Dear Southern Tennis Association Members:

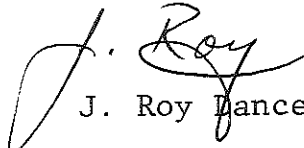

Tennis is still one of America's fastest growing sports. Both the quality of play and the quantities of players is ever increasing as indicated by the tremendous growth in our own Southern section and the other 16 sections of the United States Tennis Association. The STA is still holding its lead as being the largest section of the USTA.

To help assure you that the STA will be run for the best benefit of all its members, an executive director was hired last July and this year the STA will go into computer assisted rankings and endorsing procedures that should show an increased efficiency and thoroughness in all areas. However, the old problem of individual tournament directors getting completed draw sheets into the district offices within a week after completion of a tournament will be something we need everyone's help on. If each player will remind the tournament director to get his results in right after the tournament is over, it will make the computer information up-to-date each week.

Additions to our STA tournament schedule and new Southern Tennis News is published in Tennis Week, a weekly newspaper distributed free to everyone who makes a tax deductible contribution to the Southern Tennis Patron's Foundation (\$5.00 for juniors and \$10.00 and above for adults) c/o the STA Office in Atlanta.

The Summer meeting of the STA will be held Aug. 4-5, 1978, in Little Rock, Ark., in conjunction with the Southern Adult Closed Championships. Our 1978 Annual Meeting will be held in Atlanta, Nov. 30th thru Dec. 2nd, 1978. Our meetings are open and we invite you to participate with us in serving and improving Southern Tennis.

Best wishes,

J. Roy Dance

RULES AND REGULATIONS OF THE SOUTHERN TENNIS ASSOCIATION, INCORPORATED

I. QUOTA SYSTEM FOR ENTRY TO SOUTHERN JUNIOR CLOSED CHAMPIONSHIPS

A. GENERAL. The draw in every age division of the Southern Junior Closed Championships is limited to 64 players in singles, except Boys' 14, 16, and 18, where the draw may be 128. Each age division will include championship singles and doubles and feed-in-consolation singles. To assure a fair distribution of entrants, each of the nine Districts (States) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of STA as reflected in latest available quarterly print-out (either Sept. or Dec.). In the event there are open places in the draw because a District does not fill its quota, the places may be filled by the Tournament Committee with the best players available based on rankings and current records.

B. DISTRICT SELECTORS. A District Selector has been appointed for each District to take applications for entry and to select the players from each District to fill the quota allotted in accordance with standards adopted by his District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with his list of selected players, to the Director of the Southern Junior Closed Championships at least 5 days prior to the announced beginning date of the tournament. District Selectors are requested to maintain a ranked list of alternates to fill the places of drop-outs and the places created by unfilled quotas from other Districts.

C. QUOTA, DISTRICT SELECTOR, BASIS FOR SELECTION. The Quota District Selectors and the Basis for Selection adopted by each District for the 1978 Southern Junior Closed Championships are as follows:

II. GIRLS' INTERSECTIONAL TEAM

A. GENERAL. The STA annually selects a Girls' Intersectional Team to represent the STA at the USTA Girls' 18 Clay Court Championships at Memphis, TN, USTA Girls' Intersectional Team Matches, and USTA Girls' 18 Nationals at Philadelphia, PA. The STA makes arrangements for a team chaperone to travel with the team and helps pay a portion of the costs of the team. The team consists of five players, plus one alternate, in the 18 and under age division.

B. STA COMMITTEE. Selection of the team shall be made by the STA Girls' Intersectional Team Committee listed in the Yearbook under the heading of "STA Committees."

C. ELIGIBILITY. Any junior girl in the STA meeting the following requirements shall be eligible to apply for the Team:

1. Any girl having a singles ranking of 1-10 in the 1977 Girls' 18 STA rankings; or
 2. Any girl having a singles ranking of 1-5 in the 1977 Girls' 16 STA rankings; or
 3. Any member of the 1977 team who is still eligible for 18 and under competition in 1977; or
 4. Any girl having recorded one (1) win since October 1, 1977, over any of the players eligible under the preceding three categories.
5. In the event that there is not a minimum of six junior girls eligible under the above requirements, then the STA Committee shall select additional players based on rankings and current records.

D. STANDARD FOR SELECTION. The standard for the selection of the team shall be over-all season's play in the Girls' 18 and under division. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. Team members who have qualified for consideration will be automatically endorsed. The eligibility requirements above set forth may not be waived, except by unanimous consent of all members of the Committee.

E. APPLICATION. Any STA junior girl interested in applying for the team and qualified to do so must notify the STA Sectional Office prior to the conclusion of the Southern Closed Championships.

III. STA BOYS' TEAM

A. GENERAL. The STA annually selects a Boys' Team to represent the STA on a portion of the USTA National Junior Circuit. The team consists of four (4) players in the 18 and under division and four (4) players in the 16 and under division.

The Boys' 18 Team will represent the STA in the Southern Open, USTA Clay Courts, the Western Championships, and the Nationals in that age division.

The Boys' 16 Team will represent the STA in the Southern Open, the USTA Clay Courts, the Western Championships, and the Nationals in that age division.

A part of the traveling expenses for the eight (8) boys will be paid by the STA.

B. STA COMMITTEE. The STA Boys' Team Committee is responsible for making the selection of the players on the Team and the Committee is shown in the Yearbook under the heading "STA Committees."

C. STANDARD FOR SELECTION. The Standard used by the Committee in making the Team Selections shall be 1977 rankings and current season's records. The Committee may require a round-robin or play-off among applicants.

IV. STA 21 AND UNDER JUNIOR DAVIS CUP TEAM

A. GENERAL. The STA annually selects the two (2) top 21 and under men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. A portion of the Team's expenses is paid by the STA.

B. APPLICATION. All players (male) 21 and under are eligible to apply for selection which will be based on 1977 rankings and current season's records. Applications should be obtained from and returned to the STA Sectional Office prior to July 20, 1978.

V. QUALIFICATIONS FOR ENTRY INTO USTA NATIONAL JUNIOR CHAMPIONSHIPS

A. QUOTA SYSTEM. The STA has a quota for every USTA National Junior Championship based on the STA's percentage of the total individual junior members in the USTA during the preceding year.

