PRESIDENT'S MESSAGE

All of you reading this message share one thing in common: you are involved in the game of tennis in some capacity. As the USTA Southern Section looks ahead to the new millennium, I challenge both the players and volunteers to make a commitment to start playing and enjoying the game of tennis more. In addition to being FUN, our sport is a great way to stay fit in the company of family and friends. At the USTA Southern Section annual meeting, I introduced the slogan, "Swing thru '99 - you'll have a GREAT time!" And I think you will!

Under the direction of immediate past president Lucy Garvin, the volunteer force of the USTA Southern Section has worked hard these past two years to create and implement a strategic plan. A sound plan is in place and much of the association's focus over the next two years will be to follow the blue print. While we are interested in introducing our sport to more players through the USA Tennis Plan for Growth, current member satisfaction remains a priority. Please let us know how we're doing by sharing feedback with your local and state USTA volunteers.

As members of the USTA Southern Section you have an army of District and Section volunteers and staff working together to provide you with the best opportunities to enjoy tennis. Additionally, you participate in many programs and events that are made possible by our corporate friends. If you're currently enjoying one of our programs, why not get a friend involved? USA Tennis 1+2+3 is offered in cities throughout the South and makes learning tennis fun and easy for adults and juniors alike.

Lastly, take advantage of our on-line services. www.usta-sta.com provides program information, important dates, team and gamematching features, rankings, news, and monthly give-aways exclusively for USTA members in the Southern Section. Visit our site and let us know what you think.

I look forward to serving you in '99 and seeing more of you on the tennis courts.

Randy Stephens

Randy Stephens, President
USTA Southern Section

EXECUTIVE DIRECTOR'S MESSAGE

What a great year 1998 was for Southern Tennis. In our first full year of implementing the Strategic Plan adopted in the fall of 1997, we are exceeding the vast majority of the targets it established. Your USTA Southern volunteers and staff have been hard at work and focused on delivering more and better programs to attract more players to the game and keep them playing. The past two years leadership of Lucy Garvin and the coming two years of Randy Stephens, the Southern Section is in terrific hands. Please join us in recruiting new players from all walks of life.

A not-for-profit organization, the association is divided into

17 Sections, of which the USTA Southern Section is the largest. The USTA Southern Section is made up of the 125,000+ USTA members that live in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee.

ROY R. BARTH

The Director of Tennis at Kiawah Island Resort on Kiawah Island, South Carolina, Barth has a history of tennis success, both on and off the court. Originally from San Diego, California, Barth began winning national championship titles at the age of 13 and consistently maintained top national rankings throughout his junior career. The #1 singles and doubles player at UCLA for two years, Barth's collegiate highlights included two-time All-American honors; Pacific Eight Singles Champion (1969), NCAA Doubles Finalist (1968) and Pacific Coast Doubles Champion (1969). Following college, Barth spent six years on the professional tour, earning impressive singles victories over Charlie Pasarell, Roscoe Tanner and Pancho Gonzales, and doubles wins over Bob Lutz/Stan Smith, Arthur Ashe/Dennis Ralston and Marty Riessen/Tom Oker. During his professional career, Barth played in the Grand Slams (Wimbledon, French Open, Australian Open and U.S. Open), the World Championship of Tennis Tour (WCT), and he was a member of World Team Tennis' Indiana Loves. During his career, Barth amassed four top-14 U.S. singles rankings; three top-10 U.S. doubles rankings; and he reached #45 in the world in men's singles.

Additionally, Barth coached the 1975 Wightman Cup Team with Chris Evert, and he led the USTA Southern Section 18 & under Intersectional Team to one national title in his three years as coach. Under Barth's direction as captain/coach of the USA Italia Cup Team (Men's 35 & over international competition), the USA has won two World Championship titles in the past five years.

A founding member of the Association of Tennis Professionals (ATP), Barth served as president of the South Carolina Tennis Association, chairman of the South Carolina Patrons Foundation, and he remains an active USTA volunteer at the local, District, Sectional and National levels. He was recently appointed co-chairman of the national Davis

ALEXANDER HUGH THOMSON

Thomson has been a recognizable tennis player and coach in the South for over 25 years. Originally from Australia, Thomson arrived at Mississippi State University (MSU) in 1965 to begin his collegiate career with over 50 junior titles and 20 open titles under his belt. While at MSU, Thomson achieved a 54-2 SEC record; he won three SEC singles titles and four SEC doubles titles; and the team remained ranked in the top ten nationally all four years. Thomson continued to play competitively following his collegiate career. He spent two years traveling abroad where he won numerous titles on the British Summer Circuit and the Indian National Circuit. For the past 30 years, Thomson has continually played tournaments nationally and internationally, and he has improved with age. In this decade alone, Thomson's on-court achievements are numerous. He has represented the United States, losing only one of eleven matches, in international team competition. He has won three national titles and more than 50 Southern titles, earning him 15 #1 rankings and 38 top-three rankings in the South. In 1996, he was the #1-ranked player in the Men's 50 singles in Georgia, the

South and the nation. He has been a top-ranked player in Alabama and Georgia multiple times; a Senior Cup Team Champion eight of the last ten years; and a player on Southern's championship teams at the USTA National Men's Intersectional Team Championships and Team Doubles competitions.

Thomson's first collegiate coaching experience was at MSU while he was attending graduate school. He later coached at Birmingham Country Club (AL), Forestmeadows Racquet Club (FL) and The Racquet Club (AL), impacting the development of hundreds of ranked players. During the mid-70's, Thomson coached at the Men's team at the University of Alabama-Birmingham for two years, during which the team won the SunBelt Conference Championships and he was twice named Sunbelt Conference Coach of the Year. The next nine years were spent coaching at Auburn University, where, in 1983 and 1984, he led the Tigers to two SEC Championship titles and he was named SEC Coach of the Year (1983). Next, Thomson assumed the Tennis Director

position at Huntsville Racquet Club (AL) for five years and is currently the Senior Professional at Ansley Golf Club in Atlanta, GA. A USPTA professional, Thomson is a USTA-certified referee and has made numerous contributions to the sport of tennis as a USTA volunteer at the state and Southern levels. In addition to the Southern Tennis Patrons Hall of Fame, Thomson has been inducted into Mississippi State University's Sports Hall of Fame and the Alabama Tennis Hall of Fame.

Thomson is married to Laquita Williams Thomson and they have two sons, Alexander and Ian. An Alabama Tennis Family of the Year, all of the family have been ranked in various state, Southern and National divisions.

Under the direction of chairman Herman Enochs, the Southern Tennis Patrons Foundation made significant contributions to tennis in the South during 1998. Over \$5,000 was dispersed among 23 Southern juniors for need-based grant assistance to defer training expenses and increase playing opportunities. The foundation will continue to offer this assistance in 1999. Players who meet the grant assistance criteria should contact Bill Ozaki at 770.368.8200.

The Patrons Foundation is proud to have contributed to the inaugural Southern Junior Wheelchair Tennis Camp held July 6-9, 1998 at the Jackson Prep Academy in Jackson, MS. Ten juniors braved the 100 degree heat to receive top-notch instruction by head professional Nancy Olson and her staff of Miles Thompson, Michael Cottingham, Butch Cooke, Rick Slaughter and Laura Bolinger. On-court training was rounded out by evening socials that included swim parties, a lakeside cook-out and water gun fights. For additional information on participating in or contributing to the 1999 camp, contact Jeanie Peabody at 601.445.5101.

It's not too late to get your copy of *Southern Tennis - A History in Words and Pictures*! The coffee table book is a collection of stories, memories and photographs of more than 200 people who played significant roles in the development of tennis in the South. Many of the people also helped to shape the South and the country as business leaders, educators, military figures and citizens who change lives and attitudes. Every person who has played tennis in the Southern states is a part of Southern tennis history. The people whose achievements are described in *Southern Tennis* represent merely a sample of the great players, teachers, coaches, and characters who have made the Southern Section unique. Order your copy today - forms are available at the USTA/Southern Section office (770.368.8200) or on the web site at www.usta-sta.com.

The Southern Tennis Patrons Foundation is grateful to Ellis Ferreira and Chanda Rubin for their positive contributions to junior tennis in the South this past year. Through the support of Wilson Sporting Goods, Ferreira not only donated equipment to the foundation, but also conducted a clinic for some of Atlanta's most promising juniors who train at the Burdette Junior Development Program in College Park, GA. Rubin, who donated her \$25,000 1997 Fed Cup appearance stipend to the foundation, is one of 16 Southern Tennis Patrons Foundation Trustees. She earmarked a portion of her contribution to benefit minority players traveling to ATA events; to assist two schools in Louisiana; and to subsidize the inaugural Wheelchair Tennis Camp that was held in Jackson, MS, this summer.

Over \$6,000 was raised at the Patron's 1999 silent auction fundraiser, "Swing Into '99." The Patrons are extremely grateful to the donors and bidders for their support - without them the evening would not have been possible.

Lucy Garvin

Greenville, SC

Lucy Garvin has a long history of service to tennis in the USTA Southern Section and is known for her work as an official, volunteer, and administrator. Her contributions include involvement at the local, state, sectional and national levels. She first became involved in tennis when her two children played junior tennis in South Carolina. Soon she was a certified official working the state's top tournaments. As an official, Garvin served as a referee at the Wachovia Palmetto Championships for 19 years, the State Junior Closed for 16 years and the USTA League Tennis District League Championships for 10 years. She refereed the Southern Closed 14's and the USTA 12's and 14's Zone Team Championships. For the past six years she has refereed the STA/Duck Head Junior Super Circuit played in Clemson, SC, and has conducted tournament director workshops in North and South Carolina, Kentucky and Georgia.

