No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

41. The Disciplinary Committee shall be composed of three (3) persons named by the President with the approval of the Management Committee and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, all the rules and regulations of the SLTA and the rules and regulations of the USLTA which are adopted by the SLTA as a Sectional Member of the USLTA, and the standards of conduct, fair play and good sportsmanship. The Disciplinary Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Disciplinary Committee charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules and regulations of the SLTA or of the USLTA, or the standard of conduct, fair play and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules and regulations of the SLTA and USLTA, then the Chairman shall have the power to fine such person in such amount, not in excess of \$1,000.00 and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice Chairman of the Disciplinary Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.

BY-LAWS - Continued

(b) Within thirty (30) days after receipt of a written notice of the decision by the Chairman or Vice Chairman of the Disciplinary Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Disciplinary Committee. Upon receipt of such a request, the Chairman of the Disciplinary Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with not more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary Committee shall have power to affirm, to modify or reject the prior decisions and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary Committee shall promptly notify the person penalized of its decision.

(c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary Committee and have the Disciplinary Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

(d) Any appeal from a decision of the Disciplinary Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary Committee. Such written notice must be addressed to the President of the SLTA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary Committee. The Management Committee shall not be required to hold any hearings, and its decision may be based entirely on the findings of fact of the Disciplinary Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify or reject the decision of the Disciplinary Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

(e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary Committee.

(f) All action of the SLTA Disciplinary Committee shall be reported to the USLTA Disciplinary Committee and any other bodies or individuals deemed necessary by the Board of Directors.

42. The Sanction & Schedule Committee shall be composed of a Chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the SLTA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the SLTA. The Committee shall meet at least annually and shall make recommendations for the awarding of SLTA Junior and Adult Championships to members bidding therefor at the annual meeting. Tournaments shall actually be awarded by the membership. In between meetings of the Committee the Chairman shall be responsible for carrying out the functions of the Committee.

43. The Rankings Committee shall be composed of a Chairman and such other persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.

The members of all committees shall serve, subject to reelection or reappointment as the case may be, for one-year term or until their successors are named.

45. The following shall constitute a quorum for the transaction of business for the following-named committees: Management Committee — not less than two-thirds ($\frac{2}{3}$) of its members; Nominating Committee — not less than three-fifths ($\frac{3}{5}$) of its members; Disciplinary Committee — not less than two-thirds ($\frac{2}{3}$) of its members. A quorum for the transaction of business for any other committee shall be not less than one-third ($\frac{1}{3}$) of the members of such committee.

46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition specific issues may be voted on by members of committees by mail.

47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half ($\frac{1}{2}$) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Secretary for filing with the records of the SLTA.

48. Any action required or permitted to be taken at any meeting of any committee, other than the Disciplinary Committee and Nominating Committee, may be taken without a meeting if a written consent thereto is signed by not less than two-thirds ($\frac{2}{3}$) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

ARTICLE XI - REIMBURSEMENT

All reimbursements shall be subject to review by the Board of Directors at the next ensuing meeting.

ARTICLE XII - OFFICES

35. At any meeting of the Board of Directors, any officer or officers may, by a vote of not less than two-thirds ($\frac{2}{3}$) of the whole Board of Directors, be removed from office for cause and his successor or their successors may be elected pursuant to the provisions contained in these By-Laws.

ARTICLE IX - BOARD OF DIRECTORS

36. The management of the corporation shall be vested in the Board of Directors consisting of not less than ten (10) persons. Members of the Board of Directors shall serve without pay.

37. The Board of Directors shall be composed of the President, the First Vice President, the Second Vice President, Secretary, Treasurer, Sectional Delegate to the USLTA, a District Delegate from each District Association named by his District Association, four (4) Delegates-at-Large, each active Past President residing within the jurisdiction of the SLTA, and two (2) leading players selected in accordance with procedures established from time to time by the Board of Directors. The four (4) Delegates-at-Large shall be elected by the members at the annual meeting and shall serve, without compensation, subject to reelection, until the next annual meeting and until their successors are elected and qualified. The Board of Directors shall meet not less than twice a year at which meetings current matters involving the SLTA are to be reported on and discussed and the policies of the SLTA established. During all meetings of the Board of Directors, the voting strength of the Past Presidents shall not exceed the lower of the number of Past Presidents present or three (3). If, at any meeting, more than three (3) Past Presidents are present, the three (3) votes shall be prorated among those present. If a Past President is elected to some other office that would make him a member of the Board of Directors then his vote on the Board of Directors will not be included in the voting strength of the Past Presidents. A quorum for the transaction of business by the Board of Directors shall not be less than one-half ($\frac{1}{2}$) of its members, exclusive of Past Presidents.

