USTA SOUTHERN SECTION MISSION STATEMENT

"To promote and develop the growth of tennis."

DISTINCTION

Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to owning the U.S. Open and selecting members of the Davis Cup, Fed Cup, Olympic and Paralympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 167,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee make up the USTA Southern Section, and account for approximately 25% of the total USTA membership. A professional staff housed in Norcross, GA, carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers. For more information about the types of programs and services offered by the USTA Southern Section, visit www.southerntennis.com.

Messages

Message from the President and the Executive Director

As we look back on another year, we would like to thank our teaching professionals, dedicated volunteers and Section and State staffs for the hard work and commitment to the game they have shown. It is our collective love of the game that motivates us to continue to provide our tennis community with newer and better tennis programs each and every year.

2005 was a year full of challenges, exciting changes and new ideas for the USTA organization as a whole. New programs were introduced, celebrations were held and the tennis community banded together in a way unlike anyone has ever seen as it tried to overcome the devastation caused by Hurricane Katrina.

The USTA and her allied organizations continue to work together to rebuild the Gulf Coast tennis community following Katrina. The USTA, her Section and State offices, the USPTA, PTR and others have given, and continue to give, generously in their attempts to assist tennis professionals, facility owners and players who were displaced by the storms. With hundreds of tennis clubs and facilities severely damaged or completely wiped out by Hurricane Katrina and thousands of people displaced, the USTA Southern Section has thus far donated in excess of \$150,000 to help with tennis-related relief and recovery efforts, including the rebuilding and repairing of damaged or destroyed facilities, assistance to displaced tennis professionals and the reestablishment of adult and junior USTA programs at alternate temporary sites.

The Southern Tennis Patrons Foundation, the charitable arm of the USTA Southern Section, has also contributed \$50,000 to the relief effort, with a good portion of the money going to junior tennis players who, because of Katrina, needed assistance traveling to tournaments or needed replacement equipment.

These combined efforts have been instrumental in our ability to successfully relocate displaced professionals and, more importantly, have been vital in helping those professionals who want to remain in the affected areas to rebuild.

While Hurricane Katrina was the major story in 2005, tennis got some good news when it was announced that tennis participation was at its highest level in 13 years. The annual USTA/TIA Participation Study showed that 24.7 million Americans are playing tennis, the most since 1992, and that participation grew by 1.1 million players, up 4.1 percent vs. 2004. Additionally, 5.8 million new players began playing the game in 2005 and frequent players topped 5 million, up 8.8 percent vs. 2004.

The USTA and the TIA unveiled an exciting new program called Cardio Tennis, a new fun group tennis activity that com-

bines tennis with a high-energy cardiovascular workout. Debuted during the 2005 U.S. Open, it is currently available at over 600 public and private tennis facilities across the country. To find a facility near you that offers Cardio Tennis, visit www.cardiotennis.com.

In 2005, the USTA got both a facelift and a restructuring. Our new logo, which can be found on the cover of this yearbook, was introduced and was officially unveiled this past January.

Additionally, the USTA and its Sections started reaching

out to the community in a brand new way in 2005 with the creation of the Tennis Service Representative position. These newly hired Tennis Service Reps (TSR's) will work as a team as they focus on increasing participation by promoting, developing and servicing tennis programs in assigned geographic areas. In total, Southern will have one TSR per state plus a TSR coordinator working out of the USTA Southern office.

2005 was also a special year for USTA Leagues as celebrations were held throughout the Section commemorating the program's 25th anniversary. League tennis was also featured on last year's yearbook cover for the very first time and several markets throughout the Section reached all-time highs in player registration.

Additionally, we introduced a new invitational tournament for our Super Senior players. Known as the Super Senior Combo Doubles Invitational, the event brought 230 players on 23 teams to Mobile, AL, this past January.

With all the changes that took place this past year, 2006 promises to be especially challenging, but the USTA Southern Section is ready to meet that challenge. Our staff and volunteer base are among the most talented in the nation and each and every one of them is looking forward to servicing the game and you.

Thank you,

Jeff Gray, President
USTA Southern Section

Sharon Gault

Sharon has been involved with USTA Mississippi since 1978 when she became chairman for both the Sanctions/Schedules Committee and the Junior Ranking Committee. That same year, she was named to the USTA Mississippi's board of directors. In 1981, she became the organization's first vice president and then, in 1983, she became president. In 1985, USTA Mississippi presented Sharon and her family with the Family of the Year award and, in 1996, she was selected for inclusion into the Mississippi Tennis Hall of Fame.

Since 1985, Sharon Gault has been at the forefront of various committees with the USTA Southern Section. She began as the vice chairman for the Adult League Committee and, in 1986, she became the chairman of this committee. Sharon became vice president in 1989 and held the position for two years. She has chaired various committees such as the Adult/Senior Competition Committee, Southern Senior Cup and the Strategic Planning Committee. For all her hard work, Sharon was awarded the Charles B. Morris Jr. Service Award in 2001, the Jacobs Bowl Award in 1997, the Southern Volunteer Service Award in 1992 and the Gerrie Rothwell Award in 1991.

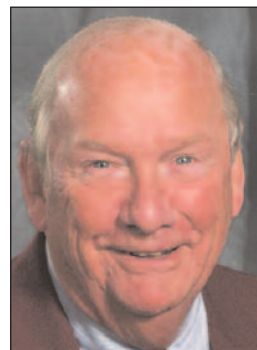

Sharon has also been involved at the National level, working on several different committees. Sharon has two children, Win and Will, and four grandchildren.

JOHN PEDDYCORD

John Peddycord has spent the last 35 years of his life volunteering his time for the betterment of tennis in the South as well as the country. Today, he utilizes his experiences from Wachovia Capital Management, where he retired as senior vice president in 2002, and works on the USTA Southern Section's Budget

John Peddycord

Committee, the U.S. Tennis Associations Investment Committee and the USTA North Carolina Tennis Foundations Planning and Fundraising committees. John is also the chairman for the Southern Tennis Patrons Foundation Investment Committee. He was inducted into the North Carolina Tennis Hall of Fame in 1990.

In 1972, John, became a board member for Winston-Salem Tennis Inc. and he still holds his position there today. During his time with Winston-Salem Tennis Inc., he has worked in a variety of areas. In 1974, John was elected president and held this position for one year. He was co-chairman for the North Carolina Junior Qualifying Tournament in both 1973 and 1985 and has been chairman of the USTA Boys' 12 Clay Court Championships four times and chairman for the Zanne Meads awards banquet for 10 years, from 1972-1982.

USTA North Carolina has been lucky to have John as a board member for over 30 years. John has helped establish the North Carolina Umpires Association and he coordinated the establishment of the North Carolina Tennis Hall of Fame offices in Greensboro, NC. In 1979, he was elected president and held this position for two years. In 1988, he was presented with the Family of the Year award.

John has helped with the North Carolina Tennis Foundation for the last 25 years, including serving as president in 1981. He has also chaired various committees including the Nominating Committee and the Hall of Fame Coordinating Committee. He has been working on the Hall of Fame Selection Committee for the last 11 years.

The USTA Southern Section has also been rewarded with John's services for the last 25 years. During this time, he has served two years as a USTA delegate, three years as vice president, five years as chairman of the Junior Tennis Council and eight years as the chairman of the Investment and Finance Committee. It is no surprise he was awarded the Charles B. Morris Service Award in 1998.

John has served on many National committees including the Circuit Advisory and Junior Davis Cup Committee, the Player Development Committee, the Steering Committee and the Olympic Committee. John also served as chairman for the Junior Competition Committee from 1989-1995 and was the chairman for the Nominating Committee from 1994-1995.

PAUL SCARPA

Paul Scarpa grew up in Charleston, SC, where he became an outstanding junior player in the 1950s. He won the first 18-and-under singles title at the Palmetto Championships in Belton in 1957. He was ranked No. 1 in South Carolina and No. 3 in the South and went on to win the Southern Sportsmanship Award in the Boys' 18s. Scarpa attended Florida State University where he was a former No. 1 singles and doubles player. He went on to play and win the NCAA Eastern Intercollegiate Championships. Scarpa also holds the distinction of being the first player to win the state men's championship as both an amateur and later as a professional when it opened to pros for the first time.

Following graduation, Scarpa was hired as head tennis coach at Florida State and the Naval Academy. In 1966, he moved to Greenville, SC, to work as head tennis professional at Greenville Country Club and head coach at Furman University. He continued to play tennis competitively and was a semifinalist in both singles and doubles at the National Teaching Professionals Championships, an achievement that helped Scarpa win South Carolina's Professional of the Year award in 1975.

Paul left Greenville Country Club in 1973 to work full time on his coaching responsibilities at Furman. He has entered his 39th year as the only head coach of Furman's men's tennis team. On April 22, 2001, Scarpa wrote his name in the record books as he became only the fourth coach to reach the 700-win plateau. He ranks third among the nation's active tennis coaches in wins and a .621 winning percentage ranks him among the nation's elite. He has posted winning records against top competition in 34 of his 38 seasons as Furman.

Scarpa became the first coach in the state to develop a tennis camp on a college campus in 1970. This summer will mark the camp's 36th year at Furman. The camp is highly regarded and over the years has drawn some of the best young talent in the region and nation.

One of the most influential players and coaches ever produced by the state of South Carolina, Paul's

contribution to tennis at Furman University and the Palmetto State was summed up best when he was the eighth person inducted into the South Carolina Tennis Hall-of-Fame in 1986. He has won a number of awards, including the 1990 and 2000 South Carolina Coach of the Year award, and also has been named the Southern Conference Coach of the Year seven times.

While Paul's influence has left its mark at Furman and in South Carolina, it has also been felt at the national level. He developed and patented Textex, a line tape used on clay-court surfaces. In what Scarpa calls one of his proudest accomplishments, the NCAA in 1993 began utilizing a new dual match scoring system, developed by Scarpa, in all men's dual match and championship play. Known as the "Scarpa System," the format specifies that all matches begin with doubles point. The proven aim of the system was to shorten the time-frame of a typical dual match, thus increasing overall intensity and fan interest, two elements that are the hallmarks of Scarpa's Furman program. The format has since been adopted for women's matches.

Furman has honored Scarpa in a number of ways. A tennis scholarship was endowed in his name in 1986. Scarpa was inducted into the school's Athletic Hall of Fame in 1994 and, in 1995, the university built the Minor Herndon Mickel Tennis Center and announced that the championship court would be named in his honor. Furman proclaimed April 10, 1999, Paul Scarpa Day and honored the coach with a special ceremony before his 1,000th match at Furman.

