WELCOME

PRESIDENT'S MESSAGE

I am truly honored to serve as your President of the USTA Southern Section. Although the responsibilities in leading our section are considerable, I am extremely fortunate to have a Management Committee that is dedicated and experienced. Additionally, the Sectional Committee Chairmen who have been selected to serve are knowledgeable and enthusiastic and are well prepared to meet the challenges ahead.

The USTA Southern Section continues to be the largest and most dynamic of the 17 sections in the USTA family. As President, I pledge to ensure our continued growth and success. In 2001 the USTA Southern Section will initiate increased Internet participation and a new Point System for adult and senior rankings.

However, to attain such success, the Southern Section needs YOU – not only your participation in programs and tournaments, but in the crucial role of volunteer. During this year, encourage someone to pick up a racquet, help the desk at a local tournament, introduce tennis to your children's friends, and promote tennis at your local parks and public facilities. As a player, you can make a difference in growing the game!

Let us never forget that the USTA is an organization made up of volunteers. With your involvement and support, I am confident the USTA Southern Section will achieve great success in 2001.

Barbara Brewer, President
USTA Southern Section

EXECUTIVE DIRECTOR'S MESSAGE

This past year was a busy one for staff and volunteers alike, as they strived to ensure that 2000 was a great year for tennis. Everyone worked hard to bring you new and better programs in 2000 and we finished with a very successful year.

We have seen an impressive increase in USTA Southern Section membership and continue to move towards the goals outlined in the "Plan for Growth" that was implemented in 1997. 2001 will be a year of change for the USTA Southern Section. Randy Stephens stepped down as President and Barbara Brewer stepped in to take his place. Please join me in thanking Randy for the hard work and dedication he has shown the past two years and the great strides we have made under his terrific leadership.

Also, help me to welcome Barbara Brewer as our new Section President. Barbara is a lifetime tennis advocate and she will lead the Southern Section to continued success for the next two years. Finally, I would like to thank you, the player, for your support and commitment to the game we all love so much. Keep on playing!

MAGAZINE DISTRIBUTION

This magazine is published by the USTA Southern Section. A copy of this edition has been mailed to every current USTA member household of the Southern Section. This magazine was mailed "Third Class Non-Profit Mail" using the February 1, 2001 USTA membership printout. This same list is used

for mailing each member's copy of Tennis Magazine and USTA Magazine. If you have moved and not notified the USTA of your change of address, or if your address is in any way incorrect, the copy could not be forwarded. To provide the USTA with your correct address, call 1-800-990-USTA or access the form at www.usta-sta.com. Under the policy of the USTA Southern Section, all replacement copies of Southern Tennis 2000 are \$8. If additional copies are desired, send a check payable to the USTA Southern Section.

USTA'S MISSION

"To promote and develop the growth of tennis."

DISTINCTION

Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to owning the US Open and selecting members of the Davis Cup, Fed Cup and Olympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 149,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee make up the USTA Southern Section, and accounts for more than 24% of the

total USTA membership. A professional staff housed in Norcross, GA carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers. For more information about the types of programs and services offered by the USTA Southern Section visit www.usta-sta.com.

It's the nature of the sport. Some shots are out of reach. Most players accept it and move on. The question is: why? The new QuikTrac Scream can get you where you want to be. Lightweight and stable, Scream is designed for relentless acceleration and unrivaled torsional support. Just what you need to attack every shot—whether charging the net, back-pedaling, or moving laterally. And with cushioning that absorbs all the impact, it's the ball that takes a pounding, not your feet.

STA HALL OF FAME INDUCTEES

Founded in 1977 by the Southern Tennis Patrons Foundation, the Southern Tennis Hall of Fame honors individuals whom, by excellence of their activities in and connected with Southern tennis, have brought substantial recognition and esteem to themselves and the USTA Southern Section. There are presently 53 members of the Southern Tennis Hall of Fame.

WENDY WHITE-PRAUSA

Wendy White-Prausa was born in Atlanta, GA in September 1960 and spent much of her tennis-playing career in and around the city of Atlanta. As a junior player, White-Prausa

Wendy White-Prausa

dominated the game at all levels; in Georgia, the Southern Section and Nationally. She reached the #1 ranked position in the Georgia 16s and 18s and the #1 position in the Southern Section 18s. She was also ranked as high as #8 in the USTA National Girl's 18s.

White-Prausa was a finalist in the Southern Closed 16s and won the Southern Closed 18s. She was twice named to the Southern Girl's 18 Intersectional Team. In 1978 White-Prausa was named Player of the Year in Georgia. Between the years of 1977-1978, she won, or was a finalist in, over 30 National Junior and Amateur women's championships.

In 1977 and 1978 she was named to the USTA National Junior Wightman Cup team. To this day she is the only Georgia player to have this honor. In 1978 she was selected to represent the USTA as a member of the International Team at the Junior French Open. After qualifying for the

Women's Championship at the French Open, White-Prausa went on to win her first-round match. She also qualified that same year in singles and doubles at the US Open.

After graduating from high school in 1979, White-Prausa accepted a full scholarship to Rollins College in Winter Park, FL, then the #4 ranked tennis program in the nation. As a freshman, she was a finalist in the AIAW Division I National Collegiate Championships. The following year she went on to win the event, defeating Alycia Moulton of Stanford in the final.

Later that year, White-Prausa was named to the national USTA Junior Federation Cup team, represented the United States as a member of the US Players Continental Cup team, and was named to the US Connolly Cup team that competed in Great Britain. She was also named Collegiate All-American and Collegiate Sports Player of the Year in 1979 and 1980.

White-Prausa received her first amateur WTA computer ranking (#65) in 1979. By the end of her first year on the tour she moved up to #39 and, in 1980 #26. At #26 she was the highest-ranked amateur player in the world.

She turned professional in 1980 after her sophomore year at Rollins. She remains the only woman player to win the National Collegiate her sophomore year, turn professional, and return to school and graduate on schedule.

White-Prausa's professional career is equally as impressive as her amateur one. For twelve straight years she was ranked in the top 100, with her highest ranking of #19 occurring in 1982. In those twelve years, she was ranked in the top 40 in the world seven times and consistently held a doubles ranking in the top twenty. She won several tournaments on the pro circuit and some her more memorable wins came against such top players as Billie Jean King, Wendy Turnbull, Helena Sukova, and Ros Fairbank.

White-Prausa is married to her husband, Scott

and has four children; Courtney (9), Kelsey (7), Cassie (3), and Matthew (2).

CHARLES OWENS

Charlie Owens has been called many things throughout his distinguished tennis career, but the adjective "character" is probably the most colorful and accurate.

Charles Owens

Owens was born in July 1950 in Tuscaloosa, AL. After taking lessons at the Tuscaloosa Racquet Club, Owens understood that to succeed in tennis it was important to have both personality and on-court ability. With his trademark on-court acrobatics and easygoing personality, Owens quickly became one of the most entertaining tennis players in the South. Both spectators and competitors alike were drawn to Owens by his impressive skills and ability and easygoing, likeable manner.

As a junior player, Owens achieved the #1 ranking in the Alabama District in the Boy's 12s, 14s, 16s, and 18s and the #1 ranking in the Southern Section Boy's 14s, 16s, and 18s. He was also a top 30 player in the USTA National 14s and 16s, and a top-ten player in the USTA National 18s (#6 in 1968).

Between 1966 and 1968, Owens won, or was a finalist in, over 20 local and national championship tournaments. Some of his more noteworthy championship wins include the Georgia State Open, singles and doubles (1966), the Southern Open 16 & under (1966), Orange Bowl 16 & under, singles and doubles (1966), Alabama State

Closed Men's Singles Championship (1967), National Interscholastic Singles Champion (1968), and the Sugar Bowl Junior Singles Title (1968). Owens was also a member of the US Junior Davis Cup squad in 1968 and the winner of the Allan B. Stowe Sportsmanship Award at the Kalamazoo U.S. Juniors (1968).

In 1969 Owens enrolled at the University of Florida under coach Bill Potter. He then went on to become the first freshman in SEC history to win both the singles and doubles titles at the SEC Tennis Championships. In 1970 Owens transferred to Samford University after a six-month stint in the US Air Force National Guard. That same year he represented the United States at the World University Games in Turin, Italy, and won Bronze medals for Doubles and Mixed Doubles.

Owens went undefeated at the #1 singles position for the 1971 and 1972 seasons. Along the way he was a finalist at the US Amateur Clay Court Championships (1971) and he won the NCAA Division II Championship Singles tournament (1972).

