37. The Board of Directors shall be composed of the President, the Executive Vice-President, all other Vice-Presidents, Secretary, Treasurer, Sectional Delegate to the USTA, a District Delegate from each District Association named by his District Association, four (4) Delegates-at-Large, each active Past President residing within the jurisdiction of the STA, and two (2) leading players selected in accordance with procedures established from time to time by the Board of Directors. The four (4) Delegates-at-Large shall be elected by the members at the annual meeting and shall serve, without compensation, subject to reelection, until the next annual meeting or until their successors are elected and qualified. The Board of Directors shall meet not less than twice a year at which meetings current matters involving the STA are to be reported on and discussed and the policies of the STA established. During all meetings of the Board of Directors, the voting strength of the Past Presidents shall not exceed the lower of the number of Past Presidents present or three (3). If, at any meeting, more than three (3) Past Presidents are present, the three (3) votes shall be prorated among those present. If a Past President is elected to some other office that would make him a member of the Board of Directors, then his vote on the Board of Directors will not be included in the voting strength of the Past Presidents. A quorum for the transaction of business by the Board of Directors shall not be less than one-half (1/2) of its members, exclusive of Past Presidents.

ARTICLE X - COMMITTEES

38. The STA shall have the following standing committees: Management Committee, Nominating Committee, Disciplinary Committee, Sanction & Schedule Committee, and Rankings Committee. It may have such other committees as may be appointed from time to time by the Management Committee or the President. All members of committees shall serve, as such, without compensation.

39. The affairs of the STA between meetings of the Board of Directors shall be managed by the Management Committee, whose members shall consist of the President, Executive Vice-President, all other Vice-Presidents, Secretary, Treasurer, and the Sectional Delegate to the USTA.

40. The Nominating Committee shall be composed of five (5) members, one of whom shall be the immediate Past President who shall serve as Chairman. The four (4) members of the Committee, other than the immediate Past President, shall be elected for a one (1) year term at the annual meeting of the members of the STA. In addition to the immediate Past President, two (2) members of the Nominating Committee must be members of the Board of Directors. No officer may be a member of the Nominating Committee and no two (2) members may be from the same District Association. No member may serve on the Nominating Committee more than four (4) consecutive years. Two (2) members of the Nominating Committee shall be nominated to serve for a second consecutive term. A vacancy for any cause on the Nominating Committee prior to the filing of its report shall be filled by the Management Committee by appointment of a person representing the same District Association as represented by the person unable to serve. The Nominating Committee shall make nominations for Officers, Sectional Delegates, Delegates-at-Large, and members of the Nominating Committee to be voted on at the next following annual meeting of the members of the STA. It shall file such nominations on or before October 1 of each year with the Secretary and the notice thereof shall be mailed to each District Association with the notice of the annual membership meeting. If, prior to the annual membership meeting, any person so nominated dies, becomes incapacitated, or declines to accept nomination, the vacancy in the nominations may be filled by the Nominating Committee and the name of such person as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly selected for such purpose by the Nominating Committee. In addition to nominations made by the Nominating Committee, nominations for Officers, Sectional Delegates, Delegates-at-Large, and for members of the Nominating Committee, may be made by petition executed by District Associations having an aggregate vote of not less than one-third (1/3) of the total voting membership, which petition must be filed with the Secretary of the STA on or before October 1 of each year. A notice of the names of such nominees and their proposers shall be mailed with the notice of the annual meeting. No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

41. The Disciplinary Committee shall be composed of three (3) persons named by the President

with the approval of the Management Committee and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional Member of the USTA, and the standards of conduct, fair play, and good sportsmanship. The Disciplinary Committee shall operate under the following rules and regulations:

(a) Whenever a written complaint is filed with the Chairman of the Disciplinary Committee, charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules, and regulations of the STA or of the USTA, or the standards of conduct, fair play, and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules, and regulations of the STA and USTA, then the Chairman shall have the power to fine such person in such amount, not in excess of \$1,000.00, and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Disciplinary Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.

(b) Within thirty (30) days after receipt of a written notice of the decision by the Chairman or Vice-Chairman of the Disciplinary Committee, the person penalized may appeal the decision by addressing a written request to the Chairman for a hearing before the Disciplinary Committee. Upon receipt of such a request, the Chairman of the Disciplinary Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary Committee shall promptly notify the person penalized of its decision.

(c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary Committee and have the Disciplinary Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

(d) Any appeal from a decision of the Disciplinary Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary Committee. The Management Committee shall not be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

(e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary Committee.

(f) All action of the STA Disciplinary Committee shall be reported to the USTA Disciplinary Committee and any other bodies or individuals deemed necessary by the Board of Directors.

42. The Sanction & Schedule Committee shall be composed of a Chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to members bidding therefor at the annual meeting. Tournaments shall actually be awarded by the membership. In between meetings of the Committee the Chairman shall be responsible for carrying out the functions of the Committee.

43. The Rankings Committee shall be composed of a Chairman and such other persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.

44. The President, in addition to being a member of the Board of Directors and the Management Committee, shall be an ex-officio member of all other committees, except the Nominating Committee. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to reelection or reappointment as the case may be, for a one-year term or until their successors are named.

45. The following shall constitute a quorum for the transaction of business for the following named committees: Management Committee - not less than two-thirds (2/3) of its members; Nominating Committee - not less than three-fifths (3/5) of its members; Disciplinary Committee - not less than two-thirds (2/3) of its members. A quorum for the transaction of business for any other committee shall be not less than one-third (1/3) of the members of such committee.

46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees by mail.

47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days' written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such

place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (1/2) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

48. Any action required or permitted to be taken at any meeting of any committee, other than the Disciplinary Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (2/3) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

ARTICLE XI - REIMBURSEMENT

49. The President may authorize the reasonable reimbursement of any individual necessarily incurring travel, housing, meals, office, mailing, telephone, or other expenses in connection with the business of the STA. All reimbursements shall be subject to review by the Board of Directors at the next ensuing meeting.

ARTICLE XII - OFFICES

50. The principal office of the STA shall be located in Atlanta, Georgia, or such other location as the Board of Directors may select. The STA may have additional offices at such other locations as the Board of Directors may from time to time determine.

ARTICLE XIII - AMENDMENTS

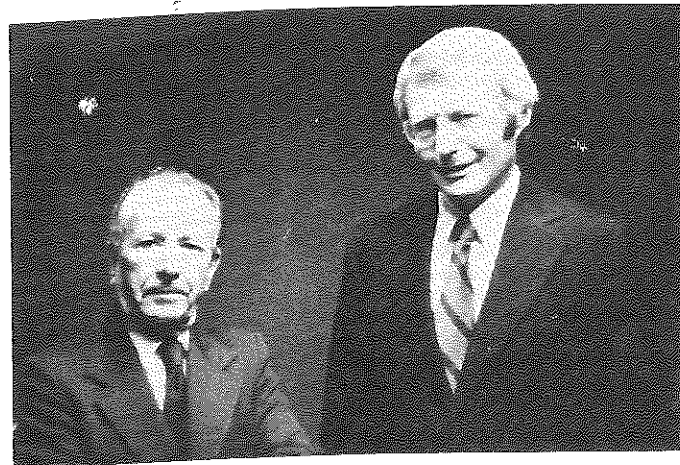

51. These By-Laws shall be subject to alteration, amendment, or repeal, and new By-Laws not inconsistent with any provision of the Articles of Incorporation may be made either by (1) the affirmative vote of the majority of the members provided notice of the proposed alteration, amendment, or repeal be included in the notice of such meetings of members; or (2) by the affirmative vote of a majority of the members of the Board of Directors present and voting at any meeting of the Board of Directors, provided notice of the proposed alteration, amendment, or repeal be included in the notice of such meeting of the Board of Directors, and provided further that no proposed alteration, amendment, or repeal of these By-Laws shall be adopted by the Board of Directors unless the proposing members of the STA shall have received no less than thirty (30) days' prior notice of the proposed alteration, amendment, or repeal; provided that any amendment to the By-Laws of the USTA posited alteration, amendment, or repeal, and voting power shall automatically effect an amendment to the corresponding section of these By-Laws. Any such change shall be subject to review at the next annual meeting of the membership.

