WELCOME

PRESIDENT'S MESSAGE

During my first year as President of the USTA Southern Section I issued a challenge to our members - let's get out and play more tennis and help recruit new players into the sport. You have obviously met the challenge. USTA Southern Section membership is at an all-time high and currently makes up approximately 26% of the total USTA national membership. In addition, Southern Section USA League membership has broken the 100,000 mark for the first time.

Tennis in the United States is on an upswing. This year's US Open was the most exciting Open in recent memory as more people than ever before watched American's Andre Agassi and Serena Williams dominate their respective fields. However, we can't simply sit back and enjoy the ride. We must keep the momentum going and continue to proactively recruit new players. Therefore, I ask you to keep encouraging your friends and family to join you on the court.

The USTA Southern Section has hundreds of District and Section volunteers and staff working together for you, the player. As our team of volunteers work tirelessly all year, I ask you to take the time and thank them for the good job they are doing when you have the opportunity. In addition, we rely on your feedback to determine if we are meeting your needs. So please let us know what you think.

Finally, be on the lookout for new and exciting programs and events being held in your local area in the upcoming year. Check out the USTA Southern Section Internet site at www.usta-sta.com for program information, important dates, team and game-matching features, rankings, news and monthly give-aways exclusively for USTA Southern Section members.

I expect 2000 to be an exciting year for tennis and the USTA. Let's work together to make tennis the sport of the new millennium.

Randy Stephens, President
USTA Southern Section

EXECUTIVE DIRECTOR'S MESSAGE

The final year of the 20th Century certainly proved to be an excellent one for the USTA Southern Section. Your dedicated group of staff and volunteers continued to work tirelessly to develop better and more exciting programs to reach out and attract more players to our wonderful sport. Led by Section President Randy Stephens, we are well on our way to reaching the goals outlined in the 1997 Plan for Growth. Please help to recruit new players by talking up the sport whenever and wherever you have the opportunity.

MAGAZINE DISTRIBUTION

This magazine is published by the USTA Southern Section. A copy of this edition has been mailed to every current USTA member household of the Southern Section. This magazine was mailed "Third Class Non-Profit Mail" using the Jan. 15, 2000, USTA membership printout. This

same list is used for mailing each member's copy of Tennis Magazine and USTA Magazine. If you have moved and not notified the USTA of your change of address, or if your address is in any way incorrect, the copy could not be forwarded. To provide the USTA with your correct address, call 1-800-990-USTA or access the form at www.usta-sta.com. Under the policy of the USTA Southern Section, all replacement copies of Southern Tennis 2000 are \$8. If additional copies are desired, send a check payable to the USTA Southern Section.

DISTINCTION

Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to sponsoring the US Open and selecting members of the Davis Cup, Fed Cup and Olympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 137,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and

Tennessee comprise the USTA Southern Section, and accounts for more than 26% of the total USTA national membership. A professional staff housed in Norcross, Ga., carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers.

2000 SOUTHERN TENNIS HALL OF FAME INDUCTEES

Founded in 1977 by the Southern Tennis Patrons Foundation, the Southern Tennis Hall of Fame honors individuals whom, by excellence of their activities in and connected with Southern tennis, have brought substantial recognition and esteem to themselves and the USTA Southern Section. There are presently 50 members of the Southern Tennis Hall of Fame.

TIM WILKISON

Born in Shelby, N.C. in November 1959, Wilkison has long been admired as one of the truly "good guys" in professional tennis. Throughout his career he has been noted for his toughness, tenacity and all-out playing style and along the way has been appropriately nicknamed "Dr. Dirt." He joined the professional tour in 1976 at the age of 17, but did not really make his mark on the sport until 1978, when he upset Guillermo Vilas in the second round at Wimbledon.

With outstanding showings at the 1986 U.S. Open and 1985 Australian Open, Wilkison established himself as one of the better young players on the tour. He proved himself to be a considerable threat at any time and on any surface. Most notable in his record is his upset of Yannick Noah at the 1986 U.S. Open. He defeated Noah, the number-five seed by battling back from a two-sets-to-one deficit. He then cruised into the quarterfinals by beating Andrei Chesnokov

in straight sets. The following year at the Australian Open, he again faced Noah, only to lose a grueling five-set fourth round match 4-6, 4-6, 6-3, 6-4, 6-2.

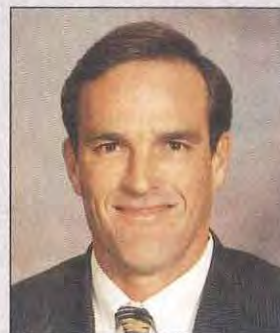

Wilkison won six singles titles and nine doubles titles in his career on the Men's Tour and in 1986 he reached his highest career ranking of number 21.