In 1972 Owens turned professional and started playing U.S. Circuit events, including the US Open on grass. He reached the third round in both singles and doubles in 1973 and 1974. From 1972 – 1980 he played the US Open on all three surfaces: Grass (1972-1974); Rubico (1975); and Hardcourt (1979 & 1980).

Owens played the US Indoor Circuit each year from 1973-1976, finishing twice in the top 10 (1974 & 1975).

In 1974 and 1975 Owens played World Team Tennis for the New York Nets with teammates Billie Jean King, Virginia Wade, Manuel Santana, Niki Pilic and Sandy Mayer.

In 1976 Owens retired from the professional circuit, and became the Director of Tennis at the NorthRiver Yacht Club. He served in that capacity until 1978, and returned to the tennis circuit in 1979. Within one year after returning he jumped to #56 in the world, winning four tournaments and finishing as runner-up in three.

From 1980-1986, Owens was the Director of Tennis at the Pinehurst Hotel and Country Club. Despite this new direction, Owens continued to have success on the court. In 1985, 1986 and 1987 he won the USTA National 35 & Over Clay Court Singles and Doubles Championships. He also represented the United States in the Italia Cup in 1986, 1987, and 1989, winning the World Team Championships in 1987.

Victories over well-known and accomplished players such as Vitas Gerulaitis, Roscoe Tanner,

Brad Gilbert, John Alexander, Zan Guerry, Tim Wilkison and Stan Smith, topped off Owens' amazing career.

Charles Owens is married to his wife, Valerie.

JEAN CLARKE-JOHNSON

Jean Clarke-Johnson, a lifelong resident of Birmingham, AL, put together what may have been the greatest competitive career ever by a player from Alabama. She emerged as a star in

Jean Clarke-Johnson

Southern junior tennis during the war years, earning a #2 ranking in Girls Singles in 1943. She topped that accomplishment in 1944 by battling for the #1 ranking in 1944.

From 1943 until 1959 she held either a #1 or #2 Southern ranking in at least one age division,

including two top doubles rankings with partner Nancy Morrison.

Clarke-Johnson won the Southern Women's Singles title eight times, an accomplishment that many believe will never be matched again. Along the way, she won multiple titles at tournaments such as the Blue-Gray, the Tennessee State, and the Georgia State.

In 1954, Clarke-Johnson was ranked #11 in singles and #8 in doubles by the United States Lawn Tennis Association and was one of four players who represented the United States in the Pan American Games at Mexico City. In 1956 she competed in singles, doubles, and mixed doubles at Wimbledon.

While studying for a degree at Rollins College in Winter Park, FL, she played on a team that was ranked first in the nation. She later earned a Master's Degree from Auburn University in Alabama.

Clarke-Johnson's brilliant career brought lasting credit and attention to tennis in the state of Alabama. In 1985 she was among the first group of players inducted into the Alabama Tennis Hall of Fame.

Jean Clarke-Johnson passed away in 1995. She is survived by her husband, Abner.

STA PATRONS FOUNDATION

2000 was a record-breaking year for the Southern Tennis Patrons Foundation, as it raised and distributed over \$27,000. A leading beneficiary of the Patrons Foundation were junior players in the Southern Section; \$9,700 in need-based player assistance was distributed in 2000. The foundation will continue to offer this assistance in 2001 and all interested junior players meeting the grant criteria are encouraged to contact Bill Ozaki via email at ozaki@sta.usta.com.

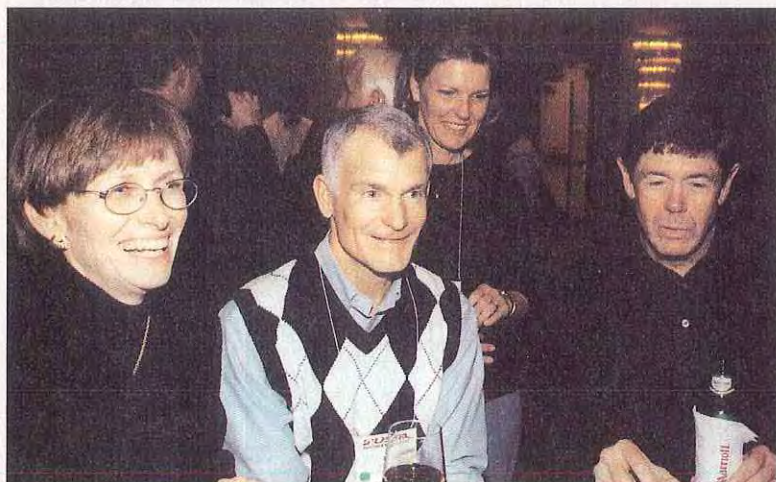

In addition, \$1,000 for Special Olympics Southeast Region, \$2,295 in State Foundation Matching Grants, and \$5,000 in Adopt-A-Court Matching Grants was raised and distributed. Chanda Rubin also generously donated to the "Chanda Rubin Fund." All monies in this fund went toward tournaments and junior programs in the South.

Finally, close to \$12,000 was raised at the Southern Tennis Patrons Foundation's 2001 fundraiser, "Viva Las Vegas!" Guests gambled the night away by purchasing "USTA Funny Money" and then redeeming their winnings for some fantastic prizes, including trips to the US Open and Tops'l Beach and Racquet Club. Everyone in attendance also enjoyed delicious food and top-notch musical entertainment.

The Patrons are grateful to all donors and bidders for their support and would like to thank everyone who participated for a wonderful night.

2000 ANNUAL AWARD WINNERS

JACOBS BOWL

Presented to a volunteer who has exhibited outstanding service to the USTA Southern Section.

Randy Stephens

Macon, GA.

A talented golfer and basketball player in college, Randy Stephens first picked up tennis after witnessing the historic Billie Jean King and Bobby Riggs tennis match. The excitement and enthusiasm drummed up by this event inspired Randy to pick up a racquet and, 25 years later, he has yet to put it down.

"Randy Stephens is the perfect recipient of the Jacobs Bowl," said John Callen, executive director, USTA Southern Section. "He has contributed so much to tennis over the past quarter century. Randy's leadership qualities benefited all the organizations he has served and tennis is the fortunate winner!"

Randy Stephens

Randy earned a bachelor's in Education from Georgia State University and became a teaching professional soon after graduating. He has been president of several professional tennis organizations, including the APTA, the GPTA and the USPTA Southern Division and has been president of both the Georgia Tennis Association and the USTA Southern Section. "I am extremely grateful to have been selected to receive this award," said Randy. "When I look back at the past recipients, I am honored and humbled to be associated with such a notable group."

His friend and colleague, Neill McGeachy, director of marketing, USTA Southern Section, said, "Randy is so deserving of this prestigious Jacobs Bowl award based on his adroit handling of the complexities of his two-year term. He proved again, as he has demonstrated throughout his long tennis career, that 'grace under pressure' remains his defining legacy to the USTA Southern Section."

Randy works as a Financial Consultant for Robinson Humphrey, Inc. Co. in Macon, GA.

CHARLIE B. MORRIS JR. SERVICE AWARD

Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, District, Sectional and National levels.

Jane Taylor

Memphis, TN

Jane Taylor epitomizes the ideal that the more you give to tennis the more you receive. A golf player until she was 40, Jane discovered tennis and quickly fell in love with the sport for many reasons, one of which was – as she put it – "Tennis players are much nicer (than golfers) and they don't smoke!" Tennis has changed her life, for the better, in many ways. "I formed many of my closest friendships while involved in tennis," Taylor explained. "This sport has become a major part of my life and so many of my fondest memories are of me on the court or as a tennis volunteer."

Her passion is adult and senior competition. True to the spirit of this award, she has volunteered at all levels in USTA for close to 30 years.

Jane Taylor

In her hometown of Memphis, TN, she was the tournament director for the Women's Southern Closed for 20 years. She also served as the president of the Tennessee Tennis Association.

She has served as a ranker for the Tennessee Tennis Association, the USTA Southern Section and the USTA for many years and she has served as Women's Intersectional captain for 13 years. She also captained Tennessee's Senior Cup team for all 15 years the program has been in existence. Many people often joke that, because Senior Cup captains such as Mildred Southern and Vicki Everette consider her to be such a "staunch supporter" of her Tennessee teams that Tennessee was sometimes seeded higher than they should have been in Senior Cup competition. Sharon Gault, chairman of the Adult/Senior Cup Committee, calls Jane Taylor the "cheerleader of all cheerleaders" whenever she has taken on the role of team captain.

