the Southern Tennis Yearbook carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914) 696-7161.

## CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The USTA/Southern Section and its nine Districts are dedicated to insuring that all our players are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Below is a list of tournaments that require endorsement. Entry forms for these events will only be available from your USTA/Southern Section Ranking/Endorsing Coordinator. As your Coordinator will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request one unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your USTA/Southern Section Ranking/Endorsing Coordinator by doing the following: sending player record forms and updating them when additional results become available, and supplying them with self-addressed, stamped envelopes. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

# Area Training Centers

The 19 USTA/Southern Section Area Training Centers (ATC) provide 50 hours of supplemental training for 380 select players section wide. Players are selected on a combination of criteria which includes competitive results, work ethic, sportsmanship and potential for future success. Through the ATC's, the players receive the latest in sport-science training, competitive information and the opportunity to work out with many of their fellow competitors. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests. Below is a complete listing of Area Training Centers in the USTA/Southern Section.

# Adult Daily Playing Limitations

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

**A.** The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."

**B.** No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

**C.** For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

**D.** No match shall be less than the best-of-three sets (no proset matches). The 12 point tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

# STA Rules & Regulations

## Changes to STA Rules and Regulations are indicated by underlining

### APPLICABILITY:

The USTA/SOUTHERN SECTION Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the USTA/SOUTHERN SECTION committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA/SOUTHERN SECTION.

### I. Quota System for Entry to Southern Junior Closed Championships

#### A. General.

The draw size in every age division of the Southern Junior Closed shall be determined by the USTA/SOUTHERN SECTION Junior Tennis Council. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in-event, unless the failure to play is attributable to a bona fide reason such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts of the USTA/SOUTHERN SECTION is allotted a quota computed on the basis of the District's percentage of individual junior members of the USTA/SOUTHERN SECTION as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

#### B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the USTA/Southern Section standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

### C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the Southern Junior Closed Championships for the current year are listed below.

### D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

### II. USTA/SOUTHERN SECTION Boys' and Girls' Intersectional Teams

#### A. General.

The USTA/SOUTHERN SECTION annually selects Boys' and Girls' Intersectional Teams to represent the USTA/SOUTHERN SECTION. The USTA/SOUTHERN SECTION appoints a coach/chaperon to travel with each team and the USTA/SOUTHERN SECTION funds most of the teams' expenses. The team consists of up to eight players chosen from the top juniors in the 18 and 16 age divisions.

#### B. USTA/SOUTHERN SECTION Committee.

Selection of the teams shall be made by the USTA/SOUTHERN SECTION Team Selection Committee listed in the Yearbook under the heading of "USTA/SOUTHERN SECTION Committees".

#### C. Eligibility.

Any junior player in the USTA/SOUTHERN SECTION meeting the following requirements shall be eligible to apply for Team selection:

1. Any player having a singles ranking of 1-10 in the 1997 USTA/SOUTHERN SECTION 18's division ranking, or
2. Any player having a singles ranking of 1-5 in the 1997 USTA/SOUTHERN SECTION 16's division rankings, or
3. Any member of the 1997 team who is still eligible for 18 or 16 and under competition in 1998, -or-
4. Any player having recorded one (1) win since January 1, of the current year over any of the players eligible under the preceding three categories.