ARTICLE XIV - FISCAL YEAR

52. Unless otherwise fixed by the Board of Directors, the fiscal year of the STA shall be the calendar year.

— SEPT. 14TH THRU 16TH

**RULES AND REGULATIONS
OF THE SOUTHERN TENNIS ASSOCIATION, INCORPORATED**

I. QUOTA SYSTEM FOR ENTRY TO SOUTHERN JUNIOR CLOSED CHAMPIONSHIPS

A. GENERAL. The draw in every age division of the Southern Junior Closed Championships can be limited to 64 players in singles, except Boys' 14, 16, and 18, where the draw may be 96 or 128. Each age division will include championship singles and doubles and feed-in consolation singles. To assure a fair distribution of entrants, each of the nine Districts (States) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of STA as reflected in latest available quarterly print-out (either Sept. or Dec.). In the event there are open places in the draw because a District does not fill its quota, the places may be filled by the Tournament Committee with the best players available based on rankings and current records.

B. DISTRICT SELECTORS. A District Selector has been appointed for each District to take applications for entry and to select the players from each District to fill the quota allotted in accordance with standards adapted by the District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate District Selector. The District Selector shall send the completed applications for entry, along with the list of selected players, to the Director of the Southern Junior Closed Championships at least 5 days prior to the announced beginning date of the tournament. II. GIRLS' INTERSECTIONAL TEAM

A. GENERAL. The STA annually selects a Girls' Intersectional Team to represent the STA at the USTA Girls' 18 Clay Court Championships, Memphis, TN; USTA Girls' Intersectional Team Matches; USTA Girls' 18 Nationals, Middlebury, CT; and Girls' International Chps., Philadelphia, PA. The STA makes arrangements for a team chaperone to travel with the team and helps pay a portion of the costs of the team. The team consists of five players, plus one alternate, who are competing in the 18 and under age division.

B. STA COMMITTEE. Selection of the team shall be made by the STA Girls' Intersectional Team Committee listed in the Yearbook under the heading of "STA Committees."

C. ELIGIBILITY. Any junior girl in the STA meeting the following requirements shall be eligible to apply for the Team:

1. Any girl having a singles ranking of 1-10 in the 1978 Girls' 18 STA rankings; or
2. Any girl having a singles ranking of 1-5 in the 1978 Girls' 16 STA rankings; or
3. Any member of the 1978 team who is still eligible for 18 and under competition in 1979; or
4. Any girl having recorded one (1) win since October 1, 1978, over any of the players eligible under the preceding three categories.
5. In the event that there is not a minimum of six junior girls eligible under the above requirements, then the STA Committee shall select additional players based on rankings and current records.

D. STANDARD FOR SELECTION. The standard for the selection of the team shall be over-all season's play in the Girls' 18 and under division. The Committee may require round-robin play or a play-off to obtain additional data for use in making the team selections. All team members selected must have qualified in a District Qualifying Tournament or the Southern Junior (Open or Closed) Championships for consideration. Team members who have qualified for consideration will be automatically endorsed. The eligibility requirements above set forth may not be waived, except by unanimous consent of all members of the Committee.

E. APPLICATION. Any STA junior girl interested in applying for the team and qualified to do so must notify the Girls' Intersectional Team Captain prior to the conclusion of the Southern Closed Championships.

III. STA BOYS' TEAM

A. GENERAL. The STA annually selects a Boys' Team to represent the STA on a portion of the USTA National Junior Circuit. The team consists of four (4) players in the 18 and under division and four (4) players in the 16 and under division.

The Boys' 18 Team will represent the STA in the Southern Open, USTA Clay Courts, the Western Championships, and the Nationals in that age division. The Boys' 16 Team will represent the STA in the Southern Open, the USTA Clay Courts, the Western Championships, and the Nationals in that age division. A part of the traveling expenses for the eight (8) boys will be paid by the STA.

B. STA COMMITTEE. The STA Boys' Team Committee is responsible for making the selection of the players on the Team and the Committee is shown in the Yearbook under the heading "STA Committees."

C. STANDARD FOR SELECTION. The Standard used by the Committee in making the Team Selections shall be 1978 rankings and current season's records. The Committee may require a round-robin or play-off among applicants.

IV. STA 21 JUNIOR DAVIS CUP TEAM

A. GENERAL. The STA annually selects the two (2) top 21 and under men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. A portion of the Team's expenses is paid by the STA.

B. APPLICATION. All players (male) 21 and under are eligible to apply for selection which will be based on 1978 rankings and current season's records. Applications should be obtained from and returned to the Chairman of the Southern Junior Davis Cup Team.

V. 1979 STA ENDORSEMENT PROCEDURE TO THE FOUR USTA NATIONAL JUNIOR CHAMPIONSHIPS:

USTA National Junior Indoor Championships (Thanksgiving)
USTA National Junior Hard Court Championships (early July)
USTA National Junior Clay Court Championships (late July)
The USTA National Junior Championships (August)

A. SECTIONAL QUOTA SYSTEM. Each of the seventeen (17) Sections of the USTA has an exact, guaranteed quota for every USTA National Junior Championships based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1978 the STA quotas were fifteen (15) in a draw of 128, eleven (11) in a draw of 96, and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over-quota alternates have a chance of being accepted into the main draw.

B. STA CRITERIA - CONSIDERATION FOR ENDORSEMENT. A junior player must have been a semi-finalist in singles or doubles in a designated District Tournament or in a Southern (Closed or Open) Junior Championship. This requirement can only be waived by the STA President and Chairman of the Junior Tennis Council. (Note: Meeting this minimum requirement for consideration does not guarantee endorsement, because there are thirty-six singles semi-finalists alone as the result of the nine District Tournaments and the guaranteed quotas are substantially lower.)

2. STA Endorsers will make ranked lists of those seeking endorsement based upon previous year's USTA and STA ranking and current year's record from October 1 through the latest results received. Due to scheduling, the Southern Closed Championships become an important tournament for those seeking STA endorsement to July National Championships. The Southern Open is used to revise the endorser's original list.

3. Official STA Endorser's list for each National Junior Championships will list all in-quota players in order, as well as all qualified alternates who have applied. In-quota players are guaranteed entry, but alternates must await the decision of the specific USTA National Junior Championship Tournament Committee. Acceptance or rejection can come within three (3) days of play.

C. APPLICATION PROCEDURE.

A. If you seek entry to any USTA Championship and feel that you will meet the STA minimum requirements (II-A above), write the appropriate Endorser (page 4 — this book) early, indicating the tournament(s).

B. You may or may not receive an entry blank in response to this request. The Endorser usually receives double the STA quota. Those whose prior year's rankings, on record since October 1, indicate they will likely be in-quota, will receive entry blanks promptly. Others, where there is doubt, may have to wait until later — maybe even receive them at the Southern Junior Closed from the Endorser or a representative.

D. ENTRY PROCEDURE.

1. When you receive an entry blank to any USTA Championships, it will also include:

- a. Player Record Forms — complete it with every sanctioned singles match in Division (age group) played since October 1. Same with Doubles with same partner in this USTA Championships.
- b. Letter from Endorser advising absolute deadline for returning completed Entry Blank, entry fees, and Player Record Forms to the Endorser. (Never send these items to the USTA Chps. or to the STA Office - this is DIFFERENT from 1978.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in-quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection).

