USTA SOUTHERN SECTION MISSION STATEMENT

"To promote and develop the growth of tennis."

DISTINCTION

Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to owning the U.S. Open and selecting members of the Davis Cup, Fed Cup, Olympic and Paralympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 168,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee make up the USTA Southern Section, and account for approximately 25% of the total USTA membership. A professional staff housed in Norcross, GA, carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers. For more information about the types of programs and services offered by the USTA Southern Section, visit www.southerntennis.com

PRESIDENT'S MESSAGE

I am very excited to be starting my first full year as president of the USTA Southern Section in 2004. We have accomplished so much this past year and as leader of the largest and strongest section in the USTA, I look forward to tackling the many challenges that lay ahead.

There is no doubt in my mind that the Southern Section has the most dedicated and passionate group of volunteers in all of the USTA. However, our need for additional help is constant. Each year over 1,200 USTA-sanctioned adult and junior tournaments are played in the USTA Southern Section. Events such as Zonals, Intersectionals and the State and Sectional championships for our USA League Tennis, Southern Combo Doubles and Super Seniors programs add to the already crowded schedule, increasing our need for volunteer help.

If you are already volunteering at the local, State or Sectional level of the USTA, I applaud you for your efforts and thank you for giving back to this great game. However, if you are not yet an active volunteer, I urge you to get involved today.

The thousands of tournaments and events being played each year in our Section cannot succeed without your support. We rely on Southern volunteers to help run our tournament booths, coordinate player hospitality and assist with marketing and sponsor-

ship opportunities. If you have experience in these or other areas please contact the USTA Southern Section or your state USTA office to inquire about the many volunteer opportunities.

The upcoming year promises to see many changes in how the USTA reaches out to grow the game. We have united with our industry partners to launch the exciting Tennis Welcome Center initiative, the largest national campaign ever devised with a goal of attracting new players to tennis. This initiative will become more visible as the year goes on and you can find more information about the program at www.tenniswelcomecenter.com.

Every year we are presented with new challenges and time and again the talented staff and volunteers who make up the USTA Southern Section raise the bar and meet them head on. I am confident that 2004 will be no exception.

Thank you.

Judi Miller

**Judi Miller, President
USTA Southern Section**

EXECUTIVE DIRECTOR'S MESSAGE

The USTA Southern Section is home to some of the finest public tennis facilities in the nation (more on these facilities can be found on pages 36-37) and, as we move into 2004 and beyond, these wonderful facilities are going to play a pivotal role in our efforts to grow the game.

Over the years 70-plus million people have tried tennis but left due to a poor introductory experience. Many times these people simply picked up a racquet and tried to play without the benefit of instruction or coaching. All too often their experience was a frustrating one and they ultimately decided to stop playing the game. Research shows that, when people are introduced to tennis through fun and organized instructional programs, they keep playing.

In 2003, the USTA joined forces with the rest of the tennis industry, including the Tennis Industry Association (TIA), the United States Professional Tennis Association (USPTA) and the Professional Tennis Registry (PTR), to launch the largest campaign ever undertaken to help welcome new players to our great sport. This initiative is designed to offer new players a place to start playing tennis in an organized, entry-level program. They will hopefully enjoy the experience and stay active in the sport, ultimately moving on to more advanced programs.

During the first phase of the initiative, the USTA and our industry partners urged public and private facilities to register as an official Tennis Welcome Center. Already, approximately 2,300 facilities (over 370 in the Southern Section alone) have jumped on board and more are signing up each day. If your facility has not yet signed up, please direct them to the official Tennis Welcome

Center registration website at partners.TennisWelcomeCenter.com.

Starting this March, players interested in finding a welcome center near them will be able to visit www.TennisWelcomeCenter.com, enter their zip code or city and state and locate a center in their area. At the same time a national advertising blitz promoting the Tennis Welcome Center website will be launched. The official website will be promoted on millions of tennis ball cans, tennis racquets, in tennis shoe boxes, flyers and on banners in sporting-goods stores. Television commercials will run on The Tennis Channel and during the U.S. OPEN on CBS and USA Network.

We realize many of you are already active players. However, we are relying on you to share the Tennis Welcome Center website – www.TennisWelcomeCenter.com – with your family and friends who might have stopped playing the game years ago. We are confident that if they visit a welcome center and try the entry-level programs being offered they will continue to play the game.

We are committed to improving and growing unique tennis programs for your enjoyment. Please help us by spreading the Tennis Welcome Center message.

SOUTHERN TENNIS HALL OF FAME INDUCTEES

SOUTHERN NEWS

NANCY YEARGIN FURMAN

Even at a young age Nancy Yeargin Furman's future tennis success was clear to many people. Paul Scarpa, head coach for Furman University's men's tennis and one of the winningest NCAA Division I coaches in America, saw her talent the moment her parents dropped her off for her first lesson.

"I first met Nancy when I was a tennis pro at the Greenville Country Club in the early 1960's," said Scarpa. "At the time she was around nine years old, but I could tell right away that she was going to be a special player. She had all the ingredients to be on top and was always a delight to work with."

"I am so incredibly proud of all that Nancy has accomplished in her career and her life," continued Coach Scarpa. "She is a wonderful person who absolutely loves the game. She is a lady through and through and a real 'hall of fame person!'"

Nancy grew up in Greenville, SC where, under Scarpa's tutelage she became a star for both the Greenville High School and Christ Church tennis teams. She successfully led both to several state championships.

She had an astounding junior career, consistently earning the South Carolina No. 1 ranking in her age division from 1968-1973. Additionally, she was the top ranked singles and doubles player in the USTA Southern Section Girls' 18's in 1972 and a top ranked player nationally in the 16's and 18's. During her impressive junior career she won six singles and two doubles titles at the Palmetto Championships as well as many other state and sectional championships.

While many players enjoy impressive junior careers, only to see their abilities decline as they enter into adulthood, Nancy's skills continued to improve as she grew older. She attended Rollins College in Winter Park, FL where she won the Southern Collegiate Sportsmanship Award from 1974-1976 and was named All-American in 1976 and 1977. During her senior year she was team captain and a Scholar Athlete of the Year.

While at Rollins, Nancy was named to the USTA Junior Wightman Cup team in 1974 and the USTA Junior Fed Cup team in 1976 and 1977.

Nancy turned pro after graduating from Rollins in June of 1977 with a Business Administration degree, playing both the United States and European circuits. During her professional career she competed in all four Grand Slams; including five years each at Wimbledon and the U.S. Open, and two years at the French and Australian Opens. Consistently ranked in the top 100, Nancy's highest world ranking was No. 53. In 1982 she was selected by her peers to receive the Karen Krantzcke Sportsmanship Award. She retired from the women's tour in 1985.

Two of her personal highlights from her professional days are a 1982 Center Court match at the U.S. Open against Martina Navratilova and a 1981 Wimbledon Center Court match with partner Renata Tomanova against Chris Evert and Virginia Wade

Nancy Yeargin Furman

that aired on BBC National Television.

After retiring from the tour Nancy returned to her roots, taking a position as Head Tennis Professional at the Greenville Country Club, the same club where Scarpa gave Nancy her first lesson. That same year she was named a National Coach for USTA Junior players competing at the Wimbledon Junior Championships.

Nancy left her position at the Greenville Country Club in 1988 to concentrate on starting a family with her husband, Richard. Today they have three children, Rick, Robert and Mary Sitton.

Nancy was inducted into the Rollins College Hall of Fame in 1988 and later the South Carolina Tennis Hall of Fame in 1989.

"Nancy Yeargin Furman had one of the finest tennis careers of any player to have ever come out of the South," said Randy Stephens, member of the Southern Tennis Hall of Fame Nominating Committee. "Her performance on and off the court as a junior player on up through her professional career made her an easy selection for inclusion in the Southern Tennis Hall of Fame."

"It is a privilege and an honor to be inducted into the Southern Tennis Hall of Fame," said Yeargin Furman. "I am very thankful to those who taught and advised me during my career. Their guidance has helped to make this possible."

BILL TYM

Bill Tym, director of tennis at Richland Country Club in Nashville, has been involved in tennis as a player, coach and administrator for over half a century and is regarded internationally as one of the most influential and respected people in the game today.

As a dominant player in the state of Tennessee and nationally, he enjoyed a distinguished career at the University of Florida, where he won an SEC Championship and was named to the Athletic Hall of Fame. In the late 1960's he joined the professional men's tour and won ten international titles. Since retiring from professional tennis he has remained competitive and has numerous national USTA titles and has repeatedly been ranked No. 1 in his age group by the USTA and USPTA.

While his playing accomplishments are certainly impressive, Bill might best be known for his remarkable skills as a coach and teaching professional. He has had great success in training and developing national champions and All-Americans at the junior, interscholastic and collegiate levels.

Bruce Lipka, a former touring pro and one of Tym's students, insists he owes much of his success in life and on the court to Bill.

"After my freshman year of college I was no longer enjoying the game," explained Lipka, Director of Tennis at Woodmont Country Club in Rockville, MD. "I was playing at Iowa State University but to me tennis was no longer fun and my game was suffering because of it. When Bill started coaching me things

Bill Tym

became much clearer, on as well as off the court."

"He is the best teacher of the game that I have ever seen," continued Lipka. "His teaching methods can best be described as pragmatic and unorthodox and many say that he is a visionary who was far ahead of his time. He has an amazing way of instilling in his students his love and passion for the game."

A member of the USPTA since 1970, Bill has worked diligently upgrading the standards for teaching professionals. One of his initial programs for the USPTA was helping to create a standardized test for those who wished to become certified teaching pros. He also co-chaired the Academy Committee and has conducted coaching workshops around the world. His international efforts helped create and develop coaching associations in Japan, Singapore and Indonesia. He later became President of the USPTA and was one of its first members to receive the distinguished Master Professional Classification.

Soon after retiring from the professional tour due to an injury, Bill was offered the job of Head Pro at Manker Patten in Chattanooga, TN. After accepting the position, Bill was put in charge of the tennis programs not only at Manker Patten, but also at the Baylor School, University of Tennessee at Chattanooga and Fairlyland Club.

He began intensive work with Chattanooga's junior players and many of them began to make their mark, earning high junior rankings in Tennessee, the South and the nation. With support from the USTA Tennessee and USTA Southern Section offices, Bill conducted seminars and workshops for players, pros, high school coaches and tennis parents throughout the Southeast. These workshops were instrumental in creating more interest in tennis throughout the state as well as improving the playing and coaching skills of those in attendance.

1979 was a very busy year for Bill as he worked as a special

coach for the Baylor School and also coached the men's and women's teams at the University of Tennessee at Chattanooga. The Baylor School's team flourished under his guidance, going on to win the National Interscholastic Championships. At the same time he led the UTC men to the Southern Conference title and the UTC women to the National AIAW Small College Championships.

Bill left Chattanooga in 1986 to become the Tennis Director and men's head coach at Vanderbilt University in Nashville. At Vanderbilt he reached many school milestones, including taking the team to its first NCAA championship appearance and developing the school's first All-American player.

Bill is currently in his eighth year as the Tennis Director at Richland Country Club in Nashville where he conducts year round programs for top-ranked juniors as well as adult club members. When not at Richland, Bill travels across the country giving seminars to both teaching professionals and players and works with his top ranked junior players at national tournaments.

This past year he was inducted into the Tennessee Tennis Hall of Fame as well as the USPTA Southern Division Hall of Fame.

Bill has served on various committees for the USTA and was recently honored with the USPTA's Lifetime Achievement Award as a result of his more than 30 years of commitment to upgrading the standards of teaching professionals and growing the game across the country.

