Georgia's Spain-Short Inducted into Hall of Fame

Lisa Spain-Short

Lisa Spain-Short of Atlanta, GA, has had the mark of a champion since she first picked up a racquet at 10 years old. The Georgia native's career began during the Crackerland Championships on the courts of the University of Georgia, where she later became an NCAA All-American.

"In my long association with tennis, I have been thrilled in noting talent in young players," said Dan Magill, legendary University of Georgia tennis coach.

"In the summer of 1973 during the Crackerland Junior Championships, I saw a slender 10-year-old girl playing up in the 12-year-old division. I was impressed with the pretty, black-haired girl," he continued. "She had a God-given talent. She was quick, agile, had good anticipation and concentration. She definitely had the look of a champion."

Spain-Short was the first full scholarship women's tennis player at UGA and was the No. 1 singles and doubles player for four years. In her freshman season, she was runner-up in the Southeastern Conference at the No. 1 singles position, which she later won in both her

Lisa Spain-Short

junior and senior years. In the fall of her senior year, she was the ITCA All-America singles winner and in May 1984 won the NCAA singles championship. She was four-time All-SEC and three-time All American. Spain-Short's collegiate tennis career at the University of Georgia culminated as the first NCAA Women's Singles Champion in 1984.

Spain-Short, a native of Moultrie, was ranked No.1 in Georgia Girls' 18s and No. 34 in USTA 18s. She compiled a match record in state high school AAAA matches of 56-1, winning four state singles championships.

She continued her tennis career on the Women's Tennis Association Pro circuit from 1984 through 1987, playing in all four Grand Slam championships each of those years and reaching a ranking of No. 63 in the world. Prior to beginning a family, she taught at the Atlanta Athletic Club.

Spain-Short is married to her hometown and college sweetheart, Herbert Short, a UGA law school graduate, and they currently live in Atlanta with their three children, Katherine, 17, Madison, 15, and Spain, 13.

Hall of Fame members in attendance included, front row (from left), Sharon Gault, Lucy Garvin, Mildred Southern, Lisa Spain-Short. Back row (from left), John Peddycord, Tommy Bartlett, Jim Russell, Les Longshore, Roy Barth, Bill Weathers.

North Carolina's Weathers Inducted into Hall of Fame

Bill Weathers

Bill Weathers does not have the typical tennis resume. Working a full-time job as a youngster prevented Weathers from taking up tennis as a junior or high school student. It was not until he entered the U.S. Navy and was stationed in Chapel Hill that he first learned the game that he has grown to love.

Under the direction of longtime UNC Chapel Hill coach John Kenfield, Weathers improved his game and made the varsity team for the Tarheels, where he played the No. 4 and No. 5 positions. After his service in the Navy ended, he attended North Carolina State and played in the No. 1 position for three years.

Weathers has accumulated over 300 USTA Southern and North Carolina Tennis tournament titles. He has held No. 1

Bill Weathers

rankings in every age group since the Men's 55s and has picked up several sportsmanship awards along the way. Weathers served as director of tennis at a private country club in the Pinehurst, NC, area and is known for his exceptional clay court maintenance.

"Bill Weathers is a carbon copy of the Energizer Bunny," said fellow tennis enthusiast Vicki Everette. "I have seen him play in three divisions all in one day and then go out on the court and help an opponent with his strokes."

Weathers is a father of four children, all tennis players. His son Clint and daughter Kristy followed their father's footsteps and became standout tennis players for the NC State Wolfpack. The Weathers family was honored as North Carolina Tennis Family

of the Year in 1982.

Weathers was inducted into the North Carolina Hall of Fame in 2005.

2007 ANNUAL AWARD WINNERS

From 5th Grade to Senior League, Tennis has been Koury's Passion

JACOBS BOWL

The highest honor presented by the USTA Southern Section, this award is presented to a volunteer who has exhibited outstanding service in the USTA Southern Section.

Peter Koury
Jackson, MS

Peter Koury's first exposure to tennis was as a fifth grader in Leland, MS. As a youngster he would go out to the local courts and watch the older men play. With eight frequent players in the area, Leland was known at the time as quite the tennis town and Koury was attracted to the sport at once. The men, whom Koury and his friends would watch, struck a bargain with the kids, swapping court time for court clean up. Koury and his friends gladly cleaned up after the men for a chance to get on the courts.

Without an instructor, Koury would hit against a wall for two hours a day to hone his skills. He began to improve his game, compete in tournaments and made the high school team. Koury went off to Mississippi State for college and he could not stay away from the courts. During an afternoon hitting session with a friend, the Mississippi State men's tennis coach approached Koury about joining the varsity team. Tentatively, Koury agreed and spent his senior year of college training

Peter Koury

and eventually worked his way to the No. 4 position on the team.

After graduation, Koury went into the Air Force where he continued to play on tennis teams. When he discharged from the service, he returned to Mississippi State to work on a master's degree in accounting. Soon after returning to his alma mater, the tennis coach caught up with Koury and persuaded him to join the team again.

It wasn't until Koury met Slew Hester that his perspective on the game he loved began to change. Koury was consumed with playing tennis and Hester encouraged him to begin giving back to the game that had given him so much. Koury

eagerly joined a Mississippi Tennis Association committee and was quickly appointed to the position of treasurer, which he held off and on for 23 years.

Koury served as President of the Mississippi Tennis Association from 1987-1988 and was one of the founders of the Mississippi Tennis Foundation and Hall of Fame. Koury was inspired to establish both of these organizations because his good friend, Hester, was on the verge of retirement. On May 19, 1989, Koury's vision came to fruition with the induction of Slew Hester to the Mississippi Hall of Fame. A project close to his heart, Koury still sits on the Mississippi Hall of Fame Selection Committee today. He also is involved in the Hall of Fame Selection Committee for USTA Southern and serves on the Southern Patrons Foundation.

Tennis has brought many special people and relationships into Koury's life and he credits his involvement in the USTA. With over 20 years working the USTA Membership Booth at the U.S. Open, Koury has had the opportunity to connect with tennis enthusiasts from across the country. His contributions on and off the court have enhanced his love for the game. Koury still hits the courts today with the Senior 4.0 league and vows that he will always hit the courts.

"Tennis has done so much for me over the years," said Koury. "I know I will always play tennis."

Spencer Honored for Years of Dedication for All Levels of Tennis

CHARLIE B. MORRIS JR. SERVICE AWARD

Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, State, Sectional and/or National levels.

James "Bud" Spencer
Mt. Pleasant, SC

James (Bud) Spencer is a man of many endeavors but, above all, he is the type of person that is known for getting the job done. Spencer, a native of North Carolina, spent nearly 30 years in the military, retiring from the U.S. Army Corps of Engineers as a colonel. He attended the Citadel and earned a bachelor's in civil engineering. Later, he attended the University of Missouri at Rolla, where he earned a master's in civil engineering. He served in numerous duty stations throughout the U.S., Asia, the Middle East and Europe. After a long, accomplished career in the military, Spencer found another passion in the game of tennis, to which he has dedicated himself wholeheartedly.

For the past 15 years, Spencer has devoted countless hours volunteering and has been involved in every level of USTA. Spencer's passion stems from his love for league tennis and he got his start as vice president of the Low Country Tennis Association in Charleston, SC. He then moved on to the state league coordinator position for USTA South Carolina and organized the Senior, Super Senior and Combo leagues for seven

James "Bud" Spencer

years. USTA Southern eagerly appointed him as a member of the Adult Leagues Committee and Adult League Championships Subcommittee. His direction and leadership was an essential part in organizing the USTA Southern League Championships, which is known as the World's Largest Tennis Tournament. The National Adult Leagues Committee tapped into USTA Southern's resource and appointed him to a USTA committee in 2002.

A member of the board of directors for USTA South Carolina since 2000, Spencer has served the State in almost every capacity. A two-year term as President and CEO followed his service on the Budget, Nominating and Long-Range Planning committees. With his experience in leadership roles and vision for the organization, Spencer was asked

to sit on numerous planning committees at both the Sectional and National level. He was appointed as chairman to the State Presidents Group, Ad-Hoc Study Group on PBIF Funding and Ad-Hoc Committee for TSR Funding for USTA Southern. He is currently a delegate-at-large for USTA Southern. Nationally, he also served on the League Development Subcommittee and USTA Long-Range Planning Task Force for Leagues and is currently USTA Adult League Committee vice chairman.