3. If you are in-quota and must withdraw, advise the USTA Chp. immediately so it can admit the next STA over-quota player to fill your place in the draws. Failure to do this could bring disciplinary action.

4. The USTA National Indoor Junior Chps. in this calendar year is in the next ranking year. If you age-up October 1, you must contact a different Endorser. Since that Endorser will not know your record, it is important that you send your entire Player Record Forms for the year (which ended September 30) when you request Entry Blanks to the Indoors.

E. GENERAL. The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

VI. RANKING REGULATIONS

A. GENERAL - APPLICABLE TO ALL AGE CATEGORIES

1. Records. Players who do not send in their records shall lose the right to appeal their rankings; however, all players are requested to send in their records to the appropriate Committee Chairman

RULES AND REGULATIONS OF THE SOUTHERN TENNIS ASSOCIATION, INCORPORATED (Cont'd.)

prior to the published deadline date. A form to be used for this purpose is on page 17 of this Yearbook. Additional forms are available from District Secretaries. The STA Ranking Chairmen receive only results of STA tournaments and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary Committee and may result in that player being eliminated from the rankings for that year.

2. Sanctioned Events. Only results of sanctioned events will be considered for ranking purposes.

3. Membership. All players must have a current Adult, Junior, Family, Life, or Honorary Membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Office, and from each District Enrollment Chairman.

4. Ranking Year. The Ranking Year for all age divisions shall be the same as adopted annually by the USTA. See page 15 for 1979 eligibility.

5. Waiver of Minimum Requirements. The minimum requirements for consideration may be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.

6. Insufficient Data. A player or team with an otherwise outstanding record, but not playing in the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player or team is not sufficient; the record must be outstanding, with only the number of tournaments lacking.

7. Class A. A "Class A" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players will be listed alphabetically.

8. Ranking Appeals. Tentative rankings will be published in the official publication of the STA during November of each year whenever possible, and will always be published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in December. All players shall have the right to appeal a tentative ranking by written notification to the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Review Board within ten (10) days after receipt of the official publication or immediately prior to the Meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings by sending in their complete records with all results for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or to object, by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Review Board in person, provided that the written notice of appeal includes a notice that the player intends to so appear. The determination of rankings by the Ranking Review Board shall be final, except as to appeals that may be referred to the Annual Meeting for decision. (Note: The official publication is mailed to all member organizations of the STA and to individual members of the Southern Tennis Patrons Foundation.)

B. ADULT.

1. Minimum Requirement. The minimum number of tournaments required prior to consideration for a ranking for each age division is as follows:

- a. Men's Singles - One (1) Southern Championship (Open, Closed, or Hard Court) and three (3) other Southern tournaments.
- b. Women's Singles - One (1) Southern Championship (Open, Closed, or Hard Court) and two (2) other Southern tournaments.
- c. Men's and Women's Collegiate Singles and Doubles - One (1) Southern Collegiate Championship and two (2) other collegiate tournaments and be enrolled in a college located in one of the nine states of the STA.
- d. Men's and Women's Doubles - One (1) Southern Championship (Open, Closed, or Hard Court) and two (2) other Southern tournaments.
- e. All other divisions - One (1) Southern Championship (Open, Closed, Hard Court, or Indoor) and one (1) other Southern tournament.

f. Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's Collegiate singles and doubles, Men's and Women's 21 singles and doubles, Men's and Women's 35, 40, 45, 50, 55, 60, 65, 70, 75 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles, 35 Mixed doubles.

2. Ranking Standards. A player or team shall be ranked on the basis of play during the entire ranking year under consideration. In order to be ranked, a player or a team must win a sufficient number of matches in the opinion of the Ranking Committee to justify a Southern Ranking.

B. JUNIOR

1. The minimum number of tournaments required prior to consideration for Boys' and Girls' 18-12 singles and doubles (STA does not rank Boys' and Girls' 10 Division) is one (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section, including any USTA National Championship.

2. Ranking Standards.

a. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. For ranking purposes, all other things being equal, match results of tournaments shall be considered in relative importance as follows:

Southern Closed Championships
Southern Open Championships
USTA National Championships
USTA Clay Court, Hard Court, Indoor, etc.
Other Sectional Championships
Sugar Bowl, Orange Bowl, etc.
State Qualifying and Closed
Other Sanctioned Southern Tournaments after June 1, 1979
Other Sanctioned Southern Tournaments, January 1 - May 31, 1979
Other Sanctioned Southern Tournaments, October 1 - December 31, 1978

Ranking Chairmen may give additional weight to certain other tournaments based on the number and quality of ranked players participating. A player or team must win at least one (1) match to qualify for a ranking.

b. Direct wins of any one player over another will receive greater credit than any other data. Indirect wins and losses in the same tournament will be considered. Out-of-Section or Out-of-Division results will be considered, if the information is sent to the Ranking Chairman. Head-to-head results in sanctioned team or interscholastic matches will be considered. Comparative scores will be used only in otherwise equal cases. Only results of sanctioned events will be considered for ranking purposes.

c. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late-season tournaments, after earning a good early-season record, may be considered detrimental to ranking.

d. When a player retires from a match, it is a loss. However, if the retirement is due to an injury verified by the Tournament Director, this loss may be given a reduced weighting, depending on the nature of the injury and the score at the time of the injury. Defaults, after the tournament has started, count as a loss for the player defaulting, but do not count as a win for the player winning by default.

VII. TOURNAMENT RULES AND REGULATIONS

A. RULES

1. The Rules of Lawn Tennis. USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current USTA Yearbook, "A Friend in Court," and "The Code," (the official USTA publication for the conduct of all matches played without on-court officials, an abbreviated copy of which is reprinted in the Yearbook on page 15). These publications are available from USTA Publications, 729 Alexander Rd., Princeton, N.J. 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of these publications, particularly "The Code." An abbreviated version of certain key parts of "The Code" are reprinted on page 15 of this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.

3. Disciplinary Rules and Procedures. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By-Laws of the USTA, the STA, and all Districts thereof, and the Disciplinary Rules and Procedures therein contained.

B. STA TOURNAMENT REGULATIONS

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.

2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute, to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members, so that, in the event some person in one member's family is involved in disciplinary action, the rest of the committee will have the power to act.

3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules set forth below governing Conduct of Players and Spectators.

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- a. Prepare draw sheets in accordance with regulations. The making of the draw must ALWAYS be done where interested persons can watch its preparation. UNDER NO CIRCUMSTANCES WILL ANY DRAW BE DONE SECRETLY AND BEHIND CLOSED DOORS.

RULES AND REGULATIONS OF THE SOUTHERN TENNIS ASSOCIATION, INCORPORATED (Cont'd.)

