QUOTA SYSTEM

FOR ENTRANTS IN SOUTHERN JUNIOR CLOSED CHAMPIONSHIPS — BOYS AND GIRLS

As in previous years, the Junior Tennis Council of SLTA has unanimously recommended that in 1975 the draw in every age division of the Southern Junior Closed Championships be limited to 64 entrants and to conduct a feed-in consolation event through the quarter-finals.

To assure a fair distribution of entrants, a quota system for each District (State) was determined by that District's proportional percentage of the total individual Junior USLTA Memberships in the SLTA during 1974. DISTRICT SELECTORS have been appointed by the President of each District. It is the duty of each Selector to send the Tournament Directors of the various Southern Junior Closed Championships a list, in order of preference, for

each age group of the players selected to represent the District. **Quota lists must be based on pre-determined requirements**, which are set forth below for each District. For obvious reasons, the Selector's list for each group should exceed the District's quota. **The list should be sent to the Tournament Director concerned not later than one week prior to the announced beginning date of the tournament.**

Listed below are the number of entrants assigned to each District; the names, addresses, and phone numbers of the District's Quota Selectors; and the methods by which the Districts will determine the selection of their quotas for the Southern Junior Closed Championships:

DISTRICT	QUOTA	DISTRICT SELECTOR	BASIS FOR SELECTION
Alabama	6	Newton Cox 851 Gaillard Dr. Mobile, Ala. 36608 205-342-7462	Must play in the Alabama Qualifying Closed Championships. The four semi-finalists in the championship bracket automatically are selected. There will be a feed-in championship event. The winner earns the 5th place, the runner-up the 6th place, and the two losing semi-finalists of the feed-in event will play for the 7th and 8th places, in case anyone of the first six players cannot participate.
Arkansas	7	Mr. J. William Trimble 114 E. Capitol Ave. Little Rock, Ark. 72201 501-374-4361	Selection of players shall be based on a player's last year's USLTA, SLTA, and District rankings, plus the current year's play.
Georgia	10	Mrs. Jeanne Blackmon 3004 Sue Mack Drive Columbus, Ga. 31906 404-561-2138	Must play in Georgia State Junior Qualifying Tournament; OR hold a current USLTA National Singles Championship in present age group; OR be ranked in first ten nationally in current age group.
Kentucky	5	Mrs. Louise Bennett 4909 Clovernook Rd. Louisville, Ky. 40207 502-895-9864	Selection is based on the rankings from the previous year, plus the present year Kentucky Junior Qualifying Tournament.
Louisiana	10	Jerry Montgomery 517 Dunmoreland Shreveport, La. 71106 318-868-3903	Play in the Louisiana State Qualifying Tournament (Lafayette), or have a previous year's high District ranking, if the player has a valid reason for missing the Qualifying Tournament.
Mississippi	3	Mrs. Dorothy Vest 5055 Old Canton Rd. Jackson, Miss. 39211 601-956-1603	Must play in Mississippi State Junior Qualifying Tournament; OR hold a current USLTA National Singles Championship in present age group; OR be ranked in first ten nationally in current age group.
North Carolina	11	Mont Graham 516 Redd Street Reidsville, N.C. 27320 919-379-2586 or 919-349-7121	Player must apply to the North Carolina District Selector. All who apply will be ranked for acceptance by the following guidelines: National, Southern, and District (State) ranking, plus current season's play and, most importantly, the Tar Heel Qualifying Tournament. Write to District Selector in early May for an entry blank.
South Carolina	4	Girls — Mrs. Sara Lou Robbins 406 Forest Lane Belton, S.C. 29627 803-338-7686 Boys — Chuck Hyatt 1000 Asbury Dr. Columbia, S.C. 29209 803-776-6686	Performance in Palmetto Qualifying Tournament and/or prior year's rankings in player's current age division.

National, Southern, and District rankings, plus current season's play. The Tennessee Qualifying Tournament will be used to help determine the numerical positions for the Southern Junior Closed.

