Professional Tennis Registry

Setting the Standard for Tennis Teaching Excellence

Enhance your teaching credentials with PTR Certification

Join PTR and register for a Teaching Essentials Workshop near you. This course is highly recommended for anyone teaching or coaching tennis - from the beginning instructor to the experienced professional.

The Teaching Essentials Workshop is a comprehensive weekend of tennis instruction and evaluation. Conducted primarily on court, the 10-hour course presents a standard technique for instructing tennis, provides a method for organizing a group of students, and offers corrective techniques to fix stroke deficiencies. In addition, you will learn the importance of positioning, making an effective demonstration, and providing useful feedback. Participants are given the opportunity to practice instruction technique, learning from a hands-on experience with others. Find a convenient workshop on our website www.ptrtennis.org or call us at 800-421-6289.

ADULTS

ADULT PLAYING LIMITATIONS & FORMATS

The following Daily Playing Limitations have been approved as GUIDELINES for PLANNING AND RUNNING USTA SOUTHERN SECTION SANCTIONED TOURNAMENTS. The USTA Southern Section welcomes comments and recommendations for revision if required prior to their becoming binding as part of our Rules and Regulations. Players and tournament directors are requested to forward their comments and recommendations to the Sectional Office.

A. The maximum number of matches and rest periods between matches will be in accordance with the USTA Rules in "Friend at Court."

B. No player shall compete in more than one division in singles and one division in doubles in a tournament containing singles and doubles and no player shall compete in more than two divisions of doubles in a tournament containing doubles only unless the Tournament Director decides that court facilities, length of tournament time and number of entries in the division affected will permit play in additional divisions. His/her decision shall be final. A statement on the tournament entry blank should state that the tournament director may have to prohibit some players from playing three events if the draw size or scheduling problems necessitate this action.

C. For all adult divisions, except the Men's Open, a ten-minute rest break must be taken after the second set if either player or team requests it.

D. At least one can of new USTA approved tennis balls shall be furnished for each match (singles, doubles, consolation). The same brand and color of tennis balls must, if available, be used for all matches throughout the tournament.

E. If a tournament advertises on its entry form that the event will use an alternative scoring format such as tiebreak in lieu of third set, results from that event shall be used for Southern rankings. Tournaments are limited to USTA approved scoring formats which include no-ad, tiebreak, short sets, etc.... see Rule 27, Rules of Tennis for full descriptions.

Southern Senior Cup, Region's 'Crown Jewel,' Offers Superb Tennis

The "crown jewel" of Southern tennis, the 18th Annual Southern Senior Cup, in its 11th year in Columbus, GA, featured 300 of the top Southern players competing for their state team in men's and women's 35-75 age divisions.

Teams include several former tour players and internationally and nationally top-ranked senior players competing in a unique format that awards points for victories in several categories.

Mildred Southern and Gil Stacey awards: Georgia captains Hill Griffin and Jan Dennis

In addition to the superb tennis, it is the team camaraderie that makes many say this is their favorite tennis weekend of the year. The 35s cheer on the 75s, the men cheer for the women and vice versa. Many friendships are rekindled during these four days as well as great rivalries!

Columbus has hosted this event for 11 straight years and will host the event at least through 2008! A USTA Organization of the Year, CORTA and local chairman Ken Smith once again offered a superb weekend of social activities and amenities for the players. The largest public clay court facility in the country, Cooper Creek Tennis Center, with 30 courts, is a fantastic venue for team competition.

North Carolina won the men's 65s and 75s and the women's 75s; South Carolina won the women's 35s, 45s and 55s; Georgia won the men's 45s and 55s; Kentucky won the men's 35s and Alabama won the women's 65s.

We thank our captains for their time and dedication to this event! Becky Richardson, Darrell Blevins from Alabama; Jan Dennis, Hill Griffin from Georgia; Susan Habeeb, Greg Combs from Kentucky; Drew Meyers, Elizabeth Chesteen from Louisiana; Jane Holland, Cindy Sturdivant from Mississippi; Vicki and Maurice Everette from North Carolina; Roberta Case, Tom Foster from South Carolina; and Dana Butchee, John Nixon from Tennessee. They all deserve a huge thank you from their players and from the USTA Southern Section for their efforts before and during the event.

USA Team Tennis On College Campus

NC Program Grows Into Powerhouse

The University of North Carolina Charlotte has an avid program that attracts many college students to participate in USA Team Tennis.

The Tennis Club was formed in 1998 by a rogue group of tennis-playing students wanting to find an outlet for their passion. Since then, the club has grown by leaps and bounds. Now boasting over 30 active members, the club has become a powerhouse among Southeastern tennis clubs.

Program Extends Playing Years

There are approximately 300,000 high school tennis players in the United States, but only about 15,000 compete for their school at the college level. Many of these high school players simply stop playing tennis once they get to college because of the lack of opportunities available. That is where USA Team Tennis on College Campus is trying to fill in the gap. The program offers organized match play through physical education classes, intramurals or other recreational leagues on campus. The format of play is flexible so that it can easily fit into any school's situation.

In addition to these avenues of play, the USTA Southern Section is trying to help colleges and universities establish and/or expand tennis club teams. These teams travel to other colleges and play matches, as well as compete in tournaments against teams from other schools. The USTA Southern Section has developed a web page that lists the names and contact information for teams across the South in an effort to promote play. It can be accessed by navigating to the Collegiate Tennis icon on the Southern Section homepage.

In 2005, we hope to identify teams from additional colleges in the South, and hold the 1st annual Southern Campus Championship event. If you are interested in starting a USA Team Tennis program on a campus near you, please contact the appropriate state contact listed below.

New Regulations and Procedures for League Tennis in 2005

In the last 25 years, the National Tennis Rating Program (NTRP) has become a nationally accepted system that allows tennis players to compete with players of similar ability at local, State, Sectional and National levels. Technology has enabled the USTA to capture match data daily, allowing a new frontier in how the league programs are offered and administered.

The first two years of the implementation of Dynamic NTRP (2003 and 2004) have presented a challenge to resolve how to make sure new players (especially those with a tennis background) are entering our league programs at the appropriate level.

While the great majority of players understand our intent to offer compatible competition within our skill levels and to maintain the integrity of league tennis, the lack of a verification system, or "police force," brought too many players to a lack of confidence in the system.

The USTA Southern Section was at the forefront of providing solutions and the USTA adopted new regulations and procedures for 2005, including adopting USTA Elite Player Guidelines for current or former college players, teaching professionals, playing professionals and Nationally and Sectionally ranked junior and adult players. In 2005, those players will fill out a player history form to have their self-rating approved by their State association (see guidelines below).

In addition to this new procedure, the USTA has reduced the mathematical threshold to reach three "strikes" to be disqualified at the 3.0-5.0 levels. This measure is anticipated to triple the number of "dynamic DQs" by the daily calculation of league matches. There were 117 disqualifications as a result of players reaching three strikes in 2004 in the USTA Southern Section.

The USTA also changed the criteria to file Self-Rate NTRP Grievances against players or against captains for condoning one of their players entering a league program at a NTRP level when evidence shows the player is at the top of the next level.

There were 117 Self-Rate Grievances filed in the USTA Section in 2004 with 77 going to committees and 53 upheld. Until May, the criteria for filing a grievance stipulated that the player was at least two levels above his/her self-rating.

USTA also adopted the USTA Southern Section's Protocol for Filing a Self-Rate NTRP Grievance. State Associations are handling these grievances in 2005 and using the USTA Elite Player Guidelines as a tool will determine which grievances go forward to State Self-Rate Grievance Committees. These grievance procedures will apply to all USA League Tennis Divisions and BMW Southern Combo Doubles programs in 2005.

USTA has already begun the process of adopting an approval process in TennisLink for all new players self-rating to enter a league program via a series of questions before a player's self-rating is accepted during the registration process. This new feature may be introduced as early as March in 2005.

We continue to explore solutions to self-rating abuses in order to maintain the integrity of league tennis and welcome any suggestions from players, captains, coordinators, volunteers, tennis professionals, etc. Contact Marilyn Sherman, director of Adult Tennis, at sherman@sta.usta.com

As we move into the next 25 years of league tennis, we strive to offer the best programs in the country to the members of the USTA Southern Section.

USA League Tennis Grievance Committees are authorized to suspend captains for condoning self rating abuses. Grievance committees have the authority to dismiss complaints or alter the application of these guidelines when they deem appropriate. The USA League Tennis Committee asks all players, captains, coordinators, tennis professionals and volunteers to join the campaign to maintain the integrity of the NTRP Rating System! 25 YEARS OF USA LEAGUE TENNIS

Rhetta Cox and Rena Stanton bring a combined total of 170 years of experience to the game.

Cox and Stanton Prove it's Tennis for a Lifetime!

Rhetta Cox and Rena Stanton partnered at the 2004 South Carolina Super Senior State Championship, playing women's 70s 3.0 for the Grand Strand Myrtle Beach area to win their final match 6-3, 7-5.

This was a great win for the two players whose combined ages total 170 years. Yes, you read correctly. Rhetta Cox is 89 and Rena Stanton is 81. Rhetta and Rena have a winning partnership in every way!

Rhetta's tennis career began at Palm Beach High School and she has played tennis throughout her life. She is known for her movement and placement on the court and enjoyed her second year playing Super Senior tennis.

Rhetta's partner, Rena, traveled a very different route to this year's championship. New to the game, Rena began playing tennis five years ago at the age of 76. She started the "Tennis Anyone" in her Myrtle Beach community and there are as many as 36 players still showing up once a week to enjoy tennis with friends. They have even begun senior volleyball to keep active and in shape!

Rena has had one one-hour tennis lesson in her lifetime and professes being self taught. "I can move pretty well on the court and I jump at net shots because of my volleyball experience," she said. Rena played 2003 Senior League tennis and joined the Super Senior league in 2004.

Super Senior tennis is alive and growing in 2004. The USTA's addition of this program under the USA League Tennis umbrella will introduce more Rhettas and Renas to this awesome league, which surpassed the 5,000-participant mark in the USTA Southern Section in 2004!

Over 100 Teams Set to Play in April Sectional Championships

The 2004 Southern Super Seniors Sectional Championships will be held in Pelham, AL, April 1-3, 2005. Over 100 men's and women's teams in the 60s and 70s age divisions will compete in the 2.5-4.5 skill levels. Representing nine states, they have already had a winning year as State champions!

The 1,000-plus participants will enjoy the beautiful venues at Pelham Racquet Club, Brook Highland Racquet Club and Mountain Brook Swim and Tennis Club (yes, ALL CLAY!) The teams will have an opportunity to compete on and off the court as the player party will be a talent contest: team karaoke, dancing, skits, etc!

The champion teams in the 60s divisions 3.0-4.5 will be invited to the USTA National Super Seniors Invitational May 12-15, 2005 in Kansas City, MO.