B. QUALIFICATIONS AND STANDARDS FOR ENDORSEMENT OR SELECTION. In order to be considered for endorsement to a USTA National Junior Championship, a junior player must have been a semi-finalist in singles or doubles in a District Qualifying Tournament or the Southern (Open or Closed) Junior Championships, unless waived by the STA President and Chairman of the STA Junior Tennis Council. Each District has a designated District Qualifying Tournament scheduled during June as shown in the STA Tournament Schedule. Junior players qualifying for consideration will be ranked in accordance with previous year's rankings and current record to fill the STA quota of entries automatically accepted by the National Championship Committees. A list of ranked alternates will also be maintained to fill the places of drop-outs and other open spaces created by the failure of another Section of the USTA to fill its quota.

C. PROCEDURE FOR APPLICATION. Players who have qualified for endorsement under the above rules should apply to the STA office for entry blanks for all USTA National Junior Championships and any Sectional or out of Section tournaments requiring endorsement by the Section. Entry blanks for National Championships will also be available at all Southern Junior Closed Championships. All entry blanks must be completed and returned to the Sectional office 21 days prior to the first day of the appropriate National Championship. The STA has appointed Sectional endorsers for each age division to assist in determining selection of players to fill the STA quota and list of alternates. Players will be notified whether or not they have been endorsed with the automatic STA quota or as an alternate. Acceptance of alternates (players above the STA quota), as determined by the National Championship Committees, and those not accepted will be notified.

VI. RANKING REGULATIONS

A. ADULT

1. Minimum Requirement. The minimum number of tournaments required prior to consideration for a ranking for each age division is as follows:

- a. Men's Singles - One (1) Southern Championship (Open, Closed, or Hardcourts) and three (3) other Southern tournaments.
- b. Women's Singles - One (1) Southern Championship (Open, Closed, or Hardcourts) and two (2) other Southern tournaments.
- c. Men's and Women's Collegiate Singles and Doubles - One (1) Southern Collegiate Championship and two (2) other collegiate tournaments and be enrolled in a college located in one of the nine states of the STA.

- d. Men's and Women's Doubles - One (1) Southern Championship (Open, Closed, or Hard Court) and two (2) other Southern tournaments.
- e. All other divisions - One (1) Southern Championship (Open, Closed, Hard Court, or Indoor) and one (1) other Southern tournament.
- f. Southern rankings will be established, provided there are sufficient events, for the following divisions: Men and Women singles and doubles, Men's and Women's Collegiate singles and doubles, Men and Women 21 and under singles and doubles, Men and Women, 35, 45, 50, 55, 60, 65, 70, 75 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles, 35 Mixed doubles.
2. Records. Players are not required to send in their records in order to be ranked; however, all players are requested to send in their records to assist the Ranking Committees. Players who do not send in their records shall have no right to appeal their rankings. Record forms are available from the District Secretaries. The STA Ranking Chairmen receive only results of STA tournaments and players who desire other results to be considered must send in their records.
3. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.
4. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.
5. Membership. All players must have a current Tournament, Life, or Honorary Membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Office, and from each District Enrollment Chairman.
6. Ranking Year. The Ranking Year for all age divisions shall be the same as adopted annually by the USTA. See page 13 for 1978 eligibility.
7. Ranking Standards. A player or team shall be ranked on the basis of play during the entire ranking year under consideration. In order to be ranked, a player or a team must win a sufficient number of matches in the opinion of the Ranking Committee to justify a Southern Ranking.
8. Insufficient Data. A player or team with an otherwise outstanding record, but not playing in the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player or team is not sufficient; the record must be outstanding, with only the number of tournaments lacking.
9. Ranking Appeals. Tentative rankings will be published in the official publication of the STA during November of each year whenever possible, and will always be published at the site of the annual meeting of the STA immediately prior to the meeting of the STA Ranking Committees in December. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Review Board within ten (10) days after receipt of the official publication or immediately prior to the meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or to object, by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Review Board in person, provided that the written notice of appeal includes a notice that the player intends to so appear. The determination of rankings by the Ranking Review Board shall be final, except as to appeals that may be referred to the annual meeting for decision. (Note: The official publication is mailed to all member organizations of the STA and to individual members of the Southern Tennis Patrons Foundation.)

B. JUNIOR

1. The minimum number of tournaments required prior to consideration for Boys' and Girls' 18-12 singles and doubles ranking is one (1) Southern Championship (Open or Closed) and two (2) other Southern tournaments.
2. Records. Players who do not send in their records shall lose the right to appeal their rankings; however, all players are requested to send in their records to the appropriate committee chairman, prior to the published deadline date. Any falsification of tournament record will be reported to the Disciplinary Committee and may result in that player being eliminated from the rankings for that year.
3. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.
4. Membership. All players must have a current Tournament, Life, or Honorary Membership in the USTA in order to be ranked.
5. Ranking Year. The Ranking Year for all age divisions shall be the same as adopted annually by the USTA. See page 13.
6. Ranking Standards.
 - a. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous years' records or personal opinions of the Ranking Committee. For ranking purposes, all other things being equal, match results of tournaments shall be considered in relative importance as follows:

Southern Closed Championships
 Southern Open Championships
 USTA National Championships
 USTA Clay Court, Hard Court, Indoor, etc.
 Other Sectional Championships
 Sugar Bowl, Orange Bowl, etc.
 State Qualifying and Closed
 Other Sanctioned Southern Tournaments after June 1, 1978
 Other Sanctioned Southern Tournaments, January 1 - May 31, 1978
 Other Sanctioned Southern Tournaments, October 1 - December 31, 1977

Ranking Chairmen may give additional weight to certain other tournaments based on the number and quality of ranked players participating. A player or team must win at least one (1) match to qualify for a ranking.

b. Direct wins of any one player over another will receive greater credit than any other data. Indirect wins and losses in the same tournament will be considered. Out-of-Section or Out-of-Division results will be considered, if the information is sent to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Comparative scores will be used only in otherwise equal cases. Only results of sanctioned events will be considered for ranking purposes.

c. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late-season tournaments, after earning a good early-season record, may be considered detrimental to ranking.

d. When a player retires from a match, it is a loss. However, if the retirement is due to an injury verified by the Tournament Director, this loss may be given a reduced weighting, depending on the nature of the injury and the score at the time of the injury. Defaults, after the tournament has started, count as a loss for the player defaulting, but do not count as a win for the player winning by default.

