SLTA RANKING REGULATIONS

IMPORTANT NOTICE

Players who meet the qualification requirements set forth below will be considered for ranking. However, it should be noted that frequently ranking committees do not have available results from all tournaments played by each player. **Therefore, all players are encouraged to send in their tournament records** on the form provided for this purpose (to be obtained from District Secretaries) to the appropriate SLTA Ranking Chairman at the end of the ranking year. **ANY PERSON WHO DOES NOT SEND IN THIS RECORD WAIVES HIS RIGHT OF PROTEST IN CASE HE IS EITHER NOT RANKED OR IS RANKED IMPROPERLY.** (Note: Please use separate forms to list singles and doubles records.)

In order to qualify for a Southern ranking in his or her respective division, a player must participate in the below stated number of tournaments.

Ranking Year: Only tournaments occurring between October 1, 1972, and September 30, 1973, will be considered.

Men's Singles

Southern Championships and three (3) other Southern tournaments; or five (5) Southern tournaments; or Southern Championships and three (3) out-of-section tournaments; or two (2) Southern tournaments and one (1) USLTA Championship or Davis Cup play.

Women's Singles

Southern Championships and two (2) other Southern tournaments; or four (4) Southern tournaments; or Southern Championships and three (3) out-of-section tournaments; or two (2) Southern tournaments and one (1) USLTA Championship or Wightman Cup play.

Women's Collegiate Singles and Doubles

Two (2) sanctioned intercollegiate tournaments.

Men's and Women's Doubles - Men's and Women's Senior Singles

- Men's and Women's 35 Singles - Father & Son Doubles -

Mother & Daughter Doubles - Husband & Wife Doubles -

Mixed Doubles

Southern Championships and one (1) other Southern tournament; or three (3) Southern tournaments; or one (1) Southern tournament and two (2) out-of-section tournaments; or one (1) Southern tournament and one (1) USLTA Championship.

Men's and Women's Senior Doubles

Men's and Women's 35 Doubles

Southern Championships and one (1) other Southern tournament; or two (2) Southern tournaments; or one (1) Southern tournament and two (2) out-of-section tournaments; or one (1) Southern tournament and one (1) USLTA Championship.

Boys' and Girls' 18 Thru 10 Singles and Doubles

One (1) Southern Championship (closed or non-closed) and two (2) other Southern tournaments; or one (1) Southern Championship (closed or non-closed) and three (3) out-of-section tournaments; or one (1) Southern Championship (closed or non-closed) and one (1) USLTA Championship or Davis Cup or Wightman Cup play.

A player, or team, with an otherwise outstanding record but not qualifying as to number of tournaments. A "recognized" or "known" player, or team, is not sufficient; the record must be outstanding with only the number of tournaments lacking.

RELATIVE IMPORTANCE OF TOURNAMENTS

Southern Championships will be considered more important than any other tournament. For instance, if player A defeats player B in the Southern Championships but loses to player B in another Southern tournament, player A will be ranked above player B—other things being equal. USLTA Championships held within our geographical limits will be given less weight than Southern Championships but more weight than other Southern tournaments.

A state tournament which is non-closed will be given more weight than a closed state tournament.

Late season tournaments will be given more weight than early season tournaments except in the case of Southern and USLTA Championships. If player A defeats player B in June but loses to player B in August, player B will receive the higher ranking, other things being equal.

NOTES

All tournaments referred to must be "sanctioned." A player or team must have won at least one match; a good loss only is not sufficient to obtain a ranking even though the player has participated in the required number of tournaments.

The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Executive Committee of the SLTA upon recommendation of the Ranking Committee Chairman.

ELIGIBILITY

All participants must be enrolled (registered) with USLTA or must apply for enrollment in order to compete in any sanctioned tournament and to be ranked. Applications for enrollment may be obtained from Tournament Directors, District Enrollment Chairmen, SLTA Tournament Chairman, or SLTA Office. Adult (21 and over) fee is \$8 annually including subscription to "Tennis, U.S.A."; Junior (20 and under) fee is \$2.00 annually, plus \$2.00 for "Tennis, U.S.A." subscription, if desired. Identification cards will be mailed from USLTA office, 51 East 42nd Street, New York 10017.

The following eligibilities for age categories applies for all tournaments in the calendar year of 1973:

18 and under—anyone whose 19th birthday does not occur before October 1, 1973.

16 and under—anyone whose 17th birthday does not occur before October 1, 1973.

14 and under—anyone whose 15th birthday does not occur before October 1, 1973.

12 and under—anyone whose 13th birthday does not occur before October 1, 1973.

10 and under—anyone whose 11th birthday does not occur before October 1, 1973.