Currently playing on the Nuveen Senior Tour, Wilkison made his tour debut in 1995 at the Citibank Champions. At Wimbledon in 1996 Wilkison teamed with Wojtek Fibak to win the men's over-35 doubles title. During the 1996-1997 season on the Nuveen Tour, Wilkison teamed with Jose-Luis Clerc to win the doubles title at the Citibank Champions, and with Mansour Bahrami to capture the doubles title in Cape Cod. He won his first Nuveen Tour Singles Title in May 1997, beating Johan Kriek at the 1997 Corel Wordperfect Champions and reached

number-four in the Nuveen Masters point standings following that event. He received his largest payday of his career when he beat Kriek to win the 1998

Chanda Rubin kindly donated \$25,000 to the Southern Patrons Foundation.

RUBIN DONATES FED CUP STIPEND

For the second year in a row Chanda Rubin generously donated her \$25,000 Fed Cup Appearance stipend to the Southern Patrons Foundation. This money will be used to assist schools programs, player assistance, wheelchair events and scholarships in the Southern Section. Thank you, Chanda, for your contribution!

Under Chairman Lucy Garvin's skillful direction the Southern Tennis Patrons Foundation raised and distributed over \$9,000 in need-based assistance to Southern junior players and programs in 1999, nearly doubling the previous year's amount. The foundation will continue to offer this assistance in 2000, and interested junior players meeting the grant criteria should contact Bill Ozaki at 770-368-8200.

In addition, over \$12,000 was raised at the Southern Tennis Patrons Foundation's 2000

fund-raiser, "Dealing in the New Year!" Guests celebrated the New Year by purchasing "USTA Funny Money," which they used to gamble and redeem fabulous prizes such as trips to the 2000 U.S. Open, jewelry and weekend get-aways. The event also featured the ever-popular "Silent Auction."

The Patrons are extremely grateful to the donors and bidders for their support and would like to extend a wholehearted thank-you to everyone who participated.

1999 ANNUAL AWARD WINNERS

JACOBS BOWL

Presented to a volunteer who has exhibited outstanding service to the USTA Southern Section.

Harold Southern

Winston-Salem, N.C.

Harold Southern has devoted his life to tennis as a player, coordinator and administrator. With the exception of his four years of World War II service, he has not missed a year of competitive tennis in 70 years and throughout his lifetime he has amassed countless singles, doubles and mixed titles at the college, city, state and District levels in North and South Carolina. In 1997 and 1998, Harold teamed up with his wife Mildred to win the Senior 70 Mixed Doubles Championship held in Kiawah Island, SC.

Harold Southern

Harold has been actively promoting the game of tennis by serving on numerous tennis committees and by helping to run local tennis tournaments for 55 years. In the early 1950's, Harold was instrumental in convincing Winston-Salem officials that tennis needed to be emphasized as a

major community recreational sport. Today Winston-Salem has over 100 courts and each year the city plays host to several high profile tournaments.

In 1961, when Harold was President of the Winston-Salem Tennis Association, the city was chosen as the site of the 76th Southern Tennis Championships. Thanks to Harold and the tournament's other organizers, the event was a tremendous success. Player after player thanked Harold and his team of tournament coordinators, saying that it was the best-run and most enjoyable tournament they had ever played in.

Harold has served on the STA Finance Committee for the past six years. For the past 45 years Harold, and his wife Mildred, have formed one of the most influential and active tennis couples in the USTA Southern Section.

ADULT TOURNAMENT OF THE YEAR AWARD

Presented to a USTA sanctioned adult tournament in the Southern Section that has best demonstrated the high standards upheld by the USTA in organizing and conducting a sanctioned adult tournament.

National Bank of Commerce Mississippi Senior Invitational

Columbus, Miss.

Pat Wheeler

The 28th National Bank of Commerce MS Senior Invitational tournament, held July 8-11, 1999, at the Magnolia Tennis Club in Columbus, Miss., is the second longest-running tournament currently held in Mississippi. The 1999 tournament featured over 150 players from eight states participating in both singles and doubles competition. The National Bank of Commerce, the title sponsor for the past eight years, provided T-shirts for all entrants. In addition, a staffed refreshment tent offering iced bottled water, cold electrolyte drinks and fruit was available to the players all weekend. Originally 1999 was to be the final year of the

tournament, but player and volunteer support convinced Bobby Jones, tournament referee for the past 27 years, and Pat Wheeler, tournament director for the past 12, to keep the tradition alive and plans for the 2000 tournament are currently under way.