This age group is the fastest-growing segment in our population and they have NEVER been fitter or more interested in a healthy lifestyle! Tennis offers an unmatched opportunity to stay fit in a social atmosphere and even be part of a team. USTA is developing programs to "welcome back" former senior players and to "welcome" the many new players who are taking the sport up for the first time in their 60s and 70s.

Join the fun today!

2004 Eastern Regional Mixed Doubles Tournament

Southern Mixed Doubles players competed in the first 2004 Eastern Regional Mixed Doubles tournament held Nov. 12-14 in Memphis, TN. Players advanced from five Sections – Florida, Caribbean, New England, Midwest and the Southern Section.

Players shared their enthusiasm and excitement as they enjoyed the great city of Memphis while competing in this tournament. While tennis was their focus, many any of our players found Memphis to be a very exciting city and had an opportunity to take advantage of the sites and sounds of Blues town. Players partied on Beale Street, tried their luck at the casinos in Tunica, enjoyed tours of the beloved Graceland and dined on the best barbeque in the county.

Congratulations to all of our teams as it is a great honor to advance all the way from their local league to State, to Sectionals and, finally, to the Eastern Regional Mixed Doubles tournament.

25 YEARS OF USA LEAGUE TENNIS

The members of the USTA Southern Section continue to show their support and enjoyment of league tennis in a very BIG way. Making up over one-third of all the participation nationwide, 100 local leagues are now offered in our nine states!

In 2004, over 94,000 league players competed in USA League Tennis, Southern Combo Doubles and Super Seniors at the local level in the USTA Southern Section. Many enjoyed multiple programs and totaled a record 210,000 participants during the year.

In the USA League Tennis Adult and Senior Divisions, where 16,000 in our Section advance to State competition, 2,000 advanced to the Sectional Championships and 250 represented the South at the National Championships in Palm Springs and Tucson.

To participate in the USA League Tennis Adult and Senior Divsions, players must be 19 years of age or older for adult divisions and 50 years of age or older for senior divisions and must be a USTA member. The levels offered are adult 2.5-5.0 and senior 3.0-4.5. An invitational is offered in Las Vegas for the 5.5 and open divisions.

USA League Tennis Mixed Doubles continues to grow, with over 30,000 participants in 2004. Champion teams progressed to State championships, Sectional championships and an expanded Eastern Regional championships that included five Sections: Southern, Florida, Caribbean, Midwest and New England.

The levels for Mixed Doubles (Adult and Senior Divisions) are 5.0-10.0, where partnerships are limited to no more than one point apart.

Southern Combo Doubles reached over 34,000 participants this year and offered State and Sectional competition. BMW returns as the title sponsor in 2005! The format is three doubles positions for men's and women's teams (adult and senior divisions) in 5.0, 5.5, 6.5, 7.5, 8.5, 9.5 and 10.5 levels.

Southern Super Seniors grew to over 5,000 in 2004. Offering competition in the 60s and 70s, with all skill levels, winning teams advanced to State and Sectional championships. This program becomes part of the USA League Tennis menu in 2005 with a National invitation for Section champions in the 60s division advancing to Kansas City, MO, in May.

States also offer other league programs registered in TennisLink that total 7,000 registrations, such as 2.0 leagues, open leagues and "fun" fall leagues.

USA League Tennis (Adult, Senior, Mixed Doubles, Super Senior Divisions) and BMW Combo Doubles will continue to offer opportunities for players of all ages and skill levels in 2005. Check your local and state websites for contacts in your area and go to our website at www.southerntennis.com and click on Leagues for National and Sectional information, regulations and calendars.

Highlights from 2004 are featured in the next section. Congratulations to all of our champions and finalists in all of our programs at the local, State, Sectional, Regional and National levels in 2004!

The first ever USA Tennis High Performance Training Camp integrated the top able bodied and wheelchair junior players in the Southern Section.

The mission of the Wheelchair Tennis Committee is to promote and grow the game of wheelchair tennis throughout the Southern Section. Great strides have been made this year in working toward the integration of wheelchair players into USTA programs.

Philip Cash of Mississippi was amongst the top wheelchair players invited to participate in the USA High Performance Camp.

Top Able-Bodied and Wheelchair Players Share Court Time

The USA Tennis Junior High Performance Training Camp held its first official integrated camp with able-bodied and wheelchair players this March in Charlotte, NC. The camp was a phenomenal success and gave players an experience to appreciate each other by working and playing together. The High Performance Training Camp featured 16 able bodied players and four wheelchair junior players and invitations were extended only to top juniors in the USTA Southern Section.

JUNIORS

STATE/QUOTA SELECTOR AND BASIS FOR SELECTION

ALABAMA
Quota: For 128 Draw-8, 160 Draw-10
William Fain

Must play in the Alabama Qualifying Championships. The four semi-finalists in the championship bracket and the four semifinalists in the Consolation bracket are automatically selected. The Alabama Junior Competition Committee will select the last two places, 9, and 10 if needed based on National, Sectional and State ranking along with current play.

ARKANSAS
Quota: For 128 Draw-10, 160 Draw-12
16's & 18's: Tom Fink
12's & 14's: Richard Akel

Selection for five slots per division will be based on the final five positions in the Arkansas Junior Qualifying. All other slots open to Arkansas juniors will be based on the strength of a player's overall tournament record for the current ranking year—National, Southern and State records will be considered.

GEORGIA
Quota: For 128 Draw-41, 160 Draw-43
State Selectors:
USTA Georgia Office, Janet Louer; 404-256-9543 x14

Juniors are selected from the USTA Georgia State Junior Closed Qualifying, unless an approved waiver has been granted. Players must play the Qualifying in the age division they want to be endorsed to the USTA Southern Junior Closed. (Example: A player who plays up in the 14's in the Qualifying is not eligible to be endorsed to the USTA Southern Closed in the 12's. The players must be endorsed in the 14's.)

Selection criteria:

BG 10: The 21 highest-ranked players (including waivers) who have competed in the Qualifying and who applied to the USTA Southern Junior closed will be selected from the Qualifying to fill the USTA Georgia quota. The major consideration for selection will be the June 9, 2005 USTA Georgia Standings.

BG 12-18: Players who reach the round of 16 at the Qualifying and who apply to the USTA Southern Junior Closed will automatically be selected. The remaining players, including any waived players, who apply to the USTA Southern Junior Closed will be selected from the Qualifying to fill the USTA Georgia quota. The major consideration for selection will be the June 9, 2005 USTA Georgia Standings.

KENTUCKY
Quota: For 128 Draw-7, 160 Draw-9
Girls – Neale Bennett
Boys – Jeff Mallory

To qualify for the Southern Closed Championships, a junior player must play in the Joe Creason Junior Qualifying Tournament in the singles age division that the player wishes to be considered for the State Quota to the Southern Closed Championships. Participation in the Joe Creason is mandatory, unless waived in advanced by the Waiver Committee.

Selection for five slots per division will be based on the top five finishers in the Joe Creason Junior Qualifying Tournament (the four semifinalists and the feed in consolation winner). All other slots open to Kentucky Juniors will be based on a player's performance in the Joe Creason Qualifying Tournament and the strength of the player's overall tournament record for the current year, caliber of wins and head to head matches, National, Sectional, and State rankings.

LOUISIANA
Quota: For 128 Draw-10, 160 Draw-12
Rob Worley

SOUTHERN CLOSED : To qualify for the Southern Closed, a junior player must play the Louisiana State Closed Junior Qualifying tournament.

a. The four semi-finalists in the main draw and the winner (5th) and the runner-up (6th) of the consolation draw are automatically selected. Selection of the remaining eligible players for LA's quota will be based primarily on a player's tournament record(national, sectional, and state) against other Louisiana players in the age division under consideration. Other factors such as player exposure(number of matches and events played), head-to-head matches, the caliber of wins and the player's performance at the LA Qualifier may also be considered. Those players not endorsed, but who have submitted applications for endorsement, shall be identified as alternates.

Endorsement criteria for the Southern Closed

b. Application for endorsement to the Southern Closed will be available at the LA Junior Qualifying Tournament. It is the players' responsibility to fully complete the application and turn it in timely to the designated individual(s) for the player to be considered for endorsement. It shall also be the player's responsibility to thereafter inquire as to whether he or she has been endorsed for the Southern Closed. No notification will be given to those players endorsed, as it is each player's responsibility to ascertain their status.

MISSISSIPPI
Quota: For 128 Draw-10, 160 Draw-12
Linda Moak

To qualify for the Southern Closed Championships, a junior must play in the MS Closed Qualifying tournament. The four semifinalists in the championship (main) bracket and the four semifinalists in the consolations are automatically selected. Selection of the remaining players for Mississippi's quota will be based on Mississippi standings immediately following the Qualifier. (Waivers into the Southern Closed will be considered for medical reasons, family crisis, or unavoidable circumstances. Players who fall into this category will be placed on the alternate list.)

NORTH CAROLINA
Quota: For 128 Draw-19, 160 Draw-21
Jeff Trivette

Selection to the Junior Southern Closed tournament is based primarily on the most recent update of the NCTA Standings List calculated with the final results of the Tar Heel Qualifier. The Junior Selection Committee retains the right to adjust if necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection. Play in age groups other than that which the player applies for selection to the Southern Junior Closed will not be considered.

SOUTH CAROLINA
Quota: For 128 Draw-12, 160 Draw-14
State Selectors: Terry Ferrell and Christy Britt

To be considered for play in the Southern Junior Closed Championships, participation in the State Qualifying is required, unless waived in advance by the Selector and SCTA Junior Council. The top 8 finishers at the State Qualifying will be selected. Other selections will be based on a player's National, Southern, and State standings plus current season's play.

TENNESSEE
Quota: For 128 Draw-11, 160 Draw-13
Peter Lebedevs
Virginia Bell

The player must play in the Tennessee State Qualifying in the age division that the player wishes to be considered for the State Quota to the Southern Closed Championships. Participation in the State Qualifying is mandatory, unless waived in advance by the Waiver Committee.

The top eight finishers at the State Qualifying Tournament automatically qualify for the Southern Closed. This number will also include any players that have been waived in accordance with the waiver guidelines. The remaining players from Tennessee's quota will be chosen based on the player's 12 month record up to and including the State Qualifying (e.g. current Southern standing, common opponent, caliber of wins, head to head). All players wanting to be endorsed MUST fill out an application at the Qualifying.

USTA YEARBOOK

In addition to reading the USTA Southern Section Yearbook and the USTA National Junior Tournament Schedule carefully, we urge you to consider purchasing an official USTA Yearbook. USTA members may order one by contacting the USTA Publications Dept., 70 West Red Oak Lane, White Plains, NY 10604. Telephone (914) 696-7161.

CONDUCT

One final word is most worthy for you to consider. Your conduct and deportment on and off the court should always be to the highest standards of good sportsmanship. Playing tournament tennis has many rewards but requires many sacrifices on your part and that of your parents. As your playing ability improves you develop a reputation among your peers, tournament officials, tennis administrators, parents, coaches and spectators. The vast majority of your matches will be played without umpires and that requires the players to call the lines. Be unfailingly fair to your opponent and follow the guidance of "The Code" in all situations. The USTA Southern Section and its nine States are dedicated to insuring that all our player members are true sportsmen. Exhibit the best in sportsmanship on and off the court.

