## President's Report

Dear Southern Tennis Friends:

As the United States Tennis Association begins its one hundredth and first year, the STA takes great pride in being a part of this tremendous organization and for its accomplishments during the first one hundred years. In fact, the STA can boast a little since it is the largest of the 17 Sections of the USTA. This is all made possible because of the dedicated leadership of our nine District Presidents and their foresight and hard work towards the continued growth in tennis development in the Southern.

So...welcome to our 1982 Yearbook and I hope your year of tennis is successful whether as a player, volunteer worker, teacher, umpire, coach, recreational leader, or whatever your field. Our Yearbook is filled with an abundance of information about our Section and our nine Districts. Read it carefully — learn about each District — its leaders and member organizations, sanctioned tournament schedules for juniors, adults and seniors; Sectional leadership and committee assignments; rankings and ranking procedures by District and Section; USTA Michelob Light league tennis; rules and regulations of the Southern Tennis Association, Inc., addresses and phone numbers of all District and Sectional personnel; plus many other things.

The WILSON tennis ball has again been chosen as the official ball for all Sectional Championships and

District and Sectional League playoffs. All other Tournament Directors are encouraged to use the WILSON ball in their sanctioned tournaments at the tournament adoption price offered on the form included in your tournament packet.

Congratulations to Doris Hart and Dan Magill who were inducted into the Southern Tennis Hall of Fame at our winter meeting in December, 1981. This presentation is sponsored by the Southern Tennis Patrons Foundation, Inc., under the capable leadership of Gilbert T. Stacy. They join our other Hall of Fame members, Pollard Parsons, Cliff Sutter, Bitsy Grant, Ham Richardson and Slew Hester.

Our Sectional office, with DeWitt Redgrave as Executive Director, is available to assist you in all areas of tennis. Call the office — use their services.

The summer Board of Directors meeting will be held at the Isle of Palms, Charleston, SC, July 30 — August 1, and the Annual Meeting will be held at the Rodeway/Terrace Garden Inn in Atlanta, GA, December 1-4. The meetings are open and we invite you to come and be a part of the active volunteer group striving to improve tennis in the South.

For more and better tennis,

**Mildred Southern,**  
President, STA

## Dial A Ref

The Southern Tennis Association, for the second year, is offering to all Tournament Officials and players, a unique "DIAL-AREF" service. DeWitt Redgrave, III, Executive Director, STA, is qualified to answer almost any question that might come up before, during, or after a tournament concerning any matter on the draw, rules, or conduct of play in a sanctioned event.

If any Tournament Director, player, officials or referees have a problem that they are not sure how to handle, encourage him to take advantage of "DIAL-A-REF" service by calling the STA Sectional Office (404/237-5271 or 404/237-1319) during normal working hours. (The credit for this idea belongs to Robert Sasseville, Tennis Director, South Fulton Tennis Center, College Park, GA.)

## I. Quota System for Entry to Southern Junior Closed Championships

**A. General.** The draw in every age division of the Southern Junior Closed shall be a minimum of 96 and a maximum of 128. Each age division will include championship singles and doubles and feed-in-consolation singles through the quarter-finals. To assure a fair distribution of entrants, each of the nine Districts (States) of the STA is allotted a quota computed on the basis of the District's percentage of individual junior members of STA as reflected in

latest quarterly print-out. In the event there are open places in the draw because a District does not fill its quota, the places may be filled by the Tournament Committee with the best players available from District alternate lists based on rankings and current records.

**B. District Selectors.** A District Selector is appointed by each District to take applications for entry and to select the players from that District to fill the quota allotted in accordance with the standards adopted by that District. All juniors who desire to apply for entry to the Southern Junior Closed Championships must apply to the appropriate

District Selector. The District Selector shall send the completed applications for entry, along with the ordered list of selected players in quota and alternates to the Director of the Southern Junior Closed Championships, at least five (5) days prior to the announced beginning date of the tournament.

**C. Quota, District Selector, Basis for Selection.** The Quota assigned each District, District Selectors, and the Basis for Selection adopted by each District for the 1982 Southern Junior Closed Championships are as follows:

| District | Quota                                 | District Selector                                                                                                                                                                                                                                                                                                                                                          | Basis for Selection                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

The team consists of five players, plus one alternate, who are competing in the 18 and under age division, and two players plus one alternate who are competing in the 16 and under age division.
- B. STA Committee.** Selection of the team shall be made by the STA Girls' Team Committee listed in the Yearbook under the heading of "STA Committees."

Team members who have qualified for consideration will be automatically endorsed. The eligibility requirements set forth above may not be waived, except by unanimous consent of all members of the Committee.

The Boys' 18 and Boys' 16 Teams will represent the STA in the Southern Open, USTA Clay Courts, and the Nationals in their respective age divisions. A part of the traveling expenses for the eight (8) boys selected will be paid by the STA.

- B. STA Committee.** The STA Boys' Team Committee is responsible for making the selection of the players on the team and the Committee is shown in the Yearbook under the heading "STA Committees."
- C. Standard for Selection.** The Standard used by the Committee in making the team selections shall be the 1981 rankings and current season's records. The Committee may require a round-robin or play-off among applicants.

## IV. STA Junior Davis Cup Team

- A. General.** The STA annually selects two (2) college undergraduate men to represent the Section in the USTA Junior Davis Cup Matches during August in Poughkeepsie, NY. A portion of the team's expenses is paid by the STA.
- B. Application.** Applications should be obtained from and returned to the Chairman of the Southern Junior Davis Cup Team, listed under "STA Committees" in the Yearbook. Selection will be based on 1981 rankings and current season's records.

## V. 1982 STA Endorsement Procedure to the Four USTA National Junior Championships:

USTA National Junior Indoors (Thanksgiving)  
USTA National Junior Hard Courts (early July)  
USTA National Junior Clay Courts (late July)  
USTA National Junior Championships (August)

**A. Sectional Quota System.** Each of the seventeen (17) Sections of the USTA has an exact, guaranteed quota for every USTA National Junior Championship based on the percentage of total individual junior members in the USTA during the preceding year. The quota varies each year and it is different for different size draws. In 1982 the STA quota will be sixteen (16) in a draw of 128, twelve (12) in a draw of 96 and eight (8) in a draw of 64. Since the seventeen Sectional quotas do not equal the total draw, the strongest over quota alternates have a chance of being accepted into the main draw:

## B. STA Criteria — Eligibility for Endorsement to USTA National Junior Championships

- Qualification for endorsement** by the STA to a USTA National Junior Championship played prior to the Southern Closed Championships will be determined by current ranking and records.
- To qualify for endorsement** by the STA to a USTA National Junior Championship played after the Southern Closed Championships, a player must have participated in the Southern Closed and State Qualifying tournament, or the Southern Closed and at least two other tournaments within the Southern Section, in the age division for which applying. Participation in the Southern Closed is **mandatory**, unless waived in **advance** by the Junior Waiver Committee. Players must be aware of their own State's requirements for selection to participate in the Southern Closed.

All players fulfilling the above requirements will be considered "eligible" for endorsement to the various USTA National Championships. Once "eligible," each player:

- Must send a complete Player's Record to the STA endorser well prior (about 6 weeks) to any USTA National Championship you desire to enter. Enclose a self-addressed, stamped envelope (business size) for entry blank.

- On receipt of the entry blank from the STA Endorser, fill in and return it by the specified deadline with updated Player's Record, entry fee and xerox copy of current USTA membership card.
- Will receive a copy of the official STA Endorser's list at the time it is forwarded to the tournament to confirm status, whether in-quota or alternate.

The endorsement lists will be completed by ranking the eligible players, based upon the strength of their over-all tournament records to fill all quota and alternate positions. Results of tournaments later in the season (e.g., the Southern Open) will be used to modify the endorsement list for those who have previously qualified.

**3. Waiver provisions:** Waiver of any of the above provisions can be granted only by the Junior Waiver Committee. The Committee will strictly adhere to the following guidelines in considering waiver requests:

- Previous year's ranking in the top TEN nationally in singles:** In considering waivers under this provision, the Committee will also determine if the player's current seasonal record demonstrates sufficient continued competitiveness to justify a waiver.
- Invitation to Junior Davis Cup or Junior Wightman Cup tryout camp:** If a player is invited to participate in a Junior Davis Cup or Junior Wightman Cup tryout camp, **participation** in the camp will be considered as a substitute for participation in the Southern Closed. These players will be considered "eligible" for endorsement if otherwise qualified, and will be endorsed like other eligible players, on the basis of the strength of their over-all records.
- Waiver for illness or injury:** Waivers will be considered for those who have **qualified** for the Southern Closed but are forced to withdraw due to illness or injury **prior** to the tournament. In all such cases, a request for a waiver must be accompanied by a written medical documentation of

disability, signed by a licensed physician, and **also** stating that in the physician's opinion the player will be in adequate physical condition to participate in the National tournament. However, if such a waiver is granted, these players will be endorsed **only** if they are otherwise qualified, and if the strength of their over-all records legitimately ranks them within the endorsed group.

**d. Junior Waiver Committee:** The Junior Waiver Committee (see listing under STA Committees in this Yearbook) will be formed to consider applications for waiver of STA Criteria for Endorsement to USTA National Junior Championships. The Committee will consist of **three** persons appointed by the Chairman of the Junior Tennis Council on the basis of previously demonstrated expertise and experience in the Junior Endorsement and ranking process. The Committee will follow the guidelines outlined in the **waiver provisions** of Article V B 3. Waivers will be granted or denied by majority vote of the Committee.

## C. Application Procedure

- If you seek entry to any USTA Championship and feel that you will meet the STA requirements listed above, write early to the appropriate Endorser (see listing under STA Committees in this Yearbook) indicating the tournament(s) you wish to be considered for endorsement.
- You may or may not receive an entry blank in response to this request. Those whose prior year's ranking and record since October 1 indicate they will likely be in quota, will receive entry blanks promptly. Others, where there is doubt, may have to wait until later, even as late as the Southern Junior Closed to receive an entry blank from the Endorser or a representative.