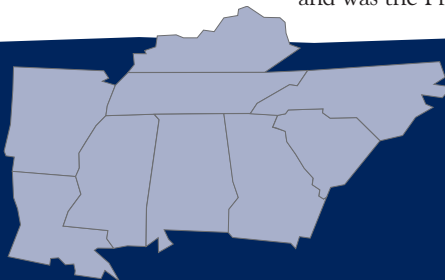

"Bud is a full-time volunteer who works overtime for tennis at the local, State, Sectional and National levels," said Director of League Tennis, Marilyn Sherman. "His exceptional leadership skills (honed as a colonel in the U.S. Army) are evident in every association project, committee meeting and championships event. Because of his passion for tennis, Bud brings all of his talents to each task with integrity, teamwork and wit."

Under his exceptional leadership, the USTA Southern League program has continued to lead the nation with innovative programming for their players. The launch of the Tri-Level League and the RBC Centura Bank USTA Southern Flex Leagues were spearheaded by the USTA Southern League Committee and Spencer was a vital member in the effort to bring the exciting formats to players.

Spencer's contributions to the game and the USTA have not gone unnoticed as he was first awarded with the prestigious Lucy Garvin Volunteer of the Year Award in 2001. Since then, he was named the USTA Southern Gerrie Rothwell League Volunteer of the Year and was the President's Award recipient.

Wong Named Bill Ozaki Sportsmanship Award Winner

BILL OZAKI JUNIOR SPORTSMANSHIP AWARD

Named to honor the work and dedication put in by Bill Ozaki, director of Junior Tennis for the USTA Southern Section, it is given to a junior player who best exemplifies the finest qualities of sportsmanship in tournament play and the finest traditions of the great sportsmen of tennis past and present.

Keri Wong
Jackson, MS

Keri Wong has a long list of tennis achievements but it is her gracious conduct that sets her heads and shoulders above the rest. One of the most talented players in the Section, Keri has picked up several sportsmanship awards through her junior career.

"During all of her competition Keri has displayed unwavering sportsmanship toward her opponents," said USTA Southern Director of Player Development Bill Ozaki.

Her ability and attitude on court caught the attention of Clemson Tiger Women's Head Tennis Coach Nancy Harris. Wong is set to join the Lady Tigers in the Fall of 2008.

"We are so excited to have Keri join our Clemson Tigers," Harris said. "She is a great young woman and a great young talent."

Keri Wong

In the 2008 recruiting class, Wong has been ranked as high as No. 6 in the nation by tennisrecruiting.net and is currently listed as the No. 1 player in Mississippi and No. 4 in the USTA Southern Section. She holds the No.10 spot in the USTA Girls 18 rankings, which includes nearly 2,000 junior players. Wong is the highest rated American player to sign with Clemson in the past 11

years.

Wong owns a 60-17 overall record with 15 victories over elite Blue Chip players. She won the USTA Interscholastic East tournament title last May, dropping just one set in six matches of the event. She took the title at the USTA ITF in College Station, TX, in 2007 and won the Girls' 16s Easter Bowl Championship in 2006.

Snow Hill/ Lenoir Community College Tennis Classic Tournament Earns Honor

ADULT TOURNAMENT OF THE YEAR AWARD

Awarded annually to a sanctioned adult tournament within the USTA Southern Section which has shown excellence in all aspects of tournament administration.

25th Annual Snow Hill / Lenoir Community College Tennis Classic
Snow Hill, NC

Jeanne Kennedy, Bobby Taylor and Dr. Jay Carraway

Bobby Taylor had 40 participants from the surrounding counties who competed in men's open singles/doubles and men's over 35 singles. They raised approximately \$300 to benefit the area high school tennis team.

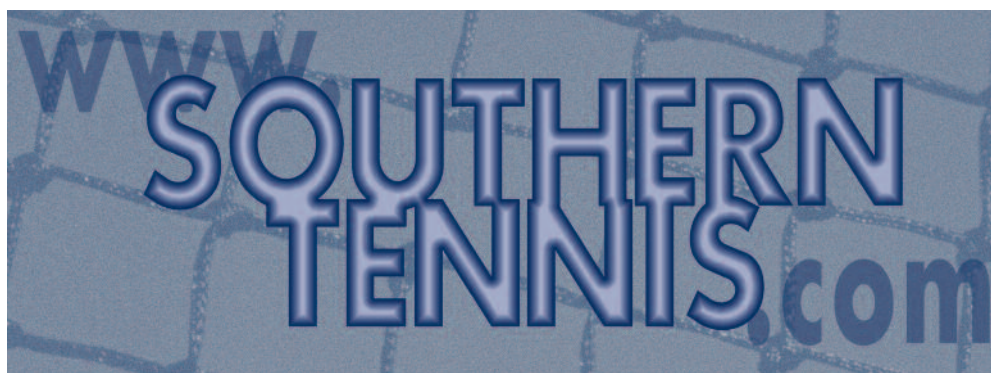

Taylor, still as tournament director, set the records this year with the 25th Annual Snow Hill/Lenoir Community College Tennis Classic at Green Ridge Racquet Club, the tournament site for the last seven years. With 167 participants, proceeds benefiting the LCC Foundation exceeded \$9,000. The tournament had a 10 percent increase in players since 2006 and raised 250 percent more to assist with scholarships that allowed over 10 incoming freshmen to attend the community college in the fall of 2007.

The tournament featured NTRP singles, doubles and mixed at the men's and women's levels 3.0 thru 4.5.

Players paid a flat entry fee of \$25 in honor of the 25th anniversary. At registration, they were given tournament T-shirts, goody bags filled with information and samples from sponsors and consolation brackets. After their matches, players enjoyed dinner on Friday evening prepared by several volunteers and, on Saturday night, the Snow Hill signature pig-picking with all the fixings.

Other nominees include:
Banana Open, GA; Michelob Ultra Tennis Classic, LA; Burroughs Diesel Spring NTRP Classic, MS; Litchfield Racquet Club-SC Closed, SC.

In eastern North Carolina, you can find a small town between Greenville and Goldsboro with a population of roughly 1,700. Not many know about Snow Hill, but when the last weekend of August arrives, most tennis-playing Carolinians look forward to its local tennis event. In 1982, the first-ever "Snow Hill Tennis Classic" took place so that tennis players would not have to travel out of town to play in a tournament. Tournament director

Kentuckian Quigley and Georgian Oudin Take Top Junior Honors

DEWITT REDGRAVE III JUNIOR ACHIEVEMENT AWARDS

Given in memory of DeWitt Redgrave III, this award is presented annually to an outstanding Southern boy and girl ranked in the 18's in recognition of their tennis performance and sportsmanship.

Melanie Oudin
Marietta, GA

Eric Quigley
Pewee Valley, KY

Melanie Oudin

Melanie Oudin has had a magical run on the junior tennis circuit. Her 27-match winning streak on the ITF Junior Circuit helped her to rise to No. 4 in the world. Last fall she won four straight tournaments and knocked off the No. 1 player in the world along the way. The 16-year-old from Marietta, GA, is on the brink of realizing her of becoming a professional tennis player. She certainly has had the season to prove it. Although she had a sluggish start in 2007 with early-round losses at Wimbledon and the U.S. Open junior division, she followed with four straight titles. She won the prestigious Eddie Herr International and reached the finals of the Orange Bowl, losing to Michelle Larcher de Brito of Portugal. Despite the loss in the final, Oudin had a tremendous upset over No.

Melanie Oudin

Eric Quigley

1-ranked Urszula Radwanska of Poland.

In the last three months of the year, Oudin boosted her world ranking from No. 64 to No. 4. She stepped up her play at ITF circuit events and improved her mental game in the process. Brian DeVilliers, Melanie's coach, believes that she is ready for the next step.

"It is coming around nicely," DeVilliers said. "She is showing instinctive play, mental maturity, tennis maturity and focus through tough matches."

She got her first experience playing with the big dogs at the 2007 Infinite Energy Atlanta Slam hosted at the Gwinnett Arena in Atlanta, GA. Oudin faced off against Atlanta native, Ashley Harkleroad, in a one-set exhibition prior to a Roddick/Ginepri showdown.

Eric Quigley

Eric Quigley, Pewee Valley, KY, is not just known throughout the state for his skills on the tennis court, but also for his tremendous sportsmanship and the genuine kindness he displays. Those qual-

ities make Quigley "one of the hardest-working young men I have come across in Kentucky," stated Dennis Emery, Quigley's future coach once he joins the University of Kentucky men's tennis team next fall.

Only dropping two sets in three years, Quigley extended an undefeated record of over 30 straight wins in his high school career at South Oldham High School. He is currently ranked 8th in the nation among high

school seniors listed on TennisRecruiting.net. With a 49-11 record on the year and three consecutive state high school singles championships, Quigley has hopes of winning a fourth in May, a feat last achieved 34 years ago by Gary Plock. The state also honored him when he became the first recipient of the Sam English Jr. Award, which is given to a Kentucky junior dedicated to the sport of tennis and who exhibits exemplary sportsmanship.