A long-time South Carolina Tennis Association volunteer, Garvin has been chairman of the Junior Tennis Council; a member of the Umpires Council; and a board member. CHARLIE B. MORRIS JR. SERVICE AWARD

presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, District, Sectional and National levels

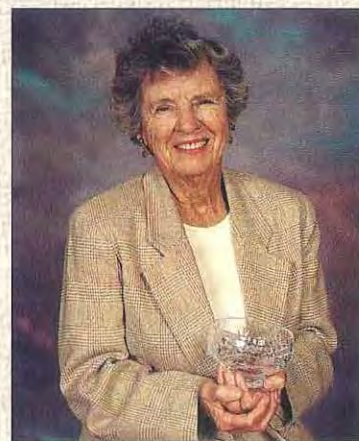

Mildred Southern

Winston-Salem, NC

"Establishing Young Folks Tennis in Winston-Salem has been my most rewarding tennis experience", stated Mildred Southern when asked to reflect on nearly 30 years of tennis volunteerism. Still in existence today, the Young Folks Tennis program offers tennis instruction at no charge to juniors who are interested in learning the game. Not only is she an active tournament referee and an outstanding tennis player (to date she has won over 60 North Carolina Championships; 40 Southern Championships and 16 National Championships), but Southern has also made a career of tennis volunteerism. In addition to implementing Young Folks Tennis and coordinating the program for five years, Southern's contributions to tennis at the local level include serving as a long-time board member and president of the Winston-Salem Tennis Inc., and organizing the USTA Schools Program throughout the Winston-Salem community.

The first woman president of the North Carolina Tennis Association and the North Carolina Tennis Foundation, Southern has served on the board for many years, chaired several committees, worked on the Hall of Fame selection committee and instituted the annual North Carolina Tennis Weekend celebration. First involved with the USTA Southern Section in 1975 as a

ranker/endorser for junior tennis, Southern was the association's first woman president and has contributed to nearly every committee in some capacity. Most recently she has created awareness of 75-and-over competitors and increased their playing opportunities. Southern has been involved at the USTA national level since 1978. Her initial focus on junior rankings has shifted to adult/senior competition, where she remains active. Southern is an inductee of both the North Carolina and Southern Tennis Patrons Tennis Hall of Fames, and her family has been recognized as the Family of the Year in North Carolina and the Southern Section. She has been honored as the recipient of the Southern Section's prestigious Jacobs Bowl, the USTA National Community Service Award, the USTA Senior Service Award and the USTA Service Bowl Award.

ADULT TOURNAMENT OF THE YEAR

Ned Caswell

presented to a USTA sanctioned adult tournament in the Southern Section that has been exemplary in demonstrating the USTA standards of organizing and conducting a sanctioned adult tournament.

Tennessee State Closed Adult Tennis Championships

Chattanooga, TN

Over 300 players who participated in singles, doubles and mixed doubles took advantage of the "red carpet treatment" which has become a traditional aspect of the 1998 Tennessee State Closed Adult Tennis Championships held at Manker Patten Tennis Club in Chattanooga, TN. The organization of tournament chairmen Ned Caswell and DeWayne McCamish, the 35-member planning committee,

the facility staff and the 35 on-site volunteers contribute to the players' desire to make this tournament an annual event. An impressive sponsorship list included Infiniti of Chattanooga, Chattanooga Coca-Cola, Classic 150, GTE Wireless, Domino's Pizza, Shuford's Smokehouse, Great Harvest Bread Company and Wilson Sporting Goods. These sponsorships made it possible for the players to enjoy amenities such as two dinner player parties, goodie bags, door prizes and breakfast and lunch daily. The tournament has continued to grow since its inception, and organizers report that word-of-mouth is its primary advertisement. "Every entrant is treated as a guest in one's house," said Caswell. "Players say the only tournament they want to make sure they play every year is the TN State Closed because of the hospitality."

CHARITY TENNIS EVENT OF THE YEAR

presented to a tennis event that donates its proceeds toward a philanthropic cause.

Charity Challenge of Champions

Rogers, AR

In its seventh year, the Charity Challenge of Champions, held at the Pinnacle Country Club in Rogers, AR, enjoys tremendous community and corporate involvement. A volunteer force of 120 plan and facilitate the event which draws 124 players who enjoy outstanding amenities. The four-day event begins with the junior team tournament and the next three days are filled with clinics, social gatherings and a celebrity adult tournament featuring former tour professionals Jo Anne

Russell, Tracy Austin, Dick Stockton, Ann Grossman, Dennis Ralston, Pat Dupre, Owen Davidson, Mary Lou Daniels, Sandy Collins and Ross Case. "We are very proud of the fact that this year marked the milestone of surpassing one million dollars in donations to our recipient organizations which include the Northwest Crisis Intervention Center, The Crisis Center Foundation, the Arkansas Children's Hospital, United Way of Northwest Arkansas and local children's charities," said tournament director Sandy Dellinger. "We also awarded two \$1,000 scholarships to graduating seniors who have played high school tennis. It's great to have such a successful and fun event and be recognized by others as worthwhile and special."

EDUCATIONAL MERIT AWARD

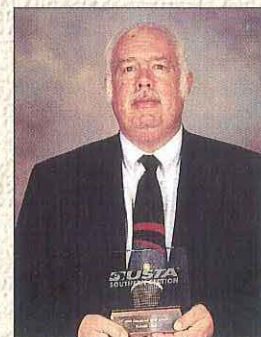

recognizes an individual who has developed an outstanding tennis program which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds, and benefits the growth of tennis in the Southern Section.

Donald Clark

Snow Hill, NC

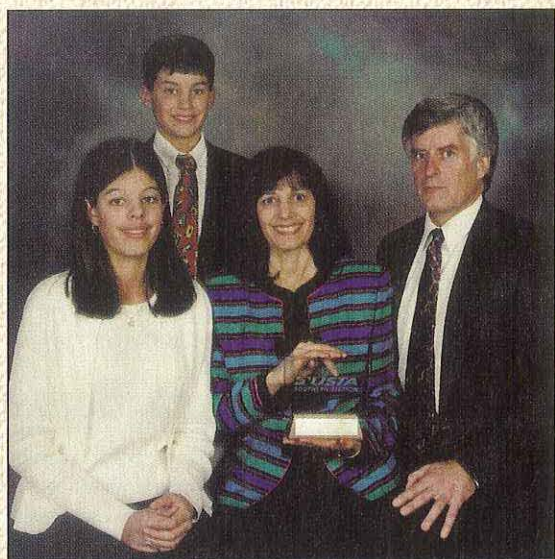

A teacher and coach for the past 11 years at Green Central High School in Greenville, NC, Clark is recognized as an educator both on and off the court. His passion for tennis is strong as his desire to grow the game has not been hampered by having a total of only four courts in Greene County at his disposal. He is willing to put forth any

amount of time or effort necessary to help adults and juniors alike enjoy tennis. For example, during the past several years, Clark has coached the high school team, established a junior high team, promoted and implemented summer USA Team Tennis seasons, introduced USA League Tennis to Greene County through the Downeast Tennis League and, most recently, he inspired four teams to participate in USA League Tennis Mixed Doubles. In 1997, Clark helped form the Green County Tennis Association which has supported his desire to grow tennis. Clark's efforts have paid off, and thanks to funding by the Green County's Board of Education, the nine new tennis courts that are under construction are scheduled to be completed by spring 1999.

Donald Clark

FAMILY OF THE YEAR

Melissa, Rosemary, Larry and Brian Cornett

presented to a family in the USTA Southern Section that has been outstanding in its promotion of tennis in the Southern Section.

The Larry Cornett Family

Little Rock, AR

For the Cornetts, Larry, Rosemary, Melissa and Brian, tennis is a family affair. A USA League Tennis participant for the past five years and a tournament player, Larry has held top-10 District singles rankings for the past four years. In addition to being an avid player, Larry is a USTA-certified umpire, he serves on Arkansas' Junior Tennis Committee and he is the USTA Southern Section's ranking chairman for the men's 60. Also an avid recreational player, Rosemary has won three USA League Tennis District Championships at three different levels – 3.0, 3.5, and 4.0. In addition to coordinating Player Development in Arkansas, Rosemary is an Area Training Center administrator, a member of the Junior Qualifier committee and president of the Junior Tennis Parents Committee for the Little Rock Racquet Club. Melissa, 14, first began competing in 1994 and has been ranked number four or higher in her age group ever since. She is currently ranked #43 in the South and #120 in the nation in the Girls' 14 singles. Brian, 11, is new to tournament play and has been ranked in Arkansas for the past two years. "Being named the USTA Southern Section Family of the Year is a tremendous honor," said Rosemary. "It almost doesn't seem right to receive an award for participating in a sport that is so enjoyable and provides so many opportunities to meet and work with so many interesting people. As a family we look forward to continuing to help promote tennis as a sport for a lifetime and to just enjoy the game."

GERRIE ROTHWELL AWARD

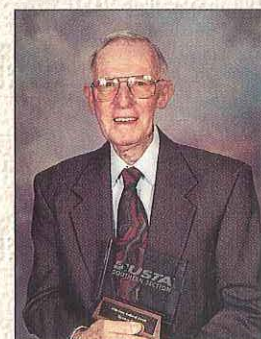

presented annually to a volunteer within the Southern Section who has demonstrated outstanding service and dedication to USA League Tennis, this award is given in honor of the late Gerrie Rothwell, former District League Coordinator of Arkansas.

Newton Cox

Mobile, AL

"Having known and worked with Gerrie Rothwell, this is an honor of which I am indeed proud to receive. Gerrie's spirit encourages all USA League workers and volunteers to excel in their duties," said Newton Cox. When adult league tennis was getting off the ground in 1980 Cox was the president of the Southern Tennis Association. He saw this program as the vehicle that would bring thousands of recreational players to the game. Since that time, Newton

has remained a force in adult league tennis at the local, District, Sectional and National levels. He was Alabama's District League Coordinator from 1984 to 1987. Mobile Tennis Center, the facility that he supervises, has been the site of the USA League Tennis Southern Sectional Championships for three years previously and will host the event again in 1999 and 2000. Over a span of 49 years, Newton has served as the tournament director for over 250 tournaments, including numerous league championships. His ability to attract major tennis events to the city of Mobile has led Mobile Tennis Center to add 16 courts, making it the largest tennis center in the South. To honor and recognize Newton, this facility addition will be named the Newton Cox Extension and dedicated this spring.

JUNIOR TOURNAMENT OF THE YEAR

presented to a USTA sanctioned junior tournament in the Southern Section that best demonstrates the USTA and Southern Section standards of organizing and conducting a sanctioned junior event.