CHARLIE B. MORRIS JR. SERVICE AWARD

Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, District, Sectional and National levels.

James T. Russell

Belton, S.C.

Jim Russell first became involved in tennis in 1974 as a volunteer at the Palmetto Junior Championships in Belton, S.C. In 1975 he took over as tournament director and he served as tournament referee for 24 of the past 25 years. Each year he enthusiastically donates his time to the local tennis association to help run this premiere event, which in 1990 was honored as the Southern Junior Tournament of the Year.

James T. Russell

Russell became a member of the South Carolina Tennis Association in the late 1970s and in 1982 he was elected state president. During his term, he established the South Carolina Tennis Hall of Fame, which is located in the Belton depot. After serving as SCTA President, Russell acted as president of the South Carolina Tennis Patrons Foundation. He moved to the USTA Southern Section where he served as a committee chairman, board member, management committee member and officer. In 1992 he was elected Southern president. Following his two-year term as president, Russell served two years as chairman of the Southern Patrons Foundation. Over the years he has been a member of several USTA national committees, and from 1997-1998 he sat on the USTA board of directors. Currently, Russell serves on the USTA executive committee.

While Russell has been very involved in tennis at the state, Sectional and National levels, he has always found time to support tennis locally. He served two terms as the president of the Belton Tennis Association and was instrumental in helping to raise over \$150,000 to enlarge and renovate the Belton Tennis Center in the early 1990s. He is a lifetime ex-officio member of the local board, and in 1999 he personally raised over \$20,000 to improve the local tennis facilities. Much of this money was used to make much-needed improvements at Leda Poore Park, a city-owned tennis facility.

The 1999 Charlie B. Morris, Jr. award is the most recent honor bestowed upon James Russell. During his 25 years of service to tennis, he has been recognized with a number of prestigious honors and awards, including: South Carolina Official of the Year, Southern Official of the Year, Referee at the South Carolina Junior Tournament of the Year, Referee at the Southern Junior Tournament of the Year, and induction into the South Carolina Tennis Hall of Fame.

CHARITY TENNIS EVENT OF THE YEAR AWARD

Cheryl Bolick

Presented to a tennis event that donates its proceeds to a philanthropic cause.

CHILDWATCH Tennis Classic

High Point, N.C.

In only its third year, the CHILDWATCH Tennis Classic, held at the Oak Hallow Tennis Center in High Point, N.C., benefited from a remarkable display of community and corporate interest. Thanks to the dedication and commitment of the 125 local

volunteers, the tournament was able to raise over \$71,000 in cash and over \$31,000 in kind. The four-day event was presented by CHILDWATCH Inc., a non-profit organization dedicated to preventing and breaking the cycle of child abuse through education, intervention and advocacy/sponsorship. The community backing was impressive, as over 150 local sponsors opened their wallets to support the event. In addition, former touring professionals Charlie Owens, Roscoe Tanner, Sandy Mayer, Roy Barth, Jeff Austin and Tommy Ho competed in a "Legends Singles Draw." The "legends" then teamed up with players from the Open Singles Draw for doubles competition. Jack Mitchell

of Chattanooga off the street and onto the tennis court. So far his efforts have been admirable and highly successful, as several of the kids he brought into his program have gone on to become highly competitive tournament players. Not only does Jack instruct, but he also transports the kids in his program to local and state tournaments and he often pays their entry fee out of his own pocket. Jack's work with the youth of Chattanooga is done entirely on his own time, as he is also employed full time with Erlanger Medical Center as a physical therapist. Jack has truly become a father figure and friend to much of Chattanooga's youth.

Mt. Pleasant, S.C.

In its third year at host site Snee Farm Country Club in Mt. Pleasant, S.C., the USA District League Tennis Championship proved to be a tremendous success. Forty-five volunteers and over 1,200 USTA singles and doubles players with ratings between 2.5 and 5.0 participated in the event. The 839 individual matches were played on 40 different courts, located at three different

tennis facilities; Snee Farm Country Club, Whipple Road Recreation and the Charleston Tennis Center. T-shirts, lunch and other amenities were provided by local sponsors including the Trawler Restaurant, Piggly Wiggly Food Stores, Holiday Inn of Mt. Pleasant, Alltel Cellular Phones and the New England Company. A welcome reception for the players and their guests was held on the first night at the Trawler Restaurant in Mt. Pleasant and Dewey Caulder, tennis director at Snee Farm Country Club, provided the night's entertainment.

USA SCHOOL TENNIS

Students at a motivational USA School Tennis assembly show just how much youngsters can have when USA School Tennis is a part of their school's offerings.