Included in this section is a list of tournaments that require endorsement. Registration format for these events will be online at www.usta.com.

USA TENNIS SPECIAL POPULATIONS

NJTL: "Making a difference in our community"

Founded by Arthur Ashe, Charlie Pasarell and Sheriden Snyder in 1969, a USA Tennis NJTL program is a network of community organizations dedicated to introducing as many young people as possible to the lifetime sport of tennis. The program seeks to develop the character of youth through tennis, emphasizing the ideals and life of Arthur Ashe by:

- Reaching out to those who may not otherwise learn and play tennis.
- Instilling in youngsters the opportunity to fully develop their tennis skills so they can derive a lifetime of enjoyment from the sport.

The program offers participants an educational component to enhance their academic discipline and provides a safe haven, adult role models and opportunities to develop positive social and leadership skills.

USA Team Tennis – Youth

USA Team Tennis is a program that emphasizes fun, fitness and friends and provides junior players of all ages the opportunity to develop their tennis skills and become lifelong players. In the team tennis format, players focus on the enjoyment of the game while promoting the spirit of competition and camaraderie. USA Team Tennis is a great way to meet new people and all it takes is four teams of six players to start your own league. Local parks, schools, NJTL chapters, clubs and housing communities are just a few of the many organizations that already have successful USA Team Tennis programs. USA Team Tennis is the only youth sports program where every team gets the opportunity to advance to their State Championships, Sectional Championships, Regional Championships and National Championships. In 2004, the top 29 teams from around the country, including two from the USTA Southern Section, traveled to Tucson, AZ, for USA Team Tennis National Championships!

Thank you to all of the parents, coaches and volunteers who contribute their time and effort to make USA Team Tennis the success that it is today. In 2004, nearly 32,000 juniors participated in USA Team Tennis across the South.

If you are interested in getting on a team or starting your own team or league in your area, please contact the USA Team Tennis Coordinator in your state (listed below).

USA School Tennis Helps Fill Physical Education Gap in Schools

In a time when many schools have little or no funds budgeted for physical education, USA School Tennis provides a much-appreciated solution. The USTA Southern Section offers to conduct in-service workshops for physical educators at no cost to the teacher or school. Many of the teachers who participate in the in-service say that it is one of the best sessions they have been to. The P.E. teachers who attend these trainings are eligible to receive a grant of rackets, nets, transition balls and curriculum materials as soon as their school forms a partnership with an after-school tennis program. In addition, schools can purchase additional equipment at reduced prices. The goal of the program is to give the students in grades K-12 a quality introduction to tennis as well as to help develop tennis players in order to meet the USTA's mission "to promote and develop the growth of tennis."

Another feature of the USA School Tennis program is a school assembly. These 30- to 45-minute "tennis shows" are high energy and used as a promotion for local after-school tennis programs that the students are encouraged to participate in. Audience participation, prizes and FUN are just part of these events that show just how exciting the sport of tennis can be. For more information on how to start a USA School Tennis program in your area, please contact the appropriate state coordinator listed below.

USTA Southern Section Earns Website of the Year Honors

The United States Tennis Association Advanced Media Committee named www.southerntennis.com the "2004 USTA Website of the Year" during the USTA semiannual meeting in New York City.

The USTA Southern Section's website was viewed by approximately 14,000 unique visitors each month and had over 85,000 monthly page impressions in 2004. The site is widely viewed as a primary source of tennis information in the South and regularly features pieces on special tennis events happening throughout the South, contests, tournament results, player profiles and organizational news.

It is also home to the USTA Bookstore, a unique item that cannot be found on any other USTA.com network site. Other content that makes the site stand out from other USTA websites is its semimonthly

rotating Sports Science articles and its online "Nike Team Store," where league captains can purchase team uniforms through Southern partners Tennis Warehouse and Nike.

"The USTA Southern Section website is well-designed, dynamic, functional and a great marketing tool for tennis," explained Jane Morrill, chair of the Website of the Year selection committee. "We hope the 2004 award will encourage other USTA.com network websites to incorporate some of the outstanding features found on www.southerntennis.com."

Now in its third year, this annual award recognizes an outstanding website created by a USTA organization that is part of the USTA.com network. The 2002 award was won by USA Tennis Florida and in 2003 the Evansville, IN, Community Tennis Association website won the award.

"We take great pride in our website and are always working to offer better and more interesting content and features," said USTA Southern Section executive director John Callen. "We are committed to our membership, our partners and sponsors and the entire tennis playing community to provide exceptional tennis coverage here in the South."

LEAGUE TENNIS

Coordinators Remember ...

Pat DeVoto, Sectional league coordinator, 1978-1985

I remember telling my friends about the new pilot league tennis program I was working on: "I go to a local tennis association and ask them to field teams based on a questionnaire they fill out. Then the local winners, in the different levels of play, will come to Atlanta and play against people they have never played against before, in levels they have never heard of before ... and everybody will be competitive and have a lovely time." And my friends would say, "Oh yeah, Pat, like that idea has a snowball's chance in hell of working out."

Lisa Barry, Sectional league coordinator, 1989-1994

My six years as SLC were challenging but very rewarding. I was able to work with some of the greatest people I've ever known – the State League Coordinators and Sectional League Council members – many of whom are lifetime friends. It was a team effort from the beginning because we could all relate to the stresses as well as the joys of administering a program as large and as complex as USA League Tennis. We could see how it changed people's lives, ours included, and that was exciting. And we were always eager to improve what I think will ultimately be regarded as the most successful program ever established by the USTA. We were (and still are) proud to be "those league people."

Marilyn Sherman, Sectional league coordinator, 1995-present

In the last 10 years, league tennis has exploded in the South and has expanded to year-round opportunities with four league programs. I love how great an impact it has in the lives of so many of our players, captains, coordinators and volunteers. Our programs provide a significant and huge part of our players' "fun, fitness and friend" needs. Their experiences in league tennis become part of the fondest memories of their lives. I feel SO fortunate to spend my "9-to-5" hours in such a rewarding effort with so many passionate friends of tennis!

BORN IN THE SOUTH

25 YEARS OF USTA

LEAGUE EXPANDS FROM 100 TO 100,000

In the early summer of 1978, at the offices of the USTA Southern Section, Bill Fish explained a novel idea to Pat DeVoto and DeWitt Redgrave, then-executive director of the USTA Southern Section. Having been an active league player in Atlanta, Fish reasoned that if league tennis were so popular locally, there was a good chance it could become successful on a national basis. Fish believed that it would be possible to incorporate league tennis players from all over the country into a national playoff system.

The USTA agreed and gave a grant of $7,000 for the USTA-Penn League Evaluation Project in the Southern Section. With an additional $3,000 from the USTA Southern Section, USTA's National League program was born. Men's and women's teams competed locally in Birmingham, AL, Anderson-Greenville-Spartanburg, SC, Rome and Macon, GA, and Lynchburg, VA, (representing the Mid-Atlantic Tennis Association). The program had 1,000 participants at the local level.

Year	USTA players	Southern players
1978	0	100
1980	13,000	5,000
1985	73,000	18,000
1990	143,000	40,000
1995	230,000	60,000
2000	275,000	77,000
2001	280,000	85,000
2002	285,000	87,000
2003	290,000	90,000
2004	295,000	94,000
2005	300,000	100,000

The first inter-city championships was held in Atlanta at the WCT Peachtree World of Tennis (now the Racquet Club of the South) on Nov. 18, 1978, with less than 100 participants.

In 1980, the USTA unanimously adopted a national league program at its annual meeting. The program then consisted of league play for three levels of women's or men's teams, 3.5, 4.5 and 5.5, with the competition beginning at local levels and the winners advancing through Sectional, Regional and National championships.

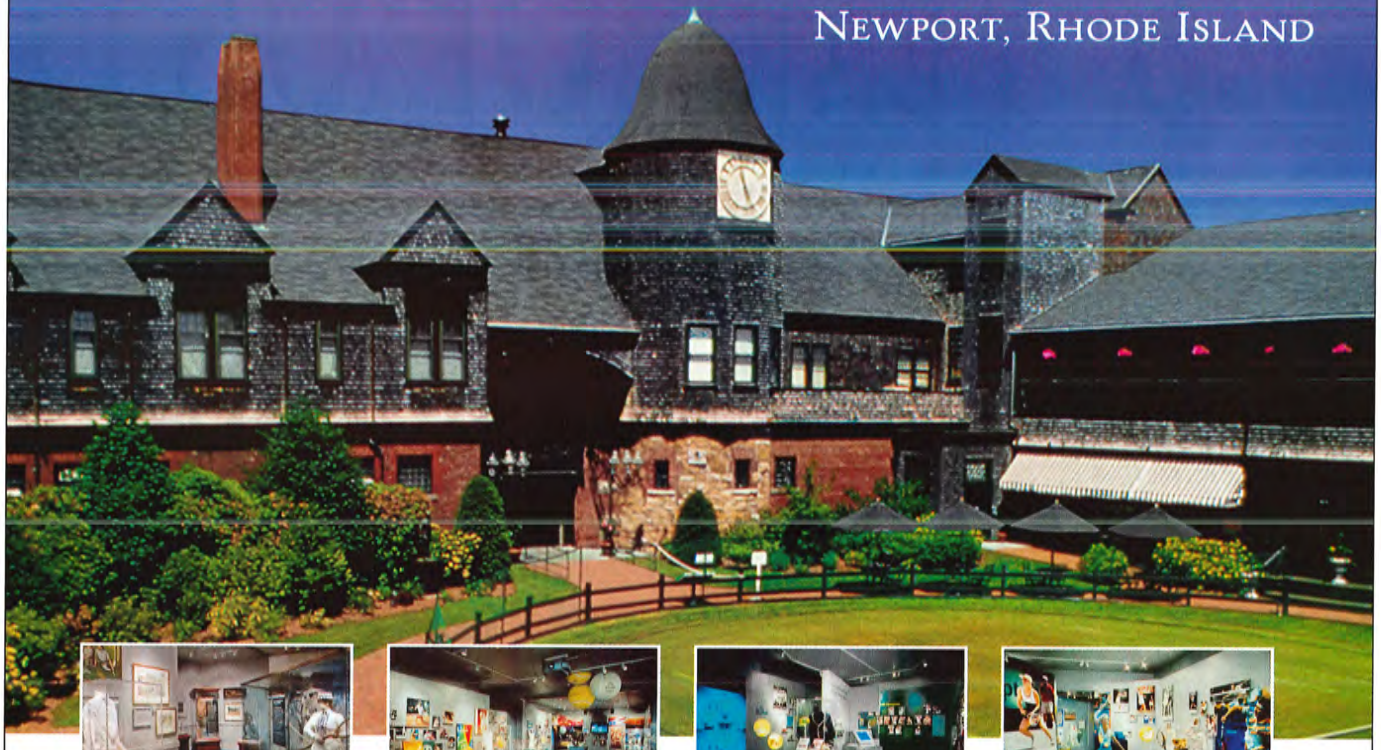

As they say, the rest is history. USTA's League Tennis exploded nationwide, and especially in the South, over the next 25 years and today is known as the world's largest recreational league tennis program.