USTA Boys' 12s Clay Court Championships

Greensboro, NC

Planning for the 128 juniors who would compete in singles and doubles competition at the newly-reinstated USTA Boys' 12s Clay Court Championships began in October 1997. Led by tournament director Mike Belangia, tournament Committee Chairperson Ann Thornton and sponsorship chairman Diane Stone, the entire planning committee sought to create a non-threatening competitive environment for the players, with an emphasis on family and fun. To achieve this, committees focusing on sponsorship, hospitality, volunteer, banquet, tennis carnival, info, registration, medical services and amenities were formed, volunteers recruited and community support sought. The end

result was a top-notch event that included t-shirts and goodie bags for players, a family tennis carnival, a banquet, a professionally printed program, on-site breakfast and snacks for the entire week as well as special events nightly. Additional highlights included daily video taping of individual matches and a special appearance by Malivai Washington. The success of this event, which received extensive local media coverage, was largely due to volunteer and community support. "We are thrilled that our tournament was chosen for this award," said Thornton. "We hope the boys who participated in the tournament realize that they are the ones who made all of this possible."

LOCAL LEAGUE COORDINATOR OF THE YEAR

Pam Eifling

presented to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.

Pam Eifling

Hollandale, MS

Pam Eifling of Hollandale, MS, administers, promotes and plays in three adult programs in the Delta: USA League Tennis, USA League Tennis Mixed Doubles and Combo Doubles. Since she began coordinator duties four years ago, the number of participants in the programs has doubled. The consistent growth in her local league area is due largely to her hard work, her excellent rapport with the players

and tennis professionals in her area and her innovative ideas. One of Pam's significant achievements during 1998 was to use the success of the Combo Doubles program to cross-promote the other programs offered in her area. She accomplished this by sending out personal letters to all self-rated players inviting them to play in the other programs, resulting in substantial participation increases in USA League Tennis and Mixed Doubles. Additionally, Pam used the popularity of Combo Doubles as the enticement for USA 1+2+3 participants to stay in tennis. "Being a local league coordinator has been fulfilling," said Eifling. "Player enjoyment and enthusiasm are what make it worthwhile."

MEDIA AWARD

presented to an individual or organization in the Southern Section who has most contributed to the game of tennis by disseminating information about the sport to the general public.

Don Foster - Starkville News

Starkville, MS

For a number of years, the Starkville Daily News has shown interest, support and cooperation in acknowledging and reporting about tennis events in the Starkville area. Additionally, the paper has done an outstanding job assisting the

Starkville Tennis Association in promoting tennis. Don Foster, a sports writer for the paper, has written and published articles covering the many facets of tennis. His articles cover the men's and women's teams at Mississippi State University, the Starkville High School tennis team, the Starkville Academy tennis team, local league play, tournament results from adult and junior events, coverage of local players in state and sectional competition, USA Tennis Free for All events and community tennis events. According to Starkville Tennis Association Secretary Kay Nevels, the tennis coverage provided by the Starkville Daily News has significantly contributed to the success of the community tennis association.

MEMBER ORGANIZATION OF THE YEAR

presented to a member organization in the USTA Southern Section to recognize outstanding service to the local community, to the organization members, and to the game of tennis.

Cardinal Racquet Club

Anderson, SC

The Cardinal Racquet Club was organized in 1972 by 150 investors and their families. Over the past 25 years, the membership has grown to 269 adult family and junior members, and the number of courts has increased from seven to 12 with plans to build more. Cardinal Racquet Club is distinct in its service to its membership, the entire tennis community, and its program offerings. Each year the facility donates its courts for numerous tournaments including several State and Southern Championships. Adult and junior clinics including USA Tennis Free for All events are conducted year-round and are

open to the public. The club offers a variety of junior, adult and senior programs, including USA League Tennis, the men's Monday night league, and intersectional inter-club play, player development camps, and all USA Tennis programs in addition to an extensive social tennis calendar. Most impressive is that club members enjoy facility access 24 hours a day, 365 days a year! "The members of Cardinal Racquet Club are pleased and honored to be recognized as the USTA Southern Section Member Organization of the Year," said Steve Hand, President of Cardinal Racquet Club. "We will continue to enthusiastically promote tennis in Anderson, SC."

NJTL CHAPTER OF THE YEAR

presented annually to an NJTL Chapter within the Southern Section which has demonstrated excellence in administration of the NJTL program.

NJTL of AT&T Challenge of Excellence ACE Program

Atlanta, GA

The USTA/NJTL chapter of Atlanta administered by the AT&T Challenge of Excellence ACE Program has been in existence for seven years. While truly a year-round grassroots tennis program, the development of Athletics, Character and Education in youth is also the foundation of its existence, as demonstrated through its name. The ACE program has three teaching professionals that administer 18 sites and positively

impact the lives of over 400 boys and girls. In 1998 the chapter successfully converted its beginning players into USA Tennis 1•2•3 participants, yet the chapter provides a high level of tennis instruction as demonstrated by the eight chapter members who have received scholarships to further hone their skills at the Ralston Tennis Academy. "The ACE program is deeply honored, grateful and inspired to receive the chapter of the year award," said Coach Dave Corbin, who heads the program. "Many thanks to the USTA, ProServ, AT&T, Alta Foundation who have helped to make the ACE program a success for the kids in the Atlanta community." One of the chapter's yearly highlights is the Georgia/Florida Challenge against players in Malivai Washington's Foundation.

SPECIAL TENNIS EVENT OF THE YEAR

presented to a special tennis event in the Southern Section which has been exemplary in the promotion and support of tennis.

League Atlanta Extravaganza

Atlanta, GA

In its second year the League Atlanta Extravaganza brought together over 3,500 tennis enthusiasts for a day of tennis fun that included free USTA verification, a USA Tennis Free For All Event, drills, face painting, fast-serve contests, a one-point shootout, a dunk tank and exhibitions featuring Bryan Shelton and other local professionals. Held at Racquet Club

of the South, the day-long festivities kicked-off with the "Battle of the Best", the friendly yet competitive rivalry between the business women and the weekday women. In addition to an abundance of on-court activities, Extravaganza participants viewed the latest tennis products from industry manufacturers and obtained program, volunteer and event information from the Atlanta Professional Tennis Umpires Association, the USTA Southern Section, the USTA Georgia District and League Atlanta. The Extravaganza is a yearly opportunity for the USTA volunteers at the Section, District and Local levels to work together for the promotion of tennis.

TEAM TENNIS EVENT OF THE YEAR

presented to an event that demonstrates outstanding execution of a team event.

BMW/STA Mixed Doubles Georgia District Championships

Bainbridge, GA

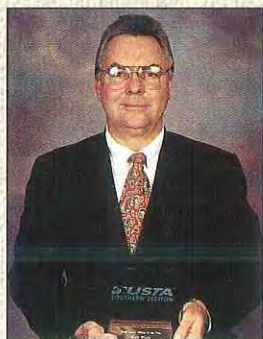

Thorough preparation and tremendous community support and hospitality were among the key factors that contributed to the success of the 1998 BMW/STA Mixed Doubles Georgia District Championships. A steering committee including Cile Warr, Charles Tyson, Roslyn Palmer, Sam Howell, Nell Worsham, Ruthe Spivey, Al Kelly, Carole Floyd, and tournament referee Mary Hatfield was formed in November of 1997 and met monthly to plan and finalize details for the weekend event. A team of 100 volunteers was secured to run sites, work hospitality desks at motels, check in captains, and stuff goody bags. Additionally, \$10,000 in financial support was provided by the Bainbridge City Council and the Decatur County Board of Commissions to defray costs and enhance player amenities. The state championship, the first of its magnitude to be held in a community the size of Bainbridge, was cited

by both players and organizers to be a true community-wide effort. "We were so appreciative to the Georgia Tennis Association for allowing us to host this event," said Floyd. "South Georgia hospitality is one of the main attributes Bainbridge has to offer its visitors, and the entire community was instrumental in making the players feel welcome." Indeed, the local efforts resulted in over 600 satisfied players who were treated to first-class tennis facilities, two player parties, live entertainment, a catered dinner, goody bags, site concessions, on-site trainers, coupons from local merchants and unforgettable hospitality. (Bainbridge will host the Mixed Doubles Georgia District Championship again in 1999.)

Ruthe Spivey, Carole Floyd

TENNIS OFFICIAL OF THE YEAR

Bruce Whyte

presented to a tennis official who has made outstanding contributions to the cause of tennis officiating in the Southern Section.

Bruce Whyte

Morganton, GA

An umpire for the past six years, Bruce Whyte has officiated at all levels. His on-court expertise was acknowledged in 1998 by his selection to work the USA v. Russia Davis Cup tie, the U.S. Open, the AT&T Challenge, the SEC Championships, the National Girls 14s, the Georgia Golden Games, the Atlanta Nuveen tour stop in Atlanta and numerous other events. Whyte's off-court achievements are significant as

well. As president of the Atlanta Professional Tennis Umpires Association (APTUA), he has expanded the scope of APTUA involvement in providing officials for college, junior and professional events and negotiated improved salaries and conditions for these events. Additionally, he instituted a program of appreciation for APTUA officials and has emphasized quality and professionalism in officiating. Whyte also serves on the Georgia Officials Council and produces a quarterly newsletter for officials. "I am very humbled and surprised by such recognition as I primarily work with the majority in the salt mines of tennis at the grassroots level. I accept this award on behalf of the hundreds of unrecognized officials in the region."

Bruce Stone, USA School Tennis Coordinator for Kentucky, congratulates a student on his willingness to participate during a motivational assembly.

USA School Tennis introduces tennis to students in grades K-12 during their physical education classes. Each year, over 500,000 students across the USTA Southern Section take their first swing at the Sport For A Lifetime through this innovative program. Schools that participate in USA School Tennis receive staff training for physical education teachers, motivational assemblies for the students and free WILSON rackets for program participants. Information about establishing after-school programs is also available. Find out how you and/or your Community Tennis Association (CTA) can start USA School Tennis in your area by contacting one of the coordinators below.

Crowd participation at USA School Tennis motivational assemblies is one of the elements that makes them so much fun.

USA School Tennis is a great way for youngsters to learn a new skill while enjoying the company of their friends.

These juniors (above) enjoy spending time together while learning tennis fundamentals during a class of USA Tennis 1•2•3 for kids. USA Tennis 1•2•3 lessons include various games to make learning tennis skills fun. Students (at right) play "Monster It," which teaches the importance of good footwork.

Sites may offer a free lesson to get new players excited about signing up for USA Tennis 1•2•3.

USA Tennis 1•2•3 is a low-cost, introductory program for all ages. The program is designed to teach players the basic skills and get them playing fast.