Paul Scarpa is one of the true champions of our sport. He is known throughout the college community as a leader, a great coach, a great motivator and a true gentleman. He is dedicated to his players, loyal to his school and his accomplishments speak for themselves.

2005 Annual Award Winners

Paula Hale of Winterville, NC, Celebrated With Jacobs Bowl

Jacobs Bowl

- ▶ The highest honor presented by the USTA Southern Section, this award is presented to a volunteer who has exhibited outstanding service in the USTA Southern Section.

- ▶ Paula Hale
Winterville, NC

Paula Hale

When Paula Hale first became involved with her local CTA, she probably had no idea that her connection to the USTA would become a lifelong assignment. Twenty years later, her passion for the game and tremendous work ethic has motivated her work on several influential committees and her exemplary volunteer spirit has earned her the venerable Jacobs Bowl Award. With 31 years of experience in social services for the state of North Carolina, Paula has brought leadership and vision to all levels of the USTA.

In 1988, Paula began her tennis service career when she was named president of the Wilson (NC) Tennis Foundation. For four years, Paula ran tournaments, initiated charity events, published newsletters and presided over the development of board and community involvement. During her presidency, she hired the first tennis professional for the city of Wilson. In 1992, she began her run as chairman of the Sanction and Schedule Committee for USTA North Carolina. Paula served as chairman for North Carolina for eight years and it was during that time that she began branching out to other

areas of the USTA.

Paula began her tenure with USTA Southern as a member of the Adult Competition Committee where she served for four years. She took her expertise to the next level as a member of the USTA Adult Competition Committee where she worked with fellow committee members to elevate NTRP tournaments to the National level. She was also instrumental in developing zonal and regional events for adult competition and was the ranking chairman for the USTA Women's 65s division. She went on to serve as the subcommittee chair for the CTA committee where she was responsible for the development of the Community Development Outreach Plan for the USTA Southern Section.

In 2000, Paula added several more titles to her ever-expanding tennis resume as she was appointed to the board of directors for the USTA Southern Section. Additionally, she was appointed to the North Carolina board of directors and was named to the North Carolina Tennis Foundation Board. Under her direction, the USTA North Carolina annual meeting was moved to the Pinehurst resort and the date was changed from November to February so it would fall

after the Southern annual meeting. Paula's proactive ideas have translated into better customer service and appreciation for USTA North Carolina volunteers and members. The first volunteer appreciation reception and the awarding of service pins to avid North Carolina volunteers were initiated by Hale. As a member of the strategic planning committee, Paula saw the need to restructure and expand service delivery areas from five Sections to 12 in order to better serve North Carolina constituents. Locally, she assisted in the development of the Downeast Community Tennis Association. Under her leadership, the first partnership with the Boys & Girls Club was initiated and the Eastern Carolina University varsity tennis team began a partnership with the CTA by offering a six-week session of lessons to junior players.

Paula's most recent duties for USTA North Carolina have been serving as a member of the Constitution and Rules Committee, chairman of the Nominating Committee and president of the board of directors for the North Carolina Tennis Foundation. During her term as the NCTF president, Paula provided bold leadership for the Capital Fundraising Campaign project, the first attempt of its kind in over 25 years. Paula orchestrated the efforts of statewide volunteers toward the campaign goal of \$1.5 million dollars. This daring goal was recently reached and continues to climb higher and higher! The Foundation now stands as a vital organization helping to ensure the future of tennis in North Carolina through such avenues as scholarships and

endowments. Construction for the North Carolina Tennis Hall of Fame will begin in 2006 and will be housed in the new building.

"Paula has provided excellent leadership for us. Both organizations, the North Carolina Tennis Association and the North Carolina Tennis Foundation have achieved over and beyond all expectations under her direction the last four years," said Kelly Gaines, USTA North Carolina executive director. "North Carolina Tennis is fortunate to have someone who would give so much time and commitment for tennis!"

At the Section level, Paula has chaired the State Presidents Committee and is currently serving as a Growth and Participation Committee member, a Delegate-at-Large, and chair of Community Development Committee. As chair of the Community Development Committee, she was instrumental in increasing funds and implementing \$500,000 in CDLM grants. She also played a key role in developing the criteria for awarding funds for community development grants.

At the National level, Paula was appointed a project leader for the USTA Community Funding Program and serves as a member of the USTA Community Tennis Association Development Committee. She is also a graduate of the USTA University of Leadership Institute.

Paula is currently employed as a real estate agent with Aldridge and Southern Realtors in Greenville.

Lucy Garvin, Greenville, SC, Nets Charlie B. Morris Jr. Service Award

Charlie B. Morris Jr. Service Award

- Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, State, Sectional and/or National levels.
- Lucy Garvin
Greenville, SC

Lucy Garvin

Lucy Garvin will be forever linked with tennis and the USTA. A volunteer for over 40 years, she has quietly devoted much of her life to the sport. Over the years, she slowly worked her way up through the ranks, volunteering for various high-profile positions at the community, State, Sectional and National levels.

Lucy was elected to her second consecutive term as vice president of the USTA in January 2005. Prior to being appointed vice president, she had served one term as director at large. She is board liaison to the USTA Sections, a member of the board's Strategic Planning and Compensation committees, and board liaison to the

Tennis in the Public Parks Task Force. Lucy represents the USTA on the ITF Junior Competition Committee and is a member of the International Committee.

Previously, she served as board liaison to the Administration Division and as a member of the Budget Committee and the Diversity Guide Team. Garvin also served as council co-chair of the Community Tennis Development Division, chaired the USTA Section Presidents and Adult/Senior Recreation committees, and was the USTA Southern Section delegate and chairwoman of the USTA Delegates Assembly.

A former president of the USTA Southern Section, Garvin was inducted into the

USTA Southern Tennis Hall of Fame in January 2005. She has received many awards, including the USTA South Carolina President's Award in 1998 and the USTA Southern Section's Jacobs Bowl Award in 1999. In 1996, USTA South Carolina established the Lucy Garvin Volunteer of the Year Award in her honor. She was inducted into the South Carolina Tennis Hall of Fame in 1998 and the Southern Tennis Hall of Fame in January 2005.

At the Sectional and State levels, Lucy has held virtually every high-ranking volunteer position available. With USTA South Carolina, she served on the board as treasurer, vice president and finally as president. She also served as chair of South Carolina's Nominating Committee and the South Carolina Tennis Patrons Foundation.

With USTA Southern, she served stints on the Southern board as treasurer, vice president, executive president and from 1997-1998 she led the section as president. She also served as chair of the Junior Tennis Council, the Sanction and Schedule Committee, the Southern Tennis Patrons Foundation and the Southern Tennis Nominating

Committee. While serving as Southern's executive vice-president in 1996, Lucy had the rare opportunity to supervise the team of tennis scorers at the Olympic games in Atlanta.

In 1975, Garvin began managing and marketing tennis facilities, a major career change as she has a degree in nursing. She continues to serve as a consultant in this field. A certified referee for the past 30 years, Garvin serves as the referee for the Southern Jr. Designated Tournament as well as the Girls' 12 National Open.

In addition to the awards and honors listed above, Lucy has earned the USTA South Carolina Tennis Official of the Year and the South Carolina YWCA Women in Sports Award.

Garvin played sanctioned tournaments from 1976 to 1990 and won a number of doubles titles at the local, State and Sectional levels.

She and her husband, Bob, who is also an avid tennis player, have two children, both of whom were ranked junior and collegiate players. The Garvins reside in Greenville, SC.

Adult Tourney of the Year: Michelob Light Tennis Classic

Adult Tournament of the Year Award

- Awarded annually to a sanctioned adult tournament within the USTA Southern Section which has shown excellence in all aspects of tournament administration.
- 8th Annual Michelob Light Tennis Classic Mandeville, LA

Originally scheduled to be held the first weekend in October, this event had to be rescheduled to Oct. 21-24 due to inclement weather caused

Barbara Fisher

by a tropical depression. Rescheduling any tournament is difficult, but picking up and starting from scratch for an event of this magnitude is a testament to the work of the tournament's staff and volunteers. This adult mixed dou-

bles tournament was played at the Pelican Athletic Club in Mandeville, LA. Over 170 participants signed up for the tournament, which was also used as a fund-raiser for St. Tammany Kids Konnection, an organization comprised of a committed group of parents and professionals in St. Tammany Parish who believe that play is the foundation of learning for ALL children. All told, over \$30,000 was raised for the organization. The money raised was invested in the design and building of a playground for handicapped children. Every player who participated in the event received a variety of goodies, including water jugs, T-shirts, and souvenir ball caps. Each

participant was also invited to attend the player's party where they were treated to live music, food and drinks.

Sandgren Snags New Bill Ozaki Junior Sportsmanship Award

Bill Ozaki Junior Sportsmanship Award

- The Bill Ozaki Junior Achievement Award is a newly created award for 2005. Named to honor the work and dedication put in by Bill Ozaki, former long-time director of Junior Tennis for the USTA Southern Section, it is given to a junior player who best exemplifies the finest qualities of sportsmanship in tournament play and the finest traditions of the great sportsmen of tennis past and present.
- Davey Sandgren Gallatin, TN

Davey Sandgren is a young man wise beyond his years. Not only is he a fine player, but he also possesses an outlook on the game that is difficult to find in players his age. Sandgren is not motivated by trophies or titles, but by the mere love of the game of tennis.

Davey Sandgren

Eighteen years old, Davey enjoyed a phenomenal year both on and off the court in 2005. He finished the year with a 67-24 match record, three titles and was ranked No. 14 in the Tennessee Boys' 18s, No. 2 in the Southern Boys' 18s and No. 26 in the National Boys' 18s.

Davey's exemplary sportsmanship is rooted in a deep love of the game of tennis. When he was younger, his coach complained about the numerous matches he should be winning "0 & 0." Davey explained that has no problem with letting his opponent win four or five games because he finds no satisfaction or joy in "humiliating" anyone on the tennis court.

"Making fair calls, complimenting my opponent on good performance and generally being friendly and civilized works with most guys," he said, outlining his personal philosophy. "Once we establish a good atmosphere of chivalry, getting egos, distrust and emotions out of the way, we can get on with the real reason we stepped out on the court in the first place – to play the game, the game we love so much."

