### USTA SOUTHERN SECTION MISSION STATEMENT

"To promote and develop the growth of tennis."

### DISTINCTION

Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to owning the U.S. Open and selecting members of the Davis Cup, Fed Cup, Olympic and Paralympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 167,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee make up the USTA Southern Section, and account for approximately 25% of the total USTA membership. A professional staff housed in Norcross, GA, carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers. For more information about the types of programs and services offered by the USTA Southern Section, visit [www.southerntennis.com](http://www.southerntennis.com).

## Message from the President and the Executive Director

**T**he USTA Southern Section is committed to working together to enhance lives through the growth of tennis and the development of our programs. It is the passion of our tennis professionals, volunteers, team captains, team parents and State and Section staff that is the heartbeat of Southern tennis. This past year, we have banded together as an organization to overcome obstacles and have many success stories to share. As we embark on a new year, we set our sights on growing our sport through increased organizational play.

Judy Utley

An inspirational year, 2006 saw our organization coming together to rebuild the Gulf Coast tennis community. The USTA responded immediately in the aftermath of Katrina and continued through 2006 to encourage rebuilding efforts. To date, the Southern Section has donated in excess of \$150,000 and has seen nearly a dozen tennis centers in Louisiana and Mississippi reestablish facilities and programs.

The 2006 USTA League Tennis Southern Sectional Championships continued in Charleston, SC, and broke the existing event participation record as 2,274 players competed in the tourney. This shattered the previous record of 2,038 participants, established the previous year. Four Southern teams went on to capture the coveted USTA League Tennis National title with several other teams placing in their divisions.

USTA Southern's own BMW Combo Doubles program had an explosive year with a total number of 200 teams traveling to Baton Rouge, LA, to compete in the Sectional Championships. Another flagship program, USTA Jr. Team Tennis, is on the rise and the Southern Section is leading the nation in the number of junior participants. Over 400 juniors participated in the Sectional Championships held in Mobile, AL. A first-year league out of Valdosta, GA, went on to capture the national title in the 14-and-under intermediate division.

Continued growth of recreational tennis on college campuses is a key component to growing our membership. Thousands of high school players stop playing once they leave their high school teams because of lack of opportunity. USTA Tennis on Campus has grown in the South and currently has 32 universities that take part in the program. The USTA National Intramural-Recreational Sports Association, Intercollegiate Tennis Association and World Team Tennis have joined forces to host the 8th annual USTA Campus Championship. Cary Tennis Center in Cary, NC, will play host to this National Championship.

In its first year, the Tennis Service Representative's (TSR) initiative offered over 40,000 local tennis providers the resources of 90 TSRs, each of whom is charged with delivering service and support teaching professionals, coaches and community tennis leaders across the country. With one TSR in each Southern state

John Callen

and a coordinator working out of the Southern office, local facilities have reaped the benefits with direct assistance in promoting and developing programs.

The USTA announced the winners of its 25th annual USTA Facility Awards Program, recognizing excellence in the construction and/or renovation of public tennis facilities throughout the country. Of the nine winners, four represent the Southern Section. Cary Tennis Park in Cary, NC, and Lost Mountain Tennis Center in Powder Springs, GA, were honored in the Public Courts: Large Tennis Centers division.

Receiving the award for the best private facility supporting USTA and other Growth of the Game programs is Windward Lake Club in Alpharetta, GA. The University of Alabama Varsity Tennis Center took home the award as one of the best collegiate tennis centers.

The USTA Southern Section received a \$15,000 diversity grant from the National office to implement a new initiative known as the DEUCE (Disparity Elimination Using Care and Exercise) program. This new initiative is designed to promote better health, fitness and wellness through care and exercise in an effort to eliminate the health disparity that exists within the minority community. Eight USTA Southern NJTL programs were granted the opportunity to incorporate this program.

As we move forward into 2007, we must continue to work diligently to make people aware of the countless benefits of tennis. Although we have made great strides this past year, we know that, collectively, more challenges lie ahead in our efforts to grow the game. We must work together to leverage our programming in order to spread the enjoyment of this game that we love.

We thank each of you for your continued support of the game.

## Courting *Fun!*

## KAY McDANIEL

**K**ay McDaniel, of Cleveland, TN, has had a passion for the game of tennis since she first picked up a racquet at 11 years old. Her journey began with a racquet bought with Green Stamps and carried her to a No. 30 world ranking on the Women's Professional Tour.

McDaniel purchased her first tennis racquet by saving Green Stamps for six months until she had 50 stamp books, which she then traded for a racquet at a local sporting goods store in Shreveport, LA. McDaniel spent countless hours hitting on a brick wall of a library that was located a few blocks from her house before seeking out tennis lessons. Determined to learn the game, she approached a local tennis pro but was told to come back in two years when she grew a bit taller. Not deterred, McDaniel headed back to the trusty wall and, two years to the day, went back to the tennis pro primed to begin her lessons.

Passion, determination and hard work proved to be enough to carry McDaniel through a successful junior career in which she secured number-one rankings in the USTA Southern 14, 16, and 18 divisions. She took her talents on to Louisiana State University where she played in the number-one position for three years and was a three-time All-American.

After reaching the semifinals in singles of the National Collegiate Tournament, McDaniel decided it was time to turn pro. In her first year on the women's professional tour, she found herself playing at Wimbledon and finished the year ranked 75th

Kay McDaniel

in the world. She went on to compete in six Wimbledon, six U.S. Opens and three French Opens. Along with winning a singles title in Atlanta and doubles titles in Houston and Las Vegas on the Virginia Slims Tour, McDaniel picked up the award for "Fastest Serve in Women's Tennis" when she was clocked at 105 mph. McDaniel played in the era of other amazing female players such as Billie Jean King, Chris Evert, Martina Navratilova and Steffi Graf. Even competing against the most legendary players in the game, McDaniel reached career-high rankings of No. 30 in singles and No. 20 in doubles.

Just before she was set to compete in her seventh Wimbledon, McDaniel had a change of heart and decided it was time to retire from the tour. Shortly after retirement, McDaniel was diagnosed with systemic lupus and Addison's disease. Although these incurable

diseases created new obstacles for McDaniel, she persevered and launched a new career as assistant professor of Sport and Human Performance at Lee University.

Her unrelenting spirit proved to be a testimony to her students and she received a nomination to "Who's Who Among America's Teachers" and the Honor an Educator award from the International Honor Society for Educators. Serving as the collegiate coach for the Lee University tennis team, McDaniel was named the Tennessee-Virginia Athletic Conference Coach of the Year. The Louisiana governor and Council on Physical Fitness and Sport honored McDaniel with an Outstanding Achievement Award. In addition, the annual McDaniel Walk for Lupus was established when university students and community members came together to create the fund raiser in her honor.

# Tennis Legend Stan Smith Inducted into Hall of Fame

## STAN SMITH

Stan Smith is not only a legend throughout the Southern Section, but is highly touted as one of the best male tennis players to ever play the game. With numerous titles on his resume, Smith's career has been one for the record books, but perhaps he is best known for his legacy of sportsmanship and dedication to the game.

Smith grew up in Southern California and was a three-time All-American at the University of Southern California, winning the U.S. Intercollegiate singles in 1968 and doubles with Bob Lutz in 1967 and 1968. After graduating with a finance degree, Smith went on to dominate the professional tour in the early 1970s. He secured the No. 1 ranking in the world in 1971 and 1972, and was the United States' top-ranked player in 1969, 1971, 1972 and 1973. Smith captured the U.S. Open title in 1971 and Wimbledon title in 1972. Partnering once again with Bob Lutz, the pair won four U.S. Open doubles titles, one Australian Open championship and appeared in eight other Grand Slam finals. They are the only doubles team in tennis history to win U.S. national titles on grass, clay, hard-court and indoor surfaces.

In 1968, Smith began his run representing the United States in the Davis Cup. During this 11-year span, he had 24 matches (winning 22) and went home with seven Cup victories.

Stan Smith

Between 1967 and 1980, Smith found himself ranked among the United States' top 10 tennis players 11 times, with six of the years consecutive. Smith won the 35-and-older title at Wimbledon in 1984 and 1985, and at the U.S. Open in 1984. He also won the 55-and-over title at the U.S. Open in 2002 and 2004.

Smith and his wife, Margie, moved to Hilton Head, SC, in the late 1970s and Smith launched into a coaching career. He served as the director of coaching for the USTA Player Development Program from 1988 to 1995, where he was involved in the development of players such as Lindsay Davenport, Jennifer Capriati, Mike and Bob Bryan, Todd Martin, Chanda Rubin, MaliVai Washington and Chris Woodruff. In 2000, Smith was named head coach of the Men's Olympic team competing in Sydney, Australia. Smith paired with Billy Stearns in 2002 and founded the Smith

Stearns Tennis Academy at Sea Pines Resort in Hilton Head, SC. The Academy was designed to enhance individual junior player development and prepares junior players for collegiate and professional competition.

Adding to his long list of tennis accomplishments, he is also the name behind Adidas best-selling tennis shoe. The "Stan Smith" tennis shoe has gone on to be one of the most popular shoes of all time, selling over 30 million.

Smith was inducted into the South Carolina Hall of Fame in 1985 and the International Tennis Hall of Fame in 1987.