From the first inter-city event with 100 players, the nine states in the USTA Southern Section now offer 100,000 tennis players local team competition in Adult and Senior, Mixed Doubles, Combo Doubles and Super Senior divisions. The USTA Southern Section dedicates this yearbook to the throngs of players, captains, volunteers, league coordinators, sponsors, tennis professionals and all others who have contributed to the success of USTA's league tennis in the South.

Korb, Wheelchair Player of the Year, is World-Class Player

WHEELCHAIR PLAYER OF THE YEAR AWARD

→ Awarded annually to a wheelchair player in the Southern Section who has shown outstanding on-court ability, sportsmanship and community service.

→ Awarded to:
Karin Korb
Atlanta, GA

Karin Korb

Karin Korb did not pick up a racquet until she was 27 years old but has since taken the world of tennis by storm. Her personal motto is "live to train; train to live," and it has proven to be a successful one, as she has become one of the top wheelchair players in the world. Korb is ranked second in wheelchair tennis in the United States and 15th in the world. She has also competed on seven USA World Teams, which is comprised of the top four women in the country, and is a two-time Paralympian.

Injured in a gymnastics vaulting accident, Korb kept her passion for sport alive by taking up bodybuilding and later becoming the first-ever women's wheelchair bodybuilding champion. She currently is employed by Blaze Sports of America as a program development manager and a physical conditioning/sports instructor. Korb also teaches basketball, tennis, rugby and kayaking to junior wheelchair players.

Korb finished 2004 No. 16 in singles on the ITF wheelchair rankings and she competed in the Quickie U.S. Open, the Athens Paralympic Games, and the Australian Open.

Her commitment to the growth of tennis is exemplified on many levels. She became the first female with a disability to receive a Division I athletic scholarship to play collegiate wheelchair tennis. Korb is the vice chairman on the USTA national committee for wheelchair tennis and is a member of the Georgia Tennis Foundation. She continues to assist the USTA with media, publicity and public relations.

Korb is truly a champion of the sport, and has even been featured in the book "Superwomen, 100 Women, 100 Sports." She attributes much of her successful disposition to her parents, sister, teachers and the Atlanta Church of Religious Science.

The ROHO/PTR $15,000 Wheelchair Tennis Tournament, which was held at the Shipyard Tennis Club at the Van der Meer Tennis Center on Hilton Head Island, SC, was named the 2004 Wheelchair Tournament of the Year by the USTA Southern Section Wheelchair Committee.

For the 18th straight year this tournament brought together more than 100 of the top wheelchair players from around the world. The five day event, which is widely considered to be one of the finest wheelchair tournaments in the world, is an ITF Championship Series I and a USTA Southern Championship. One hundred volunteers from the community joined together to make the event an overall success. The tournament has gained both national and international exposure, as it is part of the NEC Wheelchair Tennis Tour, and features over $15,000 in prize money for both men and women in singles and doubles. Play also includes limited junior singles and senior/masters doubles competition.

Players and spectators alike had nothing but great things to say about the staff, amenities and tournament's overall organization. The tournament featured a players' drill session, the quickie welcome reception and cookout, a beachside party, and the ROHO awards banquet at the Crowne Plaza Hotel.

USTA SOUTHERN SECTION

USA League Tennis Senior Mixed Doubles Championship a Winner

TEAM TENNIS EVENT / PROGRAM OF THE YEAR AWARD

→ **Presented annually to a USTA Southern Section event that best demonstrates outstanding execution of a team event.**

→ Awarded to:
USA League Tennis Senior Mixed Doubles State Championship Columbus, MS

Terrie Gooch

While the word "TEAM" describes the playing format of the USA League Tennis Senior Mixed Doubles State Championship, it also helps illustrate the effort that went into the planning and organization of this complex tournament. The success of this event can truly be traced to the community effort that went into organizing it.

It began with a grant from the Columbus Convention and Visitors Bureau to underwrite the full expense of the event. When a site for the player's party was needed, the Columbus Historic Foundation stepped up and secured an antebellum home while Columbus' School of Culinary Arts catered the meal. The Chamber of Commerce sent out emails to help promote the event and the media did a fabulous job of covering the action before, during and after the championship.

Hosted by the Magnolia Club for the first time, the 211 competitors raved about the facility's player-friendliness, paying special attention to the immaculate clay courts and excellent spectator viewing area. Tournament director Terri Gooch also gave a glowing review of the 78 volunteers, saying how helpful, dedicated and hard working they were.

"While nothing is perfect," she continued, "this tournament was as close (to perfection) as any event with which I have ever been associated."

Other nominees: Ladies Beginner Tennis, Lafayette, LA; Super Senior State Championship, Sea Brook Island, SC; Tennis in the Workplace Challenge, Lexington, KY.

Tennis Official of the Year Accolades Go To Washington

TENNIS OFFICIAL OF THE YEAR AWARD

→ **Presented annually to a tennis official who has made outstanding contributions to tennis officiating in the USTA Southern Section.**

→ Awarded to:
Carey Washington Columbia, SC

Carey Washington

While Carey Washington is a pleasure to speak with off the court, he is all business on. A tournament referee for over 17 years, Washington is a stickler for good sportsmanship and player conduct. "As a referee, it is crucial that we enforce proper behavior on the court and hold our junior (players) to high standards."

Carey's officiating duties this past year were varied and plentiful. He was the chief umpire at two of the country's most prestigious collegiate events – the NCAA Division I and ACC Tennis Championships. On the junior level, he served as chief umpire at the Belton, SC, Wachovia Palmetto Championships and the ITF Chanda Rubin International Championships.

He traveled to Dublin, Ireland, to serve as a chair umpire at the World Special Olympics. Carey also served as a line judge at several professional events, including the NASDAQ in Miami, the Bermuda Open, the Family Circle Cup and the Newport International Championships. He also accepted invitations to serve at both the U.S. Open and the Pilot Penn Tennis Tournament in Connecticut but had to pull out of both due to an ongoing heart condition.

Carey is currently vice president of the USTA South Carolina board of directors and he serves on both the USTA Southern Section and USTA National Officials Committees. He is very active at the state level and has served on USTA South Carolina Discipline and Grievance, Multicultural and Wheelchair committees.

Other nominees: Dr. Jim Baughman, Stanford, KY; Al Dockery, Little Rock, AR; Megan Mayhan, Madison, MS; Ken Smith, Cataula, GA; Richie Weaver, Baton Rouge, LA.

David Kimball Named Southern Tennis Professional of the Year

SOUTHERN TENNIS PROFESSIONAL OF THE YEAR AWARD

→ Presented annually to a tennis professional in the USTA Southern Section who demonstrates a significant contribution to the game of tennis through their promotion of the USA Tennis Programs and their support of the USTA Mission.

→ Awarded to:
David Kimball
Shreveport, LA

David Kimball

According to USTA Louisiana executive director Diana Beauregard, no other tennis professional in the state better incorporates the USTA mission of "promoting and developing the growth of tennis" in their daily work better than David Kimball. When he became a teaching pro at the Southern Hills Tennis Center in Shreveport a little over two years ago, Kimball saw that the facility was not being used to its full potential.

Kimball took it upon himself to introduce a variety of new tennis options to the community by collaborating with other professionals or, in many cases, working on his own. Together with Joanne Russell, they started up USA Wheelchair Tennis and today they donate four hours of instruction to the program participants.

Another key project he worked on was Southern Hills' existing, but struggling, USA League Tennis program. At the time, only one team, on average, represented the facility each season. Kimball kicked up player recruitment and today three or four teams play out of the facility each season.

Hoping to increase junior participation, he started working with representatives at the USTA Southern Section as well as local community coordinators to start USA Schools Tennis and USA Team Tennis programs. He assisted with school assemblies in southwest Shreveport, trying to make tennis more visible in that part of the city.

He took an active role in Claire Maisel's "Never Ever Tennis" program, promoting tennis to the senior community. He also started the community's first NJTL chapter.

Kimball not only works with beginning players, but is also a USTA Competition Training Center coach. Under the direction of Richard Verzaal he trains some of the top junior talent in the state.

Other nominees: Carl von Coppenhagen, Hattiesburg, MS; Craig Jones, Martinez, GA; Jeff Kupers, Fort Smith, AR; Tom McGraw, Louisville, KY; Blain Smith, Nashville, TN.

Michelob Ultra Ultimate Tennis Party Snags Special Tennis Event

SPECIAL TENNIS EVENT OF THE YEAR

→ Presented annually to a special tennis event in the USTA Southern Section that has been exemplary in its promotion and support of tennis.

→ Awarded to:
Michelob Ultra Ultimate Tennis Party of the Summer
Norcross, GA

Matt Olson and Doneeta Case

Organized by event directors Matt Olson and Doneeta Case and USTA Atlanta's enthusiastic group of staff and volunteers, the Michelob Ultra Ultimate Tennis Party celebrated the conclusion of the summer season of USA League Tennis in Atlanta.

The daylong celebration, held at the Racquet Club of the South in Norcross, GA, included the final round of the Nike Pro Challenge League – a league that featured 80 of the top male players in the city.

Free tennis lessons were also offered to adults and children on courts throughout the tennis facility and Wilson Demo Courts gave attendees the opportunity to test some of Wilson's top racquets.

There was also a sponsorship booth area where people in attendance were treated to free massages and could register for exclusive giveaways, including restaurant giveaways and free Air Tran airline tickets. Another popular aspect of the event was the VIP party where over 100 of USTA Atlanta's most dedicated volunteers were thanked and celebrated. Those in attendance received gifts, food and, of course, Michelob Ultra.

The day came to a close with a special exhibition featuring former ATP doubles stars Ellis Ferreira, T.J. Middleton, Grant Stafford and current star Francisco Rodriguez.

"Through the support of our sponsors, we were able to increase the interest in USA League Tennis throughout the spring and summer," said USTA Atlanta executive director Matt Olson. "The event allowed us to promote our sport and programs while at the same time recognizing our volunteers for their generous service over the years."

Other nominees: Davis Cup Fan Appreciation Night, Columbia, SC; Play Tennis Bossier Annual Tournament, Bossier City, LA; Welcome Back to Tennis, Peachtree City, GA; West Point Tennis Classic, West Point, MS; WRAL TV-5 Tennis Classic – 50K Women's Pro Tournament, Raleigh, NC.

Middle Georgia NJTL Collects NJTL Chapter of the Year Award

NJTL CHAPTER OF THE YEAR AWARD

Presented annually to an NJTL Chapter within the USTA Southern Section that has demonstrated excellence in administration of its NJTL programs.