"I feel very honored to be a member of the esteemed group who have been inducted into the Southern Tennis Hall of Fame," said Tym, "Many of these players are legends in the South, and I am both proud and humbled to stand among them."

Bill and Wanda, his wife of 23 years, currently live in Nashville.

2003 ANNUAL AWARD WINNERS

JACOBS BOWL

The highest award presented by the USTA Southern Section, this award is presented to a volunteer who has exhibited outstanding service to the USTA Southern Section.

Mary Lou Hambrick

Louisville, KY

For over a decade Mary Lou Hambrick has been an invaluable resource to the USTA, volunteering at every level of the organization and directing countless junior and adult tournaments. She is a lover of the game who has shared her enthusiasm with her close-knit family.

"Mary Lou Hambrick has been a superb volunteer at the State, Sectional and National levels for so many years," said Barbara Brewer, USTA delegate. "Her passion and love of the game is unheralded. She truly deserves this high honor."

Whether as a player, organizer or promoter, Mary Lou is a tremendous tennis ambassador. For the past 10 years she has acted as tennis director for the Catholic Schools Athletic Association in Louisville, successfully increasing its participation and introducing grassroots programs to the local community.

Mary Lou has strong, long-standing ties to both the USTA Kentucky and USTA Southern Section offices. She currently sits on the Kentucky board of directors and served a term as president in 1993. Additionally, Mary Lou chairs the USTA Southern Section Junior Competition Committee and is a member of the USA Tennis Schools Program, Sanction & Scheduling, Ranking/Endorsing and Grievance committees. She is active in the USTA National arena as well, as she sits on the USTA's Youth Competition and Training Committee.

She has volunteered to work numerous adult and junior tournaments in her career, including the Girls' 16 Closed, the Joe Creson Junior Qualifying Tournament and the USTA Boys' 18 Super National Clay Championships. In 1995 she was instrumental in developing a memorial junior doubles tournament in Louisville to honor her son's friend, who was killed in an auto accident.

Mary Lou has been an avid recreational tennis player for 30 years. While she plays for the sheer enjoyment of the game, she has successfully led her USA League Tennis teams to the Southern Sectional Championships four times and she even captained a team that went to Nationals.

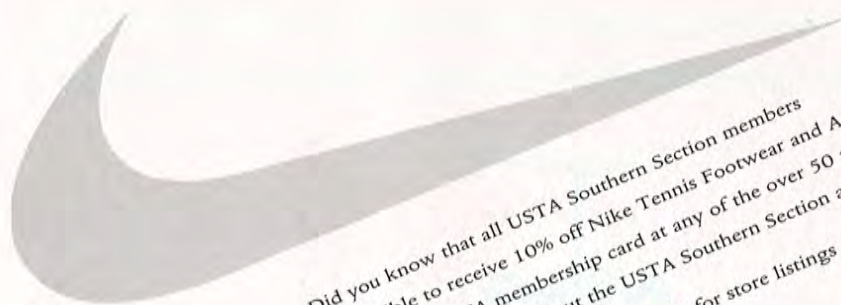

The only thing dearer to Mary Lou than tennis is her family, which includes husband, Phil, and children Jennifer, Mary Beth, Erin and Brad. Three of her children are married with their own kids, making Mary Lou a grandmother three times over. While she never forced any of her children to play tennis as they were growing up, three of them went on to play collegiate tennis. Mary Lou and Phil's dedication to both their family and to tennis was best demonstrated when the Hambricks won both Kentucky and Southern Family of the Year honors in 1993.

"It is clear that tennis has gotten more out of Mary Lou than she as gotten out of tennis," said Eddie Gonzalez, chair of the USTA Southern Section Marketing Committee. "Despite her full-time commitment to her family, Mary Lou has always, without question, made room for the game. As her son-in-law I am somewhat biased, but I can honestly think of no one more deserving of the Jacobs Bowl Award than Mary Lou."

Mary Lou Hambrick

USTA
SOUTHERN SECTION

CHARLIE B. MORRIS JR. SERVICE AWARD

Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, State, Sectional and/or National levels.

Randy Stephens

Macon, GA

Randy Stephens is so selfless in his work with the USTA that his name has become synonymous with the organization. The devotion and dedication Randy has shown to the game has led him to accomplish more in his lifetime than many people 20 and even 30 years his senior.

Randy was a skilled golfer and basketball player in college, but it wasn't until he witnessed the historic Billie Jean King vs. Bobby Riggs challenge match that he became interested in tennis. More than 25 years later he has yet to put the racquet down, successfully amassing an impressive array of titles and trophies along the way.

While it is difficult to find a weakness in Randy's on-court game, it is his off-court accomplishments that are most impressive. He has immersed himself in all levels of USTA volunteerism, from his hometown of Macon, GA, all the way up to the USTA National organization.

In 2003 Randy started a three-year term as president of the Macon Tennis Association (MTA). Working with the organization's talented group of volunteers and staff, he successfully helped the MTA capture the 2003 USTA Southern Section Member Organization of the Year award.

At the State level, Randy has served as Georgia's Junior Davis Cup coach, leading the team to three Sectional championships, and has been the head verifier for USTA Atlanta and USTA Georgia. He has held various offices on the USTA Georgia Executive Committee, including district director, vice president, executive vice president and president and he is currently the trustee for the Georgia Tennis Foundation.

Randy has been equally active with the USTA Southern Section, chairing countless committees, including the Sanction and Schedule, Professional Relations and Nominating committees. In the last five years Randy has served on the USTA Southern Section Management Committee as vice president, executive vice president, president and USTA delegate, and in January 2004 Randy assumed the roll of secretary on the USTA Southern Section Management Committee. He is also currently

chairman of the board of trustees for the Southern Tennis Patrons Foundation.

Highly respected at the USTA National level, Randy is a member of several USTA committees and is the chairman of the USTA Tennis Innovations Committee.

"It is a privilege to award the Charlie B. Morris Jr. Service Award to Randy Stephens in recognition of his many years of volunteer service to our organization," said Judi Miller, USTA Southern Section President. "Randy has been called upon time and time again to serve our great organization and I know of no one who has given that service as freely as Randy. He greatly deserves the esteem and admiration that is carried with this award."

Randy has been honored repeatedly for his service over the years. Among his many awards received are the Georgia Professional of the Year Award, the Southern Tennis Professional of the Year, the John Drew Smith Memorial Award and the Jacobs Bowl Award, the highest award presented by the USTA Southern Section.

Randy works as a financial and recruitment planning consultant for Salomon Smith Barney in Macon. He has three children, Clint, 19, Lindsey, 11, and Holly, 7.

ADULT TOURNAMENT OF THE YEAR AWARD

Presented to a USTA sanctioned adult tournament in the Southern Section that has best demonstrated the high standards upheld by the USTA in organizing and conducting a sanctioned adult tournament.

2003 USA League Tennis Southern Sectional Championship

Columbia/Lexington, SC

Did you know that the "World's Largest Tennis Tournament" came to Columbia and Lexington, SC, this past July? What is the world's largest tournament, you ask? Well, despite what you may think, the world's largest tennis tournament is not one of the four major Grand Slams, nor is it a part of the Olympic games. Rather it is a recreational league championship that featured over 2,000 of the best USA League Tennis players from throughout the USTA Southern Section.

"Every year the USA League Tennis Southern Sectional Championships get better and better," said Marilyn Sherman, director of adult tennis for the USTA Southern Section. "This year in Columbia was no exception. It was truly a banner year for the Sectional Championships."

Jim Wescott, local tournament chairman, and his army of volunteers raised the bar for this event in numerous ways. Jim, a former Men's 3.5 National champion himself, had a plan to showcase the new Lexington public tennis facility and the area's new CTA when he submitted his bid to host the event in 2001. And showcase them he did! While four facilities were used during the event, the Lexington County Tennis Complex proved itself to be one of the crown jewels of the Section's public facilities.

Everywhere you went in Columbia and Lexington during the week of the event you saw signs of tennis. Billboards were plastered with event information, hotel staff wore T-shirts with the event logos and team vans decorated with team spirit were all over the highways. Media coverage of the tournament was fantastic as Columbia's local paper, *The State*, had daily stories about the event in the sports section and even on the front page.

Members of the local host committee include (from left) Calvin Woods, Laura Sawyer, Jeff Stock, Jim Wescott and Jorge Andrew

The 2003 event also introduced new innovations, including non-stop photography, enabling players to purchase team and action photos online, and video footage. This video made its way onto the official event website and was used to develop a high-light DVD of the event. The player parties were extravagant and included trips to the Columbia Zoo and Lake Murray, Columbia's version of the beach.

Finally, an economic impact study performed by the University of South Carolina to determine an accurate effect the USA League Tennis Southern Section Championship has on the local community showed that the event had an amazing \$9.5 million "hard" dollar impact on the Columbia/Lexington, SC, area!

Jim Wescott and his team are already planning for the 2004 event and, if history is any indication, there is no doubt that it will be the best one yet.

Other Nominees: 19th Annual Music City Classic Wheelchair Tournament, Nashville, TN; 21st Annual Snow Hill/Lenoir Community College Tennis Classic, Snow Hill, NC; Beau Rivage NTRP Open, Gulfport, MS; Louisiana State Seniors, Metairie, LA; Southern Senior Clay Court Closed (odd), Birmingham, AL

CHARITY TENNIS EVENT OF THE YEAR AWARD

Presented to a tennis event that donates its proceeds to a philanthropic cause.

Pfizer Tennis Classic

Columbia, SC

The Pfizer Tennis Classic was a five-day, fund-raising extravaganza held in May 2003 at the Wildwood Country Club in Columbia, SC, to benefit the Palmetto Health Foundation's South Carolina Cancer Center. In its 13 years of operation, the Classic has raised a total of \$328,000, taking in over \$57,000 in 2003 alone. While the cost to run the event is significant, the 2003 tournament only spent \$.09 for every dollar raised to fund the event, with the rest of the proceeds going to the education and treatment of cancer patients in the state of South Carolina. Over 370 players competed in the 2003 event, with prizes given to all winners and finalists in the main and consolation draws.

The tournament included several different methods of raising money, effectively making the Pfizer Tennis Classic a fund-raiser-within-a-fund-raiser. The "Wall of Champions" was a new program started for the tournament in 2003. For every \$10 donated, a paper brick icon was added to "the wall" in the name of a per-

Nan Smith

son whose life had been affected by cancer. This "Wall of Champions" raised over \$10,000 in its first year and was exhibited throughout the tournament. Local tennis teams were encouraged to contribute as a group, with the team raising the most money receiving tickets to the qualifying rounds of the 2003 Family Circle Cup.

The tournament also partnered with many local businesses in its fund-raising efforts, including the O'Charley restaurant chain. On three specified nights, participants and spectators presented a coupon to O'Charley's to have 10 percent of their bill contributed to the Pfizer Tennis Classic. Other businesses that contributed included Budweiser, Papa John's Pizza, Kroger, Wal-Mart, Winn-Dixie and Sara Lee. All told, over \$10,000 was raised from corporate sponsor support in 2003. Another \$9,000 was raised through a silent auction.

With the 2003 Pfizer Tennis Classic such an outstanding success, tournament organizers are looking forward to improving the event for 2004.

Other Nominees: Beth's Wey Tennis Tournament, Brentwood, TN; Carter Brothers' Tennis Classic for Big Brothers/Big Sisters of the Central Piedmonts, High Point, NC; Lifeline for Children, Savannah, GA; Mississippi Society for Disabilities John McEnroe vs Dave Randall Exhibition, Jackson, MS; Tennis Across Montgomery, Montgomery, AL; UHSC Children's Hospital Charity Tennis Tournament, Shreveport, LA

DEWITT REDGRAVE III JUNIOR ACHIEVEMENT AWARD

Given in memory of DeWitt Redgrave, III, this award is presented to an outstanding Southern junior ranked in the Boys' and Girls' 18-and-under divisions, in recognition of their tennis performance and sportsmanship.