As part of the USTA's nationwide initiative to grow the game of tennis, USA Tennis 1•2•3 introduced 33,000 new players to tennis in the USTA Southern Section in 1998. USA Tennis 1•2•3 has separate programs for adults and juniors and prepares participants to play on a team in one of many follow-up USA Tennis programs. Both curriculums have three levels that focus on basic instruction, supervised play and low-key team competition. Upon completion of USA Tennis 1•2•3, adults may graduate to USA Team Tennis for Adults, followed by BMW Combo Doubles (see page 38) and/or USA League Tennis (see page 33). Juniors have the opportunity to play on a team with their friends through USA Team Tennis-Red Division (see page 31) or USA Team Tennis (see page 30).

USA Tennis 1•2•3 can be implemented anywhere, including public parks, private clubs, schools, universities and churches. In fact, by running successful programs, Community Tennis Associations and tennis professionals throughout the USTA Southern Section have generated new players to help grow local leagues as well as other USA Tennis programs and tournaments.

Sites participating receive free curriculum guides, free promotional materials, handouts for participants, low-cost USA Tennis merchandise and information on how to order low-cost equipment from manufacturers. In addition, the USTA offers a \$5 per person incentive fee for all new players. To start a program in your area, please contact one of the coordinators listed to the left.

USA Team Tennis

USA Team Tennis is a program developed to give junior tennis players (ages 6-18) of all backgrounds the opportunity to develop their basic tennis skills into an energetic, fun, team-spirited atmosphere. The 4-8 week program consists of weekly team practice and match play. All participants receive a free USA Team Tennis T-shirt and a USTA registration and/or membership card. Additionally, participants have the opportunity to advance to District Championships, Tri-state Events and the AAU Junior Olympic games.

Parents and volunteers are the key ingredients to making USA Team Tennis such a big success. Thanks to their efforts, more than 19,000 juniors currently enjoy this program across the South. Be part of the fun – call your District Coordinator (listed below) for information on how to get on a team or start a league in your area.

Teammates (at right) demonstrate that off-court friendships are just as important as on-court partnerships in USA Team Tennis.

AAU JUNIOR OLYMPIC GAMES

Only USA Team Tennis players qualify to compete in the AAU Junior Olympic Games, the national event for USA Team Tennis. The AAU Junior Olympic games host over 32 different sporting events for youth in the United States. The 1998 AAU Junior Olympic games were held in Norfolk, VA. Congratulations to the six teams that represented the USTA Southern Section! Cleveland, Ohio, will host the 1999 AAU Junior Olympic games for one week in August. USA Team Tennis (Red Division)

USA Team Tennis (Red Division) participants from St. James Santee Elementary School, McClellanville, SC, proudly display their new shirts as they graduate into USA Team Tennis.

USA Team Tennis (Red Division) introduces youngsters to the fun, social atmosphere of team tennis. Parental on-court supervision and coaching are integral aspects of USA Team Tennis (Red Division).

USA Team Tennis (Red Division), formerly Kids' Team Tennis, is one of the newest programs offered by the USTA Southern Section. For a very low cost, the program allows children ages 4-8 to play tennis with their friends and to receive a brand-new tennis racquet, new tennis ball, trophy, T-shirt and a USTA registration or junior membership. Parents who are interested in being a coach or a team manager can attend a Rookie Coaches Workshop to learn the easiest and most fun way to coach tennis.

In 1998, USA Team Tennis (Red Division) was offered at elementary schools, YMCA's, public tennis centers, private tennis centers, and on neighborhood courts. The program runs in conjunction with USA Tennis 1•2•3, making participating sites eligible for the \$5 new-player incentive. In addition, USA Team Tennis is offering a \$25 per team incentive to parents or coaches who establish teams.

USA Tennis – NJTL

USA Tennis – National Junior Tennis League (NJTL) has been a key instrument in exposing and promoting tennis to minority youth in the South and across the country. Founded by Arthur Ashe in 1969, the primary goal of USA Tennis – NJTL is to introduce as many youngsters as possible to the lifetime sport of tennis. In 1998, over 200 NJTL participants in the Southern Section attended Regional Rallies hosted in Raleigh, NC, Mobile, AL, and Charleston, SC. Aaron Hall (Hattiesburg, MS) and Okera Jenkins (Charleston, SC) were among 29 NJTL participants nationwide who were selected to attend the 1998 USTA/NJTL Invitational Tennis camp in Escondido, CA. The NJTL program offers scholarship and camp opportunities exclusively to NJTL participants. USA Tennis – NJTL continues to promote excellence, education, fun and teamwork along with other life-learning experiences. For more information on getting involved with USA Tennis – NJTL in your area, please contact your District Office (see page 135) and/or Nomi Husband at the USTA Southern Section office at 770-368-8200.

USTA AREA TRAINING CENTERS

In 1998 the 19 USTA Southern Section Area Training Centers continued to provide supplemental training and competition for many of the top players served in their respective geographic areas. While many of the ATCs primarily conducted competitive matches with coaching, others provided on-court drilling and coaching relative to the needs of the individual players. For information on the USTA ATC in your area, contact your District Office or the USTA Southern Section Director of Player Development. A complete listing of the USTA Southern Section Area Training Centers is on page 81.

For information on registration, contact your District Office or the USTA Southern Section Director of Player Development.

USA TENNIS PLAYER DEVELOPMENT / NATIONAL COACHES

In 1998, the expansion of USA Tennis Player Development included the assignment of three USTA National Coaches in the Southern Region. Bryan Shelton, former Southern and Georgia Tech standout and tour professional, has primary responsibilities for the development of junior players in the USTA Southern Section. Shelton, assisted by personal coaches John Bryan, Walker Sahag and Robert Russell, conducted the initial USA Tennis Player Development training camp in the South, which was well-received by the players. Joining Shelton as National Coaches in the Southern Region are Ricardo Acuna, former ATP tour professional and Wimbledon quarterfinalist and Martin Van Daalen, former National Coach for Holland. 1999 promises to bring even more training opportunities for top players in the Southern Region.

STA/DUCK HEAD JUNIOR SUPER CIRCUIT

The STA/Duck Head Junior Super Circuit and Challenger events continue to provide the South's top juniors with head-to-head competition in each age division. Participation in one of these events is required for endorsement into the USTA National Junior Championships. In 1999, two of the five STA/Duck Head Junior Super Circuits sites will change. February's event will be held in Baton Rouge, LA, and March's event will be held in Columbus, GA. Nashville, Clemson and Memphis remain as host sites. Competition for the 12's will be included in 1999 at all five sites. Entry forms are available from the USTA Southern Section office. Also, a pilot fall designated will be Oct. 16-18 in Greensboro, NC.

BMW Combo Doubles

Close to 11,000 players have participated in the fastest growing adult program in the USTA Southern Section that allows men's and women's doubles teams to form by combining NTRP levels. Local champions progress to District Championships. In 1998, two Tri-District Championships were held, one in Greenville, MS, with teams from Arkansas, Louisiana and Mississippi, and one in Louisville, KY, with teams from Alabama, Kentucky and Tennessee. This program allows friends to play together even if they are not at the same skill level. Levels range from 4.5 to 10.5 and players may self-rate if they have not participated in other USTA programs. For a list of local coordinators, check out our web page at www.usta-sta.com or contact your District Coordinator listed below.

Super Seniors

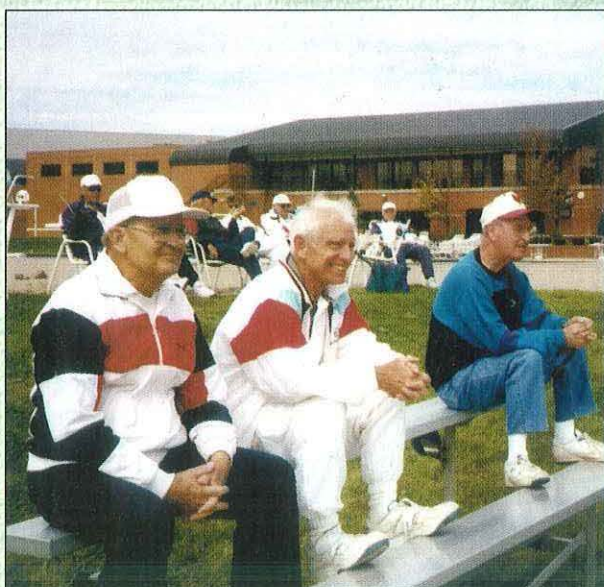

Super Seniors...proof that tennis is truly the sport for a lifetime!

Initially organized on Hilton Head Island, SC, in 1995 with just over 100 players, the Super Seniors program is now enjoyed by over 2,000 players in seven Districts. The first Southern Section Super Senior Challenge was held in January 1998 in Myrtle Beach, SC, with 30 teams competing from Alabama, Arkansas, Georgia, Kentucky, Mississippi, North Carolina and South Carolina. The age requirement is 62 for this program; don't be shocked in a few years when we introduce Super Duper Seniors for the 70s!

These Super Seniors are (from left) Jim Muth, Bill Welch, Joe McDevitt, Bud Peterson, Don Bayers and Virgil Hofmann.

Junior Endorsement Information

IMPORTANT INFORMATION

All juniors seeking endorsement to the USTA National Championships in 1999 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures.

USTA Southern Section RULES & REGULATIONS

Now is a good time for you to become familiar with the USTA Southern Section rules, regulations and requirements. You will find them on page 123 of this yearbook. There have been a few changes and we urge each of you to read them CAREFULLY. The 1998 STA rankings are printed in this issue also.

SUMMER TOURNAMENT SCHEDULE

The summer season will arrive sooner than you expect and it is time to begin making your plans. On the next page you will find a list of all USTA National Championships and Zone Team Championships which require endorsement. All Zone Team and/or National entries will be distributed at the Southern Closed.

USTA PLAYER RECORD FORM

You will find a USTA Player Record Form at www.usta-sta.com. Please use this form or request forms from your endorser. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

NATIONAL CHAMPIONSHIP ENTRY FORMS

Information sheets for each tournament will, of course, vary. READ them carefully as they contain important information. These forms will be distributed during the Southern Closed based on computer rankings. See your endorser at the Southern Closed. Also review rule IV.B.2.a on page 124 for further information.