This attitude has catapulted Davey to success on the court and in the game of life. His leadership and example have been a strong influence in his State and Section, and he has racked up 11 total sportsmanship awards in his junior tennis career. In 2005, he earned sportsmanship awards at the Boys' 18s Southern Closed, Boys' 18s Southern Designated in Raleigh and the Boys' 18s Southern Designated in Mobile.

"I love the game so much, I want everyone to play and see how much fun it is. I don't believe it does any good to make someone feel bad on the court for the sake of a few games. What if, because of their experience with me, they quit!"

He came within one win of completing a sweep of both the National Open 16 and 18 titles, but lost a tough three-set match in the finals of the 18s. the U.S. Open junior championships, Jamie had an incredibly strong year. She reached impressive rankings of No. 3 in the USTA Girls' 18s and No. 2 in the USTA Southern Section Girls' 18s. Even coach Jason Parker admits that what she has achieved this year playing against older, more experienced, opponents is incredible.

"What she has accomplished as a 15- and 16-year-old competing in the 18s is truly remarkable," Parker said.

Jamie finished the year with an incredible 41-6 record and captured a handful of titles, including the USTA National Clay Court Championships where she defeated top seed Lindsay Burdette in the finals. She also won the Southern Closed Championships in Little Rock and a National Open in Atlanta. Another highlight for the year was her winning her opening-round match against the No. 4 seed at the Junior U.S. Open.

Jamie has competed against players two and three years her senior her entire life and 2005 was no different. Despite suffering injuries to her wrist earlier in the year and again after

She successfully organized six elementary league teams that included over 50 participants between the ages of 8 and 12. Shannon obtained sponsorship to provide T-shirts and trophies, and recruited volunteers to coach teams and assist

new players. The league ran for six weeks, ending with a tournament where the top two teams and sportsmanship recipients were honored.

- **VolleyFest Duluth, GA**

Five years ago, this impressive charity event started with a tournament of 32 women all competing at a single site. Today, the event has expanded to include over 300 participants, 100 volunteers and five venues, including TPC Sugarloaf, St. Ives Country Club, Summit Chase, Laurel Springs and St. Marlow Country Club. In 2005, this two-day charity women's doubles tournament raised over \$165,000 to support Gwinnett Hospital Foundation's "Time Matters in the Fight

Robin Johnson (left) and Sheila Stevens.

Against Breast Cancer" campaign. In total, the organizers have raised over \$445,000 during the event's five-year run. This past year's tournament kicked off with a "pink party," where players, sponsors and friends had the opportunity to watch the player draw and participate in both a silent and live auction. The event was highlighted by a finale luncheon featuring inspirational speakers, including physicians and breast cancer survivors, and a check presentation at each of the five venues.

The VolleyFest event has come a long way from its days of using only one venue and draw of 32 competitors in its support of the incredibly worthy charity. With the addition of two new venues for 2006, the event will undoubtedly receive more interest and raise more money for breast cancer treatment and prevention.

- **South Atlanta Community Tennis Center Stockbridge, GA**

Since 1998, the South Atlanta Community Tennis Association's mission has been to bring a variety of affordable tennis programming to the Atlanta metropolitan area. scholarships for their summer camps. With two SACTA tennis programs being held in urban subdivisions, the organization is able to provide junior players from ages 4 to 18 with the opportunity to play tennis every day of the week. Under the leadership of Sam Kennedy, SACTA has collaborated with USTA Georgia, Boys & Girls Club of Metro Atlanta and the Dekalb County Parks and Recreation Department to provide a Rally Ball League for underprivileged children. The program gave participants the opportunity to be involved in league and tournament play and was successful in recruiting

85 new USTA members. In association with Clayton State University women's tennis team, a Multicultural Tennis Program was built in the Clayton County community. In its first year of inception, the program had a total of 75 participants. SACTA also partnered with A Tennis Association for Kids (ATAK) to host the first "Drop Shot" Boys and Girls Club Tennis League which recruited over 100 new youth members.

Little Rock's Burns Park Hosts Winning Junior Tournament

Junior Tournament of the Year Award

- Awarded annually to the USTA-sanctioned junior tournament in the Southern Section that best demonstrates the USTA and Southern Section standards of organizing and conducting a sanctioned junior tournament.
- **USTA Boys' 12s National Hard Court Championships**
N. Little Rock, AR

In its second year of hosting one of the most prestigious events in junior tennis, the Burns Park Tennis Center gave tournament participants a truly unique experience.

Laura Juels

Tournament director Laura Juels and her staff worked diligently to ensure that scheduling ran smoothly and players were entertained between match play.

The tournament featured 128 of the best young male tennis players in the country competing in a compass draw to provide at least four matches per player. In an interesting attempt to beat the hot August sun, players were

given a Popsicle after each match. Cookies and lemonade along with lunch was also provided daily for the players. The Tropical Smoothie Café set up a Hawaiian tikki hut and provided smoothies as refreshments.

An accommodation that was a big hit with the kids was the TV lounge where players gathered in between matches to hang out and avoid the heat. The lounge also had a computer for players to check rankings and match times as well as their email.

Leslie Pfeiffer, Executive Director of USTA Arkansas, said, "These kids should be here to have fun. This is a training event and they need to have fun and not put too much pressure on themselves."

The USTA Junior Boys' 12s National Hard Court Championships will be hosted again at Burns Park Tennis Center in August 2006. The

tournament committee has plans of building a brand new tournament room to accommodate players and continue to provide a high-quality experience.

Young is the man responsible for coining the catchy phrase "The DOCTA is in," which is used to promote the Durham-Orange County Tennis Association. The tagline he created has proven to be successful in encouraging community members to attend local events. This past year, The Chapel Hill News did an excellent job of covering the health and multicultural sides of the sport with an

extensive article on DOCTA's Hispanic Carnival in Carrboro, NC.

Anna Mercer-McLean, who nominated the Chapel Hill News for this award, said it best when she wrote in her nomination form, "The publicity in the Chapel Hill News has created more interest in tennis and we feel we will continue to grow with partners such as Randy Young who are advocates for tennis in the media."

Winning League Coordinator Nearly Triples Participation

Local League Coordinator of the Year Award

- Presented annually to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.
- **Emily Baker**
Tuscaloosa, AL

Local league play in Tuscaloosa was virtually non-existent before Emily Baker took over as local league coordinator in 1990. The lack of an organized local league program forced Emily, a Tuscaloosa resident, and others to find

Emily Baker

league play in communities such as Birmingham and even parts of Mississippi. She did this for 16 years, until the 1990-1991 season. It was at this time she stepped up and organized Tuscaloosa's first-ever local league program, which included USTA League

Tennis for Adults and Seniors, Super Seniors and BMW Combo Doubles. League popularity has been steadily increasing since Emily took over the local league coordinator role. For example, in 2003, only 130 players were participating in Tuscaloosa league play. Under Emily's leadership, those participation numbers jumped nearly 300 percent and today there are over 500 participants competing in Tuscaloosa leagues. Additionally, under Emily's direction in the past year, adult league participation has grown 19 percent, senior participation has grown 131 percent and BMW Combo Doubles participation has grown 57 percent.

Greater Wilmington CTA Earns Member Organization of Year

Member Organization of the Year

- Presented annually to a Member Organization in the USTA Southern Section to recognize outstanding service to the local community, to the organizational members and to the game itself.
- **Greater Wilmington Tennis Association**
Wilmington, NC

The Greater Wilmington Tennis Association has been a successful CTA for 12 years, but it's what they've accomplished during the last five years that has made the organization a Section standout. The GWTA serves close to 250,000 people in New Hanover and Pender counties in North Carolina and the number is steadily on the rise. After expanding their adult and junior programming in 2000, GWTA's membership grew by an astonishing 51.7 percent. At the same time they grew USTA membership by 32.2 percent.

A key element to the success and growth of the CTA is the establishment of relationships with city and county government organizations. Thirty percent of

Yona Bar-Zeev

the service area consists of inner-city and underprivileged children that have no access to learn and play tennis. The city and county give GWTA free court usage for all youth programs. In return, the GWTA offers scholarships to inner-city children through the Wilmington Housing Authority, Community Boys & Girls Club, Girls Inc., Girl Scouts and Latino organizations. Scholarships include free tuition into programs along with a racquet and T-shirt for the participant. In addition to scholarships, the GWTA has reached out to the local YMCA, Easter Seal UPC, UNCW and the local school district to offer new wheelchair tennis programs for children.

The CTA boasts three unique youth tennis programs including an annual tennis rally with UNCW tennis team members, USTA Junior Team Tennis for beginners, intermediate and advanced

players and a middle school boy's tennis league. The after-school tennis program was on the verge of termination until the GWTA stepped in to fill the void providing funding, supplies and instruction. In October, the organization added a Junior Tennis Ladder to their programming, which serves juniors from age 10-18 and creates another avenue in which players can be involved in match play.

GWTA uses their impressive website – www.wilmingtontennis.com – along with an e-newsletter to keep players updated on the latest tennis information, community news, calendar of upcoming events, ratings and an online junior tennis ladder.

During 2005, over 3,500 tennis players participated in USTA League Tennis, Mixed Doubles, BMW Combo Doubles and Super Senior leagues. This past year, the USTA Team Tennis program, Boys and Girls After-School League, and the Junior Tennis Ladder had over 700 total participants. In 2006 the CTA looks to sustain its participation growth among its many programs and continue their mission of growing the game of tennis.

The promotion of tennis in South Carolina quite literally started with the Fowles, as USTA South Carolina's first office was located in their home and the first executive-director position was held by Carol. Over the years, they have continued to be influential in the growth of tennis in the Columbia community and all across the state.

Burt was an active tournament player who became involved in league tennis 25 years ago, taking on the role of local league coordinator of the Columbia Tennis League in 1986.

Carol was involved in tournaments and league tennis and went on to become a National referee, working at various state adult and junior tournaments,

The Fowles-Britt family

including the Southern Senior Cup, National Women's Grass Court and Southern Closed Championships. She is now the coach of the Hammond School boys' and girls' varsity tennis teams.

Burt and Carol have two sons and one daughter. Burton Jr. and Will both participated in junior tennis and as adults are actively involved in league play. Christy was a top South Carolina junior player, earning a No. 1 ranking as early as the girls' 12s division. She is now married to Joey Britt and has passed the love of the game on to her own children. Together, the Fowles and Britt families have a combined nine active USTA members, each of whom is involved in a USTA program of some sort.

