USTA SOUTHERN SECTION MISSION STATEMENT

"To promote and develop the growth of tennis."

DISTINCTION

Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to owning the U.S. Open and selecting members of the Davis Cup, Fed Cup, Olympic and Paralympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 165,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee make up the USTA Southern Section, and accounts for approximately 25% of the total USTA membership. A professional staff housed in Norcross, GA, carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers. For more information about the types of programs and services offered by the USTA Southern Section, visit www.southerntennis.com.

MESSAGES

PRESIDENT'S MESSAGE

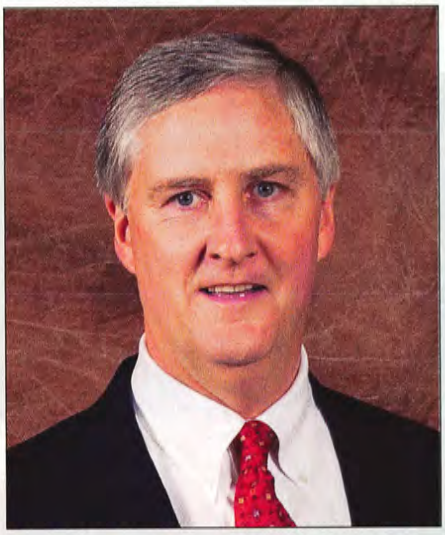

As I start my first year as president of the USTA Southern Section, I first reflect on the rich past of this organization. Outgoing president Barbara Brewer has done a phenomenal job in leading us these past two years and we owe her our sincere gratitude. Under Barbara's tenure, USTA Southern Section membership continued its steady rise and is currently at an all-time high. She has also pushed us to stay focused and be creative in all that we do. As the torch is passed, I applaud our past efforts and pledge to continue Barbara's tradition of success.

The past year has brought several changes to the organization. As many of you probably noticed, the USTA Southern Section launched a redesign of its web site this past year. The new site has a cleaner, fresher look, is easier to use and navigate and offers more interactive features. If you have not yet seen the new site, I encourage you to visit it today at www.southerntennis.com.

Other changes you have seen, and will see more of in the coming year, revolve around how we play the game. The new Dynamic NTRP Rating system and Tennis Link were talked about for much of 2002 and will be fully implemented in 2003.

For the past five years, much work has been done to improve the USA League Tennis program, the world's largest adult tennis league. With over 400,000 players nationwide and 119,000 in the Southern Section alone we consider this to be the USTA's premiere adult program.

The National Tennis Rating Program (NTRP) has been extremely successful in allowing tennis players to compete with players of similar ability. Used both in leagues and tournaments, this has become a nationally accepted system. However, we have listened to your suggestions and comments over the years and feel that the new Dynamic NTRP system will allow us to better promote and develop the USA League Tennis program.

Dynamic NTRP is an enhanced rating system that generates player ratings with each match played. In 2003 there will be no more on-court verification clinics and all new players to the program will be allowed to "self-rate."

Tennis Link is the USTA's new online league and tournament registration, score reporting and search system. In 2003 it will be mandatory for all USA League Tennis teams to use this system for league registration and scoring. You can find more information about Dynamic NTRP and Tennis Link by visiting us online. I hope that over time you see these changes as improvements to this game we love.

This is a very exciting time to be involved in tennis and I am anxious to start my presidential duties. While my goals are high, I am confident that with the help of our strong support team of staff and volunteers the USTA Southern Section will continue to be successful.

Thank you.

Gordon A. Smith

EXECUTIVE DIRECTOR'S MESSAGE

The mission of the USTA Southern Section is "To Promote and Develop the Growth of Tennis." Following that mission I want to thank all the dedicated players, volunteers and staff that helped make 2002 a success. Now, I want to ask if tennis has been something you have enjoyed throughout your lifetime, I urge you to share your love of the game. Please consider asking a friend or family member to hit with you on the weekend or enroll your children in a group tennis lesson at your local club. With your help we can get more players started in this wonderful game!

Also remember to thank the hundreds of volunteers in our nine states who dedicate much of their lives to improving and growing this game. Along with the people who work in our community, State and Section offices, they do some amazing work and deserve to be recognized for their dedication and commitment. it is also important to acknowledge our partners in the tennis industry. This includes every teaching pro, coach, captain, club owner and player. Their work helps us to reach our goals.

USTA Southern Section membership surpassed 165,000 in 2002, a growth of over 10,000. Help us to continue this trend in the coming year by giving back to the game you love.

Roy Emerson, Billie Jean King, Arthur Ashe, Andre Agassi. To this list of great champions of the game of tennis, we'd like to add one more name. Yours. What it requires is a willingness to sell the game as hard as you play it. To anyone willing to listen. Sometimes, even when they're not. Tell them: **it's affordable, it's family oriented, it's great exercise, it fits in the overhead storage compartment, it's a lifetime of fun and competition at all ages, all levels.** The put-away is, tell them that tennis is a perfect excuse for you to spend more quality time together. So spread the word and share the game. Because you love tennis. And because tennis needs more champions.

SOUTHERN TENNIS HALL OF FAME INDUCTEES

EDGAR A. "NED" NEELY III

To quote legendary University of Georgia tennis coach Dan Magill, "Ned Neely was not only an outstanding tennis player, but he was also a great person."

Edgar A. "Ned" Neely III was born in Atlanta, GA, and started playing tennis at age 8. Under Jack Waters' tutelage, Neely racked up local, State and Southern championships in the early 1950s, culminating in his first national title, the 1955 National Boys' 15 Singles, over Butch Buchholz. Buchholz and Neely teamed up to take the doubles championship. Neely also captured the Junior Clay Court National title in 1955.

He was a finalist in the National Interscholastics in 1956 and he won several singles and doubles Southern Boys' championships between 1954 and 1958. Neely closed out his junior career in 1958 ranked No. 8 in the USTA Boys' 18 competition.

Neely played tennis on a full scholarship to Georgia Tech, where he became the school's first All-American in 1959 and 1960. In 1960 he led Georgia Tech to the Southeastern Conference team title and was the SEC No. 1 singles and doubles (w/ Harry Thompson) champion. Neely still holds the Tech record for best all-time winning percentage in doubles with a 55-13 (.809) record.

In 1955, Neely competed in his first U.S. Open Championship at Forest Hills. As a first-time player, and the youngest competitor in the field, Neely lost to Gardner Mulloy, the oldest player in the tournament. Neely went on to compete at the U.S. Open five times in his career.

Following graduation from Georgia Tech and a stint in the Marine Corps, Neely joined the professional world tennis circuit. He competed for several years, making three appearances at Wimbledon. He ultimately gave up the professional tennis scene to become a lawyer.

He continued playing competitively after graduating from University of Virginia Law School, primarily entering local and Georgia state tournaments. However, between 1959 and 1970, Neely played matches in every major tennis stadium in the United States, Europe and Australia. He reached his highest national ranking of No. 11 in the U.S. Men's singles in the mid-1960s.

A highly accomplished trial lawyer, Neely always maintained close ties to tennis. He served as a board member of the International Tennis Hall of Fame and president of the Georgia Tennis Foundation. He was inducted into the Georgia Tech Hall of Fame in 1969 and the Georgia Tennis Hall of Fame in 1991.

Neely was the man most responsible for bringing the Davis Cup competition to Atlanta in 1988 and was instrumental in Atlanta's 1998 designation of "Tennis City of the Year" by the International Tennis Hall of Fame. Under his direction, two missions came to task; the opening of the Georgia Tennis Hall of Fame and Museum at the Bitsy Grant Tennis Center in 1999 and the Tennis Academic Program (TAP).

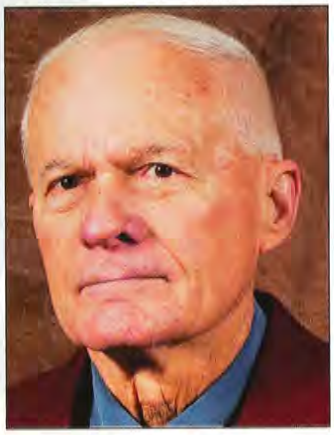

TAP was started to benefit disadvantaged youth at community centers throughout Atlanta. The program includes tennis and academic instruction for players aged 8-12. The Edgar "Ned" Neely Community Tennis Association was formed in spring 2000 to help administer youth programs in his memory.

In August 1999 a tragic plane crash cost him his life. An accomplished pilot, Neely was overcome by a hard rainstorm while flying near Alligator Point, FL. While he was able to successfully land his twin engine plane, the slippery runway caused the aircraft to slide off into a thicket of trees. His young daughter, the only other passenger on the plane, survived the crash. Selfless to the end, Neely was able to steer the plane so that his side of the aircraft received the brunt of the crash.

He is survived by his wife, Denise, and seven children.

"Ned was one of the greatest players in the history of Georgia," remembers Lee Sessions, longtime friend and chairman of the Georgia Tennis Foundation. "His accomplishments at the junior, collegiate and professional levels have not come close to being equaled by anyone in the state. In addition to his playing ability, Ned should be remembered for all that he gave back to the game. His passion for the sport and desire to bring it to others was what drove his involvement in the Georgia Tennis Foundation. Ned was a wonderful personality with a fantastic wit and was a great father, husband and person."