Jane Taylor has also received the Touchstone Memorial Trophy, the USTA Senior Service Award and the Betty Gray Award.

ADULT TOURNAMENT OF THE YEAR AWARD

Presented to a USTA-sanctioned adult tournament in the Southern Section that has best demonstrated the high standards upheld by the USTA in organizing and conducting a sanctioned adult tournament.

Atlanta Senior Invitational

Atlanta, GA

Many past participants have often referred to the Atlanta Senior Invitational as "the best-run adult and senior event in the nation."

The 2000 event, now in its third year at the Cherokee Town and Country Club in Atlanta, was no exception. The Atlanta Senior Invitational, a USTA National Category II event, brings together the largest number of nationally ranked players of any senior event in the country. Over 130 singles players and 68 doubles teams competed for a national title in seven age categories (30-60) in 2000, with some players coming from as far away as Australia and England. Over 50 volunteers helped run the event, which featured two separate player parties and exceptional amenities.

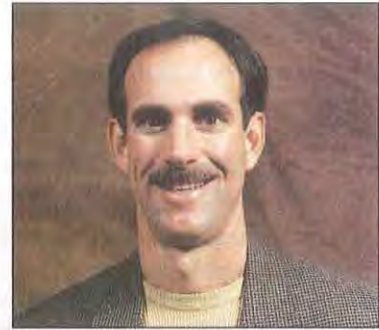

CHARITY TENNIS EVENT OF THE YEAR AWARD

Presented to a tennis event that donates its proceeds to a philanthropic cause.

Mercy Celebrity Classic Fort Smith, AR

For the eighth consecutive year the Mercy Celebrity Classic was held at the Sparks Athletic Club, in Fort Smith, AR. Thanks to an amazing show of support from the community and local corporations the event raised over \$150,000 for its three

charities – the Reynolds Cancer Support House; the Western Arkansas Alzheimer's Association; and the St. Edward Mercy Auxilliary – Helping Hands for Children. Over 75 players competed in the mixed doubles tournament. Guest Celebrity Pro's including 1993 French Open Doubles Champions Luke and Murphy Jensen, held special junior clinics and on-court activities throughout the day.

Bob Huckelbury

DEWITT REDGRAVE III JUNIOR ACHIEVEMENT AWARD

Given in memory of DeWitt Redgrave, III, this award is presented to an outstanding Southern junior ranked in the Boys' and Girls' 18-and-under divisions, in recognition of their tennis performance and sportsmanship.

Brian Baker Nashville, TN

There can be no doubting Brian Baker's dominance over his competition this past year; as he closed out 2000 ranked #1 in both the USTA National and USTA Southern Section Boys' 18 Singles Standings. Baker, who does not turn 16 until April 2001, defeated players more than two years his senior during his impressive run to the top of the Boys' 18 Standings. With 11 championships won in 2000, some of his highlights include; the USTA Clay Court National Championship – 16s (Rockville, MD); the USTA International Hard Court National Championship – 18s (Princeton, NJ); the Southern Tennis Association Closed Championships – 18s (Little Rock, AR); the Easter Bowl Doubles Champion – 16s (Palm Springs, CA); the USTA Interscholastic Championship – 18s (Lexington, KY); and the Southern Tennis Association Super Circuit – 18s (Memphis, TN). Brian also participated in several team competitions in 2000, including; the USTA Intersectionals – 16s (Shreveport, LA); the USTA Jr. Davis Cup – 18s (Columbia, SC); the USA NEC World Youth Cup Team – 16s (Hiroshima, Japan);

Brian Baker

and the Mills-Redgrave Competition – 18s (Tampa, FL). However, the highlight of Brian's year was his appearance and first career victory at the US Junior Open. Brian is currently a sophomore at Hillwood High School in Nashville.

Douglas Wink Greensboro, NC

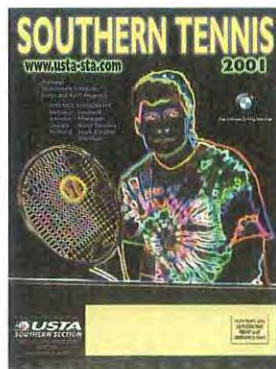

Douglas Wink won close to 77 percent of all her matches in 2000, and ended the year ranked #1 in the USTA Southern Section Girls' 18 Singles Standings, #3 in the USTA National Girls' 16s and #25 in the USTA National Girls' 18s. Not a bad year for a player not quite 17 years of age!

Douglas Wink

Douglas' year was highlighted by championship victories at the 18s STA Bullfrog Event in Baton Rouge, LA, the 18s Gator Bowl in Gainesville, FL, and the North Carolina Adult State Closed. She also represented the Southern Section at the 18s Intersectionals and had top five showings at the Southern Closed 18s, the 16s Easter Bowl and the 18s International Grass Court Championships. Douglas is currently a junior at Hilton Head Preparatory in Hilton Head Island, SC, where she trains at the Van Der Meer Tennis Academy. For the upcoming year she plans to continue to develop her game under the tutelage of Pat and Dennis Van der Meer. She also hopes to compete in Junior Grand Slam events in 2001.

FAMILY OF THE YEAR

Presented to a family in the USTA Southern Section that has been outstanding in its promotion of tennis in the Southern Section.

Pete and Diane Mitchell Family

Ocean Springs, MS

It is a widely held belief that the "family who plays together, stays together," and this has certainly proven true for the Mitchell family. Pete and Diane Mitchell and their three children, Joy (age 20), Brice (age 28) and Dawn (age 30), have been heavily involved in both playing and organizing tennis for many years. Pete and Diane are USA League Tennis veterans at the local, State, Sectional and National levels. Pete has been playing since 1991 and has competed at the Mississippi State Championships each year from 1994 to 2000, advancing to the USA League Tennis Southern Sectional Championships in 1995, 1999 and 2000. Diane has been playing USA League Tennis even longer than her husband, having joined her first team in 1987. She has competed at her State Championships every year since 1988 and even advanced to the USA League Tennis Southern Sectional Championships and National Championships in 1988. In addition to their on-court accomplishments, Pete and Diane have done quite a bit for the game of tennis off the court. Pete is on the Mississippi Tennis Association Board of Directors and

Pete and Diane Mitchell Family

sits on their Adult League Committee. He is also heavily involved in tournament organization at his local club. Diane's off-court activity is equally impressive. She helps organize several local tournaments each year and she works closely with Junior Team Tennis in the Gulf Coast area. Their three children are also active in the sport. Joy, the youngest at age 20, played tennis all through high school and currently plays on a USA League Tennis Mixed Doubles team. She also makes herself available to the local pro and assists with the junior tennis program. Their other daughter, Dawn, currently resides in Atlanta, GA. She grew up playing tennis in high school and has been the captain of her women's ALTA League and Mixed Doubles teams for the past two years. Before playing ALTA, Dawn competed in USA League Tennis from 1994-1996. She also played World Team Tennis from 1998-2000. Brice, 28, has been playing USA League Tennis for the past five years and has been his team's captain for the past two. In addition, he is a certified umpire.

EDUCATIONAL MERIT AWARD

Recognizes an individual who has developed an outstanding tennis program, which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds and benefits the growth of tennis in the Southern Section.

George Provost

Chattanooga, TN

George Provost has been promoting the game of tennis to inner city, multicultural players since 1994. In 1995 he worked with the Chattanooga Tennis Association to help found the Racquetters, an organization with the mission to teach and promote tennis to inner city youth and adults in the Chattanooga area. In the last year alone,

George Provost

Provost has seen its membership increase over 100 percent, jumping from 21 in 1999 to 45. Thanks to outstanding local involvement, the Racquetters have expanded their reach. In 2000, Provost and his Racquetters program brought tennis instruction to Tyner High School. Provost also led the way to providing free tennis lessons at Brainerd Tennis Courts to over 65 children, ages 5-17. He sponsored the participation of junior players in the Roscoe Tanner Tennis League, the

Mattie Hubbard Jones Tennis Tournament in Macon, GA, the Racquetters Tennis Tournament in Chattanooga and the Billie Jean King Junior Tennis Tournament in San Diego, CA. During the past summer Provost provided racquets, balls, a ball machine and refreshments for youth training. In addition to targeting youth, Provost has also worked to promote tennis to the adult community. He provided free tennis lessons at Brainerd Tennis Courts to 28 adults; these adults were mainly a mixture of parents of children in his other programs and other inner-city adults. Finally, Provost has started publishing a newsletter to provide tennis information and promote his message to club members, sponsors and the general public.