## D. Entry Procedure

- When you receive an entry blank to any USTA Championship, it may also include:
  - Player Record Forms** — complete it with every sanctioned singles match in the Division (age group) played **since** October 1, 1981. Same with Doubles with

# STA Rules and Regulations, continued

# STA Rules and Regulations, continued

same partner you intend to enter with in this USTA Championship.

- b. **Letter from Endorser** advising absolute deadline for returning completed Entry Blank and Entry Fee, and Player Record Form to the Endorser. (Never send these items to the USTA Chps. or to the STA Office.)

2. Endorser will rank all players who have applied by deadline and mail each a copy of the Endorser's list. You will thus know whether you are in quota (guaranteed entry) or over quota (awaiting word direct from the USTA Chps. as to acceptance or rejection).
3. If you are in quota and must withdraw, advise the USTA Chps. immediately so it can admit the next STA over quota player to fill your place in the draw. Failure to do this could bring disciplinary action and certainly embarrassment to both you and the STA.
4. The USTA National Junior Indoors in this calendar year is in the next ranking year. If you age up October 1, you must contact a different Endorser. Since that Endorser will not know your record, it is important that you send your entire Player Record Form(s) for the year (which ended September 30) when you request Entry Blanks for the Indoors.

**E. General.** The easiest and best way to handle the "Player Record Form" is to keep a neat master form in soft pencil. Whenever you need a copy (entering a tournament, endorsement, or for rankings at the end of the year), take the master to a duplicating machine and copy the master. This saves you time and copying mistakes. Most public libraries and post offices have coin-operated copying machines.

## VI. Ranking Regulations

### A. General — Applicable to All Age Categories.

1. **Player's Record Form.** All players are requested to send a copy of their own compiled player record form (a form for this purpose is included in this Yearbook) to the appropriate Ranking Committee Chairman immediately after their last tournament of the ranking year. Players who do not submit their records **shall lose their right of appeal** to the rankings assigned. The STA Ranking Chairmen

receive only results of tournaments held and sanctioned in the Southern Section, and players who desire other results to be considered must send in their records. Any falsification of tournament records will be reported to the Disciplinary Committee and may result in that player being eliminated from the rankings for that year.

2. **Sanctioned Events.** Only results of sanctioned events will be considered for ranking purposes.
3. **Membership.** All players must have a current Adult, Junior, Family, Life, or Honorary Membership in the USTA in order to be ranked. Membership applications are available at all sanctioned tournaments, the STA Sectional Office, and from each District Enrollment Chairman.
4. **Ranking Year.** The Ranking Year and age eligibility for all age divisions shall be that adopted from time to time and published by STA. See charts in this Yearbook for the 1982 Ranking Year for the USTA and STA.
5. **Waiver of Minimum Requirements.** The minimum requirements for consideration may only be waived by a majority vote of the STA Management Committee upon the recommendation of the Ranking Committee Chairman.
6. **Insufficient Data.** A player or team with an otherwise outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee. A "recognized" or "known" player is not sufficient; the record must be outstanding with only the number of tournaments lacking.
7. **Class A.** A "Class A" category or numerical grouping may be used by a Ranking Committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking. Players thus ranked will be ranked alphabetically.
8. **Ranking Appeals.** Tentative rankings will be published in *Tennis USA* during November of each year whenever possible, and will always be published at the site of the Annual Meeting of the STA immediately prior to the meeting of the STA Ranking Committees in December. All players shall have the right to appeal a tentative ranking by written notification to

the Chairman of the appropriate Ranking Committee, with a copy to the Ranking Coordinator and the Chairman of the Ranking Review Board within ten (10) days after receipt of the official publication or immediately prior to the Meeting of the Ranking Committees, whichever occurs first. Players are reminded that tentative rankings may have been made without the results of late season tournaments, and players can assist the Ranking Committees in making correct rankings **by sending in their complete records with all results** for the ranking year. After tentative rankings are published, players may send in information to substantiate their tentative ranking or, to object by appeal, to their tentative ranking. Any player who files a written appeal shall have the right to appear before the Ranking Review Board in person, provided that the written notice of appeal includes a notice that the player intends to so appear. The determination of rankings by the Ranking Review Board shall be final, except as to appeals that may be referred to the Annual Meeting for decision.

### B. Adult.

1. **Minimum Requirement.** The minimum number of tournaments required prior to consideration for a STA ranking for each age division is as follows:
  - a. **Men's Singles:** One Southern Chp. (Open, Closed or Hard Court) and three (3) other Southern tournaments of which one of the total of four is held outside his own District.
  - b. **Women's Singles:** One (1) Southern Chp. (Open, Closed or Hard Court) and two (2) other Southern tournaments of which one of the total (3) is held outside her own district.
  - c. **Men's and Women's Doubles:** One (1) Southern Chp. (Open, Closed or Hard Court) and two (2) other Southern tournaments of which one of the total of three (3) is held outside of the team's own District.
  - d. **Men's 70, 75, 80 Singles and Women's 55, 60, 65 Singles:** One (1) Southern Chp. (Open, Closed, Hard Court or Indoor) and one (1) other Southern tournament of which one of the total of two

(2) is held outside of his/her own District.

- e. **All Other Divisions — Singles:** One (1) Southern Chp. (Open, Closed, Hard Court or Indoor) and two (2) other Southern tournaments of which one of the total of three (3) is held outside of his/her own District.
- Doubles:** One (1) Southern Chp. (Open, Closed, Hard Courts or Indoor) and one (1) other Southern tournament of which one of the total of two (2) is played outside of the team's own District.
- f. **General:** Southern rankings will be established, provided there are sufficient events, for the following divisions: Men's and Women's singles and doubles, Men's and Women's Amateur singles and doubles, Men's and Women's 35, 40, 45, 50, 55, 60, 65, 70, 75, 80 singles and doubles, Father and Son doubles, Mother and Daughter doubles, Husband and Wife doubles, Mixed doubles and 35 Mixed doubles.

### C. Junior

1. **Minimum Requirements.** The minimum number of tournaments required prior to ranking consideration for Boys' and Girls' 18-12 singles and doubles (STA does not rank Boys' and Girls' 10 Division) is one (1) Southern Championship (Open or Closed) and two (2) other tournaments held in the Southern Section, including any USTA National Championship.

### D. Ranking Requirements

1. Ranking shall be based solely upon the records of the players for the year under consideration and not upon previous year's records or personal opinions of the Ranking Committee. For ranking purposes, **all other things being equal**, match results of tournaments shall be considered in relative importance as follows:
  - Southern Closed Championships
  - Southern Open Championships
  - USTA National Championships
  - USTA Clay Court, Hard Court, Indoor, etc.
  - Other Sectional Championships

State Qualifying and Closed Other Sanctioned tournaments after June 1, 1982  
Other Sanctioned tournaments, January 1 — May 31, 1982  
Other Sanctioned Southern tournaments, October 1 — December 31, 1981

Ranking Chairmen may give additional weight to certain other tournaments based on the number and quality of ranked players participating. A player or team **must win** at least one (1) match to qualify for a ranking.

2. Direct wins of any one player over another will receive greater credit than any other data. Out-of-Section results will be considered if the information is sent by the individual to the Ranking Chairman. Head-to-head results in **sanctioned** team or interscholastic matches will be considered. Only results of sanctioned events will be considered for ranking purposes.
3. A long and strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played. Failure to enter late season tournaments after earning a good early-season record may be considered detrimental to ranking.
4. When a player or team retires from a match, it is a loss and it is a win for the opponent. Defaults, after tournament play has started, count as a loss for the player defaulting, but do not count as a win for the player advancing by default.

## VII. Tournament Rules and Regulations

### A. Rules.

1. The Rules of Lawn Tennis, USTA Tournament Regulations, USTA Standards of Conduct (including Point Penalty System), USTA Standing Orders, and all other rules and regulations of the USTA shall be observed by all member organizations conducting sanctioned tournaments in the STA. The foregoing rules and regulations are found in the current "USTA Yearbook," "A Friend at Court," and "The Code" (the official USTA publication for the conduct of all matches played without on-court

officials). These publications are available from USTA Publications, 729 Alexander Rd., Princeton, N.J. 08540, and each should be in the files of every member organization conducting sanctioned tournaments.

2. All players entering STA sanctioned tournaments must abide by the rules as referenced above. Each such player would do well to obtain a personal copy of these publications, particularly "The Code." An abbreviated version of certain key parts of "The Code" is reprinted in this Yearbook for the information and education of all tournament players and officials. Tournament Directors are being sent (in their Tournament Packets) a separate copy of the "Abbreviated Code" to post at each tournament site.
3. All individual and organizational members of the USTA and STA are subject, during the sanctioned events, to the Constitution and By-Laws of the USTA, the STA, and all Districts thereof, and the Disciplinary Rules and Procedures therein contained.

### B. STA Tournament Regulations

1. In addition to the foregoing, specific STA Tournament Regulations, set forth below, must be followed in all sanctioned tournaments.
2. The Officers of the organization holding a tournament will have full control over the details concerning the tournament. The Committee shall select a Referee (who should be certified under Article IX of the Standing Orders, USTA), with the power to appoint a substitute to act in his stead and the substitute then must be present at all times while serving as such. He may not serve as an umpire or participate in a match, unless his substitute is present to act as Referee. The Tournament Committee shall have three or more members so that, in the event some person in one member's family is involved in a disciplinary action, the rest of the committee will have the power to act.
3. The Committee shall keep order and decide any questions arising out of the competition, except those concerning tennis rules (which are to be decided by the Referee), and will enforce all rules governing Conduct of Players and Spectators.