## After Over 30 Years of Service, Gray Honored with Jacobs Bowl

### JACOBS BOWL

➤ The highest honor presented by the USTA Southern Section, this award is presented to a volunteer who has exhibited outstanding service in the USTA Southern Section.

➤ **Jeff Gray**  
Mobile, AL

Jeff Gray has been so selfless in his work with the United States Tennis Association that his name has become synonymous with the success of the organization. His journey began over 30 years ago and, during that time, Gray has served in nearly every capacity of the USTA. After a two-year stint as president of the USTA Southern Section, Jeff has been awarded the organization's most prestigious award. To acknowledge his devotion and dedication to the game, the USTA Southern Section presented him with the 2006 Jacobs Bowl Award at the 2007 USTA Southern Section annual meeting in Atlanta.

Under Gray's presidency, the USTA Southern Section has seen the best of times and the worst of times. When Hurricane Katrina ravaged the Gulf Coast of Mississippi and Louisiana, it devastated thousands of our tennis community members' homes, communities and lives. In an effort to reestablish a sense of normalcy in the affected areas, Gray spearheaded the relief and recovery efforts by working in concert with our states and the Southern Tennis Patrons Foundation. The worst storm in our history brought out the best of human nature in the USTA tennis family and over \$1,300,000 was donated to rebuild and repair damaged and/or destroyed facilities, assist displaced tennis pros and reestablish adult and junior USTA programs at alternate temporary sites.

An advocate for growth and development, Gray established an ad-hoc group to initiate a multilevel league format along with other pioneer formats to increase player frequency. Gray advocated that each of the nine Southern states establish play and CTAs in communities that were currently void of organized activity. During his tenure, Gray led the Section's efforts to lobby for National support to sunset USA Tennis as a pro-

Jeff Gray

moted brand and create coordinated brand marketing with the USTA name.

"Membership has reached an all-time high of over 170,000 and participation in the South has shown extraordinary growth in recent years," said John Callen, Executive Director of the USTA Southern Section. "Jeff Gray has accomplished all of these tasks with the charming calm that he brings to his leadership role."

Gray has been an avid teaching professional for nearly 30 years. He has been a member of the United States Professional Tennis Association since 1973 and the Professional Tennis Registry since 2002. He has been director of tennis at the Country Club of Mobile since 1981 and, prior to that, served as head tennis professional at Mirror Lake Racquet Club in

Mobile and Pensacola Racquet Club in Pensacola, FL.

Through the past decade, Gray has served on numerous USTA committees. He is a current member of the USTA Southern Section and USTA Alabama Hall of Fame Selection Committees and USTA Southern Section Patrons Board. He also served as a scout for the USTA Junior Excellence Program.

He has also chaired a variety of committees for both USTA Southern and USTA Alabama, including the USTA Alabama and USTA Southern Section Junior Ranking Committee, USTA Alabama Adult Ranking Committee, USTA Alabama Nominating Committee and USTA Southern Section Grievance Committee. He was elected president of USTA Alabama in 1979 and went on to serve on the USTA Southern Section executive committee as vice president before moving to the presidential role.

An avid player and coach, Gray captained the Alabama Senior Cup Team for four years and, during his professional career, has been honored with many awards, including Alabama Senior Player of the Year, Alabama Tennis Professional of the Year and the SPTA Service Award. Gray was inducted into the Alabama Tennis Hall of Fame in 1998 and the University of West Florida Athletic Hall of Fame in 1971.

Gray received a bachelor's degree from the University of West Florida in physical education and a master's of education from Middle Tennessee State University.

## Over 20 Years of Volunteering Earn Brewer Charlie B. Morris Award

### CHARLIE B. MORRIS JR. SERVICE AWARD

► Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, State, Sectional and/or National levels.

► Barbara Brewer  
Charleston, SC

Barbara Brewer

Barbara Brewer started her tennis career at the age of 12 by hitting against a garage door and has been committed to the game ever since. For over 20 years, she has devoted countless hours volunteering and has been involved in every level of the USTA. Through the years, she has worked selflessly on the State, Sectional and National levels, giving back to the game she loves.

In 1986, Barbara took the reins as tournament director of the Men's Pro Satellite Tournament hosted in Little Rock, AR. After two years of organizing the pro tour event, she jumped in feet first as a volunteer for USTA Arkansas. Brewer was elected to the USTA Arkansas board of directors in 1987 and served as fund raising and ranking chairman. With her sharp leadership skills, Brewer was quickly elected vice president of USTA Arkansas and appointed to the Arkansas Tennis Patrons Foundation.

After serving a two-year term as vice president of Arkansas, she assumed the

presidency in 1993. While serving as their president, the USTA Southern Section appointed her chairman of the district presidents and chairman of the USTA Southern Collegiate Committee. After fulfilling her two-year term, Brewer continued to serve Arkansas as the nominating committee chairman, hall of fame chairman, Patrons Foundation trustee and ex-officio member of the executive committee.

At the Section level, Brewer began her career as the chairman of the Collegiate Committee. She quickly moved up the ranks and served as a delegate-at-large in 1995 and USTA Southern Section secretary in 1996. Her administration expertise were called upon for the USTA Southern Closed 18s Championships, and she stepped in as tournament director from

1996-1997. Brewer continued to move up the ranks and served as vice president, executive vice president, and eventually president from 2001-2002. Since then, she has continued her service to the Section by serving as a delegate, nominating committee member, and chair of the Southern Tennis Patron's Foundation.

A lifetime member of the USTA, Brewer has spent over 20 years volunteering in Arkansas, South Carolina, the Southern Section and on National committees. Most recently, she chaired the USTA Council for the youth/collegiate division, doubles enhancement committee, Section delegates and membership committees. But it was her love of collegiate and team tennis that led her to the National committees. Brewer gave six years and hundreds of hours serving on collegiate, Team Tennis, and plan for growth committees.

Brewer has been recognized for her exceptional volunteerism in tournament, State and Sectional work. A two-time Arkansas Volunteer Service Award winner, Barbara and her family were honored with the Arkansas and Southern Family of the Year Award. When she directed the Southern Closed Championships in Little Rock, AR, the tournament picked up Southern honors for Junior Tournament of the Year. Brewer was honored with the Arkansas President's Award and earned accolades as chairman of the St. Vincent's Men's Pro Satellite Tournament.

## In Memoriam: Richardson and Heflin

The USTA Southern Section would like to memorialize two Southern natives, Ham Richardson and Johnny Heflin, both of whom made tremendous contributions to tennis and the USTA Southern Section.

### HAM RICHARDSON

Ham Richardson, former U.S. Davis Cup team member, was a leading American tennis player and a two-time No. 1 player in the United States.

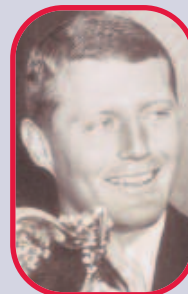

After being diagnosed with diabetes at 15, the Baton Rouge, LA, native persevered to become one of the best junior players in the United States in the early 1950s. He won the 1950 French junior championship while spending every night in the hospital while doctors tried to stabilize his blood-sugar levels.

Despite his struggles, he went on to play tennis at Tulane University, where he was a two-time NCAA singles champion. He was the No. 1-ranked player in the United States in 1956 and 1958, won 17 National titles, played on seven Davis Cup teams and won the men's doubles at the United States Nationals in 1958.

His many honors include induction into the Southern Tennis Hall of Fame, the Louisiana Athletic Hall of Fame and the Tulane Athletics Hall of Fame.

### JOHN HEFLIN JR.

John Heflin Jr. was a Little Rock, AR, businessman, philanthropist and tennis enthusiast—who, taught by his father, learned to love the game of tennis at an early age. When his sons

Ham Richardson

Johnny Heflin

became active in junior tennis, Heflin got involved with USTA Arkansas and served in a variety of positions on the board of directors. He served as president of the Arkansas Tennis Association, the USTA Southern Section Board of Directors and was one of the founders of the Arkansas Tennis Patrons Foundation.

Heflin was involved in many charitable and nonprofit organizations, including the YMCA of Little Rock, which named a facility in North Little Rock for him and established the Johnny Heflin Humanitarian Award in his honor. In 1988, his family was named Arkansas Tennis Family of the Year. Heflin also was named Philanthropist of the Year in 2004 by the Association of Professional Fundraisers.

► 75th Annual City of Asheville Open Tennis Championships

First-year tournament director Laura Loftis knew it would be quite an undertaking to run the 75th Anniversary of the City of Asheville Open Tennis Championships. The tournament committee spent hours planning the grand opening of the Covington Clubhouse in conjunction

Laura Loftis

with the event, as well as bringing in top-ranked players to field the Open division. The longstanding tournament played at Aston Park Tennis Center in Asheville, NC, attracted over 500 players, including former Wimbledon champion Gardner Mulloy, who competed in the 90-plus age division.

Luke Jensen, tennis pro and

ESPN tennis analyst, made a special guest appearance during the City Open.

Throughout the day "Dual Hand Luke" led a series of tennis clinics and a special lunch to talk tennis for players of all ages. The day was officially declared the inaugural "Luke Jensen Day" at the 75th Annual City of Asheville Open Tennis Championships.