GERRIE ROTHWELL AWARD

Presented annually to a volunteer within the Southern Section who has demonstrated outstanding service and dedication to USA League Tennis, this award is given in honor of the late Gerrie Rothwell, former District League Coordinator of Arkansas.

Helen Jeter

Greer, SC

"All of my most enjoyable and rewarding life experiences have been associated with tennis," explained Helen Jeter. "Tennis has allowed me to grow as a person and afforded me the opportunity to meet some exceptional people."

While these are words one might hear from a person who has been involved in tennis for their entire life, Helen Jeter did not start playing tennis until she was 41. Her "life in tennis" began when she moved to Atlanta, GA, from Columbia, SC, in 1981. Just days after she arrived, Helen was approached by several women in her neighborhood and was asked to assist them in forming an ALTA team. She reluctantly agreed and a few weeks later she stepped onto a tennis court for the first time. In many ways she never stepped off. Her team won the City Championships that first year, and every year thereafter until 1986. After finishing the 1986 season, Helen and her family picked up and moved Greer, SC. Soon after moving to Greer, Helen was asked to serve as a Local League Coordinator. During the past 20 years, Helen has served tennis in various capacities at both the State and Sectional levels. From 1991-1993 she served as SC State League Coordinator. She has also been sitting on the South Carolina Tennis Association's Board since 1993 in various roles, including: Vice President for Leagues, Executive Vice President, and President. Helen has been chairman of the Sectional League NTRP Appeal Committee and the Adult League Committee. She has also served as a Southern Section Delegate-at-Large. In her career Helen has been awarded the SCTA President's Award (1992, 2000), the SCTA Lucy Garvin Volunteer of the Year Award (1992), and the USTA Southern Section District Volunteer Service Award (1992, 1999). Helen has been married to her husband Charles for 32 years. They have three children, Leigh, Beth and Charles, Jr. "I thank my family for the support and encouragement they have provided me over the years," said Helen.

JUNIOR TOURNAMENT OF THE YEAR AWARD

Presented to the USTA sanctioned junior tournament in the Southern Section that best demonstrates the USTA and Southern Section standards of organizing and conducting a sanctioned junior event.

BG14 USTA National Open Championships

Little Rock, AR

In his tournament evaluation form, Bill Ozaki gave the Boys'/Girls' 14 USTA National Open Championships the highest possible rating and describes it as "a first-class event in its first year." Anyone who competed in or was a spectator at this event would agree. From its daily supply of fruit and cookies for the players to its friendly and helpful tournament staff, this event was one of the best run, regardless of age, in 2000. In its first year at the Rebsamen Tennis Center, Tournament Director Judy Jones managed the event, featuring 111 of some of the top 14-year-olds in the country, with ease. Prior to the start of the tournament, 21 sponsors were secured to help fund the event. In addition, at the conclusion of the event, two sportsmanship awards were presented. Amenities were

Judy Jones

excellent and the media coverage was most impressive. The BG14 USTA National Open Championship truly was a "first-class event."

LOCAL LEAGUE COORDINATOR OF THE YEAR

Presented to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.

Deanna Garretson

Mountain Home, AR

Harrison, AR is 50 miles away from Deanna Garretson's hometown of Mountain Home, AR. However, when Deanna saw that Harrison had not had a tennis team for several years she decided that something had to change. So for the next two months she started hitting the phones and driving the 100-mile, round-trip commute back and forth between Harrison and Mountain Home, trying to stir up interest. Her efforts finally paid off and tennis

Deanna Garretson

was reborn in Harrison. Deanna has served as Northcentral Arkansas local league coordinator for the past two years, working with USA League Tennis, USA League Tennis Mixed Doubles and BMW Combo Doubles. In the past year, local league participation has increased over 50 percent in Mountain Home. She was also active in the formation of the Twin Lakes Community Tennis Association, an organization started to help promote tennis in the Twin Lakes community. Deanna is also heavily involved in promoting the USA Tennis 1•2•3 program for adults. Finally, she planned and helped organize a tennis carnival for a local Girl Scout day camp this past summer. While Deanna involves herself in other volunteer and charity activities, it is obvious that her first love is encouraging others and helping them develop a love for tennis.

MEDIA EXCELLENCE AWARD

Presented to an individual or organization in the Southern Section who has most contributed to the game of tennis by disseminating information about the sport to the general public.

Luke Jensen

Atlanta, GA

Luke Jensen is truly one of the most eccentric and well-liked tennis personalities in the game today. Known for his exciting play and entertaining on-court antics, Luke, with his brother Murphy, is best known for winning the 1993 French Open Doubles Championship. However, during the last few years, Luke has made a name for himself in the media industry. He is an excellent promoter of the sport and he just recently launched a successful career as a broadcaster and commentator for tennis events on television. He worked with ESPN this past year at Wimbledon and the Men's NCAA Team Championships. Luke also works with FOX Sports on many occasions and was involved in the production of the Ericsson Open. Finally, Luke has tried his hand at print media with a tennis information column in Net News, the official publication of the Atlanta Lawn Tennis Association.

Luke Jensen

MEMBER ORGANIZATION OF THE YEAR

Presented to a member organization in the USTA Southern Section to recognize outstanding service to the local community, to the organization members, and to the game of tennis.

Louisville Tennis Club

Louisville, KY

The Louisville Tennis Club has a long tradition of not only servicing its members but also the local community. Every year the club donates its facility to the Louisville Tennis Association for its USTA-sanctioned adult tournament. It also hosts an annual Cystic Fibrosis Foundation Pro-Am event, which raised over \$100,000 in 2000. The Ned Beatty Tennis and Golf Tournament for the Louisville Chapter of the Easter Seals uses the courts for its fundraising event, the "Toys for Tots" tennis party is held at the club every year and other groups such as Jewish Family Vocation Services and the River City Racquet League use the Louisville Tennis Club's courts and clubhouse for their own events. Founded in 1971 by a local group of investors headed by Dr. Warren Kemper, the Louisville Tennis Club originally housed six outdoor and nine indoor courts. Over the years the club has grown to be the premier club for quality tennis in the Louisville area with 12 indoor courts and 14 outdoor clay courts. Always supportive and involved with the growth of USTA programs, the club hosts the "USTA Player Development Area Training Workshop" annually and is a "Local Excellence Training" facility. The club supports the USA Tennis "Plan for Growth" and participated in the citywide "Free Lesson Blitz" in 1996 and 1997. Since then they have offered year-round USA Tennis 1•2•3 programs. Involved in many different levels of school tennis leagues, the club currently hosts 12 USTA Sanctioned Junior Tournaments each year. It also has many programs for adult players. Throughout the year leagues for men, women, and mixed doubles are held for all levels of play. The Louisville Tennis Club is proud of the work it has accomplished thus far, and will continue to strive to be the best organization it can be.

Larry and Sue Kline, owners of the Louisville Tennis club.

NJTL CHAPTER OF THE YEAR AWARD

Presented annually to the NJTL Chapter within the Southern Section that has demonstrated excellence in administration of the NJTL program.

USTA/NJTL Charleston, SC Chapter Charleston, SC

Founded in 1992, the USTA/NJTL Charleston, SC, Chapter has 12 instructors and two sites, with six courts at each site. The program has a total yearly participation of 254 children, with 172 of those children falling under minority status. Working with the City of Charleston Recreation Department,

Delores Jackson, chapter director.

the USTA/NJTL Charleston Chapter has become heavily involved in General Colin Powell's "Baby America Program" and has established a literacy program to work hand-in-hand with tennis instruction. Working with the local community, the USTA/NJTL Charleston Chapter arranges for prominent community figures (ministers, teachers, city officials, Battalion Fire Chief, etc.) to go into schools to read to a class. Volunteers agree to do this twice a week at their leisure. The USTA/NJTL Charleston Chapter has effectively introduced tennis to thousands of children

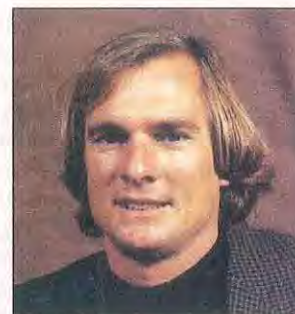

who otherwise might not have been exposed to it. In addition, they have dedicated themselves to fighting the illiteracy problem in the Charleston area.