LESLIE CLARKE LONGSHORE JR.

Born in 1925, Longshore was raised in Anniston, AL, but has spent much of his life in the Birmingham area. During his 22-year tennis career, he served as tennis professional at the Country Club of Birmingham, Mountain Brook Swim & Tennis Club and Highland Racquet Club. In 1962, he founded the Southern Professional Tennis Association (SPTA), a division of the United States Professional Tennis Association (USPTA), the world's oldest and largest association of tennis-teaching professionals. As founder he also held the position of SPTA president for seven years. From 1974-1975, Longshore served as president of the USPTA.

As a player, Longshore had few equals in Alabama. In 1946 he won the SEC men's singles tennis championships as a member of the Tulane University team. Among his many titles and championships, Longshore was a North Carolina state singles champion for three years in the 1940s and 1950s and an Alabama state singles champion in 1952. He competed in the U.S. National Championships (now known as the U.S. Open) every year between 1952 and 1959, reaching the round of 16 in 1958. He was ranked in the USTA Southern Section's top 10 for 10 years and was ranked No. 1 in the South in doubles with partner Wade Herren in the 1950s.

Longshore was a top collegiate tennis coach at Clemson University from 1958-1962 and at Samford University from 1974-1986.

The leading umpire in Alabama for many years, Longshore officiated at World Championship tennis events during the three years they were played at the Birmingham/Jefferson Civic Center. In the 1970s he was the head of Alabama's umpiring committee for seven years. He served as the president of the Alabama Tennis Association in the 1980s and founded the Alabama Tennis Hall of Fame.

After competing for many years in senior tennis events, Longshore turned to another sport – long-distance running. Not surprisingly, he excelled at it and was a charter member of the Birmingham Track Club. He has successfully completed 33 marathons and last year he wore "No. 1" as a competitor in the Mercedes Marathon, an honor granted for life.

Away from athletics, Longshore holds a bachelor's degree from Tulane University and a master's from the University of Alabama. He has served as an English instructor at Clemson University, the University of Alabama, Birmingham Southern College and the University of Alabama at Birmingham. He has also taught Latin at John Carroll High School.

He is married to Anne and has three children, three stepchildren and 11 grandchildren.

ANN ETHEREDGE

"Today's big-time athletes all have big-time attitudes and are willing to do anything to win," said Ann Etheredge's longtime friend and doubles partner Ann Dielen. "Ann Etheredge is the exact opposite. She always gives the benefit of the doubt to her opponent and brings a true love of the game to the courts. Ann most definitely should be looked at as a role model for today's young athletes."

Etheredge, born in 1955 and a native of Birmingham, has been called one of the greatest women's players to ever come out of Alabama and the South and she certainly has the credentials to back up such a statement. The holder of 22 USTA gold balls and two USTA silver balls, Etheredge has distinguished herself as a premier player.

Her long list of on-court accomplishments include multiple singles and doubles titles at the National Clay Court Championships, the National Grass Court Championships, Senior Cup Championships, and the Les Grandes Dames Tennis Tournament. She is a six-time member of the winning ITF Young Cup team and Margaret Court Cup and she has been a member of numerous winning Southern Intersectional teams. She has held the national No. 1 ranking in both singles and doubles in several age divisions many times over.

In 1997 Etheredge became the youngest member of the Alabama Tennis Hall of Fame when she was inducted with longtime doubles partner Ann Dielen.

Etheredge was instrumental in the opening of the Pelham Racquet Club in Pelham, AL. One of the finest public tennis facilities in the South and the nation, the club consists of 20 clay courts and five hard courts. She currently serves as the facility's tennis director.

Considered by many to be one of the top instructors in the South, Ann has successfully coached many of her students to Sectional and National titles.

The Southern Tennis Patrons Foundation (STPF) is the charitable arm of the United States Tennis Association (USTA) Southern Section. The Foundation offers grant assistance to junior players, tournaments and other worthy organizations that work to fulfill the USTA Mission, "to promote and develop the growth of tennis." The STPF has a 15-member board of trustees that evaluates and grants the financial support. This includes providing camp and educational scholarships.

The Foundation holds a fundraising gala during the USTA Southern Section annual meeting that provides delicious food, fabulous music and an enjoyable environment for donors and Section volunteers. Past fundraising events have featured a silent and live auction as well as a casino party.

Where does your money go?

Your support goes to junior players based on need for assistance for tournaments, camps and educational scholarships. Over the last 35 years, the Southern Tennis Patrons have provided grants to worthy organizations such as Special Olympics Southeast Region, State Matching Grants and Adopt-A-Court.

All donations to the Foundation are tax-deductible (501(c)3). The Southern Tennis Patrons Foundation also accepts individual donations and recognizes the following categories: $100, $250, $500, and $1,000.

Determining how much to bid was a difficult decision for many at the STPF silent auction. Items up for auction included exciting tennis trips, racquets and autographed Davis/Fed Cup posters.

2002 ANNUAL AWARDS WINNERS

JACOBS BOWL

The highest award presented by the USTA Southern Section, this award is presented to a volunteer who has exhibited outstanding service to the USTA Southern Section.

Barbara Brewer

Barbara Brewer
Charleston, SC

As an active member of organizations such as the Charleston Historical Society, the Arkansas Arts Center, the Arkansas Symphony Guild and the Arkansas Single Parent Scholarship Foundation, it's a wonder Barbara Brewer ever had time to pick up a tennis racquet, much less devote her life to the sport.

The name Barbara Brewer and the words "tennis" and "volunteer" have been synonymous for over 15 years at the USTA State, Sectional and National levels. An active USTA League Tennis player since 1980, the Arkansas native and current resident of Charleston, SC, began her volunteer involvement in 1986 when she served as tournament director for the Men's Pro Satellite Tournament in Little Rock, AR. In 1987, she became an Arkansas Tennis Association board member, and went on to serve as chairman of several Arkansas committees in the late 1980s and 1990s. In 1992, Brewer became a lifetime member of the Arkansas Tennis Patrons Foundation and served as president of the Arkansas Tennis Assoication in 1993 and 1994. Throughout the remainder of the 1990s, Brewer chaired several Arkansas committees, including the Nominating Committee (1995-96), and the Arkansas Tennis Hall of Fame Committee (1997-98). She has been an Arkansas Tennis Patrons Foundation Trustee since 1997, and was presented with the Arkansas State President's Award in 1997.

Brewer's first involvement with the Southern Section came in 1993, when she served as the chairman of the State Presidents. Other positions with the Southern Section include Collegiate chairman, delegate-at-large, and secretary. In 1999, she became the Southern Section's executive vice president, a position she held until she was named USTA Southern Section president in 2001. Her term as Southern Section president ended in 2002, but the ever-tireless Brewer will continue to serve as USTA Southern Section Delegate for the 2003-2004 term.

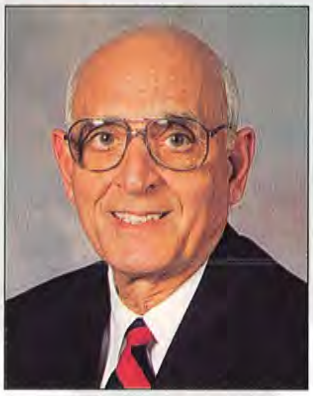

"Barbara and I have served side by side on the Southern Management Committee for over seven years," said Gordon Smith, president of the USTA Southern Section. "She has always been an active leader and I have seen her inspire others through her enthusiasm and dedication."

As if all of this time and effort at the State and Sectional level wasn't enough, Brewer became very active at the national level of the USTA in the mid 1990s as a member of the USA Team Tennis and Collegiate Committees, eventually becoming the vice chairman of both. In 1999, she was named as the chairman of the USA Team Tennis Committee and began serving on the Strategic Planning Committee, where she continued until 2002. In 2001, Brewer served as a task force member for the USTA Plan for Growth II. 2003 will mark her first term as USTA National Membership chairman.

Barbara resides in Charleston, SC, with husband Tom. "Barbara is most deserving of this high honor," said John Callen, executive director of the USTA Southern Section. "She is a tireless promoter of the game who has dedicated much of her life to this sport. As a friend and colleague I am thrilled to see her receive the Jacobs Bowl. Her administration as president of the Southern Section brought the organization closer together and genuinely opened the lines of communications to new levels. "

CHARLIE B. MORRIS JR. SERVICE AWARD

Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, State, Sectional and National levels.

Peter Koury

Peter Koury
Jackson, MS

Born in Natchez, MS, in 1930 Peter Koury's love of the game started at an early age. He first picked up a racquet while attending Leland Elementary School and today he continues to be an active and enthusiastic player and administrator of the sport.

A graduate of the Leland, MS, public school system, Peter was a member of the tennis, football and basketball teams. He received bachelor's and master's degrees in accounting from Mississippi State University, where he competed on the school's tennis team. After graduation Peter joined the United States Air Force and, while stationed in England, was a member of the Air Force tennis team.