Robert Cameron Jr.

Lenoir City, TN

Coached by father Robert Cameron Sr., Bobby Cameron first picked up a tennis racquet at the tender age of 2 and has enjoyed success on the court at all levels. However, this past year was by far the best of his young career. In 2003 Bobby reached No. 29 in the USTA 18 singles rankings and No. 29 and No. 79, respectively, in the International Tennis Federation (ITF) singles and doubles ranking. He competed in three of the Junior Grand Slams, including the French Open, Wimbledon and at the U.S. Open and went undefeated in USTA Junior Davis Cup play, winning each of the four round robins rounds in which he competed. He and doubles partner Michael Shabaz took the Chanda Rubin ITF Junior Classic title in South Carolina and, he lost tough semifinal matches at the Kentucky International Junior Tennis Derby and the Chanda Rubin American Junior Tennis Classic in Atlanta. At the 2003 Super National Hand Courts in Kalamazoo, MI, he and partner Chris Kwon reached the semifinals, defeating the world's No. 1-ranked team along the way. Bobby also had a strong showing in the singles competition, reaching the round of 16 before losing to the event's No. 3-seed. Bobby was unable to attend the 2003 awards luncheon to receive his award as he was competing in the 2004 Junior Australian Open.

Robert Cameron Jr.

Melissa Mang

Metairie, LA

Melissa started playing tennis at the age of 7 simply because she was "looking for a sport to play." While this is not the inspirational beginning most often associated with success stories, Melissa has certainly played inspired tennis over the years. While the most noteworthy accomplishment of her young career may have occurred in 2002 when she finished the year ranked No. 1 in both USTA 16s singles and doubles, Melissa enjoyed a very successful season in 2003. She split time playing in the girls' 16s and 18s this past year, finishing at No. 2 in the USTA Southern Section 18s, No. 3 in the USTA 16s and No. 7 in the USTA 18s. Melissa played in six USTA Professional Circuit events in 2003, winning the Louisiana Qualifying Southern Sectional Tournament. She and doubles partner Liberty Sveke took home titles at the Chanda Rubin Evert championship in Florida and the Chanda Rubin American championship in Georgia in addition to several other semifinal and runner-up finishes. Undoubtedly the highlight of Melissa's year was playing with Andre Agassi and Andy Roddick at an exhibition set in New Orleans. Partnered with Roddick, Melissa said that the experience "was the best day of my life." If Melissa continues the quality of play she displayed in 2003, there will undoubtedly be many more exciting days on the court in her future.

EDUCATIONAL MERIT AWARD

Recognizes an individual who has developed an outstanding tennis program, which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds and benefits the growth of tennis in the USTA Southern Section.

Robert Brenes

Charlotte, NC

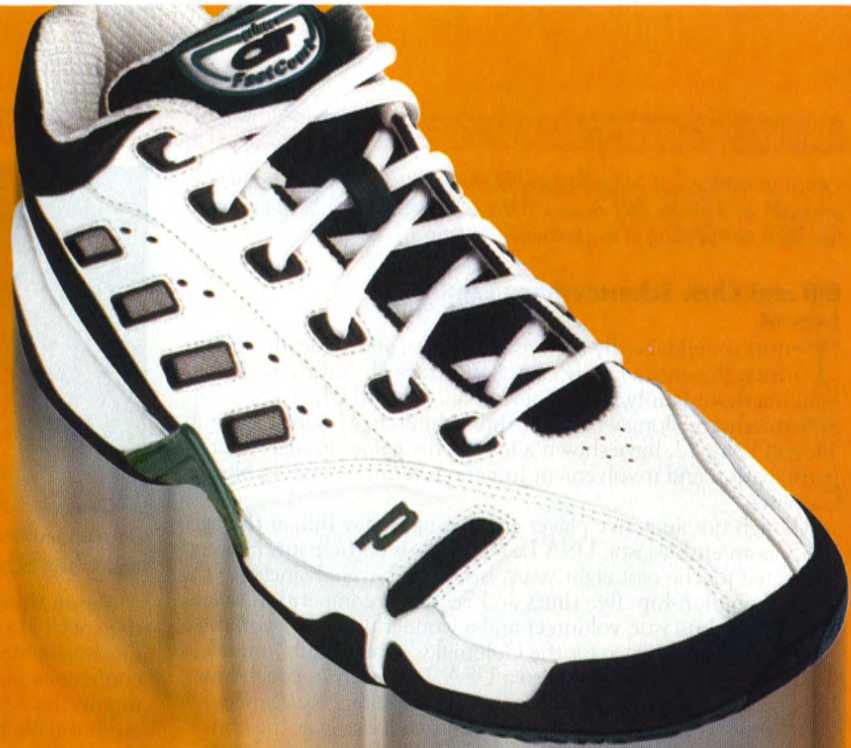

Tennis has always been an integral part of Robert Brenes' life. In high school he was an all-conference player and the most valuable player of his team. After graduation he attended Pembroke State University on a tennis scholarship. Robert is completely committed to making tennis available to all and he even made a career change to prove it. In 1998 Robert worked full time as the manager for a tennis shop at Myers Park Country Club in Charlotte, NC. Today Robert is a full-time tennis instructor at a public facility called Freedom Park. He began his journey to his new career one afternoon when four adults and eight children enrolled in the facility's instructional USA Tennis 1•2•3 "Free for All" program. At the end of the first session, all 12 partici-

Robert Brenes

pants signed up for additional instruction. Other players joined them and the "Free for All" grew to 40 students. The growth was fast and furious and today the program averages over 150 students each week, including a waiting list of 30 people. With the support of local facilities like Mecklenburg County Parks and Recreation and the USTA, Robert was also able to develop instructional programs geared toward underprivileged students who wanted to learn the game. He coined the slogan, "If you can't pay, you still play," and started a used-racquet program and a weekly free junior clinic. Robert is truly dedicated to increasing participation of the game in North Carolina. Under his supervision, the number of teams playing USA Team Tennis and USA League Tennis out of Freedom Park has doubled, and a senior league has been added to the park's programming. Robert's capacity for teaching the game to anyone who wants to learn, and his commitment to making everyone's first encounter with tennis a pleasurable experience is highly commendable and proves him to be vital to the growth of the game.

MICKEY MCNULTY FAMILY OF THE YEAR

Given in memory of Judge Mickey McNulty, the award is presented annually to a family that resides in the USTA Southern Section that has been outstanding in its promotion of tennis.

Bill and Chris Schermerhorn Family

Colfax, NC

Tennis is undoubtedly a sport for all ages, and is ideally one in which the entire family can take part. Such is the case for the Schermerhorn family, from Colfax, NC. Bill and Chris Schermerhorn, along with their three children, Mason, 17, Sarah, 14, and Lucy, 12, have shown a love of the game through their participation and involvement in various tennis events in North Carolina.

Though not an active player growing up, today Bill, at the age of 45, is an enthusiastic USA League Tennis participant. Having competed for the past eight years, his teams have advanced to the State championships five times and Sectional competition twice. He is an enthusiastic volunteer and a wonderful coach, working on the draw committee for the Colonial Country Club Junior Tournament in 1998. He is also a USA Team Tennis coach and has organized several tennis clinics in High Point, NC. Since 2001, Bill has headed an ad hoc committee looking at the construction of a new tennis facility in the High Point area, demonstrating his commitment to helping grow the game. When not playing tennis, Bill works as general manager for American Business Solutions with his wife, Chris.

Chris is an enthusiastic USA League Tennis player and is heavily involved in volunteer and committee work. In 1999 she organized a Junior Tennis ladder program for Oak Hollow and in 2001 she volunteered as a team coach for the High Point Girls Athletic Association. A loving mother, Chris served as a parent liaison for Southwest Middle School Tennis Team in 2002. From 2000-2003 Chris was heavily involved in adult programs, working as site coordinator for the Southern Combo Doubles State Championships and as Local League Coordinator for the USA Mixed Doubles. Chris has volunteered at several tournaments in a number of capacities over the last five years. Chris worked on the hospitality committee at the North Carolina State Adult Open in 2000-2003, and in 2002 she even housed a referee for the USTA Super Nationals B12s clay tournament. From 1999-2003, Chris has donated bag tags and match time cards, as well as worked with player registration for the Clay Court Super Nationals Boys 12s. She has served on grievance committees and was part of the NCTA Task Force in 2002. Chris has selflessly given her time to the tennis community in and around Colfax, NC, and has successfully involved her family along the way.

Bill and Chris's children, Mason, Sarah and Lucy, are strongly connected to the game of tennis through their participation and volunteer work with various tennis events.

Three members of the Family of the Year, (from left) Mason, Lucy and Chris Schermerhorn.

Mason thus far seems to be the most active and successful on the court. He played three years of high-school tennis, earning most-valuable-player honors in 2001 and 2002 and being named conference player of the year. He has attained top-10 state rankings in the 12s, 14s, 16s and 18s in each of the last four years. Additionally he was ranked No. 40 in 2002 in the USTA Southern Sectional Boys' 18s. Mason is not only a talented player, but is also dignified and friendly on the court as shown by his winning the State Qualifier Sportsmanship Awards in the 12s and 14s. He has played with the Oak Hollow Country Club for five years and participated in the Colonial C.C. Father/Son event. Finally, Mason raised \$400 for the Myler Foundation in 1999 by getting pledges for consecutive balls hit with partners.

Sarah has enjoyed helping her mother with the Clay Court Super Nationals Boys 12s tournament for the past three years. She put together registration packets and entered scores into the system for the tournament. She also inputted scores during various USTA sanctioned junior tournaments from 2001-2003. Sarah was ranked No. 12 in the state in the 12s in 2001 and No. 52 in the 14s in 2002.

Lucy, like her older sister, enjoys helping her mother at various events and has recorded scores in the computer during tournaments for the past three years. In her free time, Lucy takes pleasure in playing Junior NTRP tournaments.

The Schermerhorns have shown their devotion to the game at all levels and are truly worthy of the Family of the Year designation.

Other Nominees: Gary & Sonia Killen Family, Bossier City, LA; Walter & Erin McSpadden Family, Little Rock, AR; Richard & Linda Monson Family, Climax, GA; William & Gayle Richmond Family, Pawleys Island, SC; Pat & Joyce Sweeney Family, Elizabethton, TN

GERRIE ROTHWELL AWARD

Presented annually to a volunteer within the USTA Southern Section who has demonstrated outstanding service and dedication to the USA League Tennis program. This award is given in honor of the late Gerrie Rothwell, former State League Coordinator of Arkansas.

Phil Meador

Georgetown, SC

Phil Meador has been a recognized and respected leader in League Tennis at local, State, Sectional and National levels for the past 20 years. As the NTRP system has evolved, Phil has provided his expertise every step of the way. Since 1994, he has observed tens of thousands of players on

Phil Meador

court as they entered the league program and as they advanced through the State, Sectional, and National championships.

As the chief verifier and chairman of the South Carolina Appeals Committee and member of the Southern and National NTRP Advisory Committees and the Southern Adult League Committee, Phil has provided insight at all levels as program changes occurred. He is also currently serving as administrator for the Dynamic NTRP system in the USTA Southern Section that provides NTRP ratings for over 93,000 players in the nine Southern states.

"Phil Meador's contributions to League Tennis are numerous," said Helen Jeter, Chairman of Southern's Adult League Committee. "His knowledge of the NTRP system and 'expert' visual comparisons based on thousands of players at all levels has helped to create a nationwide consistency to define each NTRP level. Many players have commented that even when handling an issue sure to displease a player or team, he does so with a high degree of fairness and integrity. However, his sense of humor could be his strongest asset!"