SOUTHERN PROFESSIONAL OF THE YEAR **NEW AWARD FOR 2000**

This award is new for 2000. The award will be given annually to a tennis professional in the Southern Section that demonstrates a significant contribution to the game of tennis through their promoting of the USA Tennis Pathway programs and their support of the USTA Mission Statement ("to promote and develop the sport of tennis").

Gary Agardy Greenwood, SC

When asked to explain the impact Gary Agardy has had on tennis in Greenwood, SC, Joseph Cabri, Lander University's Men's Tennis Coach said, "Gary Agardy is, for many players, parents of players, tennis enthusiasts and charitable organizations, a tennis professional without equal." Gary has dedicated his life to teaching tennis and helping to grow the game. In the Spring of 2000 he held four USA Tennis "Free for All" clinics in Greenwood to introduce the game to new players. He then followed up these free clinics with adult and junior USA Tennis 1+2+3 sessions. Every player introduced to the sport through the "Free for All" and USA Tennis 1+2+3 programs run by Gary have since "graduated" into the USA Team Tennis program. Gary has brought both Adult Team Tennis and USA League Tennis to the Greenwood Country Club and has hosted two Adult USTA Sanctioned Tournaments and one USTA Sanctioned Junior tournament. He has been called a "genius at organizing people and players for clinics, exhibitions and fund raising tournaments" and it is widely known that he is happiest out on the court teaching and promoting the game he loves.

Regional Men's Championships. In addition, he worked at several ITF Wheelchair events and at the New Orleans Lawn Tennis Senior Invitational as a referee – a position he has held for nearly 25 years! "Beau" has also been a sectional trainer for the USTA Southern Section and for the past three years he has volunteered to conduct workshops on "the rules of the game," "player conduct" and "the best way to handle on-court disputes," in New Orleans, Baton Rouge and Lake Charles, LA. Beau's love of the game is legendary in New Orleans and throughout Louisiana. There is none other more deserving of this honor.

PRESIDENT'S TRIBUTE

USTA SOUTHERN SECTION PRESIDENT 1999-2001 RANDY STEPHENS - MACON, GA

The USTA Southern Section would like to thank Randy Stephens for the hard work and dedication he has shown during the past two years as president. Under his direction the Southern Section has made great strides in meeting the goals outlined in the USTA's Plan for Growth. Sectional membership has continued its upward climb, jumping from 128,485 in January 1998 to over 149,000 in December 2000 – a 16 percent increase. Additionally, USA League Tennis programs have enjoyed tremendous success.

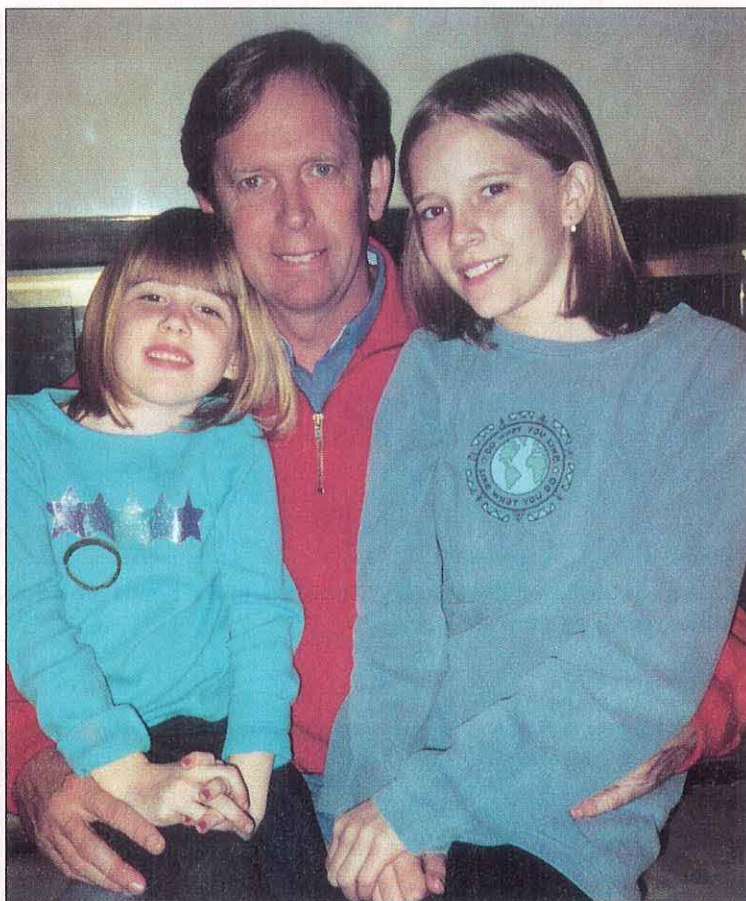

Let us all take a minute to thank Randy for what he has done for tennis in the South. Thank you, Randy, for two great years!

USA SCHOOL TENNIS

Students at Skyhaven Elementary School are in the tennis pro's listening position, ready to show their skills.

USA School Tennis gives P.E. teachers the training, equipment and curriculum materials necessary for them to offer a tennis or "striking skills" unit to their students.

Approximately half a million schoolchildren participate in this program each year in the USTA Southern Section. Schools may also receive a motivational assembly as a tool to promote local, follow-up USTA programs, such as USA Tennis 1•2•3 and/or USA Team Tennis. A major objective is to link schools that participate in USA School Tennis to one of these after-school opportunities, which may be located at the school or at a nearby tennis facility. Contact your State coordinator listed below to start USA School Tennis in your community.

In 2001, the USA Tennis 1•2•3 program will increase its focus on getting more adults into the game. By combining USA Tennis 1•2•3 with USA Team Tennis for Adults, the programs may be offered on college campuses, military bases, churches and synagogues and in corporate settings, just to name a few. The potential for expanding USA Tennis 1•2•3 and growing the game is endless.

Benefits for offering USA Tennis 1•2•3: Participating sites receive free curriculum guides as well as access to purchasing low-cost equipment from manufacturers and low-cost USA Tennis merchandise. New for 2001: The USTA will continue to offer a \$5 incentive for each new player in a youth program. For adult programs, the incentive has grown to a \$7 incentive fee for every new player.

USA Tennis Programs

Q) How do I get started in a USA Tennis Program in my area?
A) You have to call your State Program Coordinator to locate a program and/or league in your area. You can find lists of State Program Coordinators in this book or by going online at www.usta-sta.com.

Q) How do I get a Southern adult ranking?

A) As of 2001, players will be automatically listed in STA's Point System by participating in any of the events that count toward a Southern Ranking. Players will earn points for each round reached in tournaments that count toward a Southern Ranking. Final Rankings will be based on each player's best 3 results and will be updated on STA's website: www.usta-sta.com. Events include Southern Championships, National Championships, designated strong events across the south, State Championships. Bonus points are awarded for Sr. Cup, Intersectionals and International Team Play.

Ranking Info

Q) How do I get a junior Southern ranking?

A) Within the calendar year, you must compete in one southern championship and two other tournaments; one of the latter two tournaments must be outside of your home state and in one of the other Southern Section states.

Rules Info

Q) What is the new ITF Rules of Tennis change for continuous play, set breaks and rest periods?

A) 1. No rest after the first game of any set;
 2. If requested by any player on the court a two-minute set break between any set may be taken;
 3. If further means when playing best of two sets with a set or match tie-break for the third set a two-minute set break may be taken with no coaching; and

4. A 10-minute rest period with coaching is allowed between the second and third set when best of three sets is being played.

Schedule/Tournament Info

Q) Can I find a list of tournaments played in the Southern Section on the web?
A) Yes, all USTA tournaments taking place within the Southern Section can be found through our website: www.usta-sta.com. Click on the Tournaments button and then proceed to Schedule.

Q) Where can I get entry forms to the 2001 Bullfrog/STA Jr. Super Circuit & Challenger events?

A) Entry forms are only available online at www.usta-sta.com. From the homepage, you will see the entry form. Print out the entry form for each Designated you wish to enter and mail it to the tournament.

Q) Do I need to qualify for Southern Adult/Senior Championship events?

A) No, you do not need to qualify or play any previous tournaments to participate in a Southern Championship. Southern Adult/Senior championships are open to anyone wishing to play. The only restriction are "Closed" Championships, which are only for Southern Section players.

Q) How do I get into the USTA Super Nationals for juniors.

A) Easy ... there are 3 paths:
 A. If you are in the top 40 (128 draws) or top 60 (192 draws) in the USTA seeding/selection list you will be included in the draw.
 B. If you finish in the top 6 of the National Open that serves as the qualifier for the Super National, you will be included in the draw.
 C. If you fulfill sectional endorsement requirements and are within the section's quota, you will be included in the draw.