* Denotes number of entrants for each age group

REMEMBER — District Selectors are only concerned with selecting players for the **Southern Junior Closed Championships**. Players wishing to **qualify for National Championships** must do so through the **SLTA Sectional Endorsers** as in previous years. These Sectional Endorsers are listed in this book under the heading of "Committees."

QUALIFICATIONS FOR JUNIOR PLAYERS FOR ENTERING NATIONAL CHAMPIONSHIPS

1. A boy player must be a semi-finalist (singles or doubles) in a Sectional Open or Closed Championship; OR a Designated District Qualifying Tournament in order to qualify for entry.
2. A girl player must be a semi-finalist (singles or doubles) in a Sectional Open or Closed Championship; OR a Designated District Qualifying Tournament in order to qualify for entry.
3. Certain tournaments during the month of June have been designated as District Qualifying Tournaments for National Championships and are shown with an asterisk in the SLTA Tournament Schedule in the back of this book. (Each state in the Southern Section is a District.)
4. After qualifying, you must contact your appropriate Sectional Endorser (whose name and address appear in the front of this book) to obtain an entry blank. This form must be completed in its entirety and returned to your Sectional Endorser.

Each Sectional Endorser compiles a list in order of acceptance and sends this list and your Entry Blank to the appropriate National Committee Chairman.

Every Section has a quota at each National Championship so it is possible to qualify and still not be high enough on the Sectional Endorser's list to be included in the quota from the Southern Section.

It is important that you remember you must go through your Sectional Endorser (not the National Tournament Committee) as he/she has the final approval as to who will be accepted from each Section to the National Championship.

IMPORTANT NOTICE TO ALL PLAYERS

All junior players (18-12) are required to send their tournament records to the proper SLTA Ranking Chairman by September 1st each year in order to be considered for a ranking. Forms must be signed by parent.

All other players are encouraged to furnish their tournament records to the appropriate SLTA Ranking Chairman by the end of their ranking year - see SLTA Ranking Regulations for the Ranking Years. Failure to do so will result in the player losing his right of protest in case he is either not ranked or ranked improperly.

Forms for submitting tournament records can be obtained from District Secretaries. Please use separate forms to list singles and doubles records.

A complimentary copy of this booklet has been mailed to every person within the Southern Section who was enrolled as of Dec. 31, 1974, in the USLTA Registration Program. The booklet was mailed "Third Class" to the address given on the Enrollment List. If you have moved, the complimentary copy could not be forwarded. Under the regulations of the SLTA, all replacement or additional copies of the booklet cost \$2.00*, each. This same charge is made to all persons not residing within the SLTA (even though they may be enrolled in the USLTA) or to persons living in any of the nine states comprising the SLTA who were not enrolled in the USLTA as of Dec. 31, 1974.

If additional copies are desired, send money (or check made payable to SLTA) to the following address:

* (If you want Yearbook sent by First Class Mail, send \$3.00.)

1975 SLTA JUNIOR WORKSHOP

The Second Annual SLTA Junior Workshop will be held July 7 - 12, 1975 at Memphis Tenn.

The Director of the Workshop will be: Tom Buford.

This workshop is for both boys and girls. Five boys and five girls from each of the following age divisions will be eligible: 12, 14, 16, and 18. The total number of boys would be twenty (20) and the total number of girls would be twenty (20), if the quotas are filled.

The method of qualifying for the workshop is as follows:

1. All singles semi-finalists of the 1975 Southern Junior Closed age divisions 12, 14, 16, and 18.
2. SLTA Juniors in the same age division as 1974 and having a 1974 National Singles Ranking in that age division.
3. SLTA Juniors in the same age division as 1974 and having a singles ranking of five (5) or above in 1974 SLTA Rankings in that age division.
4. SLTA Juniors who advanced to an older age division in 1975 and who have a 1974 National Singles Ranking in the younger age division.

The workshop committee will establish a list of eligible players for each age division who qualify on the basis of rules 2 thru 4 of the method of qualifying. The results of the Southern Junior Closed will change the order in which the qualified players are listed, if a player listed six or below or a player not listed reaches the semi-final in singles in the age division in which he or she is competing.

All participants must furnish all of their own equipment except tennis balls.