USA School Tennis gives students in grades K-12 an opportunity to experience the benefits of tennis through their physical education classes in a tennis or "striking skills" unit. Each year, over 500,000 students across the USTA Southern Section take part in this program which features a high participation level and high success rate. Teachers that attend the USA School Tennis inservice receive free training, a curriculum guide and Wilson rackets, as well as a motivational assembly for their students. One of the purposes of the program is to link schools to local USTA after-school programs offered at the school or nearby tennis facility. Contact one of the coordinators listed below to start USA School Tennis in your community.

USA TENNIS 1•2•3

Players drill during a USA Tennis 1•2•3 clinic.

USA Tennis 1•2•3 is a low-cost, introductory program for all ages. The program is designed to teach players the basic skills and get them playing fast. As part of the USTA's nationwide initiative to grow the game of tennis, USA Tennis 1•2•3 introduced 46,000 new players to tennis in the USTA Southern Section in 1999.

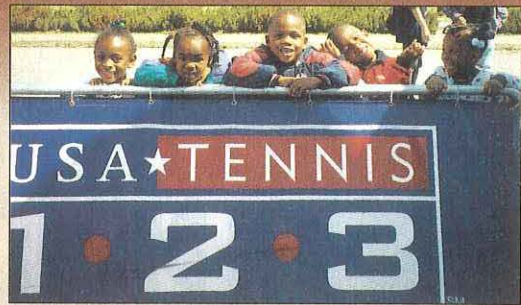

This young player enjoys USA Tennis Day in Raleigh, N.C.

USA Tennis 1•2•3 has separate curriculums for adults and juniors and prepares participants to play on a team in one of many follow-up USA Tennis programs. Both curriculums have three levels that focus on basic instruction, supervised play and low-key team competition. Upon completion of USA Tennis 1•2•3, adults may graduate to USA Team Tennis for Adults, followed by BMW Combo Doubles (see page 36) and/or USA League Tennis (see page 32). Juniors have the opportunity to play on a team with their friends through USA Team Tennis (see page 29).

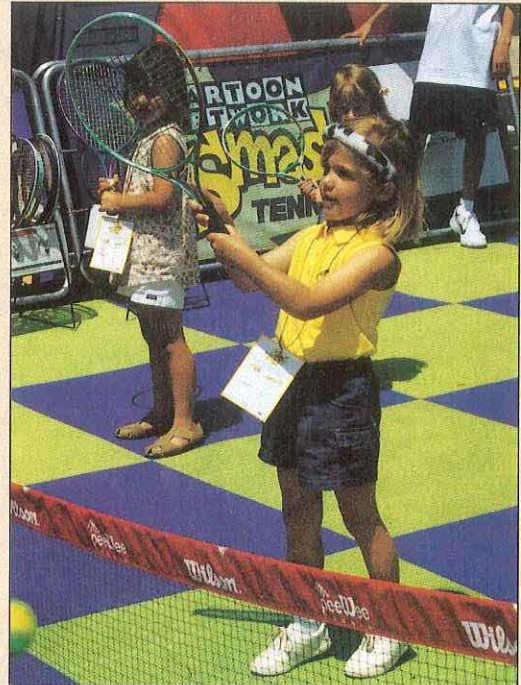

USA Tennis 1•2•3 can be implemented anywhere, including public parks, private clubs, schools, college campuses, military bases and churches. The program has helped several Community Tennis Associations and tennis professionals throughout the USTA Southern

Section generate thousands of new players to help grow local leagues and tournaments.

Participating sites receive free curriculum guides, free promotional materials, handouts for participants, low-cost USA Tennis merchandise and information on how to order low-cost equipment from manufacturers. In addition, the USTA offers a \$5.00 per person incentive fee for all new players. To start a program in your area, please contact one of the coordinators listed below.

USA Tennis 1•2•3 is taught at over 1,100 sites throughout the Southern Section.

USA TEAM TENNIS (RED DIVISION)

USA Team Tennis "Red Division" is the beginning-level division of USA Team Tennis. For a very low cost the program allows children ages 4-8 to play tennis with their friends. The Red Division is a package program, which includes a tennis racquet, tennis ball, trophy, T-shirt and USTA registration or junior membership. Parents who are interested in participating as coaches or team managers can attend a free workshop to learn the easiest and most fun way to teach tennis.

USA Team Tennis "Red Division" has been successful at elementary schools, YMCAs, public tennis centers, private tennis centers, and on neighborhood courts. USA Team Tennis now offers a \$25 per team incentive to parents or coaches who establish teams of six or more players.