Peter's interest in tennis started when he attended Leland Elementary School and has not waned through the years. As a player he has won over 100 trophies in singles and doubles and has received countless awards, including the Nolan Touchstone Award and MTA Volunteer of the Year. In 1991 he helped found the Tennis Foundation of Mississippi and the Mississippi Tennis Hall of Fame. In 1997 he was honored with induction into the Hall.

He has served as treasurer of the Mississippi Tennis Association since 1979 and was the Association's president from 1987-1988. Peter has been very active at the Sectional and National levels as well, having served on the USTA Southern Section Management Committee as its treasurer. At the National level he has sat on the Finance, Membership and Sanction and Schedule Committees.

Peter is a certified public accountant and is a shareholder in the Horne CPA Group in Jackson. His service in accounting is almost as impressive as his service in tennis, as he has served as president, treasurer and secretary of the Mississippi Society of CPA's. Peter and wife, Miriam, live in Jackson, MS.

"Having known Charlie Morris personally, I am familiar with the kind of man he was and for the ideals and principles he stood for," said Koury. "He accomplished so much for the USTA and the USTA Southern Section and was a great asset to the game of tennis. It is truly an honor to receive an award named after a tennis legend such as Charlie Morris."

ADULT TOURNAMENT OF THE YEAR AWARD

Presented to a USTA sanctioned adult tournament in the Southern Section that has best demonstrated the high standards upheld by the USTA in organizing and conducting a sanctioned adult tournament.

Tennessee State Closed Adult Championships (even division)

Knoxville, TN

The Tennessee State Closed Adult Championships has long been considered one of the finest-run adult tournaments in the state of Tennessee. Sponsored by the Greater Knoxville Tennis Association, the 2002 event was played at the Cedar Bluff Racquet Club in Knoxville. In each of its first three years, the event attracted on average 245 players. The 2002 tournament was nearly as impressive, attracting 223 singles, doubles and mixed players from throughout Tennessee. Play was held in even age divisions ranging from 30s all the way up to 80s. Players and spectators alike all raved about the tournament's overall organization. The event volunteers and staff were friendly and helpful and draw and player information was always close at hand. Media exposure was fantastic as the Knoxville News Sentinel ran pre- and post-event news articles. Players were handled like royalty and were provided with three meals a day for a full four days and were treated to a great player party. The tournament also ran consolation divisions in both singles and doubles, something rarely done at other tournaments. "The meals and party were worth the entry fee alone," said tournament director Howard Blum. "There were a lot of little perks for our players to enjoy, in addition to playing against some of the best players in the state."

Howard Blum, tournament director

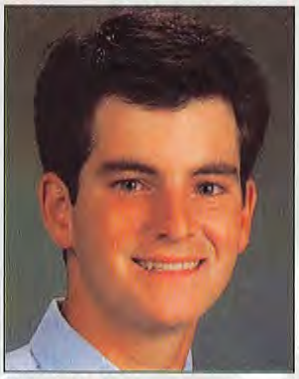

DEWITT REDGRAVE III JUNIOR ACHIEVEMENT AWARDS

Given in memory of DeWitt Redgrave, III, this award is presented to an outstanding Southern junior ranked in the boys and girls 18-and-under divisions, in recognition of their tennis performance and sportsmanship.

Brian Baker

Nashville, TN

Is Brian Baker the future of men's tennis in the US? That question is being asked more and more after the year he had in 2002. With his straight set victory over France's Mathieu Montcourt at the Burger King Orange Bowl International Championships, Baker became the first American to win the Boys' 18 singles title since Andy Roddick in 1999. Considered by many to be the oldest and most prestigious event on the ITF junior tennis circuit, the Orange Bowl has been won by some of the top American players, including Roddick, Jim Courier, Ivan Lendl and John McEnroe. With the victory, Baker reached a career-high ranking of No. 3 on the ITF Junior World Rankings and he received a wild-card entry into the 2003 NASDAQ-100 Open qualifying tournament. Baker also finished the year ranked No. 1 on in the USTA Boys' 18 rankings and won numerous singles and doubles national and international titles, including the Kentucky International Junior Tennis Derby, in which he did not drop a set throughout the entire tournament, and doubles championship at the 38th Astrid Bowl, Belgian International Junior Championships. In 2002 he lost in the first round of the French Open and Wimbledon and reached the third round at the Australian and U.S. Open boys' events. He reached the boys' doubles final at Wimbledon and the U.S. Open with different partners. He started the current year as the No. 2 seed in the Boys' singles and the No. 4 seed (with Brendon Evans) in doubles at the 2003 Australian Open. At the Australian championships he lost a tough third-round singles match and a heartbreaking semi-final doubles match.

Brian Baker

Alexandra Hirsch

Atlanta, GA

To kick-off the 2003 tennis season Alexandra Hirsch found herself in Melbourne, Australia, competing in the Australian Open Juniors. MICKEY MCNULTY FAMILY OF THE YEAR

Given in memory of Judge Mickey McNulty, this award is presented annually to a family that resides in the USTA Southern Section that has been outstanding in its promotion of tennis.

Robert and Debra Skinner Family

Fort Smith, AR

It must be something in the water that fosters a deep love of the game. For the second year in a row the Mickey McNulty Family of the Year award was presented to a family from Fort Smith, AR. Following in the footsteps of friends, Randy and Leslie Jackson, the Skinners have demonstrated a propensity for giving back to the game. Robert and Debra, along with their three children, Lisa, 15, Lesley, 12, and Lindsey, 10, have been heavily involved in Fort Smith tennis for many years.

While not a dominant junior player, Robert did earn various state singles and doubles rankings in the 14s-18s and was the Arkansas State High School Singles Champion in 1975. Robert is a practicing dentist and while at LSU he established and chaired the LSA School of Dentistry Tennis Championships. He has participated in USA League Tennis at the 4.5 and 5.0 levels the past 16 years, advancing to Sectionals three times. Off the court, he has co-chaired the Mercy Celebrity Classic for the past three years. He has served as president of the Western Arkansas Tennis Association board since 2001 and was the vice president in 2000. He is committed to developing junior programs and has initiated the development of junior high school tennis in the Fort Smith area. He also sits on the Arkansas Tennis Association board of directors, and is a member of the Mayor's Council on Physical Fitness and the Creekmore Park Tennis Development committee.

Wife Debra was not an active player as a junior, but she has enjoyed USA League Tennis for five years, competing in the Arkansas State Championships in 1998 and 2002. She also plays on a Mixed Doubles team and has captained her Combo Doubles team for the past two years. Debra has volunteered at the AR Senior State Playoffs and has served as a local league coordinator in each of the past two years. She is also an enthusiastic coach of youth USA Team Tennis.

The Robert and Debra Skinner family.

Lisa, Lesley and Lindsey are all very active in the game and are showing some real talent. Lisa has been a top-10 ranked player in Arkansas in the 12s, 14s and 16s and was ranked No. 2 in the 18s. She has competed in Junior Davis/Fed Cup in each of the last three years and plays USA Team Tennis. Lisa has proven herself off the court as well, as she is a member of the Junior National Honor Society, is a Duke TIPS Scholar and is president of the Trinity Service Club.

Lesley enjoys taking lessons and participating in clinics at the Sparks Athletic Club. She was ranked No. 26 in the Arkansas 12s Open division. Away from the court Lesley is a strong student and, like her sister Lisa, is a Duke TIPS Scholar.

Lindsey, the youngest of the three daughters, is showing tremendous promise both on and off the court. She was ranked No. 8 in the 12s Novice division and No. 4 in the 14s Novice division. She has also been an active USA Team Tennis participant. Finally, Lindsey has volunteered her time during the summers to work USA Team Tennis clinics.

Like previous Fort Smith, AR, Family of the Year Award winners, the Skinners are a tennis-loving group who have worked hard to give back to the game that has brought so much happiness into their lives. Hopefully more families – both inside and away from Fort Smith – will follow the Skinner's example.

GERRIE ROTHWELL AWARD

Presented annually to a volunteer within the USTA Southern Section who has demonstrated outstanding service and dedication to the USA League Tennis program. This award is given in honor of the late Gerrie Rothwell, former State League Coordinator of Arkansas.

Debbie Swindoll

Oxford, MS

As the first female full scholarship tennis athlete at Mississippi State University, Debbie Swindoll's lifelong passion for tennis led to her becoming an accomplished player, tennis professional and volunteer. League tennis has captured the majority of her time and talents. She has served as Mississippi's State Chief Verifier, Southern's Chief Verifier, a National Verifier and a National NTRP Advisory Board member. She has also served on the Southern Adult League Committee, Mississippi Tennis Association board of directors, sat as chairman of the Southern NTRP Subcommittee, president of the Mississippi chapter of USPTA, and member of the Southern Tennis Professionals Relations Committee.

Her wisdom and insight have helped at all levels in developing USA League Tennis – the world's largest recreational tennis league. The countless hours she has spent as a tennis volunteer with the USTA Southern Section have provided a significant measure of achievement that serves as an exceptional example to others. She is respected and adored by all the volunteers and staff who share her passion and devotion for adult league tennis.