JUNIOR TOURNAMENT OF THE YEAR AWARD

Presented to the USTA-sanctioned junior tournament in the Southern Section that best demonstrates the USTA and USTA Southern Section standards of organizing and conducting a sanctioned junior event.

Coca-Cola Thornblade Junior Tennis Classic

Greer, SC

Originally started in 1997, today the Coca-Cola Thornblade Junior Tennis Classic is a three-day junior tournament involving age divisions 10-18. For six straight years the tournament has been hosted at the Thornblade Club in Greer, SC, where the amenities as well as the competition has always been first-rate. The 2003 event featured singles play for both boys and girls and this year 185 participants competed in the tournament. Juniors from 17 different cities were represented,

Doug Piolet

including two cities in Tennessee. Parents of some of the participants commented on how organized and well planned the tournament was. Visitors to the Thornblade Club took notice of how "well groomed" the facility and the surrounding areas were. The amenities and gifts included an assortment of fruits and beverages, as well as T-shirts and logo-embroidered towels. Brenda Studart, whose son Patrick participated in the tournament, indicated that the Thornblade event was "the finest he had ever played in." The tourney was certainly a huge success and everyone who took part in the production of it should be very proud.

Other Nominees: 4th Annual Carolina Country Club Junior Open, Raleigh, NC; Alabama Junior State Closed, Montgomery, AL; Arkansas Junior Qualifying, Little Rock, AR; Georgia State Jr. Closed Qualifying Championships, Macon, GA; Junior Novice Grand Prix Circuit, Nashville, TN; KFC North State Junior Championships, Grenada, MS; Louisiana Junior Qualifying Tournament, Lafayette, LA

LOCAL LEAGUE COORDINATOR OF THE YEAR AWARD

Presented annually to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.

Martha Watkins

Starkville, MS

Martha Watkins has been diligently working to enhance the participation of tennis in the East Central district of Mississippi for the past six years. As the area's Local League Coordinator, Martha has overcome some incredible obstacles trying to convince people to play tennis, let alone attend matches. Since 1999 Martha has seen Adult League participation grow 23 percent and senior participation grow 16 percent despite the fact that many players in the rural area of East Central Mississippi have to travel more than 65 miles for a match. She works side-by-side with the five community tennis associations in her area to promote each league. Additionally, Mixed participation is up 29 percent and Combo Doubles has grown an astounding 50 percent, pushing the East Central district into the top 10 in the Section for local Combo growth. Not only does Martha serve as LLC, but she has played on nine teams this year alone, which shows her devotion to the game. Even her peers recognize her love of the game. As one wrote, "Her passion for the game is surpassed only by the genuine concern she holds for people." Martha goes above and beyond the call of duty; she uses several media outlets as mechanisms to encourage new players to the game. In 2002, 65 new players attended a program dubbed "Sets in the City," which the USTA is now considering for a national media campaign. Finally, Martha is proficient at scheduling matches and is knowledgeable of league rules. She is noted as being "informative, available, personable and always on top of everything." All who know Martha say she is a "great ambassador for tennis."

MEDIA EXCELLENCE AWARD

Presented to an individual or organization in the USTA Southern Section who has most contributed to the game of tennis by disseminating information about the sport to the general public.

James Beck, Charleston Post & Courier

Charleston, SC

James Beck has been a tennis columnist and writer for the Charleston Post & Courier newspaper for more than 25 years. During his time with the paper, he has covered all facets of the game including, junior competition, high school and college tennis, USA League tennis, USTA tournament play and USTA Circuit, ATP and WTA events. He does more than simply report on the game; he is a true lover of the sport. His Sunday column is the only place in the Post & Courier that covers local junior and senior tennis news on a regular basis and his writing often presents a different angle to the professional tennis scene than what is pulled directly from the wire services. His

James Beck

insight offers a more personal look at the game, as most of the players he covers have played in Charleston in the Family Circle Cup, the men's and women's USTA Circuit Events or the old U.S. Clay Courts. Beck writes on a variety of USTA programs and events, including the USA League Tennis Program. Thanks in large part to his media coverage, the city of Charleston is consistently one of the top-ranking cities in the South in terms of league player participation. Beck has highlighted several USTA-ranked junior players from the Charleston area and he closely follows many of the junior tournaments. The Post & Courier has a Sunday circulation of more than 120,000 and is read throughout the lower part of South Carolina. Beck's columns can also be found at www.postandcourier.com, the official online home of the Post & Courier. He was nominated for the USTA National Media Excellence Award in 2002. James Beck represents the rare journalist who not only loves what he writes about, but also writes about what he loves.

MEMBER ORGANIZATION OF THE YEAR AWARD

Presented annually to a member organization in the USTA Southern Section to recognize outstanding service to the local community, to the organization members and to the game of tennis.

Macon Tennis Association

Macon, GA

Mary Hatfield has been the administrator of the Macon Tennis Association, and really its heart and soul of tennis, for as long as anyone can remember. Unfortunately for the Macon tennis community, Mary left the small Georgia city in December 2003 to take a position with the USTA Southern Section. It is a testimony to the work she did and the passion she displayed to have the Macon Tennis Association be named Member Organization of the Year just a month after her departure.

Macon offers a variety of different programs for all player types, including the beginning-level USA Tennis 1•2•3 program with its introductory lessons, to USA Team Tennis for youth, to USA League Tennis for adults and seniors, to wheelchair tennis and Special Olympic partnerships. In 2003 the CTA hosted a bevy of special events and tournaments. In May it hosted "Macon a Racquet" for over 600 spectators and participants as part of a celebration for USA Tennis Month. Additionally, it held major tournaments including the USA League Tennis Georgia State Championships, the Georgia Combo Doubles Championships, the Georgia USA Team Tennis Championships, the National 14s Open and the Southern 14s Championships. In total, over 5,500 adult and junior competitors played in Macon at the John Drew Tennis Center in 2003.

While the Macon Tennis Association seemingly does it all,

Randy Stephens

several new initiatives were introduced in 2003. It launched a new Junior Tournament Club and a Church League and it worked with the Macon/Bibb County to "renew" the courts at the tennis center.

This is not the first time this first-class organization has been honored for its exemplary work. In 1996 it once again earned the Southern Member Organization of the Year Award and in 2002 Tennis Industry Magazine named it CTA of the Year.

With Mary Hatfield no longer leading the charge in Macon, some might doubt the CTA's ability to continue to grow and improve. But anyone involved in local tennis knows that it takes more than one person to tackle something as large and impressive as the Macon Tennis Association. While the new "king or queen" of Macon tennis has yet to come forward, there is little doubt in anyone's mind that one will surely step up to the challenge and lead the Macon Tennis Association toward continued future success.

Other Nominees: Carmel Country Club, *Charlotte, NC*; Fairfield Glade Racquet Club, *Fairfield Glade, TN*

NJTL CHAPTER OF THE YEAR AWARD

Presented annually to an NJTL Chapter within the USTA Southern Section that has demonstrated excellence in administration of its NJTL programs.

Charlotte USA Tennis NJTL Multicultural Program

Charlotte, NC

Now in its third year, the NJTL Multicultural Program in Charlotte is one of the most active and creative chapters in the entire Section. With a racial make-up of 83 percent African-American, 11 percent Hispanic and 5 percent Caucasian, the chapter is certainly diverse. This past year the chapter created a mentoring program and encouraged its children to submit essays to the Arthur Ashe Essay contest. Over 400 children participated in the summer session, 123 scholarships were distributed to children throughout the city, including kids from the Savannah Woods YWCA and the Faith, Hope & Love Mission, and the chapter held a jamboree to celebrate the end of the summer. The NJTL Chapter exists thanks to a partnership with the Charlotte CTA and the Jeff Adams Youth Tennis Program. Charlotte USA Tennis NJTL participants have the opportunity to play USA Team Tennis and are encouraged to compete in USTA tournaments. The chapter also partners with the USPTR to develop the skills of their 32 instructors. Over the past year the chapter has grown tremendously and currently offers programs at eight differ-

ent sites around the city. While in the past the programs offered were geared for more of the beginning level player, in 2003 programming was expanded to include opportunities for intermediate and advanced players. Thanks to grants provided by the Jeff Adams Youth Tennis Program, the Charlotte Tennis Association and local businesses, hundreds of multicultural children have enjoyed the game of tennis at extremely low cost.

SLEW HESTER ADULT ACHIEVEMENT AWARD

Given in memory of past USTA Southern Section President William E. "Slew" Hester, this award is presented annually to a ranked male and female adult or senior player in the USTA Southern Section in recognition of their outstanding tennis performance.

Dave Carey

Asheville, NC

Dave Carey is living proof that "tennis is a sport for a lifetime." While Dave did not take tennis seriously until the age of 65, he has dominated the game at all levels since picking up the sport 25 years ago. Dave, who has won five USTA National singles titles and six doubles titles in his lifetime, enjoyed another impressive year in 2003, finishing with the No. 1 ranking in the Southern Men's 90s Singles and 85s Doubles. He had a 10-1 singles match record in National events and took home three championships along the way, including the National Men's 90s Grass Court Championships, where he beat the legendary Gardner Mulloy in the finals. Perhaps Dave's biggest thrill of the past year was playing on center court during the 2003 U.S. Open, where he competed in the "Battle of the Ages," a Mixed Doubles exhibition featuring four of the country's top old-timers, including Mulloy, former Wimbledon champion Dodo Chaney and Elaine Mason, the top-ranked player in women's 75 singles in the United States and the world. Today, at the age of 90, Dave enthusiastically supports the new crop of American hopefuls lead by 2003 U.S. Open Champion Andy Roddick. "The game has changed so much in such a short amount of time," Carey said. "When I learned to play it was all about the serve and volley. Today young guys like Andy, Robby Ginepri and James Blake stand at the baseline and slug it out."

Dave Carey

Brenda Carter

Charleston, SC

Brenda Carter was very busy in 2003, traveling around the country and the world in her quest to add more titles to her already impressive list of tennis accomplishments. Two years ago Brenda finished the year ranked No. 2 in the nation in the women's 55s. This past year was equally impressive as she finished 2003 ranked No. 3 in the USTA Southern Section Women's 55s and No. 4 in the United States, successfully capturing the 55s National Hard Court championship. Brenda also finished third at the 55s National Indoor and won the consolation at the National Clay Courts in Houston. She was a key part of the USA's winning Maureen Connolly Cup team in Turkey this past October and reached the quarterfinals of the World Championships in singles and doubles, ending the year with a world ranking of No. 9 in the 55s singles. She went undefeated in both Senior Cup play for South Carolina and Intersectional play for the USTA Southern Section. Finally, she also reached the semifinals at the USTA Checket Cup as well as the USTA Les Grande Dames at BallenIsles.

Brenda Carter

SOUTHERN PROFESSIONAL OF THE YEAR

Presented annually to a tennis professional in the USTA Southern Section who demonstrates a significant contribution to the game of tennis through their promotion of the USA Tennis Programs and their support of the USTA Mission.