Men's and Women's 35, 45, 50, etc.—Players who are at least that age or who will reach that age between November first of last year and December thirty-first of this year.

SLTA TOURNAMENT REGULATIONS

The following Tournament Regulations, taken in part from USLTA Tournament Regulations (which are set forth in the current USLTA Yearbook and Guide) shall be observed by all OFFICIALS AND PLAYERS in sanctioned tournaments held by clubs or associations belonging to the Southern Lawn Tennis Association.

1. The Officers of the Club holding a tournament will have full control over the details concerning the tournament. They may act as the Tournament Committee or may delegate this authority to others. The Committee shall select a Referee, with power to appoint a substitute, and he or his substitute must be present at all times when play is in progress. He may not umpire or participate in a match unless his substitute is present to act as Referee. In the best interests of tennis, a tournament committee shall have three or more members, so that, in the event a member's child is involved in disciplinary action, the committee will have the power to disqualify the offender after a hearing.

2. The Committee shall keep order and decide any questions arising out of the competition, except those concerning the rules (which are to be decided by the Referee), and will enforce all rules set forth below governing Conduct of Players and Spectators.

The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

A. Prepare draw sheets in accordance with regulations. The making of the draw should ALWAYS be done where interested persons can watch the preparation. (UNDER NO CIRCUMSTANCES WILL ANY DRAW BE DONE SECRETLY AND BEHIND CLOSED DOORS.)

B. Follow proper seeding regulations: in all early season tournaments, falling before or during the first week of June, with no current year's tournament records available, the previous year's ranking (National, Sectional, State) must be used for seeding purposes. Following the first tournaments, the records of the current year must be considered, particularly in the younger age divisions.

C. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placement of byes and seeded players. (Rules regarding this are in the USLTA Yearbook and Guide and further instructional material is sent to tournament directors by the Sectional Office.)

D. See that no person is permitted to play his first-round match in any event unless he or she possesses a current USLTA card or has proof (receipt) that he has applied for one. Such notice shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks will also state that forms for applying for such a card will be available at the tournament. The Committee is responsible for making necessary arrangements for handling this activity during the tournament.

The above provisions concerning USLTA cards are mandatory on all sanctioned tournaments, and there is no way that a Tournament Committee or any official can waive this requirement or choose not to enforce it.

The USLTA card number, or the word APPL (if the player has not received his number) MUST BE ENTERED ON THE DRAW SHEETS sent to the Sectional Office.

E. Prepare a complete schedule, post it, and maintain it throughout the tournament. MATCHES MAY NOT BE POSTPONED OR DELAYED TO FAVOR ANY PLAYER.

F. All players shall be limited to three events. No player will be forced to play more than three singles matches in one day; nor should he be scheduled to play more than one round in each event in which he is entered, unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in an event other than his age group is causing delay, that player may be defaulted from that division.

G. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order or play throughout the day. When it is possible to do so, each player shall be advised, on completion of his match, as to the time of his next match. In the event of rain, the Tournament Director must advise players as to a probable re-starting time and must caution players to report at the time stipulated.

H. Junior and Boys' and Girls' matches should ALWAYS be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

I. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USLTA Yearbook and Guide. It is emphasized that men and Junior Boys (18) are not allowed a rest period after the second set of a three-set match, and this rule cannot be waived by anyone.

J. Consider the use of qualified persons to act as roving monitors during matches in Junior events. These monitors can watch for trouble-spots and can, by their presence, sometimes solve problems immediately. (See par. 1 F (2) below under Conduct of Players and Spectators.)

CONDUCT OF PLAYERS AND SPECTATORS

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend, or any other person, the same exemplary conduct is expected of them. USLTA and SLTA regulations specifically prohibit the following AND THEY WILL NOT BE TOLERATED:

A. No loud, abusive, or profane language, and no racquet throwing or slamming of balls.

B. Stalling. The rules on continuous play are quite clear: "No allowance may be made for natural loss of physical condition... Not even momentary 'rest,' other than the normal toweling-off pause at changeover, is allowed for recovery from 'natural loss of physical condition (cramps), for example.'" (Quoted from Rules in USLTA Yearbook and Guide.) The rules allow one (1) minute for toweling-off, drinking water, etc., during change of courts on odd games. This does not permit promiscuous and continued strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. PLAYERS MUST TAKE CARE AT ALL TIMES NOT TO INTERRUPT PLAY OR TO DISTRACT OPPONENT IN ANY WAY.

C. No player or players will make a comedy or a match, whether they be winning or losing.

SLTA TOURNAMENT REGULATIONS—Continued

D. Coaching or outside distractions. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to the players, sit or stand near a court in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than applauding good play.