Debbie Swindoll

"Debbie Swindoll is an extraordinary example of the enduring commitment that has been given to league tennis in the past 20 years," expressed Helen Jeter, Southern's Adult League Committee chairman. "She has been at the forefront of our mission to improve adult league programs and to increase participation in them. Shining stars like Debbie Swindoll have been instrumental in creating a nationwide program with over 400,000 participants."

EDUCATIONAL MERIT AWARD

Recognizes an individual who has developed an outstanding tennis program, which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds and benefits the growth of tennis in the USTA Southern Section.

Yona Bar-Zeev

Wilmington, NC

Yona Bar-Zeev never picked up a racquet until his wife taught him how to play the game 13 years ago. And he didn't start teaching the game until he became involved with the Greater Wilmington Tennis Association (GWTA) in 2000. Needless to say he is certainly making up for a ton of lost time! Currently the president of the GWTA, Yona generously donates his time to grow the game of tennis in the Wilmington area. He has worked very hard this past year to increase participation among local youth, specifically underprivileged kids. He has put a huge emphasis on the USA School Tennis program and has contacted local physical education teachers at both public and private schools, encouraging them to "learn how to teach tennis to their classes." Yona has also led the push to introduce USA Team Tennis in Wilmington. In 2001 the city did not have any participants in the program. When the GWTA started the program, Yona held a community rally where 150 kids participated in exciting tennis activities. He also solicited support from local teaching pros, the Wilmington Parks and Recreation Department, high school players and the UNC-Wilmington tennis teams. He continued the outreach by sending information to all local schools and PTA organizations. Through his efforts, the GWTA has attracted over 700 participants this past year. Yona's innovation and dedication to the game makes him an invaluable asset to his community.

JUNIOR TOURNAMENT OF THE YEAR AWARD

Presented to the USTA-sanctioned junior tournament in the Southern Section that best demonstrates the USTA and USTA Southern Section standards of organizing and conducting a sanctioned junior event.

Bullfrog/USTA Southern Section Designated Tournament

Jackson, MS

Held at the Bridges Tennis Center in Jackson, the Bullfrog/USTA Southern Section Designated featured over 500 singles players competing in age groups ranging from 12s to 18s. In its first year at the Bridges Tennis Center, the event organization and volunteer support was superb. Parents of many of the competitors raved about the tourney. "This event set the standard for planning and management," said one parent. "I don't know how the tournament staff was able to coordinate so many excellent sites, but it paid off. The tournament committee and all involved should be commended." Led by co-tournament director Beckie Barry, the 30-plus volunteers at the event did a phenomenal job keeping the event well organized. The event had fantastic amenities for the players, including goodie bags, T-shirts and ample amounts of food. In addition, Cabot Lodge, Bancorp South and University Sporting Goods were corporate sponsors of the event. All proceeds were donated to the Mississippi Patrons Foundation.

Beckie Barry and Tana Graham, Co-Tournament Directors

Tammy Brown

Tammy Brown

Tammy Brown has proven herself to be the best Local League Coordinator in Durham, NC, and throughout all of the USTA Southern Section. A LLC in Durham for the past three years, Tammy also works for the Durham Park and Recreation Department. Under her committed watch, player participation has steadily increased during her tenure. For example, participation in USA League Tennis for Adults and Seniors more than doubled, jumping from 302 in 2000, to 633 in 2002. Similarly, the Mixed League has moved from 86 players in 2001, to 188 in 2002. Combo Doubles participation numbers have also seen sharp increases. Tammy has won several awards in North Carolina for "highest percentage growth" and "overall growth" for her work with the USA League Tennis Mixed program. Tammy is also a great promoter of the sport, always looking to bring new players into the fold. She has started several programs designed to feed players into the USA League Tennis program, including a tennis challenge ladder. She also works diligently with the Durham-Orange CTA, helping them run events and sitting on their board of directors. "It takes a special person such as Tammy to really bring about growth and change," said John McLean III, board chair of the Durham-Orange CTA. "Tammy has been a great asset to our local tennis community and has helped to grow the game in the Durham area through her dedication and commitment."

MEDIA EXCELLENCE AWARD

Presented to an individual or organization in the USTA Southern Section who has most contributed to the game of tennis by disseminating information about the sport to the general public.

Jim O'Hara – Rome News Tribune

Rome, GA

Jim O'Hara

With the deluge of sports scores, information and data available to newspapers on a daily basis, tennis news often falls below their radar. Not so with the Rome News Tribune. As editor, Jim O'Hara has made a concerted effort to include as much tennis information as possible. The paper includes professional tennis news, grabbed directly from the AP wire, as well as local news written by the paper's talented sports writers. In addition, writers and editors outside of the sports department have printed articles about how tennis impacts the local economy and community lifestyle. The paper has been one of the biggest tennis supporters in Rome and Floyd County, printing tennis news year round. In 2002 alone, over 100 articles about tennis appeared in the paper. This past May, 26 articles covering the 2002 USA League Tennis GA State Championships were printed in the paper, four of which appeared on the front page. The articles covered the scores and standings, but also talked about the impact tennis had on the local community. The paper also provided a photo gallery of the tournament that was available online at www.romenews-tribune.com for four weeks after the tournament concluded. O'Hara and his team has also made it a point to provide coverage of local junior players, and high school and college results. Rome and all of Georgia is fortunate to have a paper such as the Rome News Tribune dedicated to the sport and committed to helping it grow.

NJTL CHAPTER OF THE YEAR AWARD

Presented annually to an NJTL Chapter within the USTA Southern Section that has demonstrated excellence in administration of its NJTL programs.

The MACH Academy, Inc. NJTL chapter

Augusta, GA

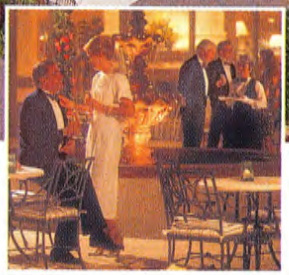

Michael Harden, MACH Academy chapter leader

Chapter leader Michael Harden founded The MACH Academy Inc. NJTL chapter nine years ago. Over time, Harden has broadened the scope of his tennis program to provide academic enrichment, college planning and career exploration, in addition to tennis instruction. The academic curriculum also includes a computer literacy program for all participants. Abstinence, smoking and drug education are an important part of the program designed to give participants information and facts to help them make positive healthy choices in their lives. "Augusta's MACH Academy is a shining example of what all NJTL programs in the USTA Southern Section should strive to become," said Nomi Cosby, USTA Southern Section Multicultural Participation/NJTL coordinator. "They offer an excellent range of services targeting both the social and educational needs of its members on top of a wonderful tennis program." MACH provides both adult and junior programs utilizing 19 tennis courts at the surrounding tennis facilities in the Augusta area. Over 450 youngsters have participated in the MACH Academy NJTL programs, which target individuals from all ages, ethnic groups, and economic backgrounds. At least 95 percent of the participants in the MACH program receive full scholarships. MACH has developed strong working relationships with other community organizations such as the Augusta and Aiken Park and Recreation departments, the Family Y, Department of Family and Children Services Foster Care program and the housing authority, to name a few. MACH Academy Inc. NJTL is most deserving of this prestigious honor.

SOUTHERN PROFESSIONAL OF THE YEAR

Presented annually to a tennis professional in the USTA Southern Section who demonstrates a significant contribution to the game of tennis through their promotion of the USA Tennis Programs and their support of the USTA Mission.

Richard Verzaal
Shreveport, LA

Since coming to the Querbes Tennis Center in Shreveport in October 2000, Richard has enthusiastically and successfully promoted tennis via the USTA's programs. In doing so, player participation at the tennis center has grown an astonishing 250 percent. This past spring Richard captained six of the 13 adult USA League Tennis teams playing out of the Querbes Tennis Center, making it to the National Championships in the 4.5 Sr. division. He also ran beginner leagues at no cost to help increase interest and player participation. To assist other teams going to USA League Tennis National championship events, Richard organized fundraisers to help defer some of their travel cost. He participated in 14 school assemblies in 2002, successfully connecting seven of them. He did 20 hours of free youth clinics, with over 350 participants, and was the primary participant in the "Safe Halloween" program in conjunction with the Shreveport Parks and Recreation department that introduced over 3,000 children to the sport. Richard directed the elementary and middle school USA Team Tennis season and tournament that hosted over 250 children over a 12-week period. Finally, Richard almost single-handedly introduced the NJTL program to the Shreveport area. He completed the paperwork and organized the programming. Through his efforts over 40 kids were introduced to the sport. Richard's dedication to the Shreveport community and his love of the sport is evidenced in all that he has done to grow the game in his area. He is instrumental to the growth of tennis in Shreveport.

SLEW HESTER ADULT ACHIEVEMENT AWARDS

Given in memory of past USTA Southern Section President William E. "Slew" Hester, this award is presented annually to a ranked male and female adult or senior player in the USTA Southern Section in recognition of their outstanding tennis performance.