7. Insufficient Data. A player or team with an otherwise outstanding record, but not qualified as to number of tournaments, will be recognized in "Insufficient Data." Players will be listed alphabetically.

8. Class A. A "Class A" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players will be listed alphabetically.

9. Ranking Appeals. Players who do not send in their records shall lose the right to appeal their rankings. Players who have previously submitted their tournament records may appeal tentative rankings by written notification to the Chairman of the Ranking Committee prior to the meeting of Ranking Committees at the annual meeting of the STA.

10. Miscellaneous. The STA does not rank the 10 and under junior division.

VII TOURNAMENTS RULES AND REGULATIONS

A. RULES

1. The Rules of Lawn Tennis. USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current USTA Yearbook, "A Friend in Court" and "The Code" (The official USTA publication for the conduct of all matches played without on-court officials, an abbreviated copy of which is reprinted in the Yearbook on page 13. These publications are available from USTA Publications, 71 University Place, Princeton, N.J. 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of these publications, particularly "The Code." An abbreviated version of certain key parts of "The Code" are reprinted on page 13 of this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. Disciplinary Rules and Procedures. All individual and organizational members of the USTA and STA are subject to the Constitution and By-Laws of the USTA, the STA, and all Districts thereof, and the Disciplinary Rules and Procedures therein contained during the sanctioned events.

B. STA TOURNAMENT REGULATIONS

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute, and the substitute must be present at all times when play is in progress. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members, so that, in the event some person in one member's family is involved in disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules set forth below governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

a. Prepare draw sheets in accordance with regulations. The making of the draw must ALWAYS be done where interested persons can watch its preparation. **UNDER NO CIRCUMSTANCES WILL ANY DRAW BE DONE SECRETLY AND BEHIND CLOSED DOORS.**

b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the Committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.

c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.)

d. See that no person is permitted to play his first round match in any event unless he or she presents a CURRENT USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The Committee is responsible for making necessary arrangements for handling membership enrollments during the tournament.

The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it.

The USTA card number, or the word "APPL" (if the player has not received his number or, enrolls at tournament) MUST BE ENTERED ON THE DRAW SHEETS.

e. Prepare a complete schedule, post it, and maintain it throughout the tournament. **MATCHES MAY NOT BE POSTPONED OR DELAYED TO FAVOR ANY PLAYER.**

f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day; nor should he be scheduled to play more than one round in each event in which he entered, unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his age group is causing delay, that player may be defaulted from that division.

g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of his match, as to the time of his next match. In the event of rain, the Tournament Director must advise players as to a probable re-starting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.

h. Boys' and Girls' matches should ALWAYS be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.

i. Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 ARE NOT ALLOWED a rest period after the second set of a three-set match, and THIS RULE CANNOT BE WAIVED BY ANYONE.

j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble-spots and can, by their presence, sometimes solve problems immediately.

5. The ENTRY BLANKS for sanctioned tournaments shall include the following information:

a. A statement that the tournament has been sanctioned by the USTA and STA.

b. The name of the Chairman of the Tournament Committee, the name of the Tournament Referee, and the names of the members of the Tournament Committee.

c. The maximum size of the draw in each event, the number and kinds of courts to be used, and whether day and/or night play is planned.

d. A statement, in bold letters and underlined as follows:

A XEROX COPY (WHICH WILL BE RETURNED TO YOU WHEN YOU REPORT AT THE TOURNAMENT) OF YOUR CURRENT USTA MEMBERSHIP, OR RENEWAL CHECK, OR AN APPLICATION RECEIPT NOT MORE THAN 90 DAYS' OLD, MUST BE ATTACHED TO YOUR ENTRY BLANK. OTHERWISE, YOU WILL BE REQUIRED TO ENROLL AT THE TOURNAMENT BEFORE YOUR FIRST MATCH.

e. If the Point Penalty System will be in effect for the tournament, this fact must be included as a statement on the entry blanks.

6. CONDUCT OF PLAYERS AND SPECTATORS

The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend, or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and THEY WILL NOT BE TOLERATED:

a. No loud, abusive, or profane language, and no racket-throwing or slamming balls shall be allowed.

b. In regard to stalling, the rules of continuous play are quite clear: "No allowance may be made for natural loss of physical condition . . . Not even momentary 'rest,' other than the normal towel-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook.) The rules allow one (1) minute for towel-off, drinking water, etc., during change of courts on odd games. This DOES NOT permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. **PLAYERS MUST TAKE CARE AT ALL TIMES NOT TO INTERRUPT PLAY OR TO DISTRACT OPPONENT IN ANY WAY.**

c. No player or players will make a comedy of a match, whether they be winning or losing.

d. Spectators are expected to observe good manners at all times. They will NOT be permitted to COACH, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.

e. Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so UNLESS ASKED BY AN OFFICIAL OF THE TOURNAMENT to serve as a line umpire. If ANY PLAYER desires assistance in officiating his match, HE should make the request to the Tournament Director or Referee; this can be done either before or during the match.

f. EVERY PLAYER IS EXPECTED TO CALL BALLS ON HIS SIDE AS HE WOULD EXPECT HIS BALLS TO BE CALLED BY HIS OPPONENT ON THE OTHER SIDE. This is "The Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating! Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late" calls. A player suspected of cheating should be reported to a member of the Tournament Committee who should send A RESPONSIBLE OBSERVER to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice WILL RESULT IN HIS BEING DEFAULTED IN THAT MATCH AND REMOVED FROM ALL OTHER EVENTS IN WHICH HE IS ENTERED IN THAT TOURNAMENT. A full report will be submitted to the player's Sectional Association for any further disciplinary action deemed suitable.

g. In the matter of calling "lets," good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When ANYTHING distracts a player, such as a ball from another court rolling onto the court area (including the backstop), an immediate "let" call must be made by the first player who sees the ball, regardless of whether in his court or his opponent's court. In this connection, "immediate" calls means that the "let" call is made promptly, before either an opponent has a chance to hit the return or before a return has gone out of play.

h. Positively no gambling, drinking, or other misconduct (either on or off the court), will be tolerated.

i. Any alleged violations of the above, which are brought to the attention of the Referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above, and upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the

tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

ANY FLAGRANT VIOLATIONS OF THESE REGULATIONS OR RULES OF CONDUCT BROUGHT TO THE ATTENTION OF THE STA DISCIPLINARY COMMITTEE MAY RESULT IN THE WITHDRAWAL OF SANCTION FROM THE CLUB OR ASSOCIATION IN QUESTION, OR IN SEASONAL DISQUALIFICATION OF A PLAYER INVOLVED IN ANY MISDEMEANOR.