DISTRICT/QUOTA/SELECTOR	BASIS FOR SELECTION
<b>ALABAMA</b> Quota: For 128 Draw-10, 160 Draw-12 Elaine Francis	Must play in the Alabama Qualifying Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place. The losing semi-finalists of the feed-in event will play for the 7th and 8th places, and there will also be a playoff for positions 9, 10, 11, and 12.
<b>ARKANSAS</b> Quota: For 128 Draw-8, 160 Draw-10 Boys: John McConnell Girls: Bob Huckelbury	Selection for three slots per division will be based on the final three positions in the Arkansas Junior Qualifying. All other slots open to Arkansas juniors will be based on the strength of a player's overall tournament record for the current ranking year—National, Southern and State records will be considered.
<b>GEORGIA</b> Quota: For 128 Draw-46, 160 Draw-48 Boys: Nancy Thompson, Mary Wicklund Girls: Joanne Dorsey, Karen Vahaly	Selection is determined as follows: Round of 16 in the main draw and round of 16 in the FIC from the Georgia State Junior Qualifying; Top 5 finishers (main draw semi-finalists and winner and finalist of the FIC) from the Georgia State Junior Closed Challenger. Additional quota spots (including waivers) are selected from the Georgia State Junior Qualifying based on overall tournament record for the current ranking year.
<b>KENTUCKY</b> Quota: For 128 Draw-7, 160 Draw-9 Boys: Becky Kirts Girls: Louise Brown	The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because of illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.)
<b>LOUISIANA</b> Quota: For 128 Draw-10, 160 Draw 12 Sally Fink	To qualify for the Southern Closed a junior must play the Louisiana Closed Qualifying tournament and one spring designated tournament (either Lake Charles Junior or the Crescent City Junior) in his/her age division. Waivers will be considered on a case by case basis due to illness, injury, or other extenuating circumstances by the Junior Tennis Council.
<b>MISSISSIPPI</b> Quota: For 128 Draw-10, 160 Draw-12 Sara Beth Petro	The primary basis for selection will be the player's performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crises, or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed.
<b>NORTH CAROLINA</b> Quota: For 128 Draw-15, 160 Draw-17 Jon Hodges	Selection is based on strength of overall tournament record for the current year including the Tar Heel Qualifier. Rankings will only be used if absolutely necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. Play in any age group other than that which the player applies for selection to the Southern Junior Closed will not be considered.
<b>SOUTH CAROLINA</b> Quota: For 128 Draw-11, 160 Draw-13 Boys: Bill Lindsay Girls: Kim Porter	To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and SCTA Junior Council. The top 8 finishers at the State Qualifying will be selected. Other selections will be based on a player's National, Southern, and State rankings plus current season's play.
<b>TENNESSEE</b> Quota: For 128 Draw-11, 160 Draw-13 Boys 18: Eric Voges Boys 16: Peter Lebedevs Boys 14: Rob Cameron Boys 12: Neal Stapp Girls 18: Peter Lebedevs Girls 16: Steve Annacone Girls 14: Jeff Cobb Girls 12: Neal Stapp	The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee. The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on players record from January 1 up to and including the State Qualifying (e.g. common opponent, caliber of wins, head to head). All players wanting to be endorsed MUST fill in an application at the Qualifying and return it to their endorser before the date specified by the endorser.

#### **D. USTA/Southern Section standard for Selection.**

The USTA/SOUTHERN SECTION Team Selection Committee has the authority to invite the players that will best represent the USTA/SOUTHERN SECTION. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

#### **E. Application.**

Any USTA/SOUTHERN SECTION junior player interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

#### **III. USTA/SOUTHERN SECTION Junior Davis Cup Team**

##### **A. General.**

The USTA/SOUTHERN SECTION annually selects up to three (3) college undergraduate men to represent the Section in the Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the USTA/SOUTHERN SECTION.

##### **B. Application.**

Applications should be obtained from the USTA/SOUTHERN SECTION office. Selection will be based on previous year's rankings and current season's records.