Quigley was a member of Mills-Redgrave 2005 and 2006 teams, 2006 and 2007 Intersectional teams, and the doubles runner-up at the 2006 USTA Spring Supernational Championships. He has won five consecutive Joe Creason Qualifiers and is a four-time winner of the Southern Indoor Closed. In 2007, he was champion at the Boys' 18 Southern Closed and the USTA Interscholastic Championships. He was tabbed the 2007 Junior Player of the Year by USTA Kentucky.

been teaching discipline, self-esteem and social skills to children through after-school, in-school, summer and excellence programs. Reaching over 10,000 youths per year, the LETT program provides year-round instruction for all ability levels.

The after-school program is

focused on teaching life skills such as personal responsibility, cultural awareness, nutrition and conflict resolution. The LETT instructors take this same initiative to the schools by supplying racquets, balls, portable nets and curriculum to physical education teachers. Those teachers then prepare their students for the Elementary Schools Challenge Tournament held in the spring and introduce the kids to follow-up programs. From school tennis, students can transition into the Summer LETT Tennis program, which offers lessons for youth 7-18 years old. The Excellence program is offered to students who have participated in one or more of LETT's programs and main-

tain a 2.8 or above grade-point average. These participants also compete in Jr. Team Tennis and sanctioned tournament play to improve their skills.

In 2007, 22 Birmingham-area schools competed in the 5th Annual Elementary Schools Tennis Challenge. The competition was hosted at Alabama State Fairgrounds and provided an opportunity to showcase tennis to hundreds of children. Teams of 4-10 boys and girls squared off against other kids their age in fitness and tennis competitions. Trophies were presented to the top finishers and all children were given information on how to get involved in the game.

ming in the area led Elana to offer free tennis lessons and reach out to school systems in an effort to incorporate tennis programming into the physical education curriculum. Engleman took portable nets, foam balls, cones and racquets to tennis assemblies across the parish. She went so far as to take over PE classes for the

day at 13 area schools in order to introduce students to the game.

With a heart geared toward her community, Elana was instrumental in the opening of a new 12-court facility in North Bossier. Prior to the completion of the facility, there was no publicly accessible, tournament-quality tennis court in the city. Now that the facility is complete, more tennis matches are being played at the North Bossier Park Tennis Center than almost anywhere else in the region. The tennis center features 12 lighted courts, two sets of bleachers with the capacity to add more, covered patios between court bays, a terraced viewing lawn, pro shop and snack bar.

With nearly 25 years of service as a tennis pro, Engleman has served in every capacity from an NJTL coordinator to a high school coach. She has piloted junior programs in various states, taught tennis at a resort in the Mediterranean and coached collegiate teams at Wabash College in Indiana. She has taken her passion for grass-roots tennis across the globe and the citizens of Bossier City are reaping the benefits of her commitment to the game.

source of inspiration for Robin Bateman. A true grassroots advocate, Bateman was introduced to tennis through daughter Laney's School Tennis Program. Laney got involved in Ralleyball and then progressed through Jr. Team Tennis and tournament play. Bateman became acquainted with the game and began to serve as facilities director at Tattnall Tennis

Center in Macon, GA. Due to visual impairment, Bateman had never considered taking up the game until the USA 1•2•3 program came to her facility. After completing the program, Bateman was hooked and joined a 2.5 USTA League.

An avid writer, Bateman began to journal about her newfound enjoyment for the game. In 2006, an encounter with the editor of Racquet Sports Industry Magazine on a plane ride from a USTA Community Development Workshop changed the future of her writing career. An invitation was extended for Bateman to submit articles and her first submission, "Step Outside the Lines," was published in the March 2006 edition.

Since then, Bateman has

published several articles, including, "Connect with Your Customers," "Against the Wall," "Kicking it Up, At Ease!" and "Blue Chip Investment." In the summer of 2007, RSI appointed Bateman as a regular contributing editor in the publication.

She still keeps her grassroots tie through her tennis blog on MaconTennisConnect.org, a website for municipal facilities in Macon. Her fresh perspective encompasses many aspects of the tennis community and keeps Macon and Georgia in the national spotlight.

National championships, it's no surprise that Lorraine Novak and her husband have excelled at running tournaments. The 2007 USTA Southern Designated Bullfrog is the perfect example of how a tournament is more than just tennis but a fun experience for the players, families and coaches.

The entire facility was decorated in a Halloween theme with lights and large animations taking over the grounds

and Halloween candy available all weekend. Families enjoyed a catered meal while players and coaches registered. A specialty grill chef sold food during the event, but for those who wanted to venture into Mobile, an information concierge gave directions and tourism information.

Special vendors at the event added other activities to enjoy while at the tennis center. Renowned sports psychologist Jorge Valverde gave a free seminar. InfoTech was on site to use their "Dartfish" video filming and stroke analysis technology. All-American Imaging served as the event photographer, setting up laptops for players to view and order action shots. They also had a special setup to take head shots and print large "Fat Head Image" posters. All photos were printed on the spot.

The tournament was just as organized as it was eventful. Taking place mainly at Mobile Tennis Center's 60 courts, city maintenance had the courts and facility cleaned and ready for action by 7 a.m. each day. Scores were reported online with updates every five minutes and on the site's 8-by-24-foot board. The players had four warm-up courts throughout the event. On championship day, awards were given out to the top six finalists in each age group.

successful programs, the CTA provides a variety of events, leagues and opportunities for tennis enthusiasts. Last summer, the Raleigh Grand Prix Summer Circuit allowed children of all ages and income levels to participate in four tournaments. The program brought over 300 kids to the courts and allowed players who normally only played on middle or high school teams to obtain tournament experience. The association also hosted two outstanding USTA Sanctioned Futures Tournaments in which 180 junior players participated.

The RTA had its most successful season of Jr. Team Tennis, with 51 teams competing. Scholarships are distributed through the CTA, enabling many children in the community to participate in programs and lessons.

USTA League play is thriving in Raleigh thanks to several well-organized and devoted coordinators. CTA members are kept well informed with the new-and-improved Raleigh Tennis Association website that features announcements, important program and deadline information, and a real time scoring system. Initiatives like Welcome Back to Tennis for Super Seniors Adults encouraged lapsed or newly acquainted players to come out to the courts for free instruction and drills. Recruitment night hosted in January brought 50 new league players to the CTA and was another opportunity for players to get connected with RTA programming. The

newly formed Singles League format attracted 384 players and culminated with tri-city playoff between Cary, Raleigh and Durham. The Foam Ball League is one of the newest offerings, hosted in conjunction with Raleigh Parks and Recreation. This program, created for juniors 6-10 years old, introduces youngsters to the game with age appropriate equipment.

A highlight for the RTA was in July when the Sampras/McEnroe Exhibition visited the RBC Center. The association raised over \$2,500 through ticket sales for the event. A Tennis Block Party was held before the exhibition with over 1000 people in attendance.

Other nominees:

nearly 20 years. An established USTA High Performance Coach, his list of achievements and accolades have been racking up since he embraced and began implementing the QuickStart format. Recently named the 2007 Junior Development Champion of Tennis for his work in USTA QuickStart Tennis, Jones has been instrumental in bringing tennis to

kids.

The director of tennis and owner of Petersburg Racquet Club in Martinez, GA, Jones and his staff started the country's first 8-and-under Jr. Team Tennis league using QuickStart in January 2007. Due to the popularity of the new format, they went on to host the first-ever QuickStart tournament using 36- and 60-foot courts. With the explosive growth of junior players, Jones has added additional courts – some with permanent QuickStart lines- to keep up with the demand.

With over 300 juniors, Jones's exemplary junior program has drawn attention. Jones has traveled around the country presenting the program at workshops such as the 2007 USTA National Community Development

Workshop, Georgia Professional Tennis Association, USTA Tennis Teachers Conference, 2007 Wisconsin High School Tennis Coaches Association Workshop, Chicago Indoor Tennis Association Workshop, USPTA Alabama, and USTA Georgia Jr. Team Tennis Coordinators.

"Craig is a respected high-performance coach, but he also sees the big picture of needing to find new ways to attract and retain players," says Kirk Anderson, director of USTA's Recreational Coaches and Programs.

In 2007, Jones was also named GPTA's Director of the Year for large facilities, USTA Georgia Pro of the Year and USTA/USPTA Community Service Award recipient.

**The David and Caroline Kimball Family
Shreveport, LA**

The term "eight is enough" does not mean a thing to the Kimball family. Eight is perfect – just ask David, Caroline, Shaffer, SaraCaroline, AnneMarie, RebeccaGrace, Ian and Knox. The family that hails from Shreveport, LA, is the epitome of a tennis family involved in every program that the game offers. President of Northwest Louisiana Tennis Association, David was named Southern Tennis Professional of the Year in 2004. Since then he has worked on programs such as

He served as tournament director of the Juvenile Diabetes Research Foundation event and USTA Adult and Senior State Championships. A believer in grassroots tennis, David commits hours to school assemblies, middle school tennis and high school league tennis.