The Covington Clubhouse was officially opened on the first day of the Open and dedicated to long-time Asheville tennis player Dick Covington. Mayor Terry Bellamy, North Carolina President Jeff Joyce and a number of representatives from the USTA and USTA Southern Section were on site for the ribbon cutting. Covington graciously willed the proceeds of the sale of his estate to raise money for a tennis museum and clubhouse

at Aston Park. The USTA chipped in a grant of \$89,000 to help make his dream a reality. The new clubhouse features a pro shop, player's lounge, concession area, shower/locker rooms and a museum displaying Western North Carolina tennis history. Barrick was honored with the USTA Southern DeWitt Redgrave Junior Achievement Award in early 2006 for his performance and sportsmanship.

He went on to claim the championship title at the Columbus Indoor Championships before heading to Mobile, AL, to compete in the Boys' 18 National Spring Championships. There he walked away with perhaps the most impressive

feat of his junior career – a gold ball in singles and silver in doubles. He also competed on the 2006 Mills-Redgrave team and assisted in leading Southern to a solid victory over USTA Florida.

In 2005, Barrick accumulated many Sportsmanship honors at the USTA National Open, Boys' 16 Intersectional Championships, Winter Super National Championships and the Gateway Invitational Tourney. But perhaps the most impressive honor was the Bobby Kaplan Sportsmanship Award presented at the USTA National Hard Courts in Kalamazoo, MI. With a list of accomplishments behind him and a world of opportunity in front of him, Houston sets his sights on his next goal – college tennis. After being courted by several outstanding men's tennis programs such as Georgia, Georgia Tech and North Carolina, Barrick has decided Virginia is the best fit. ## Charity Challenge of Champions Receives Top Honors

### CHARITY TENNIS EVENT OF THE YEAR AWARD

- Awarded annually to a tennis event in the USTA Southern Section that generously donates its proceeds to a philanthropic cause.
- **Charity Challenge of Champions Rogers, AR**

Fifteen year ago, Teri Hennessey and her husband collaborated with the Northwest Arkansas Crisis Intervention Center and the Arkansas Children's Hospital to create a five-day tennis event to raise money for those charities and provide local tennis scholarships. Today, the

Teri Hennessey

event has grown into an extravaganza that generates almost a quarter of a million dollars. The Charity Challenge of Champions hosted at the Pinnacle Country Club in Rogers, AR, demands the assistance of over 200 volunteers to assure the action-

packed weekend runs without a hitch.

On Thursday evening, the event kicked off with a junior tournament and children's clinic conducted by tennis celebrities such as Cliff Drysdale. A celebrity dinner is hosted that night to honor the celebrities and key sponsors that donated to the event. An adult tournament including 144 players is spread across three days in round robin format, and celebrity tennis players pair up with tournament participants to play in pro/am matches. The evenings are filled with dinners, auctions and social events that give players a chance to relax and bid on items to benefit the Crisis Center and Children's Hospital.

Donations of almost \$3 million have been made since the Charity Challenge first began in 1992. The tournament also funds scholarships for Northwest Arkansas high school graduates. Each year, two \$1,000 scholarships are awarded to area graduating seniors.

Michael Harden

incorporate kids, life skills and tennis. Thus, MACH Academy was born and is thriving more than ever with a participation base of 1,500 children ages 6-18.

The community-based recreational and educational program focuses on children

living in public-assisted and low-income housing in the Central Savannah River area. The program provides an organized after-school educational and recreational environment in which participants have the opportunity for healthy social, emotional and educational development.

Because of the impact the program has on local youth, community leaders, college students and business owners volunteer their time in hopes of impacting the kids and equipping them with essential life skills. The mentoring programs have been successful in

providing ongoing emotional support and teaching healthy problem solving. Students are also expected to stay in good academic standing to continue in the program.

USTA Jr. Team Tennis provides the outlet for MACH Academy kids to fill their exercise and recreational requirements. - **Brett Schwartz, New Orleans, LA**

Brett Schwartz

tennis director of the city's oldest tennis center, New Orleans Lawn Tennis Club, was appointed by USTA Louisiana board of directors to spearhead the relief funding project. Schwartz traveled to almost every court in the metro New Orleans area to photograph and assess the damages.

Schwartz and USTA Louisiana President Mike McNulty met and talked with

Lucy Garvin, Gordon Smith and the USTA Southern Section regarding rebuilding efforts. The USTA and USTA Southern family responded. The USTA provided \$800,000, followed by the USTA Southern's \$300,000 (\$250,000 from USTA Southern and \$50,000 from Southern Tennis Patrons Foundation). USTA Mississippi donated \$80,000, USTA Georgia donated over \$43,000 and other states with at least \$5,000 each. The LCTA of Charleston, SC, donated over \$4,000. With hundreds of misplaced pros, the USPTA supplied \$500 short-term grants to assuage loss of income.

Once funding was secured, Schwartz rolled up his sleeves and began cutting grass, shoveling debris and putting up fences. Determined to get courts up and running again in New Orleans, Schwartz

spent hours aiding in the rebuilding efforts so local citizens could have some sense of normalcy.

Not only was Schwartz instrumental in rebirthing tennis in the Bayou State, he also plays a huge role in junior tennis in Louisiana. Schwartz coached the Junior Davis/Fed Cup team and served as a member of the Junior Tennis Council Committee, the Junior Ranking Committee and the Tournament Administration & Sanctioning Committee for USTA Louisiana. In 2005, he was named Pro of the Year for Louisiana by the USPTA.

## South Carolina's Barth Family Receives Family of the Year Award

### MICKEY MCNULTY FAMILY OF THE YEAR AWARD

- Given in memory of Judge Mickey McNulty, this award is presented annually to a family that resides in the USTA Southern Section that has been outstanding in its promotion of tennis.
- **The Roy and Colleen Barth Family**  
Kiawah Island, SC

The Barth Family

Roy Barth was introduced to the game of tennis as a young boy by his father, thus beginning a 30-year Barth family tennis legacy in South Carolina and beyond. One of the founding members of the ATP tour, Roy Barth has directed tennis operations at Kiawah Island since the resort opened in 1976. The resort, named the No. 2 tennis resort in the U.S. by Tennis Magazine, recently renamed the 12-court East Beach Tennis Center in his honor.

Roy has a phenomenal tennis background as a player, coach and teacher. As a junior, he was a top-ranked player Nationally and went on to captain his college team at UCLA. There, he was a two-time All-American and the Pacific Coast doubles champion in 1969. He was ranked eighth in the nation in men's singles, second in men's doubles, and broke into the Top 40 in the world as a profes-

sional player. His professional tennis resume includes five Wimbledon and nine U.S. Open appearances. As a coach, he served the UCLA tennis team as assistant coach and led the United States Wightman Cup Team and the winning USA Italia Cup Team. In 1990, he was named USPTR Pro of the Year and USTA South Carolina Pro of the Year. A former president of USTA South Carolina, he was inducted into their Hall of Fame in 1997 and the USTA Southern Section Hall of Fame in 1999.

Perhaps Roy got his work ethic from his mother, Pat Barth, who, at the age of 65, joined the San Diego Junior College tennis team where she competed neck-and-neck with women more than half her age. Today, at 86, she is still making waves on the tennis scene and picked up her first silver ball in 2002 in the National Senior Olympic Competition. She has since finished third in the National 80 & Over Hardcourt Doubles Championships and picked up a second silver ball in doubles in 2005.

Roy's wife, Colleen, has been integral in administering the Kiawah Island Junior Clay Court Championship for the past decade. She works along with son, Jonathan, who is the assistant tournament director. Jonathan has teamed with his father to compete in three father/son National tournaments and the duo is currently ranked fifth in the nation. Jonathan and wife, Meredith, have taken two National titles in the husband/wife division, winning the National Indoors in

"Matthews is most deserving of this award, not just because he is a fine player, but because of his contributions to the community," said Wheelchair Committee Chairman Jeanie Peabody. "He has worked for years toward the inclusion of wheelchair players into able-body tennis programs at every level and has been significant in the development and promotion of the Prudential/Blaze Run/Roll Tennis Challenge, which became a reality this year."

### SLEW HESTER ADULT ACHIEVEMENT AWARDS

- **Richard Lawson**  
Trussville, AL
- **Jeanette Weiland**  
Charleston, SC

#### RICHARD LAWSON

For 60 years, Richard Lawson has been an avid tennis player, but it was not until he retired at the age of 56 that he got involved on the competitive circuit. Lawson, of Trussville, AL, secured his first No. 1 ranking in the Men's 60 division. He remained the player to beat in the Men's 65 and, by the time he was eligible to play in the Men's 70, he was ranked third in the Southern Section. Lawson steadily made his way up to No. 1 in both Men's 70 singles and doubles and broke into the top-10 nationally in singles.

After a shoulder injury in 2004, Lawson was forced to take some time off and underwent extensive physical therapy.

py. Anxious to get back on the court, he began conditioning to prepare for his first year in the Men's 75 division. In 2006, Richard was ranked No. 1 in singles and doubles in Alabama and the Southern Section. Lawson represented Alabama in the Southern Senior Cup for 10 of the last 11 competitions. He was also a member of the Southern Intersectional Team, which won the National team championships. Lawson was honored as the Alabama Male Player of the Year in 1999, 2001 and 2005.