Bill Weathers
Whispering Pines, NC

Bill Weathers accumulated close to 3,000 points in 2002, earning a ranking in four divisions – the men's 70 singles and doubles and men's 75 singles and doubles. A former college player, Bill has only been playing competitive senior tennis since his retirement from the business world, some 20 year ago. Despite his prior inactivity on the tennis court, Bill has dominated the game since he first picked up the racquet. He has been ranked No. 1 in every age division since the age of 55 in both the North Carolina and USTA Southern Section rankings. In 2002 Bill had the rare distinction of being ranked No. 1 in singles in North Carolina and the Southern Section in both the 70s and 75s. In 2002, he won 25 singles and doubles USTA Southern Section sanctioned tournament titles, including the Southern Senior Clay, the Southern Senior Hard Open and the Raleigh Senior Classic. Bill also competed in the Southern Senior Cup and the Men's Intersectionals and was a member of the North Carolina State Championship Southern Combo doubles team. He was inducted into the North Carolina Tennis Hall of Fame in 1998 and his family received the North Carolina Family of the Year award in 1982. Bill and Marion, his wife of 48 years, have four children – all proud, card-carrying USTA members.

Bill Weathers

Betsy McColl
Columbia, SC

Betsy McColl, a native of Virginia, started playing tennis at the age of 9. At such a young age she showed tremendous skill and went on to become a ranked junior player and a three-time Mid-Atlantic Collegiate doubles champion for Sweet Briar College. She moved to South Carolina in 1996 and continued her on-court success. In 2002 she accumulated 2,020 points in five different divisions – the women's 60 singles and doubles, the 55 singles and mixed doubles and the 45 doubles. She finished the year ranked No. 1 in the STA in 60 singles and doubles (with Roberta Case). Betsy finished 2002 with National rankings of No. 7 in the USTA 60 singles and No. 9 in the USTA 60 doubles (again with Roberta Case). She played in two national tournaments, finishing fifth at the 60s Grass Court Championships in Forrest Hills. Betsy won the 60 singles at the Southern Hard Courts in Augusta and at the Southern Clay Courts in Kiawah Island. In the SC State Championships she accomplished a rare "triple win," taking the 55 singles, 60 doubles (w/ Roberta Case) and the 55 mixed doubles (with Charlie Burns) championships. In 1992 Betsy was inducted into the South Carolina Tennis Hall of Fame. She has been married to husband Jim for 34 years. Their daughter lives in Charlotte, NC.

MEMBER ORGANIZATION OF THE YEAR AWARD

Presented annually to a member organization in the USTA Southern Section to recognize outstanding service to the local community, to the organization members, and to the game of tennis.

Greater Baton Rouge Community Tennis Association

Baton Rouge, LA

Formally organized as an association in April 1998, the Greater Baton Rouge CTA is an umbrella CTA that has five local CTA's operating in its area. These local CTA's include Slidell, Mandeville/Covington, Ascension, Hammond and Denham Springs. During its first three years the CTA focused primarily on coordinating and administrating local adult USA League Tennis play. Today it has evolved to become much more than a conduit to play in Adult Leagues. The primary mission this past year was an outreach program to bring tennis to elementary and middle school students and the focus was to bring the game to students who would not normally be exposed to the sport. Over the past year they have formed a task force with the help of other tennis organizations to help attain this mission.

Steve Carter, CTA President

The Greater Baton Rouge Tennis Association has done much work with the local community. This past year they brought tennis to the youth of the city by creating tennis facilities through portable nets and marking off tennis court dimensions in paved areas at schools, Boys & Girls clubs, Big Buddy Programs and YMCA sites. The CTA is also heavily involved in multicultural programs, introducing the USA Team Tennis program to students in Baton Rouge's inner city schools. It has also awarded over 300 scholarships to children from low-income families, enabling them to participate in tennis camps and programs. It was also instrumental in the formation of the Baton Rouge NJTL chapter.

Membership has steadily been on the upswing since the CTA was founded. With programs for both adult and junior players, the CTA has plenty to offer. For its youngest players, the CTA ran a USA Tennis Free for All in spring 2002. It worked diligently with the universities in the Baton Rouge area to get USA Tennis 1•2•3 on the campuses. The USA School Tennis program has also been heavily promoted to local elementary and junior high schools. Another junior program being actively pushed is USA Team Tennis For Youth. The CTA more than met is goal of 1,462 participants in 2002 – blowing away its 2001 participation numbers of 613.

Originally its "bread and butter," the Greater Baton Rouge Tennis Association still has an active and expanding Adult USA League Tennis program. It offers Mixed, Combo, Adult and Senior league play and it also has a "Fun League" program during the fall season.

In an attempt to stay current, the CTA has an excellent website (www.batonrougetennis.com), providing a wealth of information about its youth and adult programs and leagues, community tennis news and other important information for tennis enthusiasts in the Baton Rouge area. It has made great strides in 2002 developing and growing tennis at all ages and ability levels and has worked hard with other communities to help them grow their tennis programs.

SPECIAL TENNIS EVENT OF THE YEAR

Presented annually to a special tennis event in the USTA Southern Section that has been exemplary in the promotion and support of tennis.

The Community Tennis Events Associated w/ the Fed Cup Competition

Charlotte, NC

In April 2002, the North Carolina Tennis Association partnered with the Charlotte Tennis Association to host several successful youth events in conjunction with the U.S. vs. Austria Fed Cup tie. Held at the Olde Providence Racquet Club, the U.S. eventually lost 3-2 to a strong Austrian team, but the community tennis events provided the NCTA with a wonderful opportunity to expose thousands of kids to the game of tennis. The planned activities included USA School Assemblies, an essay contest, a tennis street festival, a tennis carnival, wheelchair clinics and high-performance training for top juniors in the state. To promote the Fed Cup competition, the USA School Tennis Assemblies were held prior to the event with help from a network of NC state staffers, volunteers and local pros. Approximately 2,200 kids were introduced to the sport through the eight tennis assemblies. The essay contest asked kids to write a 300-word essay on one of two topics, "How Billie Jean King has impacted tennis" or "The Fed Cup as an International Event." Two winners were selected and they were recognized on court during Fed Cup play. Each winner met Zina Garrison and received oversized tennis balls signed by the U.S. Fed Cup team. The NC Tennis Association hosted a tennis street festival in downtown Charlotte. Over 120 schoolchildren took a break from their regular classes to play tennis. There was a doubles exhibition featuring local celebrities and nine tennis "stations" for the kids to practice their hitting, agility, eye and hand coordination. Local tennis pros and the nation's top junior players ran the stations. The festival also included a "Center Court," where kids lined up for their chance to win hats, T-shirts, posters and amusement park tickets. Just hours prior to the beginning of Fed Cup match play a tennis carnival was held featuring fun games, food, hit-for-prize courts and free Fed Cup tickets. Kids were brought in from local USA Team Tennis programs, multicultural programs, the Girl Scouts, Special Olympics and other after-school enrichment programs. The carnival was complete with jugglers, face painters and all-day tennis fun. Two wheelchair tennis clinics were held to demonstrate the sport to the kids. The final planned activity was the weekend long high performance training. Top NC junior players assembled in Charlotte to receive coaching and to practice against one another. The players had the opportunity to watch and learn from the Fed Cup team as they practiced. All of the events leading up to and during the competition were meticulously planned and attracted thousands of potential new players to the game.

TEAM TENNIS EVENT / PROGRAM OF THE YEAR

Presented annually to a USTA Southern Section event that best demonstrates outstanding execution of a team event.

Southern Combo Doubles NC State Championships

Wilson, NC

When supporting sponsor Prince designated the Southern Combo Doubles NC State Championships as one of the 12 events nationwide it would send tennis legend Stan Smith to hold a doubles exhibition and clinic, it practically assured the event's success. While Stan Smith's presence certainly helped, this event had all the makings of a premier team tennis event even before Prince's announcement. Over 1,100 Combo Doubles players from the 5.5 – 9.5 divisions came to the event. All of the Wilson community took part, making this truly a collaborative effort between the Wilson Tennis Foundation, the town of Wilson, the Parks and Recreation Department, Barton College, the Wilson Country Club and the North Carolina Tennis Association (NCTA). To help offset the cost of the event the Wilson Tennis Foundation raised over $10,000 in local sponsorship dollars. Of course the highlight of the weekend was the Friday night festivities with Stan Smith. Players and spectators alike went to the Wilson Country Club to hear the legendary player give advice and tennis tips. Smith also played some great exhibition matches with local pros. Wilson mayor Bruce Foster even presented the key to the city to the Tennis Hall of Famer.

Bill Provo, President, Wilson Tennis Foundation

TENNIS OFFICIAL OF THE YEAR AWARD

Presented annually to a tennis official who has made outstanding contributions to the cause of tennis officiating in the USTA Southern Section.

Kristi Smith

Auburn, AL

Kristi Smith

A tennis official since 1998, Kristi Smith has quickly worked her way up through the ranks in Alabama. She started her officiating career by working mostly community and Alabama state events, but today she is one of the finest tennis officials in all of the South and perhaps the nation. She has worked many top ITF tournaments and in 2002 alone officiated at several professional level events. These include sitting as chair umpire at seven $10k-$75k USTA Circuit Events and chief umpire at two USTA circuit events. She worked as line and chair umpire at two WTA events, one in Memphis and the other at the Family Circle Cup in Charleston, and was a line umpire at one ATP event, also in Memphis. Perhaps her most exciting experiences of 2002 was being a chair and line umpire at the 2002 U.S. Open and working two Davis Cup ties in Oklahoma City and Houston.