#### **IV. USTA/SOUTHERN SECTION Endorsement Procedures to USTA National Junior Championships and Zone Team Championships:**

USTA 12, 14 & 16 Zone Team Championships  
USTA National Junior Clay Courts Championships  
USTA National Junior Championships  
USTA International Grass Court Championships  
USTA International Championships  
USTA National Junior Indoor Championships

##### **A. Sectional Quota System.**

Each of the seventeen (17) Sections of the USTA has a guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1998 the USTA/SOUTHERN SECTION quota will be thirty (31) in a draw of 192, sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. The USTA 12 Zone Team Championships will include 40 USTA/SOUTHERN SECTION boys and 40 USTA/SOUTHERN SECTION girls. The USTA 14 Zone Team Championships will include 30 USTA/SOUTHERN SECTION boys and 30 USTA/SOUTHERN SECTION girls. The USTA 16 Zone Team Championships will include 50 USTA/SOUTHERN SECTION boys and 50 USTA/SOUTHERN SECTION girls.

##### **B. USTA/SOUTHERN SECTION Criteria-Eligibility for Endorsement to USTA National Junior Championships.**

1. Qualification for endorsement by the USTA/SOUTHERN SECTION to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.

2. To qualify for endorsement by the USTA/SOUTHERN SECTION to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and District Qualifying tournament and one of the five USTA/SOUTHERN SECTION/Duckhead Junior Super Circuit Designated tournaments in the age division for which applying for endorsement. Participation in the Southern Closed and in one Designated tournament in the age division for which endorsement is sought is mandatory unless waived in advance by the USTA/SOUTHERN SECTION Junior Waiver Committee. Participation in the USTA/Southern Section District Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the USTA/Southern Section District Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- Shall bring to the Southern Closed a complete player record form for each National Championship that they desire to enter. Be sure that it is updated through current play. Players shall bring a check for the entry fee for each National Championship and Zone Team Championship for which they are applying and a copy of current USTA membership card, as well as a stamped self-addressed envelope. The completed entry forms, entry fees, copies of membership card and player record forms shall be returned to the Endorser during the Southern Closed by the day and time requested.
- Will be mailed a copy of the official USTA/Southern Section Endorser's list of players in quota and alternates. The endorsement lists will be a computer ranking of all eligible players from January 1 through the Southern Closed. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will adhere to the following guidelines in considering waiver requests:

- The National Clay Court and National Hard Court will require a previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division. In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver.
- An individual wishing to play in the National Indoors in an age group in which he did not play in the Southern Closed Tournament the previous summer must apply for a waiver by October 15. In considering waivers under this provision, the committee shall determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver. If the waiver is approved he/she will be endorsed at a position to be determined by the appropriate endorser.
- Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
- Waiver for the Designated Events: Waivers for the Designated Events required for endorsement to the Nationals shall be considered for but not limited to the following:
  1. Injury or illness.
  2. Players acquiring residence in the USTA/SOUTHERN SECTION after the last designated

tournament.

3. Participation in International Events conflicting with the designated tournaments.

When a waiver request is approved, the player's endorsement position will be based on their current overall record.

- e. Junior Waiver Committee: The Junior Waiver Committee (see listing under USTA/SOUTHERN SECTION Committees) will be formed to consider applications for waiver of USTA/SOUTHERN SECTION Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article IV.B.3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

- f. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.

4. Designated Tournaments. Players entering a designated tournament must play in the age division in which he/she is seeking endorsement, with the following exceptions:

- a. Players who have been waived from their own age division to the next age division in the Southern Closed.
- b. Only after a player wins two designated tournaments in their age division, will they be allowed to play up in the next age division.
- c. A player who is eligible to play in a given age division, who plays in a higher age division in more than two designated tournaments, will be required to play in the Southern Closed in the higher age division.

##### **C. Application Procedure.**

1. If you seek entry to any USTA Championship and feel that you will meet the USTA/SOUTHERN SECTION requirements listed above, write early to the appropriate Endorser (see Listing under USTA/SOUTHERN SECTION Committees) indicating the tournament(s) you wish to be considered for endorsement.
2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota may receive entry blanks promptly. In most cases, however, entry blanks will be distributed at the Southern Junior Closed.