#### JEANETTE WEILAND

Self-taught National champion Jeanette Weiland first picked up a racquet when she was 36 years old. While living in Philadelphia, PA, she joined a women's league and became a member of the USTA. By the time she was 65, she

was primed to compete in her first National tournament in the singles and doubles divisions. Weiland advanced to the finals of the National Grass Court Championship and went on to capture five gold balls in a row in the Women's 65 division. With her doubles partner, Beverly Winans, they finished their partnership career with the No. 1 doubles ranking in the 65s.

Before entering the 75s division, Jeanette underwent

total knee replacement surgery. Per doctor's orders, Jeanette could only compete in doubles competitions. She teamed with Angie Ray of Phoenix, AZ, and headed to the Checket Cup in Houston, TX. The duo upset the number-one seeds to win the tournament and secure seeding for their first National tournament together. From there, they took the title in the Women's 75s National hard, indoor and clay championships. They finished a respectable third in the National Grass Court Championships.

As for upcoming plans in 2007, Jeanette and her partner have plans to defend their three National titles with hopes of picking up a fourth.

## Christensen Selected as Local League Coordinator of the Year

### LOCAL LEAGUE COORDINATOR OF THE YEAR AWARD

- Presented annually to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.
- **Kyle Christensen**  
Chattanooga, TN

Kyle Christensen

Local league play in Chattanooga, TN, was on the decline before Kyle Christensen took the reins as local league coordinator in 2006. A member of the Chattanooga Tennis

Association since 1998, Kyle decided to take it upon himself to revive league tennis in Chattanooga. Christensen served on the board of directors for the Chattanooga Tennis Association for five years and was involved in numerous leagues during his tenure. When he stepped into the role of USTA Mixed Doubles local league coordinator, he realized the only way to grow the league was to personally get involved in the recruiting process.

"Kyle Christensen took the invitation from USTA Tennessee to go out and invite people to play tennis and, from what I've heard, he didn't take no for an answer,"

said USTA Tennessee Executive Director Brenda Witt. "By thinking outside the box and going the extra mile, Kyle was successful in growing the Mixed Doubles League program in Chattanooga by 143 players. What an impact this made and will continue to make on the growth of tennis in the Chattanooga area!"

Kyle is currently employed by Henderson, Hutcherson & McCullough as a CPA and serves as the firm's management advisory services group partner. Kyle and his wife, Glenda, have three children: Jessica, Drake and Lexie.

### SPECIAL TENNIS EVENT OF THE YEAR

- Presented annually to a special tennis event in the USTA Southern Section that has been exemplary in its promotion and support of tennis.
- "Love that Art!" auction Paducah, KY

When the tennis community in Paducah, KY, joined forces with area artists to create a special event in which paintings would be auctioned off from baseline to baseline, both sides reaped dividends. Sponsored by the Paducah Tornado Tennis Association, the third annual Love that Art! auction pulled in thousands of dollars for a local high school facility and earned top honors as the USTA Southern Section Special Tennis Event of the Year.

Members of the Tilghman High School tennis team and their families put numer-

Jane Gamble

ous hours into creating this one-of-a-kind event. Jane Gamble and Jan Crawford spearheaded efforts, including ticket sales, catering arrangements, designing programs and setting up art displays. Their efforts were rewarded when the auction attracted 300 local community members to view more than 100 pieces donated by Paducah artists.

After expenses were calculated, the total proceeds from the evening were more than \$38,000. Twenty-five percent of the profit was given to the Yeiser Art Center, a non-profit visual arts gallery in historic Paducah. The remainder of the proceeds was awarded to the Paducah City Schools Foundation for improvements and maintenance of the Chad Gamble tennis courts on the campus of Paducah Tilghman High School. The funds will be used for court resurfacing and construction of covered court viewing areas.

## St. Jude Classic Wins Team Tennis Event of the Year

### TEAM TENNIS EVENT/PROGRAM OF THE YEAR AWARD

- Presented annually to a USTA Southern Section event that best demonstrates outstanding execution of a team event.
- Baton Rouge St. Jude Classic Baton Rouge, LA

Liz Jenkins

The 2006 Baton Rouge St. Jude Classic was not just a phenomenal team tennis event – it was an entire weekend experience! The tournament is touted as the largest charity tennis event in Louisiana and attracted nearly 600 players. With a volunteer base of 150 community members and a diligent steering committee, the event sur-

passed its own record this year for donations.

The fund-raising tournament was created to raise money for the St. Jude Children's Research Hospital and further its mission of providing treatment for children with cancer and other catastrophic illnesses. Although Louisiana has had its share of hard times recently with the

devastation from hurricanes, the event raised a net donation of \$81,000. Since the inception of this event in 2003, the Baton Rouge St. Jude Classic has raised upwards of a quarter of a million dollars.

It is no surprise that players travel from near and far to participate in this event. For a nominal entry fee, players are treated to gourmet Cajun cooking, player parties and a weekend full of competitive tennis. Thursday night the tournament kicked off with a Calcutta and live auction at the Sherwood Forest Country Club. Special guests Brayden Musso and Brooklyn Ray, two St. Jude patients, were onsite and were crowned prince and princess of the evening. Throughout the weekend, players dined on fare provided

by Carrabba's, Bonefish Grill and Outback Steakhouse and were treated nightly to a live band and wine tastings. Get Off My Nerves Chiropractic was on hand Saturday at the event to provide players with free massages for their aching muscles.

The overall team winner walked away with a grand prize of six free tickets to the Morgan Keegan St. Jude Classic Professional Tennis Tournament hosted in Memphis, TN.

Anxious to meet new people in Knoxville, Hanchett joined a city round-robin league and took up the game as a means of socializing. It was not long before she jumped into the role of local league coordinator, where she served until 1989

**Dodie Hanchett**

when she was named Tennessee's State League Coordinator.

For 15 years Hanchett worked tirelessly to promote and administer leagues throughout Tennessee. In 2004, Hanchett and her husband moved to South Carolina, but she continued to serve as the Tennessee coordinator for a couple of years until she decided it was time to step down. Hanchett had plans of settling into her new home and enjoying tennis as a

participant, but USTA South Carolina had other plans. In an effort to utilize her leadership and organizational skills, USTA South Carolina quickly delegated her as a league volunteer. In 2005, she was appointed chair of the USTA Southern Sectional League Championships and a member of the USTA Southern Adult League Committee. Hanchett has served as the tournament director of the "World's Largest Tennis Tournament" for the past two years.

Carla O'Connor stumbled into the world of Jr. Team Tennis unexpectedly one Saturday afternoon in Charlotte, NC. She loaded up her station wagon with a

group of kids and heading to an area tennis jamboree. It was there that she met Patti Smith, who encouraged her to initiate a team tennis program in Charlotte.

In spring 1999, Jr. Team Tennis was launched in Charlotte and more than 300

juniors from 10 area facilities participated in the pilot program. The program was well received by area tennis pros and became the designated program for juniors. Today there are three seasons of USTA Jr. Team Tennis and the program has seen consistent growth over the past eight years. Currently, nearly 100 teams representing 30 area facilities take part in season play and, as a result, the area has seen an influx of participation in junior novice events.

O'Connor credits the success of the program to the Team Tennis commission that she initiated, which is comprised of enthusiastic pros and

parents. The commission meets three times a year to plan the promotion and administration of the league. In addition to serving as the area program coordinator, Carla has worked as a site coordinator and a coach. In 2006, she captained the Southern 18-and-under advanced team that placed second at the USTA Jr. Team Tennis National Championships. ## New Method of Teaching Could Revolutionize Junior Tennis

**T**he face of junior tennis is preparing for a makeover as a new method of teaching junior tennis called 36-60 is beginning to take root across the country. The idea behind the new format is to adopt principles that other sports such as soccer, basketball and T-ball have implemented for youth participants. By adjusting the court dimensions to a less intimidating 36 and 60 feet, juniors can enjoy the satisfaction of rallying the ball and focus on skill development.

Thirty-five facilities across the country were selected to participate in the USTA pilot program that could change junior tennis as we know it today. With more youngsters filling up the courts, tennis pros are excited about the potential impact the program could have for the game.

The USTA developed this initiative to provide young players with a skill base for further development. It is also believed that the new format will create a better experience for children and that it will increase participation. Team formats, parental involvement and modified courts and equipment will be the foundation for 36-60 tennis. Playing on a smaller court would alleviate beginner frustration and create a positive experience.

"The new format of tennis will give tennis a venue to gain the participation of millions of youngsters that the popular team

sports such as soccer, baseball, basketball and football have enjoyed for many years," said Bill Ozaki, Senior Director of Junior and Collegiate Competition for the USTA.

Tennis has always been taught on a full-size court with full-size equipment in the United States. The new program, which was developed in Europe, would be a progressive model that would prepare children to play on a full-size court by the age of 12. Beginning players start on a 36-foot-long court and use smaller racquets and balls. They advance to a larger court with a low-compression ball as their skill sets increase.

"All aspects of junior tennis will increase significantly in popularity," Ozaki continued. "The long-term effect will impact entry-level youth tennis, high-performance tennis and, eventually, adult tennis."