Awarded to:
Middle Georgia NJTL
Macon, GA

Carl Hodge

The Middle Georgia Tennis Association is in the business of attracting new recruits to tennis and they use community involvement and a variety of programs to do so. The Middle Georgia Tennis Association has proven to be a success with its program diversity and implementation as it serves thousands of juniors annually. After-school programs expose students to the game as well as provide academic assistance. Six traveling teams with three coaches each instruct juniors at various sites in the Macon area. Middle Georgia tennis participants have the opportunity to play USA Team Tennis and are encouraged to compete in USTA-sanctioned tournaments. Directed by chapter leader Carl Hodge, NJTL of Middle Georgia provides special tennis instruction to inner-city youth, creating a pathway for the juniors to reach their tennis potential. With the help of community organizations such as Communities-In-Schools, The Boys and Girls Club of America, The Macon Tennis Association, Bibb County public schools athletic programs, and the parks and recreation, MGTA has established after-school and summer programs. In 2004, over 90 percent of middle Georgia NJTL juniors received a scholarship so they could participate in the Chapter's programs free of charge. Additionally, funds were raised to sponsor four Macon juniors and two chaperons to travel to New York City to attend the U.S. Open's Arthur Ashe Kids Day.

Fred Robinson

Diane Fishburne

FRED ROBINSON

Fred Robinson is living proof that both hard work and determination are key to achieving your goals. Currently, Robinson holds the No. 1 ranking in the country in the men's 50 division for both singles and doubles, which is hard to believe for someone who did not start teaching tennis and playing competitively until age 21. This past year, he also claimed the title in the Atlanta Pro Invitational, and the singles and doubles title in the Wheeling, WV, Category II tournament. His work ethic and commitment to the game have brought him much success as a tennis professional, tennis director, club owner, and top-ranked national player. Robinson has parlayed his motivation and hard work into being a 20-time World and U.S. medallist on the USTA circuit and he represented the U.S. on three Cup teams. His dedication to the game has earned him honors such as Men's Open Singles Player of the Year, Best Senior Tournament of the Year and the Gil Roberts National Sportsmanship Award. As a self-proclaimed ambassador of the sport, Fred enthusiastically works to grow and promote tennis. Using his extensive knowledge and passion for the game, he designs and organizes tennis programs, clinics and tournaments on a national and international level. Above all, Robinson believes that playing tennis should be fun. He encourages his students to find something they have a passion for and stick with it.

DIANE FISHBURNE

Diane Fishburne added one more world title to her list of tennis accomplishments this year as she claimed the Women's 45 Singles Championship. Two years ago, Diane won the Women's 45 Championship, and last year earned the Women's 40 Doubles World Title with partner Mary Dailey. This past year, she finished No. 1 in the nation and the world in the women's 45 singles, and claimed two national number-one doubles rankings in the Women's 40s and 45s. Fishburne has served on seven USTA Cup Teams for International play and captained the 2004 Margaret Court Cup Championship Team that played in Antayla, Turkey. Although Diane is undefeated in international play, she finds time to give back to the game in her local community. The Charleston Metro Sports Council honored Fishburne with the prestigious Sports Achievement Award to honor her outstanding accomplishments within her local sports community. A graduate of the College of Charleston and a two-time collegiate All-American, Fishburne was inducted into the College of Charleston Hall of Fame in 1995. She was also inducted into The South Carolina Hall of Fame in 1999. Finally, she was runner-up at the National Grass Court Championships in Philadelphia last year, and winner of two Les Grandes Dames Championships.

Huntsville Area Tennis Association is 2004 Member Organization

MEMBER ORGANIZATION OF THE YEAR

Presented annually to a Member Organization in the USTA Southern Section to recognize outstanding service to the local community, to the organizational members and to the game itself.

Awarded to:
Huntsville Area Tennis Association
Huntsville, AL

Irene Wisner, John Boyer and Sue Chatham

It has not taken the Huntsville Area Tennis Association (HATA) long to start on the road to becoming a member of the Southern organization elite. With start-up funds coming from both the USTA Southern Section and USTA Alabama, HATA incorporated in November 2003.

On April 30, 2004, less than six months after the creation of the CTA and the formation of its board, ground was broken for Huntsville's newest tennis facility. At the celebration, HATA was responsible for providing set-up and refreshments for Mayor Loretta Spencer, her councilmen and women and 150 members of the tennis community.

In July of last year, HATA started a fund-raising drive for the new Huntsville Tennis Complex, a new state-of-the-art, 24-soft-court tennis facility scheduled to open in early 2005. On July 14, the CTA kicked off its fund-raising rally by selling engraved commemorative bricks to raise money for court benches, trash cans and other amenities needed at the city's new tennis facility. These bricks are being used to pave the patio at the facility. Additionally, HATA organized the first annual Summer Sizzler tournament, held in August with over 140 participants. These endeavors successfully raised over $14,000 and netted the CTA 314 individual and four organizational memberships, surpassing the CTA's projected year-end membership by 100.

HATA uses their impressive website – www.hsvtennis.com – to disseminate general tennis information, tournament match times and results as well as a photo gallery and an online forum to discuss a variety of tennis topics and current issues. It was built and designed by HATA president John Boyer.

As the premier tennis organization in Huntsville, HATA is working closely with the city on preparing bid packages with the hope of bringing State and Sectional league championship tournaments to the city. All are confident that these efforts will soon find the fledgling CTA on the list of the very best USTA member organizations within the Southern Section.

Other nominee: Cary Community Tennis Association, Cary, NC.

Media Excellence Award Goes to Mississippi Newspaper

MEDIA EXCELLENCE AWARD

Presented annually to an individual or organization in the USTA Southern Section who has most contributed to the game of tennis by disseminating information and promoting the sport via their publication to the general public.

Awarded to:
The Commercial Dispatch
Columbus, MS

THE COMMERCIAL DISPATCH

While the Commercial Dispatch may not be as big or as flashy as some of the other daily papers in the USTA Southern Section, it is equally committed to providing its readership with varied and high-quality tennis news. With a circulation that barely tops 13,000, the paper has always been dedicated to keeping the tennis fans of Lowndes County, MS, informed about their local leagues and tournaments as well as the professional tennis news from around the country.

Sports editor Henry Matuszak has done a fantastic job utilizing his talented staff to cover Columbus' exciting local tennis events while at the same time using the Associated Press wire service to give the paper more of a national flavor.

This past year The Dispatch did an excellent job of covering local events such as the Baptist Memorial NTRP Tournament, the USA League Tennis Senior Mixed Doubles State Championship and the widely popular Roy Emerson Tennis Benefit. The paper featured headlines for these items not only on the front page of the sports section but also on the valuable "real estate" of the front page of the paper.

Helen Lee Campassi, who nominated the Dispatch for this award, said it best when she wrote in her nomination form, "Whether it's a sports news or human-interest tennis story, no other news outlet in all of Mississippi promotes the game of tennis better than The Commercial Dispatch."

Other nominees: Bruce Brown, Lafayette Daily Advertiser, Lafayette, LA; Sam Crenshaw, WXIA-TV 11Alive, Atlanta, GA; Chris Givens, Arkansas Democratic Gazette, Little Rock, AR; Jim McLaurin, The State, Lexington, SC.

Fisher Selected Local League Coordinator of the Year

LOCAL LEAGUE COORDINATOR OF THE YEAR AWARD

Presented annually to an individual in the USTA Southern Section who has been outstanding in the coordination of league play at the local level.

Awarded to:

Barbara Fisher
Madisonville, LA

Barbara Fisher

For over five years Barbara Fisher has been way more than simply a local league coordinator. She has almost single-handedly kept league tennis alive in the Madisonville/Covington area. In 2004, she was the Women's Adult League Coordinator, the Senior Women's Coordinator, the Mixed League Coordinator, the Senior Mixed League Coordinator, the Men's and Women's Combo League Coordinator and the Senior Men's and Women's Combo Coordinator.

Her responsibilities are plentiful and include informing the area's local tennis facilities of when captains' meetings are being held, organizing entire leagues in TennisLink, registering each and every team in their appropriate league, scheduling the matches and sending winning captains their packets of information on the various State League Championships. In 2004, she coordinated both the first session of the Adult and Mixed Doubles State Championships and in May she offered a captain's workshop and free tennis clinic to any player interested in becoming a league tennis captain.

While her job may seem overwhelming, she maintains that the captains she works with on a daily basis make her job much easier. "They are so knowledgeable and dedicated that they make my job a true pleasure."

Other nominees: Ruth Ann Bendall, Birmingham, AL; Sol Flynt, Charlotte, NC; Monica Shults, Hot Springs, AR; Roy White, Albany, GA.

North Ridge Junior Open Named Junior Tourney of the Year

JUNIOR TOURNAMENT OF THE YEAR AWARD

Awarded annually to the USTA-sanctioned junior tournament in the Southern Section that best demonstrates the USTA and Southern Section standards of organizing and conducting a sanctioned junior tournament.

Awarded to:
North Ridge Junior Open
Raleigh, NC

Mark Byrd

Regardless of how their child fared in the tournament, parent after parent praised the 2004 North Ridge Junior Open for its phenomenal organization, friendly staff, welcoming atmosphere, unique amenities, scheduling and score reporting. By all accounts, tournament director Mark Byrd, his staff and his army of volunteers did everything right in their first year of running this event.

Hosted by the North Ridge Country Club, the tournament had over 120 participants competing in six different singles divisions; boys' and girls' 10-14. When reviewed by the players' parents afterwards, the championship scored at or near the top in practically every applicable category.

One detail that drew high praise was the player's tent that had two televisions complete with X-Box gaming systems. Many commented on the importance of the tent, as it kept the players out of the sun as they waited for their next matches.

Eileen Bok said it was "One of the best tournaments! The staff could not have been better organized. Many opportunities for the kids to socialize and meet … can't wait for your next one!"

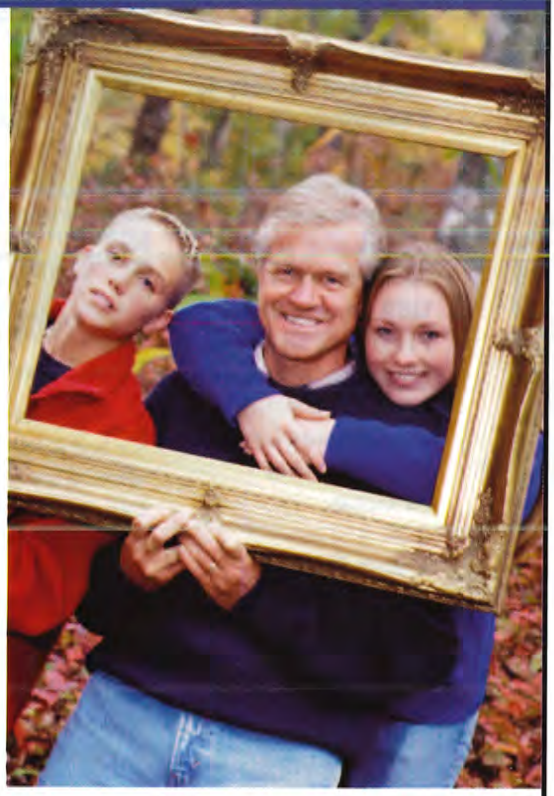

According to Jill Cardella, the check-in and score reporting process went smoothly and the officials never seemed overwhelmed. She was impressed that by the second day, the officials had memorized the players' names and commented that, "It added a very personal touch!"