As if being a mother of six were not a full-time job, Caroline captains Women's, Mixed, Combo and Jr. Team Tennis teams. She served as the referee for the Jr. Team Tennis State Tournament and is a Jr. Team Tennis Committee member for USTA Louisiana. Introduced

to tennis on her first date with David, Caroline captains, participates and officiates on a regular basis. She has been instrumental in Development Coaches' Workshops and has a passion for bringing tennis to young children.

Oldest son, Shaffer, is involved with the junior program at Southern Hills Tennis Center and a member of several Jr. Team Tennis teams. The 13-year-old keeps busy helping his dad at the tennis center, but the two also share a bond off court. Shaffer has earned the honor of Boy Scout Tenderfoot rank, a program in which his father also serves as assistant scoutmaster. SaraCaroline, 12, also involved in Jr. Team Tennis, can be seen helping out around Southern Hills Tennis Center. She is an up-and-coming junior player, finishing

2007 ranked No. 21 in the Girls' 12s. Younger sister, AnneMarie, had a busy year as she played in 15 sanctioned junior tournaments. Her Jr. Team Tennis team finished first at the State Championships in the 10-and-under division, where she teamed up with younger sister RebeccaGrace, 9, to win the championship. RebeccaGrace finished 2007 ranked No. 6 in the 10-and-under division in Louisiana and No. 24 in the Southern Section. Ian, who turned 8 in January, is following suit with lessons, Jr. Team Tennis and sanctioned tournaments. Youngest of the gang, Knox, 5, has already jumped into the tennis program at Southern Hills and is also considered the No. 1 fan of his siblings.

The Kimball family was also named 2007 Louisiana Mickey McNulty Family of the Year.

Get all Fired up to Take a Cop to Court
Starkville, MS

Huey Townsend, on behalf of tournament

The Starkville Tennis Association put its local men in uniform to the test with a friendly on-court competition between the Starkville policemen and firemen. The event, "Get Fired Up to Take a Cop to Court," brought over 100 spectators to the Starkville High School

courts for the show-down.

When the Starkville Tennis Association was looking to host a community event, the firemen and policemen were the first choices.

"They stay in top physical condition and they are admired by the community. These are people who put their lives on the line to protect us, our families and our community," said USTA Southern Section board member Martha Watkins.

Several weeks of lessons and practices for the hometown heroes were provided courtesy of Starkville Tennis Association. The athletes traded in their gear for tennis racquets that were donated from STA members. The players faced off in front of a divided crowd, with fans dressed in blue for the police force and red for the firemen. Onlookers enjoyed hot dogs and hamburgers from the grill while organizers raffled off door prizes donated from local vendors. After a hard-fought battle, the firemen pulled out the win, but both organizations walked away with sizable donations raised from the event.

Fowles Ends Career as Local League Coordinator of the Year

LOCAL LEAGUE COORDINATOR OF THE YEAR AWARD

Presented annually to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.

Burt Fowles
Columbia, SC

Ron Charron on behalf of Burt Fowles

Thirty years ago Burt Fowles entered the world of tennis in the Southern Section when he signed up as a player in the Columbia Tennis League. His passion and dedication continued to grow and, in 1986, after serv-

ing as his team captain for a decade, he became Local League Coordinator for the area.

Eighteen years later, Fowles developed arthritis and was forced to stop his competitive tennis career, but that didn't bring an end to his role as LLC. The love of the sport

made the job even more enjoyable and satisfying.

The patience, kindness and countless hours of direction given by Fowles has made the Columbia Tennis League the success it is today. Currently, it ranks as the third largest league in the USTA Southern Section and is one of the most successful in the nation when compared to other cities with similar populations. The passion Fowles has for league tennis has been his motivation through the years and says the most rewarding aspect of his position is being able to see the league grow and prosper.

After 21 years, Fowles retired but, with his love and dedication for the sport, he and his family may still be found helping out around the

courts. The Fowles/Britt families were awarded the South Carolina and the Southern Tennis Association Family of the Year in 2005.

"His contributions and service to our league program have helped make our leagues number one in USTA," added Mary Goins, South Carolina State League Coordinator. "We will miss him greatly. I want to personally thank him for all that he has accomplished and for his contributions to our tennis world."

Other nominees include:
Jeff Burns, AL; Iris Ham, NC; John Crenshaw, GA; Betty Byars, MS; Barbara Fisher, LA.

This event has taken place since 1983 to benefit scholarships for incoming freshman attending either of the schools. The money is evenly divided between each school's alumni groups in that county. In its first year, 42 teams participated and raised \$790 for scholarships. This year, with over 444 athletes taking part

in the event, over \$24,000 was raised. Over 250 students have received scholarships through the 25-year event, with total monies raised reaching over \$250,000.

The tournament directors, Karen Crocker Lee and Jamie Bell, added exciting firsts to this year's four-day event. Thursday night guests attended an "Exhibition Match and Silver Celebration" gala at the home of MTA Hall of Famer Gaines Dyer and his wife, Betsy. The evening began with a match between two former Ole Miss and Mississippi State players, followed by a catered reception.

As action started early at Greenville Golf and Country Club, breakfast and all-day beverages were provided for participants and guests. The doubles-only event featured 159 teams that represented

seven states: Mississippi, Arkansas, Georgia, Louisiana, Alabama, Tennessee and Texas. The golf competition, which was added to the event in 2003, featured 42 teams. On Saturday night, a Calcutta auction was held, followed by an extensive buffet dinner and dance with live music.

For tennis watchers in the Southeastern Conference,

Davis officiates various Mississippi State and Louisiana State University ITA matches. He was also part of the 2007 SEC Men's Indoor Championship crew. Davis has also worked several tournaments this year on the Level 5 Challenger tour including Men's 50K in Tallahassee, FL, Tunica, MS, and New Orleans, LA, and Women's 50K in Troy, AL, and Lawrenceville, GA.

On the 2007 professional tour, Davis has been on officiating crews for Family Circle Cup Championships, the Fed Cup tie between USA and Belgium, Wimbledon Qualifying, Legg Mason ATP and the U.S. Open. In his 2006 Open experience, he was assigned to work on crew

in Arthur Ashe Stadium only one day, which happened to be the day Andre Agassi played his last professional match on that court. In 2007, after being scheduled four days on crew in Ashe Stadium, Davis received the Jack Stahr Award. When Bee Stewart and her family moved to Greenville from Jackson, MS, she began playing tennis at Cypress Hills Tennis Club as a way to meet new people. Soon, Stewart met Sharon Gault, who took her "under her wing" and convinced

Stewart to help her run junior and adult tournaments in the area. In 1980, Stewart started playing league tennis and soon stepped into the position of Local League Coordinator for the Delta district, which included 14 counties in the Mississippi Delta. While Stewart was serving as the LLC of the Mississippi Delta Section she was also playing league tennis and captaining more than one team.

After three years as LLC, Stewart decided to step down and take on a new role as Adult League Committee Chairman for the Cypress Hills Tennis Club, the very club where she first started her tennis career. She was also a

member of the Cypress Hills Board for several years. Stewart was on the founding committee for the award-winning Ole Miss- Mississippi State Charity Tournament and served the tournament for 15 years.

In 2003, Stewart became a member of the Mississippi Adult League Committee and was promoted to chairman shortly after. Stewart has also served on the Southern Adult League Committee and is no stranger to the hard work that comes along with events of that magnitude. As of 2007, Stewart has worked at least 30 State and Sectional events.

Irene Shepard

With more than 50 years of tennis under her belt, Irene Shepard of Martinez, GA, has won titles all over the country. Although her house is filled with trophies, plaques and gold balls, the 80-year-old champion is still competing. Currently ranked No. 1 in the 80s division, Shepard is looking forward to the new crop of players moving to her division next year, as they will serve as her next challenge.

Shepard took up the game in her early 20s but, with a busy work schedule, was unable to participate in National tournaments. In 1998, the Shepards moved to Georgia from Massachusetts and, with the support of her husband, Shepard's tennis took off. Her first gold ball was captured in the Women's 65 doubles division at the National Grass Court Championships in

Germantown, PA, with partner Louise Owens of Indiana. The duo overcame three top-ranked teams in their journey to the top and battled out the final in 121-degree on-court temperatures.

She soon set a new lifetime goal of winning a National singles title, which she achieved in 2007 at the National Clay Court Championships, Huntsville, AL. Her win over Betty Eisenstein, who had been the No. 1 player in every age group for the past 20 years, was a monumental moment in her career.

