ELIGIBILITY

All participants must be of amateur standing, as defined by USLTA rules.

All participants must be enrolled (registered) with USLTA or must apply for enrollment in order to compete in any sanctioned tournament and to be ranked. Applications for enrollment may be obtained from Tournament Directors, District Enrollment Chairmen, or directly from Robert S. Piatt, SLTA Enrollment Chairman. Adult fee is \$4.00 annually including subscription to "Tennis, U.S.A."; Junior fee is \$1.00 annually plus \$1.00 for "Tennis, U.S.A." subscription, if desired. 1966 Identification cards will be mailed from USLTA office, 51 East 42nd Street, New York.

18 and under Boys and Girls shall not have reached their 18th birthdays before Jan. 1 of the year of competition. (Anyone born in 1947 is ineligible for 1966 play.) 16 through

0 and under also shall not have reached the birthday of the age group in which they wish to compete before Jan. 1 of the year of competition.

16 and under—anyone born in 1949 is ineligible for 1966 play.

14 and under—anyone born in 1951 is ineligible for 1966 play.

12 and under—anyone born in 1953 is ineligible for 1966 play.

Junior Veterans—open to men and women 35 years of age, or who become 35 during the year of competition. This rule also applies to:

Senior—45

Senior—55

Senior—60

Women's Senior—Open to women 40 years of age or who become 40 years of age during the year of competition.

SLTA RANKING REGULATIONS

In order to qualify for a Southern ranking in his or her respective division, a player must participate in the below stated number of tournaments.

MEN'S SINGLES

Southern Championships and one other Southern tournament, or three Southern tournaments, or Southern Championships and two out-of-section tournaments, or one Southern tournament and one USLTA Championships, or Davis Cup play.

WOMEN'S SINGLES, MEN'S DOUBLES AND WOMEN'S DOUBLES—JUNIOR, BOYS, GIRLS, SENIOR, FATHER AND SON, MEN'S AND WOMEN'S JUNIOR VETERANS (35 AND OVER)

Southern Championships and one other Southern tournament, or two Southern tournaments, or one Southern tournament and two out-of-section tournaments, or one Southern tournament and one USLTA Championship.

INSUFFICIENT DATA

A player, or team, with an otherwise outstanding record but not qualifying as to number of tournaments. A "recognized" or "known" player, or team, is not sufficient; the record must be outstanding with only the number of tournaments ranking.

RELATIVE IMPORTANCE OF TOURNAMENTS

Southern Championships will be considered more important than any other tournament. For instance, if player A defeats player B in the Southern Championships but loses to player B in another Southern tournament, player A will be ranked above player B—other things being equal. USLTA Championships held within our geographical limits will be given less weight than Southern Championships but more weight than other Southern tournaments.

An open state tournament will be given more weight than a closed state tournament.

Late season tournaments will be given more weight than early season tournaments except in the case of Southern and USLTA Championships. If player A defeats player B in June but loses to player B in August, player B will receive the higher ranking, other things being equal.

NOTES

All tournaments referred to must be "sanctioned." A player or team must have won at least one match; a good loss only is not sufficient to obtain a ranking even though the player has participated in the required number of tournaments.

The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Executive Committee of the SLTA upon recommendation of the Ranking Committee Chairman.