1. Fill out all entry forms and player record forms in BLACK ink.
2. Make check payable as indicated on the fact sheet.
3. Return these forms to your endorser by the deadline given. NEVER send your entry directly to the tournament.
4. Be sure that all waivers and parent/guardian signatures are completed before returning your entry form and player record form to your endorser.
5. Include a copy of your USTA card with each entry.
6. Be sure to let your endorser know how to reach you during the endorsement process.
7. Return with each entry form a self-addressed, stamped envelope for your endorser's use.

NATIONAL TOURNAMENT DEADLINES

The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed

or at least 10 days prior to the tournament deadline to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director. Your Endorser will send the entry forms to the National Indoor Championships in early October. Please follow the Endorsers' instructions in the cover letter sent with the entry. DO NOT SEND YOUR ENTRY TO THE TOURNAMENT DIRECTOR, RETURN IT TO YOUR ENDORSER.

QUOTAS AND ALTERNATES

The USTA Southern Section quotas for the 14, 16 & 18 age divisions is thirty-one (31) for the USTA National Clay Courts and Nationals, sixteen (16) for the USTA National Indoors and four (4) for the USTA International Grass and Hard Courts. USTA Zone Team Championships quotas are thirty (30) for 14 Zone Team Championships, forty (40) for 12 Zone Team Championships, and fifty (50) for 16 Zone Team Championships. When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

The draws for USTA National Championships will be made a week in advance. Alternates should follow their endorsers' instruction letter that was sent with the entry. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

YOUR USTA Southern Section RANKING/ENDORSING COORDINATOR

On the next page is a list with addresses and telephone numbers of the USTA Southern Section Junior Ranking/Endorsing Coordinators for 1999. Please establish early communications with your Coordinator. Questions regarding endorsement to the USTA National Championships and rankings should be directed to the Coordinator for your age group. If your address changes, you should immediately provide that change to your Coordinator and your District Office. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

Review carefully the waiver provisions printed in Article IV, B. 3. of the STA Rules and Regulations in this Southern Tennis Yearbook (page 124). Keep in mind that with the exception of the 14 Zone Team Championships you MUST meet the requirements of Article IV, paragraph B.2 of the USTA Southern Section Rules and Regulations. Make sure you comply with these requirements or obtain proper waivers.

SPECIAL EVENTS

There are a number of special events for juniors that involve selection of players by the USTA Southern Section. See the endorsement list on the next page for a complete listing of these events.

DESIGNATED TOURNAMENTS

See USTA Southern Section Rules and Regulations, Article IV (page 124). Be sure to review the USTA Southern Section Rules and Regulations on Articles IV and V, dealing with endorsement procedures and ranking regulations. Participation in one of the five STA/Duck Head Junior Super Circuit Designated Tournaments is required for endorsement for the 14, 16 and 18 age divisions. Draws will be limited to the top 32 players entering, based on current ranking and records. A Challenger Event will be held in conjunction with each STA/Duck Head Junior Circuit tournament. The winners of the first four (4) Challenger Events will receive a wild card into the next STA/Duck Head Junior Circuit tournament. PLAN YOUR SCHEDULE EARLY!

For the 12 and under age division, play is required in two (2) of the STA/Duck Head Junior Super Circuit tournaments or one (1) STA/Duck Head event and the spring Southern 12 Indoor event for endorsement to the USTA National 12 Hardcourts. For the USTA 12 National Clays, play in one (1) STA/Duck Head Junior Super Circuit is required.

Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group.

A fall designated pilot tournament will be held in 1999. The purpose of the fall designated is to provide players with an event prior to the USTA National Indoors at which additional cross-play can possibly be established. This event will be indoors in Greensboro, North Carolina on October 16-18, 1999.

AGE ELIGIBILITY

New junior age eligibility rules took effect on January 1, 1999. See page (49) for a detailed explanation of the new rule.

USTA YEARBOOK

In addition to reading the Southern Tennis Yearbook and the USTA National Junior Tournament Schedule carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914)696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Below is a list of tournaments that require endorsement. Entry forms for these events will only be available from your USTA Southern Section Ranking/Endorsing Coordinator. You may or may not receive an entry form in response to this request.

It is your responsibility to initiate and maintain contact with your USTA Southern Section Ranking/Endorsing Coordinator by doing the following: sending player record forms and updating them when additional results become available, and supplying them with self-addressed, stamped envelopes. Collegiate Program

Thanks to the tremendous efforts of Dede Allen and the USTA Collegiate Committee, a revised Guide for Prospective Collegiate Players has been printed and it's better than ever! The guide offers advice for junior players who are getting prepared to play collegiate tennis, in addition to a coach's database! Guides are free to USTA members, and there is a \$10.00 fee to replace a guide or for non-USTA members. Contact the USTA/Southern Section office or your District office to get a copy.

Area Training Centers

The 19 USTA/STA Area Training Centers provide 50 hours of supplemental training for 380 select players sectionwide. Players are selected based on a combination of criteria which includes competitive results, work ethic, sportsmanship and potential for future success. Through the ATC's, the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests. Competition will also be a major component in 1999.

ADULT PLAYING LIMITATIONS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The USTA Southern Section welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

- A. The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."
- B. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.
- C. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.
- D. No match shall be less than the best-of-three sets (no pro-set matches). The 12-point tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

USTA Southern Section Rules & Regulations

Changes to rules and regulations are indicated by underlining.

APPLICABILITY:

The USTA Southern Section Rules and Regulations herein contained were adopted by the Management Committee, the Board of Directors, and the membership, and shall be observed and followed by the USTA Southern Section committees, officers, directors, and members, and will apply to all the tournaments held by clubs, associations and organizations belonging to the USTA Southern Section.

I. QUOTA SYSTEM FOR ENTRY TO SOUTHERN JUNIOR CLOSED CHAMPIONSHIPS

A. General.

The draw size in every age division of the Southern Junior Closed shall be determined by the USTA Southern Section Junior Tennis Council. Each age division tournament will include a championship singles and doubles event and a Feed-in-Championship through the quarter-finals for all singles events. Each junior player entering a Southern Junior Closed event is required to play the Feed-in event, unless the failure to play is attributable to a bona fide reason such as illness, injury or personal emergency as verified by the Tournament Committee. Participation in the Feed-in events by quarter-finalists is mandatory. There will be a play-off for 3rd place in the main draw but no play-off for the 7th place in the Feed-in. To assure a fair distribution of entrants, each of the nine Districts of the USTA Southern Section is allotted a quota computed on the basis of the District's percentage of individual junior members of the USTA Southern Section as reflected in latest quarterly print-out. In the event there are open places in the draw because a District(s) does not fill its quota, all the alternates from the other Districts shall be evaluated and accepted in the draw in order according to ability. Any alternates remaining after the draw is completed shall be posted on the draw in order and accepted as vacancies occur until the completion of the first round of play.

B. District Selectors.

A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the USTA Southern Section standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

C. Quota, District Selector, Basis for Selection.

The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the Southern Junior Closed Championships for the current year are listed below.

D. Southern Junior Championships.

All Southern Junior Championships must use the deuce-add scoring, with the twelve (12) point tiebreaker at six-all in all sets both in the Championship and Feed-in-Consolations. If scheduling is disrupted by inclement weather, then No-Ad, best of three sets is authorized.

II. USTA SOUTHERN SECTION BOYS' AND GIRLS' INTERSECTIONAL TEAMS

A. General.

The USTA Southern Section annually selects Boys' and Girls' Intersectional Teams to represent the USTA Southern Section. The USTA Southern Section appoints a coach/chaperon to travel with each team and the USTA Southern Section funds most of the teams' expenses. The team consists of up to eight players chosen from the top juniors in the 18 and 16 age divisions.

B. USTA Southern Section Committee.

Selection of the teams shall be made by the USTA Southern Section Team Selection Committee listed in the Yearbook under the heading of "USTA Southern Section Committees".

DISTRICT/QUOTA/SELECTOR	BASIS FOR SELECTION
ALABAMA Quota: For 128 Draw-9, 160 Draw-11 Elaine Francis	Must play in the Alabama Qualifying Championships. The four semi-finalists in the championships bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place. The losing semi-finalists of the feed-in event will play for the 7th and 8th places, and there will also be a playoff for positions 9, 10, 11, and 12.
ARKANSAS Quota: For 128 Draw-8, 160 Draw-10 Boys: Janan Batchelor Girls: Carol Armijo	Selection for three slots per division will be based on the final three positions in the Arkansas Junior Qualifying. All other slots open to Arkansas juniors will be based on the strength of a player's overall tournament record for the current ranking year-National, Southern and State records will be considered.
GEORGIA Quota: For 128 Draw-43, 160 Draw-45 Boys: Joanne Dorsey, Karen Vahaly Girls: Nancy Thompson, Mary Wicklund	Selection is determined as follows: Qualifying-The most recent GTA ranking, which includes the Qualifying, will be used as a guideline for selection for all quota spots. Exceptions to this are: the Top 5 finishers (main draw semi-finalists and winner of the FC) from the Challenger; approved waivers. Additional quota spots are selected from the Qualifying based on the most current GTA ranking.
KENTUCKY Quota: For 128 Draw-7, 160 Draw-9 Boys: Becky Kirts, Louise Brown Girls: Jane Marshall, Louise Brown	The primary basis for selection will be the performance in the Creason Junior Qualifying Tournament. If a player misses the tournament because of illness or family crisis, the Waiver Committee will use last year's ranking and current play as guidelines for acceptance. (See KTA waiver rules.)
LOUISIANA Quota: For 128 Draw-10, 160 Draw 12 Fran Allen	To qualify for the Southern Closed a junior must play the Louisiana Closed Qualifying tournament and one spring designated tournament (either Lake Charles Junior or the Crescent City Junior) in his/her age division. Waivers will be considered on a case by case basis due to illness, injury, or other extenuating circumstances by the Junior Tennis Council.
MISSISSIPPI Quota: For 128 Draw-8, 160 Draw-10 Becky Barry	The primary basis for selection will be the player's performance in the Mississippi Junior Qualifying Tournament. If a player misses the tournament because of illness, family crises, or unavoidable circumstances, the District Selector may use last year's National, Southern, and District Rankings plus current play to determine whether the player can be endorsed.
NORTH CAROLINA Quota: For 128 Draw-16, 160 Draw-18 Helen Fuller	Selection is based on strength of overall tournament record for the current year including the Tar Heel Qualifier. Rankings will only be used if absolutely necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. SOUTH CAROLINA Quota: For 128 Draw-12, 160 Draw-14 Boys: Margaret Lee Girls: Kim Porter	To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and SCTA Junior Council. The top 8 finishers at the State Qualifying will be selected. Other selections will be based on a player's National, Southern, and State rankings plus current season's play.
TENNESSEE Quota: For 128 Draw-15, 160 Draw-17 Boys 18: Blain Smith Boys 16: Peter Lebedevs Boys 14: Rob Cameron Boys 12: Neal Stapp Girls 18: Peter Lebedevs Girls 16: Steve Annacone Girls 14: Jeff Cobb Girls 12: Neal Stapp	The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee. The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on players record from January 1 up to and including the State Qualifying (e.g. common opponent, caliber of wins, head to head). All players wanting to be endorsed MUST fill in an application at the Qualifying and return it to their endorser before the date specified by the endorser.