Christy currently teaches tennis lessons, coordinates and coaches in the Columbia Tennis League Junior Program, serves as a level coordinator for the adult league, and is the South Carolina junior endorser. She is also a member of the USTA South Carolina Community Development

Committee, a tennis columnist for the State Newspaper, and a participant on several adult league teams.

Joey Britt is also involved in USTA league and tournament play and serves as the captain of his BMW Combo Doubles team. The couple's three children are successful competitive junior players. Chris, 16, plays No. 1 singles for his high school team and was named Most Improved Player in 2003 by USTA South Carolina. He won the Belton Qualifying and the State Jr. Closed in the 14s and 16s and currently holds the top ranking the boys' 16s division. He was also honored in 2005 as the Junior Male Player of the Year in South Carolina. The other Britt children, Brandon, 13, and Morgan, 11, are involved in the Columbia Tennis League's USTA Junior Tennis program.

The Fowles and Britt families host the Columbia Tennis League preseason tournament every year. The tournament is open to any player in the Columbia Tennis League and has been such a success that an extra day was added to this year's event.

The South Carolina tennis community owes a debt of gratitude to this multi-generational tennis family.

Tennis Complex, even kept the tennis courts locked up and were only available to the local high school teams or for a private lesson with Ken.

Then in April 2005, after four years of working closely with the parks and recreation department, Ken was given permission to manage Swan Lake. Since Ken started running his programs out of the facility, membership and participation have steadily increased and Clarksville is

slowly being recognized as a true "tennis town." Most of this is due to his relentless efforts, which includes the launching of a Clarksville tennis website, promoting junior team tennis to the local media and working with the school system to plan more after-school programs. He has also successfully reintroduced adult programs such as USTA League Tennis to the community.

Ken is an excellent mentor who encourages all to participate. Many view him as more than a tennis pro. In fact, in the eyes of some residents, he is a "tennis hero" who has redefined what tennis means to the town of Clarksville.

First-Class Fiesta Proves Year's Best Special Tennis Event

Special Tennis Event of the Year

- Presented annually to a special tennis event in the USTA Southern Section that has been exemplary in its promotion and support of tennis.
- Racquets for Kids Hispanic Tennis Carnival
Greensboro, NC

Organized by USTA North Carolina, the Greensboro Regional Tennis Association, Que Pasa Newspaper and Radio Broadcasting, the Racquets for Kids Hispanic Tennis Carnival was truly a first-class fiesta as it successfully focused on a culture that is often not embraced by the sport.

Henry Hostetler

With over 250 participants, the event began with a tennis exhibition featuring Marianna Holman, the nation's top over-40 women's player and a Cuban native, and Tony Mulè, a local bilingual teaching pro. It also included a young competitive junior player, originally from Argentina, who had heard about the event from the Que Pasa Newspaper in a pre-event promotion.

The tennis carnival followed the exhi-

bition and featured seven hitting stations for juniors and four for adults/senior players. These activities were spread over eight courts at Greensboro's Oka T. Hester Park. Every junior player in attendance was given a tennis racquet donated by Yonex, a free bandana and a "Tennis for Life" bracelet.

At the end of the carnival, a prize court was set up and all junior players in attendance had a chance to win by hitting a target on the court. Prizes were donated by Wilson, Omega and USTA North Carolina. McDonald's and Carolina Kia sponsored the event.

Shreveport, LA, Wins with Fun, Friends and Fitness Program

Team Tennis Event/Program of the Year Award

- Presented annually to a USTA Southern Section event that best demonstrates outstanding execution of a team event.
- "Fun, Friends and Fitness"
Shreveport, LA

The Northwest Louisiana Tennis Association has hit the jackpot in their search for a program that successfully attracts new players to the game. Targeting beginner and intermediate adults in the Shreveport area, the "Fun, Friends and Fitness" program was introduced to the community in 2004. Each week for six weeks, the program rotates through all the public and private facilities in the city. This gives the participants an opportunity to take a lesson from a number of different pros during the pro-

Cal Schexnider

gram. Each weekly lesson lasts two hours and is ultimately used as a feeder program into the USTA Team Tennis or USTA League Tennis programs.

In its first year, "Fun, Friends and Fitness" successfully brought 150 new players into the game. This past year, they more than doubled that total, as over 330 new players participated in the six-week lessons and later started playing USTA League or USTA Team Tennis. Program director Cal Schexnider maintains the success of the program lies with the local pros and phenomenal volun-

teers who help run the show.

Participant feedback illustrates how popular and successful this program has become.

As one participant reported, "I had a great time! I had never played tennis before, but I had so much fun and used muscles I haven't used in a long time. ... All the pros were so nice. I'm shopping for a racquet this week!"

"(My sister and I) enjoyed Saturday's tennis adventure. You guys are great! We really appreciate the attention that was given to us. We've wanted to start playing tennis for so long now and it seems we are finally on our way. We fully intend to become serious players and begin private lessons soon."

- Presented annually to a tennis official who has made outstanding contributions to tennis officiating in the USTA Southern Section.
- **Dan Weinberg**
Doraville, GA

Dan Weinberg is strictly business when it comes to running a USTA-sanctioned event. He expects players to adhere to USTA tournament regulations and demonstrate exceptionally good sportsmanship.

"I hope to continue growing events in the Southern Section for years to come as a referee and as a Sectional trainer-evaluator," Weinberg said. "I hope to recruit more officials, particularly younger ones, and to provide training innovations so that we can raise the level of our officiating and the quality of our tournaments to the highest level."

Dan Weinberg

Dan's officiating duties this past year covered every end of the tennis spectrum. He was the crew chief umpire at the Girls' Supernational 14s tournament and the USTA Southern Section 16s Championships. He served as an umpire for the Boys' and Girls' 18s National Open, GA Challenger and GA Junior Open. This past year in Georgia, he refereed seven junior tournaments and the Blaze Governor's Challenge before heading off to Texas to coach a tennis team during the Maccabi Games. Enzor's Wheelchair Wins Lead to Education, Clinics, Honors

Wheelchair Player of the Year Award

- Awarded annually to a wheelchair player in the Southern Section who has shown outstanding on-court ability, sportsmanship and community service.
- **Harriet Enzor**
Buies Creek, NC

Award winner Harriet Leigh Enzor (right) with niece Harriet Elizabeth Enzor.

As a child growing up in Raleigh, NC, Harriet Enzor was as active as they come and very passionate about sports. Harriet says it was her father who instilled in her a passion for sports. While not yet interested in tennis, she competed on her junior high school and church basketball, softball and volleyball teams. Unfortunately, at the age of 14, her life took a dramatic turn when she had a devastating reaction to a polio vaccination, which left her paralyzed from the waist down.

Fast-forward 42 years to 1992. Harriet

was introduced to wheelchair tennis by her cousin Nancy Milliken when they went to a tournament in Charleston, SC. Harriet, inspired by what she saw, decided that this was something she had to do and immediately went out in search of competitors. Unfortunately, at the time wheelchair tennis did not have the participation base it has today and Harriet was forced to compete mostly against men. Undeterred, Harriet actually went on to win several of her matches against more experienced male competitors.

Determined to compete at the highest

possible level, Harriet asked her cousin to become her coach and in 1997 she enjoyed her finest year on the court, winning the U.S. Wheelchair Open and the North Carolina State Championships. She finished that year ranked No. 12 in the ITF Wheelchair Open division.

In addition to her playing career, Harriet has devoted a large part of her life to educating those around her about wheelchair tennis and disabilities in general. She has been a member of several USTA Wheelchair Committees and was on the Mayor's Committee for Persons with Disabilities in Raleigh.

She has traveled the state conducting wheelchair tennis clinics at North Carolina public schools and park and recreation departments. This past summer, a clinic she held in Fayetteville led to the formation of a Special Olympics team.

Harriet, who has a doctorate in counseling psychotherapy, has a thriving psychiatry practice and is a professor at Campbell University. She acknowledges that her wheelchair tennis career has been a wild ride. "My life in tennis has been a true journey."

The Cajun Classic Sectional Championship has been held in Baton Rouge, LA, since 1990. Prior to that, it was held in Natchez, MS, and was

Jennifer Edmonson (from left), Camille Burkley, MariLu Major, Jeanie Peabody called the Natchez Wheelchair Tournament. It has grown from 35 players to between 80 and 100 players from around the world in the 17 years it has been in existence. An ITF Series 2 and a USTA Category 2 tournament, the event has gained both national and international exposure, as it is a part of the NEC Wheelchair Tour and features \$12,000 in

prize money for both men and women in singles and doubles. Play also includes a junior division and a senior/masters division.

Players have nothing but great things to say about the staff, amenities and overall organization. Among the special features of the tournament is the famous crawfish boil where volunteers stand by ready to peel those "bugs" for those who have a little problem with that! They also host a welcome reception, nightly cookouts and an awards night, with every meal taken care of from arrival to departure and transportation from beginning to end.

The success of this tournament has been due to the hard-working and dedicated volunteers. All officials, ball persons, drivers, desk workers, cooks, set-up crews and board members involved in the year-round planning of the Cajun Classic should be thanked for their time and efforts.

Burdick's Hurricane Relief Work Earns President's Award

President's Recognition Award

- Fred Burdick Dalton, GA

There are few people who did more this past year to help those in the tennis community affected by the devastating hurricanes than USPTA Southern Division Executive Director Fred Burdick. When confronted with images of the destruction caused by Hurricane Katrina on television, Fred Burdick's thoughts immediately turned to his friends and fellow teaching professionals in the New Orleans, Gulfport and Mobile communities. He contacted USPTA CEO Tim Heckler to get approval for a national email blast to the USPTA membership. Hoping to find jobs for all of the displaced tennis pros, Fred crafted a message asking for all members to send him, via e-

Fred Burdick

mail, part-time and full-time job openings. The jobs came rolling in from every USPTA division, including Hawaii. Over 200 total, some job openings even included free housing and food for a year.

Prior to this, Tim Heckler had established a national Katrina Relief Fund. Fred was asked by Tim to step in and spearhead the fundraising efforts already underway. At the time, over \$10,000 had already been collected.

"I felt like it was part of my job to help these members in need so I was glad to do it," Fred said.

Fred made all pros who called in seeking assistance aware of the USPTA job list as well as the available grant money. In total, about 20 USPTA members from the hurricane-ravaged areas took advantage of the funds being offered and everyone who called was provided with the job list. Several pros did move out of the affected areas to take jobs elsewhere, but what surprised Fred was the number of pros who stayed put with plans to rebuild.