E. Line calls by unauthorized persons. No player will ask any spectator for assistance in making line calls, nor will any spectator volunteer to do so **unless asked by an official of the tournament.** If any player desires assistance in officiating his match, he should make his request to the Tournament Director; this can be done either before or during the match.

F. Cheating 1. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is "The Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating! Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late" calls.

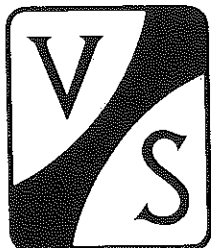

2. A player suspected of cheating should be reported to the Tournament Director who should send a **responsible** observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice **will result in his being defaulted in that match and removed from all other events in which he is entered in that tournament.** A full report will be submitted to the player's Sectional Association for any further disciplinary action deemed suitable.

G. Calling of "lets." Good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the **court area** (including the back stop), an **immediate "let"** call must be made by the **first** player who sees the ball. In this connection, "immediate" call means that the "let" call is made promptly, before either an opponent has a chance to hit the return or before a return has gone out of play.

H. Positively no gambling, drinking, or other conduct (either on or off the court) that is not in the best interest of tennis will be tolerated.

2. Any alleged violations of the above, which are brought to the attention of the Referee, Tournament Director, or Tournament Committee, will be investigated by one of these officials and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the player will be defaulted and the spectator removed. A full report will then be made to the player's Sectional Association and to the President of the Southern Lawn Tennis Association if the player's Section is other than the SLTA.

Any flagrant violations of these regulations or rules of conduct brought to the attention of the SLTA Executive Committee may, at the discretion of the Committee, result in the withdrawal of sanction from the Club or Association in question for such time as decided upon by the Committee, or in seasonal disqualification of a player involved in any misdemeanor.

QUOTA SYSTEM

FOR ENTRANTS IN SOUTHERN JUNIORS, BOYS AND GIRLS CLOSED CHAMPIONSHIPS

As in 1972, the Junior Tennis Council of SLTA has unanimously recommended that in 1973 the draw in every age division of the Southern Junior Closed Championship be limited to 64 entrants and to conduct a feed-in consolation event through the quarter-finals.

To assure a fair distribution of entrants, a quota system for each District (State) was determined by that District's proportional percentage of the total individual junior USLTA memberships in the SLTA during 1972. District Qualifiers have been appointed by the President of each District. It is the duty of each Qualifier to send the Tournament Directors of the various Southern Junior Closed Championships a list, in order of preference, for each age group, of the young players selected to represent the District. Qualifying lists must be based on previous year's District rankings and current season play. For obvious reasons, the Qualifier's list for each group should exceed the District quota. The list should be sent to the Tournament Director concerned not later than one week prior to the announced beginning date of the tournament.

Listed below are the number of entrants assigned to each District for 1973, and the names, addresses and telephone numbers of the District Qualifiers:

DISTRICT	*	QUALIFYING OFFICIAL

REMEMBER — District Qualifiers are only concerned with qualifying players for the Southern Junior Closed Championships. Players wishing to qualify for National Championships must do so through the SLTA Sectional Endorsers as in previous years. These Sectional Endorsers are listed in this book under the heading of "Committees."

QUALIFICATIONS FOR JUNIOR PLAYERS FOR ENTERING NATIONAL CHAMPIONSHIPS

1. A boy player must be a finalist (singles or doubles) in a Sectional Open or Closed Championship; OR a Designated District Qualifying Tournament in order to qualify for entry.
2. A girl player must be a semi-finalist (singles or doubles) in a Sectional Open or Closed Championship; OR a Designated District Qualifying Tournament in order to qualify for entry.
3. Certain tournaments during the month of June have been designated as District Qualifying Tournaments for National Championships and are shown with an asterisk in the SLTA Tournament Schedule in the back of this book. (Each state in the Southern Section is a District.)
4. After qualifying, you must contact your appropriate Sectional Endorser (whose name and address appear in the front of this book) to obtain an entry blank. This form must be completed in its entirety and returned to your Sectional Endorser.

Each Sectional Endorser compiles a list in order of acceptance and sends this list and your Entry Blank to the appropriate National Committee Chairman.

Every Section has a quota at each National Championship so it is possible to qualify and still not be high enough on the Sectional Endorser's list to be included in the quota from the Southern Section.

It is important that you remember you must go through your Sectional Endorser (not the National Tournament Committee) as he/she has the final approval as to who will be accepted from each Section to the National Championship.