# STA Rules and Regulations, continued

## STA Rules and Regulations, continued

4. The Committee is responsible for the proper running of the tournament in all matters and, in so doing, must observe the following:

- Prepare draw sheets in accordance with regulations. The making of the draw must *always* be done where interested persons can watch its preparation. *Under no circumstances will any draw be done secretly and behind closed doors.*
- Follow proper seeding regulations as set forth in current USTA Yearbook. In so doing, the Committee must consider previous year's rankings (National, Sectional, and District) and the performance of players during the current ranking year.
- Carefully review all instructions concerning preparation of the draw, particularly with regard to correct placing of byes and seeded players. (Refer to rules in current USTA Yearbook.)
- See that no person is permitted to play his first round match in any event unless he or she presents a *current* USTA card or has proof (receipt) that he or she has applied for one. This requirement shall be included in all entry blanks sent out in connection with the tournament, and said entry blanks shall also state that forms for applying for membership will be available at the tournament. The Committee is responsible for making necessary arrangements for handling membership enrollments during the tournament. The above provisions concerning USTA cards are mandatory for all sanctioned tournaments (except for collegiate and scholastic team matches), and there is no provision that a Tournament Committee or any official can waive this requirement or choose not to enforce it. The USTA card number, or the word "APPL" (if the player has not received his number, or enrolls at tournament) *must be entered on the draw sheets.*
- Prepare a complete schedule, post it, and maintain it

throughout the tournament. *Matches may not be postponed or delayed to favor any player.*

- All players shall be limited to three events. No player will be forced to play more than two singles matches in one day; nor should he be scheduled to play more than one round in each event in which he entered, unless inclement weather forces doubling up on matches. If, due to rain or other unforeseen circumstances, a player's presence in any event other than his age group is causing delay, that player may be defaulted from that division.
- It is mandatory that the Tournament Director start each day's matches at a time as early as the courts are playable, and maintain a constant order of play throughout the day. When it is possible to do so, each player shall be advised, on completion of his match, as to the time of his next match. In the event of rain, the Tournament Director must advise players as to a probable re-starting time and must caution players to report at the time stipulated. In any one day, players should be granted a minimum of 30 minutes between the completion of one match before being required to start another.
- Boys' and Girls' matches should *always* be scheduled so that a player will compete in his own age classification before playing in an older classification the same day.
- Rules regarding rest periods after the second set of three-set matches must be observed in accordance with regulations as listed in the USTA Yearbook. It is emphasized that Men and Boys' 18 *are not allowed* a rest period after the second set of a three-set match, and *this rule cannot be waived by anyone.*
- Consider the use of qualified persons to act as roving monitors during matches, particularly in Junior events. These monitors can watch for trouble-spots and, by their presence, can sometimes solve problems immediately.

### C. Conduct of Players and Spectators

- The highest type of sportsmanship is expected from every player. If a player is accompanied by a parent, coach, friend or any other person, the same exemplary conduct is expected of them. The USTA and STA regulations specifically prohibit the following and *they will not be tolerated.*
  - No loud, abusive, or profane language, and no racket-throwing or slamming balls shall be allowed.
  - In regard to stalling, the rules of continuous play are quite clear: "No allowance may be made for natural loss of physical condition...Not even momentary 'rest' other than the normal toweling-off pause at changeover, is allowed for recovery from natural loss of physical condition (cramps, for example)." (Quoted from Rules in USTA Yearbook). The rules allow 90 seconds for toweling-off, drinking water, etc., during change of courts on odd games. *This does not permit promiscuous and continuous strolling to the net or back court to use towels or sip a drink between points or after completion of even-numbered games. Players must take care at all times not to interrupt play or to distract opponent in any way.*
  - No player or players will make a comedy of a match, whether they be winning or losing.
  - Spectators are expected to observe good manners at all times. They will *not* be permitted to *coach*, talk to players, sit or stand near a court while a match is in progress in such a manner as to provide a distraction to any of the players on the court. Neither will they cheer or clap in any way that is obviously distracting rather than the applauding of good play. During authorized rest periods between the second and third set, coaching is permissible.
  - Line calls shall not be made by unauthorized persons. No player will ask any spectator volunteer to do so *unless asked by an official of the tournament* to serve as a line umpire. If any player desires assistance in

## Rules and Regulations, continued

officiating his match, *he* should make the request to the Tournament Director or Referee; this can be done either before or during the match.

- Every player is expected to call balls on his side as he would expect his balls to be called by his opponent on the other side.* This is the "Golden Rule" of tennis. Any ball falling on any part of a line is good, and calling such a ball "out" is cheating. Conversely, any "out" ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid "late calls." A player suspected of cheating should be reported to a member of the Tournament Committee who will send a *responsible* observer to monitor his match. If found to be guilty of cheating, the player will be warned that a continuation of this practice *will result in his being defaulted in that match and removed from all other events in which he is entered at that tournament.* A full report will be submitted to the player's Sectional and District Association for any further disciplinary action deemed suitable.
- In the matter of calling "lets," good sportsmanship calls for each player to do all in his means to see that a match is played properly, fairly, and under the best possible circumstances. When *anything* distracts a player, such as a ball from another court rolling onto the court area (including the backstop), an immediate "let" call must be made promptly, before either opponent has a chance to hit the return or before a return has gone out of play.
- Positively no gambling, drinking, or other misconduct (either on or off the court) will be tolerated.
- Any alleged violations of the above, which are brought to the attention of the Referee, Tournament Committee, or designated STA official or representative, will be investigated by one of the above and, upon verification, the player and/or spectator so involved will be given one

warning. Upon the second offense, the offender will be defaulted if a player, and removed from the premises if a spectator. In the event that the Referee, Tournament Director, or Tournament Committee member fails or refuses to enforce the tournament regulations, then direct appeal may be made to a designated Southern official at the tournament who will have authority to act immediately and, if necessary, to overrule the Referee and to direct compliance with the rules. A full report will then be made to the player's Sectional and District Association and to the President of the Southern Tennis Association, if the player's Section is other than the STA, or if the person involved is a spectator.

*Any flagrant violations of these regulations or rules of conduct brought to the attention of the STA Disciplinary Committee may result in the withdrawal of sanction from the Club or Association in question, or in seasonal disqualification of a player involved in any misdemeanor.*

- The USTA rules for application of the Point Penalty System to specific instances is printed in the USTA Yearbook and "Friend at Court" and should be reprinted and posted at each tournament where the Point Penalty System is in effect.

### VIII. Amendments

These Rules and Regulations shall be subject to alteration, amendment or repeal and new Rules and Regulations not inconsistent with any provision of the Articles of Incorporation or By-Laws may be made either (1) by the affirmative vote of the majority of the members of the STA present and voting at any annual or special meeting, (2) by the affirmative vote of a majority of the members of the Board of Directors at any regular or special meeting, or (3) by the affirmative vote of a majority of the members of the Management Committee at any regular or special meeting, *provided* notice of the proposed alteration, amendment or repeal is forwarded to each member of the Board of Directors and to each District President at least fifteen (15) days prior to the date of the meeting at which the same is to be considered.

### Annual Membership Reports

16. It shall file such nominations on or before October 1 of each year with the Secretary and the notice thereof shall be mailed to each District Association with the notice of the annual membership meeting. If, prior to the annual membership meeting, any person so nominated dies, becomes incapacitated, or declines to accept nomination, the vacancy in the nominations may be filled by the Nominating Committee and the name of such persons as may be selected by such committee shall be placed in nomination at the annual meeting by an appointee duly

selected for such purpose by the Nominating Committee. In addition to nominations made by the Nominating Committee, nominations for Officers, Sectional Delegates, Delegates-at-Large, and for members of the Nominating Committee, may be made by petition executed by District Associations having an aggregate vote of not less than one-third (⅓) of the total voting membership, which petition must be filed with the Secretary of the STA on or before October 1 of each year. A notice of the names of such nominees and their proposers shall be mailed with the notice of the annual meeting. No nominations may be made by the members from the floor at the annual meeting and only candidates nominated as provided in this section shall be eligible for election.

41. The Disciplinary Committee shall be composed of three (3) persons named by the President with the approval of the Management Committee and it shall be responsible for enforcing the Articles of Incorporation, By-Laws, and all the rules and regulations of the USTA which are adopted by the STA as a Sectional Member of the USTA, and the standards of conduct, fair play, and good sportsmanship. The Disciplinary Committee shall operate under the following rules and regulations:

- (a) Whenever a written complaint is filed with the Chairman of the Disciplinary Committee, charging that any person has violated the Articles of Incorporation or any of the By-Laws, rules, and regulations of the STA or of the USTA, or the standards of conduct, fair play, and good sportsmanship, the Chairman shall cause a copy of the written complaint to be mailed by certified mail, return receipt requested, to the last known address of such person, along with notice that it has been received by the Chairman and requesting an explanation within ten (10) days after the mailing thereof by the Chairman. Thereafter, upon a finding by the Chairman that such person violated one or more of the provisions of the Articles of Incorporation, By-Laws, rules, and regulations of the STA and USTA, then the Chairman shall have the power to fine such person in such amount, not in excess of \$1,000.00, and to suspend such person for such period as he in his absolute discretion deems appropriate, or both. Prior to taking such action, the Chairman shall not be required to hold any further hearings, and such action may be taken by him without further investigation. In the absence of the Chairman (or pursuant to the Chairman's request), the Vice-Chairman of the Disciplinary Committee shall have the same power to fine and suspend, or both, as granted to the Chairman in this section. The Chairman or Vice-Chairman, as the case may be, shall promptly notify in writing the person so charged of his decision.

- (b) Within thirty (30) days after receipt of a written notice of the decision by the Chairman or Vice-Chairman of the Disciplinary Committee, the person penalized may appeal the decision by addressing a written request to the

Chairman for a hearing before the Disciplinary Committee. Upon receipt of such a request, the Chairman of the Disciplinary Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight (8) days prior written notice thereof. At any such hearing, the person penalized shall have the right to appear personally, with no more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Disciplinary Committee shall have power to affirm, to modify, or to reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both. The Disciplinary Committee shall promptly notify the person penalized of its decision.

- (c) Instead of acting upon the written complaint in accordance with the provisions of subsection (a) above, the Chairman may elect to hold a hearing before the Disciplinary Committee and have the Disciplinary Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (b) above and the Disciplinary Committee shall have the power to impose such penalties as it may deem appropriate, including a fine in excess of \$1,000.00, suspension, or both.