Since the Southern Junior Closed will all be played in Mobile, and since the results of this tournament determines largely those who will be eligible for the workshop, Newton Cox will be the qualifying officer. Applications for the workshop can be obtained by writing: Newton Cox, 851 Gaillard Drive, Mobile, Ala. 36608. Do not apply for applications before June 1st. Completed applications must be returned to Mr. Cox not later than July 3, 1975.

METHOD OF SELECTING THE 1975 SLTA GIRLS' INTERSECTIONAL TEAM

The 1975 Intersectional Team will be chosen by over-all season's play in the 18's, and a round-robin will be used for additional data for all prospective team members. Girls eligible to compete in the 1975 round-robin for a team position will be the following:

- (a) Any girl having a singles ranking of 1 through 10 in the 1974 Girls' 18 SLTA rankings; or
- (b) Any girl having a singles ranking of 1 through 3 in the 1974 Girls' 16 SLTA rankings; or
- (c) Any member of the 1974 Girls' Intersectional Team still eligible in 1975 for 18 and under competition; or
- (d) Any Southern girl having recorded two (2) wins since October 1, 1974, over any of the players listed above in (a), (b), or (c).

In the event that the above does not result in producing five players plus one alternate, the necessary number of players will be chosen by the SLTA Intersectional Team Committee, composed of:

Mrs. John O'Dell III, Chairman, 424 W. Brow Rd., Lookout Mountain, Tenn. 37350

Mrs. Joseph Lay

Mrs. John Vest

Mrs. Harris Masterson

Mr. Roy Dance

Any girl who is interested, and who would qualify by the above, should notify Mrs. O'Dell by June 1, 1975. It is the responsibility of the girl to notify Mr. Bing DeLatte that she will be present for the round-robin held June 14, 1975. On July 1, 1975, the records of each contender will be sent to every member of the team committee. After studying the data, each committee member will record his or her vote in writing and send one copy to the Chairman of the Committee and one copy to the SLTA President. The team, comprised of five members and one alternate, will be notified by collect telegram sometime during the week of July 7, 1975.

Miss Lewis Lay of Atlanta will be the Team Chaperone to the matches which will begin August 4, 1975, in Allentown, Pa., preceding The USLTA Girls' 18 Grass Court Championships. Details of the trip will be sent to members once they are selected.

Girls are reminded not to neglect qualifying in their District Qualifying tournaments and the Southern Closed, so that they will be eligible for selection to national tournaments.

THE FIRST ANNUAL SOUTHERN JUNIOR WIGHTMAN CUP AND JUNIOR DAVIS CUP MATCHES

The First Annual Southern Junior Wightman Cup and Junior Davis Cup matches will be sponsored by the Peachtree World of Tennis in Norcross, Georgia, August 19 - 22, 1975. Butch Trelue, Director of Tennis at the Southeastern Headquarters for World Championship Tennis, will co-host this event with the Georgia Lawn Tennis Association, Inc.

These matches will be sanctioned by USLTA, and the results will be used in making 1975 SLTA Rankings.

The competition will be for both boys and girls in the 18-and-under age division and the 16-and-under age division. Each District is eligible to enter a team of two in each of the following events:

Boys' 18 and under

Boys' 16 and under

Girls' 18 and under

Girls' 16 and under

A player eligible to play both age divisions will be allowed to compete in only one age division. Girls may not compete on a Junior Davis Cup Team and Boys may not compete on a Junior Wightman Cup Team. All District Presidents are responsible for having entries mailed to Roy Dance, Chairman, SLTA Junior Tennis Council, P. O. Box 11063, Memphis, Tenn., 38111 (phone 901-767-9230) not later than August 5, 1975. A District must enter a team of two in each event. One player can not represent a District.

Teams, not individuals or doubles teams, will be seeded and a public draw will be made. Each team must designate the number one position player and its number two position player. These two players will also compete in a doubles event.

Each match won scores one point. Since each District match will consist of two singles and one doubles, there can not be a tie and the team scoring either 2 or 3 points advances to the next round.