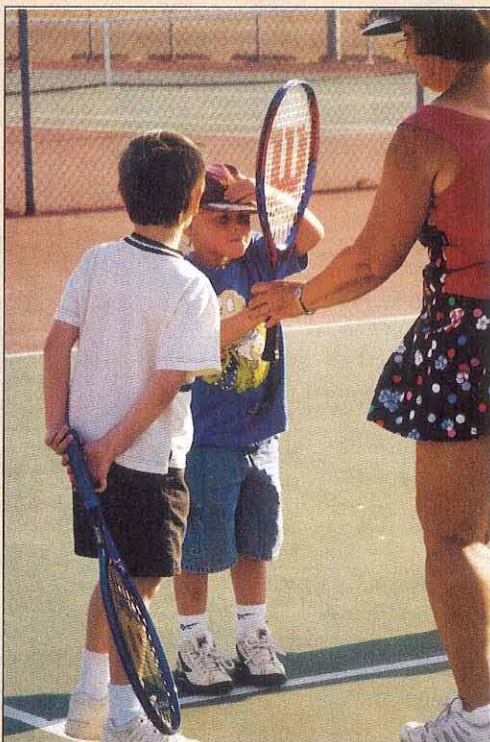

District and Sectional staff are eager to help you get the USA Team Tennis "Red Division" program started in your area. Contact your District USA Team Tennis "Red Division" Coordinator listed below to find out how to get your program started.

USA TENNIS-NJTL

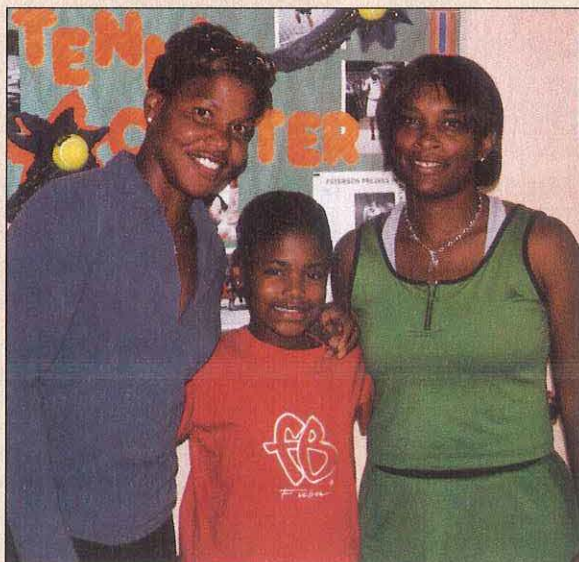

Adrian Mostella (above) of Gadsden, Ala., attends the NJTL Invitational Camp in California. All the NJTL Invitational campers and coaches (left) post for a shot in the hot Malibu sunshine.

The USA Tennis-NJTL regional rallies were a success in Mobile, Ala., and Jackson, Miss., with approximately 115 participants. Some benefits of the USA Tennis-NJTL program include the National Invitational Tennis Camp which was hosted at Pepperdine University in Malibu, Calif., Aug. 7-14, 1999. Adrian Mostella of Gadsden, Ala., was the camp scholarship recipient this year. Thirty-two NJTL participants are selected to attend each year based on camp criteria. This year the Arthur Ashe Essay Contest was introduced, challenging NJTL participants to write a 300-word essay on "Why Arthur Ashe is a sports legend." Steven Posey of Mobile, Ala., was the Southern Section essay winner in the boy's 18 division. A special congratulations to Steven! This year marks the 30th anniversary of the USA Tennis-NJTL program, which was founded in 1969 by Arthur Ashe, Charles Pasarell and Sheridan Snyder. The program is dedicated to introducing as many youngsters as possible to the lifetime sport of tennis, especially those who might not ordinarily participate, and to the values of humanitarianism, leadership and academic excellence. The philosophy of the program centers on team play and teamwork and provides a safe haven for young people, positive role models and strives to bring together young people from every segment of a community. We look forward to another 30 years of the USA Tennis-NJTL. For information on how to get involved or start a USA Tennis-NJTL program, call Nomi Husband at the USTA Southern Section office, 770-368-8200.

Dinkins hit with a few of the players and posed for some photos with the parents. Lori McNeil (left in photo at left) and Zina Garrison (right) are no strangers to Atlanta. They also came to visit the Burdette Player Development program in College Park to give a tennis clinic and to answer some questions the juniors had about their experience as professional tour players. Here, Whitney Byrd (center) was excited to pose with her tennis idols.

SUPER SENIORS

Life starts at age 62! Just ask anyone who participates in the Super Seniors program. The Super Seniors program has grown from 100 participants to over 2,500 in the past three years. The level of enthusiasm the players demonstrate is a great example of the true meaning of tennis as a lifetime sport. The 1999 Southern Sectional Super Seniors Championships were held in January in Litchfield, S.C., where the players enjoyed team camaraderie as well as the high level of competition. Although the age requirement to participate in the Super Seniors program is 62, many participants are in their late 70's and a few are playing well into their 80's! For more information about Super Seniors contact your District Coordinator listed below.