PRESIDENT'S RECOGNITION AWARD

Racquet Club of Memphis

Memphis, TN

"As part of our mission, The Racquet Club has a very deep sense of community in all we do," said club owner and CEO Mac Winker. "In 1980 we began our inner city program with 87 participants, and today that program numbers 4,000 – a true testament to our commitment to staying on the cutting edge of grass-roots tennis."

The Racquet Club of Memphis has been one of the premier tennis venues in the Southern Section since 1974. Located in Memphis, TN, the club offers something for everyone with 39 courts, six full-time USPTA-certified professionals, and over 186,000 square feet of indoor tennis facilities.

The Club boasts many nationally recognized programs, from junior development to training at the collegiate and professional level. A variety of instruction and competitive play takes place year round on the club's indoor and outdoor courts. Social activity is huge and the club has more than 100 leagues for men, women, singles, doubles and mixed play. It also offers on-site computer rankings for its players.

The club's most recognized event, however, is the Kroger St. Jude, which has been played there every year since 1978. Originally known as the U.S. National Indoor Championships, it boasts one of the most prestigious tradition of champions in tennis. Past winners include Jimmy Connors, John McEnroe, Bjorn Borg, Ivan Lendl and Pete Sampras. Known as the Kroger St. Jude since 1993, the 2003 event featured names like Andy Roddick, James Blake, Jan-Michael Gambill, Anna Kournikova and Alexandra Stevenson.

Mac Winker, owner and CEO of the Racquet Club of Memphis.

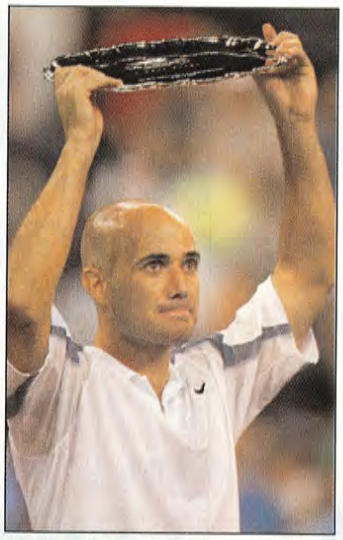

Despite early pressure to move the Kroger/St. Jude to a larger venue, owner Mac Winker stayed firm and kept it at the Racquet Club of Memphis. This kept alive the little-known fact that "Memphis hosts the only championship-level tennis tournament in the country played at a private club." In fact, the only other championship l-level event in the world played in a private club is in Monte Carlo.

"For years the Racquet Club of Memphis has contributed to the promotion of tennis at both the recreational and professional levels," said Barbara Brewer, president of the USTA Southern Section in 2001 and 2002. "They are highly deserving of this President's Award recognition and their hard work and commitment is greatly appreciated."

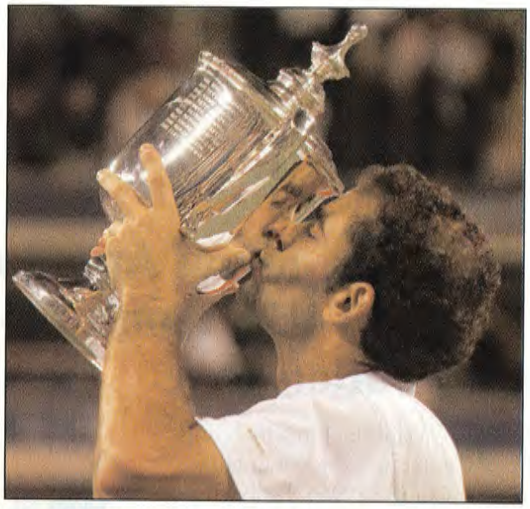

2002 U.S. OPEN HIGHLIGHTS

Considered by players and fans alike to be the greatest of the four Grand Slam events, the U.S. Open continues to be the highest annually attended sporting event in the world. The 2002 U.S. Open continued its tradition of excellence and played host to some of the most incredible and inspirational storylines in all of tennis. It featured the comeback of a seemingly down-and-out champion, the ongoing battle between the Williams sisters and an inspirational return to the sport on the game's biggest stage.

No matter how you slice it, the 2002 U.S. Open was truly an All-American affair. For the first time since 1979 all four U.S. Open singles finalists were American and an American team captured the mixed doubles championship.

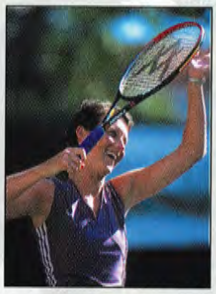

Andre Agassi comes up short against Sampras.

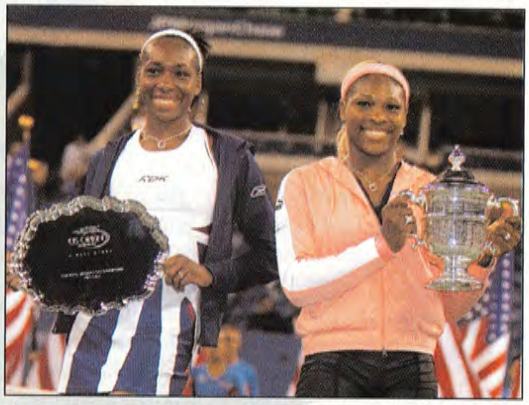

Pete Sampras reigns victorious.

The Return of a Champion

On the Men's side, a struggling Pete Sampras came into the championship seemingly without a chance to capture his fifth U.S. Open championship. Not having won a title in more than two years, Sampras opened the Championship with his lowest seeding ever – No. 17. But Sampras regained his former glory and rolled through his side of the draw, defeating players like Tommy Haas and Andy Roddick, to meet his greatest rival, Andre Agassi, in the final. In a nearly three-hour contest, 14-time Grand Slam champion Sampras defeated Agassi 6-3, 6-4, 5-7, 7-5 to win his fifth U.S. Open title. With the win, Sampras became the oldest man to win a Grand Slam title since Arthur Ashe in 1975.

Corina Morariu battles back from leukemia.

Serena Williams (right) defeated sister Venus.

Stepping Out of the Shadows

For years it was always Venus and then Serena. After a magical year that saw her take the Wimbledon, French and U.S. Open titles, Serena has finally completely stepped out from older sister Venus' shadow. With her dominating straight set 6-4, 6-2 win over sister Venus at the 2002 U.S. Open, Serena secured the number-one player ranking on the WTA tour and became the first woman since Martina Hingis to win three Slams in a year.

Brother versus Brother

The Mixed Doubles final featured Americans, and No. 2 seeds Lisa Raymond and Mike Bryan vs. Katarina Srebotnik and Bob Bryan (Mike's twin brother). The 80-minute-long match tested the physical endurance of each player. Crushing overheads by the Bryan twins and dazzling drop shots by Raymond and Srebotnik highlighted this incredible match that played out like a mixed doubles clinic. In the end, Raymond and Mike Bryan won the grueling contest 7-6, 7-6, making them the 2002 U.S. Open mixed doubles champions.

A Return to the Game

American Corina Morariu made her inspirational, and long awaited, return to the game on day one of the 2002 Open in front of a capacity crowd inside Arthur Ashe Stadium. Diagnosed with leukemia in May 2001, Morariu underwent months of grueling chemotherapy treatment, successfully putting her disease into remission. She received a standing ovation from the crowd when she took the court. Her first-round loss to champion Serena Williams was obviously not Morariu's main focus. "It's an amazing feeling. It's very emotional. This was a great stage for me to come back on."

President 2001-2003

The entire USTA Southern Section family would like to thank Barbara Brewer for her tireless efforts in helping to grow the game during her two years as Section president. She has been the consumate leader and we all owe her a debt of gratitude as she passes the presidential torch to Gordon Smith.

Many, if not all, of our goals have been reached during her tenure. USTA Southern Section membership continually reached new highs, program participation steadily increased and our State and Section staff and volunteers have diligently worked to improve upon all that we do.

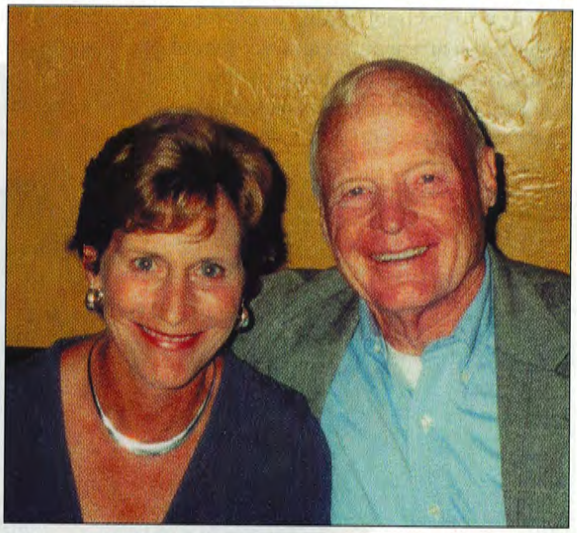

Thank you, Barbara, for your inspiration and committment to the game!