All number one position players, all number two position players, and all doubles teams will be placed on the same line of the draw sheet as that occupied by the District which he or she represents.

Housing and meals will be furnished by Peachtree World of Tennis and the Georgia Lawn Tennis Association, Inc.

For details concerning entries, contact Roy Dance, P. O. Box 11063, Memphis, Tenn. 38111 (phone 901-767-9230), and for details concerning housing and match play, contact Butch Trelue, 3320 Holcomb Bridge Road, Suite 100, Norcross, Georgia 30071 (phone 404-449-6060).

Trophies will be awarded by the Southern Lawn Tennis Association.

Gary Plock, Louisville, Ky., SLTA's No. 1 Junior Boy—Recipient of SLTA's 1974 Junior Boy Award and a lifetime membership in the USLTA.

Janan Trimble, Little Rock, Ark., SLTA's No. 1 Junior Girl—Recipient of SLTA's 1974 Junior Girl Award and a lifetime membership in the USLTA.

SLTA RANKING REGULATIONS

IMPORTANT NOTICE

All junior players (18-12) are required to send their tournament records to the proper SLTA Ranking Chairman by Sept. 1st of each year in order to be considered for a ranking. Forms must be signed by parent.

All other players, who meet the minimum qualification requirements for their category as set forth below, will be considered for a ranking, but they are encouraged to furnish their tournament records to the appropriate SLTA Ranking

Chairman by the end of their ranking year — see below.

Failure to do so will result in the player losing his right of protest in case he is either not ranked or is ranked improperly.

Forms for submitting tournament records can be obtained from District Secretaries. **Please use separate forms to list singles and doubles.**

Ranking Year for all age groups is the same as shown in USLTA Standing Orders. (See current edition of the USLTA Yearbook.)

In order to qualify for a Southern ranking in his or her respective division, a player must participate in the below stated number of tournaments.

MEN'S SINGLES

One (1) Southern Championship and three (3) other Southern tournaments, two (2) of which are outside of district of residence.

WOMEN'S SINGLES

One (1) Southern Championship and two (2) other Southern Tournaments, two (2) of which are outside of district of residence.

WOMEN'S COLLEGIATE SINGLES AND DOUBLES

Two (2) sanctioned intercollegiate tournaments.

Men's and Women's Doubles - Men's and Women's 35 and 45 Singles

Father & Son Doubles - Mother & Daughter Doubles

Husband & Wife Doubles - Mixed Doubles

One (1) Southern Championship and one (1) other Southern Tournament; or three (3) Southern Tournaments, one (1) of which must be outside of district of residence.

Note: Boys' and Girls' 10 events will not be ranked this year in SLTA.

INSUFFICIENT DATA

A player, or team, with an otherwise outstanding record, but not qualifying as to number of tournaments. A "recognized" or "known" player, or team, is not sufficient; the record must be outstanding, with only the number of tournaments lacking.

RELATIVE IMPORTANCE OF TOURNAMENTS

A player's ranking, after qualifying, shall be based on his play during the entire ranking year under consideration.

NOTES

All tournaments referred to must be "sanctioned." A player or team must have won at least one match; a good loss only is not sufficient to obtain a ranking even though the player has participated in the required number of tournaments.

The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Management Committee of the SLTA, upon recommendation of the Ranking Committee Chairman.

ELIGIBILITY

All participants must be enrolled (registered) with USLTA or must apply for enrollment in order to compete in any sanctioned tournament and to be ranked. Applications for enrollment may be obtained from Tournament Directors, District Enrollment Chairmen, SLTA Tournament Chairman, or SLTA Office.

Eligibility (age-wise) for all age groups is the same as shown in USLTA Standing Orders. (See current edition of the USLTA Yearbook.)

POINT PENALTIES AUTHORIZED

The USLTA has authorized optional use of point penalties, levied by the Umpire, as a means of dealing with stalling, tardiness, and unsportsmanlike conduct. The authorization is for a one-year trial period, beginning immediately. This curb on misconduct will not be available for use in Grand Prix tournaments or in United States National Championship events.