Fred has 33 years of tennis-teaching experience and in 2005 he earned the venerated title of master professional. He joins the ranks of the top 1 percent of tennis professionals in the country with this elite certification. Burdick is the owner and director of Mountain View Tennis in Dalton, GA. He is a former president and secretary of the division, as well as a recipient of its Professional of the Year Award. He has also been honored as Georgia Professional Tennis Association Tennis Director of the Year, the

USPTA Georgia Professional of the year, and twice received the Pride of the South Award.

"Teaching has been a lifetime reward and having a positive effect on my students through tennis is humbling," Fred said.

Fred began his tennis teaching career at what was then Dalton Junior College Continuing Education Department. He later taught full time for Cobb County Parks and Recreation Department in Marietta and spent 15 years as director of tennis at Sunset Hills Country Club in Carrollton. He has two associate degrees, one in textile management and one in liberal arts, from Dalton Junior College and a bachelor's degree in business administration from the University of Tennessee.

A Marine Corps veteran, Fred has been married to his high-school sweetheart for 37 years. He has been a member of the U.S. Racquet Stringers Association for 32 years and in his lifetime has strung more than 10,000 racquets.

Top TWC's Get Their Due in 2005

The Tennis Welcome Center initiative, which was introduced in 2003, has given rise to approximately 3,000 Tennis Welcome Centers throughout the United States. These tennis facilities have collectively

introduced the sport to hundreds, if not thousands, of new adult and junior players.

The USTA Southern Section is home to some of the finest Tennis Welcome Centers in the country. The following Southern facilities were recognized as outstanding Tennis Welcome Centers this past January during the USTA Southern Section Annual Meeting.

- Westgate Tennis Center, Dothan, AL
- Hot Springs Village Tennis Center, Hot Springs Village, AR
- The Cooper Creek Tennis Center, Columbus, GA
- The Paul Rowton Indoor Tennis Center, Paducah, KY
- Querbes Tennis Center, Shreveport, LA
- Brookhaven Tennis Courts, Brookhaven, MS
- Tyson Tennis Center, Knoxville, TN

New Hires Focus on States

Introduced in the second quarter of 2005, the Tennis Service Representative Pilot Program was created as a new way for the USTA and its Sections to promote and, ultimately, increase tennis participation throughout the country. These newly hired TSRs will work in the field in their territory and as a team focus on increasing tennis participation by promoting, developing, and servicing tennis programs in assigned geographic areas through the

establishment of strong relationships with local tennis facilities, industry organizations and other non-tennis entities.

USTA Southern plans on ultimately hiring one Tennis Service Representative for each of its nine states. Contact Bill Dopp, TSR Coordinator, at the USTA Southern office for the name of the TSR covering your local area.

Bill can be reached at 770-368-8200 or dopp@sta.usta.com.

Tennis Participation at Highest Level in 13 Years

As announced by the USTA and the Tennis Industry Association (TIA), 2005 was an extremely positive year for tennis. According to the findings of the USTA's and TIA's annual participation research study, 24.7 million Americans are playing tennis, the most since 1992 and a significant increase over last year. The study, conducted by independent research firms, The Taylor Research & Consulting Group and Sports Marketing Surveys, is the largest participation survey in sports.

Important findings for 2005 include:

- 24.7 million Americans are playing tennis, the most since 1992. Participation grew by 1.1 million players, up 4.1 percent vs. 2004.
- 5.8 million new players began playing the game in 2005.
- Frequent players (those playing more than 21 times per year) topped 5 million players, up 8.8 percent vs. 2004.
- Total play occasions are up 14 percent in 2005 and up 23 percent in the past two years, driven by increase frequency of play especially by the most avid players.
- Player retention has improved over the past two years, with 80 percent of players continuing with the sport in 2005 (vs. 74 percent in 2004).

The USTA has invested significant resources in new initiatives to grow the game, including Tennis in the Parks, the U.S. Open Series, Tennis Welcome Centers, major advertising campaigns for recreational and professional tennis, increased diversity and multicultural programs and a greater push in schools and college campuses. These participation increases coincide with a number of other indicators of the sport's growth, including increases in racquet sales and tennis ball sales. In addition, television ratings and attendance at pro tournaments in the U.S. were up significantly, led by the all-time attendance record of 659,538 at the 2005 U.S. Open.

"We are seeing healthy indicators across the board in the sport as more people play tennis, more racquets are purchased and more interest develops in the game," said Jim Baugh, president of the Tennis Industry Association. "With all of the tennis constituents, including manufacturers, retailers, teaching professionals, the TIA and the USTA focused on a single goal, the sport is growing."

Cardio Tennis Takes the Country by Storm

The Tennis Industry Association (TIA), in association with the USTA, have joined forces to help America fight the battle of the bulge with the launch of Cardio Tennis, a new fun group tennis activity that combines tennis with a high-energy cardiovascular workout. Taught by certified tennis professionals, a Cardio Tennis workout includes a 5-to-10-minute warm-up, 30-to-50-minute cardio workout, and 5-to-10-minute cool down. With the use of heart monitors, the program individually tracks participants' heart rates to keep players in their targeted aerobic training zone. At the end of the hour workout, the gadget calculates how many calories have been burned and how long players have stayed in their optimal heart-rate zone. The initiative was created to help people get in shape while having fun and to increase participation and interest in the game.

Cardio Tennis was debuted during the 2005 U.S. Open and is currently available at over 600 public and private

tennis facilities across the country. The initiative is gaining tremendous popularity throughout the Southern Section.

Charleston hosted the Section's first-ever Cardio Tennis Exhibition at the Family Circle Tennis Center in front of over 500

spectators during the USTA South Carolina BMW Combo Championships. Teaching Pro Sophie Woorans conducted the exhibition on the Club Court of the Daniel Island Facility prior to the player party. Ten local club members strapped on heart monitors and jumped into the action to serve as participants for the exhibition.

The most attractive feature of Cardio Tennis is that players, regardless of skill level, can play together while getting a great workout. This new approach is an attempt to redefine tennis as a grueling workout. Players seem to be attracted to the idea of getting their cardio workout on the court rather than in the gym. The Southern Section currently has 136 registered Cardio Tennis facilities that offer regularly scheduled Cardio Tennis workouts.

New Year ... New Look

The USTA as an organization underwent a bit of a facelift in 2005 as it introduced a brand-new corporate logo. With the new corporate mark come new program logos. USA League Tennis has become USTA League Tennis and USA Team Tennis Youth is now USTA Junior Team Tennis. Both of these programs will be marketed with their new logos (above).

USTA Southern Section Donates \$150,000 to Hurricane Katrina Relief in 2005

With hundreds of tennis clubs and facilities severely damaged or completely wiped out by Hurricane Katrina and thousands of people displaced, the USTA Southern Section stepped up and donated \$150,000 to help with tennis-related relief and recovery efforts in 2005. These efforts included the rebuilding and repairing of damaged and/or destroyed facilities, assistance to displaced tennis pros and the reestablishment of adult and junior USTA programs at alternate temporary sites. Additionally, since the rebuilding of the Gulf Coast community is ongoing, it is likely that Southern's final contribution will far exceed its initial donation of \$150,000.

The Southern Tennis Patrons Foundation, the charitable arm of the USTA Southern Section, also contributed \$50,000 to the relief effort, with a good portion of the money going to junior tennis players who, because of Katrina, needed assistance traveling to tournaments or who needed replacement equipment.

"We are pleased to work in concert with the various States in the Southern Section and the USTA to provide relief and support for hurricane recovery," commented USTA Southern Section President Jeff Gray. "We are anxious to do what we can to help reestablish a sense of normalcy in the affected areas."

"These are our Southern States," explained Barbara Brewer, chairman of the Southern Tennis Patrons Foundation. "The USTA members in the affected areas of Louisiana, Mississippi and Alabama are a part of the Southern tennis family and we will continue to help the communities recover from the devastation."

Collectively, the USTA Southern states have contributed an additional \$150,000.

Thirty Years and Counting!

Roy Barth was honored for his 30 years of dedicated service as the director of tennis at Kiawah Island Resorts at a recent service awards luncheon at the Turtle Point Golf Center on Kiawah Island, SC. To acknowledge his hard work, the Kiawah Island's East Beach Tennis Center has been renamed the Roy Barth Tennis Center.

"I'm overwhelmed," Barth said. "This incredible honor was never even a thought in my mind!"

Targeting Tennis in Schools

In the USTA Southern Section, USTA School Tennis has two primary goals: (1) to provide physical education teachers with the skills, activities and equipment to conduct a quality in-school tennis program as part of their physical education curriculum; and (2) to align the in-school programs with team-based after-school tennis programs. P.E. teachers learn the skills and activities by participating in a hands-on three-hour in-service training workshop and become eligible for free equipment when their school can show a connection to a team-based after-school tennis program. These trainings are offered at no cost to the teacher or school and typically include 20 to 25 P.E. teachers so the teachers can get a true feel for how the activities that are demonstrated will work in their classes. Many of the teachers who participate in the in-service workshop say that it is one of the best trainings of any kind they have been to.

Wilson

The types of equipment that are available include appropriately sized rackets, portable 16-and-a-half-foot nets as well as low-compression and large foam balls. In addition, schools can purchase additional equipment at specially negotiated prices with Wilson, the national sponsor of USTA School Tennis. Providing this equipment as part of the package of the program is extremely beneficial for schools since many have little or no funds budgeted for physical education.

Another feature of the USTA School Tennis program is a "school assembly." These 30-45 minute "tennis shows" are high energy and are used as a promotion for local after-school team-based tennis programs that the students are encouraged to participate in. Audience participation, prizes and FUN are just part of these events that show how exciting the sport of tennis can be. For more information on how to start a USTA School Tennis program in your area, please contact the appropriate state coordinator listed below.

Pro Tournament Offers Tennis for All

The USTA Special Populations' mission is to promote and develop adaptive recreational tennis programs for those individuals with differing abilities. USA Tennis Special Populations recognizes four main categories of differently-abled players:

- Developmentally disabled (learning disabilities, autism, Down's Syndrome, mental retardation)
- Physically disabled (birth defects, multiple sclerosis, traumatic brain injury, muscular dystrophy, etc.)
- Consumers of mental health services (psychiatrically disabled, emotionally disturbed)
- At-risk/environmentally disabled (substance abusers, mentally and physically abused, homeless, HIV-positive individuals, persons within the juvenile justice system, etc.)