One experienced tournament director observing the activities was overheard saying, "Thanks Mark, you have set the bar where we can't even reach it!"

Other nominees: Boys & Girls USTA National Open, Marietta, GA; Highland Rim Summer Tournament, Springfield, TN; Louisiana State Closed Junior Qualifying Championships, Lafayette, LA; Magnolia DeBordieu Junior Classic, Pawleys Island, SC; USTA Boys 12 National Hard Court Championships, Little Rock, AR; USTA BG14 Zone Team Championships, Dothan, AL.

→ **Awarded to: Catherine Newman Greensboro, NC**

→ **And Andy Orban Fayetteville, NC**

Catherine Newman

Andy Orban

CATHERINE NEWMAN

Growing up, Catherine Newman would spend most of her free time at the racquet club across the street from her house in Greensboro, NC. Then, at age 9, she picked up a racquet for the first time and has dedicated herself to the sport for the last seven years. Newman has evolved into one of the best juniors in the Section and she has been praised for her attitude and sportsmanship on the court as well. She closed out 2004 with the No. 1 ranking in the Southern Section in the girls' 18 singles. Catherine also won the Mayor's Cup, Bullfrog Designate held in Columbus, GA, the Interscholastics East, and the Girls' 18 National Open Championships last year. She was a finalist in the Bullfrog Designate held in Jackson, MS, and the National Open held in Georgia. Her greatest accomplishment was the gold ball award she won at the National Hard Courts tournament, which allowed her to play in the qualifying tournament for the Jr. US Open. She and doubles partner, Amanda McDowell, placed third at the Girls' 16 Clay Court National Championships where Catherine was also honored for her sportsmanship. Over the years, Catherine has represented the South in the Mills-Redgrave Challenge and Intersectional competition. She has also represented the United States at the Maureen Connolly Challenge in England.

ANDY ORBAN

Andy first picked up a tennis racquet at the age of 4 and has since enjoyed success on the court at all levels. He spent many of his formative years traveling around the country competing in tournaments and has held a top National ranking in the USTA Boys' 12s. Andy had an exceptional close to his junior tennis career, finishing 2004 ranked No. 22 in the nation in the boys' 18 singles. His championship win at the USTA Bullfrog Section Designated at Clemson and third-place finish at the Southern Closed Championships helped him clinch the top spot in the USTA Southern boys' 18 singles. In Sectional play, Orban also won the Southern Open Championship and was runner-up at the Southern Jr. Indoor Open Championships. He and doubles partner, Eric Riley, took the title at the USTA National Clay Courts, where he also finished in sixth place in the singles competition. At the Clay Court Championships, Orban was honored with the tournament sportsmanship award. After being highly recruited by many universities, Andy selected the University of Maryland to be the next stop for his young tennis career.

Junior League of Jackson Scores Educational Merit Honor

EDUCATIONAL MERIT AWARD

→ **Recognizes an individual or group who has developed an outstanding tennis program, which provides leadership and inspiration in junior programs for schools, colleges, parks and playgrounds and benefits the growth of tennis in the USTA Southern Section.**

→ **Awarded to: Junior League of Jackson Jackson, MS**

The Junior League of Jackson has probably done more for junior tennis in the city than any other organization. However, they earned the 2004 Educational Merit Award specifically for their work with Jackson's Boys' and Girls' Club. After providing $30,000 of the funds needed to construct a tennis court at the Boys and Girls Club, Junior League of Jackson president Hope Carter and her dedicated volunteers joined forces with USTA Mississippi to develop the successful Tennis Stars Summer Camp, where attendees were taught the basic skills and rules of the game during two two-week camp sessions in June. Not only did the campers learn the game of tennis, they also developed skills in conflict resolution, how to handle peer pressure, leadership and general physical fitness. While tennis was only one of the goals of the camp organizers, it remained the primary focus.

Choo Choo Classic Wheelchair Tournament is Adult Tourney of the Year

ADULT TOURNAMENT OF THE YEAR AWARD

Awarded annually to a sanctioned adult tournament within the USTA Southern Section which has shown excellence in all aspects of tournament administration.

Awarded to:
2004 Choo Choo Classic Wheelchair Tournament
Chattanooga, TN

Stephanie Dodd

For a first-year tournament, the Choo Choo Classic surpassed everyone's expectations. Ignoring advice to stay local and aim small in their first year, the event organizers at the Chattanooga parks and recreation department and The Champions Club instead felt that a USTA-sanctioned event would bring in more participants. Their intuition was on the money as 44 players from all over the nation registered to compete. They even successfully brought in Open-level players with National rankings.

The army of volunteers recruited to help run the event were phenomenal as no detail was left unchecked; refreshments were available each day, unbelievable goodie bags were handed out and gifts were given to all the players.

Media coverage was perhaps the best ever seen at a Chattanooga tournament, with daily news reports on both television and in the local papers.

Sponsors were plentiful and even allowed for prize money to be handed out; a rarity for a first-year wheelchair tournament. Some of the local organizations and companies that donated money and/or time to the event were BlazeSports Clubs of America, Chattanooga Massage Institute, Chattanooga Tennis Foundation, Chattanooga Tennis Association, Coca-Cola, DER-KEL, Eagle Sports Chairs, Erlanger Hospital, Henley Medical, River Street Deli, Siskin Hospital for Physical Rehabilitation, Suntrust Bank, Sprint PCS and USA Tennis Wheelchair.

The Choo Choo Classic is the first wheelchair event to win this award.

Other nominees: Arkansas USA Super Seniors State Championships at the Village, Hot Springs Village, AR; Outback NBSC Tennis Tournament, Sumter, SC; Southern Combo Doubles Alabama State Championships, Birmingham, AL; USA League Tennis LA Adult State Championships – Session I, Baton Rouge, LA; USA League Tennis Mixed Doubles GA State Championships, Macon, GA; Yonahlossee Senior Clay Courts, Boone, NC.

Hammers & Racquets Named Year's Top Charity Tennis Event

CHARITY TENNIS EVENT OF THE YEAR AWARD

Awarded annually to a tennis event in the USTA Southern Section that generously donates its proceeds to a philanthropic cause.

Awarded to:
Hammers & Racquets
Knoxville, TN

Amy Gibson

Based on email feedback tournament director Amy Gibson received after the Hammers and Racquets event concluded, the Knoxville community was enthralled with the two-day event benefiting the city's Habitat for Humanity chapter. The Knoxville business community also rallied around the event, which was presented by Centriworks, as local sponsorship dollars were plentiful.

On Friday, Sept. 17, the event began with a cocktail reception, silent and live auctions and a professional tennis exhibition with Todd Martin and hometown favorite Chris Woodruff. The warm-up match that evening featured a "celebrity tie-break" with Knoxville Mayor Bill Haslam, state Sen. Tim Burchett, Woodruff and Martin. While Haslam and Burchett both have impressive games, the 500 in attendance were not there to watch amateurs and when Martin and Woodruff hit the court the crowd went wild.

With both players retired – Woodruff left the professional tour in 2002 and Martin ended his 14-year career earlier that month after being ousted from the U.S. Open – neither one took the match overly seriously. However, even with the banter back and forth, both players put on a fantastic show for the crowd. In the end, Woodruff defeated Martin in a tight third-set tiebreaker.

On Saturday the event continued with a half-day team tennis tournament. Fourteen teams – totaling 112 players – competed in the unique round robin format tournament where all teams played only doubles and mixed doubles.

In total, over $100,000 was raised for Knoxville's Habitat for Humanity during the weekend event.

Other nominees: APB Mortgage Ball to benefit Cystic Fibrosis, Louisville, KY; Cancer Survivors of Baton Rouge Susan V. Green Memorial Classic, Baton Rouge, LA; CCTA Women's Charity Tennis Classic, Cary, NC; CORTA Jr. Christmas Toy Tournament, Columbus, GA; Tennis Across Montgomery, Montgomery, AL.

Pat Devoto, Atlanta, GA, Wins Charlie B. Morris Jr. Service Award

CHARLIE B. MORRIS JR. SERVICE AWARD

Presented in memory of Charlie Morris to the volunteer who best exhibits exemplary volunteer spirit at the local, State, Sectional and/or National levels.

Awarded To:
Pat Devoto
Atlanta, GA

Pat Devoto

In 1978, when Martina Navratilova claimed her first Wimbledon title by defeating Chris Evert, and John McEnroe, Jimmy Connors and Billie Jean King were thrilling millions, an idea for a new approach to tennis began taking shape in the South. Far from the hallowed grounds of the U.S. Open – located, in fact, much closer to a small tennis center in Atlanta – that new idea embraced the opposite end of the tennis-star spectrum. It targeted the grassroots player: someone who, while inspired by the golden age for Americans on the world tour, was gifted with skills more suitable to recreational play.

That idea would eventually evolve into USTA League Tennis, today the world's largest recreational league tennis program. And Pat Devoto, this year's winner of the Charlie B. Morris Jr. Service Award, is the woman who made it all happen.

"Pat Devoto IS the 'mother' of league tennis as a National program," said Marilyn Sherman, USTA Southern Section's director of adult tennis. "Her first steps as administrator of the first USTA pilot program birthed the beginnings of the largest recreational league program in the country today."

It all began one day in 1978 when Pat was sitting on the steps of the Dekalb Tennis Center. A friend, Bill Fish, asked if she would administer a program grant to study the feasibility of a National USTA league system. Pat, who had volunteered for the Atlanta Lawn Tennis Association and the Atlanta Professional Umpires Association and had briefly managed the Dekalb Tennis Center, seemed a logical choice.

When she agreed to run the grant, little did she know she was at the helm of something much larger. She was actually getting in on what she has since called "the ground floor of an earthshaking event in the history of USTA tennis; an idea whose time had come. It is a program that, over the years, has changed the face and organizational makeup of the United States Tennis Association."

"In her first two years," Sherman said, "the program went from 100 players to 15,000 players in all nine southern states." This year, the 25th anniversary of USA League Tennis, as many as a half-million people across the country enjoy the program Pat helped craft.

In addition to making the sport accessible to legions of players, Pat's work in league tennis led to a lifelong connection with the USTA at all levels.

"She has given the USTA, USTA Georgia and the USTA Southern Section countless volunteer hours in several significant areas: marketing, public relations, adult competition, awards and publications," Sherman explained.