The point penalties system may be used in tournaments within the boundaries of the Southern Lawn Tennis Association **ONLY** with the previous permission of the SLTA Chairman of Umpires Committee, and, following this approval, the fact that the point penalties system is authorized for a tournament must be noted on all entry blanks and other tournament notices.

In applying to the SLTA Chairman of Umpires Committee for permission to use the point penalties system, the Tournament Director must state the names and qualifications of the Tournament Referee and all Umpires who will be administering the system.

Full explanation of the system and how to apply it will be sent to each Tournament Director by the SLTA Chairman of the Umpires Committee at the time that approval to use the system is granted.

SLTA RANKING REGULATIONS

IMPORTANT NOTICE

All junior players (18-12) are required to send their tournament records to the proper SLTA Ranking Chairman by Sept. 1st of each year in order to be considered for a ranking. Forms must be signed by parent.

All other players, who meet the minimum qualification requirements for their category as set forth below, will be considered for a ranking, but they are encouraged to furnish their tournament records to the appropriate SLTA Ranking

Chairman by the end of their ranking year — see below.

Failure to do so will result in the player losing his right of protest in case he is either not ranked or is ranked improperly.

Forms for submitting tournament records can be obtained from District Secretaries. Please use separate forms to list singles and doubles.

Ranking Year for all age groups is the same as shown in USLTA Standing Orders. (See current edition of the USLTA Yearbook.)

In order to qualify for a Southern ranking in his or her respective division, a player must participate in the below stated number of tournaments.

MEN'S SINGLES

One (1) Southern Championship and three (3) other Southern tournaments, two (2) of which are outside of district of residence.

WOMEN'S SINGLES

One (1) Southern Championship and two (2) other Southern Tournaments, two (2) of which are outside of district of residence.

WOMEN'S COLLEGIATE SINGLES AND DOUBLES

Two (2) sanctioned intercollegiate tournaments.

Men's and Women's Doubles - Men's and Women's 35 and 45 Singles
Father & Son Doubles - Mother & Daughter Doubles
Husband & Wife Doubles - Mixed Doubles

One (1) Southern Championship and one (1) other Southern Tournament; or three (3) Southern Tournaments, one (1) of which must be outside of district of residence.

MEN'S AND WOMEN'S 35 AND 45 DOUBLES

One (1) Southern Championship and one (1) other Southern Tournament; or two (2) Southern Tournaments, one (1) of which must be outside district of residence.

BOYS' AND GIRLS' 18 THRU 12 SINGLES AND DOUBLES

One (1) Southern Championship (closed or non-closed) and two (2) other Southern tournaments; or one (1) Southern Championship (closed or non-closed) and three (3) out-of-section tournaments; or one (1) Southern Championship (closed or non-closed) and one (1) USLTA Championship or Davis Cup or Wightman Cup play.

Note: Boys' and Girls' 10 events will not be ranked this year in SLTA.

INSUFFICIENT DATA

A player, or team, with an otherwise outstanding record, but not qualifying as to number of tournaments. A "recognized" or "known" player, or team, is not sufficient; the record must be outstanding, with only the number of tournaments lacking.

RELATIVE IMPORTANCE OF TOURNAMENTS

A player's ranking, after qualifying, shall be based on his play during the entire ranking year under consideration.

NOTES

All tournaments referred to must be "sanctioned." A player or team must have won at least one match; a good loss only is not sufficient to obtain a ranking even though the player has participated in the required number of tournaments.

The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Management Committee of the SLTA, upon recommendation of the Ranking Committee Chairman.

ELIGIBILITY

All participants must be enrolled (registered) with USLTA or must apply for enrollment in order to compete in any sanctioned tournament and to be ranked. Applications for enrollment may be obtained from Tournament Directors, District Enrollment Chairmen, SLTA Tournament Chairman, or SLTA Office.

Eligibility (age-wise) for all age groups is the same as shown in USLTA Standing Orders. (See current edition of the USLTA Yearbook.)

Since 1970 SCARPA TENNIS TAPES has worked to better serve the court builder, club professional, tennis committee, maintenance crew and players.