Henry Baughman

Henry Baughman

Henry Baughman did not grow up playing tennis – he was too busy working on his family's farm. In fact, it was 1982 before he became a tennis phenom – his first year competing in the 45s division – when he won 14 of 17 tournaments.

He has since reached the Southern Championship "Big Four" of indoor, hard-court, open and closed title matches 95 times, taking 55 gold and 40 silver medals. Baughman has ranked in the top five of the Southern rankings for 25 consecutive

years. In Kentucky rankings, he has been No. 1 in various divisions of singles and doubles over 50 times. In addition, he has served as a Senior Cup representative nearly every year.

On the National scene, Baughman has won nine singles and two doubles titles in the National Public

Parks, more than any other participant in the event's 81-year history. He had his best year in 2001, when he was ranked 10th Nationally after reaching the finals of the National Clay Courts. In singles, he won his age division five times at the National Senior Olympics. Baughman played on Southern All-Star teams in the National Intersectional Championships seven times, winning mixed doubles and men's gold medals.

In 2007, he entered his first year of competition in the 70s division and has seen much of the same success, having won over a dozen titles. In Kentucky, he took the Closed singles and doubles titles along with the Indoor singles championship. He was crowned the singles and doubles champion at the Southern Hard Court Championships and took the singles title at the Southern Indoors. Baughman won three Category II National events in singles at Bocage, Atlanta Senior Invitational and National Public Parks. He is ranked third in doubles and holds the top spot in singles Sectionally, while he ranks No. 4 Nationally in singles.

1 UGA Grad and Southern Section Native Breaks Through on ATP Tour

As if winning the NCAA team title after a 32-0 season was not a dream come true, John Isner of Greensboro, NC, found his summer after graduation to be even more surreal. The 6-foot-9 powerhouse entered the pro circuit ranked No. 839th in the world. After a few lucky breaks with wild card entries and unexpected superb performances, Isner found himself standing across the court from arguably the world's toughest competitor under the bright lights of Arthur Ashe Stadium.

Isner credits his college experience for giving him time to develop personally and as a player.

"I matured so much in college and met a lot of unbelievable people and I am going to have friends for life," he said. "For my tennis game, I got a lot stronger (physically) and worked on a lot of areas of my game that needed to be worked on."

For an in-depth look at Isner's rise to stardom, stay tuned for the USTA Southern Section insert in the May/June issue of USTA Magazine.

QuickStart Tennis Tailored to Age, Size of Youngsters

The USTA, with input and support from the Tennis Industry Association, USPTA, PTR and NRPA, has developed a new play format aimed at children 10 and under, with the express purpose of getting them in the game, playing quickly and keeping them in the game.

This new format, referred to as QuickStart Tennis, will launch officially in March. The QuickStart Tennis format will utilize court size, equipment (racquets and balls) and scoring that will be tailored to the age and size of the children playing.

"The QuickStart Tennis play format is tennis scaled to the size of the child, utilizing age-appropriate equipment, including smaller racquets, lower bouncing balls and smaller courts," said Kurt

Kamperman, Chief Executive, Community Tennis, USTA. "By enabling kids to start playing right away, we are allowing them to learn as they play."

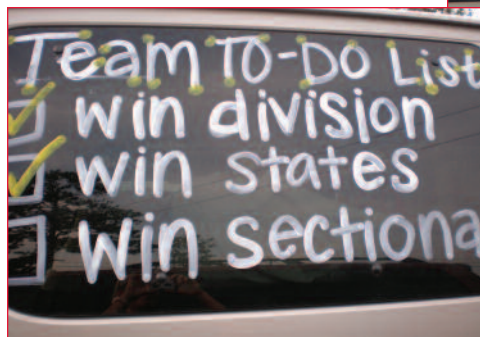

As 2007 USTA Facility Award Winners

and other Growth of the Game programs was North Hills Club in Raleigh, NC.

The names of the facilities will be inscribed on a large wall plaque displayed in the lobby of the USTA Billie Jean King National Tennis Center in Flushing Meadows, NY, home of the U.S. Open. Each facility will also receive a one-year complimentary USTA membership, a certificate of recognition and a wooden wall plaque and large sign to display at their facility.

Physical education teachers turn the gymnasium into modified tennis courts during a teacher in-service program.

No Courts, No Problem For Teaching Tennis in Schools

The USTA School Tennis program provides resources to schools in order to create high quality in-school and team-based extracurricular activities. Included in the package for physical education classes is a curriculum kit that contains lesson plans based on NASPE standards, an instructional DVD and a CD with station signs and a teaching guide.

No courts at your school? No problem! The USTA Southern Section can provide training to transition gymnasiums or playgrounds into an area to play tennis. Instruction is provided to school district program leaders with limited tennis experience at no charge.

In 2007, USTA continued its commitment to the high school no-cut initiative and team-based programs for middle and elementary schools. There are almost 300 high school tennis

coaches in the South who have agreed not to limit the number of players on their team. The USTA rewards these coaches by sending them a no-cut coaches hat, USTA no-cut tennis team banner, recognition certificate and several other items. Interested coaches can go to usta.com/nocut for additional information.

The USTA Southern Section offers grants for equipment and organizer stipends to support middle school and elementary interscholastic and intramural programs. In addition, the USTA will train parents, volunteers or other school staff through organized play workshops. For more information about how to implement USTA School Tennis in your school district, please contact the appropriate state coordinator listed below.

Students hit the courts after school as part of the newly established middle-school leagues.

USTA SPECIAL POPULATIONS

Vision leads to life-changing experiences

In Atlanta, GA, Mary Smith of Special Pops Tennis, Inc., decided to call upon tennis enthusiasts who had a passion for helping others. Her vision was to establish a weekly tennis session for children and adults with intellectual disabilities.

Thanks to Smith's insight, the weekly session has become an overwhelming success. Currently on Monday nights at East Roswell Park in metro Atlanta, four tennis courts are filled for 90 minutes with a variety of skill levels being led by a multitude of tennis enthusiasts.

When asked what makes the program work, Smith said, "The commitment of the families, determination of the athletes and the selflessness of the volunteers."

"It is exciting when you commit to helping someone improve their tennis skills," she continued. "It influences the person's life skills of respecting others, good sportsmanship, positive self-esteem and overall social skills."

Programs Target Differently-abled Players

The USTA Special Populations' mission is to promote and develop adaptive recreational tennis programs for those individuals with differing abilities. USTA Tennis Special Populations recognizes four main categories of differently-abled players:

- Developmentally disabled (learning disabilities, autism, Down's Syndrome, mental retardation)
- Physically disabled (birth defects, multiple sclerosis, traumatic brain injury, muscular dystrophy, etc.)
- Consumers of mental health services (psychiatrically disabled, emotionally disturbed)
- At risk/environmentally disabled (substance abusers, mentally and physically abused, homeless, HIV positive individuals, persons within the juvenile justice system, etc.)

MINIMUM RANKING REQUIREMENTS

Boys and Girls 12-18

Eligible Southern Championships are the Southern Junior Closed, Southern Junior Open, Spring Southern Closed, Southern Fall Closed, Southern Doubles Championships and the Southern Winter Closed. SOUTHERN LEVEL 3 TOURNAMENTS

BULLFROG/USTA SOUTHERN SECTION DESIGNATED TOURNAMENTS

Draws will be limited to the top 64 players entering, based on current standings and records. 1/8 of the 64 will be from the top 80 of the younger age group. This does not apply to any of the Southern Championships. **PLAN YOUR SCHEDULE EARLY!**

SIGNING UP FOR MORE THAN ONE DIVISION IN A TOURNAMENT

Players are allowed to enter two divisions in Southern Level 3 and BullFrog tournaments with these guidelines:

Players selected to both age divisions they apply for will automatically be selected in the older age division. They would be removed from the other age division.

Players not selected to either division would remain on the alternates list for both divisions but would be obligated to play the division they first get in from the alternates list. They would be removed from the alternates list in the other division.

Players selected to one age division would be removed from the alternates list of the division they were not selected.

Once a player is selected for any one division, no changes can be made.

PLEASE NOTE: THIS IS FOR SOUTHERN LEVEL 3 AND BULLFROG TOURNAMENTS ONLY AND DOES NOT MEAN YOU CAN ENTER MORE THAN ONE TOURNAMENT FOR THE SAME DATES.

SOUTHERN WAIVER PROCEDURES/GUIDELINES

Waivers are given on a HIGHLY selective basis. Decisions on waivers will be made by the Southern Junior Tennis Waiver Sub-Committee by a majority vote.