7. The USTA Guide for application of the Point Penalty System to specific instances is as follows:

- a. DELAY in resuming play at changeover, and DELAY by toweling at times other than the changeover: 1st, warning; 2nd, one point; any subsequent, 4 points each, or DEFAULT.
- b. PROLONGING argument over a decision after BEING DIRECTED (which constitutes a warning) to resume play: one point; any subsequent, 4 points each, or default.
- c. DELAY after end of warm-up time: one point.
- d. PROFANITY/OBSCENITY, audible/visible (if not directed at anyone): 1st, warning; 2nd, one point; any subsequent, one game each. (If directed at anyone): 1st, one point) 2nd, four points; 3rd - default.
- e. VERBAL/PHYSICAL ABUSE - Same as above.
- f. MINOR unsportsmanlike acts (knocking a ball out, throwing racquet but not near anyone): 1st, warning; any subsequent, one point each.
- g. MAJOR unsportsmanlike acts (projecting a ball or racquet at or near anyone): 1st, two points; 2nd, four; 3rd - DEFAULT.
- h. LATE FOR MATCH (opponent and court being ready): one game for each 5 minutes or fraction thereof. (Does not rule out liability to outright default.)
- i. NO APPEAL from a point(s) penalty may be made until after a third penalty has been called by the Chair Umpire.

"THE CODE" ABBREVIATED

The guidelines outlined below are from "The Code," written by Nick Powel. The Code has been adopted by the USTA as the unwritten rules and court etiquette for all NON-OFFICIATED matches. In abbreviated form, with reference paragraphs indicated in parentheses, they are as follows:

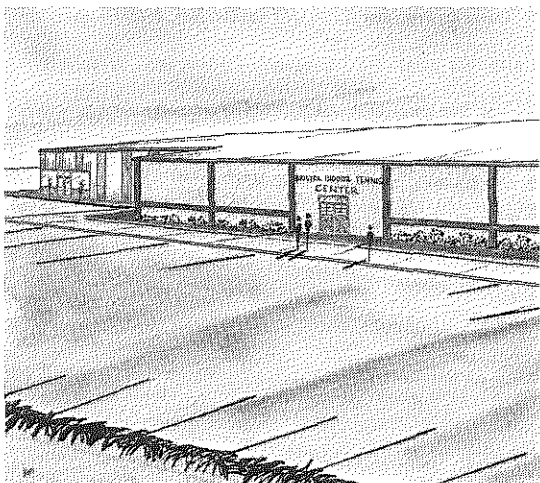

1. WHEN IN DOUBT as to whether a ball is out or good, the call is always made in favor of your opponent; you should NOT play a let. Any ball which cannot be called out with surety is good. (#3,17)
2. OTHER LINE CALL PROCEDURES:
 - a. Call all balls on your side of the net. (#7,15)
 - b. Help your opponent on calls, when requested. (#9)
 - c. Call against yourself any balls clearly out. (#7-8,32)
 - d. Never question your opponent's call. (#9)
 - e. Ask opponent's opinion if he or she is in better position to make call. When opinion is given, it must be accepted. (#9)
 - f. DO NOT enlist the aid of spectators to make line calls. (#6)
 - g. Make all calls instantly. Don't violate the "two chance" rule. (#10-13)
 - h. First service is called by receiver or his partner only. On second service, if either the server or his partner clearly sees a fault, he is obligated to make the call. (#7,32)
 - i. If you call a ball out and then realize it was good, you should:
 - (1) Play the point over if you returned the ball to your opponent's court; or
 - (2) Score the point in favor of your opponent if you failed to return the ball. (#18)
3. Unless ground rules are established before play is started, if you catch a ball in the air that would otherwise be out, the point is scored for your opponent. (#9,2)
4. Returning a serve that is OBVIOUSLY a fault in order to catch your opponent napping is cheating. However, if receiver returns a service he honestly believes is good (possibly trying to give server the benefit of any doubt), server is not entitled to refuse to play the point on the grounds he (the server) thought the ball was out. (#24)
5. FOOT FAULT. Recent USTA rule interpretations allow receiver(s) to call FLAGRANT foot fault violations. If your opponent FLAGRANTLY foot faults, you should: First, POLITELY advise him of this and ask that the problem be corrected; second, request that someone serve as foot fault judge; third, if no one is available to serve as foot fault judge, call the faults yourself. (#25,26)
6. Minimize talking while the ball is in play. Once either you or your partner has hit the ball, say nothing until an opponent has hit it. (#28)
7. Movement. A player, other than server, may feint with his body and move where he wishes even during the service toss, but he may not wave his arms or racquet or talk to create a distraction. (#29)
8. Do not go behind another court to retrieve balls. When returning a ball, hit it to the server, preferably with a bounce. (#30)
9. You must play with the equipment you have at courtside (continuous play rule). (#31)
10. On calls involving a ball touching a player, a player touching the net, a player touching his opponent's court or hitting an opponent's return before it has passed the net, a carry, or a double-bounce - the prerogative of decision rests with the player involved. The prerogative of decision on calling a double-hit rests with the striker's opponent. (#33,33.1,33.2,33.3)
11. In tournaments, the pre-match warm-up should not last over five minutes. Service practice must be completed BY ALL PLAYERS before the match begins and is NOT to be taken just before a player serves for the first time (continuous play rule). A player should not practice service returns while another player is practicing his serve. (#34)
12. Receiver should not attempt to return a service during the game, unless he and his partner are ready. If the receiver attempts to return service, he is presumed ready and cannot subsequently claim he was not ready. (#35,36,38)
13. Server should announce game score of the set prior to serving the first point. He should then announce the point score prior to serving each subsequent point during the game. (#40.1)
14. If there is an unresolvable disagreement over the score, spin a racquet. The score becomes whatever the winner of the spin said was the score. This procedure is used whether it be a disagreement over the score within a game or over the game score within a set and is only used after all other efforts to resolve the disagreement over the score have failed. (#40)
15. If opponent repeatedly violates the rules, request an umpire. (#21)

BALL AFTER BALL, PENN PERFORMS.