##### **D. Entry Procedure.**

1. When you receive an entry blank to any USTA Championship, it may also include:
  - a. Player Record Forms, which should be completed with every sanctioned singles match in the Division (age group) played since January 1, 1998. Doubles player records should be with the same partner you intend to enter with in this USTA Championship.
  - b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Championships or to the USTA/SOUTHERN SECTION Office.)
2. The endorser will rank all players who have applied by the deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or on the alternate list. If you are on the alternate list, it is your obligation to contact the tournament on the date indicated on the tournament application to find out if you have been accepted into the tournament.
3. If you are in quota and must withdraw, advise the USTA Championship immediately so it can accept the next USTA/SOUTHERN SECTION over quota player to fill your place in the draw. Failure to do this could bring disciplinary action.

#### **V. Ranking Regulations**

##### **A. General - Applicable to all Age Categories.**

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman by November 15 or immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The USTA/SOUTHERN SECTION Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.
2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.
3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the USTA/SOUTHERN SECTION Sectional Office, and from each District Office.
4. Ranking Year and Age Eligibility. The USTA/SOUTHERN SECTION Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the USTA/SOUTHERN SECTION publications each year.
5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived only by a majority vote of the USTA/SOUTHERN SECTION Management Committee upon the recommendation of the Ranking Committee Chairman.
6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.
7. Alphabetical. A numerical grouping may be used by a Ranking Committee for giving recognition to players who meet the ranking qualifications, but whose record does not clearly establish a specific numerical position. Players thus ranked will be listed alphabetically.
8. Ranking Appeals. Tentative rankings will be published in early January and will always be available at the site of the Annual Meeting of the USTA/SOUTHERN SECTION immediately prior to the meeting of the USTA/SOUTHERN SECTION Ranking Committees in January. Provided that a completed Player Record Form has been sent to the appropriate ranker/endorser, all players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

##### **B. Adult.**

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum USTA/SOUTHERN SECTION ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards USTA/SOUTHERN SECTION ranking requirements. The minimum number of tournaments required prior

- to consideration for a USTA/SOUTHERN SECTION ranking for each age division is as follows:
- Men's Singles: One (1) Southern Championship and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the USTA/Southern Section.
  - Women's Singles: One (1) Southern Championship and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the USTA/Southern Section.
  - Men's and Women's Doubles: One (1) Southern Championship and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the USTA/Southern Section.
  - Men's 70, 75, 80, 85 Singles and Women's 55, 60, 65, 70, 75 and 80 Singles: One (1) Southern Championship and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open and the Southern Closed.
  - All other Divisions-Singles: One (1) Southern Championship and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Championship and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open and the Southern Closed.
  - General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85 (men only) singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, and 80 Mixed doubles.
  - Wheelchair Singles, Doubles and Mixed Doubles: one (1) Southern Championship and one (1) other tournament sanctioned in the Southern Section, one (1) of which must be played outside the player's(s') District, but within the Southern Section.

### C. Junior.

- Minimum Requirements. Playing in any USTA National Championship does not count towards minimum USTA/SOUTHERN SECTION ranking requirements. The minimum number of tournaments required for consideration for USTA/SOUTHERN SECTION ranking in Boys' and Girls' 12-18 divisions follows:
  - Singles: One (1) Summer Southern Championship (Closed or Open) and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Closed or Open shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of his/her own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirement.
  - Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section.
- Boys' and Girls' rankings shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee.

### D. Adult Ranking Requirements.

- Ranking shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over another Southern player or team.
- Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.
- A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.
- When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

### E. Junior Ranking Requirements

- The USTA/SOUTHERN SECTION junior rankings will be computer generated. All players must have one win in singles to be eligible for ranking.
- Out of Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head to head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events shall be considered for ranking purposes.
- When a player or team retires from a match, it is a loss and it is a win for the opponent. All defaults after tournament play has started count as a loss against the player defaulting, but do not count as a win for the player advancing by default. Withdrawal after 10:00 am (time at tournament site) on the day before the start of the tournament will be considered defaults and counted as a loss. Defaults shall be limited to one per player, per event, in any one tournament.