## First-Year League Takes Team to the Top

**I**n Valdosta, GA, high school football reigns supreme. Valdosta High School football holds the most national championship titles of any school in the nation. In a town that lives and breathes football, other sports pale in comparison. Until now, that is. There is another national championship team in town.

Tennis was an afterthought and the only way to play on a team was to make the high school cut. The small South Georgia town had never had an organized junior tennis league until USTA League Jr. Team Tennis Coordinator Mary Dillon contacted the local parks and recreation department. Soon after, the first USTA Jr. Team Tennis program was established at McKey Park and students were introduced to tennis as a team sport.

Stephen Moore, Carly Cangelosi, Tommy Cangelosi, Leslie Brandon, Seth Rountree, Heather Hathcock and J.P. Nichols joined together to form a 14-and-under intermediate team that practiced weekly. After holding fund raisers to buy team uniforms, they embarked on their first state championship, ready for fierce competition. They stormed

on the scene at the USTA Georgia state championships and upset several veteran teams to win the title. After capturing the USTA Southern Section title in Mobile, AL, the team traveled to Tucson, AZ, to represent the Southern Section in the National Championships. The Valdosta team claimed wins over teams from Missouri Valley, Southern California, Delaware, Boston, Utah and New York to earn the National Championship title.

## LEAGUES, LEAGUES AND MORE LEAGUES!

**S**ome people outside of tennis still think of our game as an “individual” sport! Try telling that to the nearly 100,000 players who play on up to 15 teams a year in over 100 cities in the South.

In the past 25 years, these players have come to enjoy USTA League programs, which now include USTA League with Adult, Senior, Mixed and Super Senior Divisions and BMW Combo Doubles.

The USTA Southern Section has been at the forefront of establishing new programs and in 2007 will unveil a new league program designed to keep matches competitive yet allow players to form teams with friends at different skill levels. You might think it sounds like BMW Combo Doubles, but this program keeps the same NTRP-level players on the same court. For instance, the No. 1 doubles might be 4.0, No. 2 doubles at 3.5 and No. 3 Doubles at 3.0. Local leagues and States will determine how many doubles positions and NTRP levels. This is a great new program for smaller areas with fewer players at each NTRP level but in many cases will be attractive to larger areas interested in adding a new program. This new program will be named at the local or State level and advancement will also be determined in each State.

Our existing league programs continue to thrive. The USTA Southern Section had an increase of over 9,000 league registrations in 2006, totaling 225,000. We define “frequent player” in the South as over 10,000 played on five or more teams!

### USTA LEAGUE ADULT & SENIOR DIVISIONS

**I**n the USTA League Adult & Senior Divisions, where 16,000 in our Section advance to State competition, 2,274 players on 200 teams advanced to the Sectional Championships, known as the “World’s largest tennis tournament” with 1,626 singles and doubles matches played on 73 courts!

Two hundred and fifty players on 22 teams represented the South at the National Championships in Palm Springs, Tucson, Indian Wells and in Hawaii. The Sectional Championships moves to Mobile, AL, for 2007 and 2008, where the “World’s largest tennis facility” just added 10 more courts to an incredible 60-court total at the Mobile Tennis Center.

### USTA LEAGUE MIXED DOUBLES

**USTA** League Mixed Doubles continues to grow, with over 33,000 participants in 2006. Champion teams progressed to State championships, Sectional championships in Cary, NC, and the National Championships in Puerto Rico. The Sectional Championships will be held in New Orleans, LA, in 2007 and 2008.

### USTA LEAGUE SUPER SENIORS

**USTA** League Super Seniors grew to over 6,000 in 2006. Offering competition in two age divisions – the 60s and 70s, with NTRP levels 2.5-4.5 – winning teams advance to State, Sectional and National championships. The Sectional Championships will be held in Columbus, GA, in 2006 and 2007, and the 2006 7.0 and 9.0 National Championships will be held in Charleston, SC. The 6.0 and 8.0 event will be held in Daytona, FL.

### BMW COMBO DOUBLES

**BMW** Combo Doubles reached over 44,000 participants this year and offered State and Sectional competition. The format is three doubles positions for men’s and women’s teams (Adult & Senior Divisions) in 5.0, 5.5, 6.5, 7.5, 8.5, 9.5 and 10.5 levels. The 2006 and 2007 Sectional Championships will be held in Baton Rouge, LA.

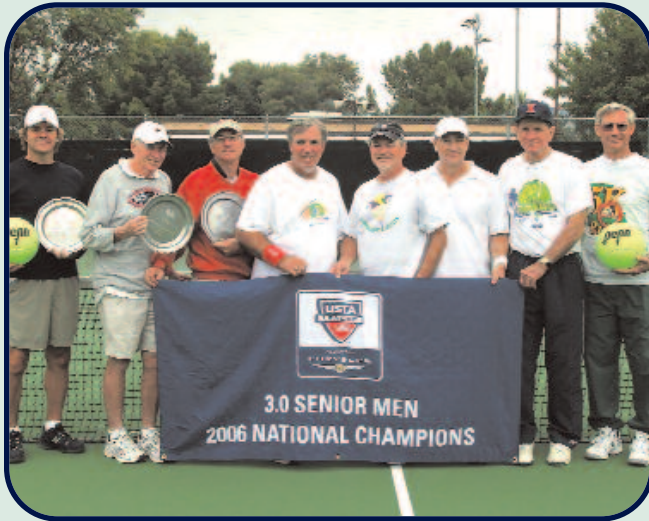

The USTA Southern Section also offers other league programs registered in TennisLink that total over 12,000 registrations, such as 2.0 leagues, open leagues, team singles and “fun” fall leagues.

The USTA Southern Section’s Adult League Committee Mission Statement is “To promote and develop the best adult league programs in the United States for the members of the USTA Southern Section.” Check your local and State websites for contacts in your area. Go to our website at [www.southerntennis.com](http://www.southerntennis.com) and click on Leagues for National and Sectional information, regulations and calendars.

Highlights from 2006 are featured in the next section. Congratulations to all our champions and finalists in all our programs at the local, State, Sectional and National levels in 2006!

## Do You Hold a League Record?

The USTA Southern Section gained interest in league records when it was determined that we held the "World's largest tennis tournament" each year: the USTA League Tennis Southern Sectional Championships for the Adult and Senior Divisions. With 200 teams and 2,274 players in 2006, this nine-day tennis extravaganza also brings millions of dollars to the local economy each year. To keep our celebration of league tennis alive, this page in Southern's annual yearbook is dedicated to league records. Recommendations for new categories are welcome.

### **MOST SUCCESSFUL YEAR IN LEAGUE TENNIS**

Cathy Klingensmith, Rome, GA: Five winning teams, not wildcard teams that attended all of the Georgia state championships. Women's 3.0 Adult and Senior teams, a 6.0 Adult and Senior Mixed Teams and a 5.5 Combo team in 2005.

### **PLAYED IN ALL FOUR SECTIONAL CHAMPIONSHIPS HELD IN ONE YEAR:**

Ann DeBusk from Knoxville, TN, participated in all four Sectional Championships held in 2005: 4.0 Senior Women's team went to Charleston, Sr. 8.0 mixed doubles team went to Cary, NC, Sr. 7.5 combo team went to Mobile and a 4.0 Super Senior team that went to Pelham.

### **LONGEST WINNING STREAK**

The Dream Team (Senior Men's 3.0) from Huntsville, AL. In local league play in Huntsville, their team match win/loss record through 2006 is 92-8! They won the 3.0 Sr. Alabama State Championships in 2003 and were finalists in 2004.

### **LONGEST POINT**

318 shots – 2003 Sectional Championships in Columbia, SC, W3.5 Final NC v AR No. 1 singles match to determine which team would advance to Nationals. The game lasted 54 minutes!

### **LONGEST MATCH**

Without specific detail, we recall a six-hour singles match in Mobile, AL. This was WITH the match tiebreak! It was a Women's 3.5 match and the winner had to play again within one hour!

### **WHEELCHAIR PLAYER ADVANCES TO NATIONALS**

The first Southern wheelchair player to advance to a USTA League Tennis National Championship is Bob Masella, Columbia, SC, captain and player on deciding court at the 2005 Mixed 6.0 Sectionals!

### **LONGEST MATCH TIEBREAK**

The longest match tiebreak currently known is from Northern California: 24-22!

### **COLDEST MATCHES**

Kudos to all who survived the 2002 BMW Combo Doubles in Rome, GA, where 1,400 players endured 17-degree weather and NOT ONE player defaulted!

### **HOTTEST MATCHES**

It is the South and we do play in July! On-court temperatures have exceeded 120 degrees.

### **MOST MATCHES IN A DAY**

Five hundred ninety-one matches played on Sunday at the 2006 BMW Combo Doubles in Baton Rouge, LA.

### **MOST YEARS PLAYING USTA LEAGUE**

Burt Fowles, Columbia, SC, all 26 years!

### **"MOST EXPERIENCED" LEAGUE PLAYER**

Rhetta Cox, 90, from Myrtle Beach, SC.

### **"MOST EXPERIENCED" LEAGUE TEAM**

Rhetta Cox, 91, and Rena Santon, 83 = 174 years of experience! Actually, Rhetta has played all her life but Rena started playing seven years ago, when her doctor told her, at 76, to get more exercise!