Steve Pennington

Ocean Springs, MS

In 2003, Steve Pennington did more for tennis than many people do in a lifetime. As manager and head tennis pro at Treasure Oak Country Club (TOCC) in Ocean Springs, Steve, a certified USPTA pro and a USTA referee, is an avid promoter of the game. He assembled 72 teams to participate in USA League Tennis, including 29 Adult/Senior League teams, 19 Mixed teams and 24 Fall Combo League teams. With the aid of his assistant pro, Bo Bowman, Steve has also increased the number of players participating in their junior tennis program. They have been so successful that a number of these players now hold state rankings. Steve has been pivotal to the success of the Ocean Springs High School and Pascagoula High School tennis teams, offering his time as coach and leading both schools to the state championships in Jackson, MS. Steve even supervised scheduling,

Steve Pennington

which allowed Ocean Springs High School to play all of their matches, including the district championship match at Treasure Oak Country Club. Steve and the TOCC have hosted several events, including three coast-wide USTA team captain's meetings, the Mississippi Tennis Association umpire's clinic, the USPTA Junior Grand Prix for non-ranked juniors, and he planned and hosted the joint Louisiana/Mississippi USPTA workshop. He served as tournament director for the TOCC Spring NTRP and Fall State NTRP tournaments and was heavily involved with the planning and hosting of the annual Explosion of Excellence tournament that raised \$2,500 in college scholarships for high-school students to attend Mississippi Gulf Coast Community College. Steve is now assisting the community with a bid to bring the Mississippi State Mixed Doubles Championships to the Gulf Coast in 2004. Steve's love for the game is only exceeded by his integrity and capacity for caring. He coaches a youth soccer team and is a board member on the Pascagoula Recreation Committee. "Without question, Steve sets the standard for aspiring tennis pros," said J.M. Mike Whitney, board member and former president of the TOCC board of directors. "He is also the ideal role model for kids everywhere."

SPECIAL TENNIS EVENT OF THE YEAR

Presented annually to a special tennis event in the USTA Southern Section that has been exemplary in the promotion and support of tennis.

NCAA Yes Clinic

Raleigh, NC

In April 2003 the City of Raleigh Parks and Recreation Department teamed with ACC college coaches and players, members of the NC State Athletic Department, local teaching pros and the USTA North Carolina office to host a free tennis clinic for over 150 local kids. Participants to the YES Clinic were given free tickets to the ACC Tournament being played at the Millbrook Tennis Center and kids were encouraged to arrive early to catch some of the action. The clinic started at 2 p.m. with off-court discussion sessions, touching on topics like conditioning, nutrition and life skills. There was also a session that was geared

Cy King

specifically for the parents. Cy King, the director of tennis for the city of Raleigh, recruited top-notch speakers, including college strength and conditioning coaches and former Division I athletes, to discuss these topics with the kids. The second segment of the YES Clinic was a two-hour tennis clinic and carnival. Every ACC head coach that had teams competing in the tournament volunteered to participate in the on-court session, which included groundstroke, net play and serving stations. For those kids who had never picked up a tennis racquet, the tennis carnival provided a fun atmosphere to learn about the game. Non-competitive games were played and the kids got the chance to meet some of the ACC players. Pre-event promotion of the event was superb as flyers and posters were mailed to all local high-school tennis coaches, member organizations, local NJTL participants and the local YMCA and Ebony Racquet Club. Ads were also placed in the local paper. Every child who participated in the event left with a free T-shirt and a huge smile.

Other Nominees: Go Girl Go, Knoxville, TN; NOMATA / New Orleans City Park Tennis Center USA Tennis "Rock-n-Racquet," New Orleans, LA; NCAA Yes Clinic, Raleigh, NC

TEAM TENNIS EVENT / PROGRAM OF THE YEAR

Presented annually to a USTA Southern Section event that best demonstrates outstanding execution of a team event.

NJTL/CIS After School Program Macon, GA

The NJTL/CIS After School Program is not your typical Team Tennis program. Those associated with the John Drew Smith Tennis Center, the Tattnall Tennis Center and the City of Macon's Parks and Recreation Department introduced the youth of Macon to a variety of programs, including after-school tennis, beginning-level instruction, a junior tournament

Carl Hodge

club, a tennis ladder and a "tiny tots" program for kids as young as 3, with an ultimate goal of starting these kids on the road to playing tennis in a team environment. While their methods are unique, there can be no questioning the results. In Bibb County elementary schools, over 1,400 kids were provided with instruction over a period of 36 weeks. These students were then placed on over 250 teams with each enjoying the team spirit and fun, low-key competition offered by the USA Team Tennis program. Additionally these kids later became USTA members. Including teams that were formed following the 36 weeks of lessons, the NJTL/CIS After School program created over 750 teams in 2003. This goes to show that positive results are often achieved by a little creativity and imagination.

TENNIS OFFICIAL OF THE YEAR AWARD

Terry Bailey

Open. He has served as an umpire and referee at various collegiate level competitions, including umpiring the Men's NCAA Championship in Athens, GA, and refereeing at 18 ITA men's and women's matches in Alabama. Terry was chief umpire at the Eddleman USTA Challenger for 12 years in Birmingham, AL. Possibly his most thrilling event is the U.S. Open, where Terry has been an umpire for 18 years. Where the Players Play

The Top New Southern Public Tennis Facilities Court Enthusiasts at All Levels

SOUTHERN NEWS

With its mild climate, passionate fans and ever-growing tennis fan and player base it is no wonder that the USTA Southern Section is home to some of the finest public tennis facilities in the United States. While there are hundreds of excellent public facilities in the USTA Southern Section, featured below are some of the best facilities that were either built, or have undergone some sort of major renovation, within the last five years.

FAMILY CIRCLE TENNIS CENTER

Charleston, SC

Opened in the spring of 2001, the Family Circle Tennis Center achieved national acclaim when it was voted the 2001 Public Facility of the Year by the USTA in their annual Outstanding Facilities awards.

As home to the Family Circle Cup, one of the premier events in women's professional tennis, the Family Circle Tennis Center has set itself apart from other tennis facilities in the United States. Open to the public year-round, the Tennis Center is a state-of-the-art facility 15 minutes from downtown Charleston. Nestled along the banks of the Wando River, the landscape of the facility is highlighted by sweeping marsh and river vistas and majestic live oaks.

This world-class facility holds 17 championship tennis courts (13 clay, four hard and 13 lit) highlighted by the "court-of-the-year" Clubcourt and the 10,200 seat Family Circle Magazine Stadium. Other amenities include a fitness center, massage therapy services and full-service locker rooms. The Clubhouse also serves as the corporate headquarters for the Family Circle Cup.

The Tennis Center holds numerous tennis camps for both juniors and adults throughout the year. In addition, the Family Circle Junior Tennis Academy was founded in the spring of 2001 to help the state's top juniors fine-tune their tennis skills for future collegiate and professional careers. It has already grown into a first-class program that offers young players an opportunity to take their game to the next level. The Academy, which is held on a daily basis, is designed for the State- or Section-ranked junior player who is ready for intensive training. With one of the best teaching staffs in the country, the Junior Academy students receive some of the finest instruction available.

Additionally, the city of Charleston and the Family Circle Tennis Center will host the 2005

and 2006 USA League Tennis Southern Sectional Championships. With over 2,000 players competing each year, this event is often called the world's largest tennis tournament.

For more information, call 843-849-5300 or visit www.familycircletenniscenter.com.

THE CARY TENNIS CENTER

Cary, NC

Located in the rolling hills of North Carolina's Triangle region, the Cary Tennis Center is the state's largest public outdoor hard-surface tennis facility. Dedicated in August 2002, the facility features 30 championship courts and one stadium court. Other amenities include a clubhouse, a pro shop, locker rooms with showers, snack bars, meeting rooms, a two-sided backboard and ball machine. The Cary Tennis Center offers tennis programs, events and services year-round to all ages and skill levels. Butch Young, director of tennis, brings over 20 years of experience in the tennis industry to Cary and tennis legend Nick Bollettieri serves both as advisor and consultant to the center. In 2003 the USA League Tennis program in Cary grew to 60 teams, and the state's first Wheelchair Tennis League was introduced. THE CHAMPIONS CLUB

Chattanooga, TN

When the Champions Club opened its doors in December 2000, it was a dream come true for the citizens of Chattanooga, TN. Located on the banks of the Tennessee River, the Champions Club is a full-service public facility that features 26 hard courts, four of which are

Deco-Turf surfaces with special lighting and stadium seating. The facility also features a two-story, 6,000-square-foot clubhouse with lockers, a pro shop, a lounge area, a vending area with an ice-maker and offices. Floor-to-ceiling windows on the second floor give spectators a spectacular view of the surrounding courts. Director of tennis Orlando Lourenco and assistant manager Eddie Baker offer a variety of structured tennis programs, including tournaments, leagues and private instruction throughout the year. The club has hosted three USTA National Open 12s championships, dozens of local, State and Sectional USA League Tennis championships, and it has congregated over 400 collegiate standouts by hosting both the 2002 and 2003 Icy Hot/ITA All-American Men's Collegiate Championships, the NCAA's most prestigious event of the fall. Additionally, the facility has hosted USTA Southern Section Junior Davis Cup competition. Junior clinics, including the Tommy Bartlett summer league, as well as weekly wheelchair tennis sessions are also offered. The Champions Club truly rivals any tennis facility in the country.

Tennis beginners and enthusiasts alike are welcomed to the facility as it offers daily rates and yearly memberships. Renowned player and instructor Ann Etheredge is director of tennis, and she is assisted by 14 in-house staff members. The facility has 20 clay courts, five hard courts and a stadium court with seating for 1,200. All courts feature an 8-by-12 shade shelter for use during changeovers. CLAYTON COUNTY TENNIS CENTER

Jonesboro, GA

With construction ending in July 2003, the Clayton County Tennis Center is currently one of the newest tennis facilities in the USTA Southern Section. Located in beautiful Jonesboro, GA, just 15 minutes south of Atlanta, the facility has 17 courts, including a beautiful stadium court. A full-service pro shop with clothing, racquets and shoes is located on site. There is also a fitness center, meeting rooms and a restaurant at the center, making the Clayton County Tennis Center truly an all-purpose facility. Designed by director of tennis, Scott Mitchell, the facility offers year-round programs for "tots" to seniors, and for beginning to advanced players. Some of the offered programs include monthly social events, league play and tournaments for juniors and adults. WESTGATE TENNIS CENTER

Dothan, AL

A division of the City of Dothan Parks and Leisure Services, the Westgate Tennis Center held its grand opening nearly four years ago on March 29, 2000. At its opening the tennis center put forth a promise to be one of the very best facilities in the Southern United States by addressing the highest standards of play and the greatest comfort for spectators. By all accounts Westgate has made good on its promise.

Westgate features 16 lighted, fast-dry courts and a lighted championship court built to professional standards. The championship court has a seating capacity of 2,000 as well as skybox seating and the low retaining walls form a natural amphitheater for the court. A 3,500-square-foot second story observation deck provides comfortable elevated

viewing of the championship court and seven other surrounding courts. The clubhouse is equipped with lockers and showers for the player's convenience.

Don Johnson, the center manager, operates various programs and league events for both adults and juniors. Several adult and junior USTA National, Sectional, State and local tournaments are hosted at Westgate each year.

PEACHTREE CITY TENNIS CENTER

Peachtree City, GA

Because the Peachtree City Tennis Center opened in April 1995, it cannot be considered a "new" Southern facility. However, in 2001 the center underwent a major, multi-million-dollar renovation, adding six covered courts to its existing 12 hard and six clay. Along with the new covered courts, expansion at the Peachtree City Tennis Center brought with it a new pro shop, additional meeting/office space, a tournament control center and a "club-style" restaurant. Today it is the focal point of tremendous tennis growth on the south side of Atlanta. The Center offers all levels of participation, from introductory programs to adult and junior Southern Crescent USTA Leagues. It also boasts one of the strongest junior development programs in the Southeast thanks to the hard work of head professional Sean Ferreira and his talented team. Over the years the Center has drawn many premier USTA and Collegiate events to Peachtree City, including a Women's \$25,000 Challenger, the Peach State Junior Tennis Classic and the Girl's 14 Super National Championships. It has earned many accolades over the years, including the 1997 USTA Public Facility of the Year award, the 1999 USTA Georgia Facility of the Year award and the 2003 Tournament Host Facility award.