1. A request for waiver must be made to the Southern office to the attention of Sandy Hastings, USTA Southern Section, 5685 Spalding Drive, Norcross, GA 30092, or hastings@sta.usta.com, or fax to 770-368-9091. The waiver request form can be downloaded at www.southerntennis.com...JuniorTournaments/Ranking...Endorsers. The waiver request form must be submitted by email, fax, or letter, by the waiver deadline and be received at the Southern office no later than 2:00PM Eastern Time on that day.

a. The following information must be

included on the request:

- Player name as it appears in the Southern Junior database
 - Birth date
 - Age/Gender Division for which the waiver request is being submitted
 - Tournament for which the waiver request is being submitted
 - Documentation and information to support the waiver request
 - USTA Number
- (Please refer to www.southerntennis.com under Endorsement for more specific details.)

ENTERING TWO TOURNAMENTS ON SAME DATES

A player shall not, when entries close, be entered in two or more sanctioned tournaments if any part of the tournaments overlap, unless each Tournament Committee involved understands the situation and concurs in writing. Suspension points will be applied.

SELECTION PROCESS FOR TEAM EVENTS

The selection of players for the National Team Championships and Intersectional Team Championships will be done by the Junior Competition Team Selection Subcommittee. Information considered will be National Standings, Southern Standings, player records, and player conduct throughout the year.

The selection of players for the Southern Junior Cup is done by the individual State.

CONDUCT

Players and Parents:

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and that of your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The USTA Southern Section and its nine States are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

*** Any of the previous information is subject to change per junior competition committee vote.**

STATE / QUOTA SELECTOR AND BASIS FOR SELECTION

Quotas are determined by the States' Junior Membership and are used for entries into the Southern Closed (June). Players must enter the Southern Closed (June) online and be endorsed by their State.

ALABAMA

Quota: For 64 Draw- 5 128 Draw-10, 160 Draw-12
William Fain

It is mandatory that players play in the Alabama Junior State Qualifying Championships to be considered for the Southern Closed. To be on Alabama's list of endorsed players does not guarantee entry into the Closed. It is all players' responsibility to enter the Southern Closed prior to the deadline to be considered. (In special circumstances, the Alabama Junior Competition Committee may grant a waiver, said waiver request must be made at the earliest time possible and let it be known in advance that the Committee has a long history of not granting said waivers, as it feels the importance of participating in our Qualifier is top priority.). With that said it is Alabama's responsibility to send the strongest quota of players in each age division, based on the results in the qualifier we will select players on the following criteria; for the B/G 14-18s the 4 semi finalist in the main and the 4 semi finalist in the back draw are selected automatically, for the B/G 12s the 4 Semi Finalist in the main draw and the 2 finalist in the back draw are automatically selected, for the B/G 10s the 2 Finalist in the main draw are automatically selected and the remaining quota spots in each age division will be determined by the Alabama Junior Competition Committee based on all USTA National, Sectional and District ranking/standing information available, as well as recent head to head results.

ARKANSAS

Quota: For 64 Draw- 4, 128 Draw -7, 160 Draw-9

16s & 18s: **Tom Fink**
12s & 14s: **Richard Akel**

The player must play in the Arkansas Junior Qualifying in the age division the player wishes to be considered for the State Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory unless waived in advance by the Waiver Committee.

Selection for five slots per division (other than 10s and 12s) will be based on the top five finishers in the State Qualifying. All other slots will be filled based on the strength of a player's tournament record for the current ranking year—National, Southern, and State records will be considered. Selection for three slots in the 10s division will be based on the top three finishers in the Arkansas Junior Qualifying.

Any Southern quota spots which cannot be filled by a player in that age division can be filled by a player in a lower age division, if that player was not endorsed in a lower division.

GEORGIA

Quota: For 64 Draw-20, 128 Draw-41, 160 Draw-43

State Selectors:
USTA Georgia Office:
Rick Davison:
Barbara Berman

Juniors are selected from the USTA Georgia

State Junior Closed Qualifying, unless an approved waiver has been granted. Players must play the Qualifying in the age division they want to be endorsed to the USTA Southern Junior Closed. (Example: A player who plays up in the 14s in the Qualifying is not eligible to be endorsed to the USTA Southern Closed in the 12s. The players must be endorsed in the 14s.)

Selection criteria:
BG 10: The 21 highest-ranked players (including waivers) who have competed in the Qualifying and who applied to the USTA Southern Junior Closed will be selected from the Qualifying to fill the USTA Georgia quota. The major consideration for selection will be the June 6, 2008 USTA Georgia Standings.

BG 12-18: Players who reach the round of 16 at the Qualifying and who apply to the USTA Southern Junior Closed will automatically be selected. The remaining players, including any waived players, who apply to the USTA Southern Junior Closed will be selected from the Qualifying to fill the USTA Georgia quota. The major consideration for selection will be the June 6, 2008 USTA Georgia Standings.

KENTUCKY

Quota: For 64 Draw- 3, 128 Draw-7, 160 Draw-9

Girls – **Tim Gornet**
Boys – **Jeff Mallory**

To qualify for the Southern Closed Championships, a junior player must play in the Joe Creason Junior Qualifying Tournament in the singles age division that the player wishes to be considered for the State Quota to the Southern Closed Championships. Participation in the Joe Creason is mandatory, unless waived in advanced by the Waiver Committee.

Selection for five slots per division will be based on the top five finishers in the Joe Creason Junior Qualifying Tournament (the four semifinalists and the feed in consolation winner). All other slots open to Kentucky Juniors will be based on a player's performance in the Joe Creason Qualifying Tournament and the strength of the player's overall tournament record for the current year, caliber of wins and head to head matches, National, Sectional, and State rankings.

LOUISIANA

Quota: For 64 Draw- 4, 128 Draw- 9, 160 Draw-11

Rob Worley

SOUTHERN CLOSED: To qualify for the Southern Closed, a junior player must play the Louisiana State Closed Junior Qualifying tournament.

a. The four semi-finalists in the main draw and the winner (5th) and the runner-up (6th) of the consolation draw are automatically selected. Selection of the remaining eligible players for LA's quota will be based primarily on a player's tournament record (national, sectional, and state events for the previous eleven months) against other Louisiana players in the age division under consideration. Other factors such as player exposure (number of matches and events played), head-to-head matches, the caliber of wins and the player's performance at the LA Qualifier may also be considered. Those players not endorsed, but who have submitted applications for endorsement, shall be identified as alternates.

Endorsement criteria for the Southern

Closed

b. Entry to the Southern Closed is through Tennis Link at www.usta.com. It is the players' responsibility to timely enter ONLINE for the Southern Closed. However, only those players who have timely entered the Southern Closed online and been endorsed by Louisiana as part of its quota or otherwise accepted into the draw as alternates, will be allowed to compete in the Southern Closed. Players are urged to register early so as to allow for LA's quota to be filled and alternates moved up accordingly. It is the player's responsibility to timely enter online as well as to thereafter inquire as to whether he or she has been endorsed for the Southern Closed or is accepted into the draw as an alternate. Endorsement lists will be posted on the LTA web site. No notification will be given to those players endorsed, as it is each player's responsibility to ascertain their status.

MISSISSIPPI

Quota: For 64 Draw- 4, 128 Draw-7, 160 Draw-9

Mitch Rayborn

To qualify for the Southern Closed Championships, a junior must play in the Mississippi Closed Qualifying tournament in the age division they wish to play in the Southern Closed. The following finishers in the Qualifier will automatically be selected: in the 160 draw (14s, 16s and 18s) the 4 semifinalists in the championship (main) bracket and the 2 finalists in the consolation; the 128 compass draw (12s) the 4 semifinalists in the championship (main) bracket and the 2 finalists in the consolation; the 64 compass draw (10s) the 4 semifinalists in the championship (main) bracket. Selection of the remaining players for Mississippi's quota will be based on Southern standings immediately following the Qualifier. Waivers into the Southern Closed will be considered for medical reasons, family crisis or unavoidable circumstances. Players who fall into this category will be placed at the bottom of the alternate list.

NORTH CAROLINA

Quota: For 64 Draw- 11, 128 Draw-21, 160 Draw-23

Jeff Trivette

Selection to the Junior Southern Closed tournament is based primarily on the most recent update of the NCTA Standings List calculated with the final results of the Tar Heel Qualifier. The Junior Selection Committee retains the right to adjust if necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. Play in age groups other than that which the player applies for selection to the Southern Junior Closed will not be considered.

SOUTH CAROLINA

Quota: For 64 Draw- 7, 128 Draw-14, 160 Draw-16

State Selectors: **Terry Ferrell** and **Christy Britt**

To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and SCTA Junior Council. The top 8 finishers at the State Qualifying will be selected. Other selections will be based on a player's 2008 player record and National, Southern and South Carolina standings.

TENNESSEE

Quota: For 64 Draw- 6, 128 Draw-12, 160 Draw-14

Peter Lebedevs
Virginia Bell

Players must be endorsed by USTA Tennessee for the USTA Southern Closed Championships. Players must play in the Qualifying in the age division in which they want to be endorsed in the USTA Southern Closed Championships.