Of course all three of these options still require that you submit a timely entry.

BMW COMBO DOUBLES

BMW Combo Doubles is without a doubt the USTA Southern Section's fastest-growing adult program. When players are asked, "What makes BMW Combo Doubles so much fun?" the response is often, "We get to play with our friends," or "We are allowed to self-rate." These are two of the most attractive attributes the program offers its players.

In 2000, over 23,000 players participated in the BMW Combo Doubles program. This is a 43-percent increase from 1999. The skill levels offered are adult 4.5-10.5 and senior 6.5-8.5. The progression of play for this program is local to State, with State Champions being given the opportunity to compete against other top teams at the Tri-State Championships.

Three Tri-State Championships were held in 2000. Teams from Georgia, North Carolina and South Carolina competed in St. Simon's, Ga.; Arkansas, Louisiana and Mississippi faced off in New Orleans, La.; and Alabama, Kentucky and Tennessee played in Chattanooga, Tenn.

Tom Gullikson, the official spokesperson for BMW Combo Doubles, made appearances at all the Tri-State Championships. At each Tri-State event a winner was selected to win "The BMW Combo Doubles Sweepstakes prize," a three-day, two-night stay for two at the exclusive Marco Island Marriott Resort and Gold Club in Marco Island, Fla. The prize includes accommodations, airfare, shuttle and spending credits up to an all-inclusive limit of \$3,000.

USA TENNIS PLAYER DEVELOPMENT

Knoxville, Tenn., is one of the new USA Tennis Competition Training Centers (CTCs) and has been an ATC site since 1990.

USA TENNIS COMPETITION TRAINING CENTERS

Formerly known as the USTA Area Training Centers, the new USA Tennis Competition Training Centers (CTCs) brought new vigor to this program. The major change in the CTCs is the use of more competition with on-court

coaching as the primary component. The dissemination of the most current sports-science topics also remains as a primary objective of the centers. Nineteen CTCs are in operation in the Southern Section. A complete listing is available

on page 91. The primary season for the CTCs is fall, winter and/or early spring. For information on the CTC in your area, contact your State office.

USA TENNIS MONTH – TENNIS-E DAY HIGHLIGHTS

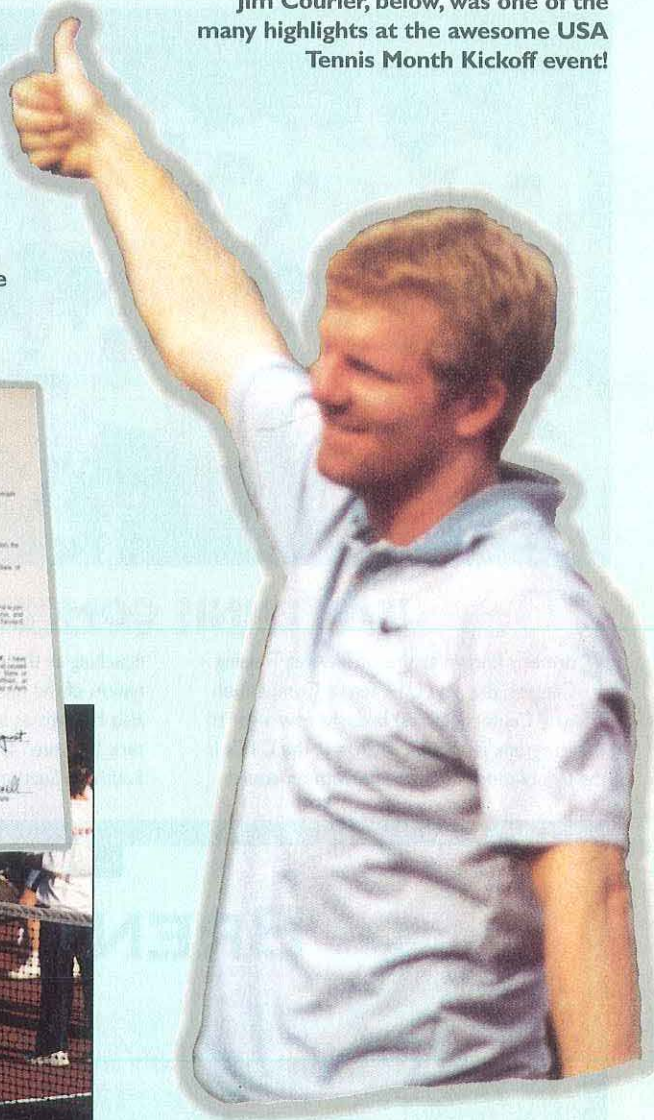

On May 1, 2000 Tennessee Gov. Don Sundquist renamed the state TENNIS-E to kickoff the third-annual USA Tennis Month! People of all ages were treated to an exciting tennis and music festival, complete with on-court games, prizes, food and free tennis clinics. The day featured tennis stars Alexandra Stevenson, Patrick McEnroe and Jim Courier, the Grammy-nominated music group SHeDAISY and USA Tennis Month Spokesman, actor Danny Glover. In addition, the Cartoon Network SMASH TENNIS truck was on site to provide the littlest of fans the opportunity to try their hands at tennis while at the same time interact with some of their favorite cartoon characters.

"The state of Tennessee will now be known as Tennis-E ..."

Jim Courier, below, was one of the many highlights at the awesome USA Tennis Month Kickoff event!

Danny Glover, USA Tennis Month Spokesperson, in top photo, and Patrick McEnroe spread the word via satellite. USTA President Judy Levering and Tennessee Gov. Don Sundquist, above, start the day's festivities at Legislative Plaza.

SHeDAISY performs for an appreciative crowd.

As a group of kids proclaim "We love tennis!" Alexandra Stevenson, in right photo, shows off her tennis skills and then hangs out with her fans.

Cartoon Network's SMASH TENNIS showed up for a good time, which included fun wheelchair events, as well.

STA/BULLFROG JR. DAVIS/FED CUP

BULLFROG/STA JR. DAVIS/FED CUP CHAMPIONSHIPS

Despite strong challenges from Team Arkansas and Team South Carolina in the Gold Division, Team Georgia won the Bullfrog/STA Jr. Davis/Fed Cup for their seventh consecutive title. Team Tennessee took the Silver Division over Team North Carolina and Team Alabama won the Bronze Division over Team Kentucky and Team Mississippi. The most surprising finish was that of Team Arkansas, as they took second place in their first year in the Gold Division.

Tournament director Eric Voges, coach at the McCallie School, directed this year's event, which was the highest rated to date based on the evaluations from players, parents and coaches. Many, many thanks should go to Mary Pat Rogers, who coordinated the fine meals that were served to players and

their parents throughout the event. The Baylor, McCallie and GPS Schools hosted the playing sites at their outstanding facilities. Richard Rogers and his fine officiating crew kept everything running smooth on court. Doug May and a great team of trainers kept everyone healthy.

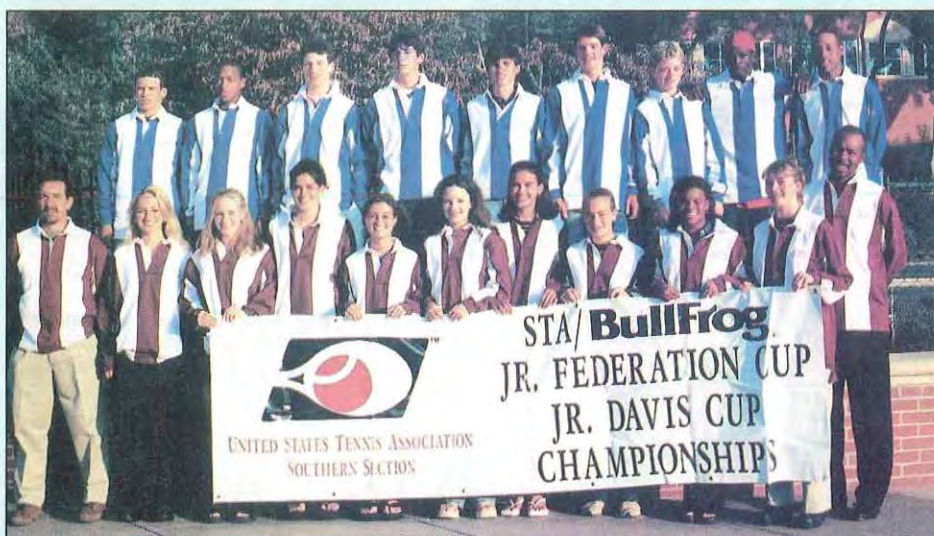

Bullfrog Waterproof Sunblock was the title sponsor and supporting sponsors included Herb Adcox Chevrolet, Bellsouth Mobility, Powerade and Mr. T's Pizza.