LEXINGTON COUNTY TENNIS COMPLEX

Lexington, SC

In June 2002, the Lexington County Tennis Complex opened its doors to the public, leading to a tennis explosion in the Columbia/Lexington,

SC, communities. With 21 impeccably lighted courts, paved and lighted parking, a clubhouse with shower change rooms, a fully stocked pro shop and a self-service restaurant, the Lexington County Tennis Complex is today one of the top public facilities in all of South Carolina. With stadium-court seating for 500, the complex has proven itself to be an ideal location for championship matches and tournaments. It has hosted prestigious championship events including several Chanda Rubin ITF Junior Tennis Classics and the Lexington County Adult Classic. The LCTC was also home to the 2003, and upcoming 2004, USA League Tennis Southern Sectional Championships, widely regarded as the world's largest tennis tournament.

Jorge Andrew, the LCTC's director of tennis, oversees all of the facility's year-round programs and league events. The complex is well known for its impressive junior development program, which includes after-school programs for beginning- and intermediate-level players as well the Lexington County Junior Tennis Academy, a training academy for tournament-level players. Headed by director Beckie Offenbacher, the academy is designed to help local youth hone their skills as they prepare for the vigorous junior tournament schedule. Additionally, lessons are available for the beginner and the novice players, including children as young as 5.

COOPER CREEK TENNIS CENTER

Columbus, GA

Built in 1972, the Cooper Creek Tennis Center is the oldest facility featured in this list. However it has undergone a series of impressive and expensive renovations and expansions over the last 12 years. While the facility's original design called for 12 Rubico clay courts, major additions to the facility were made in 1992, 1997 and 2000.

In 1992, eight new courts were added as well as a two-story clubhouse that features a viewing deck, pro shop, manager's office, player's lounge, restrooms/locker rooms and maintenance storage. Five years later, 12 courts were completely renovated with the addition of new fencing, lighting, walkways and court-side cabanas. Then, in 2000, 10 additional clay courts were built, including a stadium court with seating for 500. The 2000 expansion also included covered seating for spectators, an annex building, new restrooms, a historical walkway and parking lot. The facility made some minor additions in 2003, adding a concrete hitting wall and still more court-side cabanas. More construction is planned for 2004.

Today the beautifully landscaped Cooper Creek Tennis Center has 30 courts and the 500-seat stadium, making it one of the largest public clay facilities in the Southeast.

Publication Names USTA Southern Section Tops in Nation

Those associated with the USTA Southern Section have long held the belief that Southern was the top section in the nation. Setting aside the fact that the Section is home to 25 percent of the entire USTA membership, many feel that Southern's staff and volunteer core is more creative, ambitious and passionate when it comes to tennis than the 16 other Sections in the USTA.

In 2003 this belief earned some credence when Tennis Industry Magazine

named Southern the "USTA Section of the Year" and featured its 2003 accomplishments in their year-end "Tennis Champions" issue.

"USTA Southern is an innovative, creative leader in helping to foster growth in tennis participation in this country. Not only does the Section bring new players into the game, but as the largest USTA Section, it also services existing members and players in a way that helps set the standard," says Peter Francesconi, the editorial director of Tennis Industry.

Roddick Takes Benefit Tour

World No. 1 Andy Roddick competed in a four-city charity exhibition tour late in December 2003. The schedule took Roddick on a quick one-week tour of New Orleans, Little Rock, Lexington, KY, and Atlanta. He was joined along the way by stars such as Andre Agassi, James Blake, Brian Vahaly and the world's top-ranked doubles team, Bob and Mike Bryan.

The first stop on the tour featured a match-up of Roddick versus Agassi in "Emeril's Grand Bam," an exhibition benefiting the Emeril Lagasse Foundation, a local youth outreach program that works with 2,000 students of public, private and parochial schools in the New Orleans area.

Roddick and Agassi then traveled to Little Rock to take part in "Little Rock-n-Racquets," an exhibition that was played in front of 10,000 excited fans at the Alltel Arena. The Bryan brothers and other special celebrity guests joined Agassi and Roddick for an evening of thrilling tennis action that benefited Agassi and Roddick's charitable foundations.

Roddick and the Bryan brothers quickly moved on to Lexington, KY, to play in the "Lexus Tennis Classic." James Blake and former University of Kentucky stars Cedric Kaufmann and Greg Van Emburgh joined them at the Rupp Arena for an evening of hot tennis action. Proceeds from the "Lexus Tennis Classic" benefited the University of Kentucky tennis program.

The final stop on Roddick's exhibition tour was Atlanta, where he met up with hometown hero and rising American star, Brian Vahaly. With Roddick's sweetheart, Mandy Moore, in attendance, the exhibition was a serious tennis extravaganza, complete with an evening cocktail reception, party and silent auction. Roddick and Vahaly's awesome tennis was only part of the on-court action as a Kid's Day Tennis Festival, complete with prizes and games, was conducted by local teaching pros.

Wheelchair Player leads team to Historic Win

Bob Masella, from Columbia, SC, began winning wheelchair titles soon after a tragic automobile accident left him paralyzed from the chest down at the age of 22. While this would be an accomplishment enough for many, Bob has never been one to back away from a challenge.

Four years ago, after "mastering" wheelchair tennis, Bob started participating in the USTA's USA League Tennis programs. The fact that there were only a handful of wheelchair players in the program nationwide at that time didn't faze him at all and over the years he has captained teams in both the USA League Tennis and Mixed Doubles programs, even winning the Mixed State Championships in 2000.

This past year Bob added to his already impressive list of accomplishments by first taking his Mixed 5.5 team back to the South Carolina Mixed Championships and then advancing to the Sectional Championship, held in Chattanooga, TN.

While his team did not perform well in their previous Sectional appearance, 2003 seemed to be a year of destiny. His team tore through the field and defeated a team from Russellville, AR, in the finals, capturing a spot in the Mixed Regional Championships in Pensacola, FL. The win was a historic one as it marked the first time in history that a wheelchair

Bob Masella's Mixed 5.5 team.

player advanced past a Sectional championship in the USA League Tennis program.

While the team fell short in the Regional Championships, Bob's accomplishments were impressive.

"One of the Caribbean teams was videotaping Bob while he was playing," shared a teammate. "They couldn't believe that someone in a wheelchair was successfully competing against able-bodied players."

Both able-bodied and wheelchair players are hopeful that Bob's performance will inspire other wheelchair athletes.

"We are confident that the number of wheelchair players competing in able-bodied tournaments and programs over the next five years will continue to increase," commented Marilyn Sherman, director of adult tennis for the USTA Southern Section.

Bob Masella 5.5 team members include: Lauren Aull, Kim Dendillo, Lizzy Fowbel, Joel Leonard, Elizabeth Long, Jim McMahan, Tracey Reddic, Donald Sorenson, and Clint Wactor.

USA SCHOOL TENNIS

USA School Tennis offers physical educators in grades K-12 all the tools necessary for them to teach a tennis or striking skills unit to their students, whether or not the school has tennis courts. These P.E. teachers learn a wide range of tennis-related activities by attending an in-service training workshop. The hands-on in-service will also show the educators helpful tips, teaching cues, safety rules and group management skills. USA School Tennis can be described as a high-participation and high-success program.

After attending the USA School Tennis in-service, participating teachers receive a curriculum guide as well as a grant of Wilson rackets for use in their classes. The curriculum guide contains lesson plans for all grade levels, skill tests and a section on teaching students with disabilities. The teachers also receive a list of tennis-specific products from Wilson that they can purchase at a discounted price.

P.E. teachers who offer USA School Tennis to their students can request a 30- to 45-minute tennis assembly to be held at their school. Audience participation, prizes and FUN are all part of this "tennis show". In the USTA Southern Section, these assemblies are typically conducted as a promotion for a local after-school tennis program, such as USA Team Tennis, that can take place at a nearby tennis facility or at the school itself.

For more information about getting involved with USA School Tennis, please contact your state coordinator listed below.

Founded by Arthur Ashe, Charlie Pasarell and Sheridan Snyder in 1969, the USA Tennis NJTL program is a network of community organizations dedicated to introducing as many young people as possible to the lifetime sport of tennis. The program seeks to develop the character of youth through tennis, emphasizing the ideals and life of Arthur Ashe by:

- Reaching out to those who may not otherwise have the opportunity to learn and play tennis.
- Instilling in youngsters the values of humanitarianism, leadership and academic excellence.
- Giving youngsters the opportunity to fully develop their tennis skills so they can derive a lifetime of enjoyment from the sport.

The program offers participants an educational component to enhance their academic discipline and provides a safe haven, adult role models and opportunities to develop positive social and leadership skills.

SUMMER SCHOLARSHIP AWARD

USA Tennis NJTL regional camp scholarships were awarded to La'Toyia Slay (MS), Morris McCaskill (MS) and Moses Das (GA). The scholarships allowed each to attend a summer junior tennis camp in their regional area. This experience should help them continue the development of their game and enhance their tennis skills and increase their knowledge of the sport.

YOUR USTA SOUTHERN SECTION RANKING/ENDORING COORDINATOR

On the next page is a list of the USTA Southern Section Junior Ranking/Endorsing Coordinators for 2004. Please establish early communications with your Coordinator. Questions regarding endorsement to the USTA National Championships and rankings should be

directed to the Coordinator for your age group. If your address changes, you should immediately provide that change to your Coordinator, your State Office and the USTA Southern Section office. If you are planning to play in more than one age division, you must inform both age division endorsers/rankers.

AGE ELIGIBILITY

See page 50 for a detailed explanation of the age eligibility.

USTA YEARBOOK

In addition to reading the USTA Southern Section Yearbook and the USTA National Junior Tournament Schedule carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914) 696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and that of your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The USTA Southern Section and its nine States are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Included in this section is a list of tournaments that require endorsement. Registration format for these events will be online at www.usta.com.

STATE/QUOTA SELECTOR AND BASIS FOR SELECTION

ALABAMA

Quota: For 128 Draw-8, 160 Draw-10
William Fain

Must play in the Alabama Qualifying Championships. The four semi-finalists in the championship bracket and the four semifinalists in the Consolation bracket are automatically selected. The Junior Tennis Council will select the last two places, 9, and 10 based on National, Sectional and State ranking plus current play.

ARKANSAS

Quota: For 128 Draw-12 160 Draw-14
16s & 18s: Tom Fink
12s & 14s: Jack Hu

Selection for three slots per division will be based on the final three positions in the Arkansas Junior Qualifying. All other slots open to Arkansas juniors will be based on the strength of a player's overall tournament record for the current ranking year--National, Southern and State records will be considered.

GEORGIA

Quota: For 128 Draw-42, 160 Draw-44
State Selectors: Mary Wicklund, Joanne Dorsey and Karen Vahaly

Juniors can be selected from the Georgia State Junior Closed Qualifying and the Georgia State Junior Closed Challenger. The GTA Junior Standings List as of Monday, June 14, 2004, will determine the players eligible to be selected for the Southern Closed Championships. The highest ranked applicants (including waivers) on the June 14 Standings List who played in either the Qualifying or the Challenger, will be endorsed to the Southern Closed Junior Championships to fill the GTA quota. See the 2004 GTA Yearbook for additional information.

KENTUCKY

Quota: For 128 Draw-7, 160 Draw-9
Girls - Eddie Johnson
Boys - Jeff Mallory

To qualify for the Southern Closed Championships, a junior player must play in the Joe Creason Junior Qualifying Tournament in the singles age division that the player wishes to be considered for the State Quota to the Southern Closed Championships. Participation in the Joe Creason is mandatory, unless waived in advance by the Waiver Committee.