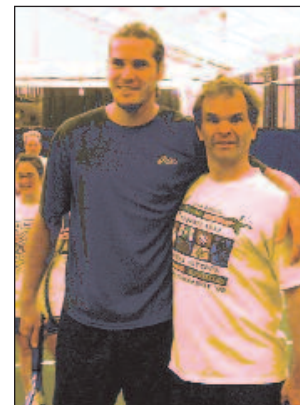

During the Regions Morgan Keegan Championships, held at the Racquet Club of Memphis, teaching pros and pro-circuit players reached out to the special populations community. Competition Training Center Workshop Trains CTC Coaches

Twenty-three of the Section's top coaches attended the 2006 Competition Training Center (CTC) Workshop in Key Biscayne, FL. The workshop is held annually and is designed to pass along the latest in sport science and technical coaching developments to the coaches hosting our Competitive Training Centers. The coaches attending are some of the top coaches in the Section that are certified by the USPTA and/or PTR. The participants are required to pass sports science tests and in turn bring this information back to Southern juniors through the

CTCs.

"The mission of the USTA Competition Training Centers is to provide competitive training opportunities that motivate and encourage all junior players to develop to their highest competitive level," said Sandy Hastings, Southern Section director of community development and grants.

Many of the nation's best young professional players have come out of the CTC program. This year's CTC workshop participants are listed below.

Southern Dominates Team Florida at Mills Redgrave Challenge

The USTA Southern Section dominated Team Florida at the Mills Redgrave 2005 Challenge, winning the Mills-Redgrave Cup by a combined team score of 55-26. The Southern team, comprised of 18 players representing six Southern states, had much to live up to considering that Team Southern has won the competition 10 of the last 12 years. Team Southern was up for the challenge

and was at the top of their game, winning 13 of 18 singles matches on Sunday after clinching overall victory on Saturday.

First contested in 1994, the Mills-Redgrave Challenge is a fun, yet highly competitive, team competition between the Southern and Florida Sections. It is played in honor of Dr. Alfred Mills, a longtime promoter of junior tennis in the

Florida Section, and DeWitt Redgrave III, former executive director of the Southern Section.

The teams are comprised of the top three-ranked boys and girls in the 14-and-under, 16-and-under and 18-and-under divisions. They play against their counterparts from the USTA Florida Section within the same age group.

Team Southern (at left) captures the title for the 11th straight year.

2005 18s Bullfrog/USTA Southern Section Junior Davis/Fed Cup

Above all, team sportsmanship is emphasized and players support their teammates from start to finish. Joanna Mather of Team Georgia, who competed in her second Davis Fed Cup event this year, looks forward to competing in the team competition.

"It is really fun because everyone you are normally playing against is on your team," said Mather. "You really form bonds with your teammates." Team Georgia took the title for the 12th straight year, beating Team Tennessee in the finals. Hosted at the Champions Club in Chattanooga, TN,

Eric Voges, Mary Pat Rogers, Mary Cook and Orlando Lourenco were responsible for yet another successful Junior Davis/Fed Cup Championship. In addition to title sponsor Bullfrog Waterproof Sunblock, Herb Adcox Chevrolet, Dunlop and Powerade were supporting sponsors.

SIGNING UP FOR MORE THAN ONE DIVISION IN A TOURNAMENT

Players are allowed to enter two division in Southern Level 3 and Bullfrog tournaments with these guidelines.

#1. Players selected to both age divisions they apply for will automatically be selected in the older age division. They would be removed from the other age division.

#2. Players not selected to either division would remain on the alternates lists for both division but would be obligated to play the division they first get in from the alternates list. They would be removed from the Alternates list in the other division.

#3. Players selected to one age division would be removed from the alternates list of the division they were not selected.

#4. Once a player is selected for any one division no changes can be made.

PLEASE NOTE THIS IS FOR SOUTHERN LEVEL 3 AND BULLFROG TOURNAMENTS ONLY AND DOES NOT MEAN YOU CAN ENTER MORE THAN ONE TOURNAMENT FOR THE SAME DATES.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and that of your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The USTA Southern Section and its nine States are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

SOUTHERN WAIVER RULES AND REGULATIONS

Waivers are given on a HIGHLY selective basis. Decisions on waivers will be made by the Southern Junior Tennis Waiver Sub-Committee by a majority vote.

WAIVER RULES AND REGULATIONS

1. A request for waiver must be made to the Southern office, to the attention of Sandy Hastings, USTA Southern Section, 5685 Spalding Drive, Norcross, GA 30092, hastings@sta.usta.com, fax: 770-368-9091. **The request must be submitted by email, fax or letter, at least one week prior to the tournament entry deadline and be received at the Southern office no later than 2:00pm Eastern Time on that day.**
2. The following information must be included on the request:
 - Player Name as it appears in the Southern Jr. database.
 - Birthdate
 - Age/Gender Division for which the waiver request is being submitted
 - Tournament for which the waiver request is being submitted.
 - Documentation and information to support the waiver request. (example: If an injury or illness is involved, the player must provide written documentation of disability signed by a physician and further attesting that the player will be physically capable of competing in the desired tournament.)

All other slots open to Arkansas juniors will be based on the strength of a player's overall tournament record for the current ranking year—National, Southern and State records will be considered.

Any Southern quota spots which cannot be filled by a player in that age division can be filled by a player in a lower age division, if that player was not endorsed in a lower age division. The player must have played in the Arkansas Junior Qualifier.

Players must play the Qualifying in the age division they want to be endorsed to the USTA Southern Junior Closed. (Example: A player who plays up in the 14's in the Qualifying is not eli-

gible to be endorsed to the USTA Southern Closed in the 12's. The players must be endorsed in the 14's.)

Selection criteria:
BG 10: The 21 highest-ranked players (including waivers) who have competed in the Qualifying and who applied to the USTA Southern Junior Closed will be selected from the Qualifying to fill the USTA Georgia quota. The major consideration for selection will be the June 8, 2006 USTA Georgia Standings.

BG 12-18: Players who reach the round of 16 at the Qualifying and who apply to the USTA Southern Junior Closed will automatically be selected. The remaining players, including any waived players, who apply to the USTA Southern Junior Closed will be selected from the Qualifying to fill the USTA Georgia quota. Participation in the Joe Creason is mandatory, unless waived in advanced by the Waiver Committee.

Selection for five slots per division will be based on the top five finishers in the Joe Creason Junior Qualifying Tournament (the four semifinalists and the feed in consolation winner). All other slots open to Kentucky Juniors will be based on a player's performance in the Joe Creason Qualifying Tournament and the strength of the player's overall tournament record for the current year, caliber of wins and head to head matches, National, Sectional, and State rankings.

LOUISIANA

Quota: For 64 Draw- 5, 128 Draw- 9, 160 Draw-11

remaining eligible players for LA's quota will be based primarily on a player's tournament record(national, sectional, and state events for the previous eleven months) against other Louisiana players in the age division under consideration. Other factors such as player exposure (number of matches and events played), head-to-head matches, the caliber of wins and the player's performance at the LA Qualifier may also be considered. Those players not endorsed, but who have submitted applications for endorsement, shall be identified as alternates.

Endorsement criteria for the Southern Closed

b. Entry to the Southern Closed is through Tennis Link at www.usta.com. It is the players' responsibility to timely enter ONLINE for the Southern Closed. However, only those players who have timely entered the Southern Closed online and been endorsed by Louisiana as part of its quota or otherwise accepted into the draw as alternates, will be allowed to compete in the Southern Closed. Players are urged to register early so as to allow for LA's quota to be filled and alternates moved up accordingly. It is the player's responsibility to timely enter online as well as to thereafter inquire as to whether he or she has been endorsed for the Southern Closed or is accepted into the draw as an alternate. Endorsement lists will be posted on the LTA web site. No notification will be given to those players endorsed, as it is each player's responsibility to ascertain their status.

NORTH CAROLINA

This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on the player's 12 month record up to and including the State Qualifying (e.g. current Southern standing, common opponent, caliber of wins, head to head). USTA League Tennis Celebrates 25 Years

The USTA Southern Section's celebration of the USTA League Tennis 25th anniversary was visible all over the South in 2005. Starting with a kickoff party at the Sectional annual meeting, players, captains, volunteers, coordinators and staff saluted the history of league tennis in the South, starting in 1978 with a pilot in Atlanta with 100 players and exploding to 100 local leagues in the nine Southern states with almost 100,000 league players (one-third of all the participation nationwide). Southern's numerous league volunteers at the local, State, Sectional and National levels were honored and the Section's milestones were highlighted, which included the first Senior, Mixed and Super Senior participation and 10-year mark of BMW Combo Doubles. Each player who competed at a Sectional Championships was given a commemorative bag tag and players also received a commemorative T-shirt designed by league players!

Championships events included super-sized birthday cakes and video or photo displays.

In 2005, over 95,000 league players competed in USTA League Tennis (Adult, Senior, Mixed, Super Senior divisions) and BMW Combo Doubles at the local level in the USTA Southern Section. Our league players epitomize the definition of a "frequent player" and totaled a record 216,000 participants during the year.

In the USTA League Tennis Adult & Senior divisions where 16,000 in our Section advance to State competition, 2,038 (a new participation record) advanced to the Sectional Championships and 250 represented the South at the National Championships in Palm Springs and Tucson. In 2006, the Adult 4.0 and 4.5 National Championships will be held in Hawaii for the first time!

To participate in the USTA League Tennis Adult & Senior Divisions, players must be 19 years old or older for adult divisions and 50 years old or older for senior divisions and must be a USTA member. The levels offered are adult 2.5-5.0 and senior 3.0-4.5. An invitational is offered in Las Vegas for the 5.5 and Open divisions.

USTA League Tennis Mixed Doubles continues to grow with over 31,000 participants in 2005. Champion teams progressed to State championships, Sectional championships and the National championships for leagues in the Eastern portion of the U.S. that in 2006 will expand to eight Sections: Southern, Florida, Caribbean, Midwest, Middle States, Mid-Atlantic, Eastern and New England.

The levels for Mixed Doubles (Adult & Senior Divisions) are 5.0-10.0 where partnerships are limited to no more than one point apart.

USTA League Tennis Super Seniors grew to over 5,500 in 2005. Offering competition in two age divisions: the 60s and 70s, with NTRP levels 2.5-4.5, winning teams advance to State, Sectional and in 2006, the first official National championships.