### F. Residency Requirements for Southern Closed Tournaments

- Only players who have established a legal residency in one of the nine districts of the Southern Section of the United States Tennis Association (State of Alabama, State of Arkansas (including Bowie County, Texas), State of Georgia, State of Kentucky (except for the counties of Boone, Campbell, and Kenton), State of Louisiana, State of Mississippi, State of North Carolina, State of South Carolina, State of Tennessee (including Bristol, Virginia), hold a current USTA membership card assigned to one of the districts in the Southern Section, and are citizens of the United States or meet the resident alien requirements for a USTA National ranking are eligible to participate in Southern Closed tournaments. Resident alien requirements include resident aliens who have resided in the United States continuously for more than one year and are members of families of persons in the diplomatic or consular corps. In the case of a junior player, legal residency is that of the parents. Extenuating circumstances may be considered by the USTA/SOUTHERN SECTION Management Committee. A policy statement on resident status is on file at the USTA/SOUTHERN SECTION office.
- Juniors who desire to qualify for the Southern Closed Championships will be required to play in the District Qualifying or receive a waiver from the district where they are legal residents on the May 15 immediately preceding the District Qualifying Tournaments.
- Players who meet any one of the following criteria can register their intent to participate in closed tournaments and/or receive a ranking in the district in which their parents are legal residents:
  - Juniors going to school/college outside the district where their parents reside;
  - Juniors who spend time with joint custody parents;
  - Players who live in more than one location during the year; and
  - Family members of the military.

The intent must be registered in writing to the district office where they desire to participate and the Southern Tennis Association office before the first closed tournament is held in the involved district or section. In the event no request is made, it is assumed that the player will compete and/or be eligible for a ranking in the district that best describes their legal residence.

NOTE: The intent of the above paragraph is that no one should be allowed to participate in closed tournaments or be ranked in two or more districts or sections during any single ranking year.

### G. Residency Requirements for a Southern Ranking

In order to be considered for a Southern ranking in his/her respective age division, a player must meet the Residency Requirements of the USTA/Southern Section as stated above, and must compete in the required tournaments.

### VI. USTA/SOUTHERN SECTION Junior Suspension Point System

#### A. Code of Conduct Report

- A Southern Tennis Association Code of Conduct Report shall be included in the tournament packet of all Southern Junior Championships and Designated Tournaments.
- The USTA/SOUTHERN SECTION Code of Conduct Report shall be filled out by a USTA certified official of the tournament, signed by the player and sent to the USTA/SOUTHERN SECTION Junior Coordinator within 48 hours after the completion of the tournament.

#### B. The Point Penalty System

- The point penalty system as sanctioned by the USTA/SOUTHERN SECTION shall be used as the base to impose suspension points. Code violations shall only be given by a USTA certified official.

- Suspension points shall be accumulated from the following events:
  - Southern Closed, Open and Indoors.
  - USTA/SOUTHERN SECTION Designated Tournaments.
  - All Events in the National Junior Tournament Schedule.

- When six points have been accumulated, the USTA/SOUTHERN SECTION Junior Coordinator shall send a letter to the player informing him/her of being in jeopardy of being suspended.
- When a player accumulates TEN suspension points during a twelve month period, he/she shall be sent a letter from the USTA/SOUTHERN SECTION notifying him/her of their suspension from USTA/SOUTHERN SECTION sanctioned events within the USTA/SOUTHERN SECTION for eight weeks and also from the next Southern Championship. The suspended player shall not be eligible for endorsement to any Nationals during the eight week suspension.
- Furthermore, a suspended player will be ineligible for selection to USTA/SOUTHERN SECTION team events (including Zonals and Intersections), Area Training Centers and Cross-Sectional Camps for the twelve months following the suspension.
- Following a suspension, the first ten points will be erased from the player's record.