Selection for five slots per division will be based on the top five finishers in the Joe Creason Junior Qualifying Tournament (the four semifinalists and the feed in consolation winner). All other slots open to Kentucky Juniors will be based on a player's performance in the Joe Creason Qualifying Tournament and the strength of the player's overall tournament record for the current year, caliber of wins and head to head matches, National, Sectional, and State rankings.

LOUISIANA

Quota: For 128 Draw-9, 160 Draw-11
Drew Meyers

SOUTHERN CLOSED: To qualify for the Southern Closed, a junior player must play the Louisiana State Closed Junior Qualifying tournament.

a. The four semi-finalists in the main draw and the winner (5th) and the runner-up (6th) of the consolation draw are automatically selected. Selection of the remaining eligible players for LA's quota will be based primarily on a player's tournament record (national, sectional, and state) against other Louisiana players in the age division under consideration. Other factors such as player exposure (number of matches and events played), head-to-head matches, the caliber of wins and the player's performance at the LA Qualifier may also be considered. Those players not endorsed, but who have submitted applications for endorsement, shall be identified as alternates.

Endorsement criteria for the Southern Closed

b. Application for endorsement to the Southern Closed will be available at the LA Junior Qualifying Tournament. It is the players' responsibility to fully complete the application and turn it in timely to the designated individual(s) for the player to be considered for endorsement. It shall also be the player's responsibility to thereafter inquire as to whether he or she has been endorsed for the Southern Closed. No notification will be given to those players endorsed, as it is each player's responsibility to ascertain their status.

MISSISSIPPI

Quota: For 128 Draw-8, 160 Draw-10
Linda Moak

To qualify for the Southern Closed Championships, a junior must play in the MS Closed Qualifying tournament. The four semi finalists in the championship (main) bracket and the winner (5th) and the runner up (6th) of the consolations are automatically selected. Selection of the remaining players for MS's quota will be based on National, Sectional, State rankings and standings; and the performance at the MS Qualifier. Waivers to Mississippi players into the Southern Closed will be considered for medical reasons, family crisis, or unavoidable circumstances provided the player has played in one of the three spring championship tournaments. Players who fall into this category and are listed in the top four in the MS standings immediately prior to the qualifier, may be placed in the MS quota. Players who are not in the top four may apply for alternate status.

Waivers into the qualifying will be considered, but acceptance into the Southern Closed will not be granted unless the player has played in one of the three pre-qualifying tournaments. (Exception would be if the Mississippi quota were not met.)

NORTH CAROLINA

Quota: For 128 Draw-19, 160 Draw-21
Jeff Trivette

Selection to the Junior Southern Closed tournament is based primarily on the most recent update of the NCTA

Standings List calculated with the final results of the Tar Heel Qualifier. The Junior Selection Committee retains the right to adjust if necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. Play in age groups other than that which the player applies for selection to the Southern Junior Closed will not be considered.

SOUTH CAROLINA

Quota: For 128 Draw-12, 160 Draw-14
State Selectors: Terry Ferrell and Christy Britt

To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and SCTA Junior Council. The top 8 finishers at the State Qualifying will be selected. Other selections will be based on a player's National, Southern, and State standings plus current season's play.

TENNESSEE

Quota: For 128 Draw-11, 160 Draw-13
Peter Lebedevs
Virginia Bell

The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the State Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee.

The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on the player's 12 month record up to and including the State Qualifying (e.g. current Southern standing, common opponent, caliber of wins, head to head). All players wanting to be endorsed MUST fill out an application at the Qualifying.

USA WHEELCHAIR TENNIS

Strides Being Made in Integrating Wheelchair Players into USTA Programs

The mission of the Wheelchair Tennis Committee is to promote and grow the game of wheelchair tennis throughout the Southern Section. Great strides have been made this year in working toward the integration of wheelchair players into USTA programs. There were also "Certification in Wheelchair Instruction" workshops at both USPTA and PTR conventions in 2003.

This past year, Southern Section wheelchair players Karin Korb (photo at right) and Kevin Whalen were selected to compete on the High Performance Wheelchair Players Gold Medal Teams. They will compete for Team USA internationally in the coming year.

Bob Masella (far right photo) was a great inspiration to wheelchair players throughout the Section as he competed in both the

USA League Tennis and USA League Tennis Mixed Doubles programs. For more information on Bob Masella's 2003 accomplishments, please turn to page 38.

Major events taking place this year in the USTA Southern Section include:

- Southern Adult and Junior "Cajun Classic" Wheelchair Championships
- Atlanta Outdoor Wheelchair Championships
- Bluegrass Wheelchair Championships
- Southern Fall ROHO/PTR Wheelchair Championships

Bluegrass Wheelchair Championships Named Tournament of the Year

The Bluegrass Wheelchair Tennis Championships, which was held at the Bass-Rudd Tennis Center in Louisville, KY, this past year, was named 2003 Wheelchair Tournament of the Year by the USTA Southern Section Wheelchair Committee.

In a few short years the Bluegrass has quickly become one of the best wheelchair tournaments in the Southern Section. The 2003 event featured 38 players from nine states and players and spectators alike had nothing but great things to say about the staff, amenities and the tournament's overall organization.

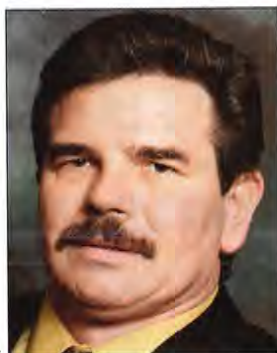

This past year, the tournament erected a "Living Wall of

Fame" to recognize past champions. This "wall" has created parity for the champion wheelchair athletes as their accomplishments are displayed alongside other able-bodied champions who play at the Bass-Rudd Tennis Center.

Passionate wheelchair tennis enthusiasts like David Hartsek, Judi Petty, Meg Peavy, Linda Dues, Allen McCartney and other members of the Kentucky wheelchair committee lead a team of volunteers to run the tournament. These people are the reason why interest in wheelchair tennis in Kentucky and the USTA Southern Section is quickly on the rise.

Kentucky Competitor Wins Player of Year

The 2003 Southern Wheelchair Player of the Year is closely linked to the Bluegrass Wheelchair Championship tournament. David Hartsek has spent many years competing and organizing wheelchair tennis in Kentucky and throughout the USTA Southern Section. He is currently the wheelchair tennis coordinator for USTA Kentucky and a member of the USTA Southern Section Wheelchair Committee.

David Hartsek

Through David's commitment and dedication to wheelchair tennis, he helped found the Bluegrass Wheelchair Tennis Championship tournament in 2000 and currently serves as the tournament chairperson. Now in its fourth year, the event has grown tremendously thanks to his tireless efforts in promoting and organizing.

David has been playing tournaments for years and has just received his certification for completing the PTR "Certification in Wheelchair Instruction."

Injured in an automobile accident in 1975, David has spent 29 years competing in various wheelchair sports. He has played basketball, competed in road races, logging over 20,000 miles in his racing wheelchair, and has competed in 15 marathons, including the Boston Marathon. Brad Parks introduced him to wheelchair tennis in 1989 during an exhibition in Lexington, KY, and David immediately fell in love with the game. After a few years of playing recreationally, he became hooked and began playing in regional tournaments. He currently holds a National ranking and has captured several tournament titles over the years.

In 2003 David worked with Frazier Rehab Institute to secure a \$500.00 grant from the USTA Southern Section to establish a junior wheelchair tennis camp and, in August, he was certified as a USPTA wheelchair instructor. In September, with a secured grant from the Tennessee Wheelchair Athletic Association, he was able to attend the instructor's clinic at the PTR/ROHO Wheelchair Championships.

David is truly a great ambassador for the sport and with his guidance wheelchair tennis will surely become more mainstream both in Tennessee and throughout the South.

College Program Keeps Players On the Courts

USA Team Tennis on College Campus provides an excellent opportunity for students to participate in the sport of tennis in a low-key environment. In the past, high-school players who fail to receive a tennis scholarship to their chosen college or university simply stopped playing organized tennis. But USA Team Tennis on College Campus gives them the perfect place to continue playing the sport they love. In fact, in 2003, over 40 colleges and universities in the Southern Section offered this program to their students. Our goal is to attract even more campuses to participate in the coming years.

The program offers organized match play through physical education classes, intramurals, recreational leagues and fraternity/

The 2003 USA Team Tennis National Campus Championships featured teams from several colleges and universities in the Southern Section, including NC State (top left photo), UGA, UNC-Wilmington and Clemson.

sorority competition. In addition to providing a great avenue for current players, we are also making efforts to attract new players to the sport through this program, as the format of play is extremely flexible and presents an atmosphere of FUN for all players.

Sport club teams will be a priority in 2004 as these teams look for competition opportunities with other schools. The USTA Southern Section hopes to offer a database via www.southerntennis.com where sport club teams can find contact information for other teams so that matches may more easily be scheduled.

If you are interested in bringing USA Team Tennis to your campus, please contact the appropriate state coordinator listed below.

Eight USTA Southern Section teams enjoyed top four finishes, including two National championships, at the USA League Tennis National Championships in 2003. A Senior Women's 3.0 team from Monroe, LA, and a Women's 5.0 team from Little Rock, AR, successfully captured two National titles for the USTA Southern Section.

Under a blazing sun in Scottsdale, AZ, Monroe narrowly defeated a team from the Pacific Northwest Section in the finals by a score of 2-1. The team went undefeated in early round action and then snuck by a Northern California team in the semifinals. Joy Linder captained the Monroe, LA, team.

While the Women's 5.0 Little Rock, AR, captained by Ann Tarwater, played well in the early rounds, they finished second in their division behind a team from the Midwest Section. However, the second-place finish was good enough to qualify them for the playoffs. After a semifinal sweep of a team from Walnut Creek, CA, they found themselves pitted against the very same Midwest team they had trouble with in the earlier rounds of play. However, the team dug deep and secured the National championship with a narrow 2-1 victory.

"2003 was an exceptional year for the Southern Section," said Marilyn Sherman, director of adult tennis for the USTA Southern Section. "Taking home eight top-four finishes, including two National championships, is quite an accomplishment." Twenty-two teams represented the South at Nationals.

Southern Combo Doubles Continues to

GROW

Southern Combo Doubles is the fastest-growing adult program in the Southern Section. This year, over 36,000 players competed in local team competition. Adult levels include 5.0 through 9.5 and Senior levels include 5.5-8.5 for men's and women's teams. Each state will host a State Championship with winning teams advancing to the Southern Combo Doubles Sectional Championships.

The 2003 Southern Combo Doubles Sectional Championships, Jan. 9-12, 2004, in Rome, GA, featured a record 155 teams and over 1,500 players. Thanks to local tournament chairman Bobby Walker and his army of volunteers, the players enjoyed great competitive tennis, a phenomenal player's party featuring the Swinging Medallions, lunches and many other player amenities.

This year, over 36,000 players competed in Southern Combo Doubles.

SUPER SENIORS

Super Seniors Set the Pace for Play From Local to National Levels

The Super Senior program, which began just a few short years ago, continues to grow and offer competitive tennis for men and women over the age of 60. The USTA Southern Section is very excited to announce that in 2003 over 4,300 super seniors throughout the South participated in the program and it continues to be one of our fastest-growing programs in the Section.

Our 2003 Sectional tournament was

held Feb. 13-15 in Columbus, GA. We invited over 100 teams from the Southern Section to play in our Sectional Championships and look forward to more teams in the coming years. Our super seniors tell us that this is one of their favorite tournaments because it gives them a chance to play fun competitive tennis at one site with players in the same age bracket and NTRP level.