C. Eligibility.

Any junior player in the USTA Southern Section meeting the following requirements shall be eligible to apply for Team selection:

1. Any player having a singles ranking of 1-10 in the 1998 USTA Southern Section 18's division ranking, or
2. Any player having a singles ranking of 1-5 in the 1998 USTA Southern Section 16's division ranking, or
3. Any member of the 1998 team who is still eligible for 18 or 16 and under competition in 1999, - or -
4. Any player having recorded one (1) win since January 1, of the current year over any of the players eligible under the preceding three categories.

D. USTA Southern Section standard for Selection.

The USTA Southern Section Team Selection Committee has the authority to invite the players that will best represent the USTA Southern Section. Many factors may enter into the decision of the Selection Committee, and their decision shall be final. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

E. Application.

Any USTA Southern Section junior player interested in applying for the team and qualified to do so must notify the chairman of the team selection committee prior to the conclusion of the Southern Closed Championships.

III. USTA SOUTHERN SECTION JUNIOR DAVIS CUP TEAM

A. General.

The USTA Southern Section annually selects up to three (3) college undergraduate men to represent the Section in the Junior Davis Cup Matches during August in Poughkeepsie, NY. The team's expenses are paid by the USTA Southern Section.

B. Application.

Applications should be obtained from the USTA Southern Section office. Selection will be based on previous year's rankings and current season's records.

IV. USTA SOUTHERN SECTION ENDORSEMENT PROCEDURES TO USTA NATIONAL JUNIOR CHAMPIONSHIPS AND ZONE TEAM CHAMPIONSHIPS:

USTA 12, 14 & 16 Zone Team Championships
USTA National Junior Clay Courts Championships
USTA National Junior Championships
USTA National Hard Court Championships (12's)
USTA International Grass Court Championships
USTA International Championships
USTA National Junior Indoor Championships

A. Sectional Quota System.

Each of the seventeen (17) Sections of the USTA has a guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1999 the USTA Southern Section quota will be thirty (31) in a draw of 192, sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw. The USTA 12 Zone Team Championships will include 40 USTA Southern Section boys and 40 USTA Southern Section girls. The USTA 14 Zone Team Championships will include 30 USTA Southern Section boys and 30 USTA Southern Section girls. The USTA 16 Zone Team Championships will include 50 USTA Southern Section boys and 50 USTA Southern Section girls.

B. USTA Southern Section Criteria-Eligibility for Endorsement to USTA Southern Section National Junior Championships.

1. Qualification for endorsement by the USTA Southern Section to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.
2. To qualify for endorsement by the USTA Southern Section to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and District Qualifying tournament and one of the five USTA Southern Section /Duckhead Junior Super Circuit Designated tournaments in the age division for which applying for endorsement. Participation in the Southern Closed and in one Designated tournament in the age division for which endorsement is sought is mandatory unless waived in advance by the USTA Southern Section Junior Waiver Committee. Players seeking endorsement to the USTA National 12 Hardcourt Championship shall play in two (2) designated events or one (1) designated event and the Spring Southern 12's Indoor. For players who enter two (2) or more of the events and are not accepted into the draw, the requirement shall be considered met. Endorsement to the USTA Zone Team Championships and the USTA National 12 Clay Court Championships shall be based on play through completion of the Southern Closed 12's Championships. Participation in the USTA Southern Section District Qualifying tournament in the age division for which endorsement is sought is required unless waived by the District. In the event a player is waived from participation in the Southern Closed and the USTA Southern Section District Qualifying tournament in the age division for which endorsement is sought and that player does not have the previous year's ranking in the top 10 nationally in the age group or the top 5 nationally in the next lower age division, he/she must participate in two other tournaments within the Southern Section in the age group for which endorsement is sought. Players must be aware of their own District's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible", each player:

- a. Shall bring to the Southern Closed a complete player record form for each National Championship that they desire to enter. Be sure that it is updated through current play. Players shall bring a check for the entry fee for each National Championship and Zone Team Championship for which they are applying and a copy of current USTA membership card, as well as a stamped self-addressed envelope. The completed entry forms, entry fees, copies of member-

ship card and player record forms shall be returned to the Endorser during the Southern Closed by the day and time requested.

- b. Will be mailed a copy of the official USTA Southern Section Endorser's list of players in quota and alternates. The endorsement lists will be a computer ranking of all eligible players from January 1 through the Southern Closed. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

3. Waiver provisions: Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will adhere to the following guidelines in considering waiver requests:

- a. The National Clay Court and National Hard Court will require a previous year's ranking in the top TWENTY nationally in singles as a first year player in an age division or previous year's ranking in top TEN in singles as a second year player in the age division. In considering waivers under this provision, the committee will also determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver.
- b. An individual wishing to play in the National Indoors in an age group in which he did not play in the Southern Closed Tournament the previous summer must apply for a waiver by October 15. In considering waivers under this provision, the committee shall determine if the player's current seasonal record demonstrates sufficient competitiveness to justify a waiver. If the waiver is approved he/she will be endorsed at a position to be determined by the appropriate endorser.
- c. Waiver for illness or injury: Waivers will be considered for those who have qualified for the Southern Closed but are forced to withdraw due to illness or injury prior to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of disability, signed by a licensed physician, and also stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed only if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.
- d. Waiver for the Designated Events: Waivers for the Designated Events required for endorsement to the Nationals shall be considered for but not limited to the following:

1. Injury or illness.
2. Players acquiring residence in the USTA Southern Section after the last designated tournament.
3. Participation in International Events conflicting with the designated tournaments.

When a waiver request is approved, the player's endorsement position will be based on their current overall record.

- e. Junior Waiver Committee: The Junior Waiver Committee (see listing under USTA Southern Section Committees) will be formed to consider applications for waiver of USTA Southern Section Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of four persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process.

The Committee will follow the guidelines outlined in the waiver provisions of Article IVB.3. Waivers will be granted or denied by majority vote of the Committee unless otherwise provided for in the waiver provisions.

- f. Other substitutions for Southern Closed: Consideration may be given by the Junior Waiver Committee to waiver requests from Southern Closed participation made by players seeking participation in other prestigious events of national or international nature if such event is scheduled in conflict with the Southern Closed. Waivers of this type will be granted on a highly selective basis and only with the unanimous approval of the Waiver Committee.
4. Designated Tournaments. Players entering a designated tournament must play in the age division in which he/she is seeking endorsement, with the following exceptions:
 - a. Players who have been waived from their own age division to the next age division in the Southern Closed.
 - b. Only after a player wins two designated tournaments in their age division, will they be allowed to play up in the next age division.
 - c. A player who is eligible to play in a given age division, who plays in a higher age division in more than two designated tournaments, will be required to play in the Southern Closed in the higher age division.

C. Application Procedure.

1. If you seek entry to any USTA Championship and feel that you will meet the USTA Southern Section requirements listed above, write early to the appropriate Endorser (see Listing under USTA Southern Section Committees) indicating the tournament(s) you wish to be considered for endorsement.

2. You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since January 1 indicate they will likely be in quota may receive entry blanks promptly. In most cases, however, entry blanks will be distributed at the Southern Junior Closed.

D. Entry Procedure.

1. When you receive an entry blank to any USTA Championship, it may also include:

- a. Player Record Forms, which should be completed with every sanctioned singles match in the Division (age group) played since January 1, 1999. Doubles player records should be with the same partner you intend to enter with in this USTA Championship.
- b. Letter from Endorser advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Championships or to the USTA Southern Section Office.)

2. The endorser will rank all players who have applied by the deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or on the alternate list. If you are on the alternate list, it is your obligation to contact the tournament on the date indicated on the tournament application to find out if you have been accepted into the tournament.

3. If you are in quota and must withdraw, advise the USTA Championship immediately so it can accept the next USTA Southern Section over quota player to fill your place in the draw. Failure to do this could bring disciplinary action.

V. RANKING REGULATIONS

A. General - Applicable to all Age Categories.

1. Player's Record Form. All players are requested to send a copy of their own compiled player record form to the appropriate Ranking Committee Chairman by November 15 or immediately after their last tournament of the ranking year. Players who do not submit their records shall lose their right of appeal to the rankings assigned. The USTA Southern Section Ranking Chairmen receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary/Grievance Committee and may result in that player being eliminated from the rankings for that year.
2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.
3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the USTA Southern Section Sectional Office, and from each District Office.
4. Ranking Year and Age Eligibility. The USTA Southern Section Ranking Year and age eligibility for all age divisions shall be the same as that adopted by the USTA and shall be promulgated in the USTA Southern Section publications each year.
5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived only by a majority vote of the USTA Southern Section Management Committee upon the recommendation of the Ranking Committee Chairman.
6. Insufficient Data. A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.
7. Alphabetical. A numerical grouping may be used by a Ranking Committee for giving recognition to players who meet the ranking qualifications, but whose record does not clearly establish a specific numerical position. Players thus ranked will be listed alphabetically.
8. Ranking Appeals. Tentative rankings will be published in early January and will always be available at the site of the Annual Meeting of the USTA Southern Section immediately prior to the meeting of the USTA Southern Section Ranking Committees in January. Provided that a completed Player Record Form has been sent to the appropriate ranker/endorser, all players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Committee within ten (10) days after receipt of the tentatives or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Committee in person, provided that the written notice of appeal includes a notice that the player intends to so appear. When a review of an appeal is considered, the individual Chairman of the age group involved will not have a vote in the appeal. The determination of rankings by the Ranking Committee shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

B. Adult.

1. Minimum Requirement. Playing in any USTA National Championship in the Southern Section does not count towards minimum USTA Southern Section ranking requirements. This provision does not apply to Women's 60 and above. The Southern Senior Cup Team Championship does not count towards USTA Southern Section ranking requirements. The minimum number of tournaments required prior to consideration for a USTA Southern Section ranking for each age division is as follows:
 - a. Men's Singles: One (1) Southern Championship and three (3) other Southern tournaments of which one of the total of four is held outside his own District, but inside the USTA Southern Section.
 - b. Women's Singles: One (1) Southern Championship and three (3) other Southern tournaments of which one of the total of four is held outside her own District, but inside the USTA Southern Section.
 - c. Men's and Women's Doubles: One (1) Southern Championship and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District, but inside the USTA Southern Section.
 - d. Men's 70, 75, 80, 85 Singles and Women's 55, 60, 65, 70, 75 and 80 Singles: One (1) Southern Championship and one (1) other Southern tournament of which one of the total of two (2) is held outside of his/her own District, but inside the Southern Section; or play in both the Southern Open and the Southern Closed.
 - e. All other Divisions-Singles: One (1) Southern Championship and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of own District is waived. Doubles: One (1) Southern Championship and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District, but inside the Southern Section, or play in both the Southern Open and the Southern Closed.
 - f. General: Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85 (men only) singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, and 80 Mixed doubles.
 - g. Wheelchair singles, Doubles and Mixed Doubles: one (1) Southern Championship and one (1) other tournament sanctioned in the Southern Section, one (1) of which must be played outside the player's(s') District, but within the Southern Section.