ARTICLE X - COMMITTEES

38. The SLTA shall have the following standing committees: Management Committee, Nominating Committee, Disciplinary Committee, Sanction & Schedule Committee and Rankings Committee. It may have such other committees as may be appointed from time to time by the Management Committee or the President. All members of committees shall serve, as such, without compensation.

39. The affairs of the SLTA between meetings of the Board of Directors shall be managed by the Management Committee, whose members shall consist of the President, First Vice President, Second Vice President, Secretary, Treasurer and the Sectional Delegate to the USLTA.

40. The Nominating Committee shall be composed of five (5) members, one of whom shall be the immediate Past President who shall serve as Chairman. The four (4) members of the Committee other than the immediate Past President shall be elected for a one (1) year term at the annual meeting of the members of the SLTA. In addition to the immediate Past President, two (2) members of the Nominating Committee must be members of the Board of Directors. No officer may be a member of the Nominating Committee and no two (2) members may be from the same District Association. No member may serve on the Nominating Committee more than four (4) consecutive years. Two (2) members of the Nominating Committee shall be nominated to serve for a second consecutive term. A vacancy for any cause on the Nominating Committee prior to the filing of its report shall be filled by the Management Committee by appointment of a person representing the same District Association as represented by the person unable to serve. The Nominating Committee shall make nominations for officers, Sectional Delegates, Delegates-at-Large and members of the Nominating Committee, to be voted on at the next following annual meeting of the members of the SLTA. It shall file such nominations on or before October 1 of each year with the Secretary and the notice thereof shall be mailed to each District Association with the notice of the annual membership meeting. If prior to the annual membership meeting any person so nominated dies, becomes incapacitated, or declines to accept nomination, the vacancy in the nominations may be filled by the Nominating Committee and the name of such person as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly selected for such purpose by the Nominating Committee. In addition to nominations made by the Nominating Committee, nominations for officers, Sectional Delegates, Delegates-at-Large, and for members of the Nominating Committee may be made by petition executed by District Associations having an aggregate vote of not less than one-third ($\frac{1}{3}$) of the total voting membership, which petition must be filed with the Secretary of the SLTA on or before October 1 of each year. A notice of the names of such nominees and their proposers shall be mailed with the notice of the annual meeting. No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

41. The Disciplinary Committee shall be composed of three (3) persons named by the President with the approval of the Management Committee and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, all the rules and regulations of the SLTA and the rules and regulations of the USLTA which are adopted by the SLTA as a Sectional Member of the USLTA, and the standards of conduct, fair play and good sportsmanship. The Disciplinary Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Disciplinary Committee charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules and regulations of the SLTA or of the USLTA, or the standard of conduct, fair play and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules and regulations of the SLTA and USLTA, then the Chairman shall have the power to fine such person in such amount, not in excess of \$1,000.00 and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice Chairman of the Disciplinary Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.

SLTA RANKING REGULATIONS

IMPORTANT NOTICE

All junior players (18-12) are required to send their tournament records to the proper SLTA Ranking Chairman by Sept. 1st of each year in order to be considered for a ranking. Forms must be signed by parent.

All other players, who meet the minimum qualification requirements for their category as set forth below, will be considered for a ranking, but they are encouraged to furnish their tournament records to the appropriate SLTA Ranking Chairman by the end of their ranking year — see SLTA Ranking Regulations for the definition of Ranking Years. Failure to do so will result in the player losing his right of protest in case he is either not ranked or is ranked improperly.

Forms for submitting tournament records can be obtained from District Secretaries. Please use separate forms to list singles and doubles.

In order to qualify for a Southern ranking in his or her respective division, a player must participate in the below stated number of tournaments.