Consistent performance. It's what you work for in your tennis game. And it's what we design into every Penn tennis ball. Tested consistency, so the new Penn ball you play next will give you the same quality, the same response, the same durability—the same performance as the Penn tennis ball you play today.

GEORGIA TENNIS ASSOCIATION, INCORPORATED

1978 GEORGIA RANKING REQUIREMENTS AND REGULATIONS

1. In order to be considered for a Georgia ranking in his or her respective division, a player must be a legal resident of Georgia and must compete in the required number of tournaments.

A. Junior Ranking Requirements

1. Singles

a. Play in two of the three state tournaments (Georgia Qualifying, Georgia Open, Georgia Closed), or
b. Play in one state tournament plus two other sanctioned tournaments in the state, excluding the spring junior circuit.

2. Doubles — Play in one state tournament and one other sanctioned tournament in Georgia.

B. Adult Ranking Requirements

1. Men's, Women's, Men's 35, Women's 35, Men's 45, and Mixed Doubles: Play in one state championship and one other sanctioned tournament in Georgia OR play in three sanctioned tournaments in the state (excluding closed club events).

2. Women's 45, Men's 50, Men's 55, Men's 60, Men's 65, Men's 70, Mother/Daughter, Father/Son, Husband/Wife: Play in one state championship OR two sanctioned tournaments within the state (excluding closed club events).

3. Senior ranking year will be from November 1 to October 31. The ranking year for all other divisions is from October 1 to September 30. Note: The ranking year for all divisions will correspond to the dates adopted by the USTA.

4. Importance of adult tournaments will be:

A. Georgia State Open

B. Matches between Georgia players in National and Sectional events.

C. Other Georgia state championships based on strength of field.

D. If the STA subscribes to computer ranking, then information concerning these regulations will be carried in the GTA newsletter.

5. All players are urged to send in complete and accurate tournament record information to the appropriate ranking chairman. The deadline is September 10, 1978 for juniors and November 1, 1978 for adults. These deadlines will be enforced!! Sending in these records does not guarantee a ranking. Players who do not comply with this request will have no right of appeal in the event they do not agree with the ranking assigned, if they are omitted, or if some tournament results are not considered. Players submitting records that are incomplete or that contain incorrect results will automatically lose their right of appeal for a Georgia ranking. Records should contain results of all sanctioned matches played during the ranking year (including the spring circuit for juniors).

6. The major consideration for ranking will be direct wins and losses. A player must have a win over another Georgia resident. The results of all sanctioned tournaments will apply toward ranking.

7. A direct win outside the state of Georgia between Georgia players will be considered. Players are responsible for reporting out of state results to their ranking chairman.

8. Exposure is important and will be measured by the number of good quality opponents that a person plays rather than just by participation in only the required number of tournaments for ranking; e.g., if there are two players with fairly close records, the player with the longer record and more exposure will be ranked higher.

9. A player with an outstanding record but not qualified as to number of tournaments will be recognized in Insufficient Data.

10. Defaults, Retirements, Withdrawals

A. Defaults (when a player can't begin a match)

Any player defaulting in any tournament, including consolation events, loses the right of using that tournament as a basis for qualification for the GTA ranking requirements. The default will count as a direct loss!

Wins and losses to date in this tournament will be retained and counted.

In the event of a default due to illness or injury, the tournament director must certify that the default was excused in order for this tournament to be retained for the ranking requirements.

B. Retirements (when play is discontinued during a match)

In the event of injury or illness during a match, the tournament director/referee can certify that the individual is unable to continue play. Only play which is discontinued under the above conditions is subject to this excused retirement clause and excused retirement will allow the tournament to still count toward qualification for a GTA ranking. Retirement in any event will count as a direct loss.

C. Withdrawal (when a player drops out of a tournament after the draw has been made but prior to the tournament's beginning)

A player may not withdraw from a tournament after the draw has been made. Individuals violating this rule will receive a default which will count as a direct loss. Valid withdrawals may be recognized under special conditions prior to the beginning of the tournament with the director's approval.

D. Individuals having one default will automatically be dropped on (1) position in the final year's rankings. Individuals having a second default will be dropped three (3) more positions, or a total of four (4) positions. Individuals with three defaults on their record will NOT be ranked.

This edition covers the period April 1978 to March 1979 and will be available starting April 1.

BOUSTANY FAMILY OF LAFAYETTE, LA. — STA FAMILY OF THE YEAR, 1977.

LOUISIANA TENNIS ASSOCIATION

RAKING REGULATIONS FOR 1978

1. In order to be considered for a Louisiana ranking in his or her respective division, a player must be a bona-fide legal resident in the State of Louisiana prior to starting date of tournament and be physically living in the State at that time and must compete in the below stated number of tournaments.

Juniors (18 division and under) - required to play in at least three (3) of the following five (5) tournaments: Louisiana State Closed Junior Qualifying in Lafayette or Shreveport, Louisiana Closed in New Orleans, BREC in Baton Rouge, Pel State in Alexandria, and Louisiana Chps. (non-closed) in Shreveport.

Adults (21) division and up) - required to play in three (3) of the following six (6) tournaments for singles ranking: Louisiana Closed in New Orleans, BREC in Baton Rouge, Pel State in Alexandria, Shrimp & Petroleum Festival in Morgan City, Peach Festival in Ruston, and Greater Lafayette Championship in Lafayette. For doubles, adults are required to play in two of the above tournaments.

Tournament Record Sheets must be received by the Ranking Committee Chairman within 14 days after the last tournament, or player will forfeit his right to protest published rankings. These sheets are available at each tournament site or may be requested from the Ranking Chairman.

2. The ranking years will always correspond to the dates adopted by the USTA.

3. The major consideration for ranking will be direct wins and losses. A player must have a win over another Louisiana resident. The results of all Louisiana sanctioned tournaments shall apply toward ranking.

4. Exposure is important and will be measured by the number of good quality opponents that a person plays rather than just by participation in only the required tournaments for ranking. Example: Two players with fairly close records — the player with the longer record and more exposure will be ranked higher.