Over time, Pat has been involved in every type of tennis event or program possible. After several years as league coordinator for the USTA Southern Section, she served two terms as president of USTA League Atlanta, the largest local USTA league in the country. She was a vice president of the Georgia Tennis Association (USTA Georgia), served on the Sectional League Committee, was chairman of the Sectional Public Relations Committee, chairman of the Adult Competition Committee, was on the USTA Southern Section board as delegate-at-large, was on the Sectional Olympic Committee, volunteered for Davis Cup in Atlanta, and is currently serving on the Sectional Awards Committee and is chairman of the Sectional Publishing Committee.

At the National level, she has been appointed to the National League Committee, has been vice-chair of the Communications Committee, vice-chair of the Publishing Committee, served on the Public Relations Committee and the Marketing Committee and is presently serving on the Olympic Committee.

Pat's passion for the game, however, extends far beyond the boardroom. In the early 1990s, she began – with a group of friends – an intercity after-school tennis program for fourth- and fifth-graders at Atlanta's Fowler Street Elementary School. While everything from bullets to drug dealers to drunks whirled around the perimeter of their schoolyard tennis games, Pat, a former high-school history teacher, and her group of volunteers played the game with 9- and 10-year-olds, took them on field trips, had theme parties, helped with school studies and, as she said, "generally had a wonderful, eye-opening experience. It was one of the most rewarding jobs I have ever had in tennis. We ran this program – and always with wonderful support from the USTA Southern Section – until Techwood Homes was torn down to make way for the Olympics in 1996."

During the Olympics, Pat was similarly instrumental in making tennis happen, serving as administrator of volunteers for the tennis venues, first as a volunteer and then on staff.

Later, she came up with yet another novel tennis notion – the Southern Cities Championship. An invitational tennis tournament for women from across the Southern Section and Florida, the event awards winning teams prize money to be donated to the local charity of their choice.

"We met over lunch and Pat thought it would be great to have a battle of the different cities around the South," recalled her Southern Cities co-director, Joan Schnetzer. "When I first heard this, I thought, 'Who's going to come do this?' " The answer would surprise, and thrill, Schnetzer. That first year, 12 teams were invited. This past year, the Championship's ninth, the number of teams had grown 100 percent. Since its inception, this particular idea of Pat's has generated about $13,500 for charities including the American Cancer Society, the Arthritis Foundation and St. Jude's Children's Hospital.

As if her tennis accomplishments haven't been varied and rewarding enough, Pat's life outside the game has been predictably incredible, as well. The mother of two and grandmother of three has, among other feats, earned a private pilot's license, designed and helped build her lakeside cabin in Alabama, served on the board of her local historical society and run many programs for inner-city youth.

Combined with the Charlie B. Morris Jr. Service Award, Pat has had more than enough experiences to fill a book – which, in her case, is considerably more than a cliche. That's because Pat Cunningham Devoto, the mother of league tennis, is an acclaimed writer, as well. The author of "My Last Days as Roy Rogers," "Out of the Night that Covers Me" and the soon-to-be-released "The Summer We Got Saved," Pat has been compared by various reviewers to the likes of Harper Lee and Mark Twain!

As if making time for a busy writing career, tennis and an adoring family doesn't keep her busy enough, Pat's not finished yet.

"My next project will combine two of these interests – a novel about a group of women who play tennis," she said. "And you are all included."

Judi Miller of Louisville, KY, Honored with Jacobs Bowl

JACOBS BOWL

The highest honor presented by the USTA Southern Section, this award is presented to a volunteer who has exhibited outstanding service in the USTA Southern Section.

Awarded To:
Judi Miller
Louisville, KY

In 1986, Judi Miller became Kentucky's State League Coordinator for a relatively new recreational tennis format in the USTA Southern Section. Nineteen years later, that league program has undergone something of a revolution, as has Judi. USA League Tennis is now known as the world's largest recreational league tennis program. And, after a two-year stint as president of the USTA Southern Section, Judi has been awarded the Jacob's Bowl, the organization's most prestigious award.

In many ways, the upward trajectory of Judi's tennis volunteerism has mirrored that of the program she's been a part of since it was sponsored by Volvo and she was called captain.

While still a new state league coordinator in the mid-'80s, Judi established the round-robin format, then a novel concept, for the Kentucky State Championships. At the same time, league participation across the country was exploding, topping the 100,000-player point by 1988. Together, league tennis and a Louisville resident named Judi kept advancing.

From 1993-1995, Judi served as president of the Kentucky Tennis Association, where she helped co-found the Kentucky Tennis Endowment Fund. In 1995, she was a delegate-at-large for the USTA Southern Section in her first board position. Her USTA National affiliation started in 1997 as a USTA Adult League Council member. She has since served as USTA Southern Section vice-president (1997-2002) and executive vice-president (January 2003-June 2003) before assuming the office of president (2003-2004). Judi is currently serving as delegate-at-large for the USTA Southern Section, vice-president of the Southern Tennis Association Patrons Foundation and chairman of the USTA Southern Nominating Committee.

Throughout the past decade, Judi has also served on numerous USTA committees, many league-related. She has been a member of the USTA League Committee for eight years. She also served as chairman of the USA League Mixed Doubles subcommittee (1999-2000), bringing that format to the National level. She has been a member of the USA Tennis Adult Leagues Long-Range Planning Committee (2001-2002), chairman of the USA Team Tennis Committee (2001-2002), vice chairman of the USTA Adult 1•2•3 Committee (2001-2002) and, after serving on the USTA Budget Committee, was recently appointed chairman for the USTA Adult Community Programs Committee. In addition to being a member of the Kentucky Tennis Hall of Fame Selection Committee since 2000, she is also a member of the USTA Executive Committee.

Judi Miller

"Judi Miller has had a long-standing volunteer relationship with the United States Tennis Association at the National, Sectional and State levels," said John Callen, executive director of the USTA Southern Section. "She has been an outstanding president of the 165,000-member USTA Southern Section and has diligently served for a decade on the Executive Committee. Tennis in the South has benefited in so many ways under Judi's progressive style of leadership with an emphasis on FUN."

And, for Judi, fun has frequently come in the form of league tennis.

"Judi Miller has devoted a great deal of her volunteer time and talents to league tennis at the local, State, Sectional and National levels," said Marilyn Sherman, USTA Southern Section's director of adult tennis "She is a passionate advocate who has been at the forefront of many of the significant improvements to league tennis over the last several years. As a player, captain, coordinator and committee member, she has witnessed the explosion of increased participation and interest in the sport through the vehicle of team competition."

There is no measuring the impact league tennis has had on Judi – or the game – according to Lisa Barry, USTA Southern Section's league coordinator from 1989 to 1994. Having served with Judi from her earliest days as state league coordinator, Barry remembers a woman who always responded with equanimity to the inevitable challenges posed by a pre-computerized league tennis era. "Even in the midst of difficult circumstances," Barry said, "Judi was always positive, she always maintained her integrity. Her players knew she always represented their best interests.

"When you think about it, the league program changed the face of the USTA," Barry continued, "and Judi is really the first president of the Southern Tennis Association who has come up through the league program. I'm just real proud of her. I think she's a wonderful person."

For Judi – wife, mother and grandmother – tennis has been a family affair, as well. Years ago, she enlisted the help of her children, Melissa Chastain and Samuel E. Miller II, and their friends at playoffs. Her son went on to play leagues, advancing to Sectionals one year. Judi's husband, Sam, is also an avid tennis enthusiast. An active USTA volunteer, Sam is presently a trustee for the Southern Tennis Patrons Foundation. According to Barry, Judi and Sam were instrumental in petitioning the city of Louisville to build additional public courts, an investment that resulted in Louisville being selected to host the USA League Tennis Southern Sectional Championships in 2001 and 2002.

"That's what the league program has done," Barry noted. "Wherever the Sectional championships have gone, it has improved tennis in those cities because it's a multimillion-dollar event."

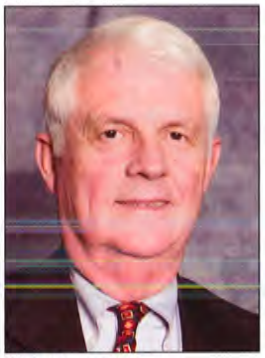

League play continues to pay off for Judi, as well. This year, the 25th anniversary of league tennis, the Jacobs Bowl Award winner still competes on a senior 4.0 team. Across the country, more than a half-million other league players are also hitting the courts thanks, in large part, to volunteers like Judi Miller.

Russell Finds the Sport of a Lifetime in 1970

JIM RUSSELL

Jim Russell did not pick up the game of tennis until 1970, when he moved from Columbus, GA, to Belton, SC, but he quickly made a name for himself as one of the top players in the area, winning four consecutive husband-wife doubles titles in the Belton Closed. He was also a member of the 1979 National Champion Cobb's Glen Adult League team.

Russell's most impressive accomplishments did not come on the courts but, rather, were displayed in his administrative, officiating and volunteer activities.

Jim Russell

In 1974, Russell became involved in the organization of tennis when he served on the Palmetto Championship tournament committee and in 1976 as the tournament director. Over the years he served on the committee working in various capacities and has been a tournament referee for 25 of the past 26 years. Under his leadership, the tournament has become widely viewed as one of the top junior tournaments in the nation, winning the South Carolina Tournament of the Year in 1986 and 1990 and the Southern Junior Tournament of the Year in 1990.

After his success at the Palmetto Championships, Russell was sought out by several other South Carolina tournaments and he subsequently has helped organize several other first-rate championships throughout the state, including the Don Dixon Junior in Lancaster and the Charleston Thanksgiving Junior Classic.

However, his service as a tennis official goes far beyond South Carolina, as Russell has worked on several USTA National, Sectional, collegiate and professional events. He has worked as a referee at the USTA Volvo National Championships, the USTA Boys' 18s Intersectional Championships, the USTA Olympic Festivals, the NCAA Men's Tennis Championships and has worked as an umpire at the U.S. Open.

Additionally, he has also served as the marketing director and referee of the Atlantic Coast Conference Tennis Championships since 1992.

Russell joined the USTA South Carolina board in the 1970s and was elected to its presidency in 1982. During his term as president, Russell started the first "Top 10" Junior All-Star Camp, reestablished the Sectional Junior Davis and Wightman Cup competition and organized the first USTA South Carolina annual meeting and awards banquet.

Perhaps his greatest accomplishment for the South Carolina tennis community was the formation of the South Carolina Tennis Patrons Foundation and subsequent establishment of the South Carolina Tennis Hall of Fame. Russell himself was elected in 1991, becoming the Hall's 17th member.

Russell has also been heavily involved in the promotion and administration of tennis at the Sectional level. He was elected to the USTA Southern Section board in 1984 and served as president in 1992-1994. He has been presented with the Section's two most prestigious volunteer awards, the Jacobs Bowl in 1994, and the Charles B. Morris Jr. Service Award in 1999.