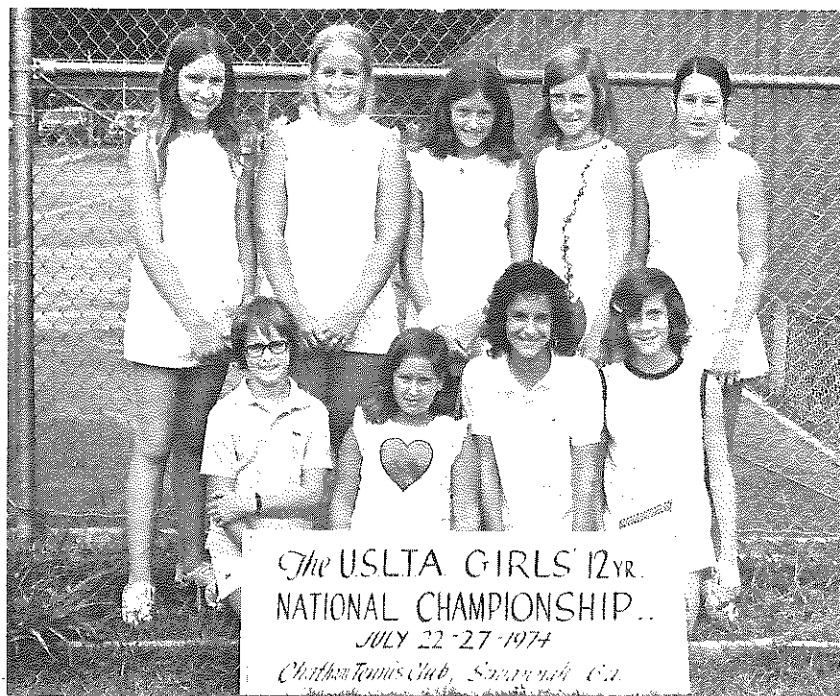

First to introduce a tape of its type, we have constantly worked to improve quality and performance. Going from cotton, to nylon/cotton, to our highly-tensile man-made acrylic fiber with its non-slip rubberized coating has made **TENEX** the No. 1 tennis tape.

The 2" wide Tenex Tennis Tape cost 75.00 per ct.

SLTA TOURNAMENT REGULATIONS

The following Tournament Regulations, taken in part from USLTA Tournament Regulations (which are set forth in the current USLTA Yearbook and Guide), shall be observed by OFFICIALS AND PLAYERS in sanctioned tournaments held by clubs or associations belonging to the Southern Lawn Tennis Association.

1. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. They may act as the Tournament Committee or may delegate this authority to others. The Committee shall select a Referee, with the power to appoint a substitute, and **he or his substitute must be present at all times when play is in progress**. He may not umpire or participate in a match unless his substitute is present to act as Referee. In the best interests of tennis, a tournament committee shall have three or more members, so that, in the event some person in one member's family is involved in disciplinary action, the committee will have the power to disqualify the offender after a hearing.
2. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules set forth below governing Conduct of Players and Spectators.
3. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, **must observe the following**:
 - A. Prepare draw sheets in accordance with regulations. The making of the draw must ALWAYS be done where interested persons can watch its preparation. **UNDER NO CIRCUMSTANCES WILL ANY DRAW BE DONE SECRETLY AND BEHIND CLOSED DOORS.**
 - B. Follow proper seeding regulations as set forth in current USLTA Yearbook and Guide. In so doing, the Committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
 - C. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Rules regarding these areas are found in the USLTA Yearbook and Guide.)
 - D. See that no person is permitted to play his first-round match in any event unless he or she possesses a **CURRENT USLTA** card or has proof (receipt) that he or she has applied for one. Such notice shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for such a card will be available at the tournament. **The Committee is responsible for making necessary arrangements for handling this activity during the tournament.**

The above provisions concerning USLTA cards are mandatory on all sanctioned tournaments, and there is no way that a Tournament Committee or any official can waive this requirement or choose not to enforce it.

The USLTA card number, or the word APPL (if the player has not received his number) **MUST BE ENTERED ON THE DRAW SHEETS** sent to the Sectional Office of the SLTA.