- (d) Any appeal from a decision of the Disciplinary Committee shall be made to the Management Committee within thirty (30) days after receipt of a written notice of a decision of the Disciplinary Committee. Such written notice must be addressed to the President of the STA requesting review by the Management Committee. The Management Committee shall thereupon promptly review the findings of fact and the decision of the Disciplinary Committee. The Management Committee shall not be required to hold any hearing, and its decision may be based entirely on the findings of fact of the Disciplinary Committee. However, the Management Committee may hear such further testimony and receive such further evidence as it, in its absolute discretion, deems appropriate. Promptly following its review, the Management Committee shall notify the person penalized of its decision. The Management Committee shall have the power to affirm, modify, or reject the decision of the Disciplinary Committee, but may not impose any harsher penalties. The decision of the Management Committee shall be final and binding.

- (e) Any person who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Management Committee on evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Management Committee shall obtain the recommendations of the Disciplinary Committee.

- (f) All action of the STA Disciplinary Committee shall be reported to the

USTA Disciplinary Committee and any other bodies or individuals deemed necessary by the Board of Directors.

42. The Sanction & Schedule Committee shall be composed of a Chairman and such other persons as may be appointed by the President and it shall be responsible for organizing the Southern Adult and Junior Circuits, sanctioning and scheduling all tournaments within the boundaries of the STA, and the enforcing of rules and regulations for all tournaments held within the boundaries of the STA. The Committee shall meet at least annually and shall make recommendations for the awarding of STA Junior and Adult Championships to members bidding therefor at the annual meeting. Tournaments shall actually be awarded by the membership. In between meetings of the Committee the Chairman shall be responsible for carrying out the functions of the Committee.
43. The Rankings Committee shall be composed of a Chairman and such other persons as named by the President and it shall be responsible for producing annual rankings in the categories directed by the Board of Directors.

44. The President, in addition to being a member of the Board of Directors and the Management Committee, shall be an ex-officio member of all other committees, except the Nominating Committee. The Chairman of each committee is to preside at all meetings, be responsible for the functioning of the committee, and unless he shall appoint a secretary to the committee, he shall be responsible for keeping a record of its proceedings. The members of all committees shall serve, subject to reelection or reappointment as the case may be, for a one-year term or until their successors are named.

45. The following shall constitute a quorum for the transaction of business for the following named committees: *Management Committee* — not less than two-thirds (⅔) of its members; *Nominating Committee* — not less than three-fifths (⅗) of its members; *Disciplinary Committee* — not less than two-thirds (⅔) of its members. A quorum for the transaction of business for any other committee shall be not less than one-third (⅓) of the members of such committee.

46. Members of any committee may participate in the meeting of the committee by means of a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this section shall constitute being present in person at such meeting. In addition, specific issues may be voted on by members of committees by mail.

47. Meetings of any committee shall be held on not less than five (5) nor more than thirty (30) days' written notice to each member of the committee. Notice of meetings may be waived by written waiver executed before or after the meeting. Attendance at a committee meeting shall constitute waiver of notice as to the attending members. Meetings of any committee shall be held at such place and such time, after proper notice, as may from time to time be fixed by its chairman. One-half (½) of the members of any committee shall have the power to call a committee meeting. All committees shall keep minutes

of their proceedings, copies of which shall be sent by the committee chairman or secretary to the Executive Director for filing with the records of the STA.

48. Any action required or permitted to be taken at any meeting of any committee, other than the Disciplinary Committee and Nominating Committee, may be taken without a meeting, if a written consent thereto is signed by not less than two-thirds (⅔) of all members of the committee and such written consent is filed with the minutes of the proceedings of the committee. No member of any committee shall have the power to appoint a proxy to attend any committee meeting on his behalf.

### Article XI — Reimbursement

Play in the SOUTHERN CLOSED CHAMPIONSHIPS (Men's and Women's) Open, August 26-29, 1982, at Louisiana State University, Baton Rouge, and WIN A TRIP to the PENN NATIONAL INVITATIONAL, November 8-14, 1982, at Rancho Bernardo Inn, San Diego, California.

## THE WORLD'S MOST IMITATED TENNIS BALL.

**FIRST HIGHER-VISIBILITY COLORS.**  
 The first high-visibility yellow tennis ball—and even higher-visibility orange—were quietly introduced by Penn.  
 And quickly copied by everyone else.

**FIRST LONGER-WEARING FELT.**  
 Penn was first to use tough, man-made cover felt. It made Penn balls last longer and bounce more consistently. It also made our competitors scramble to develop their own man-made cover.

**FIRST GUARANTEED FRESHNESS.**  
 To make sure Penn balls were always fresh, we introduced the pressurized can. With a wide mouth and pull-tab for convenience. And safety ring to protect fingers. In short, the modern tennis ball can everyone now uses.

**FIRST NAME IN TENNIS INNOVATION.**  
 The fact is, Penn technology has been responsible for virtually every major improvement to the modern tennis ball. Which leads us to ask an important question: If you're serious about tennis, do you trust your game to an imitator? Or to the innovator?

**"The new Prince J/R™ is the best racquet ever made for the junior player. And you can quote me on that."** Don Budge

So we are. Because the Prince J/R is the first racquet actually designed for the junior player.

The J/R is two inches shorter than a regular Prince, and noticeably lighter. So it's quick and easy to swing.

But the J/R has the same sweet spot, 3½ times the size of any ordinary racquet. For more solid shots.

And the same stability, so the racquet sweeps cleanly through the ball. For more control.

And look who noticed. America's greatest living tennis player.

"The truth is, I recommend a Prince for all

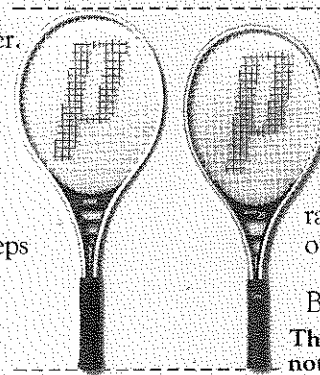

my students. People play better with a Prince. At any level.

"And when you're teaching kids, that's a real advantage. They see themselves improving fast. Learning becomes less frustrating and more fun.

"I wish I had the advantage of a Prince racquet when I was a competing pro. To me it opened up a whole new world of tennis."

And on that statement you can't get Budge to move.

The J/R is two inches shorter and noticeably lighter than a regular Prince.

# NO GUTS

And proud of it.  
Because as far as we're concerned it doesn't take guts to make the best strings. And to prove our point we've served up a complete line of synthetic strings for today's racquets.

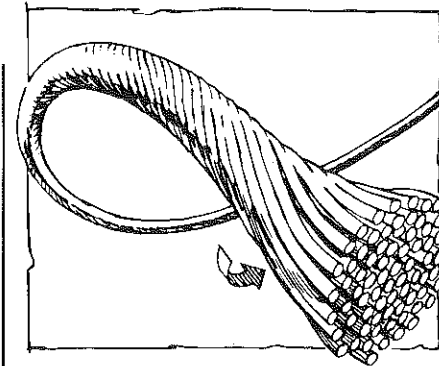

There's a Winn string to match every style of play. They're all designed to give you maximum power and control in any game, in any kind of weather. And you won't get soaked for the high cost of gut.

So whether your game is power, finesse, or somewhere in between, there's a Winn string that's made for you.

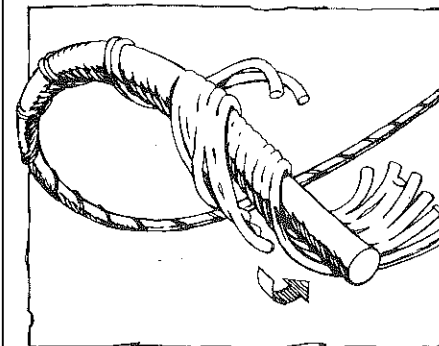

## The Gutless Wonder.

Gutex. The result of ten years of research and development—it has no center core. It looks, feels, and plays like gut. Costs much less. Lasts longer. And like all Winn synthetic strings isn't affected by wet weather or a wet ball. For faster play we offer thinner gauge Gutex Super.

## Black Power.

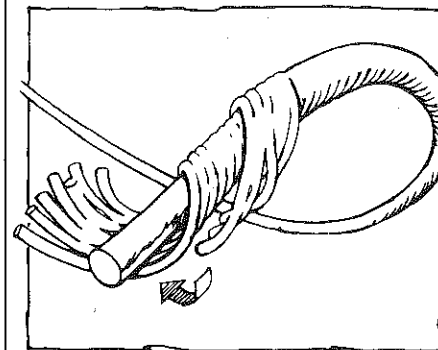

Our newest and most powerful string, Gutex Graphite is the perfect string for oversize and graphite racquets. 100% graphite impregnated, it's strong enough to be strung tight on an oversize. But because it has no center core it offers the same control as natural Gutex. So the power player can have all the advantages of gut without sacrificing the power of graphite. And without paying the gut price.

## Tops for Topspin.

Graphitex Super. It just might be the definitive nylon string. Not only does it have a unique texture for super ball control, it's graphite impregnated for power and fast play.

And for the player who prefers graphite power with less texture, we offer regular Graphitex.

## The Strong Hold.

A faultless approach to an economically priced nylon string. Gutite is an uncommonly strong and thin string that holds its resiliency over long periods of time. So you can string it tight on your oversize without losing tension. And it plays and controls like gut. If you want a strong string that will last, this is it.

Gutex,® Gutex® Graphite, Graphitex® Super, and Gutite.™ Four strings to love no matter how you slice them.

So bring your game up to date. Get your racquet strung with the Winn string that fits your game. And leave your opponents fit to be tied.

## Alabama Tennis Association Ranking Requirements

**Adults**

1. Resident of Alabama.
2. **Men's Singles and Doubles, Women's Singles and Doubles:** Competed in the ATA State Closed and two other ATA state open or invitational sanctioned tournaments; or competed in four (4) ATA state open or invitational sanctioned tournaments.  
**Men's and Women's 25, 35, 40, 45, 50, 55:** Competed in the ATA State Closed and two (2) other ATA sanctioned tournaments or four (4) ATA sanctioned tournaments. **Men's and Women's 60 and 65:** Competed in the ATA State Closed and 1 other ATA sanctioned tournament or three (3) ATA sanctioned tournaments. **Men's and Women's 70, Mother and Daughter, Father and Son, and Mixed Doubles:** Competed in one (1) ATA sanctioned tournament.
3. **Tentative Rankings:** Tentative rankings will be published in the fall newsletter.