5. A player with an otherwise outstanding record, but not qualified as to number of tournaments will be recognized in insufficient data.

6. Rankings can be made in any age group from the number of tournaments available, if the number offered is less than the required number for ranking, i.e., only one 65 tournament held during year — those playing will be eligible for ranking in that division.

SPECIAL NOTE:

A change to a computerized ranking procedure is contemplated. If such a system is adopted for 1978 play, each LTA member will be advised via newsletter. Written instructions will be provided in ample time to acquaint you with the criteria.

Introducing The Enforcer.™

**Bancroft's new metal racket
that vibrates less than
Wilson's T-2000 or the Head Pro.**

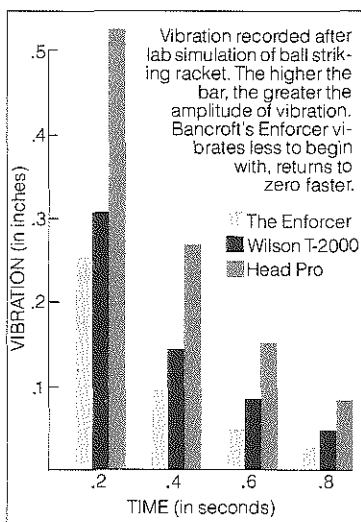

And most tennis players agreed that less vibration is important.

Every metal racket maker claims power with control. All well and good. If we couldn't deliver that, you can bet we wouldn't have made a metal racket in the first place.

But that's not where we stopped. We wanted to cut down on one important thing that certainly can't help your game: the constant racket vibration as the ball is hit.

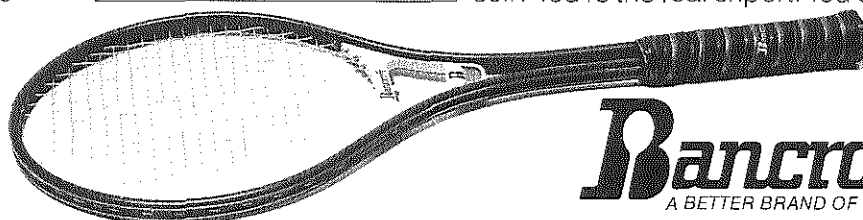

Once we accomplished this, we introduced the most thoroughly researched and engineered metal racket in Bancroft history. Appropriately, it's called The Enforcer. Designed inside out to help reduce vibration. Built with a long list of features like foam-core handle pallets. Thick string strips and large string holes to

dampen vibration. And the unique shape and placement of Bancroft's exclusive nylon-fiberglass torque-resistant yoke.