E. Prepare a complete schedule, post it, and maintain it throughout the tournament. **MATCHES MAY NOT BE POSTPONED OR DELAYED TO FAVOR ANY PLAYER.**

F. All players shall be limited to three events. No player will be forced to play more than three singles matches in one day; nor should he be scheduled to play more than one round in each event in which he is entered, unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in an event other than his age group is causing delay, that player may be defaulted from that division.

G. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of his match, as to the time of his next match. In the event of rain, the Tournament Director must advise players as to a probable re-starting time and must caution players to report at the time stipulated.

H. Junior and Boys and Girls matches should ALWAYS be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

I. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USLTA Yearbook and Guide. It is emphasized that men and Junior Boys (18) are **not allowed** a rest period after the second set of a three-set match, and **this rule cannot be waived by anyone.**

J. Consider the use of qualified persons to act as roving monitors during matches in Junior events. These monitors can watch for trouble-spots and can, by their presence, sometimes solve problems immediately. (See par. 1 F (2) below under Conduct of Players and Spectators.)

CONDUCT OF PLAYERS AND SPECTATORS

1. The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend, or any other person, the same exemplary conduct is expected of them. The USLTA and SLTA regulations specifically prohibit the following **AND THEY WILL NOT BE TOLERATED**:

- A. No loud, abusive, or profane language, and no racquet-throwing or slamming of balls.
- B. Stalling. The rules on continuous play are quite clear: "No allowance may be made for natural loss of physical condition . . . Not even momentary 'rest,' other than the normal toweling-off pause at changeover, is allowed for recovery from 'natural loss of physical condition (cramps, for example).'" (Quoted from Rules in USLTA Yearbook and Guide.) The rules allow one (1) minute for toweling-off, drinking water, etc., during change of courts on odd games. This **does not** permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. **PLAYERS MUST TAKE CARE AT ALL TIMES NOT TO INTERRUPT PLAY OR TO DISTRACT OPPONENT IN ANY WAY.**
- C. No player or players will make a comedy of a match, whether they be winning or losing.
- D. Coaching or outside distractions. Spectators are expected to observe good manners at all times. They will not be permitted to coach, talk to players, sit or stand near a court in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play.

SLTA TOURNAMENT REGULATIONS

E. Line calls by unauthorized persons. No player will ask any spectator for assistance in making line calls, nor will any spectator volunteer to do so **unless asked by an official of the tournament**. If any player desires assistance in officiating his match, he should make his request to the Tournament Director; this can be done either before or during the match.

F. Cheating. Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side. This is "The Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating! Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late" calls.

A player suspected of cheating should be reported to the Tournament Director who should send a **responsible** observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice **will result in his being defaulted in that match and removed from all other events in which he is entered in that tournament**. A full report will be submitted to the player's Sectional Association for any further disciplinary action deemed suitable.

G. Calling of "lets." Good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When anything distracts a player, such as a ball from another court rolling onto the court area (including the back stop), an **immediate** "let" call must be made by the first player who sees the ball, regardless of whether in his court or his opponent's court. In this connection, "immediate" call means that the "let" call is made promptly, before either an opponent has a chance to hit the return or before a return has gone out of play.

H. Positively no gambling, drinking, or other conduct (either on or off the court), that is not in the best interest of tennis, will be tolerated.

2. Any alleged violations of the above, which are brought to the attention of the Referee, Tournament Director, Tournament Committee, or designated SLTA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official of the tournament, who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional Association and to the President of the Southern Lawn Tennis Association if the player's Section is other than the SLTA or if the person involved is a spectator.

ANY FLAGRANT VIOLATIONS OF THESE REGULATIONS OR RULES OF CONDUCT BROUGHT TO THE ATTENTION OF THE SLTA DISCIPLINARY COMMITTEE MAY RESULT IN THE WITHDRAWAL OF SANCTION FROM THE CLUB OR ASSOCIATION IN QUESTION, OR IN SEASONAL DISQUALIFICATION OF A PLAYER INVOLVED IN ANY MISDEMEANOR.