- b. Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the Committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- c. Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.)
- d. See that no person is permitted to play his first round match in any event unless he or she presents a CURRENT USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The Committee is responsible for making necessary arrangements for handling membership enrollments during the tournament.
- The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it.
- The USTA card number, or the word "APPL" (if the player has not received his number or, enrolls at tournament) MUST BE ENTERED ON THE DRAW SHEETS.
- e. Prepare a complete schedule, post it, and maintain it throughout the tournament. MATCHES MAY NOT BE POSTPONED OR DELAYED TO FAVOR ANY PLAYER.
- f. All players shall be limited to three events. No player will be forced to play more than two singles matches in one day; nor should he be scheduled to play more than one round in each event in which he entered, unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his age group is causing delay, that player may be defaulted from that division.
- g. It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of his match, as to the time of his next match. In the event of rain, the Tournament Director must advise players as to a probable re-starting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- h. Boys' and Girls' matches should ALWAYS be scheduled so that a player will compete in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 ARE NOT ALLOWED a rest period after the second set of a three-set match, and THIS RULE CANNOT BE WAIVED BY ANYONE.
- i. Rules regarding rest periods after the second set of a three-set match, and THIS RULE CANNOT BE WAIVED BY ANYONE. These monitors can watch for trouble-spots and can, by their presence, sometimes solve problems immediately.
- j. Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events.
5. The ENTRY BLANKS for sanctioned tournaments shall include the following information:
- A statement that the tournament has been sanctioned by the USTA and STA.
 - The name of the Chairman of the Tournament Committee, the name of the Tournament Referee, and the names of the members of the Tournament Committee.
 - The maximum size of the draw in each event, the number and kinds of courts to be used, and whether day and/or night play is planned.
 - A statement, in bold letters and underlined as follows:

A XEROX COPY (WHICH WILL BE RETURNED TO YOU WHEN YOU REPORT AT THE TOURNAMENT) OF YOUR CURRENT USTA MEMBERSHIP, OR RENEWAL CHECK, OR AN APPLICATION RECEIPT NOT MORE THAN 90 DAYS OLD, MUST BE ATTACHED TO YOUR ENTRY BLANK. OTHERWISE, YOU WILL BE REQUIRED TO ENROLL AT THE TOURNAMENT BEFORE YOUR FIRST MATCH.

6. CONDUCT OF PLAYERS AND SPECTATORS
- The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend, or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and THEY WILL NOT BE TOLERATED:
- No loud, abusive, or profane language, and no racket-throwing or slamming balls shall be allowed. . . . Not even momentary "rest," other than the normal toweling-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example). (Quoted from Rules in USTA Yearbook.) The rules allow one (1) minute for toweling-off, drinking water, etc., during change of courts on odd games. This DOES NOT permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. PLAYERS MUST TAKE CARE AT ALL TIMES NOT TO INTERRUPT PLAY OR TO DISTRACT OPPONENT IN ANY WAY.
 - No player or players will make a comedy of a match, whether they be winning or losing.
 - Spectators are expected to observe good manners at all times. They will NOT be permitted to COACH, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
 - Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so UNLESS ASKED BY AN OFFICIAL OF THE TOURNAMENT to serve as a line umpire. If ANY PLAYER desires assistance in officiating his match, HE should make the request to the Tournament Director or Referee; this can be done either before or during the match. This is "The Golden Rule" of tennis. I. EVERY PLAYER IS EXPECTED TO CALL BALLS ON HIS SIDE AS HE WOULD EXPECT HIS BALLS TO BE CALLED BY HIS OPPONENT ON THE OTHER SIDE. This is "The Golden Rule" of tennis. Avoid any ball falling on any part of a line is good, and calling such a ball "out" is cheating! Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late" calls. A player suspected of cheating should be reported to a member of the Tournament Committee who would send A RESPONSIBLE OBSERVER to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice WILL RESULT IN HIS BEING DEFAULTED IN THAT MATCH AND REMOVED FROM ALL OTHER EVENTS IN WHICH HE IS ENTERED IN THAT TOURNAMENT. A full report will be submitted to the player's Sectional Association for any further disciplinary action deemed suitable.
 - In the matter of calling "lets," good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When ANYTHING distracts a player, such as a ball from another court rolling onto the court area (including the backstop), an immediate "let" call must be made promptly, before either an opponent has a chance to hit the return or before a return has gone out of play.
 - Positively no gambling, drinking, or other misconduct (either on or off the court), will be tolerated.
 - Any alleged violations of the above, which are brought to the attention of the Referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above, and upon verification, the player and/or spectator so involved will be given one warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.
- ANY FLAGRANT VIOLATIONS OF THESE REGULATIONS OR RULES OF CONDUCT BROUGHT TO THE ATTENTION OF THE STA DISCIPLINARY COMMITTEE MAY RESULT IN THE WITHDRAWAL OF SANCTION FROM THE CLUB OR ASSOCIATION IN QUESTION, OR IN SEASONAL DISQUALIFICATION OF A PLAYER INVOLVED IN ANY MISDEMEANOR.
7. The USTA Guide for application of the Point Penalty System to specific instances is as follows:
- DELAY in resuming play at changeover, and DELAY by toweling at times other than the changeover: 1st, warning; 2nd, one point; any subsequent, 4 points each, or DEFAULT.
 - PROLONGING argument over a decision after BEING DIRECTED (which constitutes a warning) to resume play: one point; any subsequent, 4 points each, or default.
 - DELAY after end of warm-up time: one point.
 - PROFANITY/OBSCENITY, audible/visible (if not directed at anyone): 1st, warning; 2nd, one point; any subsequent, one game each. (If directed at anyone): 1st, one point; 2nd, four points; 3rd, default.
 - VERBAL/PHYSICAL ABUSE - Same as above.
 - MINOR unsportsmanlike acts (knocking a ball out, throwing racquet but not near anyone): 1st, warning; any subsequent, one point each.
 - MAJOR unsportsmanlike acts (projecting a ball or racquet at or near anyone): 1st, two points; 2nd, four; 3rd, DEFAULT. (Does not rule out liability to outright default.)
 - LATE FOR MATCH (opponent and court being ready): one game for each 5 minutes or fraction thereof.
 - NO APPEAL from a point(s) penalty may be made until after a third penalty has been called by the Chair Umpire.

"THE CODE" ABBREVIATED

The guidelines outlined below are from "The Code," written by Nick Powel. The Code has been adopted by the USTA as the unwritten rules and court etiquette for all NON-OFFICIATED matches. In abbreviated form, with reference paragraphs indicated in parentheses, they are as follows:

- WHEN IN DOUBT as to whether a ball is out or good, the call is **always** made in favor of your opponent; you should **NOT** play a let. Any ball which cannot be called out with surety is good. (#3,17)
- OTHER LINE CALL PROCEDURES:
 - Call all balls on your side of the net. (#7,15)
 - Help your opponent on calls, **when requested**. (#9)
 - Call against yourself any balls clearly out. (#7-8,32)
 - Never question your opponent's call. (#9)
 - Ask opponent's opinion if he or she is in better position to make call. When opinion is given, it must be accepted. (#9)
 - DO NOT** enlist the aid of spectators to make line calls. (#6)
 - Make all calls instantly. Don't violate the "two chance" rule. (#10-13)
 - First service** is called by receiver or his partner only. On second service, if either the **server or his partner** clearly sees a fault, he is **obligated** to make the call. (#7,32)
 - If you call a ball out and then realize it was good, you should:
 - Play the point over if you returned the ball to your opponent's court; or
 - Score the point in favor of your opponent if you failed to return the ball. (#18)
- Unless ground rules are established before play is started, if you catch a ball in the air that would otherwise be out, the point is scored for your opponent. (#9,2)
- Returning a serve that is **OBVIOUSLY** a fault in order to catch your opponent napping is cheating. However, IF receiver returns a service he honestly believes is good (possibly trying to give server the benefit of any doubt), server is not entitled to refuse to play the point on the grounds he (the server) thought the ball was out. (#24)
- FOOT FAULT.** Recent USTA rule interpretations allow receiver(s) to call **FLAGRANT** foot fault violations. If your opponent **FLAGRANTLY** foot faults, you should: First, **POLITELY** advise him of this and ask that the problem be corrected; second, request that someone serve as foot fault judge; third, if no one is available to serve as foot fault judge, call the faults **yourself**. (#25,26)
- Minimize talking while the ball is in play. Once either you or your partner has hit the ball, say nothing until an opponent has hit it. (#28)
- Movement. A player, other than server, may feint with his body and move where he wishes even during the service toss, but he may not wave his arms or racquet or talk to create a distraction. (#29)
- Do not go behind another court to retrieve balls. When returning a ball, hit it to the server, preferably with a bounce. (#30)
- You must play with the equipment you have at courtside (continuous play rule). (#31)
- On calls involving a ball touching a player, a player touching the net, a player touching his opponent's court or hitting an opponent's return before it has passed the net, a carry, or a double-bounce — the prerogative of decision rests with the player involved. The prerogative of decision on calling a double-hit rests with the striker's opponent. (#33,33.1,33.2,33.3)
- In tournaments, the pre-match warm-up should not last over five minutes. Service practice must be completed **BY ALL PLAYERS** before the match begins and is **NOT** to be taken just before a player serves for the first time (continuous play rule). A player should not practice **service returns** while another player is practicing his serve. (#34)
- Receiver should not attempt to return a service during the game, unless he and his partner are ready. If the receiver attempts to return service, he is presumed ready and cannot subsequently claim he was not ready. (#35,36,38)
- Server should announce game score of the set prior to serving the first point. He should then announce the point score prior to serving each subsequent point during the game. (#40,1)
- If there is an unresolvable disagreement over the score, spin a racquet. The score becomes whatever the **winner of the spin said was the score**. This procedure is used whether it be a disagreement over the score within a game or over the game score within a set **and is only used after all other efforts to resolve the disagreement over the score have failed**. (#40)
- If opponent repeatedly violates the rules, request an umpire. (#21)