#### D. Appeal Process

- Following notice of such suspension, the player shall have the right to a hearing by the USTA/SOUTHERN SECTION Grievance Committee if requested within five days following the receipt of the suspension notice. There shall be a one hundred dollar (\$100.) filing fee to appeal in addition to the costs of the hearing. If the suspension is overturned in its entirety, the cost of the hearing shall be refunded. If the suspension is affirmed by the USTA/SOUTHERN SECTION Grievance Committee, the eight week suspension shall commence as of the date following the date of the order of the USTA/SOUTHERN SECTION Grievance affirming such suspension. If the suspension is affirmed, the player shall have the right to appeal the decision of the USTA/SOUTHERN SECTION Grievance Committee to the USTA/SOUTHERN SECTION Management Committee. The USTA/SOUTHERN SECTION Management Committee shall not be required to hold a hearing.

### VII. Tournament Rules and Regulations

#### A. Rules.

- The Rules of Tennis, USTA Tournament Regulations, USTA standards of Conduct (Including Point Penalty System), & USTA standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the USTA/SOUTHERN SECTION. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 70 West Red Oak Ln., White Plains, NY 10604, and each should be in the files of every member organization conducting sanctioned tournaments.
- All players entering USTA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.
- All individual and organizational members of the USTA and USTA/SOUTHERN SECTION are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the USTA/SOUTHERN SECTION and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

- In addition to the foregoing, specific USTA/SOUTHERN SECTION Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.
- The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who shall be certified under Article IX of the standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute shall be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.
- The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.
- The Committee is responsible for the proper for the proper running of the tournament in all matters and, in so doing, must observe the following:

  - Follow proper seeding regulations as set forth in current "USTA Yearbook", or "Friend at Court". In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
  - Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current "USTA Yearbook", or "Friend at Court"). The Chairman or Vice-Chairman, as the case may be, shall promptly notify, in writing, the person so charged of his decision.

Upon receipt of such a request, the Chairman shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than two representatives, including the parent or guardian, to present testimony and other evidence and cross-examine witnesses. The Grievance Committee shall have power to affirm, modify, or reject the prior decision and to impose any additional penalties set forth above. The Grievance Committee shall promptly notify the person penalized of its decision.

In such event a hearing shall be held in accordance with the provisions of subsection (c) above, and the Grievance Committee shall have the power to impose any or all of the above-described penalties as it may deem appropriate.
  - (e) Any appeal from a decision of the Grievance Committee shall be made to the Management Committee within fifteen (15) days after receipt of a written notice of a decision of the Grievance Committee. Following its review, the Management Committee shall promptly notify the person penalized of its decision. The Management Committee shall have power to affirm, modify, or reject the decision of the Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding. There may be a suspension of the penalty from the date of any decision of the Chairman, Vice Chairman or Grievance Committee up to the decision of the Management Committee.
  - (f) Any person who has been suspended pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. The members of all committees shall serve, subject to re-election or re-appointment as the case may be, for a one-year term until their successors are named.
9. Quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.
10. Members of any committee may participate in the meeting of the committee by a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

## STA Rules & Regulations (continued from page 128)

The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

- e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.
- f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.
- g. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Referee must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- i. Rules regarding rest periods after the second set of three-set matches shall be observed in accordance with regulations as listed in the "USTA Yearbook", or "Friend at Court".
- j. Consider the use of qualified persons to act as roving umpires or court monitors during matches, particularly in Junior events. These persons can watch for trouble spots and, by their presence, can sometimes solve problems immediately.
- k. All Southern singles Adult/Senior Championships shall hold a minimum of a first match loser's consolation (FMLC).
- l. In the event that the draw size in a Southern Adult/Senior Championship is four or fewer, a round robin shall be played.

