All participants must be of amateur standing, as defined by USLTA rules.

All participants must be enrolled (registered) with USLTA or must apply for enrollment in order to compete in any sanctioned tournament and to be ranked. Applications for enrollment may be obtained from Tournament Directors, District Enrollment Chairmen, SLTA Enrollment Chairman, or SLTA Office. Adult fee is \$6.00 annually including subscription to "Tennis, U.S.A."; Junior fee is \$2.00 annually plus \$2.00 for "Tennis, U.S.A." subscription, if desired. 1968 Identification cards will be mailed from USLTA office, 51 East 42nd Street, New York 10017.

SLTA RANKING REGULATIONS

In order to qualify for a Southern ranking in his or her respective division, a player must participate in the below stated number of tournaments.

MEN'S SINGLES

Southern Championships and three (3) other Southern tournaments; or five (5) Southern tournaments; or Southern Championships and three (3) out-of-section tournaments; or two (2) Southern tournaments and one (1) USLTA Championship; or Davis Cup play.

WOMEN'S SINGLES - BOYS' AND GIRLS' 18 THRU 12 SINGLES

Southern Championships and two (2) other Southern tournaments; or four (4) Southern tournaments; or Southern Championships and three (3) out-of-section tournaments; or two (2) Southern tournaments and one (1) USLTA Championship; or Davis Cup and Wightman Cup play.

MEN'S AND WOMEN'S DOUBLES - BOYS' AND GIRLS' 10 SINGLES AND DOUBLES - SENIOR MEN'S AND WOMEN'S SINGLES AND DOUBLES - MEN'S AND WOMEN'S JUNIOR VETERAN SINGLES AND DOUBLES - FATHER AND SON DOUBLES

Southern Championships and one (1) other Southern tournament; or two (2) Southern tournaments; or one (1) Southern tournament and two (2) out-of-section tournaments; or one (1) Southern tournament and one (1) USLTA Championship.

INSUFFICIENT DATA

A player, or team, with an otherwise outstanding record but not qualifying as to number of tournaments. A "recognized" or "known" player, or team, is not sufficient; the record must be outstanding with only the number of tournaments lacking.

RELATIVE IMPORTANCE OF TOURNAMENTS

Southern Championships will be considered more important than any other tournament. For instance, if player A defeats player B in the Southern Championships but loses to player B in another Southern tournament, player A will be ranked above player B—other things being equal. USLTA Championships held within our geographical limits will be given less weight than Southern Championships but more weight than other Southern tournaments.

An open state tournament will be given more weight than a closed state tournament.

Late season tournaments will be given more weight than early season tournaments except in the case of Southern and USLTA Championships. If player A defeats player B in June but loses to player B in August, player B will receive the higher ranking, other things being equal.

NOTES

All tournaments referred to must be "sanctioned." A player or team must have won at least one match; a good loss only is not sufficient to obtain a ranking even though the player has participated in the required number of tournaments.

The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Executive Committee of the SLTA upon recommendation of the Ranking Committee Chairman.