The team coaches did a great job. They were: Alabama – Eph Walker and Craig Shields; Arkansas – Janan Batchelor and Jake Shoemake; Georgia – Rick Davison and Derek Ameel; Kentucky – Mike Lindsay and Dave Kunselman; Louisiana – Bill Bryan and Gus Rivera; Mississippi – Ray Sahag and David Misner; North Carolina – Kevin Brandalik and Chris Cagle; South Carolina – Rod Ray and Greg Whitmire; Tennessee – Rob Cameron and Shannon Dunkin.

For information on how you can represent your State at the 2001 event, contact your State office.

Team Kentucky wins 12's Junior Davis / Fed Cup Championships at Stone Mountain Tennis Center.

BULLFROG/STA 12'S JDC/JFC CHAMPIONSHIPS

Bullfrog Waterproof Sunblock became the title sponsor of the 2000 event. Fifty-four of the top 12-year-olds from all nine States battled through tremendous competition during the three-day event. Team Kentucky took State honors this year. Team Williams, coached by Scott Pennington from Mississippi, won the Gold Division. Team Ferreria, coached by Mike Bryan from Louisiana, won the Silver Division. Team Martin took the Bronze Division and was coached by Jimbo Hobson from Arkansas. The other USPTA and PTR coaches included Beth Bilyeu – Tennessee; Geoff Waring – Alabama; Cindy Brady – Georgia; Calvin Davis – North Carolina; Chuck Waldron – South Carolina; Glen Zell – Kentucky.

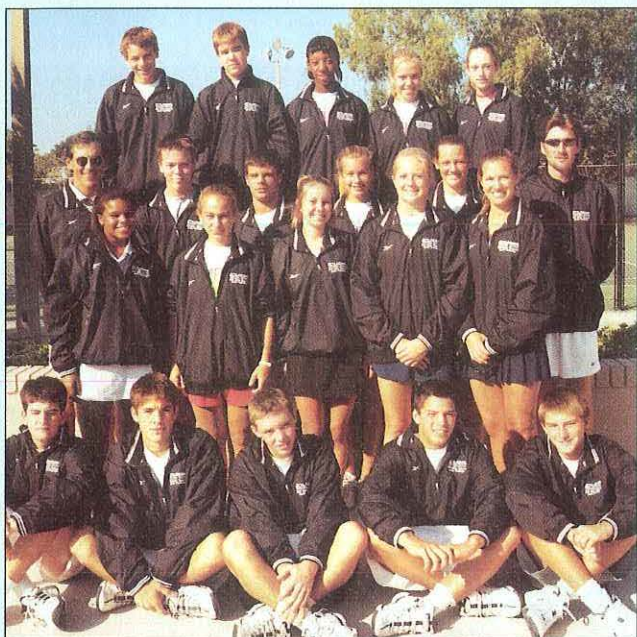

The Lincoln Tennis Center at Stone Mountain Park, site of the 1996 Olympics was the host site. Lisa McCarthy served as the tournament director and Amy Binder as the tournament referee.

Team Williams, with coach Scott Pennington, won the Gold Division at the 2000 12's Junior Davis / Fed Cup Championships at Stone Mountain Tennis Center.

MILLS REDGRAVE JUNIOR CHALLENGE

Team Southern won 13 out of 18 singles matches on the last day of competition to defeat Team Florida, 45 to 39, to earn our fourth consecutive victory. Coaches for Team Southern were Rebekah Henry from Chattanooga, TN, Ray Sahag from Jackson, MS and Kevin Brandalik from Charlotte, NC. The historic Bardmoor Tennis Center was the site for this year's event. Many thanks to the FTA's Lynne Salus and Bardmoor Director of Tennis, Maria Cercone for hosting the event. Players for Team Southern are selected based on their national results for the current year. Initiated in 1994, the Mills-Redgrave Junior Challenge is dedicated to the memory of Dr. Alfred Mills and Dewitt Redgrave III, who were tremendous supporters of junior tennis in the USTA Florida and Southern Sections, respectively.

USTA ZONE TEAM CHAMPIONSHIPS

16 Zone Team, Austin, Tex.

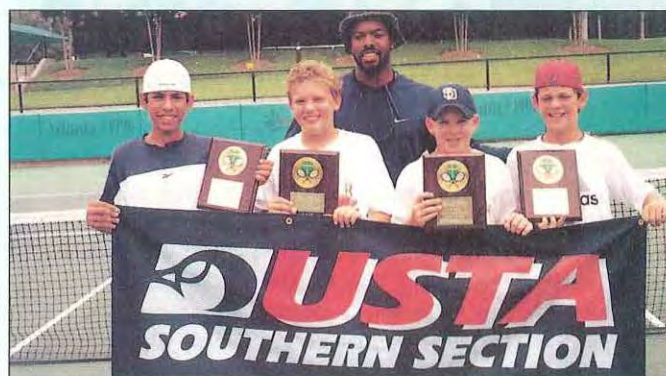

In a year that introduced many new national events, the USTA Zone Team Championships remained a favorite of Team Southern. In addition to the team camaraderie, the non-elimination format and team coaching were the features favored most by our players. The matches count for national ranking purposes and the event is worth four points toward the 22 required for a national ranking. Team Southern was fortunate to be coached by the following outstanding USPTA and PTR coaches: Derek Ameel (GA); Jake Shoemake (AR); Brian Devilliers (GA); Ray Sahag (MS); Walker Sahag (MS); Richard Woodruff (NC); Shane Wells (NC); Chris Hoshour (SC); Tony Womeodu (TN); Tony Cherone (TN); Valentine Emechete (TN); Steve Schmidt (LA); Dan Weant (NC); Beth Bilyeu (TN); Chuck Hatfield (GA); Philip Campbell (LA); John Dingle (SC); Craig Cooper (GA); Rebekah Henry (TN); David Helbig (TN); Steve Pace (GA); Shannon Dunkin (TN); Scott Handback (SC); Brian Burke (SC). Coaches are nominated through the USTA/STA Competition Training Centers and their respective State Office.

Zonal 12 Boys in Nashville.

Team Seles, with Coach Scott Handback, took first-place gold-girls at the 14 Zone Team Championships.

Team Rafter, Coach Brian Burke, took first-place gold-boys at the STA 14 Zone Team Championships

STA 14 ZONALS

Fifty-four top STA 14's competed in the STA 14 Zonals at the Lincoln Tennis Center in Stone Mountain, Georgia. The level of competition remains very strong as evidenced by 1999 participant Chris Jones who won the 2000 Southern Boys 14 Closed. Gonzalez, Ryan Farlow, Scott Bacon, Woody Blount and Team Seles, coached by Scott Handback (SC) with team members Elizabeth Gooze, Natalie Lauten, Carling Arundel and Lauren Pitcher. This applies to all tournaments except the Southern Championships and Bullfrog/STA Designated tournaments. It is recommended that District Qualifiers follow the same format as the Southern Championships. (note: matches/events using short scoring do not count towards USTA National rankings/standings)

If short scoring is used, up to three singles matches may be scheduled per day.

USTA YEARBOOK

In addition to reading the Southern Tennis Yearbook and the USTA National Junior Tournament Schedule carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914) 696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The Southern Tennis Association and its nine Districts are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Included in this section is a list of tournaments that require endorsement. Registration format of for these events will be online at www.usta.com.

Additional quota spots are selected from the Qualifying based on the most current GTA Standings/Seeding List.

KENTUCKY

Quota: For 128 Draw-7, 160 Draw-9
Junior Tennis Council

To qualify for the Southern Closed Championships, a junior player must play in the Joe Creason Junior Qualifying Tournament in the singles age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the Joe Creason is mandatory, unless waived in advanced by the Waiver Committee.

Selection for five slots per division will be based on the top five finishers in the Joe Creason Junior Qualifying Tournament (the four semifinalists and the feed in consolation winner). All other slots open to Kentucky Juniors will be based on a player's performance in the Joe Creason Qualifying Tournament and the strength of the player's overall tournament record for the current year; caliber of wins and head to head matches, National, Sectional, and District rankings.