INVESTMENT-WISE OR PLAY-WISE, THE WISE CHOICE IS LEE FAST-DRY TENNIS COURT SURFACING

PLAYERS prefer it because it helps their footwork, rests their eyes, for longer sessions of exhilarating play without fatigue. Also it dries fast, is ready for play sooner after rain.

PLANNERS select it as a shrewd long-term investment, proven to be renewable indefinitely, for more hours and years of use per construction dollar.

Get the facts from our color brochure, with diagrams to help plan construction, maintenance. Yours for the asking.

Wilson® The Best Playing Ball In Tennis

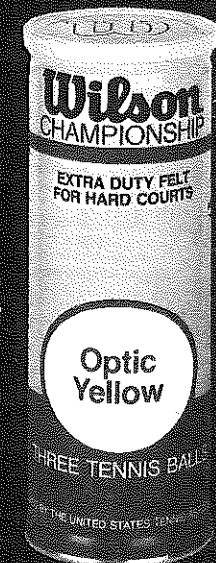

We asked over 500 nationally ranked USTA tennis players which ball they thought was best and overwhelmingly they said, "Wilson." In fact, they selected the Wilson Championship ball over all other balls combined!

It's the only ball you'll find played at the U.S. Open at Flushing Meadows and all other USTA National Championships.

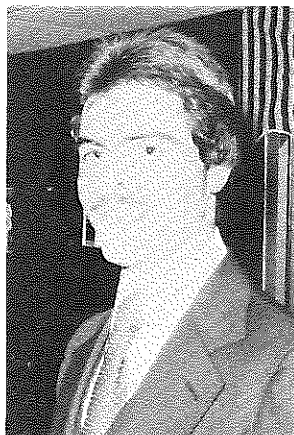

For playability, durability, and bounce! The best players in tennis say that Wilson is the best playing ball in tennis.

Wilson. We're not number one for nothing.

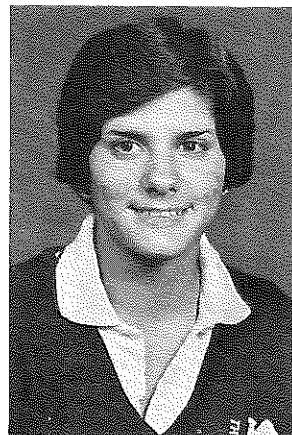

Wilson is a registered trademark that distinguishes the fine products of the Wilson Sporting Goods Co.

GEORGIA TENNIS ASSOCIATION, INCORPORATED

1979 GEORGIA RANKING REQUIREMENTS AND REGULATIONS

1. In order to be considered for a Georgia ranking in his or her
respective division, a player must be a legal resident of
Georgia and must compete in the required number of tour-
naments.

2. A. Junior Ranking Requirements

1. Singles
a. Play in two state tournaments (Georgia Qualifying,
Georgia Open, Georgia Closed), OR
b. Play in one state tournament plus two other sanc-
tioned tournaments in the state, excluding the spring and fall
junior circuits.

2. Doubles - Play in one state tournament and one other
sanctioned tournament in Georgia.

B. Adult Ranking Requirements

1. Men's, Women's, Men's 35, Women's 35, Men's 45,
and Mixed Doubles: Play in one state championship and one
other sanctioned tournament in Georgia OR play in three sanc-
tioned tournaments in the state (excluding closed club events).

2. Women's 40, Men's 40, Women's 45, Men's 50,
Men's 55, Men's 60, Men's 65, Men's 70, Mixed 35 Doubles,
Mother/Daughter, Father/Son, Husband/Wife: Play in one
state championship OR two sanctioned tournaments within the
state (excluding closed club events).

3. Senior Ranking year will be from November 1 to October
31. The ranking year for all other divisions is from October 1 to
September 30. Note: The ranking year for all divisions will cor-
respond to the dates adopted by the USTA.

4. Importance of adult tournaments will be:

A. Georgia State Open
B. Matches between Georgia players in National and Sec-
tional events.
C. Other Georgia state championships based on strength
of field.

5. All players are urged to send in complete and accurate
tournament record information to the appropriate ranking chair-
man. The deadline is September 10, 1979 for juniors and
November 1, 1979 for adults. These deadlines will be en-
forced!! Sending in these records does not guarantee a rank-
ing. Players who do not comply with this request will have no
right of appeal in the event they do not agree with the ranking
assigned, if they are omitted, or if some tournament results are
not considered. Players submitting records that are incomplete
or that contain incorrect results will automatically lose their
right of appeal for a Georgia ranking. Records should contain
results of all sanctioned matches played during the ranking
year (including the spring and fall circuits for juniors).

6. The major consideration for ranking will be direct wins and
losses. A player must have a win over another Georgia resi-
dent. The results of all sanctioned tournaments will apply
toward ranking.

7. A direct win outside the State of Georgia between Georgia
players will be considered. Players are responsible for report-
ing out of state results to their ranking chairman.

8. Exposure is important and will be measured by the number
of good quality opponents that a person plays rather than just
by participation in only the required number of tournaments for
ranking, e.g. if there are two players with fairly close records,
the player with the longer record and more exposure will be
ranked higher.

9. A player with an outstanding record but not qualified as to
number of tournaments will be recognized in Insufficient Data.

10. Defaults, Retirements, Withdrawals

A. Defaults (when a player can't begin a match)
Any player defaulting in any tournament, including
consolation events, loses the right of using that tournament as
a basis for qualification for the GTA ranking requirements. The
default will count as a direct loss! Wins and losses to date in
this tournament will be retained and counted.

In the event of a default due to illness or injury, the
tournament director must certify that the default was excused
in order for this tournament to be retained for the ranking re-
quirements.

B. Retirements (when play is discontinued during a
match)

In the event of injury or illness during a match, the
tournament director/referee can certify that the individual is
unable to continue play. Only play which is discontinued under
the above conditions is subject to this excused retirement
clause and excused retirement will allow the tournament to still
count toward qualification for a GTA ranking. Retirement in any
event will count as a direct loss.