The Southern Section is comprised of the following nine southern states: Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee. Each state is allotted a quota of players, determined by USTA Junior membership, to represent the state at the USTA Southern Closed Championship.

Selection Process:

The top 8 finishers at the Qualifying (semis of main draw or back draw) automatically qualify for the Southern Championships. The next spots in quota are determined by the players finishing position in the Qualifying and their player record since January 1. In the 10s the top 4 finishers automatically qualify and the last 2 spots are determined by the players finishing position in the Qualifying and their player record since January 1. All players wanting to be considered for selection must have applied to the USTA Southern Closed Championship of their age.

Alternates: In addition to the combined quotas for all states in the USTA Southern Section, at least 14 places are retained for alternates in the 14-18s age groups. Therefore, players who fall outside the USTA Tennessee quota and want to go to the USTA Southern Closed Junior Championships are encouraged to submit an application. Those 14 places are chosen based on a players Southern ranking. It is the player's responsibility to ascertain his/her entry status for the USTA Southern Closed Junior Championships. Additional alternate information will be given in the appropriate USTA Southern Closed Junior Championships entry form and/or on the Internet.

Waivers: Under special circumstances, Tennessee players may be waived from Qualifying Championships and receive endorsement to the Southern Closed Junior Championships. Those requesting a waiver must meet the following requirements and follow these procedures:

A player is ranked in the top 20 Nationally of the age group they are applying for a waiver from.

Requests for a waiver for illness, injury or extreme emergency must be properly documented and submitted in writing to the USTA Tennessee office. A medical waiver does not guarantee selection to the Southern Closed.

A player that wins the Qualifying as a first year player will be waived from that event as a second year player.

All waiver requests must be submitted to the TTA office in writing at least 1 month before the start of the Qualifying.

League Tennis Defines Tennis as a Team Sport!

This year in the USTA Southern Section, over 20,000 tennis players joined a team for the first time or as a returning league player! They joined approximately 80,000 already participating on at least one team. Many players now play league tennis all year long (over 11,000 were on at least five teams last year).

The league menu continues to grow each year! In 2007, over 3,000 participated in a Tri-Level League for the first time. Nearly 1,000 players participated in the RBC Centura USTA Southern Flex League pilots in Birmingham, Columbia, New Orleans, Louisville and Lafayette. Several local areas offered team singles leagues. In many cases, these new programs will act as feeder programs for our largest programs: USTA League with Adult, Senior, Mixed and Super Senior Divisions and BMW Combo Doubles. In some of our smallest areas, these programs will bring league tennis to a community where organized tennis was not possible due to the number of players needed per team.

Across all USTA league programs in the South, 2007 was a banner year for growth with four states (Alabama, Louisiana, North Carolina and Tennessee) experiencing double-digit increases. Over 17,000 additional league registrations from 2006 brought this year's total to over 242,000. This is a clear indication that league tennis is leading the way to the sport's second "boom!" The USTA Southern Section now represents 37 percent of the National league total due to the year-round efforts of hundreds of volunteers and coordinators in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee.

USTA LEAGUE ADULT & SENIOR DIVISIONS

In the USTA League Adult & Senior Divisions, where 16,000 in our Section advance to state competition, 2,000 players on 200 teams advanced to the Sectional Championships known as the "world's largest tennis tournament," with 1,626 singles and doubles matches played on 72 courts! Two hundred and fifty players on 22 teams represented the South at the National Championships in Tucson, Indian Wells and Las Vegas. The Sectional Championships are held in Mobile, AL, in July 2007 and 2008 at the "world's largest tennis facility" with 60 courts at the Copeland-Cox Tennis Center.

USTA LEAGUE MIXED DOUBLES

USTA League Mixed Doubles continues to grow with over 36,000 participants in 2007. Champion teams progressed to State Championships, Sectional Championships in New Orleans, LA, and the National Championships in Orlando, FL. The Sectional Championships return to New

Orleans, LA, in 2008. Bringing 800-plus tennis players and their guests to town for two years is a great opportunity to help in the rebirth of this great Southern city!

USTA LEAGUE SUPER SENIORS

USTA League Super Seniors grew to over 7,000 in 2007. Offering competition in two age divisions – the 60s and 70s, with NTRP levels 2.5-4.5 – winning teams advance to State, Sectional and National championships. The 2007 Sectional Championships will be held in Columbus, GA, in March 2008 and the National Championships will be held in Mobile, AL, in April 2008.

BMW COMBO DOUBLES

BMW Combo Doubles reached over 49,000 participants this year and offered State and Sectional competition. The format is three doubles positions for men's and women's teams (Adult & Senior Divisions) in 5.0, 5.5, 6.5, 7.5, 8.5, 9.5 and 10.5 levels. The 2007 Sectional Championships were held in Baton Rouge, LA, Jan. 25-29, 2008.

TRI-LEVEL LEAGUES

Tri-Level Leagues are offering a twist to the idea of forming a team with different skill levels yet playing within your own skill level. For instance, a 3.0 to 4.0 league would put a 4.0 team at No. 1 doubles, a 3.5 team at No. 2 doubles and a 3.0 team at No. 3 doubles.

RBC CENTURA USTA SOUTHERN FLEX LEAGUES

Flex Leagues will expand to at least 25 cities in 2008 and are intended to bring convenience to your tennis life by allowing you to play more matches on YOUR schedule!

The USTA Southern Section's Adult League Committee Mission Statement is "to promote and develop the best adult league programs in the United States to the members of the USTA Southern Section." Check your local and State websites for contacts in your area and go to our website at www.southerntennis.com and click on Leagues for National and Sectional information, regulations and calendars.

Highlights from 2007 are featured in the next section. Congratulations to all of this year's local, State, Sectional and National champion teams!

Do You Hold a League Record?

The USTA Southern Section gained interest in league records when it was determined that we held the "World's Largest Tennis Tournament" each year: the USTA League Tennis Southern Sectional Championships for the Adult and Senior Divisions. With 200 teams and 2,000 players in 2007, this nine-day tennis extravaganza also brings millions of dollars to the local economy each year. To keep our celebration of league tennis alive, this page in Southern's annual yearbook is dedicated to league records! Recommendations for new categories are welcome.

MOST SUCCESSFUL YEAR IN LEAGUE TENNIS

In 2006, Raymond Vince, Baton Rouge, LA, captained six teams that advanced to the LA State Championships: 3.5 Adult Men, 3.5 Senior Men, 7.0 Adult Mixed Doubles, 7.5 Adult Combo Men, 6.5 Sr. Combo Men, 7.5 Sr. Combo Men. Three of these teams won the Louisiana State Championships; advanced to Southern Sectionals Championships, the 3.5 Adult Men and the 7.0 Adult Mixed Team won Sectionals and attended National Championships in Tucson, AZ, and San Juan, PR. The 6.5 Sr. Men's Combo Team won Sectionals also.

His wife Lynda captained four teams that went to state: a 3.5 Adult Women, 3.5 Senior Women, 7.0 Senior Mixed and 7.0 Senior Women's Combo team. Between the two of them, they captained 10 local champion teams!

PLAYED IN ALL FOUR SECTIONAL CHAMPIONSHIPS HELD IN ONE YEAR

Ann DeBusk from Knoxville, TN, participated in all four Sectional Championships held in 2005: 4.0 Senior women's team went to Charleston, her Sr. 8.0 Mixed Doubles team went to Cary, NC, her Sr 7.5 Combo team went to Mobile and she's the captain of the 4.0 Super Senior team going to Pelham in April.

LONGEST WINNING STREAK

The Dream Team (Senior Men's 3.0) from Huntsville, AL. In local league play in Huntsville, their team match win/loss record through 2007 is 100-8. This is from the spring of 2003 until now. They won the 3.0 Sr AL State Championships in 2003 and were finalists in 2004.

LONGEST POINT

318 shots, 2003 Sectional Championships in Columbia, SC, W3.5 Final NC v AR No. 1 Singles Match to determine which team would advance to Nationals. The game lasted 54 minutes!

LONGEST MATCH

Without specific detail, we recall a six-hour singles match in Mobile, AL. This was WITH the match tiebreak! It was a Women's 3.5 match and the winner had to play again within an hour!

LONGEST MATCH TIEBREAK

2007 BMW COMBO DOUBLES

Baton Rouge Hosts 1,800 BMW Combo Doubles Players

The 2007 BMW Combo Doubles Southern Sectional Championships brought 200 teams to town for five days of play in Adult, Senior and Super Senior Divisions. The players enjoyed first-class facilities at the YMCA Lamar Tennis Center, Bocage, Sherwood Forest, Highland Park, Independence Park, LSU Varsity Courts, Greenwood Park, Forest Park, City Park and the University Club.