USA SCHOOL TENNIS

The USA School Tennis program makes it easy for physical education teachers in grades K-12 to offer a tennis or "striking skills" unit to their students. To help them get started, an in-service training workshop is offered to these teachers at no cost to the school or teacher. This training is a hands-on experience that demonstrates exactly how to present tennis in a physical education class. Along with the instruction, attendees of the workshop also receive a free curriculum guide. This curriculum guide is designed for use as a lesson plan. Typically, a grant of rackets is also sent to PE teachers to help them solve their equipment shortages. In fact, the USTA Southern Section has distributed over 17,000 Wilson rackets to schools in the South in the last two years alone!

Additionally, the USTA Southern Section also offers school assemblies in the form of a 30-45 minute "tennis show." These presentations feature audience participation and, most importantly, **FUN**!!! The assembly is usually conducted as a promotion for the local USA Team Tennis league, as one of the major objectives of USA School Tennis is to strongly encourage interested students to participate in an after-school USA Tennis program at their school or a nearby tennis facility.

For more information about starting USA School Tennis in your area, please contact the appropriate state coordinator listed below.

USA TEAM TENNIS - YOUTH

USA Team Tennis is the number-one program providing junior players of all ages the opportunity to develop their basic tennis skills and become lifelong players. In USA Team Tennis, the team concept emphasizes fun, fitness and friends. The focus of play is on enjoying the exhilaration of exercise, playing with friends and refining the skills that make tennis fun for players at all ages and levels of competition. USA Team Tennis is easily organized and only four teams of six players are needed to start a league. Local parks, schools, clubs, NJTL chapters, graduates of the USA Tennis 1•2•3 program and housing communities are just a few of the many organizations that run successful USA Team Tennis programs. All participants are given the opportunity to advance to their State Championships, Sectional Championship, Regional Championship and AAU Junior Olympic games. In 2003 the program will have a USA Team Tennis for Youth National Championship, featuring the top junior USA Team Tennis players from throughout the country!

All parents, coaches and volunteers should be acknowledged for the time and effort they put in making USA Team Tennis the success that it is today. More than 50,000 juniors are now enjoying the sport of tennis across the South.

Call your state coordinator (listed below) for information on how to get on a team or to start a league in your area.

COLLEGIATE PROGRAM

The purpose of the USTA Southern Section Collegiate Competitive program is to educate our young players and their parents on the rules and regulations of playing college tennis. The USTA Southern Section College Opportunity Committee also recognizes our Southern high-school graduates in 2002 and their prospective college institutions.

The College Opportunity Committee initiated the "college clinic" program, in which the committee selects several junior tournament events in which to host a collegiate information session for the parents and players in the tournament. The purpose of the clinics is to educate the parents and players on how to prepare youth for the college admission process and rules for prospective student athletes.

The Collegiate Competitive program consists of the following:

- Collegiate database of players to assist college coaches in their recruiting efforts
- Player profile forms (necessary for players to be entered into the database)
- High school coaches' workshops
- Junior tournaments
- College clinics
- High school state championships.

Please visit our web site at www.southerntennis.com to download the Player Profile Form or contact your state office collegiate coordinator for more information on these programs. You can also contact Nomi Cosby, Collegiate Competitive coordinator for the USTA Southern Section, at 770-368-8200.

COMPETITION TRAINING CENTERS

The 19 United States Tennis Association and USTA Southern Section Competitive Training Centers (formerly known as Area Training Centers) provide 50 hours of supplemental training for 304 select players throughout the Southern Section. Players are selected based on a combination of criteria, including competitive results, work ethic, sportsmanship and potential for future success. Through the CTC's, the players are exposed to the latest in sport-science training and information. The fitness testing enables the USTA to develop national standards by which all competitive players in the USTA can measure their abilities in the various tennis-related tests. Competition will also be a major component in 2003.

(B) Doubles

Players in the 16 &18 Divisions from October through April are permitted to play as many as two doubles matches following their two singles matches, but only one doubles match from May through September unless short scoring is used. Players in the 12 & 14 Divisions are not allowed to play more than two singles and one doubles match, or any combination thereof in any one day, unless short scoring is used.

(C) Rest Period Between Matches

A minimum rest period of not less than 1 hour is required between two singles matches. A minimum rest period of one hour will be required between a singles match and a doubles match or two doubles matches. Should a player be involved in a lengthy match which runs into late evening, it is STRONGLY SUGGESTED that this player be given a minimum of 12 hours before their first match is scheduled the next day.

(D) Split Sets Rest Period

Boys' and Girls' 18 Divisions are allowed no rest period except under certain conditions when the Referee, in his independent judgment, may permit a 10 minute rest period. The Boys' 16 Division is allowed an OPTIONAL rest period of 10 minutes, and it may be allowed at the request of either player or doubles team.

(E) Lights

Play under lights will be allowed in accordance with the following provisions: No match will begin after 8:00pm for all age categories, EXCEPT the 16 &18 Divisions may be allowed to begin as late as 8:30pm during the months of May-September.

NOTE: For your information, the USTA Southern Section has adopted the following: **Singles and doubles matches consisting of at least two full sets count for Southern ranking. In lieu of a third set, a tie-breaker (match tie-break is recommended) may be played to determine the winner of the match.**

If short scoring is used, up to three singles matches may be scheduled per day.

AGE ELIGIBILITY

New junior age eligibility rules took effect on January 1, 1999. See page 48 for a detailed explanation of the new rule.

USTA YEARBOOK

In addition to reading the USTA Southern Section Yearbook and the USTA National Junior Tournament Schedule carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914) 696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The USTA Southern Section and its nine States are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Included in this section is a list of tournaments that require endorsement. Registration format of for these events will be online at www.usta.com.

STATE QUOTAS AND SELECTION INFORMATION

It is your responsibility to initiate and maintain contact with your USTA Southern Section Ranking/Endorsing Coordinator. Endorsing is a very time consuming job and you can make it run more smoothly by doing your part.

USA TENNIS ON COLLEGE CAMPUS

WHY SHOULD A COLLEGE PROMOTE USA TENNIS ON THEIR CAMPUS?

- **Tennis is a lifelong sport!**
- **Tennis is the perfect sport to help improve students' health and fitness.**
- **An organized USA Team Tennis program will help attract more students to your campus because it offers more diverse recreational programs.**
- **USA Team Tennis will fill empty courts and show activity, which could lead to justifications to improve facilities.**
- **Overall interest in tennis will increase and get more students to support varsity tennis teams.**
- **Participants have an opportunity to play in the Campus National Tournament to be held in Florida in 2003.**
- **Form a Tennis Sport Club team and compete against other schools.**
- **Incentives and grants to help support your tennis programs**

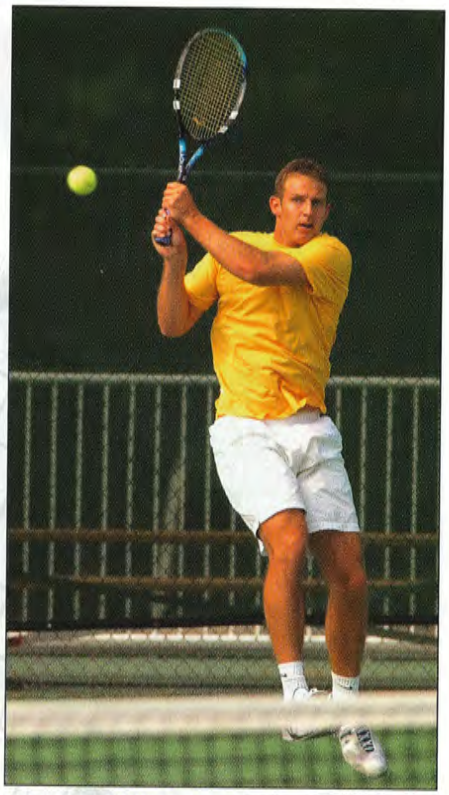

Since a large number of tennis players graduate from high school and don't pick up a racket again until they are in their late 20s, the United States Tennis Association, along with NIRSA (National Intramural and Recreational Sports Association) and the ITA (Intercollegiate Athletic Association), are committed to providing increased opportunities for recreational tennis on college campuses.

During 2002, nearly 6,000 students at 76 colleges participated in USA Tennis programs in the Southern Section alone. Our goal in 2003 is to attract even more former high-school tennis players and to create new players through USA Tennis programs on college campuses across the USTA Southern Section!

USA Tennis on College Campus offers a solution

USA Team Tennis is the perfect program for college campuses and has proven to be a great fit for physical education classes, intramurals, recreational leagues and fraternity/sorority competitions. USA Team Tennis offers the opportunity to play organized matches in a non-competitive atmosphere, with the emphasis being placed on fun, fitness and the social benefits of tennis. The program will keep current players active in tennis while creating new players at the same time.