C. Withdrawal (when a player drops out of a tournament
after the draw has been made but prior to the tournament's
beginning)

A player may not withdraw from a tournament after the
draw has been made. Individuals violating this rule will receive

a default which will count as a direct loss. Valid withdrawals
may be recognized under special conditions prior to the begin-
ning of the tournament with the director's approval.

D. Individuals having one default will automatically be
dropped one (1) position in the final year's rankings. In-
dividuals having a second default will be dropped three (3)
more positions, or a total of four (4) positions. Individuals with
three defaults on their record will not be ranked.

1979 KENTUCKY RANKING REGULATIONS

ADULTS:
1. In order to be considered for a Kentucky ranking, a player must be a legal resident of Kentucky and must compete in the required number of sanctioned tournaments.
2. To be eligible for a singles ranking in a given age group, a player must play in either: (a) Kentucky State Closed Championship plus one other KTA sanctioned tournament or (b) any three (3) KTA sanctioned tournaments. To be eligible for a doubles ranking in a given age group, a doubles team must play in any two (2) KTA sanctioned tournaments.
3. Importance of adult tournaments will be: A. Kentucky State Closed; B. Kentucky State Adult Indoor; C. All other sanctioned tournaments will have equal weight.
4. All players are urged to send in their record on the form adopted by the KTA and the STA no later than October 12 to the appropriate ranking chairman. While sending in a record is not a condition precedent to receiving a ranking those players who fail to send in their record **shall have no right of protest** in case he or she is either not ranked or ranked improperly. Tentative rankings published in the October issue of the KTA newsletter will be reviewed and finalized by November 15.
5. Rankings shall be based solely upon the record of the players for the year under consideration. Results of head to head matches between two members of the same age group playing outside their District may count toward ranking, if and only if, the player sends these results to the ranking chairman. Wins, losses, exposure, and comparative scores shall all be considered.
6. A good "win" record is essential for a high ranking.
7. The main consideration in determining rankings is the "win" and "lost" record (who you win from or lose to) — not how far you get in a tournament.
8. Players are ranked on their actual record, not their "known" ability or the personal opinions of the ranking committee — the overall record will be considered, not the results of selected matches. It is to a player's advantage to play quality opponents and tournaments. Also the more tournaments played, the better the chances of playing a quality opponent and thus a higher ranking.
9. A long and strong record even with some losses is preferred over a short record with comparable wins and fewer losses.
10. Exposure is important and should be measured by the number of good quality opponents that a player plays rather than solely by the number of tournaments he plays.

JUNIORS:
To be eligible for ranking in a given age group, a player or doubles team (girls and boys, eighteen through twelve) must win at least two (2) matches and play in at least three (3) KTA-sanctioned tournaments as follows: either (a) Creason Qualifying plus State Closed Championship plus one summer tournament or (b) Qualifying OR State Closed plus two summer tournaments.
Results of only summer tournaments will be used for ranking. "Summer" tournaments are those held during the time beginning with the Qualifying and ending with the State Closed Championships.

HOW MANY WAYS CAN THE SPTA IMPROVE YOUR TENNIS PROFESSIONALISM? YOU COUNT 'EM!

During the past several years, the growth of the SPTA has been truly spectacular. This can be attributed to a number of favorable factors but mostly to the fact that the SPTA provides a need to the tennis teaching professionals.

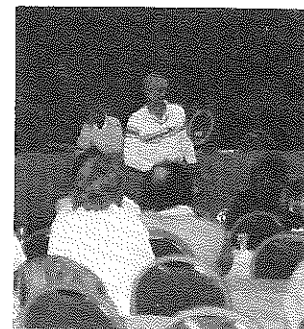

To sustain this growth pattern, the SPTA's Board of Officers feel in 1979 their association will be offering the best package of membership services and benefits in the organization's history. They include: ■ Membership in the United States Professional Tennis Association. ■ A million dollar liability insurance program for tennis liability. ■ Invitations to participate in national and SPTA prize money tournaments. ■ The opportunity to attend a national convention with a great program of seminars, clinics, tournaments and social events. ■ Subscriptions to Tennis Magazine, ADDvantage and the USPTA and SPTA monthly newsletters, all informative and each containing invaluable information for the tennis professional. ■ Listings in the USPTA's Annual Directory,

your membership ranking and SPTA affiliation. ■ A membership certificate showing you belong to a professional tennis association. ■ In addition, there is the opportunity for national recognition through a variety of awards and citations identifying your

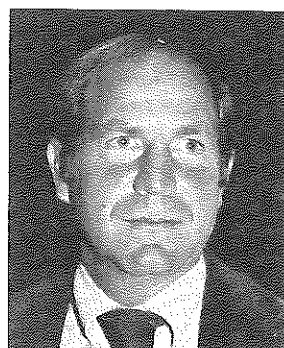

SPTA Board of Officers

expertise in the teaching field. But most important of all membership in the SPTA means you have a national and divisional group behind you, stressing your professionalism and ethical standards, promoting your services and available to assist you with your problems and needs. If you are serious about making tennis teaching your career, call or write: Robert Danner Jr., President SPTA, 4602 Oxford Circle, Macon, Georgia 31210 Telephone (912) 477-6701.

Looking for some family fun? It all adds up to Six Flags.

The fun's just begun. With one-of-a-kind thrills like the only triple loop ride in the United States.

1

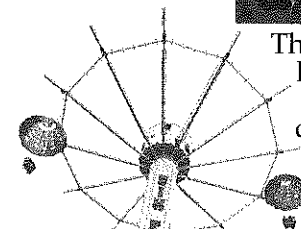

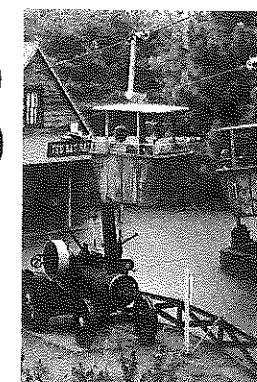

2

Little folks have lots to do. Kiddie rides. Mini trains. And furry friends to name a few.

3

They'll scream for more. From unique rides like the only parachute drop in the Southeast to over 100 other exciting adventures.

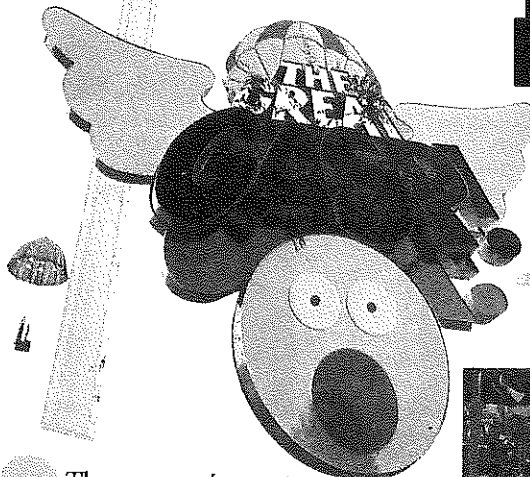

4

There's so much to see. Soaring in the skylifts across 276 beautiful acres.

5

Bring 'em alive. With gold rush dreams and roller coaster screams.

The scenery's great. At Six Flags the bloomin' fun never ends.

8

Watch the animal tricks. Dolly and Daphy cause quite a splash. Then wind down to the Crystal Pistol where they'll

7

wind up with a musical show.

10

They'll want to come again. So don't miss a chance to treat your family to good times like they've never had and good times they won't find anywhere else. We're open day and night from May through Labor Day. And week-ends in the early spring and late fall. (Gates open at 10:00 A.M. For closing times please call 404-948-9290.)

Time to dine. With delicious places for hungry faces.