Also, 2003 was the first year that an invitational National Super Senior tour-

namment was offered. Held in Chicago, the Southern Section sent three teams to the National event. Bill Russell's 4.0 team from Little Rock, AR, Dottie Bass's 4.0 team from Hilton Head, SC, and our National championship 3.0 team from Hilton Head, SC, captained by Carol Mueller.

Players who would like to become active in Super Senior League play are encouraged to contact their State League Coordinator for more information.

Referee Ron Summers, left, and Ken Smith, Local Tournament Chairman at the 2003 Super Senior Sectional Championships.

SOUTHERN CITIES CHAMPIONSHIPS

CHARLESTON CAPTURES SOUTHERN CITIES CHAMPIONSHIP

A team from Charleston, SC, grabbed the seventh annual Southern Cities Championship title in 2003. Team Charleston, captained by Susie Peiffer, defeated a team from Birmingham, AL, and was presented a check in the amount of \$1,000 to be donated to their chosen charity, Communities Schools in Charleston County. The Southern Cities Championship is an invitational, charity-driven, tournament where teams from all over the South compete for charity prize money.

The format is a round robin of eight-game pro sets, with each city playing the other cities in their division. The teams consist

of four doubles pairs, one in each of the following levels of play: 3.0, 3.5, 4.0 and 4.5. Division winners compete in a playoff to decide the overall championship team. Many of the same teams return year after year to enjoy the excellent competition, to renew old friendships and to take advantage of an opportunity to make a contribution to their favorite charity.

The Racquet Club of the South in Norcross, GA, once again hosted the event in 2003. Twenty-three teams competed this past year.

NORTH CAROLINA AND GEORGIA VICTORIOUS IN 2003 SOUTHERN SENIOR CUP CHAMPIONSHIPS!

The "crown jewel" of Southern tennis, the 17th Annual Southern Senior Cup celebrated its 10th anniversary in Columbus, GA, in 2003. Three hundred of the top Southern players competed for their state in team competition in Men's and Women's 35-75 age divisions.

North Carolina won the Mildred Southern Cup by winning the Women's Overall Championships and finishing second in the Men's Overall Championships. Georgia claimed the Gil Stacy Memorial Cup and the Men's Overall Championships.

Georgia won the Women's 35s, Men's 55s and 75s, North Carolina won the Women's 65s and 75s, South Carolina won the Women's 45s and 55s, and Mississippi won the Men's 35s and 65s.

Columbus has hosted this event for ten straight years and will again host in 2004! USTA's Organization of the Year (CORTA) once again offered a superb weekend of social activities and amenities for the players. With 30 outstanding courts, the Cooper Creek Tennis Center is the largest public clay court facility in the country and offers an excellent venue for team competition.

We thank our captains for their time and dedication to this event! Becky Richardson and Tom Oliphint from Alabama, Betsy Meacham from Arkansas, Jan Dennis and Hill Griffin from Georgia, Susan Habeeb and Greg Combs from Kentucky, Drew Meyers and Bobbie Miles from Louisiana, Jane Holland and Cindy Sturdivant from Mississippi, Vicki and Maurice Everette from North Carolina, Rita Anderson and Tom Foster from South Carolina and Dana Butchee and John Nixon from Tennessee deserve a thank you from all of the players for their efforts.

ADULT PLAYING LIMITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES FOR PLANNING AND RUNNING USTA SOUTHERN SECTION SANCTIONED TOURNAMENTS. The USTA Southern Section welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

- The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."
- No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A state-

ment on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

- For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.
- At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.
- If a tournament advertises on its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak, short sets, etc.... see Rule 27, Rules of Tennis for full descriptions.

Setting the Standard for Tennis Teaching Excellence

Enhance your teaching credentials with PTR Certification

Join PTR and register for a Teaching Essentials Workshop near you. This course is highly recommended for anyone teaching or coaching tennis - from the beginning instructor to the experienced professional.

The Teaching Essentials Workshop is a comprehensive weekend of tennis instruction and evaluation. Conducted primarily on court, the 10-hour course presents a standard technique for instructing tennis, provides a method for organizing a group of students, and offers corrective techniques to fix stroke deficiencies. In addition, you will learn the importance of positioning, making an effective demonstration, and providing useful feedback. Participants are given the opportunity to practice instruction technique, learning from a hands-on experience with others. Find a convenient workshop on our website www.ptrtennis.org or call us at 800-421-6289.

USTA SOUTHERN SECTION DYNAMIC NTRP FAQs

In the last 25 years, the National Tennis Rating Program (NTRP) has become a nationally accepted system that allows tennis players to compete with players of similar ability at local, State, Sectional and National levels. Technology has enabled the USTA to capture match data daily, allowing a new frontier in how the league programs are administered.

Over 94,000 adult and senior tennis players participated in USA League Tennis in the USTA Southern Section in 2003. This was a "big change" year in the program as USTA implemented the Dynamic NTRP Rating System. 15,000 new Southern players entered the program by self-rating according to the NTRP guidelines. Of those 15,000 new players, 3,437 players were moved up from their self-rating to a higher level and 2,252 were moved down at the end of the year. 93 players were disqualified by reaching the "clearly above level" mark three times during the 2003 year.

A procedure for captains, coordinators and tournament committees to file grievances against a player or captain who commits or condones a player to self rate two or more levels below their actual skill level was implemented in 2003. In the USTA Southern Section, 34 were filed with 17 upheld and 17 dismissed.

Online registration and score reporting through TennisLink makes it easier to be a captain. Players and captains are enjoying the new search features in TennisLink to quickly view standings, records and ratings.

Here are some of the most frequently asked questions about Dynamic NTRP:

Q: How often will the ratings be calculated and who will see the changes to ratings?

A: The dynamic ratings are calculated every night in a national database in New York. The Section NTRP administrator reviews the information through TennisLink.

Q: How often are ratings published nationwide?

A: Every November, a "year-end" rating is published for every player nationwide. That rating is entered into the NTRP National Database as the start rate for the following year. The year-end rating is based on 50 percent on the player's dynamic rating and 50 percent on the benchmark calculation. The dynamic rating is comprised of adult and senior league results for the league year and NTRP Tournament data up to November. The benchmarking process is what gives nationwide uniformity to the system as it calculates data from Nationals, Sectionals, State championships, local playoffs in that order and is averaged with the dynamic ratings for players to produce a year-end rating. Players who exclusively play mixed doubles will also receive a year-end rating. In 2004, NTRP Tournament data will be added to player records before finalizing year-end ratings.

Q: What conditions must be met for a Fair Play Grievance to be accepted by the Southern League Grievance Committee?

A: The grievance must be against a self-rated player. The complainant must state that the player has self-rated at least two levels below actual skill level. The complaint must provide specific and tangible information regarding the player's tennis history:

Q: What conditions would give credibility to a Fair Play Violation Claim?

A: The player participated on a college team at a significant NCAA level (note: age of player, injuries, position on team, strength of tennis team at particular school could affect a significant change in rating over time).

The player participated at the professional level.

The player has earned national, sectional or state rankings that would reflect a difference in the player's self-rating and actual skill level of two or more levels.

The player has a history in league tennis that would substantiate a claim that the player has misrepresented their current skill level (example: a player with a 4.5 rating from 2000 has self rated 3.0) Note: this claim by itself does not represent that a player who had a 5.0 rating in 2000 cannot play 4.0 in 2004.

Q: What contentions or claims would not be accepted as evidence in a Fair Play Grievance?

A: "I haven't lost all year and he beat me like a drum!", "My player is top of level and this player beat her easily!", "I have a strong kick serve, but his opponent returned it with ease.", "I see NTRP skills two levels above mine.", "That player is a teaching pro!", "My player is very strong and lost 6-0, 6-0.", "This player has not lost a match all year - hasn't even lost a set!", "This player is playing up at the next level and hasn't lost a match!", "This player has a split step volley; he cannot be a 2.5!", "He played basketball at Tennessee....or professional baseball....etc."

Q: How long are self-ratings valid in TennisLink?

A: No longer than 12 months or until a computer rating is published.

Q: If a player is disqualified, what is the notification procedure?

A: The USTA Southern Section NTRP Administrator will call the player and captain and follow up with an email (or letter by mail if necessary) to the player, captain, State League Coordinator and Local League Coordinator. The email will confirm which matches the Local League Coordinator will reverse in the local standings.

Q: How do disqualifications affect local standings?

A: For local play in the USTA Southern Section, if a player is disqualified from a NTRP level of play, the individual match that produced the third disqualification dynamic NTRP rating and any subsequent match won by the player at that level shall be considered a loss and scored (6-0, 6-0). Note: If the player plays two levels and receives third strike in the higher-level match for the lower level DQ, the last match played for the lower level becomes a 6-0, 6-0 loss.

By Section waiver from USTA, players not disqualified by conclusion of local league round robin play will be eligible to compete in the entire local playoff. Ratings will be calculated at the end of the local playoff to inform any disqualified players that they may not advance to the State Championships.

Q: What are the disqualification procedures for Championships?

A: Once a player has finished local play without disqualification, the player is eligible to play all matches in the State Championships. The USTA Southern Section NTRP Administrator will review reports through TennisLink on the day after the State Championships. Players who participated in the State Championships and are now on the disqualification report will be notified that they are not eligible to advance to the Sectional Championships. The same process occurs the day after the Sectional Championships. Points earned by disqualified players at State or Sectional Championships will stand.

Q: Does playing up increase your chances of being disqualified or moved up at the end of the year to the higher level?

A: The risk appears minimal for disqualification (90 new players and 3 who entered the year with a computer rating in 2003). It will require further evaluation of the 2003 year end ratings to see if "playing up" affects your year-end rating differently than the old system. Don't forget that many players live "on the fence" between two levels. Our system moves players by as little as a hundredth of a point. This is why many players might be moved between two levels each year.

Q: Have the appeal procedures changed?

A: Yes. Appeals from players who are within .05 of the rating are granted automatically. Appeals from players age 65 or older who are within one tenth of the rating are automatically granted. Also, beginning with the November 03 year-end ratings, players who participated at the 2003 state and/or sectional championships may appeal their rating.

Medical appeals are still accepted; most are denied due to the fact that the player must have sustained a permanent disabling injury/illness since the play that generated the rating. Most orthopedic appeals are denied, as many of our league players compete with knee, back, hip, elbow injuries and it is difficult to determine which ones truly affect skill level over a period of time. Temporary medical appeals are not available, as granted appeals allow the player to register at that level for up to five years or until they generate a new rating.

Q: What is an "early start" league season?

A: Any league season that starts registration for the following championships year prior to the November publication of year-end ratings. The system captures the player's current dynamic rating instead of their year-end rating for these registrations. The state publishes a list of players whose dynamic rating has changed NTRP level and self rated players who have produced dynamic ratings. If a player is not on the list, the player's NTRP level did not change.

Q: Why can the rating for a player listed on a roster be different than the rating listed on the player's individual record?

A: The rating you see on a roster is the rating that was valid at the time of registration for that season. The player may register at a different time in the year and have a different rating for that registration period (due to an early start league or a disqualification). The rating displayed by the player's individual record is the November year-end rating from the previous year or new rating as a result of disqualification.

Q: If a player's published early start rating changes his/her NTRP level, do they have to adjust in Mixed, Southern Combo Doubles or Super Seniors?

A: No, unless the player's published early start dynamic rating is at the disqualification level for the rating submitted on the Mixed, Combo or Super Seniors roster.

RECOMMENDED WINES

"It's easy to find wineries that specialize in high-end, small production wines, powerhouse wines; it's also easy to find places that concentrate on good quality at bargain prices. Finding a wine producer (Rosemount), who does both well, year in and year out, is remarkable."

—Ray Isle, Wine & Spirits Buying Guide 2004