**Juniors**

1. **Minimum Requirements:**
  - A) **Singles:** The minimum number of tournaments required for consideration for boys and girls 18-10 singles, is the ATA Qualifying or the ATA State Closed and Four (4) other ATA Sanctioned tournaments, or seven (7) ATA Sanctioned tournaments.
  - B) **Doubles:** The minimum number of tournaments required for consideration for boys and girls 18-10

doubles, is the ATA Qualifying or the ATA State Closed and one (1) other ATA Sanctioned tournament, or three (3) other ATA sanctioned tournaments.

2. **Sanctioned Events:** Only the results of ATA Sanctioned events in the applicable age division will be considered for ranking.
3. **Membership & Ranking Year:** All players must have current USTA membership to be ranked. The ATA ranking year for all age groups shall correspond to the USTA ranking year.
4. **Ranking Standards:**
  - A) Rankings will be based solely on records of players for the year under consideration, and not upon previous years' records or personal opinions of Ranking Chairpersons.
  - B) For ranking purposes, match results of all ATA Sanctioned tournaments shall be considered equal.
  - C) If a player meets the ranking requirements, and wins one (1) match, he/she must be ranked.
  - D) Direct wins of any one player over another will receive greater credit than all other data. A win counts as a win, no matter when it occurs in the ranking year.
  - E) **A long strong record, even with some losses, is preferred over a short record with comparable wins and fewer losses. Exposure is measured by the number of good quality opponents played, rather than solely by the number of tournaments played.**

F) When a player retires from a match, or defaults out of a tournament after the draw is made, it is a loss. This applies to the main draw as well as the Feed-In Consolation draw.

5. **Tentative Rankings:** Tentative rankings will be published in the fall newsletter.
6. **Ranking Appeals:** Players may appeal tentative rankings, in writing, to the Ranking Chairperson with a copy to the Ranking Coordinator. The decision on appeal will be made by the ATA Junior Ranking Committee, in closed session, and will be final.

## Tennis, Anyone?

Tennis is like the game of life,  
A lot of fun and a bit of strife.  
As one begins with a moving crawl,  
So one learns to hit the ball.  
One time you receive,  
the next time you give,  
The ball, you see,  
is like a day you live,  
Some pass you by  
as sand thru a sieve.  
So you have to keep  
your eye on the ball.  
If you ever expect to win at all.  
The net, one could say,  
is a challenge to us  
To get over and win,  
or end in a bust.

And the lines whose width  
seems so very thin,  
Are to guide us to judge  
if the ball's out or in,  
As in life one soon learns  
if the other is fair,  
He will never be needed,  
the man in the chair.  
Stop now and then  
as you're holding the ball,  
To give thanks to God  
who created it all.  
And always remember  
when you go out to play,  
That if you don't win,  
there's another day.

— Strat Donnell (1979)

NOTE: The GTA passed the following requirements for waivers from the Georgia Qualifying Singles Championships: (1) A college waiver must be requested one month in advance of the tournament. (2) A waiver may be requested one month in advance of the tournament by the #1, #2, #3, and #4 returning players in their age group in order to attend the National Inter-scholastic Tournament. (3) Requests for injury waivers must be submitted as early as possible. It should be noted that all of the above are guidelines for waiver requests; a request does not guarantee that a waiver will be granted. All requests should be directed to the chairmen of the selection committees listed above.

# Georgia Ranking Requirements and Regulations

## I. Regulations

In order to be considered for a Georgia ranking in his or her respective age division, a player must be a legal resident of Georgia and must compete in the required number of tournaments.

## II. Ranking Requirements

### A. Junior Ranking Requirements

#### 1. Singles

To qualify to be considered, a junior must acquire a minimum of six (6) tournament points in the age division, with a **minimum** of four (4) points from state championships and a **maximum** of one (1) point from the spring and fall circuit tournaments, by participating in sanctioned events as follows:

- State Championships  
(Indoor, Qualifying, Futures, Open, Closed) . . . . . 2 points
  - Spring and Fall Circuit Tournaments . . . . . 0.5 points
  - Other Sanctioned Georgia Tournaments . . . . . 1 point
- (See tournament listing for point value.)

Southern and USTA National Championships held in Georgia will **not** be counted in the above requirements.

#### 2. Doubles

To qualify to be considered, a doubles team must have satisfied either of the following requirements:

- a. Play in one (1) state championship **and** two (2) other tournaments in Georgia, excluding Southern and USTA National Championships held in Georgia, or
- b. Play in two (2) state championships.

### B. Adult Ranking Requirements

- 1. Men's and Women's Open singles and doubles. To qualify to be considered, a player or team must satisfy either of the following requirements:

- a. Play in one (1) state championship **and** two (2) other sanctioned tournaments in Georgia, or
- b. Play in two (2) state championships.

- 2. M4.5, W4.5, M30, W30, Men's 35, Women's 35, Men's 45, Colle-

giate Men's, Collegiate Women's, and Mixed Doubles. To qualify to be considered, a player or team must satisfy either of the following requirements:

- a. Play in one (1) state championship **and** one (1) other sanctioned tournament in Georgia, or
- b. Play in two (2) state championships.

- 3. Women's and Men's 40, Women's 45, Women's and Men's 50, Women's and Men's 55, Women's and Men's 60, Women's and Men's 65, Men's 70, 35 Mixed Doubles, Mother-Daughter Doubles, Father-Son Doubles, Husband-Wife Doubles. To qualify to be considered a player or team must satisfy either of the following requirements:

- a. Play in one (1) state championship, or
- b. Play in two (2) sanctioned tournaments in Georgia.

## III. Ranking Year

- A. The ranking year for juniors ends on September 30, 1982.
- B. The ranking year for **all** adults ends on October 31, 1982.

## IV. Importance of Adult Tournaments

- A. Georgia State Championships, based on strength of field.
- B. Other sanctioned tournament in Georgia.
- C. Matches between Georgia players in National and Sectional events.

## V. Tournament Information

All players are urged to send in complete and accurate tournament information to their appropriate ranking chairman. The deadline is **October 5, 1982** for all players. This deadline will be strictly enforced! Sending in a record does **not** guarantee a ranking. Players who do not comply with this request will have **no right of appeal** in the event they do not agree with the ranking assigned, if they are omitted, or if some tournament results are not considered. Players submitting records that are incomplete or that contain incorrect results will automatically lose their right of appeal for their Georgia ranking. Player records

should contain results of **all** sanctioned matches (**including out-of-state matches**) played during the ranking year.

## VI. Win/Loss Record

The major consideration for a ranking will be direct wins and losses over Georgia players and known sectional and National players. A player must have a win over another Georgia resident. The results of all sanctioned tournaments will count toward a ranking. In ranking any given division, results from other age divisions will not be considered. Your ranking should fall between your 'best win' and your 'worst loss.'

## VII. Out-of-State Wins

A direct win outside the state of Georgia between Georgia players **will** be considered. Players are responsible for reporting out-of-state results to their ranking chairman.

## VIII. Exposure

Exposure is important and will be measured by the number of good quality opponents that a person plays, rather than just participating in only the required number of tournaments for ranking, e.g. if there are two players with close records, the player with the longer record and more exposure will be ranked higher.

## IX. Insufficient Data

A player with an outstanding record (top five ranking), but not qualified as to number of tournaments, will be recognized in Insufficient Data.

## X. Defaults

Individuals having one default will automatically be dropped one (1) position in the final year's rankings. Individuals having a second default will be dropped three (3) more positions, or a total of four (4) positions. Individuals with three (3) defaults on their record will not be ranked.

- A. **Defaults** (when a player can't begin a match). Any player defaulting in any tournament, including consolation events, loses the right of using that tournament as a basis for qualification for GTA ranking requirements. Wins and losses to date in this tournament will be retained and counted in the player's record.

In the event of a default due to illness, injury, or personal emergency, the tournament director/referee must certify in writing that the default was **excused** in

order for this tournament to be retained for ranking requirements. The written excuse must be attached to the player's record. In any event, a default will be treated as above.

- B. **Retirements** (when play is discontinued during a match). In the event of illness or injury during a match, the tournament director/referee can certify that the individual is unable to continue play. Only play which is

discontinued under the above conditions is subject to be an **excused** retirement and in this case the tournament will still count toward qualification for a Georgia ranking. The written excuse must be attached to the player's record. Retirement in any case will **count as a direct loss** for the retiring player.

- C. **Withdrawals** (when a player drops out of a tournament **after** the draw has been made, but prior to the beginning

of the tournament). A player may not withdraw from a tournament after the draw has been made. Individuals violating this rule will receive a default! Valid withdrawals must be **certified in writing** by the tournament director/referee and will be excused with no penalty of default. The written excuse must be attached to the player's record. In any event, the tournament will **not** count toward the required number.

# 1982 KTA Ranking Requirements

## Ranking Eligibility Requirements

To qualify for a Kentucky District ranking, a player must be a legal resident of the Kentucky District (excluding the northern Kentucky Counties of Boone, Campbell and Kenton) and must compete in the required number of tournaments as follows:

### Juniors

- To be eligible for a *singles* ranking in a given age division (Girls and Boys, 18-12 and under), a player must compete in at least three (3) or four (4) KTA-sanctioned tournaments as follows:
  - The Creason Junior Qualifying and the Kentucky Junior Closed Championships *plus* one (1) summer tournament; or
  - The Kentucky Junior Closed Championships *plus* three (3) summer tournaments.
- To be eligible for a *doubles* ranking in a given age division, a doubles *team* must compete in at least three (3) KTA-sanctioned tournaments as follows:
  - The Creason Junior Qualifying *or* the Kentucky Junior Closed Championships *plus* two (2) summer tournaments.
- If a player enters a tournament in good faith in a given age division and that division is combined with another age

division, then that remains an eligible tournament for ranking eligibility purposes in the original age division.

- For eligibility purposes *only*, summer tournaments are those beginning with the Creason Junior Qualifying and ending with the Kentucky Junior Closed Championships. The Seventeen Magazine Qualifier shall *not* be considered for ranking eligibility purposes. However, results of *all* sanctioned tournaments during the entire ranking year will be considered for ranking.