1979 RANKING REGULATIONS

1. A player must be a bona fide legal resident of the State of Louisiana prior to the starting date of the tournament and be physically residing in the State at that time. Students attending Louisiana colleges meet this requirement.
2. The ranking year will always correspond to the dates adopted by the USTA.
3. The major consideration for ranking will be direct wins and losses. A player must have a win over another Louisiana resident. The results of all Louisiana sanctioned tournaments shall apply toward ranking.
- Out-of-state play in USTA sanctioned tournaments between Louisiana residents will be considered in the ranking process. However, it is the responsibility of the players involved to see that the data is made available to the ranking committee prior to the date tentative rankings are issued.
4. Other than to report out-of-state play (see #3), Tournament Record Sheets will **no longer be necessary** to insure consideration for ranking or guarantee your right to protest published rankings.
5. Other ranking considerations—Rankings shall be based solely upon the record of the players for the year under consideration and not upon the personal opinions of the ranking committee. Wins, losses, exposure, and comparative scores shall all be considered. Exposure is important and will be measured by the number of good quality opponents that a person plays rather than just by participation in only the required tournaments for ranking. Example: Two players with fairly close records—the player with the longer record and more exposure will be ranked higher.
- An Insufficient Data category shall be used for those players with an outstanding record, but who do not meet the minimum

ranking requirements in items #7 and #8.

6. Only matches using conventional scoring (which may include the use of the tie-breaker and no-ad scoring), and are at least two out of three sets in length will be considered for rankings.

7. Juniors (Singles 12 - 18) must play in at least 3 sanctioned Louisiana tournaments, 2 of which must be from the following: Louisiana Qualifying (Lafayette and Shreveport), BREC (Baton Rouge), Querbes Jr. Closed State Championship (Shreveport), Morgan City Jr. Championship, La. State Closed (New Orleans), and 1 must be played outside of his or her region. See map for region designations.

Doubles: Juniors must play 2 of the above tournaments, 1 of which must be out of his or her region.

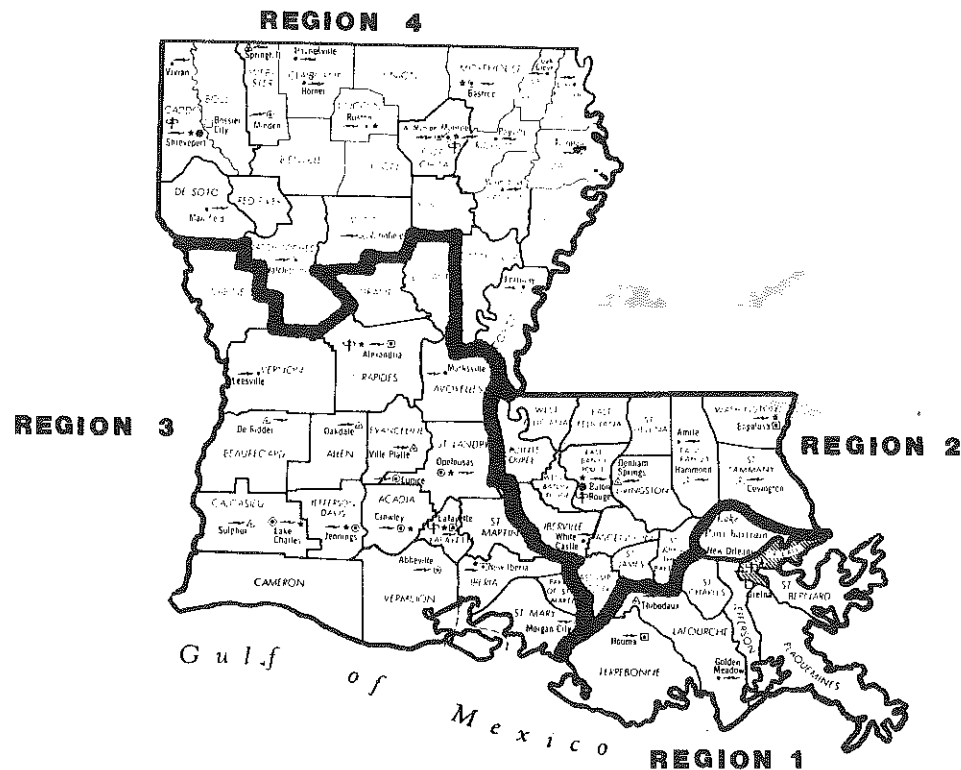

8. Adults (Singles) must play in 3 Louisiana sanctioned tournaments, 1 of which must be played outside of his or her region. See map for region designations.

Doubles: Adults must play 2 sanctioned tournaments, 1 of which must be out of his or her region.

9. Exceptions — 10 and under, 21 and under, Women's 45 and over and Men's 50 and over will be ranked on the basis of records from available sanctioned tournaments.

10. Tentative and Final Rankings will be mailed only to the member clubs described in the current Southern Tennis Association Yearbook. Individual Louisiana Tennis Association members should consult with a member club for information relating to publication of rankings.

11. Protests of published tentative rankings must be made, in writing, to the chairman of the Ranking Committee within two weeks of their publication or no consideration will be given them.

QUALIFICATIONS FOR MISSISSIPPI RANKING

To receive a 1979 Adult Ranking, a player must compete in one of the Mississippi Championships (Mississippi State Open or Mississippi State Closed) and one other sanctioned tournament in Mississippi.

To receive a 1979 Junior Ranking in Mississippi, a player must compete in two of the three major tournaments (Mississippi Junior Open, Mississippi Junior Closed or the Mississippi Junior Qualifying Tournaments); or one of the major tournaments and two others.

The Junior Fall and Spring Circuit Tournaments will be sanctioned. Participation in these will count toward a player's ranking but will not count toward qualifying for a ranking.

NORTH CAROLINA TENNIS ASSOCIATION, INC.

NORTH CAROLINA TENNIS ASSOCIATION TOURNAMENT AND RANKING REGULATIONS

To qualify for a 1979 ranking in North Carolina in his or her respective division, a player must compete in the below-stated number of tournaments.

Juniors: three (3) sanctioned tournaments in singles, two sanctioned tournaments in doubles (as a team) within North Carolina, one of which must be either the TAR HEEL QUALIFYING with qualifying rounds included, or the NORTH CAROLINA STATE JUNIOR CLOSED CHAMPIONSHIPS.

Adults: Men's and Women's — In singles, the North Carolina State Closed and one (1) other sanctioned tournament in North Carolina or three (3) sanctioned tournaments in North Carolina. In doubles, the North Carolina State Closed and one (1) other sanctioned tournament in North Carolina or two (2) sanctioned tournaments in North Carolina (as a team).

Senior: Men's and Women's 35, 40, 45, 50 and 55 — In singles and doubles, the North Carolina State Closed and one (1) other sanctioned tournament in North Carolina or two (2) sanctioned tournaments in North Carolina.

Men's 60, 65 and 70 — In singles and doubles only, the North Carolina State Closed.

Women's 60 — In singles and doubles only, the North Carolina State Closed.

Father and Son Doubles — The North Carolina State Closed is required.

Mixed Doubles — The North Carolina State Closed is required and one (1) other sanctioned tournament in North Carolina or two (2) sanctioned tournaments in North Carolina. 35, 40 Mixed Doubles — North Carolina State Closed is required.

2. The senior ranking year is from November 1 to October 31, and the ranking year for all other divisions is from October 1 to September 30. The ranking years shall always conform to the dates adopted by the USTA.

3. (a) Rankings shall be based solely upon the record of the players for the year under consideration. Results of head to head matches between 2 members of the same age group playing outside their division may count toward ranking, if and only if, the player sends these results to ranking chairman of their respective age divisions. Wins, losses, exposure, and comparative scores shall all be considered.

