NATIONAL PLAY TENNIS WEEK

JULY 7-13

For the third year in succession, The United States Lawn Tennis Association will sponsor NATIONAL PLAY TENNIS WEEK. This year the dates are July 7-13 inclusive. Instigated to acquaint the public with the benefits of tennis as a health promoting, lifetime sport, the purpose of NATIONAL PLAY TENNIS WEEK as outlined by the USLTA is two-fold: "To stimulate physical fitness, mental alertness and sportsmanship, with special emphasis directed to the youngsters"; and "to perpetuate a continuing drive to elevate the nation's prestige in the highly competitive world of amateur tennis". In an effort to insure that the country's tennis courts are used to the maximum during this week, the USLTA is asking all tennis clubs, associations, tennis professionals, tennis players, and all other tennis groups and individuals to join together in a common effort to plan clinics, exhibitions, and tournaments as a means of acquainting as many as possible with the benefits of tennis during the week. We are recommending also that where possible all courts be open to the public during National Play Tennis Week. For further information and a copy of USLTA's Tennis Instruction Kit, write The U. S. Lawn Tennis Association, 120 Broadway, New York 5, New York.