C. Junior.

1. Minimum Requirements. Playing in any USTA Southern Section National Championship does not count towards minimum USTA Southern Section ranking requirements. The minimum number of tournaments required for consideration for USTA Southern Section ranking in Boys' and Girls' 12-18 divisions follows:

a. Singles: One (1) Southern Championship and two (2) other tournaments held in the Southern Section, one (1) of the latter two (2) other than the Southern Championship, shall be out of the player's own District, but inside the Southern Section. If a player plays in both the Southern Closed and the Southern Open, the requirement to play one (1) tournament out of his/her own District is waived. Playing in sanctioned team matches or interscholastic matches between schools, does not fulfill the out of district requirement. Eligible Southern Championships are the Southern Closed, Southern Junior Open, Southern 12 Closed Indoors, Southern Indoor Open, and the Southern Indoor Closed.

a. Doubles: One (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section. Doubles rankings shall be generated on an individual basis which will allow players to accumulate points with different partners.

2. Boys' and Girls' rankings shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee.

D. Adult Ranking Requirements.

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon the previous year's records or personal opinions of the Ranking Committee. A player or team must win at least one (1) match over another Southern player or team.
2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.
3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.
4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Unexcused defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

E. Junior Ranking Requirements

1. The USTA Southern Section junior rankings will be computer generated. All players must have one win in singles to be eligible for ranking.
 - I Out of Section results between two Southern players will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results between two Southern players in sanctioned team or interscholastic matches will be considered. Only results of sanctioned events shall be considered for ranking purposes.
2. When a player or team retires from a match, it is a loss and it is a win for the opponent. All defaults after tournament play has started count as a loss against the player defaulting, but do not count as a win for the player advancing by default. Withdrawal after 10:00 am (time at tournament site) on the day before the start of the tournament will be considered defaults and counted as a loss. Defaults shall be limited to one per player, per event, in any one tournament.

F. Residency Requirements for Southern Closed Tournaments

1. Only players who have established a legal residency in one of the nine districts of the Southern Section of the United States Tennis Association (State of Alabama, State of Arkansas (including Bowie County, Texas), State of Georgia, State of Kentucky (except for the counties of Boone, Campbell, and Kenton), State of Louisiana, State of Mississippi, State of North Carolina, State of South Carolina, State of Tennessee (including Bristol, Virginia), hold a current USTA membership card assigned to one of the districts in the Southern Section, and are citizens of the United States or meet the resident alien requirements for a USTA National ranking are eligible to participate in Southern Closed tournaments. Resident alien requirements include resident aliens who have resided in the United States continuously for more than one year and are members of families of persons in the diplomatic or consular corps. In the case of a junior player, legal residency is that of the parents. Extenuating circumstances may be considered by the USTA Southern Section Management Committee. A policy statement on resident status is on file at the Southern Tennis Association office.
2. Juniors who desire to qualify for the Southern Closed Championships will be required to play in the District Qualifying or receive a waiver from the district where they are legal residents on the May 15 immediately preceding the District Qualifying Tournaments.
3. Players who meet any one of the following criteria can register their intent to participate in closed tournaments and/or receive a ranking in the district in which their parents are legal residents:
 - a. Juniors going to school/college outside the district where their parents reside;
 - b. Juniors who spend time with joint custody parents;
 - c. Players who live in more than one location during the year; and
 - d. Family members of the military.

The intent must be registered in writing to the district office where they desire to participate and the Southern Tennis Association office before the first closed tournament is held in the involved district or section. In the event no request is made, it is assumed that the player will compete and/or be eligible for a ranking in the district that best describes their legal residence.

NOTE: The intent of the above paragraph is that no one should be allowed to participate in closed tournaments or be ranked in two or more districts or sections during any single ranking year.

G. Residency Requirements for Southern Rankings

In order to be considered for a Southern ranking in his/her respective age division, a player must meet the Residency Requirements of the USTA Southern Section as stated above, and must compete in the required tournaments.

VI. USTA SOUTHERN SECTION JUNIOR SUSPENSION POINT SYSTEM

A. Code of Conduct Report

1. A Southern Tennis Association Code of Conduct Report shall be included in the tournament packet of all Southern Junior Championships and Designated Tournaments.
2. The USTA Southern Section Code of Conduct Report shall be filled out by a USTA certified official of the tournament, signed by the player and sent to the USTA Southern Section Junior Coordinator within 48 hours after the completion of the tournament.

B. The Point Penalty System

1. The point penalty system as sanctioned by the USTA Southern Section shall be used as the base to impose suspension points. Code violations shall only be given by a USTA certified official.

C. Suspension Points

1. Suspension points shall be accumulated from the following events:
 - a. Southern Closed, Open and Indoors.
 - b. USTA Southern Section Designated Tournaments.
 - c. All Events in the National Junior Tournament Schedule.
2. Suspension points accumulate over a twelve month period. Points that have been on a player's record for twelve months will be erased.
3. When six points have been accumulated, the USTA Southern Section Junior Coordinator shall send a letter to the player informing him/her of being in jeopardy of being suspended.
4. When a player accumulates TEN suspension points during a twelve month period, he/she shall be sent a letter from the USTA Southern Section notifying him/her of their suspension from USTA Southern Section sanctioned events within the USTA Southern Section for eight weeks and also from the next Southern Championship. The suspended player shall not be eligible for endorsement to any Nationals during the eight week suspension.
5. Furthermore, a suspended player will be ineligible for selection to USTA Southern Section team events (including Zonals and Intersectionals), Area Training Centers and Cross-Sectional Camps for the twelve months following the suspension.
6. Following a suspension, the first ten points will be erased from the player's record.

D. Appeal Process

1. Following notice of such suspension, the player shall have the right to a hearing by the USTA Southern Section Grievance Committee if requested within five days following the receipt of the suspension notice. There shall be a one hundred dollar (\$100.) filing fee to appeal in addition to the costs of the hearing. If the suspension is overturned in its entirety, the cost of the hearing shall be refunded. If the suspension is affirmed by the USTA Southern Section Grievance Committee, the eight week suspension shall commence as of the date following the date of the order of the USTA Southern Section Grievance Committee affirming such suspension. If the suspension is affirmed, the player shall have the right to appeal the decision of the USTA Southern Section Grievance Committee to the USTA Southern Section Management Committee. The USTA Southern Section Management Committee shall not be required to hold a hearing.

VII. TOURNAMENT RULES AND REGULATIONS

A. Rules.

1. The Rules of Tennis, USTA Tournament Regulations, USTA standards of Conduct (including Point Penalty System), & USTA standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the USTA Southern Section. The foregoing rules and regulations are found in the current "USTA Yearbook", "A Friend at Court", and "The Code" (the official USTA publication for the conduct of all matches played without on-court officials). These publications are available from USTA Publications, 70 West Red Oak Ln., White Plains, NY 10604, and each should be in the files of every member organization conducting sanctioned tournaments.
2. All players entering USTA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of the publications, particularly "The Code". An abbreviated version of certain key parts of the "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.
3. All individual and organizational members of the USTA and USTA Southern Section are subject, during the sanctioned events, to the Constitution and By Laws of the USTA, the USTA Southern Section and all Districts thereof, and the Disciplinary/Grievance Rules and Procedures therein contained.

B. USTA Southern Section Tournament Regulations.

1. In addition to the foregoing, specific USTA Southern Section Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.
2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who shall be certified under Article IX of the standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute shall be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.
3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.
4. The Committee is responsible for the proper for the proper running of the tournament in all matters and, in so doing, must observe the following:
 - a. Prepare draw sheets in accordance with regulations. The making of the draw must always be done where interested persons can watch its preparation. Under no circumstances will any draw be done secretly and behind closed doors.
 - b. Follow proper seeding regulations as set forth in current "USTA Yearbook", or "Friend at Court". In so doing, the committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
 - c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current "USTA Yearbook", or "Friend at Court"). In all Southern Closed Championships for juniors, the draw should avoid, if at all possible, the presence in the same quarter of the draw of more than one of the first players representing the same District Association. If possible, the Draw should also avoid two players from the same District meeting in a first round match.
 - d. See that no person is permitted to play his first round match in any event unless he or she presents a current USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament.

ment. The committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) must be entered on the draw sheets.

- e. Prepare a complete schedule, post it, and maintain it throughout the tournament. Matches may not be postponed or delayed to favor any player.
- f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his or her age group is causing delay, that player may be defaulted from that division.
- g. When it is possible to do so, each player shall be advised, on completion of a match, as to the time of the next match. In the event of rain, the Referee must advise players as to a probable restarting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- h. Boys' and Girls' matches should always be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- i. Rules regarding rest periods after the second set of three-set matches shall be observed in accordance with regulations as listed in the "USTA Yearbook", or "Friend at Court".
- j. Consider the use of qualified persons to act as roving umpires or court monitors during matches, particularly in Junior events. These persons can watch for trouble spots and, by their presence, can sometimes solve problems immediately.
- k. All Southern singles Adult/Senior Championships shall hold a minimum of a first match loser's consolation (FMLC).
- l. In the event that the draw size in a Southern Adult/Senior Championship is four or fewer, a round robin shall be played.