LOUISIANA

Quota: For 128 Draw-10, 160 Draw 12
Diana Vincent

To qualify for the Southern Closed, a junior player must play the Louisiana State Jr. Qualifying tournament and one of the four prior designated tournaments (any designated tournament after last year's LA Closed Jr. Qualifying) in his/her age division. Waivers will be considered on a case-by-case basis by the Junior Tennis Council.

MISSISSIPPI

Quota: For 128 Draw-11, 160 Draw-13
Beckie Barry

To qualify for the Southern Closed Championships, a junior must play in the MS Closed Qualifying tournament. The four semi finalists in the championship (main) bracket and the winner (5th) and the runner up (6th) of the consolations are automatically selected. Selection of the remaining players for MS's quota will be based on National, Sectional, District ranking and standings; the caliber of wins and head to head matches; and the performance at the MS Qualifier. If a player misses the tournament because of illness, family crisis or unavoidable circumstances, the District Selector may use last year's National, Sectional and District rankings plus current play to determine whether the player can be endorsed.

NORTH CAROLINA

Quota: For 128 Draw-16, 160 Draw-18
Helen Fuller

Selection to the Junior Southern Closed tournament is based primarily on the most recent update of the NCTA Seeding and Selection List calculated with the final results of the Tar Heel Qualifier. The Junior Selection Committee retains the right to adjust if necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. Play in any age group other than that which the player applies for selection to the Southern Junior Closed will not be considered.

SOUTH CAROLINA

Quota: For 128 Draw-11, 160 Draw-13
Boys: Margaret Lee
Girls: Terri Ferrell

To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and SCTA Junior Council. The top 8 finishers at the State Qualifying will be selected. Other selections will be based on a player's National, Southern, and State rankings plus current season's play.

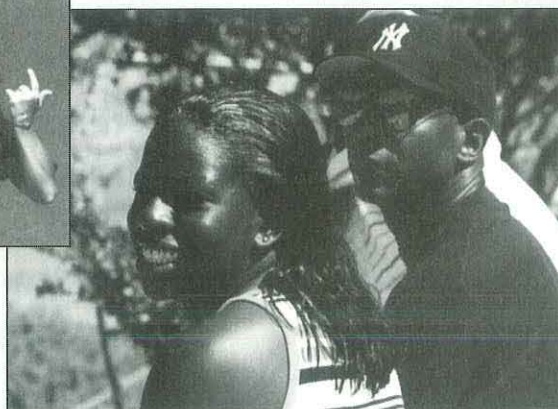

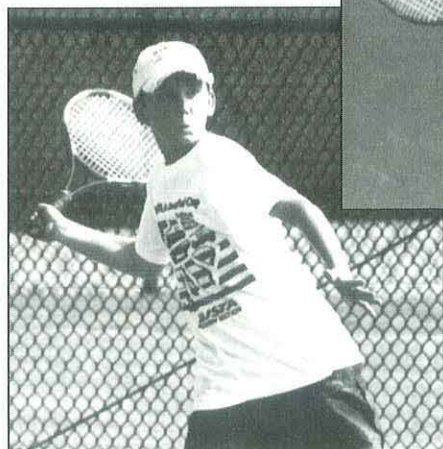

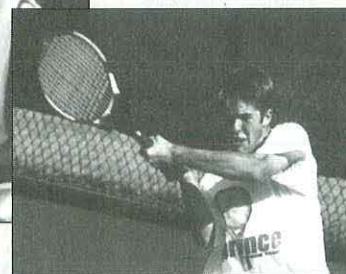

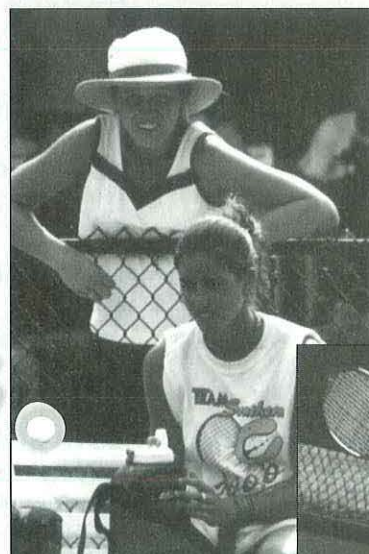

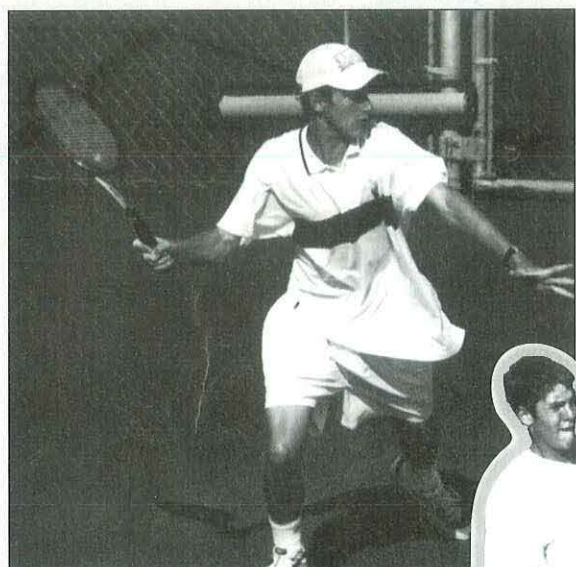

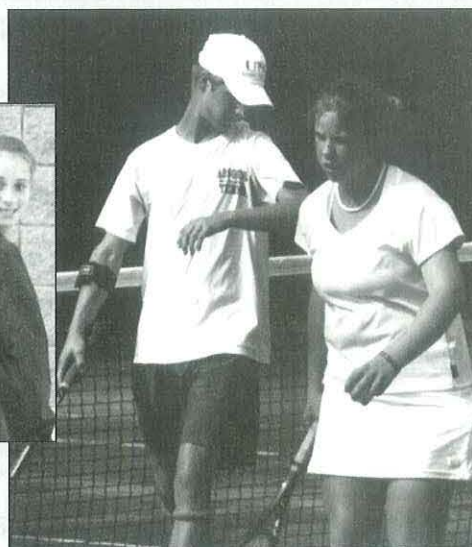

TENNESSEE

Quota: For 128 Draw-15, 160 Draw-17
Boys 18: Blain Smith
Boys 16: Peter Lebedevs
Boys 14: Rob Cameron
Boys 12: Neal Stapp
Girls 18: Peter Lebedevs
Girls 16: Steve Annacone
Girls 14: Rebekah Henry
Girls 12: Neal Stapp

The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the District Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee.

The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on players record from January 1 up to and including the State Qualifying (e.g. common opponent, caliber of wins, head to head). All players wanting to be endorsed MUST fill in an application at the Qualifying and return it to their endorser before the date specified by the endorser.

COLLEGIATE PROGRAM

In alliance with the National Intramural Recreational Sports Association (NIRSA) and the Intercollegiate Tennis Association (ITA), the USTA is dedicated to the growth of tennis on college campuses throughout the Nation. Through USA Tennis, students can enjoy the sport of tennis in an intramural program on their college campus and/or in their Physical Education classes. Colleges and students in the Southern Section such as Wake Forest and the University of Southern Mississippi have had tremendous success with this program and are reaping all of the USA Tennis program benefits. For more information on this program, contact your State office or Jo Pautz at the USTA Southern Section office.

USTA SOUTHERN SECTION 2000 RECREATIONAL COLLEGIATE PROGRAM

The Collegiate Recreational program had a great year in terms of growth. The USA Tennis 1-2-3 on College Campus grew by 60% and USA Team Tennis on College Campus grew by 39%. We are hopeful that more and more college students will get turned on to the game.

The 1st Annual USA Team Tennis National Campus Championship was held in Austin, TX. We are proud to say that a USTA Southern Section team, the University of North Carolina, won the event. We are looking forward to this year's tournament to be held in Austin, March 15-17.

USTA
SOUTHERN SECTION

COMPETITIVE TRAINING CENTERS

The 19 USTA/STA Competitive Training Centers (formerly known as Area Training Centers) provide 50 hours of supplemental training for 304 select players throughout the Southern Section. Players are selected based on a combination of criteria, which includes competitive results, work ethic, sportsmanship and potential for future success. Through the CTC's, the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests. Competition will also be a major component in 2001.

ADULT PLAYING LIMITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

- The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."
- No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.
- For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.
- At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.
- If a tournament advertises in its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak in lieu of third set with set tiebreak or the preferred match tiebreak, short sets, etc. ... see Rule 27, Rules of Tennis for full descriptions.