### Adults

- To be eligible for a *singles* ranking in a given division, a player must compete in at least two (2), three (3) or four (4) KTA-sanctioned tournaments as follows:
  - The Kentucky Closed Championships *plus* either the Kentucky Adult Indoor Championships, Kentucky Open Championships or Kentucky Hard Court Championships; or
  - The Kentucky Closed *or* Open Championships *plus* two (2) other tournaments; or
  - Any four (4) tournaments, at least two (2) of which must be late-season and one (1) of which must be outside the player's own metropolitan area.

- To be eligible for a *doubles* ranking in a given division, a doubles *team* must compete in any two (2) KTA-sanctioned tournaments, at least one (1) of which must be late-season.
- The importance of *adult* tournaments shall be:
  - Kentucky Closed Championships;
  - Kentucky Open Championships;
  - Kentucky Adult Indoor Championships and Kentucky Hard Court Championships equally;
  - All other KTA-sanctioned tournaments, with consideration for the size and quality of the draws.
- When a given event is held in three (3) or fewer tournaments, or if an event is not held in one (1) or more of the four (4) State Championship tournaments, the minimum ranking eligibility requirements shall be waived at the discretion of the respective ranking committee.
- If there are at least four (4) entries in any *Senior* age division in a State Championship tournament, then that event *must* be held. If there are three (3) entries, the event should be round-robin. Awards shall be at the tournament committee's discretion. All other tournaments are recommended to follow the same policy regarding *Senior* events *only*.

Since 1970 SCARPA TENNIS TAPES has worked to better serve the court builder, club professional, tennis committee, maintenance crew and players.

First to introduce a tape of its type, we have constantly worked to improve quality and performance. Going from cotton, to nylon/cotton, to our highly-tensile man-made acrylic fiber with its non-slip rubberized coating has made TENEX the No. 1 tennis tape.

Reasons why most major tennis facilities call for Tenex Tapes over others:

1. Proven Durability
2. Lays down more smoothly.
3. Rough texture allowing true consistent bounce.
4. No discoloring from court composition and Calcium Chloride.
5. Non-slip coating
6. Marked nail holes
7. No shrinking of tape

## Louisiana Tennis Association 1982 Ranking Regulations

1. A player must be a bona fide legal resident of the State of Louisiana prior to the starting date of the tournament and physically reside in the State at that time. Students attending Louisiana colleges meet this requirement.
2. The ranking year for all age divisions corresponds to the dates adopted by the Southern Tennis Association. For juniors (B & G 10-18), the 1982 ranking year is October 1, 1981 to September 30, 1982. Exception: G 14-18 includes the Seventeen Tournament September 25-27, 1981. The 1982 ranking year for all other age groups is October 1, 1981 to October 31, 1982. Age eligibility requirements are those defined by the USTA.
3. The major consideration for ranking will be direct wins and losses. A player must have a win over another Louisiana resident. The results of all Louisiana sanctioned tournaments shall apply toward ranking.  
Out-of-state play in USTA and STA sanctioned tournaments between Louisiana residents will be considered in the ranking process only if the data is sent to the LTA ranking committee prior to the date tentative rankings are issued. Matches between players both playing outside "normal" age division may also be considered. However, the player requesting use of these results in a division other than that in which played must so note by sending his request to the LTA ranking committee prior to the date tentative rankings are issued.
4. Other than to report out-of-state and out-of-age division play, Tournament Record Sheets are not required to insure consideration for ranking or the right to protest tentative rankings when published.
5. Rankings shall be based solely upon the record of the players for the year under consideration and not upon the personal opinions of the ranking committee. Wins, losses, exposure, and comparative scores shall all be considered. Exposure is important and will be measured by the number of good quality opponents that a person plays rather than just by participating in only the required tournaments for ranking. Example: Two players with close records — the player with the longer record and more exposure will be ranked higher.  
A player with an outstanding record who fails to meet the minimum play requirements outlined in items number 7 and 8 will be recognized in Insufficient Data.
6. Only matches using conventional scoring and at least two out of three sets in length will be considered for ranking. The use of no-ad scoring and/or tie-breakers is permissible. Only play in sanctioned tournaments, including sanctioned consolation rounds, will be considered. Unexcused defaults, including first round "no shows" will be regarded as direct losses. Further, the tournament will not count toward the number required for ranking. It is the player's obligation to withdraw before the draw is made or present valid evidence of his problem prior to the beginning of the tournament upon which the director may note withdrawal — excused.
7. **Junior Ranking Requirements (B12-18, G12-18)**
  - A. **Singles** — must play in at least four sanctioned Louisiana tournaments, two of which must be the following: Louisiana Qualifying (Lafayette & Shreveport), BREC Gulf States

(Baton Rouge), Shrimp and Petroleum Festival (Morgan City), Louisiana State Open (Shreveport), Louisiana State Closed, and Beach Club Jr. Chps. One of the above listed must be played outside of his or her region. Players participating in USTA National Age Group tournaments which conflict with these tournaments may qualify by playing one of the above listed and three other Louisiana tournaments.

- B. **Doubles** — must play two of the six tournaments listed in the singles requirements, one of which must be out of his or her region. Partners from different regions may qualify by playing one of these designated tournaments in each of their regions.

8. **Adult Ranking Requirements (MO, M35, M45, WO, W35)**
  - A. **Singles** — must play in three Louisiana sanctioned tournaments, one of which must be played outside of his or her region. (See map and list of principal cities for region locations.)
  - B. **Doubles** — must play in two sanctioned tournaments, one of which must be out of his or her region.
9. Categories not listed in items 7 and 8 will be ranked on the basis of records from available sanctioned tournaments.
10. Tentative and Final Rankings will be published in the **Louisiana Tennis News** which is mailed to all LTA members. Protests of published tentative rankings, accompanied by complete and accurate records, must be made in writing to the Louisiana Tennis Association Office, attention Ranking Chairman, within two weeks of their publication.

## Louisiana Tennis Association Tournament Regulations (mandatory)

1. Each sanctioned tournament must commit as to the surface on which each event will be played.
2. Inclement weather gives the Tournament Committee the prerogative to change surfaces to stay on schedule.
3. If a participant enters two events, singles and doubles in the same age group, he may not play more than 3 matches a day of which two may be singles. If he enters two singles events, two doubles events, or singles and doubles in different age divisions, he may be required to play four matches a day, but no more than two in any category. If he enters three or more events, these rules do not apply.
4. In case of inclement weather the Tournament Director may:
  - (a) Cancel consolation matches.
  - (b) Cancel doubles matches, if necessary.
  - (c) If any events are held, they must be 2 out of 3 sets.
  - (d) Requirement number 3 above may be disregarded.

minimum of one hour's rest between and before singles matches unless multiple singles events are entered by the player, in which case a one-half

hour minimum will be observed.

6. Each competitor must be allowed a minimum of twelve hours from the end of his last match on a given day until the beginning of his first match on the following day.
7. Players participating in multiple singles or doubles events must be expected to keep up with the regular schedule and may be defaulted from an event of his choice if inclement weather creates scheduling conflicts that could force lengthy delays in the match play schedule as the result of an attempt to accommodate participants in multiple events.
8. After a match has begun and a dispute has arisen, any player who makes a request should always be provided with an umpire or monitor to keep score and mediate line call disputes. Competitors should not be forced to continue play until an official is provided. For all junior tournaments, monitors should be provided at a ratio of 1 per each 4 courts. Monitors for adult matches are discretionary with Tournament Director.
9. Players must not be forced to play on courts that do not meet USTA specifications, i.e., courts that have wire nets that cannot be regulated to the required height; courts that do not have the prescribed boundary area between the baselines, sidelines, and fences; and courts that are excessively slanted, uneven or cracked. Clay or rubico
10. Players should never be required to play matches that begin earlier than 7:00 A.M. or later than 10:00 P.M.
11. A photocopy of applicant's USTA card or USTA application for enrollment must accompany each entry.
12. Three balls must be supplied for each match. On clay courts regular duty balls are required. New balls must be available for the third set.
13. At the Tournament Director's option, the third set of a match may be decided either by the "12-point Tiebreaker" or by playing the set out. Option must be stated in entry blank.
14. The maximum closing time for entries in sanctioned tournaments is ten (10) days.
15. Point penalties, as authorized by the USTA, will be in effect in all LTA sanctioned tournaments.
16. Players from the same family should not play each other in the first round; and players from the same city should not play each other in the first round, if at all possible.
17. Tournament Director shall have the discretion to use no-ad scoring until the quarter-finals. From the quarter-finals on, regular scoring must be observed.
18. In junior tournaments, the Tournament

courts must be properly watered. The courts should be firm and not have excess "powder." Lines must be visible. There must be a minimum of 6 courts at the tournament location.

19. Tournament Directors should apply for sanction of the next year's tournament when they send in tournament results.
20. Head Tax: Tournament Directors shall collect and promptly remit the Head Tax required under the LTA rules and regulations. Failure to do so will result in loss of future sanction.
21. New balls must be used in "feed-in" consolations in all Louisiana State Championship Tournaments (Jr. and Adult).
22. The LTA Mandatory Tournament Regulations have been amended to permit the use of only the "12-point Tiebreaker" in sanctioned tournaments. The "9-point Tiebreaker" should not be used.
23. In the event that any of the LTA Mandatory Tournament Regulations conflict with any **mandatory** regulations of the USTA, then the USTA regulations will supersede and be applicable to all LTA sanctioned tournaments.

**Any changes in the Tournament Regulations will be published in the March issue of the LTA Newsletter.**

AND DIMENSIONS  
OF SINGLES COURT

# 1982 Mississippi Ranking Requirements and Standards

## I. Requirements

- To receive a 1982 Adult Ranking a player must compete in one of the Mississippi Championships (Ms. Chmps., Ms. Closed, Ms. Senior Clay Court Chmps., Ms. Senior Clay Court Closed) and one other sanctioned tournament in Mississippi.
- To receive a 1982 Junior Ranking in Mississippi a player must compete in two of the three major tournaments (Ms. Qualifying, Ms. Chmps., Ms. Closed) or one of the major tournaments and two other sanctioned tournaments in Mississippi, excluding the Mississippi Spring and Fall Circuits.
- All players are urged to send complete tournament record information to the appropriate ranking chairman. Only those who send records will have RIGHT OF APPEAL in the event they do not agree with the ranking assigned.