RULES FOR ALTERNATIVE "SUDDEN DEATH" METHODS

5 Out of 9 Points

SINGLES

If it is Player A's turn to serve the 13th game (at 6-all) he shall serve Points 1 and 2, right court and left court; Player B then serves Points 3 and 4 (R and L). Players then change sides, and A serves Points 5 and 6; B serves Points 7 and 8. If the score reaches 4 points all, Player B serves Point 9 from the right or left court at the **election of the receiver**.

The set shall be recorded as 7 games to 6. The tie-break counts as one game in reckoning ball-changes.

Player B shall serve first in the set following the playing of the tie-break (thus assuring that he will be first server if this set also goes into a tie-break). The players shall "stay for one" after a tie-break.

DOUBLES

Each player must serve from the same end of the court in the tie-break that he or she served in during that set. **THIS OPERATES TO ALTER THE SEQUENCE OF SERVING BY THE PARTNERS ON THE SECOND TEAM.** For example with the first serving team designated (for purpose of illustration) as Players A and B, and their opponents as C and D, note that:

Points 1 and 2 are served by Player A, **AND THERE IS NO CHANGE IN COURTS.**

Points 3 and 4 are served by Player D, **thus altering order of service as it pertained to this team during the first part of the set;**

CHANGE COURTS

Points 5 and 6, after changing ends, are served by Player B; and Points 7 and 8 (and, if necessary, Point 9) by Player C.

The above arrangement is necessitated by the regulation which requires each player to serve from the same end of the court as he or she did during the regular part of that set.

NEXT SET: As in singles, players "stay for one" following completion of the tie-break, and one player of the team that did not serve first in the preceding set serves first in this one.

BALL CHANGE: The "sudden death" sequence counts as **one game** in reckoning ball changes.

NOTE: If a ball change were to come after a 6-6 set (i.e., at the beginning of the tie-break game), it should be deferred until the beginning of the second game of the next set.

7 Out of 12 Points

SINGLES

Player A shall serve Points 1 and 2, right court and left court; Player B serves 3 and 4; A serves Points 5 and 6. The players then change sides; B serves Points 7 and 8; A serves Points 9 and 10; B serves Points 11 and 12. If either player wins 7 points, the set is recorded 7 games to 6. If the score of the tie-break game reaches 6 points all the players shall change sides and play shall continue with serve alternating on every point until one player establishes a margin of 2 points, as follows:

A serves the 13th point (right court), B serves Point 14 (right); A serves Point 15 (left); B serves Point 16 (left). If the score is still tied, the players change sides every 4 points and repeat this procedure.

Player B shall serve first in the set following the playing of the tie-break. The players shall "stay for one."

DOUBLES (A AND B VERSUS C AND D)

Assuming that Player D has served the 12th game to make the score 6 games all, the teams shall "stay" for the first 2 points of the tie-break, then change sides and change every 4 points thereafter during the first 12 points. A shall serve Points 1 and 2, right court and left court; change sides; C serves Points 3 and 4; B serves Points 5 and 6; change sides; D serves Points 7 and 8; A serves Points 9 and 10; change sides; C serves Points 11 and 12. If either team wins 7 points, the set is recorded 7 games to 6.

If the score of the tie-break game reaches 6 points all, B shall serve Point 13 from the right court; change sides; D serves Point 14 from the right court; A serves Point 15 from the left court; change sides; C serves Point 16 from the left court; B serves Point 17 from the right court; change sides; etc., etc.

Upon completion of the tie-break game the teams shall "stay for one," and either C or D (members of the team who served the last full game before the tie-break) shall serve the first game of the next set. The tie-break counts as one game in reckoning ball changes.

ATTENTION: Tournament Committees and/or Directors

On this page and the following page are two samples of draw sheets - one for a 32-place event (this page) and a 64-place event; and showing the number of seeded players based on one seed for every four entrants, or fractions thereof. Note the lines shown for entering byes and seeded players. Please enter the byes and seeds on proper lines. Further information on preparing draw sheets will be found in the USLTA Yearbook & Guide.