USA TEAM TENNIS CORPORATE LEAGUES

Corporate tennis league play wrapped up its first outdoor season in July and was a great success. Congratulations to Louisville Gas & Electric number one and PriceWaterhouseCoopers for placing first in their divisions. The season concluded on July 10th with a party in honor of the winners, inviting all for food, drink and lots of tennis.

The Corporate League consisted of 14 teams – a great showing for its first year – and the Kentucky Tennis Association hopes to see tremendous growth in the near future. Please spread the word to anyone you know desiring to play for his or her company. The Corporate League is new and exciting for everyone. Each match consists of three courts, men's doubles, women's doubles and mixed doubles. Members of each team are not required to be a USTA member and verification, while not required, is recommended in order to make play as fair as possible.

While still playing high-quality tennis, the League allows players to socialize among their coworkers and industry competitors. Kevin Ellis, an information analyst for LG&E, sees the league as "a way for me to meet other employees within LG&E who I'd not normally get to know because we are all spread out in offices and in the field." Players are able to change from week to week what type of play they want to participate in and the enjoyment of play outweighs the competitiveness. Jim Tougher, Controller for GenlyteThomas Group, said, "I was reluctant to join an organized tennis league, not having done so before. However I was delighted that I joined with my coworkers as we had lots of fun on and off the court".

For more information on Corporate Leagues in your area, please call your District Contacts.

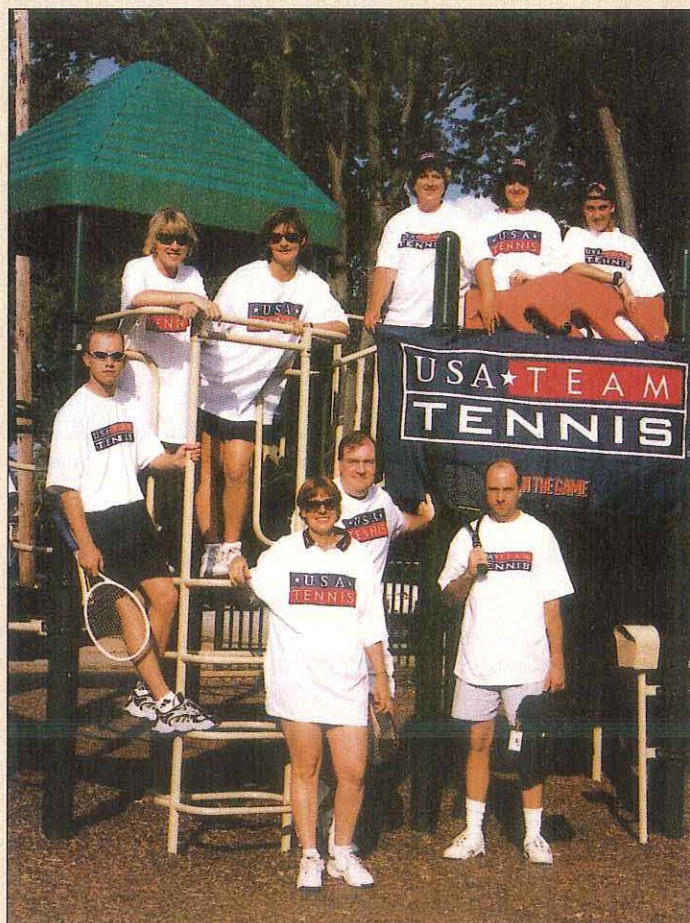

The Louisville Gas & Electric Corporate team included (from left) Kevin Ellis (captain), Cleo Meaux, Regina Lyons, Doug Gibson and Chuck Collins.

Players in the 12 & 14 Divisions will not be allowed to play a third match unless short scoring is used.

B Doubles

Players in the 16 & 18 Divisions from October through April are permitted to play as many as two doubles matches following their two singles matches, but only one doubles match from May through September. In lieu of a third set, a tie-breaker (match tie-break is recommended) may be played to determine the winner of the match. This applies to all tournaments except the Southern Championships and Bullfrog/STA Designated tournaments. It is recommended that District Qualifiers follow the same format as the Southern Championships. (note: matches/events using short scoring do not count towards USTA National rankings/standings)

If short scoring is used, up to three singles matches may be scheduled per day.