## II. Standards

- The main consideration in determining rankings is a player's "won or lost" record (who you win from

- and who you lose to), not how far you get in a tournament.
- An indirect win or loss in the same tournament will be considered.
- Feed-in consolation matches will be used for rankings.
- Matches played outside your age group have no bearing on the ranking in your age group.
- Players will be ranked on their actual records, not on their "known" ability; and the overall record will be considered, not select matches.
- A player or team must have won at least one match to be considered for a ranking.
- All players who meet the requirements will be ranked.
- A long and strong record even with some losses is preferred over a short record with comparable wins and fewer losses.
- Exposure is important and will be measured by the number of good quality opponents played rather than solely by the number of tournaments played.

- Failure to enter late season tournaments, after earning a good early season record, may be considered detrimental to ranking.
- A player with an otherwise outstanding record, but not qualified as to the number of tournaments played, can be recognized in "Insufficient Data" and listed alphabetically.
- Results of head-to-head matches played outside the state between two Mississippi junior players may count toward ranking if, and only if, the player sends these results to the ranking chairman.
- Mississippi Junior Circuit tournament results will be used for rankings; however, these tournaments do not count toward number of tournaments played as stated under REQUIREMENTS FOR RANKING.
- The minimum tournament requirements for any player may be waived in exceptional cases by a majority vote of the Ranking Review Board.

- The 1982 NCTA Junior Ranking Year runs October 1, 1981 to August 31, 1982. The Junior Age Eligibility Year remains October 1, 1981 to September 30, 1982. This means that September tournament results will count toward the 1983 ranking year. The 1982 Adult and Senior Ranking Year runs October 1, 1981 to October 31, 1982. (Note: For this one year, adult and senior divisions have a 13-month year of tournament results that will count toward 1982 rankings.)

### 3. Rankings

A. Rankings shall be based solely upon the record of the players under consideration. Results of both head-to-head matches and matches against common opponents in play outside their division or outside the state will count toward ranking. In order to receive full consideration for these matches, it shall be the players' responsibility to send these results to the ranking chairman of their respective age division. The ranking chairman may use information available to them from any source, however. Ranking criteria are listed below in the order of their importance.

(a) Results of head-to-head matches. The main consideration in determining rankings is the "win" and "lost" record (who you win from or lose to, not how far you get in a tournament).

(b) Results of matches between common opponents.

(c) A good "win" record is essential for a high ranking.

(d) Exposure is important and should be measured by the number of good quality opponents that a player plays rather than solely by the number of tournaments played.

(e) The North Carolina Closed Championships will be considered on a scale of 1.5 in regard to other tournaments. USTA and STA Championships held within our geographical limits will be given less weight than our State Tournament, but more than other North Carolina tournaments.

(f) Comparative scores will only be considered in otherwise even cases.

(g) Late season tournaments will be given more weight than early season tournaments if all other things are equal.

(h) Players are ranked on their actual record, not their "known" ability or the personal opinions of the ranking committee. The overall record will be considered, not the result of selected matches.

(i) A long and strong record even with some losses is preferred over a short record with comparable wins and fewer losses.

B. High School matches do not serve as a required tournament to be

used for the purpose of ranking, but head-to-head matches in the Sectional, Regional, and State High School Championships do count.

4. The minimum tournament qualifications may be waived in exceptional cases by a majority vote of the Junior Tennis Council upon the recommendation of the Ranking Committee Chairperson.

5. A player or team, with an otherwise outstanding record, but not qualified as to number of tournaments, will be recognized in Insufficient Data. A "recognized or known player, or team, is not sufficient; the record must be outstanding with only the number of tournaments lacking."

6. All players who desire to be considered for a ranking in North Carolina are urged to send their record on the form adopted by the NCTA and the STA no later than September 1, 1982. While sending in a record is not a condition precedent to receiving a ranking, those players who fail to send in their records shall have no right of protest in case he or she is either not ranked or ranked improperly.

7. Except where contrary to the above rules, the USTA ranking rules will be applied.

8. Tournaments sanctioned in North Carolina shall be designated by the local Tournament Committee as "closed," "open," or "invitational" and entry eligibility within the age classification for any tournament, depending upon its designation, shall be as follows:

- "closed" — any person who is a resident of, and domiciled in, the State of North Carolina for at least thirty (30) days prior to the first day of the tournament and who during the current ranking year has not entered a closed tournament in any other USTA District (state) or a closed tournament of any Section other than The Southern Section of the USTA.
- "open" — any person without regard to residence or domicile.
- "invitational" — any person who has been specifically invited to enter the tournament.

The foregoing definitions shall have no application to Sectional or national tournaments with situs in North Carolina.

Additionally, the entry forms for all North Carolina closed tournaments shall contain the following statement thereon to be signed by the entrant, and if a junior, that entrant's parent or guardian:

"I hereby certify that I am domiciled in, and a resident of, the State of North Carolina and will have been so for 30 days preceding the start of this tournament; and that during the current

ranking year, I have not entered, nor do I intend to enter, any closed tournament in any other USTA District (State) or in any other USTA Section, other than the Southern Section; and that this certification is made to determine eligibility for this tournament and is made under penalty of disqualification by the Tournament Committee from entry, suspension, denial of any ranking or any other appropriate action by the North Carolina Tennis Association."

### 9. Entries

A. Entries to the Tar Heel Qualifying Tournament will be limited as follows:

- Singles draw of 32 players.
- Automatic entry awarded on basis of immediate prior year's NCTA or STA singles rankings #1-24 and #1-12 in age-ups or any USTA singles ranking. For those who have moved to North Carolina and can certify under Regulation 8, rankings #1-24 and #1-12 in age-ups in previous District or Section will count as if in NCTA or STA.

(3) Remainder of draw filled by results of qualifying round preceding tournament (lucky losers draw if number needed is more than the winners of that particular round). In the pre-qualifying round of the Tar Heel Tournament, the lucky losers will be drawn in order. The lucky losers not admitted immediately to fill vacancies in the main draw will be available to fill defaults prior to tournament date.

10. Novice junior tournaments are for all otherwise qualified and eligible players, except players who were ranked #1-20 in the age divisions 14, 16, and 18 and under.

11. Adult "B" Circuit tournaments are for all otherwise qualified and eligible players, except players who have a ranking in singles or doubles in any age division.

12. The following code will be used on drawsheets for defaulting and retiring from sanctioned tournaments;

DEF-I Illness

DEF-W withdrew with proper prior notice before first match

DEF-J Injury

DEF-N No reason — did not report for match  
RET-I illness during match  
RET-J injury during match  
RET-N no reason during match  
RET-D disqualification by tournament officials — game score at the time loser retires must be recorded.

Combination codes are preferred in posting results, i.e., DEF-WI would indicate player Withdrew with proper prior notice before first match due to illness.

13. North Carolina requirement for junior players to qualify for play in the Southern Junior Closed Championships are: To be considered a player must apply to the N.C. Selector. All who apply will be ranked for acceptance by the following guidelines; National, Southern, and State rankings plus current season's play and most importantly, play in the Tar Heel Qualifying Tournament. Write to the N.C. Selector in early May for an entry blank. All requests for entries must be accompanied by a **stamped, self-addressed envelope**.

14. The North Carolina entrants into Seventeen's Tennis Tournament of Champions sponsored by The Maureen Connelly Brinker Tennis Foundation, Inc., shall be determined exclusively on the basis of the North Carolina Junior Closed Fourteen's, Sixteen's, and Eighteen's.

### 15. Hours of Play

- A junior tournament player shall be entitled to at least one-half hour rest period between all matches.
- No player in a junior tournament will be required to begin a match after 9 P.M.
- During a match in a junior tournament, coaching is permitted during an authorized intermission. The one minute period between change of courts is not an authorized intermission. The mandatory 10 minute rest between the second and third sets as specified under USTA regulations and also any authorized suspension of play is an authorized intermission.

South Carolina Tennis Association  
1982 Ranking Requirements

1. In order to be considered for a South Carolina ranking, a player must be a legal resident of the state and compete in the required number of tournaments.

2. Eligibility Requirements for Entering A South Carolina State Closed Tournament:

A. You must be a resident of South Carolina and currently live in the state.

B. You must have a current USTA card showing South Carolina as your resident state. You may not apply for a new USTA card at a State Closed Tournament.

C. You may have only one current USTA card.

D. You may not play in another State Closed tournament if you play in the South Carolina State Closed.

E. If you are a college student who lives in another state or country, but attends college in South Carolina, you must meet requirements B, C and D and the following:

You must have played in at least one sanctioned tournament in South Carolina in the same event(s) and age division as the State Closed Tournament in which you intend to play.

Penalty: Any player who claims to meet these requirements under false pretenses, shall not be ranked in the state of South Carolina for a period of 3 years from the date of discovery; further, that player will not be allowed to enter a State Closed tournament in South Carolina for the same period of time.

3. Default — inability to start a match.

A. A first match default with no prior notification (no show) will be considered a 6-0, 6-0 loss for ranking purposes. Further, the tournament will not count toward the number required for ranking. The draw sheet will be marked “non-excused default” and the advancing player will be credited with a “direct win.”

B. Any default in any round with prior notification to the tournament director will be considered a 6-0, 6-0 loss for ranking purposes. Matches played to that point will be counted on the player's record, but the tournament will not be counted toward the number required for ranking unless the tournament director notes on the draw sheet that the default was excused for injury, illness, or similar reason beyond the player's control. The advancing player will be credited with a “direct win.”

C. Any player with three or more defaults on his record in one ranking year will not be ranked in any division for that year.

Retirement — inability to complete a match. Retirement after a match has begun is treated as a loss for ranking purposes. If the reason for retirement is considered valid by the tournament director, the tournament will count toward ranking qualification. The draw sheet must be marked “excused retirement.” In the case of an “unexcused retirement,” the loss will stand, and the tournament will not count for ranking purposes. Players advancing due to retirements will be credit with a “direct win.”