BMW Combo Doubles reached over 41,000 participants this year and offered State and Sectional competition. The format is three doubles positions for men's and women's teams (Adult & Senior divisions) in 5.0, 5.5, 6.5, 7.5, 8.5, 9.5 and 10.5 levels. This Southern program is now in its 10th year and has been the Section's fastest-growing league program, starting with 4,000 players in 1995. For the first time, a Super Senior Division will be offered as an invitational at the Sectional Championships in Mobile, AL.

Our Southern States also offer other league programs registered in TennisLink that total over 8,000 registrations such as 2.0 leagues, Open leagues and "fun" fall leagues.

USTA League Tennis (Adult, Senior, Mixed Doubles, Super Senior divisions) and BMW Combo Doubles will continue to offer opportunities for players of all ages and skill levels in 2006! Check your local and state websites for contacts in your area and go to our website at www.southerntennis.com and click on Leagues for National and Sectional information, regulations and calendars.

Highlights from 2005 are featured in the next Section. Congratulations to all of our champions and finalists in all of our programs at the local, State, Sectional, Regional and National levels in 2005!

Spring 2007

We're Looking for League Records

The USTA Southern Section gained interest in league records when it was determined that we held the "World's Largest Tennis Tournament" each year: the USTA League Tennis Southern Sectional Championships for the Adult and Senior divisions. With 200 teams and 2,038

players, this nine-day tennis extravaganza also brings millions of dollars to the local economy each year. To keep our celebration of league tennis alive, we would like to create this page in Southern's annual yearbook dedicated to league records! Going forward, all players, captains, volunteers and coordinators will submit

nominations throughout the year (until Dec.15) at the link on our Leagues homepage at www.southerntennis.com. Recommendations for new categories are welcome.

These first submissions may be disputed but were the records of knowledge!

MOST SUCCESSFUL YEAR IN LEAGUE TENNIS

Cathy Klingensmith, Rome, GA: Competed on five state champion teams in 2005: W 3.0, Sr W3.0, 6.0 Adult and Senior Mixed teams, and a 5.5 Combo team. Cathy says, "Unfortunately, none of these teams advanced to Sectionals, but they better watch out this year, as most of these teams finished near the top."

LONGEST WINNING STREAK

The Dream Team (Senior Men's 3.0) from Huntsville, AL. In local league play in Huntsville AL, their team match win/loss record through Nov. 6, 2005 is 64-3. This is from the spring of 2003 until now. They won the 3.0 Sr AL State Championships in 2003 and were finalists in 2004.

LONGEST POINT

318 shots, 2003 Sectional Championships in Columbia, SC, W3.5 final NC v AR No. 1 singles match to determine which team would advance to Nationals! The game lasted 54 minutes!

MOST CONSECUTIVE YEARS AS CAPTAIN

LONGEST MATCH

Without specific detail, we recall a six-hour singles match in Mobile, AL. This was WITH the match tiebreak! It was a Women's 3.5 match and the winner had to play again within an hour!

LONGEST MATCH TIEBREAK

The longest match tiebreak currently known is from Northern California: 24-22!

WHEELCHAIR PLAYER ADVANCES TO NATIONALS

The first Southern wheelchair player to advance to a USTA League Tennis National Championship is Bob Masella, Columbia, SC, captain and player on deciding court at the 2005 Mixed 6.0 Sectionals!

COLDEST MATCHES

Kudos to all who survived the 2002 BMW Combo Doubles in Rome, GA, where 1,400 players endured 17-degree weather and NOT ONE player defaulted!

HOTTEST MATCHES

It is the South and we do play in July! On-court temperatures have exceeded 120 degrees.

USTA League Tennis Mixed Doubles

Cary, NC, hosts 800 Players for Mixed Doubles Championships

Mostly great weather, beautiful public facilities, match tiebreaks galore, and 80 State champion teams from Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee made for a very memorable and enjoyable event for all.

Cary's Mayor Ernie McAllister attended the first day of play at Cary Tennis Park and greeted the players at the superb party at the KOLA Booth Ampitheatre at Regency Park. The players were awestruck at the incredible headquarter facility Cary Tennis Park with 30 hard courts and beautiful expansive landscaping, terraces and bridges.

Kudos to Mary Henderson, director of parks, recreation and cultural resources, William Davis, athletic program manager, Linda Smith, facility manager, Sean Ferreira, director of tennis, Jonathan Fralick, head tennis professional, staff tennis professionals Daniel Ebert, Jake Lester and Christy Cook for creating a

shining example of a vibrant public tennis facility.

Thanks to Kate Keller, president of the Western Wake Tennis Association which sponsored the party, Robin Jones for media/publicity efforts, and Connie Murphy, Cary Local League Coordinator.

Kate Keller and her up-and-coming tennis players Thomas, Shannon, Maggie and Ryan assisted the staff at registration; Elizabeth Gardner, Eileen, Bok, Susan Rose, Mike Cargain and Jake and Wendy Lester were site volunteers; Amy Elliott provided balloons for the party and took team photos; Katie Lockhart and Daniel Ebert entered results in TennisLink; John and Richard kept the facility in pristine condition; Johnny Hernandez and staff provided tents, flowers, tables and chairs.

Becky Schmidt with KOKA Booth Ampitheatre at Recency Park provided a wonderful setting for the well-known Coastline band to get the players into dancing mode after a delicious full dinner.

Tournament sponsors included Town of

Cary, Greater Raleigh CVB, Western Wake Tennis Association, Marriott, Embassy Suites, Rudinos, Jonsey's, Netknacks and Picnic Works.

Southern's team to run the event included Dodie Hanchett, chairman of the Sectional Championships Subcommittee and Adult League Committee member, referees extraordinaire Pat Staley and Mary Anna Scott from Columbia, SC, Dene Owen, adult events coordinator, and Marilyn Sherman, director of Adult Tennis.

Special thanks to all of our captains who give so much extra effort to making league tennis so much fun for so many!

Additional kudos to all who supported our U.S. Open tickets drawing to assist a long-time league volunteer affected by Hurricane Katrina. Nancy Vineyard of Knoxville, TN, won the U.S. Open tickets and is extremely excited about her new plans in September next year!

We are looking for league records in the South as we turn the last pages of our

celebration of the 25th anniversary of League Tennis.

In the 2006 Southern Tennis yearbook, we will recognize the longest point, longest match tiebreak (we think it is 24-22), most experienced doubles team (170 years combined), etc.

One potential record heard at this event was a player (Chrys Howard, Monroe, LA) who was on three State champion teams in 2005 (Adult 3.0, Senior 3.0 and Mixed 6.0) and on one

Sectional champion team (Adult 3.0). Let us know if you own or know of any other league records!

Many enjoyed the superior play of wheelchair player Bob Masella who with his partner won the deciding court in the Adult 6.0 final.

If you won this weekend, CONGRATULATIONS! If you enjoyed this weekend, WE WON! If you expressed how

great it was to get away from Katrina's or Rita's aftermath for a few days and PLAY TENNIS, we were very happy to provide that opportunity!

Good Weather, Good Times Greet BMW Combo Doubles Players in Mobile

The 2005 BMW Combo Doubles Sectional Championships basked in beautiful weather and enjoyed the exceptional Southern hospitality in Mobile, AL. Over 1,700 players on 190 teams enjoyed a perfect tennis weekend for the 2005 BMW Combo Doubles Sectional Championships.

Scott and Lorraine Novak and their local team provided the ultimate "players' event" with an attention to detail that was truly appreciated by all.

Congratulations to our Sectional champions and finalists! BMW Combo Doubles has exploded across the South in the last 10 years, going from 4,000 to 40,000 players in 23 divisions. This year, at USTA Southern Section President Jeff Gray's urging, we debuted the Super Senior Division with 23 teams playing on immaculate clay courts at the Country Club of Mobile where Gray acted as host of the first-time event as director of tennis there.

Winning Super Seniors Get Choice of Championship Sites

After 100 teams competed in the 2004 Sectional Championships, the champion and finalist teams were given an unusual choice: to go to Kansas City

or Palm Springs! As USTA plans for the first official Super Seniors National Championship in the spring of 2007 for the 2006 Sectional champion teams, we

were offered a unique opportunity to send our 2004 champion and finalist teams to two events held in May and October 2005.

Pelham, AL, Superb Hosts of Super Senior Championships

Ninety-seven teams and over 900 players from the nine Southern states converged on Pelham, AL to compete in the 60s 3.0-4.5 and the 70s 3.0-4.0 men's and women's divisions.

The players were simply in awe of the beautiful main site, the Pelham Racquet Club (a 20-clay, five-hard-court public facility). Mountain Brook Swim & Tennis and Brook Highland Racquet Club were also exceptional facilities enjoyed by the players. Due to the rain on Friday, Ann Etheredge, local tournament chairman extraordinaire, was able to secure a number of hard-court facilities: Samford College, Birmingham Southern College, Pelham Tennis Center and Lakeshore to give the event a chance to complete two-thirds of the day's sched-

ule (enabling the event to continue with regular scoring on Saturday and Sunday).

Ann led a team of local volunteers and staff in providing exceptional facilities and amenities and a thoroughly enjoyed player party/talent show at the Pelham Civic Center. The players demonstrated their talent off the court with song, skits, monologues and dance routines. The NC W60s team from Downeast captured the talent show competition with a tribute to their pro with a skit to the old favorite "Twas the night before Christmas." The 60s M4.0 boys from Chattanooga came in second with a creative twist to Julie Andrews' "My Favorite Things!"

Eric Smith, SC (A) M3.0 Hilton Head team, took the individual prize with an unforgettable "twisted words" monologue. Thanks to all who participated and

hope we entice you to show off your talents again next year!

The most competitive match of the event featured three tiebreakers in the No. 2 doubles match where M3.5 70s SC (Charles Critchfield/Doug Howard) defeated TN(B)'s Carroll Smith/John Hayes 7-6, 6-7, 1-0.

Many shared wonderful tennis stories such as Frank Parsons and Eddie Terrell from the Birmingham team that won the M60 3.5s that had last played together over 40 years ago as teammates for the University of Alabama tennis team!

The event returns to Pelham, March 31-April 2, 2006.

NTRP Regulations

New Name, Regulations and NTRP Procedures for USTA League in 2006

The “world’s largest recreational tennis league” will be renamed **USTA League** beginning in 2006! In celebrating the first 25 years of USTA League, it’s not just the name that has changed along the way (Michelob Light, Volvo, USTA League Tennis, USTA League Tennis, etc).