Due to weather challenges, most of the players were on court during the much-anticipated players' party, which offered the opportunity to enjoy great Louisiana cuisine, music AND a

Mardi Gras parade passing by the Louisiana State Museum!

BMW offered test drives and a drawing to win a one-day trip to the M Driving Course at the BMW Performance Center and Penn provided logo balls for the event.

Kudos to the Baton Rouge tennis community and to Cindy Barksdale, Local Tournament Committee Chairman, for offering such terrific Southern hospitality.

Congratulations to the 2007 BMW Combo Doubles Sectional champions and finalists in the Adult and Senior Divisions: (Super Senior Finals were held Jan. 29.)

Super Seniors Show Off Tennis as Lifetime Sport

Many have said that the tennis players in the South who play Super Senior 60s and Super Senior 70s are the healthiest, best looking and fleetest-of-foot seniors, especially when compared to their golf buddies. Over 7,000 strong competed in the nine Southern states this year and the State champions will advance to the 2007 Super Senior Sectional Championships in Columbus, March 28-30, 2008. The

National Championships stay in the South and will be hosted in Mobile, AL, (April 25-27 for 6.0 & 8.0 and April 28-30 for 7.0 & 9.0).

The Super Senior program continues to grow and offer competitive tennis for seniors at the local, State, Sectional and National level.

Look What's New ... in League Tennis!

One third of all Southern league registrations (80,000) now come from "other" programs such as BMW Combo Doubles (approaching 50,000), Super Seniors (7,300), Tri Level (2,000), Team Singles (3,500), Flex Leagues (1,000), fun fall leagues and 2.0 leagues.

Tri Level Leagues were created to reach out to small communities where smaller numbers at each NTRP level make forming teams easier! Three doubles positions for any three different NTRP levels: for instance, a 3.0-4.0 league would include a 4.0 team in No. 1 doubles, a 3.5 team in No. 2 doubles and a 3.0 team in No. 3 doubles. This league offers local play (several of the states will offer a Tri Level State Championship in 2008). There is also a unique opportunity for teams to represent Southern in the Pacific Life Open Tri Level Championships held during the pro event at Indian Wells, March 21-23. This year's women's team was selected by winning the Southern Cities Championships, in its 11th year and held annually in Atlanta in August. The men's team won the Southern Pacific Life Men's Qualifying Tournament in Lake Norman, Nov. 2-4, 2007.

RBC Centura USTA Southern Flex Leagues debuted in five Southern cities in 2007 – Birmingham (AL), Columbia (SC), New Orleans (LA), Lafayette (LA), and Louisville (KY) – to offer programming to players needing more flexible scheduling to play tennis. "Bringing convenience to your tennis life" is the motto and the pilots demonstrated that many players just want more "real" matches and that it is a great way to get back into the game if you are not connected to a team yet. It also became a great recruiting tool for teams looking for new players! USTA Southern plans to expand this program by offering it in 25 cities in 2008.

Super Senior 75s debut on Hilton Head Island where age 75 is the minimum but many matches include four players in their 80s, including the four pictured here: Rick Perrini (82), Vince Trivison (81), Bob Marcot (85) and L.A. Sands (87).

Charleston, SC, team to represent Southern Women at Pacific Life Open Tri Level Championships, captained by Jean Owen.

Lake Norman, NC, team to represent Southern Men at Pacific Life Open Tri Level Championships.

Team Singles, piloted first in North Carolina, offered a unique team format for league play just for singles. Three singles positions make a team and several local leagues offered this new format in 2007.

Super Senior 75s debuted on Hilton Head Island this year with six teams in Men's 3.0 and two teams in Men's 3.5! Led by local coordinator Don Grider, these guys will be joined by the Super 75 gals in '08! See league records on page 87 where one match in this new league pitted two 86-year-olds against an 87- and 82-year-old!

SOUTHERN SENIOR CUP TEAM CHAMPIONSHIPS

Georgia Excels at 21st Annual Southern Senior Cup Team Championships

Referred to as the “crown jewel” of Southern age division tennis, the 2007 Southern Senior Cup Team Championships, in Columbus, GA, June 1-3 once again provided world-class tennis and lots of fun and camaraderie both on and off the courts.

The event, in its 14th year in Columbus, featured the top 260 players in Alabama, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee in Men's and Women's 25, 35, 45, 55, 65 and 75 age divisions.

Georgia took the top honors by capturing the Mildred Southern Cup, Gil Stacy Cup and Men's Overall Championships. Georgia and South Carolina tied for the Women's Overall Championships.

Congratulations to the age division winners: Georgia won the Men's 45s, 55s and Women's 35s and 75s; South Carolina won the Men's 35s and Women's 55s, 65s; Tennessee won the Men's 65s and Women's 45s; Alabama won the Men's 75s.

Roberta Case was honored as this year's recipient of the Senior Cup Diamond Award. As SC's captain for both men's and women's teams from 1987-1993, she led the state's early dominance in the event by capturing the Overall Championship (Gil Stacy Cup) four of six years. In 1993, the captains' duties were divided between a men's captain and a women's captain. Roberta has been the women's captain for 18 years and, during that time, the SC women have won first place 12 times. She has also played for the team numerous times.

Team Georgia captures Gil Stacy and Mildred Southern awards.

CORTA, the local community tennis association, has been recognized several times at the State, Section and National levels for its top-notch class organization and tennis volunteers. Ken Smith was the Host Committee Chairman and led the local team which included Nita Perry, Barbara Farish, Russ Hagberg, Gene Oswalt, Brenda Oswalt, Paul Grimes, Frank Eslinger, Jane Grimes, Ian Pittman, Theresa Davis, Gerald Madler, Jan Austin, Carol Dye, Ailene Mooney, Carol Heywood, Lenny Heywood, Georgia Wise, Annette Vickery, Nancy Prescott, Renato Herrera, Lori Duggan, Kristie Bradley, Rachel Macleod and Jerry Mullinax.

Tournament referee Carol Fowles of Columbia, SC, has been with the event for 19 of the 21 years and unfortunately needed her rescheduling skills as the rain came on Saturday afternoon. However, a

beautiful rainbow appeared at the start of the barbecue and the last ball hit was at 10:30 p.m. We were back on schedule on Sunday morning with sunny skies and lower-than-normal temperatures. Marilyn Sherman, Dene Owen and Becky McPhee kept things running smoothly during the event.

The welcome party on Thursday, player party at the Cunningham Center at Columbus State University and barbecue at the Cooper Creek Tennis Center were great gatherings for catching up with long-time friends and rivals.

Congratulations to all of the players for representing their State at this prestigious event. Many say this is their favorite tennis weekend of the year and look forward to the tough tennis but also the ample time to catch up (and to retell some of their favorite tennis stories!)

USTA TEAM TENNIS ON COLLEGE CAMPUS

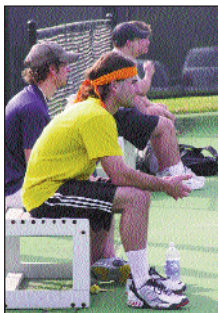

Program Expands Options For College Club Teams

For a second consecutive year, the Champions Club in Chattanooga, TN, played host to the Southern Section USTA Campus Championship. In the finals, the Georgia Tech club team defeated University of Tennessee-Chattanooga to claim the title.

Providing additional play opportunities for college club teams is one way the USTA Tennis on Campus program has increased the amount of play at colleges and universities. A number of schools set up dual matches with other teams, but the excitement level elevates when they compete at State, Sectional and National championship events.

As of December 2007, there were 42 tennis club teams in the South representing an increase of over 30 percent from 2006! Ten of these squads competed in the National USTA Campus Championship held at the Cary Tennis Center in Cary, NC, in April 2007.

One of the best features of the Tennis on Campus program is the flexible format that is implemented through physical education classes, intramurals and recreational leagues. Currently there are approximately 300,000 high school tennis players in the United States, but less than 20,000 of them represent their school at the college varsity level. The social aspect of the program is synonymous with success of Tennis on Campus. For more information on how to start Tennis on Campus at a college or university near you, please contact the appropriate state coordinator listed below.

SOUTHERN ADULT & SENIOR TOURNAMENT CALENDAR

The USTA Southern Section Adult/Senior Point System, in its seventh year, has encouraged increased participation and recognition of players in age group events by rewarding achievement in six categories ranging from 400 to 100 point events as listed in point system chart. The Top 100 in each age division are listed in the yearbook. The entire listing (over 2,800 singles players and over 2,300 doubles, mixed doubles and family doubles teams) is on the website at www.southern.tennis.com

In addition to the events listed in schedule below, all USTA Adult and Senior National Championships (as listed on pages 106 and 107) are 300 Point Tournaments.