JUNIOR ENDORSEMENT INFORMATION

IMPORTANT INFORMATION

All juniors seeking endorsement to the USTA National Championships in 2000 should read this information very carefully. Discuss the contents with your parents and/or your coach to be sure you understand all these important procedures. Further information is available at www.usta-sta.com.

ENDORSEMENT REQUIREMENTS

Endorsement by the USTA Southern Section to the USTA National, Super National and Zone Team Championships will have two (2) paths:

- A player shall play in one Bullfrog/STA Designated tournament (or have applied to two and been declined), their District Qualifier and the Southern Jr. Closed in the age division for which endorsement is sought with their overall record placing them within the endorsed group, OR
- A player shall play in two Bullfrog/STA Designated tournaments, their District Qualifier or other State Championship in their District, and one Southern Jr. Championship in the age division for which endorsement is sought with their overall record placing them within the endorsed group.
- Players seeking endorsement to the USTA National 12's Hard Court Championships shall play in a minimum of two Bullfrog/STA Designated tournaments or one Bullfrog/STA Designated tournament and the spring 12's Southern Indoor Closed. Players who enter four or more of the Bullfrog/STA Designated tournaments without acceptance into the draw, meet the requirements for 12 and under players for endorsement.

USTA SOUTHERN SECTION RULES & REGULATIONS

Now is a good time for you to become familiar with the USTA Southern Section rules, regulations and requirements. You will find them at www.usta-sta.com. If you desire a printed copy, contact the USTA Southern Section office at 770-368-8200.

USTA REGULATIONS & NATIONAL JUNIOR TOURNAMENT SCHEDULE

A complete listing of national level tournaments is in the USTA National Jr. Tournament Schedule. To request a copy, contact the USTA Southern Section office at 770-368-8200 or usta-sta.com. The requirements for USTA National rankings may also be found in the USTA National Jr. Tournament Schedule.

USTA PLAYER RECORD FORM

A USTA Player Record Form may be found at www.usta-sta.com. If you desire a hard copy, please request one from the USTA Southern Section office. The National rankings are done by computer and only the approved USTA form is acceptable. We suggest that you keep a master copy and update it as you play in additional tournaments. Send an updated copy with each tournament entry and retain the master copy for yourself. When filling in your Player Record form, PRINT OR TYPE USING BLACK INK and remember to get your parents' signatures. ALL PLAYERS SEEKING ENDORSEMENT TO NATIONAL CHAMPIONSHIPS SHOULD BRING TO THE SOUTHERN CLOSED A COMPLETE PLAYER RECORD FORM FOR EACH NATIONAL THAT THEY DESIRE TO ENTER. BE SURE THAT IT IS UPDATED THROUGH LATE JUNE. SOUTHERN PLAYERS SHOULD BRING A CHECK FOR THE ENTRY FEE FOR EACH ZONE TEAM OR NATIONAL CHAMPIONSHIP THEY ARE INTERESTED IN AS WELL AS THEIR UPDATED PLAYER RECORD FORM.

NATIONAL CHAMPIONSHIP ENTRY FORMS

Information sheets for each tournament will, of course, vary. READ them carefully as they contain important information. These forms will be distributed during the Southern Closed based on computer standings. See your endorser at the Southern Closed.

- Fill out all entry forms and player record forms in BLACK ink.
- Make check payable as indicated on the fact sheet.
- Return these forms to your endorser by the deadline given.
- Be sure that all waivers and parent/guardian signatures are completed before returning your entry form and player record form to your endorser.
- Include a copy of your USTA card with each entry.
- Be sure to let your endorser know how to reach you during the endorsement process.

- Return with each entry form a self-addressed, stamped envelope for your endorser's use.

NATIONAL TOURNAMENT DEADLINES

The deadline for National Championships (unless otherwise shown) is two weeks prior to the beginning of the tournament. This is your Endorser's deadline. Please return your completed entry form and player record form to your endorser at the Southern Closed or by the date specified by them to allow plenty of time to process the entries, put them in the proper order and mail them to the tournament director. Please follow the Endorsers' instructions in the cover letter sent with the entry. DO NOT SEND YOUR ENTRY TO THE TOURNAMENT DIRECTOR, RETURN IT TO YOUR ENDORSER. If it is ready in time for the summer 2000 National events, an online Tournament Entry System (TES) may be available for entering the USTA National events. Please check with your USTA Southern Section ranking/endorsing coordinator for more details.

QUOTAS, ALTERNATES and EVENTS REQUIRING ENDORSEMENT

The USTA Southern Section quotas for 2000 are as follows:

- USTA Zone Team Championships for 16's (July 29-Aug. 3)---50 Boys and 50 Girls

When you accept entry to one of the National or Zone Team tournaments, it is your responsibility to appear. If you decide to drop out before the entry deadline, please inform your endorser immediately so that another Southern player can be added to the in-quota list. If it is necessary for you to withdraw from a tournament after the entry deadline, please notify the tournament director and your endorser immediately.