(b) A good "win" record is essential for a high ranking.

(c) The main consideration in determining rankings is the "win" and "lost" record (who you win from or lose to) — not how far you get in a tournament.

(d) Players are ranked on their actual record, not their "known" ability or the personal opinions of the ranking committee — the overall record will be considered, not the results of selected matches.

(e) A long and strong record even with some losses is preferred over a short record with comparable wins and fewer losses.

(f) Exposure is important and should be measured by the number of good quality opponents that a player plays rather than solely by the number of tournaments he plays.

(g) Comparative scores shall only be considered in other-wise even cases.

(h) The North Carolina Closed Championships will be considered on a scale of 1.5 in regard to other tournaments. USTA and STA championships held within our geographical limits will be given less weight than our State Tournament, but more weight than other North Carolina tournaments.

(i) Late season tournaments will be given more weight than early season tournaments, except in the case of State, Southern or USTA Championships.

4. The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Management Committee upon the recommendation of the Ranking Committee Chairperson.

5. A player or team, with an otherwise outstanding record, but not qualified as to number of tournaments will be recognized in insufficient Data. A "recognized or known player, or team, is not sufficient; the record must be outstanding with only the number of tournaments lacking."

6. A Class A category or numerical grouping may be used when considered appropriate by a ranking committee for giving recognition to players or teams that qualify for a ranking but did not receive specific numbers.

7. All players who desire to be considered for a ranking in North Carolina are urged to send in their record on the form adopted by the NCTA and the STA no later than September 1 (seniors by October 12) of each year. While sending in a record is not a condition precedent to receiving a ranking, those players who fail to send in their records shall have no right of protest in case he or she is either not ranked or ranked improperly.

8. Except where contrary to the above rules the USTA ranking rules will be applied.

9. The entry blank for each North Carolina State Closed Tournament shall contain certification substantially as follows:

I hereby certify that I am domiciled in and a resident of the State of North Carolina; that during the current ranking year I have not entered and do not intend to enter a closed sanctioned tournament of any other U.S.T.A. District (State) and that these certifications are made under penalty of disqualification by the Tournament Committee, or suspension, or denial ranking, or any other appropriate action by the N.C.T.A.

10. A. Entries to the Tar Heel Qualifying Tournament will be limited as follows:

1. Singles draw of 32 players

2. Automatic entries entered on basis of prior year's singles rankings #1-24 and #1-12 in age-ups.

3. Remainder of draw filled by results of qualifying round preceding tournament (lucky losers draw if number needed is more than the winners of that particular round)

B. Players must have played in 2 sanctioned tournaments and won at least one match (Boys' and Girls' 10 and under excluded)

11. Novice junior tournaments are for all otherwise qualified and eligible players, except players who were ranked #1-20 in the age divisions 14 and under, 16 and under and 18 and under.

12. Adult "B" Circuit tournaments are for all otherwise qualified and eligible players, except players who have a ranking in the event he wishes to enter in the tournament.

13. The following code will be used on draw sheets for defaulting and retiring from sanctioned tournaments:

DEF-I illness

DEF-W withdrew with proper prior notice before first match

DEF-J injury

DEF-N no reason - did not report for match

RET-I illness during match

RET-J injury during match

RET-N no reason during match

RET-D disqualification by tournament officials - game score at the time loser retires must be recorded

14. North Carolina requirements for junior players to qualify for play in the Southern Junior Closed Championships are:

To be considered a player must apply to the N.C. Selector. All who apply will be ranked for acceptance by the following guidelines: National, Southern and State rankings plus current season's play and most importantly, play in the Tar Heel Qualifying Tournament. Write to the N.C. Selector in early May for an entry blank.

15. Each year members of the North Carolina Junior Davis/Wightman Cup teams shall be selected in the following manner:

a. Top eight finishers in the Sixteen's and Eighteen's of the Tar Heel Junior Qualifying tournament shall qualify for consideration in their respective divisions.

b. Juniors not competing in Tar Heel Junior Qualifying Tournament because of extraordinary circumstances may qualify for consideration by submitting a written Request for Consideration to the selection committee, which in its discretion may accept or reject this Request.

c. Selection committee shall be composed of three (3) persons appointed by Junior Tennis Council Chairman.

d. Team members shall be selected in their respective age divisions by selection committee based upon players' records in sanctioned matches for the current ranking year through July 15.

e. Juniors shall submit their Players' Record for the current ranking year through July 15 to the selection committee.

16. The North Carolina entrants into Seventeen's Tennis Tournament of Champions sponsored by The Maureen Connelly Brinker Tennis Foundation, Inc., shall be determined exclusively on the basis of the North Carolina Junior Closed Fourteen's, Sixteen's, and Eighteen's and the North Carolina State "Twenty-One" Closed is not held, then the highest finishing junior aging out of the Eighteen's shall be the "Twenty-One" entrant.

17. (a) A junior tournament player shall be entitled to at least one-half hour rest period between all matches.

(b) No player in a junior tournament will be required to begin a match after 9 P.M.

(c) During a match in a junior tournament, coaching is permitted during an authorized intermission. The one minute period between change of courts is not an authorized intermission. The mandatory 10 minute rest between the second and third sets as specified under USTA regulations and also any authorized suspension of play is an authorized intermission.

1979 TENNESSEE TENNIS ASSOCIATION RANKING REGULATIONS

JUNIORS:

1. To qualify for a 1979 ranking in Tennessee in his or her respective division, a player must compete in the below-stated number of tournaments:

THREE (3) sanctioned tournaments in singles, TWO (2) sanctioned tournaments in doubles (as a team) within Tennessee, one of which must be either the TENNESSEE QUALIFYING or the TENNESSEE STATE CLOSED CHAMPIONSHIPS or the TENNESSEE QUALIFYING AND THE TENNESSEE STATE CLOSED.

2. The major consideration for ranking will be direct wins and losses. A player must have a win over another Tennessee resident. The results of all sanctioned tournaments will apply toward ranking.

3. A direct win outside the state of Tennessee between Tennessee players will be considered. Players are responsible for reporting out-of-state results to their ranking chairman.

4. Exposure is important and will be measured by the number of good quality opponents that a person plays rather than just by participation in only the required number of tournaments for ranking; e.g., if there are two players with fairly close records, the player with the longer record and more exposure will be ranked higher. All other things being equal, a direct win in a later tournament could be a deciding factor.

5. A player with an outstanding record but not qualified as to number of tournaments will be recognized in Insufficient Data.

6. Three (3) defaults on a player's record will require that the record of that player be reviewed by the ranking committee for possible disqualification.

7. The following code will be used on draw sheets for defaulting and retiring from sanctioned tournaments:

DEF-1 illness and injury

DEF-W withdraw with proper prior notice before first match

DEF-N no reason — did not report for match

RET-1 illness or injury during match

RET-N no reason during match

RET-D disqualification by tournament officials — game score at the time loser retires must be recorded

8. A minimum of three-fourths of players qualifying for a ranking must be numerically ranked. All others may be ranked alphabetically.

9. All players are urged to send in complete and accurate tournament record information to the appropriate ranking chairman by the published date. Records should contain results of all sanctioned matches played during the ranking year.

10. All protests with respect to tentative rankings must be in writing to the appropriate ranking chairman, telephone calls acceptable **only** when time factor does not permit such action.

ADULTS:

In order to receive a 1979 ranking (singles or doubles), a player must play in the Tennessee State Closed and one (1) other sanctioned tournament within the State of Tennessee, or three (3) other sanctioned tournaments within the State of Tennessee.