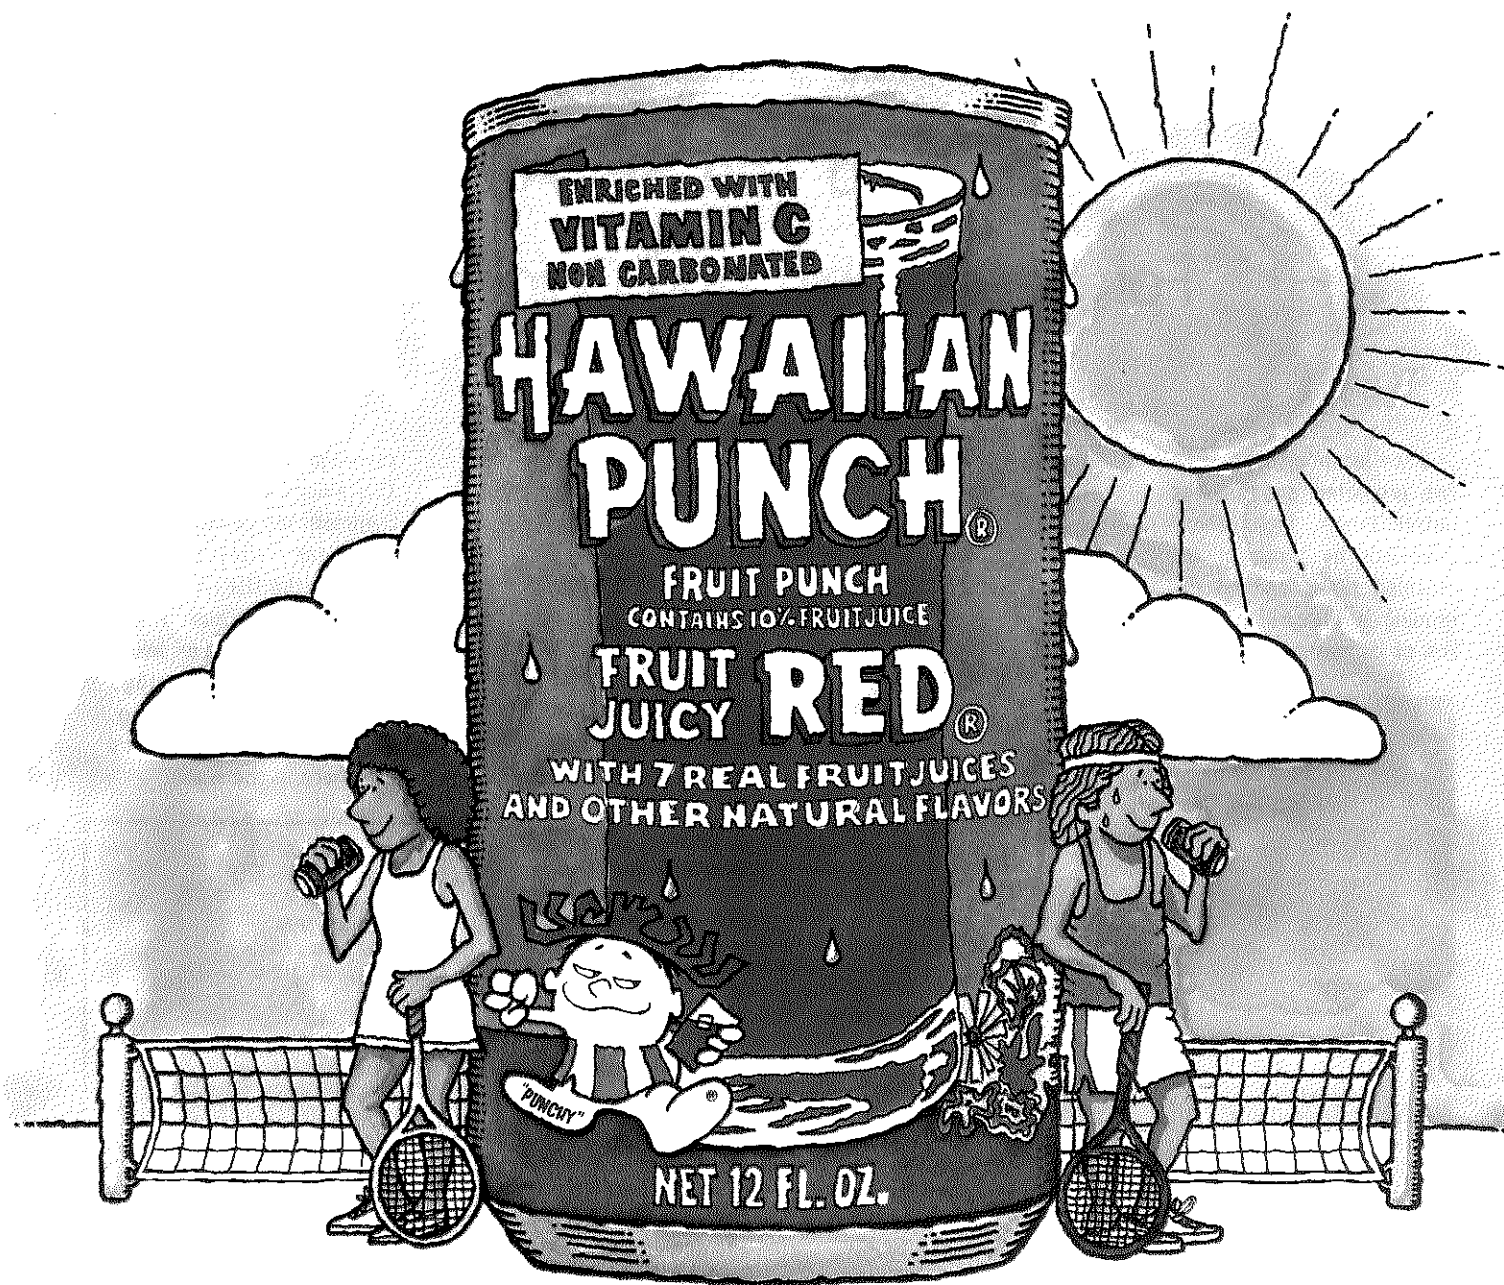

It's a racket that vibrates less than either Wilson's T-2000 or the Head Pro. Extensive lab tests proved The Enforcer transmits much less vibration because it absorbs much more shock. And consistently returns to zero vibration faster than the others.

We know that The Enforcer vibrates less. And when we tested the racket with seventy-two players, most of them noticed this difference and thought less vibration was important to them. Why don't you test The Enforcer yourself? You're the real expert. You decide.

In The South, People In Tennis Look To The SPTA For Leadership And Guidance

Since inception, the SPTA has promoted and inspired better tennis, high ethical standards by those in the teaching ranks and an upgrading in the professionalism of its members.

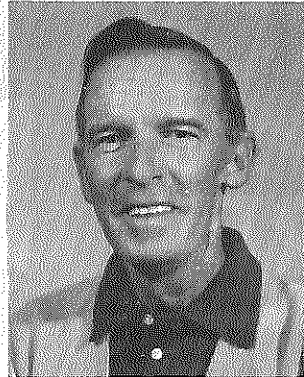

ROB DANNER
1977 SPTA PRESIDENT

No other regional organization anywhere has concerned itself with more dedication to proper counseling techniques, a favorable public image and the integrity of the tennis profession.

JOB PLACEMENT BUREAU

Employers of professionals are encouraged to use the SPTA's job placement service in soliciting applications for positions that need to be filled. Bulletins outlining job opportunities are mailed to SPTA members.

NEWTON COX
JOB BUREAU CHAIRMAN

Not only are members kept advised on available positions, the employers are assured of applications from the most qualified tennis professionals in the country.

TESTING AND CLASSIFICATION

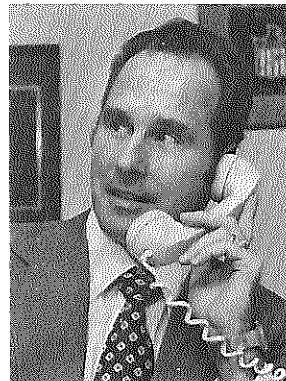

As the SPTA is dedicated to constantly upgrading the standards of tennis and the professionalism of its members, more attention is given to testing and classifying than almost any other aspect of association work. Testing is conducted under the auspices of the USPTA by rigidly screened tennis professionals. Ratings are included in the information on each member carried in the USPTA's directory published each year.

Dates and testing sites for the first SPTA membership testing classes are:

NORTH CAROLINA TENNIS ASSOCIATION, INC.

NORTH CAROLINA TENNIS ASSOCIATION TOURNAMENT AND RANKING REGULATIONS

1. To qualify for a 1978 ranking in North Carolina in his or her respective division, a player must compete in the below-stated number of tournaments:

Juniors: three (3) sanctioned tournaments in singles, two sanctioned tournaments in doubles (as a team) within North Carolina, one of which must be either the TAR HEEL QUALIFYING with qualifying rounds included, or the NORTH CAROLINA STATE JUNIOR CLOSED CHAMPIONSHIPS.

Adults: Men's and Women's - In singles, the North Carolina State Closed and one (1) other sanctioned tournament in North Carolina or three (3) sanctioned tournaments in North Carolina. In doubles, the North Carolina State Closed and one (1) other sanctioned tournament in North Carolina or three (3) sanctioned tournaments in North Carolina (as a team).

Senior: Men's and Women's 35, 40, 45, 50 and 55 — In singles and doubles, the North Carolina State Closed and one (1) other sanctioned tournament in North Carolina or two (2) sanctioned tournaments in North Carolina.

Men's 60, 65 and 70 — In singles and doubles only, the North Carolina State Closed.

Women's 60 — In singles and doubles only, the North Carolina State Closed.

Father and Son Doubles — The North Carolina State Closed is required.