C. Conduct of Players and Spectators.

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and USTA Southern Section regulations specifically prohibit the following and they will not be tolerated.
 - a. No loud, abusive, or profane language, and no racquet-throwing or slamming balls shall be allowed.
 - b. In regard to stalling, the rules of conduct are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)" - quoted from Rules in "USTA Yearbook". The rules allow 90 seconds for towel off, drinking water, etc., during change of courts on odd games. This does not permit continual strolling to the net or back court to use towels or sip a drink between points or after completion of even number games. Players must take care at all times not to interrupt play or to distract opponent in any way.
 - c. No player or players will make a comedy of a match, whether they be winning or losing.
 - d. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any player on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
 - e. Line calls shall not be made by unauthorized persons. If any player desires assistance in officiating his match, he should make the request to the Referee; this can be done either before or during the match.
 - f. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, an "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls". A player suspected of cheating should be to the Referee who will send a responsible observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice will result in his being defaulted in that match and removed from all other events which he is entered at that tournament. A full report will be submitted to the player's Sectional and District Associations for any further disciplinary action deemed suitable.
 - g. In the matter of calling "lets", good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court (including the backstop), a "let" call must be made immediately, before either opponent has a chance to hit the return or before a return has gone out of play.
 - h. Any alleged violations of the above, which are brought to the attention of the referee, Tournament Committee, or designated USTA Southern Section official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player; and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the USTA Southern Section, or if the person involved is a spectator. Any flagrant violations of these regulations or rules of conduct brought to the attention of the USTA Southern Section Grievance Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor. 2. The USTA rules for application of the Point Penalty System to specific instances are printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament.

It shall file such nominations at least sixty (60) days prior to the next scheduled bi-annual meeting with the Secretary. Notice of the nominees thereof shall be mailed to each District Association within ten (10) days of receipt and with the notice of the bi-annual membership meeting. If, prior to the bi-annual membership meeting, any person so nominated dies, becomes incapacitated, or declines, or becomes ineligible to accept nomination, the vacancy in the nominations shall be filled by the Nominating Committee and the name of such persons as may be selected by such committee shall be placed in nomination at the bi-annual meeting by an appointee duly selected for such purpose by the Nominating Committee.
 - (c) In addition to nominations made by the Nominating Committee, nominations for Officers, Sectional Delegate, Delegates-at-Large, and for members of the Nominating Committee, may be made by petition executed by District Associations having an aggregate voting strength of not less than one-third (1/3) of the total voting strength, which petition shall be filed with the Secretary of the STA within thirty (30) days from the date notice is sent to the District Associations of the nominees submitted by the Nominating Committee. A notice of the names of such petition nominees and their proposers shall be mailed to each District Association within ten (10) days of receipt by the Secretary and shall be mailed with the notice of the bi-annual meeting or any supplemental notice of the bi-annual meeting, if a notice has been previously mailed. Any petition shall nominate persons for all positions enumerated under Section 3.(c) above.
 - (d) In the event nominations proposed by District Associations are different than that proposed by the Nominating Committee, a vote will be taken at the bi-annual meeting on a slate versus slate basis.
 - (e) No nominations may be made by the members from the floor at the bi-annual meeting and only candidates nominated as provided in this section shall be eligible for election.
4. THE GRIEVANCE COMMITTEE shall be composed of a Chairman, Vice-Chairman and one other person, all appointed by the President, with the approval of the Management Committee, and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional member of the USTA, all rules and regulations of the STA, and the standards of good conduct, fair play and good sportsmanship. The Grievance Committee shall operate under the following rules and regulations:
 - (a) When a written grievance is filed with the Chairman of the Grievance Committee, charging that any player; any person who is associated with a player (including but not limited to parents and coaches); any official organizer of any tournament, or any organization has violated any of the following:
 - (1) The Articles of Incorporation of the STA or Constitution of the USTA;
 - (2) The By-Laws, Rules and Regulations of the STA or USTA;
 - (3) The standards of good conduct, fair play and good sportsmanship of the STA or the USTA;
 - (4) The Rules of Tennis.

The Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person or organization along with notice that it has been received by the Chairman and requesting a written response to be furnished to the Chairman within ten (10) calendar days after service of the grievance. Thereafter, upon a finding by the Chairman that such person violated any of (1), (2), (3) or (4) above, the Chairman shall have the power to impose any of the following penalties, to wit:

- (1) Reprimand in writing;
- (2) Place such person upon probation under such terms and conditions as the Chairman in his sole discretion may deem appropriate and proper. (Violation of any of the terms of probation shall constitute grounds for the imposition of additional penalties).
- (3) Suspend such person from participating in any tournaments or other events sanctioned by the USTA within the Southern section, not to exceed two years;
- (4) Fine such person in an amount not to exceed \$1,000.00;
- (5) Any combination of the above;
- (6) In the event of an egregious act involving bodily injury or the threat thereof by the person against whom the grievance is filed, said person may be immediately suspended from participating in any tournaments or other events sanctioned by the USTA within the Southern Section, pending the outcome of the grievance.

Any of these penalties may be imposed against any junior member, when the grievance is filed against a person who is associated with him, such as a parent, guardian or coach. The Chairman may forward copies of any grievance and response, if any, to any other STA Committee.

- (b) Prior to imposing any penalty, the Chairman shall not be required to hold any hearings, and action may be taken by the Chairman without further investigation. In the absence of the Chairman, at the Chairman's request, the Vice-Chairman of the Grievance Committee shall have the same powers as the Chairman. The Chairman or Vice-Chairman, as the case may be, shall promptly notify, in writing, the person so charged of his decision.
 - (c) Within fifteen (15) days after receipt of a written notice of the decision by the Grievance Committee, the person penalized may appeal the decision by sending to the Chairman a written request for a hearing before the Grievance Committee. Upon receipt of such a request, the Chairman shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than two representatives, including the parent or guardian, to present testimony and other evidence and cross-examine witnesses. The Grievance Committee shall have power to affirm, modify, or reject the prior decision and to impose any additional penalties set forth above. The Grievance Committee shall promptly notify the person penalized of its decision.
 - (d) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Grievance Committee to render a decision. In such event a hearing shall be held in accordance with the provisions of subsection (c) above, and the Grievance Committee shall have the power to impose any or all of the above-described penalties as it may deem appropriate.
 - (e) Any appeal from a decision of the Grievance Committee shall be made to the Management Committee within fifteen (15) days after receipt of a written notice of a decision of the Grievance Committee. Such written notice shall be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the decision of the Grievance Committee and may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Following its review, the Management Committee shall promptly notify the person penalized of its decision. The Management Committee shall have power to affirm, modify, or reject the decision of the Grievance Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding. There may be a suspension of the penalty from the date of any decision of the Chairman, Vice Chairman or Grievance Committee up to the decision of the Management Committee.
 - (f) Any person who has been suspended pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Grievance Committee.
 - (g) All action of the Grievance Committee shall be reported to the USTA Grievance Committee and any other entities, bodies or individuals deemed necessary by the USTA Board of Directors.
5. THE SANCTION & SCHEDULE COMMITTEE shall be composed of a chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to the Board of Directors. Tournaments shall actually be awarded by the Board of Directors. In between meetings of the Committee, the Chairman shall be responsible for carrying out the functions of the Committee.
6. THE RANKINGS COMMITTEE shall be composed of a Chairman and such persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.
7. THE CONSTITUTION AND RULES COMMITTEE shall be composed of a Chairman and such other persons appointed by the President. This Committee shall review all regulations, By-Laws or Charter changes proposed for consistency and quality of language and shall recommend changes in the By-Laws as required.

8. THE PRESIDENT, in addition to being a member of the Board of Directors and the Management Committee, shall be an ex officio member of all other committees, except the Nominating Committee. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to re-election or re-appointment as the case may be, for a one-year term until their successors are named.
9. The following shall constitute a quorum for the transaction of business for the following named committees: Management Committee, not less than two-thirds (2/3) of its members; Nominating Committee, not less than three-fifths (3/5) of its members; Grievance Committee, not less than two-thirds (2/3) of its members. Quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.
10. Members of any committee may participate in the meeting of the committee by a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in the meeting pursuant to this Section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees, by mail.
11. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.
12. Any action required or permitted to be taken at any meeting of any committee, other than the Grievance Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

ARTICLE X REIMBURSEMENT

The President may authorize the reasonable reimbursement of any individual necessarily incurring travel, housing, meals, office, mailing, telephone, or other expenses in connection with the business of the STA. All reimbursements shall be subject to review by the Board of Directors at its next meeting.

2. Any amendment to the By-Laws of the USTA concerning membership, dues, and voting power shall automatically effect an amendment to the corresponding section of these By-Laws, and shall be subject to review at the next annual meeting of the membership.
3. Any proposed alteration, amendment or repeal or any proposed new By-Law provision permitted to be made hereunder shall be submitted by, or sponsored by, a District Association or a member of the Board of Directors only. Any such proposal shall be submitted to the Secretary at least forty-five (45) days prior to any scheduled meeting at which the amendment shall be voted upon. The Secretary shall include the same in any notice as required by these By-Laws.
4. The Chairman of the STA Constitution and Rules Committee may make language and stylistic changes considered advisable to implement the intent of the By-Laws, Rules and Regulations and other applicable regulations, and to make conforming changes required to avoid inconsistencies or conflicting provisions. **BEFORE HYPER CARBON, THEY WERE MERE TENNIS CHAMPIONS.
NOW, YOU MIGHT SAY THEY'RE ROCKET SCIENTISTS.**

10 9 8 7 6 5 4 3 2 1 Play. Which is exactly what the world's best will be doing with the **New Hyper Hammer™ 5.3** and **Hyper Pro Staff™ 5.0**. They're engineered from *Hyper Carbon™*, the lightest, stiffest, most advanced form of carbon ever developed...thanks to the space program. Our pros, these new Hypernauts, will surely punish the rest of the universe with this new unequalled power and stability. The near zero gravity lightness of these rackets will reveal maneuverability not seen this side of Pluto. It promises to be a tournament year full of shooting stars.