The National Tennis Rating Program (**NTRP**) has evolved into a nationally accepted system utilized by millions of tennis players to compete with players of similar ability at local, State, Sectional and National levels in various leagues and tournaments.

In 2006, all new players registering for USTA League Tennis (Adult, Senior, Mixed, Super Senior), BMW Combo Doubles and other league programs utilizing TennisLink will first answer an online questionnaire intended to approve the self-rating based on tennis background, athletic history and age. This approval process can be appealed by the player at the time of registration and the appeal will be handled by Southern’s Self-Rate Appeal Committee.

In addition to this new procedure, the USTA Southern Section has elected to reverse all wins for new players disqualified by the NTRP Computer Rating System in 2006. Players with computer ratings who are disqualified will continue to have the third-strike match and any subsequent wins reversed. USTA and the Southern Section continue to look at ways to reduce self-rating abuses and to maintain the integrity of league tennis.

There were 117 self-rate grievances filed in the USTA Section in 2004 and 35 in 2005. The Experienced Player Guidelines are credited with reducing grievances and are the basis of the approval process now automated in TennisLink..

USTA SOUTHERN SECTION NTRP RATINGS DISCLOSURE STATEMENT

It is the current policy of the USTA to publish NTRP ratings only in half-point levels (3.5, 4.0, 4.5, etc). NTRP ratings are intended to indicate the player’s minimum level for registration, not to finitely measure one player against another, or to use for strength alignment within a team.

The NTRP system calculates current ratings based on the ratings that the players have generated coming into a match combined with the results of that match. A player’s rating may go up or down as the season progresses and so might the ratings of partners and opponents. But ratings are not stand-alone measurements; they must be considered in relation to other NTRP information to which they are linked.

The NTRP is designed to provide:

1. A system of measuring current skill levels that will give tennis players a quantitative assessment of his/her general ability. This enables players with similar skill or abilities to easily arrange compatible and competitive play.
2. A system to manage placement of players within NTRP levels and formats to promote generally level competition in various leagues and tournaments.

Many factors of play cannot be reflected in NTRP calculations, such as:

- Physical condition of players at time of match
- Court conditions: sun, wind, temperature
- Styles of play
- Preferences of surface
- Strengths of players: physical, mental, strategy
- Players playing the “match of their life”
- Players playing far below current skill level

This emphasizes the necessity to address ratings in ranges, not as an absolute number that specifically identifies a level at a particular time.

The system using NTRP levels as a range to manage play has been extremely successful in the last 25 years. We believe that providing ratings in tenths or hundredths can be misleading and can also lead to manipulation of match results. For these reasons we do not provide NTRP information more detailed than that now available.

USTA SOUTHERN SECTION MEDICAL APPEALS PROCEDURES

To review the entire policy, go to www.southerntennis.com under the Leagues Home Page: USTA League Regulations/ NTRP

- Medical illness or injury must be permanent and have occurred AFTER the date(s) of the match results that produced the computer rating.
- Player must request the medical appeal in writing (not the captain, teammate, spouse, physician).
- Each State association administers medical appeals except for players who advanced to Sectional or National championships.
- Very few medical appeals should be granted, as it is usually better to let the computer determine the NTRP Skill Level based on actual match play. Most orthopedic injuries are denied as surgery typically improves mobility and arthritic conditions are typically progressive rather than traumatic in nature. Most adult/senior players will experience at least one orthopedic condition/injury during their tennis career.

We welcome suggestions from players, captains, coordinators, volunteers, tennis professionals, etc. Contact Marilyn Sherman, director of Adult Tennis, at sherman@sta.usta.com.

As we move into the next 25 years of League Tennis, we strive to offer the best programs in the country to the members of the USTA Southern Section.

USTA Team Tennis on College Campus

Variety of Recreational Tennis Options Offered On Campus

The USTA Southern Section is committed to promoting and helping to establish tennis playing opportunities on college campuses throughout the South. There are approximately 300,000 high school tennis players in the United States, but only about 15,000 go on to compete for their school at the college varsity level. Many of these high school players simply stop playing tennis once they get to college because of the lack of opportunities available.

There are a variety of possible recreational tennis options for tennis players on campus. These choices include instruction and play through physical education classes, intramurals and recreational leagues. The format and schedule

of play is flexible so that it will easily fit into a college or university's program offerings. In addition to these alternatives, many colleges also have tennis club teams which travel to other colleges for competition.

As of the end of 2005, there were 25 colleges in the South that have a tennis club team. The USTA Southern Section's Collegiate Program Committee, under the excellent direction of Russ Prindle, committee chair, holds a Sectional Championship as a way of pro-

viding an additional play opportunity for these teams. The 2005 event was held at Racquet Club of the South in Atlanta, GA, with the University of Georgia and Clemson University taking top honors. In 2006, the Championship is scheduled for March 25-26 at the Champions Club in Chattanooga, TN. In addition, the USTA Southern Section has developed a web page, that lists the names and contact information for teams across the South in an effort to promote play. It can be accessed by navigating to the Collegiate Tennis icon on the Southern Section homepage.

If you are interested in starting a USTA Team Tennis program on a campus near you, please contact the appropriate State contact listed below.

Southern Senior Cup Team Championships

Georgia Sweeps '05 Senior Cup Competition

BY CAPTURING THE MILDRED SOUTHERN CUP, GIL STACY MEMORIAL CUP, AND THE MEN'S AND WOMEN'S OVERALL CHAMPIONSHIPS

The "crown jewel" of Southern tennis, the 19th Annual Southern Senior Cup, in its 12th year in Columbus, GA, featured 300 of the top Southern players competing for their state team in Men's and Women's 35-75 age divisions.

Teams include several former tour players and internationally and nationally top-ranked senior players competing in a unique format that awards points for victories in several categories.

Georgia also won six of the 10 age divisions: Women's 45s, 55s and 75s and Men's 35s, 45s, and 55s. Tennessee won the Women's 35s, North Carolina won the Women's 65s and Men's 75s and Mississippi won the Men's 65s (for the third time in the last four years).

In addition to the superb tennis, it is the team camaraderie that makes many say this is their favorite tennis weekend of the year. The 35s cheer on the 75s, the men cheer for the women and visa versa. Many friendships are rekindled during these four days as well as great rivalries!

Columbus has hosted this event for 12 straight years and will host the event at least through 2008! A USTA Organization of the Year, CORTA once again offered a superb weekend of social activities and amenities for the players. The largest public clay court facility in the country, Cooper Creek Tennis Center, with 30 courts, is a fantastic venue for team competition.

Kudos to local chairman Ken Smith and volunteers, including Nita Perry, Gene and Brenda Oswalt, Fred and Georgia Wise, Helen Martin, Jan Pittman, and Frank Eslinger for providing fantastic facilities, amenities and Southern hospitality!

Thanks to Vicki Everette, Sr Cup Subcommittee chairman, and members Susan Habeeb, Hugh Thomson and Randy Jackson for their efforts throughout the year and tournament referee Carol Fowles who has been with us for 17 of our 19 years! Dene Owen and Terri Wiley are thanked for their hard work and great rapport with the players. The Adult/Senior Competition Committee also ensures the event's success and is led by Vicki Everette, chairman, Steve Duffel, vice chairman and members Roy Barth, Gaines Dyer, Susan Habeeb, Eben Hardie, Gus Rivera, Larry Rizzo, Mildred Southern, Jenny Suttle, Hugh Thomson as well as the USTA Southern Section's officer in charge, Dudley Stewart.

We thank our captains for their time and dedication to this

event! Becky Richardson and Darrell Blevins from Alabama; Jan Dennis and Hill Griffin from Georgia; Susan Habeeb and Greg Combs from Kentucky; Wayne Bono and Elizabeth Chesteen from Louisiana; Jane Holland and Cindy Sturdivant from Mississippi; Vicki and Maurice Everette from North Carolina; Roberta Case and Tom Foster from South Carolina; and Dana Butchee and John Nixon from Tennessee. They all deserve a huge thank you from their players and from the USTA Southern Section for their efforts before and during the event.

The players were eager to sign Mildred Southern's Senior Cup T-shirt as Mildred was unable to attend for the first time in the history of the 19-year event. We wish her well and hope to see her at the 20th anniversary event next year!

ADULT PLAYING LIMITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING USTA SOUTHERN SECTION SANCTIONED TOURNAMENTS. The USTA Southern Section welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

- The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."
- No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.
- For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.
- At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.
- If a tournament advertises on its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak, short sets, etc.... see Rule 27, Rules of Tennis for full descriptions.

Challenge:
Pick on
Someone
Your Own
Age and
Win a U.S.
Open Trip
for Two

Many adult and senior tennis players have never enjoyed the challenge and competition of playing in an age division tournament.

There are hundreds of age division tournaments held in our Section each year. Over 14,000 age division tournament matches were played in 2005. Age divisions include every five years (25,30,35,40,45,50,55,60,65,70,75,80,85,90) in singles, doubles, mixed doubles (and family doubles, such as husband/wife, father/son, mother/daughter).

All of the sanctioned tournaments count toward a state ranking and many count toward a Sectional or National ranking. So if you keep complaining about having to play those "hard bellies" or "whippersnappers," it's time to pick on someone your own age.

As an added incentive, the USTA Southern Section will hold a drawing to win a 2006 US Open Trip for two (airfare, two nights lodging, and tickets for two sessions) for all USTA members who play in an age division tournament by June 15, 2006, and did not hold an age division State, Sectional or National ranking in singles, doubles, mixed doubles or family doubles in 2005.

If you needed a new reason to work on your game, here it is! Go for a RANKING in 2006.

To submit your entry into the drawing, e-mail your name, USTA # and name of age division event you played in to: Sherman@sta.usta.com by June 15, 2006.

SOUTHERN

*In truth, we possess 11 senses:
sight, sound, taste, smell, touch, cabernet,
merlot, pinot gris, syrah, chardonnay, and
the arguably underappreciated riesling.*

Chateau Ste. Michelle, **2004 AMERICAN WINE OF THE YEAR**, *Wine Enthusiast Magazine*

IT IS OUR **WHOLEHEARTED BELIEF** that wine doesn't merely touch the palate,
but can awaken the mind and soul too. Perhaps this is why Chateau Ste. Michelle wines

ARE AMONG THOSE MOST OFTEN SEEN ON WINE LISTS.

And why, *over the past 11 years*, 15 of our proudest efforts have appeared
on **WINE SPECTATOR'S TOP 100 LIST.**