### **"MOST EXPERIENCED" LEAGUE TEAM IN ADULT DIVISION**

Pat Hillman, 83, and Edna Cox, 79, from Atlanta in Women's 3.0.

### **MOST TEAMS IN A SINGLE YEAR**

Jean Darby of Florence, AL, was on 17 teams and played 104 USTA league matches in 2005.

### **MOST EXPERIENCED LEAGUE COORDINATOR**

Nell Barksdale, North Carolina State League Coordinator

### **LEAST INVESTMENT IN EQUIPMENT TO PLAY IN A SECTIONAL CHAMPIONSHIP**

\$12.95. Cost of tennis racquet used by 2006 Texarkana, AR, 6.0 mixed teammate Steve Delello.

### **MOST CONSECUTIVE YEARS AS STATE LEAGUE COORDINATOR**

Mary Goins (SC), since August 1991.

### **MOST CONSECUTIVE YEARS AS LOCAL LEAGUE COORDINATOR**

Burt Fowles, Columbia, SC, 26 years: 1980-2006

### **FIRST LLC TO BE RECOGNIZED AT NATIONAL LEVEL**

Bonnie Sue Duncan, Greenville, SC, is a 2006 recipient of the prestigious Eve F. Kraft Community Service Award, due in great part to her role as local league coordinator for several adult/senior league programs.

### **MOST STATE CHAMPIONS FROM A LOCAL LEAGUE**

Hilton Head Island, SC: SEVEN Super Senior titles at the 2005 State Championship; 60s divisions – 3.0 M, 2.5 W, 3.5 W, 4.0 W; 70s divisions 3.0 M, 3.5 M and 3.0 W.

### **MOST YEARS PLAYING LEAGUE TENNIS WITHOUT GETTING TO SECTIONALS**

### **FAMILY WITH MOST LEAGUE PLAYERS**

The Bowers family from Greenville and Rock Hill, SC, with father, son, daughter-in-law and daughter on 26 USTA teams in 2006 (all four played in the South Carolina BMW Combo Doubles State Championships!)

### **MOST COURTS PER POPULATION**

Hilton Head Island boasts 493 courts for 34,497 citizens and 1,562 USTA members. Comparing that to Atlanta with 10,000 courts for 4.7 million citizens and 35,362 USTA members, that's 70 citizens per court for Hilton Head and 470 citizens per court for Atlanta!

## Cary Serves an Ace

## Combo Goes Cajun

**T**he 2006 BMW Combo Doubles Southern Sectional

Championships held in Baton Rouge, LA, included 191 State champion teams in Adults 5.0-9.5 levels, Seniors 5.5-8.5 levels and Super Senior 6.5 and 7.5 levels. Over 1,800 players enjoyed the superb tennis facilities at the Lamar Tennis Center YMCA, Bocage, Sherwood Forest, Highland Park, Independence Park, LSU Rec Center, Greenwood Park and Forest Park.

Off the courts, the players enjoyed a Louisiana-style party at the Old State Capitol Building with Cajun cooking, music and dancing. BMW offered test drives and great prizes and players had a chance to guess the number of tennis balls donated by Penn for league championships nationwide. In the last 26 years, an incredible 6,375,000 balls, which have required 67,500 yards of yellow felt and 225 tons of rubber, have been donated. Sea Island Resort (the number-one destination in the world, according to Travel Magazine) donated a weekend getaway to a lucky player!

## 20th Anniversary Southern Senior Cup Team Championships A 'Smashing' Success

**GEORGIA WINS THE MILDRED SOUTHERN CUP, GIL STACY MEMORIAL CUP, AND THE MEN'S OVERALL CHAMPIONSHIPS AND SOUTH CAROLINA WINS THE WOMEN'S OVERALL CHAMPIONSHIPS**

The "crown jewel" of Southern tennis, the Southern Senior Cup, in its 13th year in Columbus, GA, featured 300 of the top Southern players competing for their State team in Men's and Women's 35-75 age divisions.

Teams include several former tour players and Internationally and Nationally top-ranked senior players competing in a unique format that awards points for victories in several categories. Georgia won the Men's 35s, Men's 55s, and Men's 65s; North Carolina won the Men's 45s, Men's 75s and Women's 35s, South Carolina won the Women's 55s, Women's 65s and Women's 75s and Tennessee won the Women's 45s.

In addition to the superb tennis, it is the team camaraderie that makes many say this is their favorite tennis weekend of the year. The 35s cheer on the 75s, the men cheer for the women and visa versa. Many friendships are rekindled during these four days as well as great rivalries!

Columbus has hosted this event for 13 straight years and will host the event at least through 2008! A USTA Organization of the Year, CORTA once again offered a superb weekend of social activities and amenities for the players. The largest public clay court facility in the country, Cooper Creek Tennis Center, with 30 courts, is a fantastic venue for team competition.

Kudos to local chairman Ken Smith and volunteers including Nita Perry and Kristi Sholtis as social chairman, and Andie and Adam Centerbar (volunteer chairman) for providing fantastic facili-

ties, amenities and Southern hospitality! Becky Glisson, tennis center manager, offered an exceptional staff for the event.

Thanks to Vicki Everette, Senior Cup Subcommittee chairman, and members Susan Habeeb and Randy Jackson for their efforts throughout the year and tournament referee Carol Fowles, who has been with us for 18 of our 20 years! Dene Owen and Terri Wiley are thanked for their hard work and great rapport with the players. Becky McPhee created a fantastic slideshow enjoyed by all at the Friday night party at The Estate. The Adult/Senior Competition Committee also ensures the event's success and is led by Vicki Everette, chairman, Steve Duffel, vice chairman, and members Roy Barth, Gaines Dyer, Susan Habeeb, Eben Hardie, Gus Rivera, Larry Rizzo, Mildred Southern and Jenny Settle, as well as the USTA Southern Section's officer in charge, Dudley Stewart.

We thank our captains for their time and dedication to this event. Becky

Richardson, Darrell Blevins from Alabama; Jan Dennis, Hill Griffin from Georgia; Susan Habeeb, Greg Combs from Kentucky; Drew Meyers and Elizabeth Chesteen from Louisiana; Jane Holland, Cindy Sturdivant from Mississippi; Vicki and Maurice Everette from North Carolina; Roberta Case and Tom Foster from South Carolina; and Dana Butchee, John Nixon from Tennessee. They all deserve a huge thank you from their players and from the USTA Southern Section for their efforts before and during the event.

In recognition of the 20th anniversary, a new perpetual award was created to recognize and honor an individual for their contributions to Senior Cup. The first recipient is Tommy Bartlett, who served as the men's captain for Tennessee for 15 years and also played for several years. He addressed the crowd at the Saturday night banquet and reminded us of the joy that tennis has brought to of our lives.

# USTA TEAM TENNIS ON COLLEGE CAMPUS

ADULTS

## Recreational Tennis a College Option

The USTA Southern Section is committed to promoting and helping to establish tennis playing opportunities on college campuses throughout the South. There are approximately 300,000 high school tennis players in the United States, but only about 15,000 compete for their school at the college varsity level. Many of these high school players simply stop playing tennis once they get to college because of the lack of opportunities available.

There are a variety of possi-

ble recreational tennis options for tennis players on campus. These choices include instruction and play through physical education classes, intramurals and recreational leagues. The format of play is flexible so that it can easily fit into any school's situation. In addition to these alternatives, many colleges also have tennis club teams which travel to other

colleges for competition.

As of the end of 2006, there were 32 colleges in the South that had a tennis club team. The USTA Southern Section's Collegiate Program Committee holds a Sectional Championship as a way of providing an additional play opportunity for these teams. The 2006 event was held at the Champions Club in Chattanooga, TN, with the University of Georgia and Georgia Tech taking top honors. In 2007, the Champions Club will once again host this

event on March 24-25. In addition, the USTA Southern Section has developed a web page that lists the names and contact information for teams across the South in an effort to promote play between the teams in our Section. That page can be accessed by navigating to the Collegiate Tennis icon on the Southern Section homepage.

If you are interested in starting a Tennis on Campus program, please contact the appropriate State contact listed below.

### ADULT PLAYING LIMITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING USTA SOUTHERN SECTION SANCTIONED TOURNAMENTS. The USTA Southern Section welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

- The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."
- No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.
- For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.
- At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.
- If a tournament advertises on its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak, short sets, etc.... see Rule 27, Rules of Tennis for full descriptions.

## Numbers Tell the NTRP Story

The National Tennis Rating Program (NTRP) has evolved into a nationwide accepted system utilized by millions of tennis players to compete with players of similar ability at local, state, sectional

and national levels in various leagues and tournaments. The USTA NTRP Computer Rating System produced computer ratings for 86,006 players in the USTA Southern Section in 2006.

### NTRP TOURNAMENT DATA WILL BE EXCLUDED FROM 2007 SOUTHERN YEAR END RATINGS

The states and Southern Adult League Committee decided to use NTRP tournament data in 2003-2006. In those same years, they opted not to use age group or combo data because of the frequent disparity between player levels. The sections do not have a choice in using adult, senior, mixed, or super senior data.