Ranking Year: Only tournaments occurring between October 1, 1973, and September 30, 1974, will be considered for junior players; for senior players, between Nov. 1, 1973, and October 31, 1974.

Men's Singles

Southern Championships and three (3) other Southern tournaments; or five (5) Southern tournaments; or Southern Championships and three (3) out-of-section tournaments; or two (2) Southern tournaments and one (1) USLTA Championship or Davis Cup play.

Insufficient Data

A player, or team, with an otherwise outstanding record but not qualifying as to number of tournaments. A "recognized" or "known" player, or team, is not sufficient; the record must be outstanding with only the number of tournaments lacking.

RELATIVE IMPORTANCE OF TOURNAMENTS

Southern Championships will be considered more important than any other tournament. For instance, if player A defeats player B in the Southern Championships but loses to player B in another Southern tournament, player A will be ranked above player B — other things being equal. USLTA Championships held within our geographical limits will be given less weight than Southern Championships but more weight than other Southern tournaments.

A state tournament which in non-closed will be given more weight than a closed state tournament.

Late season tournaments will be given more weight than early season tournaments except in the case of Southern and USLTA Championships. If player A defeats player B in June but loses to player B in August, player B will receive the higher ranking, other things being equal.

NOTES

All tournaments referred to must be "sanctioned." A player or team must have won at least one match; a good loss only is not sufficient to obtain a ranking even though the player has participated in the required number of tournaments.

The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Executive Committee of the SLTA upon recommendation of the Ranking Committee Chairman.

ELIGIBILITY

All participants must be enrolled (registered) with USLTA or must apply for enrollment in order to compete in any sanctioned tournament and to be ranked. Applications for enrollment may be obtained from Tournament Directors, District Enrollment Chairmen, SLTA Tournament Chairman, or SLTA Office. Adult (21 and over) fee is \$8 annually including subscription to "Tennis, U.S.A."; Junior (20 and under) fee is \$2.00 annually, plus \$2.00 for "Tennis, U.S.A." subscription, if desired. Identification cards will be mailed from USLTA office, 51 East 42nd Street, New York 10017.

The following eligibilities for age categories apply for all tournaments occurring before October 1, 1974:

18 and under — anyone whose 19th birthday does not occur before October 1, 1974.

16 and under — anyone whose 17th birthday does not occur before October 1, 1974.

14 and under — anyone whose 15th birthday does not occur before October 1, 1974.

12 and under — anyone whose 13th birthday does not occur before October 1, 1974.

10 and under — anyone whose 11th birthday does not occur before October 1, 1974.

Men's and Women's 35, 45, 50, etc. — Players who are at least that age, or who will reach that age between November first of last year and December thirty-first of this year, are eligible to play in these events during the calendar year of 1974.

QUOTA SYSTEM

FOR ENTRANTS IN SOUTHERN JUNIORS, BOYS'

AND GIRLS CLOSED CHAMPIONSHIPS

As in previous years, the Junior Tennis Council of SLTA has unanimously recommended that in 1974 the draw in every age division of the Southern Junior Closed Championship be limited to 64 entrants and to conduct a feed-in consolation event through the quarter-finals.

To assure a fair distribution of entrants, a quota system for each District (State) was determined by that District's proportional percentage of the total individual junior USLTA memberships in the SLTA during 1973. District Qualifiers have been appointed by the President of each District. It is the duty of each Qualifier to send the Tournament Directors of the various Southern Junior Closed Championships a list, in order of preference, for each age group, of the young players selected to represent the District. Qualifying lists must be based on previous year's District rankings and current season play. For obvious reasons, the Qualifier's list for each group should exceed the District quota. **The list should be sent to the Tournament Director concerned not later than one week prior to the announced beginning date of the tournament.**

Listed below are the number of entrants assigned to each District for 1974, and the names, addresses and telephone numbers of the District Qualifiers:

DISTRICT	*	QUALIFYING OFFICIAL
Alabama	6	(BOYS) Joe Kuykendall, c/o Mountain Brook Swim & Tennis Club, Box 24, Route 4 Birmingham, Ala. 35210 205 - 592-3385 (GIRLS) Hugh Thomson, c/o Birmingham Country Club P. O. Box 9242 Birmingham, Ala. 35213 205 - 879-3564
Arkansas	8	J. William Trimble, 114 E. Capital Ave. Little Rock, Ark. 72201 501 - 374-4361
Georgia	11	Mrs. Jeanne Blackmon, 3004 Sue Mack Drive Columbus, Ga. 31906 404 - 561-2138
Kentucky	6	Charles Will, Jr., 38 River Bluff Court Louisville, Ky. 40207 502 - 228-8363
Louisiana	7	Jerry Montgomery, 517 Dunmoreland Shreveport, La. 71106 318 - 868-3903
Mississippi	4	Mrs. Dorothy Vest, 771 Porter St. Jackson, Miss. 39204 601 - 353-0260
North Carolina	11	Mont Graham, 516 Redd St. Reidsville, N. C. 27320 919 - 379-2586 or 919 - 349-7121
South Carolina	4	Wilton McKinney, 238 Byrd Blvd. Greenville, S. C. 29605 803 - 239-5088
Tennessee	7	Mrs. Jane Crofford, 609 Westover Drive Nashville, Tenn. 37205 615 - 352-3711

REMEMBER — District Qualifiers are only concerned with qualifying players for the Southern Junior Closed Championships. Players wishing to qualify for National Championships must do so through the SLTA Sectional Endorsers as in previous years. These Sectional Endorsers are listed in this book under the heading of "Committees."

*Denotes number of entrants for each age group

QUALIFICATIONS FOR JUNIOR PLAYERS

FOR ENTERING NATIONAL CHAMPIONSHIPS

1. A boy player **must** be a finalist (singles or doubles) in a Sectional Open or Closed Championship; OR a Designated District Qualifying Tournament in order to qualify for entry.
2. A girl player **must** be a semi-finalist (singles or doubles) in a Sectional Open or Closed Championship; OR a Designated District Qualifying Tournament in order to qualify for entry.
3. Certain tournaments during the month of June have been designated as District Qualifying Tournaments for National Championships and are shown with an asterisk in the SLTA Tournament Schedule in the back of this book. (Each state in the Southern Section is a District.)
4. After qualifying, you must contact your appropriate Sectional Endorser (whose name and address appear in the front of this book) to obtain an entry blank. This form must be completed in its entirety and returned to your Sectional Endorser.

Each Sectional Endorser compiles a list in order of acceptance and sends this list and your Entry Blank to the appropriate National Committee Chairman.

Every Section has a quota at each National Championship so it is possible to qualify and still not be high enough on the Sectional Endorser's list to be included in the quota from the Southern Section.

It is important that you remember you **must** go through your Sectional Endorser (not the National Tournament Committee) as he/she has the final approval as to who will be accepted from each Section to the National Championship.

IMPORTANT NOTICE TO ALL PLAYERS

All junior players (18-12) are required to send their tournament records to the proper SLTA Ranking Chairman by September 1st each year in order to be considered for a ranking. Forms must be signed by parent.

All other players are encouraged to furnish their tournament records to the appropriate SLTA Ranking Chairman by the end of their ranking year - see SLTA Ranking Regulations for the Ranking Years. Failure to do so will result in the player losing his right of protest in case he is either not ranked or ranked improperly.

Forms for submitting tournament records can be obtained from District Secretaries. **Please use separate forms to list singles and doubles records.**

A complimentary copy of this booklet has been mailed to every person within the Southern Section who was enrolled as of Dec. 31, 1973, in the USLTA Registration Program. The booklet was mailed "Third Class" to the address given on the Enrollment List. If you have moved, the complimentary copy could not be forwarded. Under the regulations of the SLTA, all replacement or additional copies of the booklet cost \$1.00* each. This same charge is made to all persons not residing within the SLTA (even though they may be enrolled in the USLTA) or to persons living in any of the nine states comprising the SLTA who were not enrolled in the USLTA as of Dec. 31, 1973.

If additional copies are desired, send money (or check made payable to SLTA) to the following address:

* (If you want Yearbook sent by First Class Mail, send \$2.00.)