IMPORTANT NOTICE TO ALL PLAYERS

All players are encouraged to furnish their complete tournament records to the appropriate SLTA Ranking Chairman at the end of the ranking year. A form for this purpose can be obtained from District Secretaries. **Please use separate forms to list singles and doubles records.** Failure to send in these forms will result in the player losing his right of protest in case he is either not ranked or ranked improperly.

A complimentary copy of this booklet has been mailed to every person within the Southern Section who was enrolled last year in the USLTA Registration Program. The booklet was mailed "Third Class" to the address given on the Enrollment Form. If you have moved, the complimentary copy could not be forwarded. Under the regulations of the SLTA, all replacement or additional copies of the booklet cost \$1.00 each. This same charge is made to all persons not residing within the SLTA (even though they may be enrolled in the USLTA) or to persons living in any of the nine states comprising the SLTA who were not enrolled in the USLTA last year.

If additional copies are desired, send money or check made payable to the following:

RULES FOR ALTERNATIVE "SUDDEN DEATH" METHODS

5 Out of 9 Points

SINGLES

If it is Player A's turn to serve the 13th game (at 6-all) he shall serve Points 1 and 2, right court and left court; Player B then serves Points 3 and 4 (R and L). Players then change sides, and A serves Points 5 and 6; B serves Points 7 and 8. If the score reaches 4 points all, Player B serves Point 9 from the right or left court at the election of the receiver.

The set shall be recorded as 7 games to 6. The tie-break counts as one game in reckoning ball-changes.

Player B shall serve first in the set following the playing of the tie-break (thus assuring that he will be first server if this set also goes into a tie-break). The players shall "stay for one" after a tie-break.

DOUBLES

Each player must serve from the same end of the court in the tie-break that he or she served in during that set. **THIS OPERATES TO ALTER THE SEQUENCE OF SERVING BY THE PARTNERS ON THE SECOND TEAM.** For example, with the first serving team designated (for purpose of illustration) as Players A and B, and their opponents as C and D, note that:

Points 1 and 2 are served by Player A, AND THERE IS NO CHANGE IN COURTS.

Points 3 and 4 are served by Player D, thus altering order of service as it pertained to this team during the first part of the set;

CHANGE COURTS

Points 5 and 6, after changing ends, are served by Player B; and

Points 7 and 8 (and, if necessary, Point 9) by Player C.

The above arrangement is necessitated by the regulation which requires each player to serve from the same end of the court as he or she did during the regular part of that set.

NEXT SET: As in singles, players "stay for one" following completion of the tie-break, and one player of the team that did not serve first in the preceding set serves first in this one.

BALL CHANGE: The "sudden death" sequence counts as one game in reckoning ball changes.

NOTE: Attention is directed to the elimination of the require-

ment that there be a "second racket spin" prior to the deciding set where two or four prior sets resulted in tie-breakers.

7 Out of 12 Points

SINGLES

Player A shall serve Points 1 and 2, right court and left court; Player B serves 3 and 4; A serves Points 5 and 6. The players then change sides; B serves Points 7 and 8; A serves Points 9 and 10; B serves Points 11 and 12. If either player wins 7 points, the set is recorded 7 games to 6. If the score of the tie-break game reaches 6 points all the players shall change sides and play shall continue with serve alternating on every point until one player establishes a margin of 2 points, as follows:

A serves the 13th point (right court), B serves Point 14 (right); A serves Point 15 (left); B serves Point 16 (left). If the score is still tied, the players change sides every 4 points and repeat this procedure.

Player B shall serve first in the set following the playing of the tie-break. The players shall "stay for one."

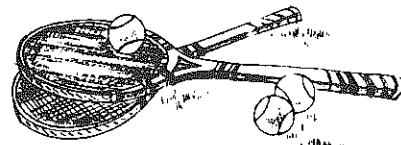

DOUBLES (A AND B VERSUS C AND D)

Assuming that Player D has served the 12th game to make the score 6 games all, the teams shall "stay" for the first 2 points of the tie-break, then change sides and change every 4 points thereafter during the first 12 points. A shall serve Points 1 and 2, right court and left court; change sides; C serves Points 3 and 4; B serves Points 5 and 6; change sides; D serves Points 7 and 8; A serves Points 9 and 10; change sides; C serves Points 11 and 12. If either team wins 7 points, the set is recorded 7 games to 6.

If the score of the tie-break game reaches 6 points all, B shall serve Point 13 from the right court; change sides; D serves Point 14 from the right court; A serves Point 15 from the left court; change sides; C serves Point 16 from the left court; B serves Point 17 from the right court; change sides; etc., etc.

Upon completion of the tie-break game the teams shall "stay for one," and either C or D (members of the team who served the last full game before the tie-break) shall serve the first game of the next set. The tie-break counts as one game in reckoning ball changes.