While the initial intent was to include NTRP data for 07 year end ratings, several cases came to light in November 06 that indicated that the tournament data was not improving ratings but, in too many cases was producing a lower or higher rating than years of league history indicated to be appropriate.

Overall NTRP Tournament participation in the Southern Section has decreased. Player concern that participating in tournaments would impact their NTRP rating has been identified as a leading factor. Consequently, the Adult League Committee voted to revise the 07 regulations to exclude NTRP tournament data from the 2007 Southern year end ratings.

NTRP Tournaments were created to provide additional competition for players and to provide a vehicle to earn state and sectional "rankings" via tournament play. Many players confuse "rankings" with "ratings". Points are accumulated by participating in NTRP Tournaments toward state and/or sectional rankings. Players earn more points depending on the round that they reach in the tournament: for instance, a 300 point Southern NTRP Championship tournament earns 300 points for the champion, 250 points for the finalist, 215 points for 3rd place, 200 points for 4th place, 150 points for 5-8 place, etc. Your state rankings may have different requirements and point values but basically are handled the same way if your state uses a "points per round" system. Currently, there are no national NTRP Tournament competitions. For the Southern and State NTRP and Age Group Tournament Schedules, go to [www.southerntennis.com](http://www.southerntennis.com) and the State Association websites.

Over 14,000 players registered for a USTA league program in 2006 by first answering the online questionnaire intended to approve the self-rating based on tennis background, athletic history, and age. Approximately 1,000 appealed the rating by filling out a more extensive tennis background history form and approximately one third of those appeals were granted to a lower entry level. This approval process is administered by Southern's NTRP Oversight Subcommittee which will also administer self-rate grievances in 2007. This policy is intended to promote consistency and integrity in all NTRP related procedures in league tennis.

In 2007, the USTA Southern Section continues to choose to reverse all wins for new players disqualified by the NTRP Computer Rating System. Players with computer ratings who are disqualified will continue to have the 3rd strike match and any subsequent wins reversed. USTA and the Southern Section reviews many suggestions from players, captains, volunteers, coordinators, and pros to explore improvements to regulations and procedures associated with league tennis.

## LEAGUES, LEAGUES AND MORE LEAGUES!

Some people outside of tennis still think of our game as an “individual” sport! Try telling that to the nearly 100,000 players who play on up to 15 teams a year in over 100 cities in the South.

In the past 25 years, these players have come to enjoy USTA League programs, which now include USTA League with Adult, Senior, Mixed and Super Senior Divisions and BMW Combo Doubles.

The USTA Southern Section has been at the forefront of establishing new programs and in 2007 will unveil a new league program designed to keep matches competitive yet allow players to form teams with friends at different skill levels. You might think it sounds like BMW Combo Doubles, but this program keeps the same NTRP-level players on the same court. For instance, the No. 1 doubles might be 4.0, No. 2 doubles at 3.5 and No. 3 Doubles at 3.0. Local leagues and States will determine how many doubles positions and NTRP levels. This is a great new program for smaller areas with fewer players at each NTRP level but in many cases will be attractive to larger areas interested in adding a new program. This new program will be named at the local or State level and advancement will also be determined in each State.

Our existing league programs continue to thrive. The USTA Southern Section had an increase of over 9,000 league registrations in 2006, totaling 225,000. We define “frequent player” in the South as over 10,000 played on five or more teams!

### USTA LEAGUE ADULT & SENIOR DIVISIONS

In the USTA League Adult & Senior Divisions, where 16,000 in our Section advance to State competition, 2,274 players on 200 teams advanced to the Sectional Championships, known as the “World’s largest tennis tournament” with 1,626 singles and doubles matches played on 73 courts!

Two hundred and fifty players on 22 teams represented the South at the National Championships in Palm Springs, Tucson, Indian Wells and in Hawaii. The Sectional Championships moves to Mobile, AL, for 2007 and 2008, where the “World’s largest tennis facility” just added 10 more courts to an incredible 60-court total at the Mobile Tennis Center.

### USTA LEAGUE MIXED DOUBLES

USTA League Mixed Doubles continues to grow, with over 33,000 participants in 2006. Champion teams progressed to State championships, Sectional championships in Cary, NC, and the National Championships in Puerto Rico. The Sectional Championships will be held in New Orleans, LA, in 2007 and 2008.

### USTA LEAGUE SUPER SENIORS

USTA League Super Seniors grew to over 6,000 in 2006. Offering competition in two age divisions – the 60s and 70s, with NTRP levels 2.5-4.5 – winning teams advance to State, Sectional and National championships. The Sectional Championships will be held in Columbus, GA, in 2006 and 2007, and the 2006 7.0 and 9.0 National Championships will be held in Charleston, SC. The 6.0 and 8.0 event will be held in Daytona, FL.

### BMW COMBO DOUBLES

BMW Combo Doubles reached over 44,000 participants this year and offered State and Sectional competition. The format is three doubles positions for men’s and women’s teams (Adult & Senior Divisions) in 5.0, 5.5, 6.5, 7.5, 8.5, 9.5 and 10.5 levels. The 2006 and 2007 Sectional Championships will be held in Baton Rouge, LA.

The USTA Southern Section also offers other league programs registered in TennisLink that total over 12,000 registrations, such as 2.0 leagues, open leagues, team singles and “fun” fall leagues.

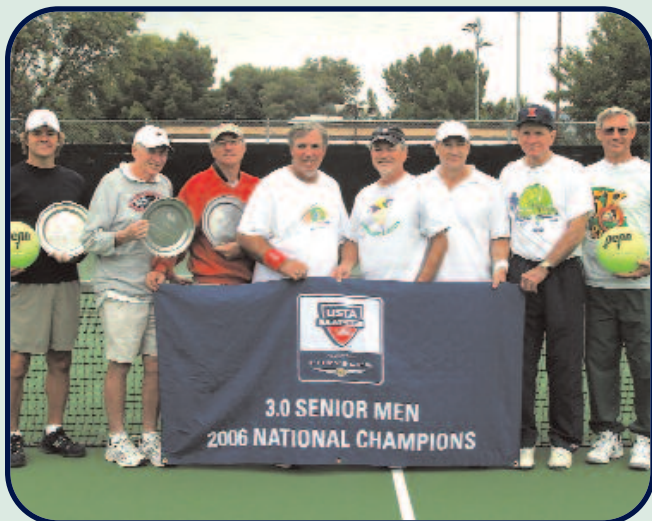

The USTA Southern Section’s Adult League Committee Mission Statement is “To promote and develop the best adult league programs in the United States for the members of the USTA Southern Section.” Check your local and State websites for contacts in your area. Go to our website at [www.southerntennis.com](http://www.southerntennis.com) and click on Leagues for National and Sectional information, regulations and calendars.

Highlights from 2006 are featured in the next section. Congratulations to all our champions and finalists in all our programs at the local, State, Sectional and National levels in 2006!

## Do You Hold a League Record?

The USTA Southern Section gained interest in league records when it was determined that we held the "World's largest tennis tournament" each year: the USTA League Tennis Southern Sectional Championships for the Adult and Senior Divisions. With 200 teams and 2,274 players in 2006, this nine-day tennis extravaganza also brings millions of dollars to the local economy each year. To keep our celebration of league tennis alive, this page in Southern's annual yearbook is dedicated to league records. Recommendations for new categories are welcome.

### **MOST SUCCESSFUL YEAR IN LEAGUE TENNIS**

Cathy Klingensmith, Rome, GA: Five winning teams, not wildcard teams that attended all of the Georgia state championships. Women's 3.0 Adult and Senior teams, a 6.0 Adult and Senior Mixed Teams and a 5.5 Combo team in 2005.

### **PLAYED IN ALL FOUR SECTIONAL CHAMPIONSHIPS HELD IN ONE YEAR:**

Ann DeBusk from Knoxville, TN, participated in all four Sectional Championships held in 2005: 4.0 Senior Women's team went to Charleston, Sr. 8.0 mixed doubles team went to Cary, NC, Sr. 7.5 combo team went to Mobile and a 4.0 Super Senior team that went to Pelham.

### **LONGEST WINNING STREAK**

The Dream Team (Senior Men's 3.0) from Huntsville, AL. In local league play in Huntsville, their team match win/loss record through 2006 is 92-8! They won the 3.0 Sr. Alabama State Championships in 2003 and were finalists in 2004.

### **LONGEST POINT**

318 shots – 2003 Sectional Championships in Columbia, SC, W3.5 Final NC v AR No. 1 singles match to determine which team would advance to Nationals. The game lasted 54 minutes!

### **LONGEST MATCH**

Without specific detail, we recall a six-hour singles match in Mobile, AL. This was WITH the match tiebreak! It was a Women's 3.5 match and the winner had to play again within one hour!

### **WHEELCHAIR PLAYER ADVANCES TO NATIONALS**

The first Southern wheelchair player to advance to a USTA League Tennis National Championship is Bob Masella, Columbia, SC, captain and player on deciding court at the 2005 Mixed 6.0 Sectionals!

### **LONGEST MATCH TIEBREAK**

The longest match tiebreak currently known is from Northern California: 24-22!

### **COLDEST MATCHES**

Kudos to all who survived the 2002 BMW Combo Doubles in Rome, GA, where 1,400 players endured 17-degree weather and NOT ONE player defaulted!