Maintenance Made Easy On FAST-DRY Courts

New equipment that speeds maintenance now makes FAST-DRY courts a practical investment in player enjoyment. Courts need not be out of play for maintenance longer than 30 minutes a day when procedures are reduced to a short two-part routine with easily operated units like these.

Step 1. Our self-powered roller with brushes attached completes the rolling and drag-brushing in one operation. It readies a battery of four courts in only 18 minutes. (Two models: with 5-ft. roller or 4-ft. roller)

Step 2: Our rotating line-sweeper (above) then clears the tapes as fast as you walk.

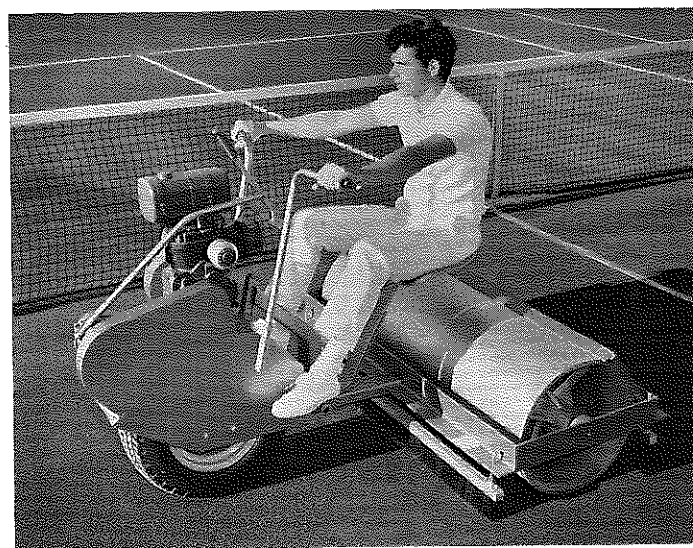

For a quick slick-up later an aluminum 7-ft. drag brush is available.

Your equipment order can take care also of such needed supplies as tapes, posts, and nets at the same time, including the much-wanted 100% nylon tapes.

GEORGIA STATE RANKING continued on page 45 following Tournament Schedule.

STA USLTA TOURNAMENT REGULATIONS

The following Tournament Regulations, taken in part from ^{USLTA}USLTA Tournament Regulations (which are set forth in the current USLTA Yearbook and Guide), shall be observed by OFFICIALS AND PLAYERS in sanctioned tournaments held by clubs or associations belonging to the Southern Lawn Tennis Association.

1. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. They may act as the Tournament Committee or may delegate this authority to others. The Committee shall select a Referee, with the power to appoint a substitute, and **he or his substitute must be present at all times when play is in progress.** He may not umpire or participate in a match unless his substitute is present to act as Referee. In the best interests of tennis, a tournament committee shall have three or more members, so that, in the event some person in one member's family is involved in disciplinary action, the committee will have the power to disqualify the offender after a hearing.

2. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules set forth below governing Conduct of Players and Spectators.

3. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, **must observe the following:**

A. Prepare draw sheets in accordance with regulations. The making of the draw must ALWAYS be done where interested persons can watch its preparation. **UNDER NO CIRCUMSTANCES WILL ANY DRAW BE DONE SECRETLY AND BEHIND CLOSED DOORS.**

B. Follow proper seeding regulations as set forth in current USLTA Yearbook and Guide. In so doing, the Committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.

C. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Rules regarding these areas are found in the USLTA Yearbook and Guide.)

D. See that no person is permitted to play his first-round match in any event unless he or she possesses a **CURRENT USLTA** card or has proof (receipt) that he or she has applied for one. Such notice shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for such a card will be available at the tournament. **The Committee is responsible for making necessary arrangements for handling this activity during the tournament.**

The above provisions concerning USLTA cards are mandatory on all sanctioned tournaments, and there is no way that a Tournament Committee or any official can waive this requirement or choose not to enforce it.

The USLTA card number, or the word APPL (if the player has not received his number) **MUST BE ENTERED ON THE DRAW SHEETS** sent to the Sectional Office of the SLTA.

E. Prepare a complete schedule, post it, and maintain it throughout the tournament. **MATCHES MAY NOT BE POSTPONED OR DELAYED TO FAVOR ANY PLAYER.**

F. All players shall be limited to three events. No player will be forced to play more than three singles matches in one day; nor should he be scheduled to play more than one round in each event in which he is entered, unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in an event other than his age group is causing delay, that player may be defaulted from that division.

G. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of his match, as to the time of his next match. In the event of rain, the Tournament Director must advise players as to a probable re-starting time and must caution players to report at the time stipulated.

H. Junior and Boys and Girls matches should ALWAYS be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

I. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USLTA Yearbook and Guide. It is emphasized that men and Junior Boys (18) are **not allowed** a rest period after the second set of a three-set match, and **this rule cannot be waived by anyone.**

J. Consider the use of qualified persons to act as roving monitors during matches in Junior events. These monitors can watch for trouble-spots and can, by their presence, sometimes solve problems immediately. (See par. 1 F (2) below under Conduct of Players and Spectators.)

CONDUCT OF PLAYERS AND SPECTATORS

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend, or any other person, the same exemplary conduct is expected of them. The USLTA and SLTA regulations specifically prohibit the following **AND THEY WILL NOT BE TOLERATED:**

A. No loud, abusive, or profane language, and no racquet-throwing or slamming of balls.

B. Stalling. The rules on continuous play are quite clear: "No allowance may be made for natural loss of physical condition . . . Not even momentary 'rest,' other than the normal toweling-off pause at changeover, is allowed for recovery from 'natural loss of physical condition (cramps, for example).'" (Quoted from Rules in USLTA Yearbook and Guide.) The rules allow one (1) minute for toweling-off, drinking water, etc., during change of courts on odd games. This **does not** permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. **PLAYERS MUST TAKE CARE AT ALL TIMES NOT TO INTERRUPT PLAY OR TO DISTRACT OPPONENT IN ANY WAY.**

C. No player or players will make a comedy of a match, whether they be winning or losing.

D. Coaching or outside distractions. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play.

SLTA TOURNAMENT REGULATIONS

E. Line calls by unauthorized persons. No player will ask any spectator for assistance in making line calls, nor will any spectator volunteer to do so **unless asked by an official of the tournament**. If any player desires assistance in officiating his match, he should make his request to the Tournament Director; this can be done either before or during the match.

F. Cheating. **Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side.** This is "The Golden Rule" of tennis. Any ball falling on **any part** of a line is good, and calling such a ball "out" is cheating! Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late" calls.

A player suspected of cheating should be reported to the Tournament Director who should send a **responsible** observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice **will result in his being defaulted in that match and removed from all other events in which he is entered in that tournament**. A full report will be submitted to the player's Sectional Association for any further disciplinary action deemed suitable.

G. Calling of "lets." Good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the **court area** (including the back stop), an **immediate** "let" call must be made by the **first** player who sees the ball, regardless of whether in his court or his opponent's court. In this connection, "immediate" call means that the "let" call is made promptly, before either an opponent has a chance to hit the return or before a return has gone out of play.

H. Positively no gambling, drinking, or other conduct (either on or off the court), that is not in the best interest of tennis, will be tolerated.

2. Any alleged violations of the above, which are brought to the attention of the Referee, Tournament Director, Tournament Committee, or designated SLTA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official of the tournament, who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional Association and to the President of the Southern Lawn Tennis Association if the player's Section is other than the SLTA or if the person involved is a spectator.

ANY FLAGRANT VIOLATIONS OF THESE REGULATIONS OR RULES OF CONDUCT BROUGHT TO THE ATTENTION OF THE SLTA DISCIPLINARY COMMITTEE MAY RESULT IN THE WITHDRAWAL OF SANCTION FROM THE CLUB OR ASSOCIATION IN QUESTION, OR IN SEASONAL DISQUALIFICATION OF A PLAYER INVOLVED IN ANY MISDEMEANOR.

RULES FOR ALTERNATIVE "SUDDEN DEATH" METHODS

5 Out of 9 Points

SINGLES

If it is Player A's turn to serve the 13th game (at 6-all) he shall serve Points 1 and 2, right court and left court; Player B then serves Points 3 and 4 (R and L). Players then change sides, and A serves Points 5 and 6; B serves Points 7 and 8. If the score reaches 4 points all, Player B serves Point 9 from the right or left court at the **election of the receiver**.