Jim's involvement goes beyond the State and Sectional level as he has served on numerous USTA National committees. He was elected to the USTA National board in 1997 and served on the USTA executive committee in 1999-2000.

He and wife, Frances, live in Belton, SC.

Garvin, Sack and Russell Inducted into Hall of Fame

Lucy Garvin, from Greenville, S.C., Jim Russell, from Belton S.C., and Lester Sack, from New Orleans, La., were each inducted into the Southern Tennis of Hall of Fame because of their individual lifetime accomplishments in and around the sport of tennis.

"I served on the Southern board of directors under both Lucy and Jim," said Randy Stephens, member of the Southern Tennis Hall of Fame selection committee. "They are outstanding leaders and I learned a great deal from each of them. Their devotion to the sport here in the South and throughout the nation is unparalleled and they greatly deserve this honor."

"During Lester's collegiate career he was perhaps the best number-four player in the country," said close friend and former USTA Southern Section president Randy Gregson. "As a matter of fact, I don't think he ever lost a match! His perseverance on the court prepared him well for competition in Europe, where he became an exceptional clay court player. Lester's performance over the years makes him an easy choice for the Hall of Fame."

LUCY GARVIN

Lucy Garvin

For years, Lucy Garvin has worked diligently to organize, manage and promote the game of tennis in South Carolina, the Southeast and throughout the nation. She began 2005 with her second term as vice president of the USTA after serving one term as director at large on the USTA board. She is also board liaison to the USTA Sections and the Second Language Committee, chairman of the Volunteer Initiative and is a member of the board's Compensation Committee. Garvin is also a member of the International Tennis Hall of Fame associates board.

Garvin's professional background began in the medical field with a degree in nursing, where she worked for 12 years. Then a move to South Carolina in 1974 started her 20-year career in the marketing and management of tennis facilities throughout the South. Driven by her lifelong love of tennis, Garvin managed several tennis facilities while volunteering with USTA South Carolina and the USTA Southern Section.

A certified referee for over 28 years, Garvin has worked countless local, State, Sectional and National tournaments, including the South Carolina State Qualifying tournaments, the South Carolina State League Championships, NCAA and ACC Collegiate Dual Matches, National Zonals, Southern Closed Championships and the National 12s Open.

In 1999-2000 she guided the Southern Section as president and was the USTA Southern Section delegate and chairwoman of the USTA Delegates Assembly. She has also served as a ranker and endorser, chairman of the Junior Tennis Council, chairman of the Sanction and Schedule Committee, delegate-at-large, treasurer and vice president.

Garvin has also served as council co-chair of the Community Tennis Development Division for Southern and has chaired the USTA Section Presidents, USTA Delegates, USA Tennis 1•2•3, and Adult/Senior Recreation committees.

In South Carolina, Garvin served as president, vice president, treasurer, chairman to the Junior Tennis Council, chairman to the Nominating Committee and chairman of the South Carolina Tennis Patrons Foundation.

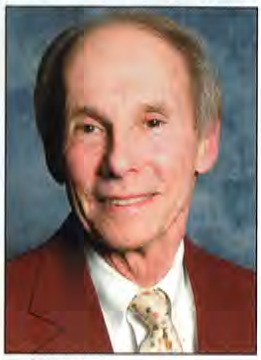

Garvin has earned a decade of awards for her service in the game. In 1990, she was named SCTA Official of the Year and earned the first of her two Presidents Awards. USTA South Carolina established the Lucy Garvin Volunteer of the Year Award in her honor in 1996, and she was the award's first recipient. In 1998 she was inducted into the South Carolina Tennis Hall of Fame and was presented with her second South Carolina Presidents Award. She also earned the USTA Southern Section's Jacob Bowl Award in 1999.

In 1996 Garvin supervised a team of scorers at the tennis venue during the Atlanta Olympic games; one of her most cherished tennis memories.

At the local, State and Sectional level, Garvin won a number of doubles titles in sanctioned tournaments from 1976 to 1990, including the Family Equitable Mother/Son Southern Regional Championship in 1979.

She and husband, Bob, currently reside in Greenville, SC.

LESTER SACK JR.

Lester Sack Jr.

Lester Sack Jr. is no stranger to the hoopla that comes with one's induction into a Hall of Fame. The avid lifelong player and coach has earned recognition for his achievements in the sport from institutions such as the Mississippi Sports Hall of Fame and the Mississippi Tennis Hall of Fame. He can now add the Southern Tennis Hall of Fame to his already impressive resume.

A Mississippi resident until 1977, Sack was one of the most dominant players of his generation. He won either the Mississippi Open or Mississippi Closed every year from 1959-1975 and has captured countless 35, 45, 50 and 55 age group Southern Championships and singles and doubles State Open titles in Tennessee, Georgia and Alabama.

He was ranked No. 1 in Mississippi in the men's open singles division every year from 1959-1975 and was in the top 10 in the Southern Open division many times during that same time period.

Sack went on to have an impressive college career at Tulane University from 1956-1958, where he played number-three singles and number-one doubles for the team and helped the Green Wave capture three SEC championship titles. In 1958 he and partner Ron Holmberg were the No. 1 ranked doubles team in the SEC.

After college, Sack pursued a pro tennis career and, in addition to his Mississippi and Southern rankings, in 1984 he was ranked second in the nation in the men's 45 singles and seventh in men's 50 singles in 1988. He won the Men's 45 Singles National Championship in 1984 and was runner-up in the Men's 35 National Clay Court Championship in 1970 and the Men's 50 Singles National Clay Courts in 1987.

Internationally Sack has won singles titles in England and Germany. In 1965 he clinched the doubles title in the Canadian Open and in 1966 he reached the third round of the French Open.

Age has not slowed Sack down in any way as he has represented the United States in three senior competitions, including the Dubler Cup, Gordon Cup and Stevens Cup senior competitions.

Sack has passed on his knowledge and zeal for the game as coach of two national junior champions and has served as head coach for the USTA New Orleans Area Training Center. He was also an assistant tennis professional for the Racquet Club of Memphis and a pro at the New Orleans Lawn Tennis Club. He is a member of the United States Professional Tennis Association, United States Racquet Stringers Association and a former regional tester for the USRSA.

He and wife, Wendy, reside in New Orleans, LA.

FOR ANDRE, #1 IS ALWAYS WITHIN REACH.

PENN...#1 CHOICE OF ATP PLAYERS.

©2003 Penn Racquet Sports Inc. *Based on Vectorscope Digital Test Data, Feb. 2001.

These days, Andre isn't the only one crushing the competition. His preferred projectile, the astoundingly consistent Penn ATP tennis ball, is used in the top 10 ATP tournaments worldwide. Also helping it get noticed is its **SMART OPTIK**™ felt, making Penn ATP **19% brighter*** than a standard tennis ball. It's no wonder Penn is the official ball of the ATP and the #1 ball on the tour. So reach for the ball that Andre reaches for. Penn ATP.

This stuff really works!

"I love tennis but my arms and legs were so dry it was embarassing. Then my doubles partner told me to try Gold Bond Ultimate Lotion and after just a couple of uses I could see and feel the difference. This is the most incredible lotion I have ever used!"

Message from the President and the Executive Director

Jeff Gray

John Callen

There is no question that the USTA Southern Section is focused on the growth of tennis and the development of our programs. We have the most dedicated and hard-working volunteer base in the nation and you, our players, consistently show your passion for the game by challenging our State and Sectional staff to provide you with newer and more creative programs and services.

In 2004 three teams from the South claimed USA League Tennis National titles and others captured the runner-up spot in their divisions. This past year our Southern Men took home their third consecutive USTA Intersectional Team Championship. The Southern Section is also home to some of the top up-and-coming players on the professional tour. Atlanta's Donald Young, 15, and Scoville Jenkins, 18, are considered by many to be the future of American men's tennis, and Nashville's Brian Baker, 19, in his first year as a professional, was the prize-money leader on the USTA pro circuit.

Other highlights off the court include the USTA Southern Section's very own website, www.southerntennis.com, being named 2004 USTA.com Network Website of the Year and USTA Atlanta earning USTA Community Tennis Association of the Year honors.

In 2005 the USA League Tennis Program will be celebrating its 25th anniversary and now is the time to thank the many players, captains, Local and State League Coordinators, and State and Sectional volunteers and staff for collectively putting millions of hours into making league tennis the fun, exciting and challenging program that it has been for the past quarter century.

In related news, the USTA Southern Section is reaching two monumental league tennis milestones as we enter this new year: 1) Southern will be hitting the once-inconceivable 100,000-player mark; and 2) Southern will have over 210,000 registrants in the Adult, Senior, Mixed, BMW Combo and Super Seniors programs.

This past year the USTA announced the launch of the U.S. Open Series, a historic breakthrough for the sport that linked 10 summer hard-court tournaments to the U.S. Open, creating a cohesive, six-week summer tennis season for ATP and WTA Tour professional tournaments in North America. The U.S. Open Series marked, for the first time ever in the United States, a consistent television schedule for the tournaments – and for the fans – beginning after Wimbledon and leading up to the U.S. Open.

Southern helped to lead the way in promoting this exciting opportunity in tennis television viewership and all our efforts were rewarded, as the television ratings for the tournaments leading up to the 2004 U.S. Open were approximately 30 percent higher, on average, than the previous year.

The promotion of the U.S. Open Series also helped us raise awareness of the newly launched Tennis Channel. The Tennis Channel was promoted and information was disseminated at exhibition matches and league championships throughout the year. Today, The Tennis Channel offers a wide range of exceptional programming and can be seen by almost 4 million households in the Southern Section.

Despite all of our achievements, we know that there is so much more that needs to be done to grow the game. There are areas of major cities and communities in each Southern state that do not yet offer organized tennis programs. We must work to spread the enjoyment of tennis to all who live within the USTA Southern Section borders. It is also important for the Section to become a support system for all tennis events.

Please help us to accomplish these goals as we move forward in 2005. Always remember that the USTA Southern Section staff and volunteers, as well as your USTA State office staff and volunteers, are here to work with you and answer any question you may have.

We thank each and every one of you for your continued love of the game.

USTA SOUTHERN SECTION MISSION STATEMENT
"To promote and develop the growth of tennis."

DISTINCTION
Founded in 1881, the United States Tennis Association (USTA) is the national governing body for the sport of tennis in this country. In addition to owning the U.S. Open and selecting members of the Davis Cup, Fed Cup, Olympic and Paralympic teams, the USTA administers a variety of programs nationwide for players of all ages and ability levels. A not-for-profit organization, the association is divided into 17 sections, of which the USTA Southern Section is the largest. The 166,000+ USTA members living in Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee make up the USTA Southern Section, and account for approximately 25% of the total USTA membership. A professional staff housed in Norcross, GA, carries out the USTA Southern Section's daily operations, but policy is formed and much of the organization's work is executed via a Board and committee structure of over 200 volunteers. For more information about the types of programs and services offered by the USTA Southern Section, visit www.southerntennis.com.