Withdrawal — when a player drops out of a tournament prior to its beginning. No record will be made of a withdrawal prior to a draw being made. Withdrawal after a draw is made will be counted as a default loss as in default rule No. 2.

4. Junior Ranking Requirements:

10's and 21's (Singles and Doubles) — Must play in the State Closed and one (1) other sanctioned tournament in South Carolina.

18-12 (Singles) — Must play in the State Closed and the Palmetto Qualifying Tournament plus two (2) other sanctioned tournaments in South Carolina; or a player must play in the State Closed or the Palmetto Qualifying Tournament plus four (4) other sanctioned tournaments in South Carolina. The State Closed will carry more weight than the Palmetto Qualifying for ranking purposes.

18-12 (Doubles) — Must play in the State Closed or the Palmetto Qualifying Tournaments plus two (2) other sanctioned tournaments in South Carolina. The State Closed will carry more weight for ranking purposes.

5. Adult Ranking Requirements:

Singles (Men's and Women's Open) — Must play in the South Carolina State Closed plus two (2) other sanctioned tournaments in South Carolina or four (4) sanctioned tournaments in South Carolina.

Doubles (Men's and Women's Open) — Must play in the South Carolina State Closed plus one (1) other sanctioned tournament in South Carolina or three (3) sanctioned tournaments in South Carolina.

Men's and Women's 25 and 35 Singles — Must play in the State Closed plus two (2) other sanctioned tournaments or four (4) sanctioned tournaments in South Carolina.

Men's and Women's 25 and 35 Doubles — Must play in the South Carolina State Closed plus one (1) other sanctioned tournament or three (3) sanctioned tournaments in South Carolina.

Men's and Women's 40 Singles — Must play in the South Carolina State Closed plus two (2) other sanctioned tournaments or four (4) sanctioned tournaments in South Carolina.

Men's and Women's 40 Doubles — Must play in the South Carolina State Closed

plus one (1) other sanctioned tournament or three (3) sanctioned tournaments in South Carolina.

*Seniors (Men's and Women's 45, 50, 55, Singles)* — Must play in the State Closed plus one (1) other sanctioned tournament or three (3) sanctioned tournaments in South Carolina.

*Seniors (Men's and Women's 60, 65, 70 Singles and Doubles)* — Must play in the State Closed or two (2) other sanctioned tournaments in South Carolina.

*All Mixed Doubles* — Must play in the State Closed plus one (1) other sanctioned tournament or three (3) sanctioned tournaments in South Carolina.

- All players must play at least one (1) tournament out of their region in order to qualify for a ranking.
- The South Carolina State Closed cannot be counted as that out-of-region tournament.

- Rankings will be based solely on the records of players for the year under consideration, and not upon previous year's records or personal opinions of Ranking Chairpersons.
- All players are urged to send in complete and accurate tournament information to the Ranking Chairman. Juniors should be turned in by October 10, 1982 and Adults by January 10, 1983. This deadline will be strictly enforced. Players who do not comply with this request will have **no right of appeal** in the event they disagree with the tentative ranking assigned. Players sending in incomplete or incorrect records forfeit their right of appeal. Player records should contain results of all sanctioned matches (including out-of-state matches) played during the ranking year.
- The main consideration for ranking will be direct wins and losses over South Carolina players. Results of matches between common opponents is also important.

- In ranking any given division, results from other age divisions will not be considered. The results of all South Carolina sanctioned tournaments will count toward a ranking.
- Exposure is important and will be measured by the number of *quality* opponents that a person plays, rather than just participation in only the required number of tournaments, e.g. if there are two players with similar records, the player with the longer record and more exposure will be ranked higher.
- All other things being equal, direct wins later in the ranking season will bear more weight.
- A good "win" record is essential for a high ranking.
- The minimum tournament requirements for any player to be ranked may be waived in exceptional cases by a majority vote of the Ranking Review Board.

1982 Tennessee Tennis Association  
Ranking Regulations

Adult Ranking Regulations

1. **Open, 35, 45, 55, 65, 75** — In order to receive a 1982 ranking (singles and doubles): A player must play in the Tennessee State Closed and one other tournament in Tennessee (one of which must be outside the player's region); or a player must play in three sanctioned tournaments in Tennessee (one of which must be outside that player's region).
2. **40, 50, 60, 70 and all mixed doubles** — In order to receive a 1982 ranking (singles and doubles): A player must play in the Tennessee State Closed and one other tournament (in any region); or a player must play in two sanctioned tournaments in Tennessee (one of which must be outside that player's region).
3. Regions will be defined in the 1982 Southern Yearbook, or can be determined by calling the TTA Office.
4. Players who qualify for a ranking can assist the ranking process by sending to the proper Ranking Chairman their complete records with all results for the ranking year; and players who qualify without playing in the Tennessee State Closed are especially encouraged to send in their complete records.
5. Only results of sanctioned events in Tennessee will be considered for ranking purposes. The major consideration for ranking will be direct wins and losses. A player must have a win over another Tennessee resident to be considered.
6. A player or team with an outstanding record, but not having the minimum required number of tournaments, may be noted under "Insufficient Data" by the Ranking Committee.
7. A numerical grouping or a "Class A"

category may be used by a ranking committee for giving recognition to players who meet minimum qualifications, but whose record does not warrant a specific numerical ranking.

Junior Ranking Regulations

1. To qualify for a 1982 ranking in Tennessee in his or her respective division, a player must compete in the below-stated number of tournaments.  
**Singles:** Three (3) sanctioned tournaments in singles within Tennessee, one of which must be either the **Tennessee Qualifying** or the **Tennessee State Closed Championships**; OR the **Tennessee Qualifying** and the **Tennessee State Closed**.  
**Doubles:** Two (2) sanctioned tournaments in doubles (as a team) within Tennessee, one of which must be either the **Tennessee Qualifying** or the **Tennessee State Closed**.
2. The major consideration for ranking will be direct wins and losses. A player must have a win over another Tennessee resident. The results of all sanctioned tournaments and sanctioned school matches and tournaments will apply toward ranking. Results of head-to-head sanctioned matches between two members of the same age division playing outside their division will count toward ranking. Only best 2 of 3 set matches will count toward ranking.
3. A direct win in a sanctioned tournament outside the State of Tennessee, between Tennessee players, will be considered. Players are responsible for reporting all results including out-of-state results to their ranking chairman.
4. Head-to-head, best 2 of 3 set matches in

all TSSAA District, Regional and the State High School Playoff Tournaments will count toward ranking. However these tournaments do not serve as a required tournament to be used for qualifying for a ranking under #1 above.

5. Head-to-head, best 2 of 3 set matches played in sanctioned high school tournaments will count toward ranking.
6. Non-sanctioned matches between 2 schools will not be considered for ranking purposes.
7. A TTA member school may apply for and receive sanctioning for a school match with another school if proof is provided to the TTA that the opposing school was notified of the fact that the match was sanctioned prior to start of play. Head to head, best 2 of 3 set matches played in the sanctioned school match will count toward ranking.
8. Exposure is important and will be measured by the number of good quality opponents that a person plays rather than just by participation in only the required number of tournaments for ranking, e.g., if there are two players with fairly close records, the player with the longer record and more exposure will be ranked higher. All other things being equal, a direct win in a later tournament could be a deciding factor.
9. A player with an outstanding record but not qualified as to number of tournaments will be recognized in Insufficient Data.
10. Three (3) defaults on a player's record will require that the record of that player be reviewed by the ranking committee for possible disqualification.
11. The following code will be used on draw sheets for defaulting and retiring from sanctioned tournaments:

- DEF-I illness and injury  
 DEF-W withdrew with proper prior notice before first match  
 DEF-N no reason — did not report for match  
 RET-I illness or injury during match  
 RET-N no reason during match  
 RET-D disqualification by tournament officials — game score at time loser retires must be recorded.

12. A minimum of sixty percent of all players qualifying for a ranking must be numerically ranked. All others may be ranked alphabetically.  
 13. All players who desire to be considered for ranking in Tennessee are responsible for submitting a complete and accurate record to their ranking chairman no later than October 10. While sending in a record is not a requirement for

ranking, any player failing to send in a record will have no right of protest if he or she is not ranked or ranked improperly.

# Three Group Instruction Packages

Available From the United States Tennis Association

## #1. USTA Starter Tennis.

USTA Starter Tennis is an effective program package designed for tennis instruction at the introductory level where tennis courts may not be available—in a schoolyard, on a blacktop, against a wall, in a gym. Ideal for both novice and

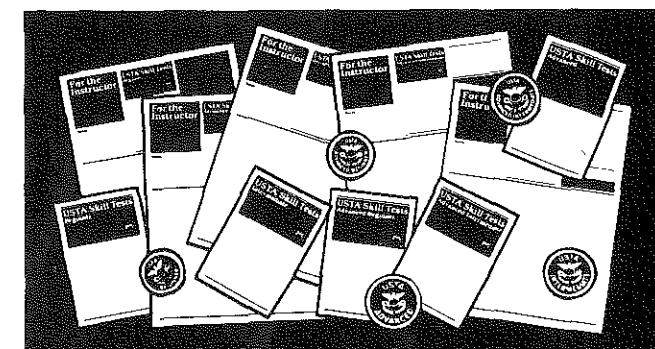

seasoned teachers, Starter Tennis provides an easy-to-follow Teacher's Guide and a complete kit of 25 student books, 25 skill tests, and 25 Tennistar certificates and badges. The cost is \$5.00, including shipping and handling.

## #2. USTA Skill Tests and Awards.

This simple three-part system allows the group instructor to evaluate and reward the achievement of individual students in a group class situation.

The tests measure skills at five levels, beginner to advanced, and test cards are color coded to both USTA certificates and the teacher's class roll form. USTA badges of graduated size are washable and colorfast.

## #3. USTA COURTSTAR.

USTA COURTSTAR is an on-court program package developed for beginner instruction. Organized into a compact kit, COURTSTAR is designed especially for group teaching in schools, parks, and community centers. For \$10

(plus postage and handling) you will receive a lesson agenda, instructional posters, a 64-page workbook, a 96-page teacher's guide, class roll forms—plus iron-ons and test cards for 10 students.