### **HOTTEST MATCHES**

It is the South and we do play in July! On-court temperatures have exceeded 120 degrees.

### **MOST MATCHES IN A DAY**

Five hundred ninety-one matches played on Sunday at the 2006 BMW Combo Doubles in Baton Rouge, LA.

### **MOST YEARS PLAYING USTA LEAGUE**

## Combo Goes Cajun

**T**he 2006 BMW Combo Doubles Southern Sectional

Championships held in Baton Rouge, LA, included 191 State champion teams in Adults 5.0-9.5 levels, Seniors 5.5-8.5 levels and Super Senior 6.5 and 7.5 levels. Over 1,800 players enjoyed the superb tennis facilities at the Lamar Tennis Center YMCA, Bocage, Sherwood Forest, Highland Park, Independence Park, LSU Rec Center, Greenwood Park and Forest Park.

Off the courts, the players enjoyed a Louisiana-style party at the Old State Capitol Building with Cajun cooking, music and dancing. BMW offered test drives and great prizes and players had a chance to guess the number of tennis balls donated by Penn for league championships nationwide. In the last 26 years, an incredible 6,375,000 balls, which have required 67,500 yards of yellow felt and 225 tons of rubber, have been donated. Sea Island Resort (the number-one destination in the world, according to Travel Magazine) donated a weekend getaway to a lucky player!

## 20th Anniversary Southern Senior Cup Team Championships A 'Smashing' Success

**GEORGIA WINS THE MILDRED SOUTHERN CUP, GIL STACY MEMORIAL CUP, AND THE MEN'S OVERALL CHAMPIONSHIPS AND SOUTH CAROLINA WINS THE WOMEN'S OVERALL CHAMPIONSHIPS**

The "crown jewel" of Southern tennis, the Southern Senior Cup, in its 13th year in Columbus, GA, featured 300 of the top Southern players competing for their State team in Men's and Women's 35-75 age divisions.

Teams include several former tour players and Internationally and Nationally top-ranked senior players competing in a unique format that awards points for victories in several categories. Georgia won the Men's 35s, Men's 55s, and Men's 65s; North Carolina won the Men's 45s, Men's 75s and Women's 35s, South Carolina won the Women's 55s, Women's 65s and Women's 75s and Tennessee won the Women's 45s.

In addition to the superb tennis, it is the team camaraderie that makes many say this is their favorite tennis weekend of the year. The 35s cheer on the 75s, the men cheer for the women and visa versa. Many friendships are rekindled during these four days as well as great rivalries!

Columbus has hosted this event for 13 straight years and will host the event at least through 2008! A USTA Organization of the Year, CORTA once again offered a superb weekend of social activities and amenities for the players. The largest public clay court facility in the country, Cooper Creek Tennis Center, with 30 courts, is a fantastic venue for team competition.

Kudos to local chairman Ken Smith and volunteers including Nita Perry and Kristi Sholtis as social chairman, and Andie and Adam Centerbar (volunteer chairman) for providing fantastic facili-

ties, amenities and Southern hospitality! Becky Glisson, tennis center manager, offered an exceptional staff for the event.

Thanks to Vicki Everette, Senior Cup Subcommittee chairman, and members Susan Habeeb and Randy Jackson for their efforts throughout the year and tournament referee Carol Fowles, who has been with us for 18 of our 20 years! Dene Owen and Terri Wiley are thanked for their hard work and great rapport with the players. Becky McPhee created a fantastic slideshow enjoyed by all at the Friday night party at The Estate. The Adult/Senior Competition Committee also ensures the event's success and is led by Vicki Everette, chairman, Steve Duffel, vice chairman, and members Roy Barth, Gaines Dyer, Susan Habeeb, Eben Hardie, Gus Rivera, Larry Rizzo, Mildred Southern and Jenny Settle, as well as the USTA Southern Section's officer in charge, Dudley Stewart.

We thank our captains for their time and dedication to this event. Becky

Richardson, Darrell Blevins from Alabama; Jan Dennis, Hill Griffin from Georgia; Susan Habeeb, Greg Combs from Kentucky; Drew Meyers and Elizabeth Chesteen from Louisiana; Jane Holland, Cindy Sturdivant from Mississippi; Vicki and Maurice Everette from North Carolina; Roberta Case and Tom Foster from South Carolina; and Dana Butchee, John Nixon from Tennessee. They all deserve a huge thank you from their players and from the USTA Southern Section for their efforts before and during the event.

In recognition of the 20th anniversary, a new perpetual award was created to recognize and honor an individual for their contributions to Senior Cup. The first recipient is Tommy Bartlett, who served as the men's captain for Tennessee for 15 years and also played for several years. He addressed the crowd at the Saturday night banquet and reminded us of the joy that tennis has brought to of our lives.

# USTA TEAM TENNIS ON COLLEGE CAMPUS

ADULTS

## Recreational Tennis a College Option

The USTA Southern Section is committed to promoting and helping to establish tennis playing opportunities on college campuses throughout the South. There are approximately 300,000 high school tennis players in the United States, but only about 15,000 compete for their school at the college varsity level. Many of these high school players simply stop playing tennis once they get to college because of the lack of opportunities available.

There are a variety of possi-

ble recreational tennis options for tennis players on campus. These choices include instruction and play through physical education classes, intramurals and recreational leagues. The format of play is flexible so that it can easily fit into any school's situation. In addition to these alternatives, many colleges also have tennis club teams which travel to other

colleges for competition.

As of the end of 2006, there were 32 colleges in the South that had a tennis club team. The USTA Southern Section's Collegiate Program Committee holds a Sectional Championship as a way of providing an additional play opportunity for these teams. The 2006 event was held at the Champions Club in Chattanooga, TN, with the University of Georgia and Georgia Tech taking top honors. In 2007, the Champions Club will once again host this

event on March 24-25. In addition, the USTA Southern Section has developed a web page that lists the names and contact information for teams across the South in an effort to promote play between the teams in our Section. That page can be accessed by navigating to the Collegiate Tennis icon on the Southern Section homepage.

If you are interested in starting a Tennis on Campus program, please contact the appropriate State contact listed below.

### ADULT PLAYING LIMITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING USTA SOUTHERN SECTION SANCTIONED TOURNAMENTS. The USTA Southern Section welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

- The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."
- No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.
- For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.
- At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.
- If a tournament advertises on its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak, short sets, etc.... see Rule 27, Rules of Tennis for full descriptions.

## Numbers Tell the NTRP Story

The National Tennis Rating Program (NTRP) has evolved into a nationwide accepted system utilized by millions of tennis players to compete with players of similar ability at local, state, sectional

and national levels in various leagues and tournaments. The USTA NTRP Computer Rating System produced computer ratings for 86,006 players in the USTA Southern Section in 2006.

### NTRP TOURNAMENT DATA WILL BE EXCLUDED FROM 2007 SOUTHERN YEAR END RATINGS

The states and Southern Adult League Committee decided to use NTRP tournament data in 2003-2006. In those same years, they opted not to use age group or combo data because of the frequent disparity between player levels. The sections do not have a choice in using adult, senior, mixed, or super senior data.

While the initial intent was to include NTRP data for 07 year end ratings, several cases came to light in November 06 that indicated that the tournament data was not improving ratings but, in too many cases was producing a lower or higher rating than years of league history indicated to be appropriate.

Overall NTRP Tournament participation in the Southern Section has decreased. Player concern that participating in tournaments would impact their NTRP rating has been identified as a leading factor. Consequently, the Adult League Committee voted to revise the 07 regulations to exclude NTRP tournament data from the 2007 Southern year end ratings.

NTRP Tournaments were created to provide additional competition for players and to provide a vehicle to earn state and sectional "rankings" via tournament play. Many players confuse "rankings" with "ratings". Points are accumulated by participating in NTRP Tournaments toward state and/or sectional rankings. Players earn more points depending on the round that they reach in the tournament: for instance, a 300 point Southern NTRP Championship tournament earns 300 points for the champion, 250 points for the finalist, 215 points for 3rd place, 200 points for 4th place, 150 points for 5-8 place, etc. Your state rankings may have different requirements and point values but basically are handled the same way if your state uses a "points per round" system. Currently, there are no national NTRP Tournament competitions. For the Southern and State NTRP and Age Group Tournament Schedules, go to [www.southerntennis.com](http://www.southerntennis.com) and the State Association websites.

Over 14,000 players registered for a USTA league program in 2006 by first answering the online questionnaire intended to approve the self-rating based on tennis background, athletic history, and age. Approximately 1,000 appealed the rating by filling out a more extensive tennis background history form and approximately one third of those appeals were granted to a lower entry level. This approval process is administered by Southern's NTRP Oversight Subcommittee which will also administer self-rate grievances in 2007. This policy is intended to promote consistency and integrity in all NTRP related procedures in league tennis.

In 2007, the USTA Southern Section continues to choose to reverse all wins for new players disqualified by the NTRP Computer Rating System. Players with computer ratings who are disqualified will continue to have the 3rd strike match and any subsequent wins reversed. USTA and the Southern Section reviews many suggestions from players, captains, volunteers, coordinators, and pros to explore improvements to regulations and procedures associated with league tennis.