### C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and USTA/SOUTHERN SECTION regulations specifically prohibit the following and they will not be tolerated.
  - a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.
  - b. In regard to stalling, the rules of conduct are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)" - quoted from Rules in "USTA Yearbook." The rules allow 90 seconds for towel-off, drinking water, etc., during change of courts on odd games. This does not permit continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.
  - c. No player or players will make a comedy of a match, whether they be winning or losing.
  - d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
  - e. Line calls shall not be made by unauthorized persons. If any player desires assistance in officiating his

## ARTICLE X REIMBURSEMENT

The President may authorize the reasonable reimbursement of any individual necessarily incurring travel, housing, meals, office, mailing, telephone, or other expenses in connection with the business of the STA. All reimbursements shall be subject to review by the Board of Directors at its next meeting.

## ARTICLE XI OFFICES

The principal office of the STA shall be located in Atlanta, Georgia, or such other location as the Board of Directors may select. The STA may have additional offices at such other locations as the Board of Directors may from time to time determine.

## ARTICLE XII AMENDMENTS

1. These By-Laws shall be subject to alteration, amendment, or repeal, and new By-Laws not inconsistent with any provision of The Articles of Incorporation may be made, either:
  - (a) By the affirmative vote of a majority of the members, provided notice of the proposed alteration, amendment, or repeal be included in the notice of such meetings of members, or;
  - (b) By the affirmative vote of a majority of the Board of Directors present and voting at any meeting of the Board of Directors, provided notice of the proposed alteration, amendment, or repeal can be included in the notice of such meeting of the Board of Directors, and, provided further, that no proposed alteration, amendment, or repeal of these By-Laws shall be adopted by the Board of Directors unless the voting members of the STA shall have received not less than thirty (30) days prior notice of the proposed alteration, amendment, or repeal, and;
2. Any amendment to the By-Laws of the USTA concerning membership, dues, and voting power shall automatically effect an amendment to the corresponding section of these By-Laws, and shall be subject to review at the next annual meeting of the membership.
3. Any proposed alteration, amendment or repeal or any proposed new By-Law provision permitted to be made hereunder shall be submitted by, or sponsored by, a District Association or a member of the Board of Directors only. Any such proposal shall be submitted to the Secretary at least forty-five (45) days prior to any scheduled meeting at which the amendment shall be voted upon. The Secretary shall include the same in any notice as required by these By-Laws.
4. The Chairman of the STA Constitution and Rules Committee may make language and stylistic changes considered advisable to implement the intent of the By-Laws, Rules and Regulations and other applicable regulations, and to make conforming changes required to avoid inconsistencies or conflicting provisions. The chairman of the Constitution and Rules Committee shall inform the STA Board of Directors of language, stylistic and conforming changes.

## ARTICLE XIII FISCAL YEAR

Unless otherwise fixed by the Board of Directors, the fiscal year of the STA shall be the calendar year.

- f. match, he should make the request to the Referee; this can be done either before or during the match.
- f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be to the Referee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.
- g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), a "let" call must be made immediately, before either opponent has a chance to hit the return or before a return has gone out of play.
- h. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated USTA/SOUTHERN SECTION official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the USTA/SOUTHERN SECTION, or if the person involved is a spectator. Any flagrant violations of these regulations or rules of conduct brought to the attention of the USTA/SOUTHERN SECTION Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor. 2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

### VIII. USTA League Tennis Program

The USTA League Tennis Program rules and regulations in effect in the USTA/SOUTHERN SECTION for any instant year will be the League Regulations adopted by the USTA League Committee, approved by the Board of Directors of the USTA and published in pamphlet form. These USTA League Regulations have full force in the USTA/SOUTHERN SECTION for all USTA League Tennis play.

### IX. Amendments

Rules and Regulations should be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the USTA/SOUTHERN SECTION present and voting at any annual or special meeting (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting or (3) by the affirmative vote of the majority members of the Management Committee at any regular or special meeting, provided notice of the proposed alteration, amendment or repeal by the Management Committee is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.