USA TEAM TENNIS

Some of the program benefits

- Program incentives, promotional assistance and grants.
- Increased participation helps keep tennis courts on campuses full.
- Provide increased student support for varsity teams.
- Ability to compete in the USA Team Tennis National Campus Championship and other State/Sectional tournaments.
- USTA staff support and trainings.
- Curriculum guides, videos and access to low-cost equipment and T-shirts

Mayfield, KY, Women Capture USTA Southern Section's Sole National Championship

This past October in Tucson, AZ, the USTA Southern Section 4.0 Women's team from Mayfield, KY, proved themselves to be the best 4.0 Women's team in the nation and claimed the 2002 USA League Tennis 4.0 Adult National Championship. During the three days of grueling competition, Mayfield easily won their flight and dominated a team from the Hawaii-Pacific Section in the semifinals.

In the finals, the Kentucky women captured the championship with a tough 3-2 win over a team from Ft. Lauderdale, FL, (Florida Section).

"Fun and fellowship, that's our motto," said Esther Hubbard, team captain. "It took the whole team and a lot of determination to attain our goal. It's an unbelievable feeling."

USA League Tennis ... Nation's #1 League Tennis Program

USA League Tennis currently has over 400,000 adult and senior recreational league players enjoying team competition and camaraderie and almost 30 percent of these players reside in the USTA Southern Section. Our 119,000 players begin competing at the local level, with winners advancing to the State championships, followed by our Southern Sectional Championships, which is being held in Columbia, SC, in 2003-2004. Sectional champions advance to National Championships in Palm Springs, Tucson and Scottsdale.

The requirements for participation in the USA League Tennis for adults in 2003 are: 19 years of age or older, current USTA membership and either a published NTRP rating or NTRP self-rating if new to the program. The levels offered are adult 2.5-5.0 and senior 3.0-4.5. USA League Tennis offers a team for everyone! Check your local and State websites for contacts in your area. SUPER SENIORS

"Super" is what we are hearing about the USTA Southern Section's Super Seniors tennis program. Started just five years ago with 700 seniors, this program has grown to over 4,000 participants in 2002! While many of us fight the idea of getting older, our Super Seniors competitors find that turning 60 is an advantage as they now are allowed to compete at the Super Senior level enjoying fun, fellowship and some of the best tennis in the South.

In 2002 we expanded the program to offer competition for both men and women in the 60 and 70 age divisions in the 3.0, 3.5, 4.0 and 4.5 levels. Local, State and Sectional competition is offered.

Our 2002 Super Senior Sectional Championships tournament was held in Columbus, GA, Feb. 14-17, 2003. However, due to the production schedule of the yearbook, we were unable to print the results. Please refer to our website, www.southerntennis.com, for event photos, scores and results.

Players are encouraged to contact their local league coordinator (see below) for more information on this program by referring to state web sites.

Birmingham Takes Home Title in Sixth Annual Tournament!

The sixth-annual Southern Cities Championship title was awarded to the team from Birmingham, AL, in 2002. Birmingham defeated Anderson, SC, by only one point in the final round. For their win the Birmingham team was awarded a $1,000 check to be donated to their chosen charity, the Arthritis Foundation. Over 23 teams gathered in Norcross, GA, from Aug. 15-17, 2002, to compete in this always exciting tournament.

The Southern Cities Championships is an invitational tournament with teams coming from all over the South. The format is a round robin of eight game pro sets, with each city playing the other cities in their division. The teams consist of four doubles pairs; one in each of the following levels of play,3.0, 3.5, 4.0, 4.5, and are placed into four divisions at the start of play. Division winners participate in a playoff to decide the overall championship team.

Wonderful tennis, excellent competition, renewal of friendships and an opportunity to make a contribution to your favorite charity are what this tournament is all about!

ADULT PLAYING LINITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING STA SANCTIONED TOURNAMENTS. The STA welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."

B. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

C. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

D. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

E. If a tournament advertises on its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak, short sets, etc.... see Rule 27, Rules of Tennis for full descriptions.

Professional Tennis Registry

Setting the Standard for Tennis Teaching Excellence

Enhance your teaching credentials with PTR Certification

Join PTR and register for a Teaching Essentials Workshop near you. This course is highly recommended for anyone teaching or coaching tennis - from the beginning instructor to the experienced professional.

The Teaching Essentials Workshop is a comprehensive weekend of tennis instruction and evaluation. Conducted primarily on court, the 10-hour course presents a standard technique for instructing tennis, provides a method for organizing a group of students, and offers corrective techniques to fix stroke deficiencies. In addition, you will learn the importance of positioning, making an effective demonstration, and providing useful feedback. Participants are given the opportunity to practice instruction technique, learning from a hands-on experience with others. Find a convenient workshop on our website www.ptrtennis.org or call us at 800-421-6289.

MOST FREQUENTLY ASKED QUESTIONS ABOUT DYNAMIC NTRP

In 2003, USA League Tennis implements the enhanced Dynamic NTRP Rating System nationwide. Because we now calculate ratings weekly, new players are allowed to enter the program by self-rating. Online registration and score reporting through TennisLink makes it easier to be a captain. Dynamic NTRP calculates a player's rating starting with the first local match through the last championship match played.

Q: How often will the ratings be calculated and who will see the changes to ratings?

A: The dynamic ratings are calculated every night in a national database in New York. Twice a week, the USTA Southern Section Adult League department will review the information through TennisLink.

Q: How often will players see rating changes?

A: Players will see new published ratings as often as your state publishes ratings for your area. For most, that's once a year in November. For states with early start leagues it's twice a year, in August and November. Atlanta will publish in April and August. The new system allows the opportunity to publish ratings more often and Sections will evaluate after the first year how often is most appropriate. NTRP ratings are utilized for several other leagues and NTRP tournaments year round.

Q: When looking at rosters on TennisLink where does the rating come from and does it change during the year?

A: The rating you see on a roster is the rating that was in the database at the time of registration. That rating is "frozen" on that roster. The player may register at a different time in the year and have a different rating for that registration period (due to an early start league or a disqualification).

Q: Does the first self-rating for new players stay in the system until a computer rating is generated?

A: Yes, even though a self-rated player may have generated a dynamic rating, the player's self-rating stays in the system until a computer rating is generated and published for an early start league or year-end rating.

Q: If a self-rated player's rating changes up or down during the Adult/Senior League, do they have to adjust in Mixed, Southern Combo Doubles or Super Seniors?

A: No. Although players' ratings are changing each week with matches played, the ratings are only changed in the database when your state publishes ratings. Once published, the player uses that rating until the next time the state publishes ratings. The only mid-year changes occur when a player is disqualified from a level in which they are participating. This is true for all USTA programs that use dynamic NTRP ratings.

Q: When will NTRP Tournament results be calculated in ratings?

A: NTRP Tournament data will be added to player records before finalizing year-end ratings.

Q: If a "player review" is requested, what happens if that player is playing out of level?

A: Although the regulations refer to "player reviews," in the Southern Section it is now an automated twice-a-week process. As of February 16, 2003, a grievance complaint may be filed by a captain, coordinator or member of a championship's committee against the player and/or captain committing the violation of entering two levels or more below their actual skill level. These grievances will be filed with the Southern Adult League Grievance Committee.

Q: If a player is disqualified, what is the notification procedure?

A: The USTA Southern Section Adult League department will call the player and captain and follow up with an e-mail (or letter by mail if necessary) to the player, captain, State League Coordinator and Local League Coordinator. The e-mail will confirm which matches the Local League Coordinator will reverse in the local standings.

Q: How do disqualifications affect local standings?

A: For local play in the USTA Southern Section, if a player is disqualified for that particular level of play, the individual match that produced the third disqualification Dynamic NTRP rating and any subsequent match won by the player shall be considered a loss and scored (6-0,6-0). By section waiver from USTA, players not disqualified by conclusion of local league round-robin play will be eligible to compete in entire local playoff. Ratings will be calculated at the end of the local playoff to inform any disqualified players that they may not advance to the State Championships.

Q: What are the new disqualification procedures for Championships?

A: Once a player has finished local play without disqualification, the player is eligible to play all matches in the State Championships. The USTA Southern Section Adult League department will review reports through TennisLink on the day after the State Championships. Players who participated in the State Championships and are now on the disqualification report will be notified that they are not eligible to advance to the Sectional Championships. The same process occurs the day after the Sectional Championships. Points earned by disqualified players at State or Sectional Championships will stand.

Q: How many players will be disqualified each year?

A: Out of approximately 140,000 participants in the nine Southern states, we estimate that approximately 100 will be disqualified in 2002. This is based on the fact that as of December 2002, Alabama and Georgia (with 35,000+ players) have completed their first '03 season with a total of 21 players disqualified. All 21 players were new to the program and two had played more than one level.

Q: Does playing up increase your changes of being disqualified or moved up at the end of the year to the higher level?

A: The risk appears minimal for disqualification (see question above). It will take a year of evaluation to see if "playing up" affects your year-end rating differently than the old system. Don't forget that many players live "on the fence" between two levels. Our system moves players by as little as a hundredth of a point. This is why many players might be moved between two levels each year. Our appeal procedures have changed in 2003: Appeals from players who are within .05 of the rating will be granted automatically.