Mixed Doubles — The North Carolina State Closed is required and one (1) other sanctioned tournament in North Carolina or two (2) sanctioned tournaments in North Carolina.

35, 40 Mixed Doubles — North Carolina State Closed is required.

2. The senior ranking year is from November 1 to October 31, and the ranking year for all other divisions is from October 1 to September 30. The ranking years shall always conform to the dates adopted by the USTA.

3. (a) Rankings shall be based solely upon the record of the players for the year under consideration. Results of head to head matches between 2 members of the same age group playing outside their division may count toward ranking, if and only if, the player sends these results to ranking chairman of their respective age divisions. Wins, losses, exposure, and comparative scores shall all be considered.

(b) A good "win" record is essential for a high ranking.

(c) The main consideration in determining rankings is the "win" and "lost" record (who you win from or lose to) — not how far you get in a tournament.

(d) Players are ranked on their actual record, not their "known" ability or the personal opinions of the ranking committee — the overall record will be considered, not the results of selected matches.

(e) A long and strong record even with some losses is preferred over a short record with comparable wins and fewer losses.

(f) Exposure is important and should be measured by the number of good quality opponents that a player plays rather than solely by the number of tournaments he plays.

(g) Comparative scores shall only be considered in otherwise even cases.

(h) The North Carolina Closed Championships will be considered on a scale of 1.5 in regard to other tournaments. USTA and STA championships held within our geographical limits will be given less weight than our State Tournament, but more weight than other North Carolina tournaments.

(i) Late season tournaments will be given more weight than early season tournaments, except in the case of State, Southern or USTA Championships.

4. The minimum tournament qualifications may be

waived in exceptional cases by a majority vote of the Management Committee upon the recommendation of the Ranking Committee Chairperson.

5. A player or team, with an otherwise outstanding record, but not qualified as to number of tournaments will be recognized in Insufficient Data. A "recognized or known player, or team, is not sufficient; the record must be outstanding with only the number of tournaments lacking."

6. A Class A category or numerical grouping may be used when considered appropriate by a ranking committee for giving recognition to players or teams that qualify for a ranking but did not receive specific numbers.

7. All players who desire to be considered for a ranking in North Carolina are urged to send in their record on the form adopted by the NCTA and the STA no later than September 1 (seniors by October 12) of each year. While sending in a record is not a condition precedent to receiving a ranking, those players who fail to send in their records shall have no right of protest in case he or she is either not ranked or ranked improperly.

8. Except where contrary to the above rules the USTA ranking rules will be applied.

9. The entry blank for each North Carolina State Closed Tournament shall contain certification substantially as follows:

I hereby certify that I am domiciled in and a resident of the State of North Carolina; that during the current ranking year I have not entered and do not intend to enter a closed sanctioned tournament of any other U.S.T.A. District (State) and that these certifications are made under penalty of disqualification by the Tournament Committee, or suspension, or denial ranking, or any other appropriate action by the N.C.T.A.

10. A. Entries to the Tar Heel Qualifying Tournament will be limited as follows:

1. Singles draw of 32 players
2. Automatic entries entered on basis of prior year's singles rankings #1-24 and #1-12 in age-ups.
3. Remainder of draw filled by results of qualifying round preceding tournament (lucky losers draw if number needed is more than the winners of that particular round)

B. Entries to the N.C. State Junior Closed will be unlimited with a Feed-In-Consolation beginning in the round of 32. Players must have won at least one match in a sanctioned tournament during current ranking year in the event entered.

11. Novice junior tournaments are for all otherwise qualified and eligible players, except players who were ranked #1-20 in any age group the previous year (Boys' and Girls' 10's excepted).

12. Adult "B" Circuit tournaments are for all otherwise qualified and eligible players, except players who have a current ranking #12-25 in singles or #1-15 in doubles in the event he wishes to enter in the tournament.

13. The following code will be used on draw sheets for defaulting and retiring from sanctioned tournaments:

DEF-I illness
DEF-W withdrew with proper prior notice before first match
DEF-J injury
DEF-N no reason - did not report for match
RET-I illness during match
RET-J injury during match
RET-N no reason during match
RET-D disqualification by tournament officials - game score at the time loser retires must be recorded

14. North Carolina requirements for junior players to qualify for play in the Southern Junior Closed Championships are:

To be considered a player must apply to the N.C. Selector. All who apply will be ranked for acceptance by the following guidelines: National, Southern and State rankings plus current season's play and most importantly, play in the Tar Heel Qualifying Tournament. Write to the N.C. Selector in early May for an entry blank.

15. Each year members of the North Carolina Junior Davis/Wightman Cup teams shall be selected in the following manner:

a. Top eight finishers in the Sixteen's and Eighteen's of the Tar Heel Junior Qualifying tournament shall qualify for consideration in their respective divisions.

b. Juniors not competing in Tar Heel Junior Qualifying Tournament because of extraordinary circumstances may qualify for consideration by submitting a written Request for Consideration to the selection committee, which in its discretion may accept or reject this Request.

c. Selection committee shall be composed of three (3) persons appointed by Junior Tennis Council Chairman.

d. Team members shall be selected in their respective age divisions by selection committee based upon players' records in sanctioned matches for the current ranking year through July 15.

e. Juniors shall submit their Players' Record for the current ranking year through July 15 to the selection committee.

16. The North Carolina entrants into Seventeen's Tennis Tournament of Champions sponsored by The Maureen Connelly Brinker Tennis Foundation, Inc., shall be determined exclusively on the basis of the North Carolina Junior Closed Fourteen's, Sixteen's, and Eighteen's and the North Carolina State "Twenty-One" Closed. In the event The North Carolina State "Twenty-One" Closed is not held, then the highest finishing junior aging out of the Eighteen's shall be the "Twenty-One" entrant.

JOHN NEWCOMBE is not a name at this Tennis Ranch. He is an owner, along with Clarence Mabry and Graeme Mozeley. These three tennis professionals have designed and developed the most up-to-date instructional program in the world. Programs cater for all levels of adults from the beginner to the advanced player. Juniors are in the position of being offered camps at Christmas, Easter, and during summer. Junior and Student Camps are of one or two week duration. Each year Newk's International Touring Teams of boys and girls are selected to represent Newk in overseas tournaments. John is proud of his ranch, the pros who assist him, and the children who represent him.