Alternates should follow their endorsers' instruction letter that was sent with the entry. It is conceivable that some alternates may be accepted at the last minute to fill spots resulting from last minute withdrawals.

USTA NATIONAL OPEN CHAMPIONSHIPS

Endorsement is not required. Up to the top 6 singles finishers will be endorsed to compete in the Super National which immediately follows a National Open. The doubles finalists will be endorsed to compete in the Super Nationals which immediately follows. Players who are age eligible for the next Super National may enter a particular National Open. Four National Opens will be held simultaneously. Players may enter from one to four of the National Opens with their acceptance based on their current National standing and ranking.

YOUR USTA SOUTHERN SECTION RANKING/ENDORISING COORDINATOR

On the next page is a list of the USTA Southern Section Junior Ranking/Endorsing Coordinators for 2000. Please establish early communications with your Coordinator. Questions regarding endorsement to the USTA National Championships and rankings should be directed to the Coordinator for your age group. If your address changes, you should immediately provide that change to your Coordinator, your District Office and the USTA Southern Section office. If you are planning to play in more than one age division, you

must inform both age division endorsers/rankers.

SPECIAL EVENTS

There are a number of special events for juniors that involve selection of players by the USTA Southern Section and/or the Districts. These include the following:

- USTA Boys/Girls 16 Intersection Team Championships---up to 4 boys & 4 girls
- USTA Junior Davis Cup---up to 6 boys
- USTA Junior Fed Cup---up to 6 girls
- Mills-Redgrave Jr. Challenge---3 boys & 3 girls in 14's, 16's & 18's

STA Jr. Davis/Fed Cup Championships---by District selection
STA 12's Jr. Davis/Fed Cup Championships---by District selection

STA 14's Zone Team Championships---24 boys & 24 girls

BULLFROG/STA DESIGNATED TOURNAMENTS

Participation in the Bullfrog/STA Designated Tournaments is required for endorsement for the 14, 16 and 18 age divisions. Draws will be limited to the top 32 players entering, based on current standings and records. A Challenger Event will be held in conjunction with each Bullfrog/STA Designated tournament. The winners of the first six Challenger Events will receive a wild card into the next Bullfrog/STA Designated tournament. PLAN YOUR SCHEDULE EARLY!

Tournament Directors will keep careful records of all entries, however, and if you have entered at least two of these tournaments and not been accepted, this requirement will be waived if your play in later tournaments clearly establishes a position within the endorsed group. For the USTA National Hard Courts, 12 and under players must have entered four Bullfrog/STA designateds without acceptance to have the requirement waived.

AGE ELIGIBILITY

New junior age eligibility rules took effect on January 1, 1999. See page (?) for a detailed explanation of the new rule.

USTA YEARBOOK

In addition to reading the Southern Tennis Yearbook and the USTA National Junior Tournament Schedule carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914) 696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Included in this section is a list of tournaments that require endorsement. Entry forms for these events will only be available from your USTA Southern Section Ranking/Endorsing Coordinator. As your Coordinator will receive only a limited number of entry forms for each tournament, please take note of the dates and do not request one unless you are sure you will be free to play that week if endorsed and accepted. You may or may not receive an entry form in response to this request.

COLLEGIATE PROGRAM

1999 introduces USA Tennis on College Campuses! In alliance with the National Intramural Recreational Sports Association (NIRSA) and the Intercollegiate Tennis Association (ITA), the USTA is dedicated to the growth of tennis on college campuses throughout the nation. Through USA Tennis, students can enjoy the sport of tennis in an intramural program on their college campus and/or in their physical education classes. Colleges and students in the Southern Section such as Wake Forest and the University of Southern Mississippi have had tremendous success with this program and are reaping all of the USA Tennis program benefits. For more information on this program, contact your District office or Tracy Turnbull at the USTA Southern Section office.

AREA TRAINING CENTERS

The 19 USTA/STA Area Training Centers provide 50 hours of supplemental training for 380 select players sectionwide. Players are selected based on a combination of criteria which includes competitive results, work ethic, sportsmanship and potential for future success. Through the ATC's, the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests. Competition will also be a major component in 2000.

DAILY PLAYING LIMITATIONS

ADULT PLAYING LIMITATIONS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."

B. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

C. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

D. No match shall be less than the best-of-three sets (no pro-set matches). The 12-point tiebreaker is to be used in all sets. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

2000 AGE ELIGIBILITY