The set shall be recorded as 7 games to 6. The tie-break counts as one game in reckoning ball-changes.

Player B shall serve first in the set following the playing of the tie-break (thus assuring that he will be first server if this set also goes into a tie-break). The players shall "stay for one" after a tie-break.

DOUBLES

Each player must serve from the same end of the court in the tie-break that he or she served in during that set. **THIS OPERATES TO ALTER THE SEQUENCE OF SERVING BY THE PARTNERS ON THE SECOND TEAM.** For example with the first serving team designated (for purpose of illustration) as Players A and B, and their opponents as C and D, note that:

Points 1 and 2 are served by Player A, **AND THERE IS NO CHANGE IN COURTS.**

Points 3 and 4 are served by Player D, **thus altering order of service as it pertained to this team during the first part of the set;**

CHANGE COURTS

Points 5 and 6, after changing ends, are served by Player B; and Points 7 and 8 (and, if necessary, Point 9) by Player C.

The above arrangement is necessitated by the regulation which requires each player to serve from the same end of the court as he or she did during the regular part of that set.

NEXT SET: As in singles, players "stay for one" following completion of the tie-break, and one player of the **team** that did not serve first in the preceding set serves first in this one.

BALL CHANGE: The "sudden death" sequence counts as **one game** in reckoning ball changes.

NOTE: If a ball change were to come after a 6-6 set (i.e., at the beginning of the tie-break game), it should be deferred until the beginning of the second game of the next set.

7 Out of 12 Points

SINGLES

Player A shall serve Points 1 and 2, right court and left court; Player B serves 3 and 4; A serves Points 5 and 6. the players then change sides; B serves Points 7 and 8; A serves Points 9 and 10; B serves Points 11 and 12. If either player wins 7 points, the set is recorded 7 games to 6. If the score of the tie-break game reaches 6 points all the players shall change sides and play shall continue with serve alternating on every point until one player establishes a margin of 2 points, as follows:

A serves the 13th point (right court), B serves Point 14 (right); A serves Point 15 (left); B serves Point 16 (left). If the score is still tied, the players change sides every 4 points and repeat this procedure.

Player B shall serve first in the set following the playing of the tie-break. The players shall "stay for one."

DOUBLES (A AND B VERSUS C AND D)

Assuming that Player D has served the 12th game to make the score 6 games all, the teams shall "stay" for the first 2 points of the tie-break, then change sides and change every 4 points thereafter during the first 12 points. A shall serve Points 1 and 2, right court and left court; change sides; C serves Points 3 and 4; B serves Points 5 and 6; change sides; D serves Points 7 and 8; A serves Points 9 and 10; change sides; C serves Points 11 and 12. If either team wins 7 points, the set is recorded 7 games to 6.

If the score of the tie-break game reaches 6 points all, B shall serve Point 13 from the right court; change sides; D serves Point 14 from the right court; A serves Point 15 from the left court; change sides; C serves Point 16 from the left court; B serves Point 17 from the right court; change sides; etc., etc.

Upon completion of the tie-break game the teams shall "stay for one," and either C or D (members of the team who served the last full game before the tie-break) shall serve the first game of the next set. The tie-break counts as one game in reckoning ball changes.

POINT PENALTIES AUTHORIZED

The USLTA has authorized optional use of point penalties, levied by the Umpire, as a means of dealing with stalling, tardiness, and unsportsmanlike conduct. The authorization is for a one-year trial period, beginning immediately. This curb on misconduct will not be available for use in Grand Prix tournaments or in United States National Championship events.

The point penalties system may be used in tournaments within the boundaries of the Southern Lawn Tennis Association **ONLY** with the previous permission of the SLTA Sanction and Schedule Committee, and, following this approval, the fact that the point penalties system is authorized for a tournament must be noted on all entry blanks and other tournament notices.

In applying to the SLTA Sanction and Schedule Committee for permission to use the point penalties system, the Tournament Director must state the names and qualifications of the Tournament Referee and all Umpires who will be administering the system.

Full explanation of the system and how to apply it will be sent to each Tournament Director by the Chairman of the Sanction and Schedule Committee at the time that approval to use the system is granted.
